BANK ACCOUNT RECONCILIATIONS

Condition and Context

Depository reconciliations of the fund balances to the bank account balances were conducted; however, the December 31, 2018, 2019, 2020, and 2021 reconciliations did not balance. As a result, the ending cash and investments balance was \$2,120 less than the adjusted bank balance for all four years.

Criteria

Indiana Code 5-13-6-1(e) states: "All local investment officers shall reconcile at least monthly the balance of public funds, as disclosed by the records of the local officers, with the balance statements provided by the respective depositories."

At all times, the manual and/or computerized records, subsidiary ledgers, control ledger, and reconciled bank balance must agree. If the reconciled bank balance is less than the subsidiary or control ledgers, the amount needed to balance may be the personal obligation of the responsible official or employee.
