ADOPTION OF, AND TRAINING AND CERTIFICATION ON, INTERNAL CONTROL STANDARDS

Condition and Context

The Town certified on the Indiana Gateway for Government Units (Gateway) financial reporting system that it had adopted the minimum internal control standards as required by Indiana Code 5-11-1-27(e); however, during the engagement, the Clerk-Treasurer indicated that the Town had not adopted the minimum internal control standards.

The Town certified on Gateway that all personnel defined by Indiana Code 5-11-1-27(c) had received training concerning the internal control standards adopted by the Town; however, during the engagement, the Clerk-Treasurer indicated that all personnel had not received training concerning the internal control standards.

Criteria

Indiana Code 5-11-1-27(g) states:

"After June 30, 2016, the legislative body of a political subdivision shall ensure that:

- (1) the internal control standards and procedures developed under subsection (e) are adopted by the political subdivision; and

- (2) personnel receive training concerning the internal control standards and procedures adopted by the political subdivision."

Indiana Code 5-11-1-4(a) states:

"The state examiner shall require from every audited entity financial reports covering the full period of each fiscal year. These reports shall be prepared, verified, and filed with the state examiner not later than sixty (60) days after the close of each fiscal year. The reports must be in the form and content prescribed by the state examiner and filed electronically in the manner prescribed under [IC 5-14-3.8-7](#)."

BANK ACCOUNT RECONCILIATIONS

Condition and Context

Depository reconciliations of the fund balances to the bank account balances were conducted; however, the December 31, 2020 reconciliation did not balance. As a result, the ending cash and investments balance was \$989 less than the adjusted bank balance.

Criteria

Indiana Code 5-13-6-1(e) states: "All local investment officers shall reconcile at least monthly the balance of public funds, as disclosed by the records of the local officers, with the balance statements provided by the respective depositories."

At all times, the manual and/or computerized records, subsidiary ledgers, control ledger, and reconciled bank balance must agree. If the reconciled bank balance is less than the subsidiary or control ledgers, the amount needed to balance may be the personal obligation of the responsible official or employee. MOTOR VEHICLE HIGHWAY (MVH) - RESTRICTED FUND

Condition and Context

The Town did not have a Motor Vehicle Highway (MVH) fund despite receiving distributions from the State Motor Vehicle Highway Account. Also, in 2019, the Town failed to create and report the MVH Restricted sub-fund as directed by the State Examiner. Therefore, the Town failed to allocate or deposit at least 50 percent of the distributions from the State Motor Vehicle Highway Account at the time of the receipt, into an MVH Restricted sub-fund. Since the MVH Restricted sub-fund had not been created, we were not able to determine if the Town used at least 50 percent for the purposes specified in Indiana Code 8-14-1-5(c).

Criteria

The purpose of this Directive is to authorize and require . . . cities, and towns that receive distributions from the State Motor Vehicle Highway Account to **create a new sub-fund within the MVH Fund** to properly manage and account for the usage restrictions that were included in House Enrolled Act 1002-2017 and House Enrolled Act 1290-2018. . . .

On the chart of accounts, the MVH fund and MVH Restricted sub-fund shall be shown as follows:

...

Cities and Towns

Fund 201 MVH
Fund 203 MVH Restricted.

Together, MVH and MVH Restricted shall constitute the total MVH fund. MVH and MVH Restricted will be shown separately on the Annual Financial Report . . .

Starting on January 1, 2019, the political subdivision must post at the time of receipt of the distribution from the State Motor Vehicle Highway Account fifty percent (50%) of the distribution to MVH Restricted. (State Examiner Directive 2018-2)

Indiana Code 8-14-1-5(c) states: "For funds distributed to a city or town from the motor vehicle highway account, the city or town shall use at least fifty percent (50%) of the money for the construction, reconstruction, and preservation of the city's or town's highways."

Units are required to comply with all grant agreements, rules, regulations, bulletins, directives, letters, letter rulings, court decisions, and filing requirements concerning reports and other procedural matters of federal and state agencies. Units must file accurate reports required by federal and state agencies. Noncompliance may require corrective action.
