INDEPENDENT ACCOUNTANT'S REPORT

To the Indiana State Board of Accounts and
Management of the North West Hendricks School Corporation

We have examined the North West Hendricks School Corporation ("School Corporation") compliance with the Indiana State Board of Accounts' *Accounting and Uniform Compliance Guidelines Manual For Indiana Public School Corporations* during the period July 1, 2019 to June 30, 2021. Management of the School Corporation is responsible for the School Corporation's compliance with the specified requirements. Our responsibility is to express an opinion on the School Corporation's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the School Corporation complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the School Corporation complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our qualified opinion.

Our examination does not provide a legal determination on the School Corporation's compliance with specified requirements.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

Our examination disclosed material noncompliance with the *Accounting and Uniform Compliance Guidelines Manual For Indiana Public School Corporations* applicable to the School Corporation during the period July 1, 2019 to June 30, 2021, as described in items 2021-001 through 2021-003 on the following Schedule of Examination Findings and Results.

In our opinion, except for the material noncompliance described in the preceding paragraph, the School Corporation complied, in all material respects, with the aforementioned requirements during the period July 1, 2019 to June 30, 2021.

SCHEDULE OF EXAMINATION FINDINGS AND RESULTS
July 1, 2019 to June 30, 2021

FINDING 2021-001: OVERDRAWN CASH BALANCES

Criteria: Chapter 1 of the Accounting and Uniform Compliance Guidelines Manual For Indiana Public School Corporations states in part, "The cash balance of any fund may not be reduced below zero. Routinely overdrawn funds could be an indicator of serious financial problems which should be investigated by the unit."

Condition: During testing of cash fund balances, we noted the following funds that were not cost-reimbursement grant based with a cash balance below zero as of June 30, 2020 or June 30, 2021:

Fund	Amount Overdrawn June 30, 2020	Amount Overdrawn June 30, 2021
Health Insurance	\$ 31,171	\$ 31,061
Life Insurance	2	-
Dental Health Insurance	7,548	7,265
Short-Term Disability	9	73
Garnishment	61	-

FINDING 2021-002: PREPAID SCHOOL LUNCH CLEARING FUND (8400) RECONCILIATION

Criteria: When a student puts money into their individual meal account, it should not be considered income to the child nutrition program until that student goes through the lunch line and charges a meal to their account. Therefore, while money is in the student's individual account, the balance should not be included in Fund 800 School Lunch. A school should set up a clearing account with the fund number of 8400 Prepaid School Lunch Accounts which is included in Chapter 4 of the State Board of Accounts Uniform Compliance Guidelines for Indiana Public School Corporations. When a student brings in a deposit the receipt should be recorded to Fund 8400 using receipt account 1630 Special Functions. After the student has charged meals, you should disburse the amount charged from Fund 8400 using expenditure account 31900 Other Food Services and receipt this into Fund 800 using the Food Services receipt accounts 1611-1623 at the time established in a written school policy to ensure accurate monthly reporting. At this point the receipts are considered program income and should be included on any reports that are required to be completed. Also, on a monthly basis it is required that the balance of Fund 8400 be reconciled with the total of the individual meal accounts. (The School Bulletin and Uniform Compliance Guidelines, February 2019).

Condition: The School Corporation's Prepaid School Lunch Accounts fund (fund number 8400) balance at June 30, 2020, and June 30, 2021, did not reconcile to the subsidiary records of student account balances. The Prepaid School Lunch Accounts fund was greater than the subsidiary records of student accounts by \$5,551 and \$35,773, respectively.

The same finding also appeared in prior Report B54501.
