ADOPTION OF, TRAINING AND CERTIFICATION ON, INTERNAL CONTROL STANDARDS

A similar comment appeared in prior Report B51851, entitled *ADOPTION OF INTERNAL CONTROL STANDARDS*.

Condition and Context

The Township certified on the Indiana Gateway for Government Units (Gateway) financial reporting system that it had adopted the minimum internal control standards as required by Indiana Code 5-11-1-27(e); however, during the engagement, the Township could not provide supporting documentation showing the adoption of the minimum internal control standards.

The Township certified on Gateway that all personnel defined by Indiana Code 5-11-1-27(c) had received training concerning the internal control standards adopted by the Township; however, during the engagement, the Township could not provide supporting documentation that all personnel had received training concerning the internal control standards.

Criteria

Indiana Code 5-11-1-27(g) states:

"After June 30, 2016, the legislative body of a political subdivision shall ensure that:

- (1) the internal control standards and procedures developed under subsection (e) are adopted by the political subdivision; and
- (2) personnel receive training concerning the internal control standards and procedures adopted by the political subdivision."

Indiana Code 5-11-1-4(a) states:

"The state examiner shall require from every audited entity financial reports covering the full period of each fiscal year. These reports shall be prepared, verified, and filed with the state examiner not later than sixty (60) days after the close of each fiscal year. The reports must be in the form and content prescribed by the state examiner and filed electronically in the manner prescribed under [IC 5-14-3.8-7](#)."

ANNUAL FINANCIAL REPORTS

Condition and Context

The Annual Financial Reports submitted in Gateway contained errors and did not reflect the financial activity of the Township. These errors were corrected and are reflected in the cash and investment balances contained in this report.

Criteria

Indiana Code 5-11-1-4(a) states:

"The state examiner shall require from every audited entity financial reports covering the full period of each fiscal year. These reports shall be prepared, verified, and filed with the state examiner not later than sixty (60) days after the close of each fiscal year. The reports must be in the form and content prescribed by the state examiner and filed electronically in the manner prescribed under [IC 5-14-3.8-7](#)."

BANK ACCOUNT RECONCILIATIONS

Condition and Context

Supporting documentation showing depository reconciliations of the fund balances to the bank account balances were not provided for review. As a result, the ending cash and investments balances were \$1,823 and \$1,863 less than the bank balances as of December 31, 2018 and 2019, respectively, and \$1,276 more than the bank balance as of December 31, 2021.

Criteria

Indiana Code 5-13-6-1(e) states: "All local investment officers shall reconcile at least monthly the balance of public funds, as disclosed by the records of the local officers, with the balance statements provided by the respective depositories."

At all times, the manual and/or computerized records, subsidiary ledgers, control ledger, and reconciled bank balance must agree. If the reconciled bank balance is less than the subsidiary or control ledgers, the amount needed to balance may be the personal obligation of the responsible official or employee. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 1)

SUPPORTING DOCUMENTATION

Condition and Context

Of the ten disbursements selected for testing, nine disbursements did not have supporting documentation, such as an itemized invoice or bill, that could be traced back to the check written.

Criteria

Supporting documentation such as receipts, canceled checks, tickets, invoices, bills, contracts, and other public records must be available for examination to provide supporting information for the validity and accountability of monies disbursed. Payments without supporting documentation may be the personal obligation of the responsible official or employee. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 1)
