### Report on the Financial Statements

We have audited the accompanying financial statements of Signature School, Inc. (a nonprofit organization) which comprise the statements of cash receipts and disbursements and functional expenses, for the year ended June 30, 2021, and the related notes to the financial statements.

#### *Management's Responsibility for the Financial Statement*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash receipts and disbursements basis of accounting as described in Note 1; this includes determining that the cash receipts and disbursements basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### *Auditor's Responsibility*

Our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and *Guidelines for the Audits of Charter Schools Performed by Private Examiners* as issued by the Indiana State Board of Accounts. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statements of cash receipts and disbursements and functional expenses are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the statements of cash receipts and disbursements and functional expenses, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors  
Signature School, Inc.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash receipts and disbursements and functional expenses of Signature School, Inc. (School) for the year ended June 30, 2021 in accordance with the cash receipts and disbursements basis of accounting described in Note 1.

***Basis of Accounting***

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash receipts and disbursements basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated January 4, 2022, on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

**SIGNATURE SCHOOL, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**June 30, 2021**

**Note 1 – Organization and Summary of Significant Accounting Policies**

**A. Nature of Activities**

Signature School, Inc. (School) is a not-for-profit organization that provides secondary education for children in grades nine through twelve. The School is incorporated under the laws of the State of Indiana and is a public charter school sponsored by the Evansville-Vanderburgh School Corporation, which granted a charter to the School under Indiana Code 20-24-3-1.

**B. Basis of Accounting**

The accompanying financial statements have been prepared on the cash receipts and disbursements basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Under that basis, the only asset recognized is cash, and no liabilities are recognized. All transactions are recognized as either cash receipts or disbursements, and noncash transactions are not recognized. The cash receipts and disbursements basis differs from generally accepted accounting principles primarily because the effects of outstanding promises to give and obligations for expenses unpaid at the date of the financial statements are not included in the financial statements.

**C. Cash**

The School maintains its cash balance in checking accounts at a local financial institution. These balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. As of June 30, 2021, cash accounts did not exceed FDIC insured limits.

**D. Receipts**

Receipts come primarily from resources provided under the Indiana Charter Schools Act. Under the Act, the School receives an amount per student in relation to funding received by public schools in the same geographic area. This state basic grant from the State of Indiana is based on enrollment, and is paid in equal monthly installments, which are recognized as revenue when received.

The School also receives revenue related to cost reimbursements grants, which is also recognized as revenue when reimbursements are received.

**Note 2 – Date of Management’s Review**

The School has evaluated subsequent events through January 4, 2022, the date the financial statements were available to be issued.

**SIGNATURE SCHOOL, INC.**  
**NOTES TO FINANCIAL STATEMENTS**

**June 30, 2021**

**Note 3 – COVID-19**

On March 22, 2020, the World Health Organization (“WHO”) recognized COVID-19 as a global pandemic, prompting many national, regional and local governments to implement preventative or protective measures, such as travel and business restrictions, temporary store closures, and wide-sweeping quarantines and stay-at-home orders. As a result, COVID-19 and the related restrictive measures have had a significant adverse impact upon many sectors of the economy. We believe the ultimate financial impact of the COVID-19 pandemic on the School is likely to be determined by factors which are uncertain, unpredictable and outside of the control of the School. The situation surrounding COVID-19 remains fluid and, if disruptions do arise, they could materially adversely affect future revenues.

**Note 4 – Income Taxes**

The School is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code, except on net income derived from unrelated business activities. The School believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. The School files its Form 990 in the U.S. federal jurisdiction and the office of the state’s attorney general for the State of Indiana.

**Note 5 – Defined Benefit Retirement Plans**

**A. Teachers’ Retirement Fund**

*Plan Description:* Certified employees participate in the Indiana Teachers’ Retirement Fund (TRF), a cost-sharing multiple-employer defined benefit pension plan administered by the Indiana Public Retirement System (INPRS). All employees engaged in teaching or in the supervision of teaching in the public schools of the State of Indiana are eligible to participate in TRF. State statute (IC 5-10.2) governs, through the INPRS Board of Trustees, most requirements of the system, and gives the school corporations authority to contribute to the plan. The TRF retirement benefit consists of the pension provided by employer contributions, plus an annuity provided by the member’s annuity savings account. The annuity savings account consists of members’ contributions, plus the interest credited to the member’s account. School corporations may elect to make the contributions on behalf of the member.

*Funding Policy:* Plan members are required to contribute 3% of their annual creditable compensation, set by state statute. The School did elect to make the annuity contributions on behalf of each member. The School is required to contribute at an actuarially determined rate (5.5% for the year ended June 30, 2021), as established, and which may be amended, by the INPRS Board of Trustees. Contributions to TRF for the year ended June 30, 2021 totaled \$125,936, and equaled the required contributions for the year.

**Note 5 – Defined Benefit Retirement Plans (Continued)**

**B. Public Employees' Retirement Fund**

*Plan Description:* Non-certified employees participate in the Public Employees' Retirement Fund (PERF), a cost-sharing multiple-employer defined benefit pension plan administered by the Indiana Public Retirement System (INPRS). All full-time employees are eligible to participate in PERF. State statutes (IC 5-10.2 and 5-10.3) govern, through the INPRS Board of Trustees, most requirements of the system, and give the employer authority to contribute to the plan. The PERF retirement benefit consists of the pension provided by employer contributions, plus an annuity provided by the member's annuity savings account.

The annuity savings account consists of member' contributions, plus the interest credited to the member's account. Employers may elect to make the contributions on behalf of the member.

*Funding Policy:* Plan members are required to contribute 3% of their annual creditable compensation, set by state statute. The School is required to contribute at an actuarially determined rate (11.20% for the year ended June 30, 2021), as established, and which may be amended, by the INPRS Board of Trustees. The School did not elect to make the annuity contributions on behalf of each member. Contributions to PERF for the year ended June 30, 2021, totaled \$27,427, and equaled the required contributions for the year.

INPRS administers both of these plans, and issues publicly available financial reports for each, which include financial statements and required supplementary information. These reports may be obtained by contacting INPRS, 1 North Capital Street, Suite 001, Indianapolis, Indiana 46204, or by calling 888-526-1687.

**C. Other Retirement Plans**

For certified employees, The School also provides additional retirement benefits under the plans described below:

401(a) Annuity Plan: The School contributes 1% of each employee's base salary to the plan. Contributions totaled \$12,208 for the year ended June 30, 2021.

Voluntary Employees' Beneficiary Association: The School contributes 1% of each employee's base salary to the plan for retiree group health benefits. Contributions totaled \$13,669 for the year ended June 30, 2021.

**C. Other Retirement Plans (Concluded)**

403(b) Plan: The School will match 100% of employee contributions not to exceed the percentages noted below. Employer contributions totaled \$11,132 for the year ended June 30, 2021.

<u>Years of Service</u>	<u>Match Percentage</u>

**Note 6 – Leases**

The School's premises are leased from Signature School Foundation, Inc. under an annually renewable agreement (see Note 9). Lease payments made to Signature School Foundation, Inc. for the year ended June 30, 2021 were \$180,000.

The School leases two copiers under noncancelable operating leases. The lease agreements provide for minimum future rental payments as of June 30, 2021, as follows:

2022	\$ 191,612
2023	190,212
2024	10,212
	<u>\$ 392,036</u>

Rental expense for the leases totaled \$270,870 for the year ended June 30, 2021.

**Note 7 – Concentration**

Approximately 67% of the School's funding was provided by the state basic grant in fiscal year 2021.

**SIGNATURE SCHOOL, INC.**  
**NOTES TO FINANCIAL STATEMENTS**

**June 30, 2021**

**Note 8 – Contingencies**

The School receives funding from Federal and state agencies and from private contributions. These funds are to be used for designated purposes only. For government agency grants, if based upon the grantors' review, the funds are considered not to have been used for the intended purpose, the grantors may request refund of monies advanced, or refuse to reimburse the School for its disbursements. The amount of such future refunds and unreimbursed disbursements, if any, is not expected to be significant. Continuation of the School's grant programs is predicated upon the grantors' satisfaction that the funds provided are being spent as intended and the grantors' intent to continue their programs.

**Note 9 – Related Party Transactions**

Signature School Foundation, Inc.

Signature School Foundation, Inc. (SSF) provides financial and other support for the School. The chairman of the School's Board of Directors also serves as chairman of the SSF Board of Directors.

**INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON  
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors  
Signature School, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Signature School, Inc. (a nonprofit organization), which comprise the statements of cash receipts and disbursements and functional expenses for the year ended June 30, 2021, and the related notes to the financial statements, and have issued our report thereon dated January 4, 2022.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Signature School, Inc.’s (School) internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School’s internal control. Accordingly, we do not express an opinion on the effectiveness of the School’s internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Board of Directors  
Signature School, Inc.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
