Board of Commissioners
Monroe County, Indiana

We have examined Monroe County's (the County) compliance with the Indiana State Board of Accounts' Accounting and Uniform Compliance Guidelines (the specified requirements) during the year ended December 31, 2020. Management of the County is responsible for the County's compliance with the specified requirements. Our responsibility is to express an opinion on the County's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the County complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the County complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the County's compliance with specified requirements.

In our opinion, the County complied, in all material respects, with the specific requirements during the year ended December 31, 2020.
