To the Board of Directors of
KIPP Indianapolis, Inc.:

We have audited the financial statements of KIPP Indianapolis, Inc. (the School) as of and for the year ended June 30, 2021 and have issued our report thereon dated December 13, 2021.

In connection with that audit and with our consideration of the School's internal controls as required by the *Guidelines for the Audits of Charter Schools Performed by Private Examiners* (Guide), Issued by the Indiana State Board of Accounts, we performed procedures prescribed under the Guide for the year ended June 30, 2021.

As required by the Guide, we performed procedures to test compliance with the requirements that are applicable to the School. Our procedures were substantially narrower in scope than an audit, the objective of which is the expression of an opinion on the School's compliance with these requirements. Accordingly, we do not express such an opinion.

The purpose of this report is solely to describe the scope of our testing over compliance with the requirements prescribed under the Guide and the results of that testing, and not to provide a legal determination of compliance with those requirements. Accordingly, this report is not suitable for any other purpose.
