Board of Directors
Housing Authority of the City of Mishawaka
601 East 11th Street, PO Box 1347
Mishawaka, IN 46544

We have reviewed the audit report of the Housing Authority of the City of Mishawaka which was opined upon by Henderson & Pilleteri, LLC, Independent Public Accountants, for the period July 1, 2021 to June 30, 2022. Per the *Independent Auditor's Report*, the financial statements included in the report present fairly the financial condition of the Housing Authority of the City of Mishawaka, as of June 30, 2022 and the results of its operations for the period then ended, on the basis of accounting described in the report.

In our opinion, Henderson & Pilleteri, LLC prepared the audit report in accordance with the guidelines established by the State Board of Accounts.

The audit report is filed with this letter in our office as a matter of public record.

HOUSING AUTHORITY OF THE CITY OF MISHAWAKA
MANAGEMENT'S DISCUSSION & ANALYSIS
YEAR ENDED JUNE 30, 2022

MANAGEMENT'S DISCUSSION AND ANALYSIS

The Management's Discussion and Analysis (the "MD&A") is designed to (a) assist the reader in focusing on significant financial issues, (b) provide an overview of the Housing Authority of the City of Mishawaka's, (the "Authority") financial activity, (c) identify changes in the Authority's financial position (its ability to address the next and subsequent years' challenges), and (d) identify issues or concerns. This will now be presented at the front of each year's financial statements.

Since the MD&A is designed to focus on the current year's activities, resulting changes and currently known facts, please read it in conjunction with the financial statements, which follow this section.

FINANCIAL HIGHLIGHTS

- Net position at June 30, 2022, increased to \$8,679,864. Since the Authority engages only in business-type activities, the increase is all in the category of business-type net position. Net position was \$8,293,318 for 2021.
- The business-type activities operating revenues at June 30, 2022, increased to \$4,496,854. Total operating revenues were \$4,258,657 for 2021.
- The total operating expenses of all programs for June 30, 2022, increased to \$4,513,900. Total operating expenses were \$4,284,758 for 2021.
- Total capital grant contributions at June 30, 2022, decreased to \$270,058. Total capital grant contributions were \$735,116 for 2021.

OVERVIEW OF THE FINANCIAL STATEMENTS

The financial statements included in this annual report are those of a special-purpose government engaged in a business-type activity.

This MD&A is intended to serve as an introduction to the Authority's basic financial statements.

The following statements are included:

- Statement of Net Position – reports current financial resources (short-term expendable resources) with capital assets and long-term obligations.
- Statement of Revenue, Expenses, and Changes in Fund Net Position – reports operating and nonoperating revenue, by major source along with operating and nonoperating expenses and capital contributions.
- Statement of Cash Flows – reports cash flows from operating, investing, capital, non-capital activities.

PROGRAMS

Conventional Public Housing – Under the Conventional Public Housing Program, the Authority rents units that it owns to low-income households. The Conventional Public Housing Program is operated under an Annual Contributions Contract (ACC) with HUD, and HUD provides operating subsidy and capital grant funding to enable the Authority to provide the housing at a rent that is based upon 30% of household income (as defined in the HUD regulations).

Capital Fund Grants – The Authority's capital funds are received from the federal government through a formula driven computation. These funds are used to upgrade our facilities at various developments to give our residents the decent and safe living environment they need. Each year's grant funds must be entirely obligated within two years of inception of the grant, and entirely expended within four years.

Housing Choice Voucher Program – Under the Housing Choice Voucher Program, the Authority contracts with independent landlords that own the property. The Authority subsidizes the family's rent through a Housing Assistance Payment (HAP) made to the landlord. The program is administered under an Annual Contributions Contract (ACC) with HUD. HUD provides Annual Contributions funding to enable the Authority to structure a lease that sets the participant's rent at 30% or up 40% of household income.

FINANCIAL ANALYSIS

The following tables focus on the net position and the change in net position of the primary government as a whole.

TABLE 1 – STATEMENT OF NET POSITION

	<u>2022</u>	<u>2021</u>	<u>Variance</u>	<u>% Change</u>
Current Assets	\$ 3,344,081	\$ 2,802,006	\$ 542,075	19.35%

MAJOR FACTORS AFFECTING THE STATEMENT OF NET POSITION

Current assets increased by \$542,075 primarily due to the increases in unrestricted cash. This increase was partially offset by a decrease in accounts receivable – miscellaneous.

Capital assets decreased by \$181,101 due to an increase in depreciation in excess of capital improvements.

Current liabilities decreased by \$25,572 primarily due to decreases in unearned revenues and accrued liabilities – other. This decrease was partially offset by an increase in accounts payable – other government.

TABLE 2 – STATEMENTS OF REVENUE, EXPENSES, AND CHANGES IN FUND NET POSITION

MAJOR FACTORS AFFECTING THE STATEMENT OF REVENUE, EXPENSES, AND CHANGES IN FUND NET POSITION

Increase in net position was \$386,546 due to total revenues exceeding total expenses.

The Authority had an operating loss of \$17,046 including non-cash depreciation expense of \$460,929 versus an operating loss of \$26,101 and depreciation expense of \$435,244 in the prior year.

Total operating revenues increased by \$238,197 to \$4,496,854 due to increases in all revenue categories. Federal grants increased due to an increase in Operating Funds, Capital Funds, HCV Subsidies, and Public Housing and HCV CARES Act Funding recognized this year. Other revenues increased as a result of an increase in Housing Assistance Payments and Administrative Fee Portability In revenues earned this year in the HCV Program.

Total operating expenses increased by \$229,142 to \$4,513,900 due to increases in general, maintenance, housing assistance payments, and depreciation expenses. This increase was partially offset by a decrease in utilities, administrative, and tenant services expense.

Capital contributions decreased by \$465,058 to \$270,058 due to a decrease in capital projects performed during the current fiscal year.

CAPITAL ASSETS

As of June 30, 2022, investment in capital assets for its business-type activities was \$5,899,061, net of accumulated depreciation. This investment in capital assets includes land, buildings, improvements, equipment, and construction in progress. See footnote 4 to the financial statements for further detail.

Major capital asset purchases during the current fiscal year included the following:

- Various renovations and updates to Public Housing units.

Major capital asset disposals during the current fiscal year included sale of land.

ECONOMIC FACTORS

Significant economic factors affecting the Authority are as follows:

- Federal funding of the Department of Housing and Urban Development.
- Local labor supply and demand, which can affect salary and wage rates.
- Local inflation, recession and employment trends, which can affect resident incomes and therefore the amount of rental income.
- Inflationary pressure on utility rates, supplies and other costs.

FINANCIAL CONTACT

This financial report is designed to provide a general overview of the finances for all those with an interest in the Authority's finances. Questions concerning any of the information provided in this report or request for additional information should be addressed to:

Independent Auditor's Report

To the Board of Commissioners
Housing Authority of the City of Mishawaka

Report on the Audit of the Financial Statements

Opinions

We have audited the financial statements of the Housing Authority of the City of Mishawaka (the "Authority"), as of and for the year ended June 30, 2022 and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the respective financial position of the Authority, as of June 30, 2022, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Authority, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management’s discussion and analysis on pages 1-4 is presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management’s responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Authority’s basic financial statements. The accompanying supplemental data, including the financial data schedule, the statement of net position – by program, and the statement of revenues, expenses, and changes in fund net position – by program are presented for purposes of additional analysis as required by the U.S. Department of Housing and Urban Development and are not a required part of the basic financial statements. The schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the financial data schedule, the statement of net position – by program, the statement of revenues, expenses, and changes in fund net position – by program, and the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated December 1, 2022, on our consideration of the Authority’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority’s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Authority’s internal control over financial reporting and compliance.

**Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of
Financial Statements Performed in Accordance with *Government Auditing Standards***

Independent Auditor's Report

To the Board of Commissioners
Housing Authority of the City of Mishawaka

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the basic financial statements of the Housing Authority of the City of Mishawaka (the "Authority"), as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements, and have issued our report thereon dated December 1, 2022.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program and Report on Internal Control over Compliance in Accordance with the Uniform Guidance

Independent Auditor's Report

To the Board of Commissioners
Housing Authority of the City of Mishawaka

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Housing Authority of the City of Mishawaka's (the "Authority") compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Authority's major federal programs for the year ended June 30, 2022. The Authority's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Authority complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Authority and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Authority's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Authority's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Authority's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Authority's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Authority's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Authority's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Authority's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

HOUSING AUTHORITY OF THE CITY OF MISHAWAKA
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2022

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Housing Authority of the City of Mishawaka (the “Authority”) have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The Authority has previously implemented GASB Statement 34, *Basic Financial Statements – and Management’s Discussion and Analysis – for State and Local Governments*. Certain significant changes in the statements are as follows: The financial statements will include a Management’s Discussion and Analysis (MD&A) section providing an analysis of the Authority’s overall financial position and results of operations.

The Authority is a special-purpose government engaged only in business-type activities and therefore, presents only the financial statements required for enterprise funds, in accordance with GASB Statement 34, paragraph 138. For these governments, basic financial statements and required supplemental information consist of:

- Management Discussion and Analysis (MD&A)
- Enterprise fund financial statements consisting of –
 - Statement of Net Position
 - Statement of Revenues, Expenses, and Changes in Fund Net Position
 - Statement of Cash Flows
- Notes to financial statements
- Required supplemental information other than MD&A

The Authority has multiple programs which are accounted for in one enterprise fund, which is presented as the “enterprise fund” in the basic financial statements. Significant Authority policies are described below.

A. The Reporting Entity

The Housing Authority of the City of Mishawaka was established by the City of Mishawaka pursuant to the laws of the State of Indiana, to transact business and to have powers as defined therein. The Authority is a special-purpose governmental unit as an entity under the United States Housing Act of 1937 for the purpose of providing affordable housing to low and moderate income families in St. Joseph County, Indiana. The governing body of the Authority is composed of a 5 member appointed Board of Commissioners (the “Board”). The Mayor appoints the Board, who in turn hires the Chief Executive Officer (CEO). The Authority is governed by its charter and by-laws, state and local laws and federal regulations. The Board is responsible for the establishment and adoption of policy. The execution of such policy is the responsibility of the Authority’s management. The Authority has no component units.

B. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The Authority’s financial statements are accounted for on the flow of economic resources management focus using the accrual basis of accounting. The accounting objectives are a determination of net income, financial position, and changes in cash flow.

All assets, deferred outflows of resources, liabilities, and deferred inflows of resources associated with a proprietary fund’s activities are included on the Statement of Net Position. Proprietary fund net position is segregated into Net Investment in Capital Assets, Restricted Net Position, and Unrestricted Net Position. Revenues are recognized when they are earned and expenses are recognized when incurred. Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services in connection with a proprietary fund’s principal ongoing operations. The principal operating revenues of the proprietary funds are rental charges to tenants and operating subsidy grants from HUD. Operating expenses for proprietary funds include the cost of administrative expenses, maintenance expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses. The Authority applies restricted resources to fund restricted costs and unrestricted resources to fund unrestricted costs when restricted and unrestricted net position is available. All material inter-program accounts and transactions are eliminated in the preparation of the basic financial statements.

The Authority has previously adopted GASB Statement No. 33, *Accounting and Financial Reporting for Nonexchange Transactions*. In accordance with this statement, the Authority accounted for all grants that qualify as non-exchange transactions, recognizing receivables and revenues when all applicable eligibility requirements are met. In addition, capital contributions are recorded on the Statement of Revenues, Expenses, and Changes in Fund Net Position after income before contributions and before changes in net position.

HOUSING AUTHORITY OF THE CITY OF MISHAWAKA
 NOTES TO FINANCIAL STATEMENTS
 YEAR ENDED JUNE 30, 2022

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Generally accepted accounting principles for state and local governments requires that resources be classified for accounting and reporting purposes into the following three net position categories:

- *Net investment in capital assets* – Capital assets, net of accumulated depreciation and outstanding principal balances of debt attributable to the acquisition, construction or improvement of those assets.
- The *restricted* component of net position consists of restricted assets reduced by liabilities and deferred inflows of resources related to those assets.
- The *unrestricted* component of net position is the net amount of the assets, deferred outflows of resources, liabilities, and deferred inflows of resources that are not included in the determination of net investment in capital assets or the restricted component on net position.

C. Cash, Cash Equivalents, and Investments

Cash and cash equivalents include cash on hand, demand deposits, and money market accounts. For purposes of the statement of cash flows, the Authority considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents. The carrying amounts reported on the balance sheet approximate fair values because of the short maturities of those investments.

D. Receivables

All receivables are current and due within one year. Receivables are reported net of an allowance for uncollectible accounts. Allowances are reported when accounts are proven to be uncollectible.

E. Restricted Assets and Liabilities

Debt covenants, HUD regulations, and inter-local agreements restrict the use of certain assets. Restricted assets are offset by related liabilities in accordance with their liquidity.

F. Inventories

Inventories are accounted for under the consumption method and recorded at the lower of cost or market, net of an allowance for obsolete inventories. Materials and supplies are recorded as inventories when purchased and as expenditures when used. Allowances are reported when materials and supplies are deemed obsolete.

G. Prepaid Items

Prepaid items consist of payments made to vendors for services that will benefit future periods.

H. Capital Assets

Capital assets include property, furniture, equipment, and machinery. Capital assets with initial, individual costs that equal or exceed \$1,000 and estimated useful lives of over one year are recorded as capital assets. Capital assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation. Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets is included as part of the capitalized value of the assets constructed. Construction in progress consists of capital improvements funded by modernization grant programs. Capital assets are depreciated using the straight line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Buildings and improvements	20-40
Furniture, equipment, and machinery	5

I. Compensated Absences

Full-time employees are allowed to accrue annual leave and sick leave on the last day of each month. Employees accumulate annual leave at monthly accrual rates between 3.33 and 13.33 hours depending on length of service. Annual leave cannot be carried over from year to year; however, employees who separate will receive pay for an unused portion of leave accumulated during that year. Time accrued beyond these amounts is forfeited unless exception is granted by the CEO. Sick leave is accumulated at a rate of one day per month or twelve days per year to a maximum of 72 days. Sick leave accumulated is not paid upon separation. The majority of employees utilize their annual accrual of vacation during the year accrued. The Authority records compensated absences in the period they use a systematic allocation process to allocate between short-term and long-term liability classification.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

J. Unearned Revenue

The Authority recognizes revenues as earned. An amount received in advance of the period in which it is earned is recorded as a liability under unearned revenue.

K. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

L. Recent Accounting Pronouncements

The Authority has adopted GASB Statement No.87, *Leases*. Among other things, this statement requires that government lessee: recognize the following: (a) a lease liability and (b) an intangible asset representing the lessee’s right to use the leased asset; and - report in its financial statements: (a) amortization expense for using the lease asset over the shorter of the term of the lease or the useful life of the underlying asset, (b) interest expense on the lease liability and (c) note disclosures about the lease. This statement also requires that government lessors: recognize: (a) a lease receivable and (b) a deferred inflow of resources and continue to report the leased asset in its financial statements; and report in its financial statements: (a) lease revenue, recognized over the term of the lease, corresponding with the reduction of the deferred inflow, (b) interest income on the receivable; and (c) note disclosures about the lease. The adoption of GASB Statement No. 87 had no material effect on the Authority’s June 30, 2022 financial statements.

The Authority has adopted GASB Statement No.91, *Conduit Debt Obligation*. This statement clarifies what is a conduit debt obligation, clarifies how government issuers should account for and report commitments and arrangements associated with conduit debt obligations, and enhances note disclosures. The adoption of GASB Statement No. 91 had no material effect on the Authority’s June 30, 2022 financial statements.

The Authority has adopted GASB Statement No.97, *Certain Component Unit Criteria, and Accounting and Financial Reporting for Internal Revenue Code Section 457 Deferred Compensation Plans*. The requirements of this statement (1) exempt primary governments that perform the duties that a governing board typically performs from treating the absence of a governing board the same as the appointment of a voting majority of a governing board in determining whether they are financially accountable for defined contribution pension plans, defined contribution OPEB plans, or other employee benefit plans and (2) limit the applicability of the financial burden criterion in paragraph 7 of Statement 84 to defined benefit pension plans and defined benefit OPEB plans that are administered through trusts that meet the criteria in paragraph 3 of Statement 67 or paragraph 3 of Statement 74, respectively. For purposes of determining whether a primary government is financially accountable for a potential component unit, the requirements of this Statement that provide that for all other arrangements, the absence of a governing board be treated the same as the appointment of a voting majority of a governing board if the primary government performs the duties that a governing board typically would perform. The adoption of GASB Statement No. 97 had no material effect on the Authority’s June 30, 2022 financial statements.

The Authority has adopted GASB Statement No.98, *The Annual Comprehensive Financial Report*. This Statement establishes the term annual comprehensive financial report and its acronym ACFR. That new term and acronym replace instances of comprehensive annual financial report and its acronym in generally accepted accounting principles for state and local governments. The adoption of GASB Statement No. 98 had no material effect on the Authority’s June 30, 2022 financial statements.

NOTE 2 – CASH DEPOSITS AND INVESTMENTS

Cash and investments may be invested in the following HUD and the State of Indiana IC 36-7-18-19 approved vehicles:

- Direct obligations of the federal government backed by the full faith and credit of the United States;
- Obligations of government agencies;
- Securities of government sponsored agencies;
- Demand and savings deposits; and,
- Time deposits and repurchase agreements.

At June 30, 2022, cash was in bank deposits or money market accounts that were insured or collateralized with securities held by the Authority or by its agent through the State of Indiana’s collateralization program. Cash balances at June 30, 2022 totaled \$2,633,250. The Authority had no investments at June 30, 2022.

YEAR ENDED JUNE 30, 2022

NOTE 2 – CASH DEPOSITS AND INVESTMENTS (Continued)

Interest Rate Risk – The Authority’s formal investment policy does not specifically address the exposure to this risk.

Credit Risk – The Authority’s formal investment policy does not specifically address credit risk, other than the limitations of Indiana state law and/or HUD regulations. Credit risk is generally evaluated based on the credit ratings issued by nationally recognized statistical rating organizations.

Custodial Credit Risk – The Authority’s policy is to limit credit risk by adherence to the list of HUD permitted investments, which are backed by the full faith and credit of or a guarantee of principal and interest by the U.S. Government.

Concentration of Credit Risk – The Authority’s investment policy does not restrict the amount that the Authority may invest in any one issuer.

NOTE 3 – MISCELLANEOUS RECEIVABLE

At June 30, 2022, a miscellaneous receivable consisted of \$657,294 related to the assisted living center and other properties managed by the Authority on behalf of other third-party unrelated entities.

NOTE 4 – CAPITAL ASSETS

A. Changes in Capital Assets

B. Capital Contributions

The Authority receives capital grants from HUD. The Authority recognized \$270,058 in capital grant contributions for the fiscal year ended June 30, 2022.

HOUSING AUTHORITY OF THE CITY OF MISHAWAKA
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED JUNE 30, 2022

NOTE 5 – DEFINED CONTRIBUTION PENSION PLAN

The Authority provides benefits for all of its full-time employees through a defined contribution plan. In a defined contribution plan, benefits depend solely on amounts contributed to the plan, plus investment earnings. The plan is administered by Correll Company and only the Board of Commissioners have the authority to amend the plan. Employees are eligible to participate after a six-month exclusionary period. The Authority contributes 13% of the employee's base salary each month for employees hired before January 1, 2006 and 6% of base salary each month for employees hired on or after January 1, 2006. Employees are not required to contribute to the plan. The Authority's contributions for each employee (and interest allocated to the employee's account) are vested 20% annually for each year of participation. An employee is fully vested after 5 years of participation. Contributions to the plan were \$49,700 by the Authority and \$4,868 by employees for the year ended June 30, 2022.

NOTE 6 – RISK MANAGEMENT

The Authority is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Authority has mitigated this risk by obtaining insurance coverage from commercial insurance companies. Premiums paid for insurance coverage are recorded as expenses of the funds affected. The various insurance policies are subject to deductible amounts and maximum coverages. If the deductibles and maximums are exceeded, this could cause the Authority to suffer losses if a loss is incurred from any such incidents. The ultimate outcome of uninsured losses cannot presently be determined, and no provision for any liability that may result, if any, has been made in the financial statements. During the current year and the prior three years, settled claims have not exceeded coverage levels, and insurance coverage, by major categories of risk, is consistent with prior year.

NOTE 7 – CONCENTRATION OF RISK

The Authority receives most of its funding from HUD. These funds and grants are subject to modification by HUD depending on availability of funding.

NOTE 8 – COMMITMENTS AND CONTINGENCIES

A. Grants

Amounts received or receivable from HUD are subject to audit and adjustment by grantor agencies. If expenses are disallowed as a result of these audits, the claims for reimbursement to the grantor agency would become a liability of the Authority. In the opinion of management, any such adjustments would not be significant.

B. Construction Commitments

At June 30, 2022, the Authority had two uncompleted construction contracts. The remaining total commitment on the contracts was \$359,890.

NOTE 9 – SUBSEQUENT EVENTS

Events that occur after the balance sheet date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about the conditions that existed at the balance sheet date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the balance sheet date require disclosure in the accompanying notes. Management evaluated the activity of the Authority through December 1, 2022 (the date the financial statements were available to be issued) and concluded that the following subsequent events have occurred that require recognition in the financial statements or disclosure in the notes to the financial statements.

In December of 2019, COVID-19 emerged and has subsequently spread throughout the world. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. In addition, multiple jurisdictions in the United States have declared a state of emergency. It is anticipated that these impacts will continue for some time. There has been no immediate impact to the Authority's operations. Future potential impacts may include disruptions or restrictions on our employees' ability to work or the tenant's ability to pay the required monthly rent. Operating functions that may be changed include intake, recertifications and maintenance. Changes to the operating environment may increase operating costs. Additional impacts may include the ability of tenants to continue making rental payments as a result of job loss or other pandemic related issues. The future effects of these issues are unknown.

Note 1 – Basis of Presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of the Authority under programs of the federal government for the year ended June 30, 2022. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Authority, it is not intended to and does not present the financial position, changes in net position, or cash flows of the Authority.

Note 2 – Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. The Authority has elected to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

We have performed the procedures enumerated below, which was agreed to by the Housing Authority of the City of Mishawaka ("the Authority") and the U.S. Department of Housing and Urban Development, Real Estate Assessment Center (REAC), on whether the electronic submission of certain information agrees with related hard copy documents included within the Single Audit reporting package for the year ended June 30, 2022. The Authority's management is responsible for accuracy and completeness of the electronic submission for the year ended June 30, 2022.

The Authority has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of whether the electronic submission of certain information agrees with related hard copy documents included within the Single Audit reporting package. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and the associated findings are as follows:

We compared the electronic submission of the items listed in the chart below under "UFRS Rule Information" column with the corresponding printed documents listed in the chart under the "Hard Copy Documents" column. The results of the performance of our agreed-upon procedure indicate agreement or non-agreement of electronically submitted information and hard copy documents as shown in the chart below.

We were engaged by the Authority to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the AICPA and, if applicable, the standards applicable to attestation engagements contained in Government Auditing Standards issued by the Comptroller General of the United States, and/or any other standards or requirements to be followed. We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the electronic submission of the items listed in the "UFRS Rule Information" column in the chart below for the year ended June 30, 2022. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Authority and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.
