INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL
STATEMENT PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

TO: THE OFFICIALS OF THE CITY OF MARTINSVILLE, MORGAN COUNTY, INDIANA

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statement of the City of Martinsville (City), for the year ended December 31, 2020, and the related notes to the financial statement, which collectively comprise the City's financial statement and have issued our report thereon dated December 21, 2021, wherein we noted the City followed accounting practices the Indiana State Board of Accounts prescribes rather than accounting principles generally accepted in the United States of America.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statement, we considered the City's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the City's financial statement will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies, and, therefore, material weaknesses or significant deficiencies may exist that were not identified. We did identify certain deficiencies in internal control, described in the accompanying Schedule of Findings and Questioned Costs as items 2020-001 and 2020-002, that we consider to be material weaknesses.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL
STATEMENT PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*
(Continued)

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and, accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying Schedule of Findings and Questioned Costs as items 2020-001 and 2020-002.

City of Martinsville's Response to Findings

The City's response to the findings identified in our audit is described in the accompanying Corrective Action Plan. The City's response was not subjected to the auditing procedures applied in the audit of the financial statement, and, accordingly, we express no opinion on it.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR THE MAJOR FEDERAL PROGRAM; REPORT ON INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE

TO: THE OFFICIALS OF THE CITY OF MARTINSVILLE, MORGAN COUNTY, INDIANA

Report on Compliance for the Major Federal Program

We have audited the City of Martinsville's (City) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on its major federal program for the year ended December 31, 2020. The City's major federal program is identified in the Summary of Auditor's Results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for the City's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of the City's compliance.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR THE MAJOR FEDERAL PROGRAM; REPORT ON INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE
(Continued)

Opinion on the Major Federal Program

In our opinion, the City complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended December 31, 2020.

Report on Internal Control over Compliance

Management of the City is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the City's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR THE MAJOR FEDERAL PROGRAM; REPORT ON INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE
(Continued)

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statement of the City, as of and for the year ended December 31, 2020, and the related notes to the financial statement. We issued our report thereon dated December 21, 2021, which contained a dual opinion on the financial statement. An adverse opinion was issued regarding the presentation in accordance with U.S. Generally Accepted Accounting Principles, and an unmodified opinion was issued regarding the presentation in accordance with the Regulatory Basis of Accounting. Our audit was conducted for the purpose of forming an opinion on the financial statement as a whole. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the financial statement. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statement. The information has been subjected to the auditing procedures applied in the audit of the financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statement or to the financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated, in all material respects, in relation to the financial statement as a whole.

The accompanying notes are an integral part of the Schedule of Expenditures of Federal Awards.

CITY OF MARTINSVILLE
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

Note 1. Summary of Significant Accounting Policies

A. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards (SEFA) includes the federal grant activity of the City under programs of the federal government for the year ended December 31, 2020. The information in the SEFA is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the SEFA presents only a select portion of the operations of the City, it is not intended to and does not present the financial position of the City.

B. Other Significant Accounting Policies

Expenditures reported on the SEFA are reported on the cash basis of accounting. Such expenditures are recognized following, as applicable, either the cost principles in OMB Circular A-87, *Cost Principles for State, Local, and Indian Tribal Governments*, or the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowed or are limited as to reimbursement. When federal grants are received on a reimbursement basis, the federal awards are considered expended when the reimbursement is received.

Note 2. Indirect Cost Rate

The City has elected not to use the 10 percent de minimis indirect cost rate allowed under the Uniform Guidance.

CITY OF MARTINSVILLE
SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Section I - Summary of Auditor's Results

Financial Statement:

Type of auditor's report issued:	Adverse as to GAAP; Unmodified as to Regulatory Basis
Internal control over financial reporting:	
Material weaknesses identified?	yes
Significant deficiencies identified?	none reported
Noncompliance material to financial statement noted?	yes

Federal Awards:

Internal control over major program:	
Material weaknesses identified?	no
Significant deficiencies identified?	none reported
Any audit findings disclosed that are required to be reported in accordance with 2 CFR 200.516(a)?	no

Identification of Major Program and type of auditor's report issued on compliance for it:

Assistance Listing Number	Name of Federal Program or Cluster	Opinion Issued
21.019	COVID-19 - Coronavirus Relief Fund	Unmodified

Dollar threshold used to distinguish between Type A and Type B programs: \$750,000

Auditee qualified as low-risk auditee? no

Section II - Financial Statement Findings

FINDING 2020-001

Subject: Financial Transactions and Reporting
Audit Findings: Material Weakness, Noncompliance

Condition and Context

The City had not established an adequate system of internal controls related to financial transactions and reporting. The City had not separated incompatible activities related to cash and investments, Employee Benefit Trust, and financial close and reporting.

CITY OF MARTINSVILLE
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
(Continued)

Cash

Monthly bank reconciliements for each bank account were prepared, reviewed, and approved by two individuals. However, a combined reconciliation of all City funds to the financial statement was not prepared.

Employee Benefit Trust

The City created the Employee Benefit Trust fund to account for costs incurred for insurance premiums and other medical expenses. The City utilized a third-party administrator to administer the Employee Benefit Trust (Self-insurance fund). The administrator provided the City with weekly reports showing the beginning and ending cash balances, and receipts and disbursements. The City received a weekly Unpaid Claims Report, which documented the health insurance claims to be paid on behalf of the City employees. There was no evidence that these reports were reviewed, and they were not retained for audit. The administrator also provided a year-to-date spreadsheet of receipts and disbursements. This report was used to enter the activity of the Employee Benefit Trust fund into the Annual Financial Report (AFR), but the activity was not entered into the City's ledger. The activity shown on this report was not verified to the weekly reports.

There was no evidence of internal controls to verify that the information received from the administrator was accurate.

Financial Transactions and Reporting

The City did not have a proper system of internal controls in place to prevent, or detect and correct, errors in the AFR entered into the Indiana Gateway for Government Units (Gateway) financial reporting system, which was the source of the financial statement. The Clerk-Treasurer entered the financial information into Gateway without an oversight, review, or approval process to ensure its accuracy.

The Employee Benefit Trust fund was not maintained on the Key Fund software. Sixteen of the debt related funds held with the Bank of New York were maintained on a manual ledger, but were not included in the Key Fund software. However, these funds were included on the AFR.

Due to the lack of internal controls, the financial statement presented for audit included the following errors:

1. The receipts and disbursements for the Employee Benefit/Active fund were each understated by \$3,179,277.
2. Crime Prevention fund disbursements of \$21,555 were omitted.

Audit adjustments were proposed, accepted by the City, and made to the financial statement.

CITY OF MARTINSVILLE
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
(Continued)

Criteria

The Indiana State Board of Accounts (SBOA) is required under Indiana Code 5-11-1-27(e) to define the acceptable minimum level of internal control standards. To provide clarifying guidance, the State Examiner compiled the standards contained in the manual, *Uniform Internal Control Standards for Indiana Political Subdivisions*. All political subdivisions subject to audit by SBOA are expected to adhere to these standards. The standards include adequate control activities. According to this manual:

"Control activities are the actions and tools established through policies and procedures that help to detect, prevent, or reduce the identified risks that interfere with the achievement of objectives. Detection activities are designed to identify unfavorable events in a timely manner whereas prevention activities are designed to deter the occurrence of an unfavorable event. Examples of these activities include reconciliations, authorizations, approval processes, performance reviews, and verification processes.

An integral part of the control activity component is segregation of duties. . . .

There is an expectation of segregation of duties. If compensating controls are necessary, documentation should exist to identify both the areas where segregation of duties are not feasible or practical and the compensating controls implemented to mitigate the risk. . . ."

Indiana Code 5-13-6-1(e) states: "All local investment officers shall reconcile at least monthly the balance of public funds, as disclosed by the records of the local officers, with the balance statements provided by the respective depositories."

Indiana Code 5-11-1-4(a) states:

"The state examiner shall require from every audited entity financial reports covering the full period of each fiscal year. These reports shall be prepared, verified, and filed with the state examiner not later than sixty (60) days after the close of each fiscal year. The reports must be in the form and content prescribed by the state examiner and filed electronically in the manner prescribed under [IC 5-14-3.8-7](#)."

All financial transactions pertaining to the unit must be recorded in the records of the unit at the time of the transaction. (Accounting and Uniform Compliance Guidelines Manual for Cities and Towns, Chapter 1)

Cause

Management of the City had not established a proper system of internal controls that would have ensured compliance and proper reporting of cash and investments, Employee Benefit Trust, and financial transactions and reporting.

Effect

The failure to establish a proper system of internal controls enabled noncompliance to occur and material misstatements to remain undetected.

Views of Responsible Officials

For the views of responsible officials, refer to the Corrective Action Plan that is part of this report.

CITY OF MARTINSVILLE
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
(Continued)

FINDING 2020-002

Subject: Preparation of the Schedule of Expenditures of Federal Awards
Audit Findings: Material Weakness, Noncompliance

Condition and Context

The City had not established internal controls over the federal award information entered into the Indiana Gateway for Government Units (Gateway) financial reporting system, which was the source of the City's Schedule of Expenditures of Federal Awards (SEFA). The City did not have a proper system of internal controls in place to prevent, or detect and correct, errors on the SEFA.

Due to the lack of internal controls, the SEFA presented for audit included the following errors:

1. The Community Development Block Grants/State's Program and Non-Entitlement Grants in Hawaii grant was not reported, resulting in grant expenditures that were understated by \$64,318.
2. The Highway Planning and Construction grant was not reported, resulting in grant expenditures that were understated by \$335,111.
3. The COVID-19 - Coronavirus Relief Fund grant expenditures reported were understated by \$377,775.
4. The Capitalization Grants for Drinking Water State Revolving Funds grant was not reported, resulting in grant expenditures that were understated by \$82,258.
5. Several additional grants were not reported that resulted in individually immaterial misstatements of expenditures of \$20,036 in total.

Audit adjustments were proposed, accepted by the City, and made to the SEFA presented in this report.

Criteria

The Indiana State Board of Accounts (SBOA) is required under Indiana Code 5-11-1-27(e) to define the acceptable minimum level of internal control standards. To provide clarifying guidance, the State Examiner compiled the standards contained in the manual, *Uniform Internal Control Standards for Indiana Political Subdivisions*. All political subdivisions subject to audit by SBOA are expected to adhere to these standards. The standards include adequate control activities. According to this manual:

"Control activities are the actions and tools established through policies and procedures that help to detect, prevent, or reduce the identified risks that interfere with the achievement of objectives. Detection activities are designed to identify unfavorable events in a timely manner whereas prevention activities are designed to deter the occurrence of an unfavorable event. Examples of these activities include reconciliations, authorizations, approval processes, performance reviews, and verification processes.

An integral part of the control activity component is segregation of duties. . . .

CITY OF MARTINSVILLE
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
(Continued)

There is an expectation of segregation of duties. If compensating controls are necessary, documentation should exist to identify both the areas where segregation of duties are not feasible or practical and the compensating controls implemented to mitigate the risk. . . ."

2 CFR 200.303 states in part:

"The non-Federal entity must:

- (a) Establish and maintain effective internal control . . ."

2 CFR 200.62 states in part:

"Internal control over compliance requirements for Federal awards means a process implemented by a non-Federal entity designed to provide reasonable assurance regarding the achievement of the following objectives for Federal awards:

- (a) Transactions are properly recorded and accounted for, in order to:
 - (1) Permit the preparation of reliable financial statements . . ."

2 CFR 200.508 states in part:

"The auditee must: . . .

- (b) Prepare appropriate financial statements, including the schedule of expenditures of Federal awards in accordance with § 200.510 Financial statements. . . ."

2 CFR 200.510(b) states:

"Schedule of expenditures of Federal awards. The auditee must also prepare a schedule of expenditures of Federal awards for the period covered by the auditee's financial statements which must include the total Federal awards expended as determined in accordance with § 200.502. While not required, the auditee may choose to provide information requested by Federal awarding agencies and pass-through entities to make the schedule easier to use. For example, when a Federal program has multiple Federal award years, the auditee may list the amount of Federal awards expended for each Federal award year separately. At a minimum, the schedule must:

- (1) List individual Federal programs by Federal agency. For a cluster of programs, provide the cluster name, list individual Federal programs within the cluster of programs, and provide the applicable Federal agency name. For R&D, total Federal awards expended must be shown either by individual Federal award or by Federal agency and major subdivision within the Federal agency. For example, the National Institutes of Health is a major subdivision in the Department of Health and Human Services.
- (2) For Federal awards received as a subrecipient, the name of the pass-through entity and identifying number assigned by the pass-through entity must be included.
- (3) Provide total Federal awards expended for each individual Federal program and the Assistance Listings Number or other identifying number when the Assistance Listings information is not available. For a cluster of programs also provide the total for the cluster.

CITY OF MARTINSVILLE
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
(Continued)

- (4) Include the total amount provided to subrecipients from each Federal program.
- (5) For loan or loan guarantee programs described in § 200.502(b), identify in the notes to the schedule the balances outstanding at the end of the audit period. This is in addition to including the total Federal awards expended for loan or loan guarantee programs in the schedule.
- (6) Include notes that describe that significant accounting policies used in preparing the schedule, and note whether or not the auditee elected to use the 10% de minimis cost rate as covered in § 200.414."

Cause

Management had not established a system of internal controls that would have ensured proper reporting of the SEFA.

Effect

Without a proper system of internal controls in place that operated effectively, material misstatements of the SEFA remained undetected. The SEFA included the errors identified in the *Condition and Context*.

Views of Responsible Officials

For the views of responsible officials, refer to the Corrective Action Plan that is part of this report.

Section III - Federal Award Findings and Questioned Costs

No matters are reportable.

AUDITEE-PREPARED DOCUMENT

The subsequent document was provided by management of the City. The document is presented as intended by the City.

CORRECTIVE ACTION PLAN

FINDING 2020-001

Contact Person Responsible for Corrective Action: Rebecca J. Tumey
Contact Phone Number: 765-342-6012

Views of Responsible Official: We concur with the finding.

Description of Corrective Action Plan: Implementation of spreadsheets to track deposits and disbursements made to and by Unified Group; this activity will be entered into Keystone Fund monthly; reconciliation will be to reports from Unified Group; all documents will be reviewed and signed off and dated monthly. Further, a combined reconciliation of all City funds to the financial statement has been implemented effective November 2021.

We will be adding those to Key Fund and will have that completed by March 31, 2022.

We concur on the findings regarding gateway and the AFR and will be making the requested changes January of 2022.

Anticipated Completion Date: March 31, 2022

CORRECTIVE ACTION PLAN

FINDING 2020-002

Contact Person Responsible for Corrective Action: Rebecca J. Tumey, Clerk-Treasurer
Contact Phone Number: 765-342-6012

Views of Responsible Official: We concur with the finding.

Description of Corrective Action Plan: The following controls will be put into place: 1. Training and Education 2. Delegation of duties, in that, once the information is loaded into Gateway, another person shall review and acknowledge the data is correct and 3. Communication between the Clerk's Office and those applying for grants so that it is known prior to an award the source of the funding.

Anticipated Completion Date: March 31, 2022

OTHER REPORTS

In addition to this report, other reports may have been issued for the City. All reports can be found on the Indiana State Board of Accounts' website: <http://www.in.gov/sboa/>.
