Board of Commissioners
Housing Authority of the City of Seymour
309 North Chestnut Street
Seymour, IN 47274

We have reviewed the audit report of the Housing Authority of the City of Seymour, which was opined upon by Barry E. Gaudette, CPA, Independent Public Accountant, for the period April 1, 2021 to March 31, 2022. Per the *Independent Auditor's Report*, the financial statements included in the report present fairly the financial condition of the Housing Authority of the City of Seymour as of March 31, 2022, and the results of its operations for the period then ended, on the basis of accounting described in the report.

In our opinion, Barry E. Gaudette, CPA, prepared the audit report in accordance with the guidelines established by the State Board of Accounts.

The auditor's report is filed with this letter in our office as a matter of public record.

Independent Auditor's Report

Board of Commissioners
Seymour Housing Authority
Jackson County, Indiana

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of the business-type activities of the Seymour Housing Authority, Indiana, as of March 31, 2022 and 2021, and the related statement and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Seymour Housing Authority, Indiana as of March 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Seymour Housing Authority, Indiana and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Seymour Housing Authority, Indiana's ability to continue as a going concern for the year ending March 31, 2022.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Seymour Housing Authority, Indiana's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Other Legal and Regulatory Requirements

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 5-11 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Seymour Housing Authority, Indiana's basic financial statements. The financial data schedule is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The financial data schedule on pages 25-27 is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the financial data schedule is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Management has not presented the Governmental Accounting Standards Board (GASB) Statement No. 68, *Accounting and Financial Reporting for Pensions* that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated June 17, 2022, on our consideration of the Seymour Housing Authority, Indiana's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Seymour Housing Authority, Indiana's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Seymour Housing Authority, Indiana's internal control over financial reporting and compliance.

Seymour Housing Authority
Management's Discussion and Analysis (MD&A)
March 31, 2022
(Unaudited)

As management of the Seymour Housing Authority, we offer reviewers of this audit report this narrative discussion and analysis of the Seymour Housing Authority's financial activities for the fiscal year ended March 31, 2022. This discussion and analysis letter of the Seymour Housing Authority's financial performance should be read in conjunction with the auditor's opinion letter and the following financial statements.

The combined financial statements reflect all of the Housing Authority's federally funded programs and activities in one place. The Housing Authority reports all its activities and programs using the Enterprise Fund type model. HUD encourages PHAs to use this accounting method as it is normally used to account for "business-type activities" – activities similar to those found in the private sector. Enterprise Fund types use the accrual method of accounting, the same accounting method employed by most private-sector businesses. Under this method, revenues and expenditures may be reported as such even though no cash transaction has actually taken place.

FINANCIAL HIGHLIGHTS

The term "net position" refers to the difference between assets and liabilities. The Housing Authority's total net position as of March 31, 2022 was \$60,044. The net position increased by \$41,148, a increase of 217.8% over the prior fiscal year.

Revenues and contributions for the Housing Authority were \$823,946 for the fiscal year ended March 31, 2022. This was an increase of \$144,290 or 21.3% over the prior fiscal year.

Expenses for the Housing Authority were \$782,798 for the fiscal year ended March 31, 2022. This was an increase of \$81,104 or 11.6% over the prior fiscal year.

HUD operating grants were \$816,273 for fiscal year ended March 31, 2022. This was an increase of \$137,403 over the prior fiscal year.

OVERVIEW OF THE FINANCIAL STATEMENTS

This annual report contains this *Management & Discussion Analysis* report, the *Basic Financial Statements* and the *Notes to the Financial Statements*. This report also contains the Financial Data Schedule (FDS) as referenced in the section of *Supplemental Information*. The Housing Authority's financial statements are presented as fund financial statements because the Housing Authority only has proprietary funds.

OVERVIEW OF THE FINANCIAL STATEMENTS (Continued)

Required Financial Statements

The *Statement of Net Position* includes the Housing Authority's assets and liabilities and provides information about the nature and amounts of investments in resources (assets) and obligations of the Housing Authority creditors (liabilities). It also provides the basis for evaluating the liquidity and financial flexibility of the Housing Authority.

All of the current year's revenues and expenses are accounted for in the *Statement of Revenues, Expenses, and Changes in Net Position*. This statement measures the success of the Authority's operations over the past year and can be used to determine whether the Housing Authority has successfully recovered all its costs through its user fees and other charges, profitability and credit worthiness.

The final required financial statement is the *Statement of Cash Flows*. The statement reports cash receipts, cash payments, and net changes in cash resulting from operations, investing and financing activities and provides answers to such questions as where did cash come from, what was cash used for, and what was the change in the cash balance during the reporting period.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the basic financial statements and provide more detailed data.

Supplemental Information

This report also contains the Financial Data Schedule (FDS) as referenced in the section of *Supplemental Information*. HUD has established Uniform Financial Reporting Standards that require Housing Authorities to submit financial information electronically to HUD using the FDS format. This financial information was electronically transmitted to the Real Estate Assessment Center (REAC) and is required to be included in the audit reporting package.

FUND STATEMENTS

The Financial Data Schedule reports the Housing Authority's operations in more detail. The Housing Authority reports all its activities using Enterprise fund types. These funds are used to show activities that operate more like commercial enterprises. The Financial Data Schedule is organized by the government Catalogue of Financial Domestic Assistance (CFDA) numbers.

Section 8 Housing Choice Voucher Program: Under this program, the Housing Authority administers contracts with independent landlords to provide housing for low-income households. These units are not owned by the Housing Authority. The Housing Authority subsidizes the family's rent via a "Housing Assistance Payment" made directly to the landlord. HUD provides subsidy to the Housing Authority to enable the Housing Authority to set the rental rates at 30% to 40% of a participant's income.

FINANCIAL ANALYSIS

Net position may serve, over time, as a useful indicator of a government's financial position. As stated in the following table, assets exceeded liabilities by \$60,044 at the close of the fiscal year ended March 31, 2022 an increase from \$18,896 in 2021. The increase in net position was due to the change in net position of \$41,148.

The unrestricted net position was \$26,510 as of March 31, 2022. This amount may be used to meet the Housing Authority's ongoing obligations. The Housing Authority had a net position classified as restricted in the amount of \$27,524 that are subject to external restrictions on how they may be used. The restricted assets consist of excess funding in the Housing Choice Voucher program. At the end of the current year, the Housing Authority is able to report positive balances in all categories of net position.

Unrestricted	26,510	10,921	15,589
Total Net Position	\$ 60,044	\$ 18,896	\$ 41,148

Total current assets increase of \$17,785 was due, in large part to an increase in operating cash flows of \$16,465.

Current liabilities decreased by \$25,328, in large part, to a decrease in unearned revenue of \$24,457.

The largest portion of the Housing Authority's net position reflects its investment in capital assets (e.g. land, buildings and equipment) less accumulated depreciation. The Housing Authority uses these capital assets to provide service and consequently these assets are not available to liquidate liabilities or other spending.

While the Statement of Net Position shows the change in financial position of net position, the Statements of Revenues, Expenses, and Changes in Net Position provides answers as to the nature and source of these changes.

Revenues:

As can be seen in the above table total revenues and contributions increased by \$144,290, in large part, due to HUD operating grants increasing by \$137,403 and other revenue increasing \$6,757.

Seymour Housing Authority's primary revenue sources are grants received from HUD. Please note that Capital Fund Program grants are classified as either soft cost revenue or hard cost revenue. For the fiscal ending March 31, 2022, revenue generated by the Housing Authority accounted for \$6,757 (or 1% of total revenue), while HUD contributions accounted for \$816,273 (or 99% of total revenue).

FINANCIAL ANALYSIS (Continued)

Expenses:

Total expenses for the fiscal year ending March 31, 2022 were \$782,798 while for fiscal year ending March 31, 2021, they were \$701,694. This represents a 11.6% increase in our operating costs due primarily to an increase in housing assistance payments of \$71,184 and an increase in personnel costs of \$7,451.

The following represents changes in Federal Assistance received:

	03/31/22	03/31/21	Dollar Change

Total	\$ 816,273	\$ 678,870	\$ 137,403

The above chart is segregated as to the Program source of funds, not the use of funds. The Housing Choice Voucher Program increased due to more vouchers being issued.

Budget Analysis:

A Low Rent Public Housing Operating Budget for the year ending March 31, 2022 was presented to and approved by the Board of Commissioners. Actual results were in line with budgeted amounts.

OPERATIONAL HIGHLIGHTS

The Seymour Housing Authority provided the following housing for low-income individuals and families:

	03/31/22	03/31/21
Section 8 Housing Choice Voucher Program	162	152

The Voucher program had a 96.1 percent lease rate for the fiscal year ended March 31, 2022.

Capital assets decreased by \$1,965 because of depreciation of \$3,422 and capital purchases of \$(1,457) during the current fiscal year.

During the year ending March 31, 2022, our Capital Fund Program work projects included:

The Housing Authority used operations money for the purchase of office equipment,

Capital projects planned for the next year include ongoing housing operations.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET AND RATES

The Housing Authority is primarily dependent upon HUD for the funding of operations as well as capital needs. Therefore, the Housing Authority is affected more by the Federal Budget than by local economic conditions. Due to inadequate funding of programs, the Housing Authority is engaging in outreach activities within its local community to seek other federal and non-federal sources of income to offset operational expenses and keep the Housing Authority financially and operationally in order to continue to provide safe, sanitary, and decent housing to our residents.

We know of no other currently known facts, decisions, or conditions that are expected to have a significant effect on financial position (net position) or results of operations (revenues, expenses, and other changes).

NOTE A: DESCRIPTION OF THE HOUSING AUTHORITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Seymour Housing Authority (“SHA” or “Housing Authority”) is an independent municipal entity created by the City of Seymour pursuant to Indiana state law and the National Housing Act of 1937. Although the Housing Authority maintains close ties with the City of Seymour in several respects, the Housing Authority is not a component unit of the City, as defined by the Governmental Accounting Standards Board, since the City is not financially accountable for the operations of the Housing Authority, and has no responsibility to fund its deficits or receive its surpluses. The Housing Authority operates under a Board of Commissioner form of government to provide safe and decent housing for eligible low and moderate-income families and elderly individuals. The Board is comprised of seven members, all City residents, appointed by the City Mayor.

1. Reporting Entity

The Housing Authority’s financial statements include the accounts of all of the Housing Authority’s operations. The Housing Authority maintains its accounting records by program and operates the following programs:

Section 8 Housing Choice Vouchers

HUD provides grants to the Housing Authority to subsidize rents paid by low income families and issued vouchers affording them choices in renting from private landlords. The Housing Authority subsidizes the landlord for the differences between the rent requested and the tenant’s share of the rent not to exceed a predetermined payment standard. This program provided rental assistance to approximately 162 families and individuals this year.

1. Basis of Presentation and Accounting

In accordance with uniform financial reporting standards for HUD housing purposes, the financial statements are prepared in accordance with U.S. generally accepted accounting principles (GAAP) as applicable to special purpose governments engaged in business type activities.

Proprietary funds are accounted for using the “economic resources” measurement, focus and the accrual basis of accounting. Accordingly, all assets, deferred outflow of resources, liabilities, and deferred inflow of resources are included in the Statement of Net Position. The Statement of Revenues, Expenses and Changes in Fund Net Position present increases (revenues) and decreases (expenses) in net position. Under the Accrual basis of accounting, revenues are recognized in the period in which they are earned while expenses are recognized in the period in which the liability is incurred.

This special purpose government engaged in activities similar to business activities uses an enterprise fund to account for those operations that are financed and operated in a manner similar to private business, or where the Board has decided that the determination or revenues earned, costs incurred, and/or net income

NOTE A: DESCRIPTION OF THE HOUSING AUTHORITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

1. Basis of Presentation and Accounting (Continued)

is necessary for management accountability. The intent of the governing body is that the costs (expenses including depreciation) of providing services to the general public on a continuing basis be financed or recovered primarily through cost charges.

2. Budgets and Budgetary Accounting

The Housing Authority adopts a formal operating budget each year for its operating programs and on a project-length basis for its capital expenditures, which are approved by the board of Commissioners and submitted to the U.S. Department of Housing and Urban Development for their approval, if required.

3. Cash and Cash Equivalents

Cash and cash equivalents consist of checking accounts. The cash equivalents are recorded at cost, which approximates market.

4. Prepaid Expenses

Prepaid expenditures, such as insurance premiums and deferred costs, which are expected to be written off within the next fiscal year, are included in net current assets.

5. Compensated Absences

Housing Authority employees are granted vacation days in varying amounts based on tenure with the Housing Authority. In the event of termination by retirement or death, an employee is paid for accumulated personal days according to personnel policies.

6. Inter-Program Activity

During the course of operations, transactions occur within individual programs that may result in amounts owed or transfers between programs. Offsetting inter-program receivables and payables as well as offsetting inter-program transfers are eliminated for financial statement presentation. For the fiscal year ended March 31, 2022, there were no inter-program receivables and payables and there were no operating transfers during the fiscal year.

NOTE A: DESCRIPTION OF THE HOUSING AUTHORITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

7. Equipment

Equipment is recorded at historical cost. Costs in excess of \$500 that materially add to the productive capacity and extend the life of an asset longer than one year are capitalized, while maintenance and repair costs are expensed as incurred. Equipment is depreciated using the straight-line method over the following estimated useful lives:

Equipment	3	-	10 years
-----------	---	---	----------

10. Inventories

Inventories are valued at cost, which approximates market value, using the first-in/first/out (FIFO) method. The consumption method is applied and expense is charged when inventory items are used for the units.

11. Income Taxes

The Housing Authority is a quasi-governmental entity. The Housing Authority is not subject to Federal or State income taxes.

12. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

13. Operating Revenues and Expenses

Operating revenues and expenses generally result from providing and producing goods and/or services in connection with providing low income housing programs. Operating expenses include the costs of sales and services, administrative expenses and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

14. Deferred Outflows/Inflows of Resources

In addition to assets and liabilities, the statement of financial position will, when applicable, report separate sections for deferred outflows or resources and deferred inflows of resources. *Deferred outflows of resources*, a separate financial statement element, represents a consumption of net position or fund balance, respectively, that applies to a future period and will not be recognized as an outflow of resources (expense/expenditure) until that time. *Deferred inflows of resources* a separate financial statement element, represents an acquisition of net position or fund balance, respectively, that applies to a future period and so will not be recognized as an inflow of resources (revenue) until that time.

NOTE A: DESCRIPTION OF THE HOUSING AUTHORITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

15. Unearned Revenue

The Housing Authority reports unearned revenue in connection with resources that have been received, but not yet earned.

16. Comparative Data

Comparative data for the prior year has not been presented in the accompanying financial statements since their inclusion would make the statements unduly complex and difficult to read.

17. Net Position

Net positions are comprised of three categories (1) net investment in capital assets, (2) restricted, and (3) unrestricted. The Housing Authority's positive value of unrestricted net position in the primary government may be used to meet ongoing obligations. When an expense is incurred for purposes for which both restricted and unrestricted net position is available, the Housing Authority's policy is to first apply restricted resources. Each component of net position is reported separately on the statement of net position.

- i. Net Investment in capital assets – This category consists of capital assets (including restricted capital assets), net of accumulated depreciation and reduced by any outstanding balances of bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, and improvements of those assets.
- ii. Restricted – This category equals the restricted cash of the Housing Authority and consists of net position restricted for use by (1) external groups such as grantors, creditors, or laws and regulations of other governments or (2) law through constitutional provisions or enabling legislation.
- iii. Unrestricted – This category includes all of the remaining net position that do not meet the definition of the other two categories.

18. Subsequent Events

The financial statements and related disclosures include evaluation of events through and including June 17, 2022, which is the date the financial statements were available to be issued.

NOTE B: CASH AND CASH EQUIVALENTS

Indiana Code authorizes local governmental units to make deposits and invest in the accounts of federally insured banks, credit unions, and savings and loan associations that have offices in Indiana. The local unit is allowed to invest in bonds, securities, and other direct obligations of the United States or any agency or instrumentality of the United States; repurchase agreements; bankers' acceptances of United States banks; commercial paper rated within the two highest classifications, which matures not more than 270 days after the date of purchase; obligations of the State of Indiana or its political subdivisions, which are rated as investment grade; and mutual funds composed of investment vehicles that are legal for direct investment by local units of government in Indiana.

NOTE B: CASH AND CASH EQUIVALENTS (CONTINUED)

The Housing Authority has designated one bank for the deposit of its funds. The Housing Authority's deposits are included on the balance sheet under the classification cash and cash equivalents and consist of checking accounts, money market accounts, and certificates of deposit and are stated at fair value. Deposits are fully collateralized or vested in securities of the United States Government and are identified specifically in the name of the Authority. Cash and cash equivalents balance was as follows:

Cash – operations	\$ 55,882
Total	<u>\$ 55,882</u>

The above deposits are classified by Governmental Accounting Standards Board Statement Nos. 3 and 40 in the following categories as of March 31, 2022:

Bank deposits (checking accounts)	\$ 55,882
Total	<u>\$ 55,882</u>

Custodial Credit Risk of Bank Deposits – Custodial credit risk is the risk that in the event of a bank failure, the Housing Authority's deposits may not be returned to it. At year end, the Housing Authority had no bank deposits that were uninsured and uncollateralized.

NOTE C: CAPITAL ASSETS

Capital asset activity for the fiscal year ended March 31, 2022, was as follows:

	<u>Balance 03/31/21</u>	<u>Additions/ Transfers</u>	<u>Retirements/ Transfers</u>	<u>Balance 03/31/22</u>
HCV Program				
Equipment- admin.	\$ 41,774	\$ 1,457	\$ 0	\$ 43,231
	41,774	<u>1,457</u>	<u>0</u>	43,231
Less accumulated depreciation	(33,799)	<u>(3,422)</u>	<u>0</u>	<u>(37,221)</u>
Total	<u>\$ 7,975</u>			<u>\$ 6,010</u>

Depreciation expense was charged to functions/programs of the government as follows:

Business-type activities:	
Housing Choice Voucher Program	<u>\$ 3,422</u>

NOTE D: COMMITMENTS AND CONTINGENCIES

Commitments – Construction

At March 31, 2022, the Housing Authority had no capital commitments:

Contingencies

The Housing Authority is subject to possible examination by Federal and State authorities who determine compliance with terms, conditions, laws and regulations governing other grants given to the Housing Authority in the current and prior years. No significant violations of finance-related legal or contractual provisions occurred.

NOTE E: RETIREMENT PLAN

The Housing Authority does not have a retirement plan.

NOTE F: RISK MANAGEMENT

The Housing Authority is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employees health and life; and natural disasters. The Housing Authority carries commercial insurance coverage to cover this risk. Management believes such coverage is sufficient to preclude any significant uninsured losses to the Housing Authority. Settled claims have not exceeded this insurance coverage in any of the past three fiscal years.

Independent Accountant’s Report on Applying Agreed-Upon Procedure

To the Board of Commissioner
Seymour Housing Authority

We have performed the procedure described in the second paragraph of this report, which was agreed to by the Seymour Housing Authority (the “Authority”) and the U.S. Department of Housing and Urban Development, Public Indian Housing-Real Estate Assessment Center (PIH-REAC), on whether the electronic submission of certain information agrees with the related hard copy documents within the audit reporting package. The Authority is responsible for the accuracy and completeness of the electronic submission. The sufficiency of the procedure is solely the responsibility of the Authority and the U.S. Department of Housing and Urban Development, PIH-REAC. Consequently, we make no representation regarding the sufficiency of the procedure described below either for the purpose for which this report has been requested or for any other purpose.

We compared the electronic submission of the items listed in the “UFRS Rule information” column with the corresponding printed documents listed in the “Hard Copy Documents” column. The associated findings from the performance of our agreed-upon procedure indicate agreement or non-agreement of the electronically submitted information and hard copy documents as shown in the attached chart.

This agreed-upon procedure engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States. We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on whether the electronic submission of the items listed in the “UFRS Rule Information” column agrees with the related hard copy documents within the audit reporting package. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures; other matters might have come to our attention that would have been reported to you.

We were engaged to perform an audit in accordance with the audit requirements of OMB Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, for the Seymour Housing Authority as of and for the year ended March 31, 2022, and have issued our reports thereon dated June 17, 2022. The information in the “Hard Copy Documents” column was included within the scope, or was a by-product of that audit. Further, our opinion on the fair presentation of the supplementary information dated June 17, 2022, was expressed in relation to the basic financial statements of the Authority taken as a whole.

Independent Accountant’s Report on Applying Agreed-Upon Procedure

Page Two

A copy of the reporting package required by OMB Uniform Administrative Requirements, which includes the auditor’s reports, is available in its entirety from the Seymour Housing Authority. We have not performed any additional auditing procedures since the date of the aforementioned audit reports. Further, we take no responsibility for the security of the information transmitted electronically to the U.S. Department of Housing and Urban Development, PIH-REAC.

The purpose of this report on applying the agreed-upon procedure is solely to describe the procedure performed on the electronic submission of the items listed in the “UFRS Rule Information” column and the associated findings, and not to provide an opinion or conclusion. Accordingly, this report is not suitable for any other purpose.

NOTES TO THE SCHEDULE OF FEDERAL AWARDS

Basis of Accounting - - The accompanying schedule of expenditures of federal awards (the “Schedule”) includes the federal grant activity of the Housing Authority under programs of the federal government for the year ended March 31, 2022. Expenditures reported on the Schedule are reported on the same basis of accounting as the basic financial statements, although the basis for determining when federal awards are expended is presented in accordance with the requirements of the Uniform Guidance, Audit of States, Local Governments, and Non-Profit Organizations. In addition, expenditures reported on the Schedule are recognized following the cost principles contained in Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), wherein certain types of expenditures are not allowable or are limited as to reimbursement. Therefore, some amounts presented in this Schedule may differ from amounts presented in, or used in the preparation of the financial statements.

Because the Schedule presents only a selected portion of the operations of the Housing Authority, it is not intended to and does not present the financial position, changes in net assets, or cash flows, if applicable, of the Housing Authority.

Indirect Cost Rate - - The Authority did not elect to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

REPORTS ON INTERNAL CONTROL AND COMPLIANCE

**Barry E. Gaudette, CPA, PC

**Independent Auditor's Report on Internal Control over Financial Reporting
and on Compliance and Other Matters Based on an
Audit of Financial Statements Performed in Accordance
with *Government Auditing Standards***

To the Board of Housing Commissioners
Seymour Housing Authority
Jackson County, Indiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of the Seymour Housing Authority, Indiana, as of and for the year ended March 31, 2022, and the related notes to the financial statements, which collectively comprise the Seymour Housing Authority, Indiana's basic financial statements, and have issued our report thereon dated June 17, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Seymour Housing Authority, Indiana's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Seymour Housing Authority, Indiana's internal control. Accordingly, we do not express an opinion on the effectiveness of the Seymour Housing Authority, Indiana's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Seymour Housing Authority, Indiana's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Independent Auditor's Report on Compliance for Each Major Program
and on Internal Control over Compliance Required by the Uniform Guidance**

To the Board of Housing Commissioners
Seymour Housing Authority
Seymour, Indiana

Report on Compliance for Each Major Federal Program

We have audited the Seymour Housing Authority, Indiana's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Seymour Housing Authority, Indiana's major federal programs for the year ended March 31, 2022. Seymour Housing Authority, Indiana's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Seymour Housing Authority, Indiana's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Seymour Housing Authority, Indiana's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Seymour Housing Authority, Indiana's compliance.

Opinion on Each Major Federal Program

In our opinion, the Seymour Housing Authority, Indiana, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended March 31, 2022.

Report on Internal Control over Compliance

Management of the Seymour Housing Authority, Indiana, is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Seymour Housing Authority, Indiana's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Seymour Housing Authority, Indiana's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
