INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of

Report on the Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Area 10 Council on Aging of Monroe and Owen Counties, Inc. and Subsidiaries (a nonprofit organization), which comprise the consolidated statements of financial position as of June 30, 2022 and 2021, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Area 10 Council on Aging of Monroe and Owen Counties, Inc. and Subsidiaries as of June 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Area 10 Council on Aging of Monroe and Owen Counties, Inc. and Subsidiaries and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Area 10 Council on Aging of Monroe and Owen Counties, Inc. and Subsidiaries' ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Area 10 Council on Aging of Monroe and Owen Counties, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Area 10 Council on Aging of Monroe and Owen Counties, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated November 29, 2022 on our consideration of the Area 10 Council on Aging of Monroe and Owen Counties, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Area 10 Council on Aging of Monroe and Owen Counties, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Area 10 Council on Aging of Monroe and Owen Counties, Inc.'s internal control over financial reporting and compliance.

The Organization files the required federal and state information returns. Whenever tax returns are filed, the filing organization must evaluate the merits of its tax positions and determine if they will be ultimately sustained. Those tax positions for the Organization include maintaining their tax-exempt status and the taxability of any unrelated business income. The Organization believes these positions are sustainable. Although the Organization has not incurred any interest and penalties associated with these positions, it is their policy to expense them in the statement of activities. With few exceptions, the Organization is generally no longer subject to examination by taxing authorities for years before June 30, 2019.

FINANCIAL STATEMENT PRESENTATION – (continued)

Net assets with donor restrictions represent contributions and other inflows of assets whose use by Area 10 Council on Aging of Monroe and Owen Counties, Inc. is limited by donor-imposed stipulations that either expire by passage of time, can be fulfilled and removed by actions of Area 10 Council on Aging of Monroe and Owen Counties, Inc. pursuant to those stipulations, or net assets that must be held in perpetuity.

Net assets with donor restrictions also include, pursuant to Indiana law, cumulative appreciation and reinvested gains on net assets with donor restrictions that are held in perpetuity, which have not been appropriated by the Board of Directors.

CASH AND CASH EQUIVALENTS

The Organization considers time deposits, certificates of deposit, and other highly liquid debt instruments with an original maturity of three months or less to be cash equivalents.

RESTRICTED CASH

Restricted cash consist of designated operating reserves and replacement reserves escrow of the Subsidiaries. The replacement reserve escrow is required by the permanent mortgage for Patterson Pointe Senior Residence, LLC. Withdrawals are subject to certain conditions and restrictions as defined in the loan agreement.

GRANTS, CONTRIBUTIONS AND ACCOUNTS RECEIVABLE

Grants and contributions receivable consist of reimbursements due under government cost-reimbursement awards and unconditional promises to give to the Organization. All amounts are due within one year, and no allowance for uncollectible receivables is considered necessary. Accounts receivable consist primarily of amounts due for services rendered, and no allowance for uncollectible receivables is considered necessary. Accounts receivable consist primarily of amounts due for services rendered.

Accounts receivable are stated at unpaid balances, less an allowance for doubtful accounts. The Organization provides for losses on accounts receivable using the allowance method. The allowance is based on experience, third party contracts and other circumstances. Receivables are considered impaired if full payment is not received in accordance with the contractual terms. It is the Organization's policy to charge off uncollectible accounts receivable when management determines the receivable will not be collected.

REVENUE RECOGNITION

The majority of the Organization's revenue is earned under cost-reimbursement awards from governmental agencies. Revenues are recognized under such awards when costs allowable under the terms of the awards are incurred. Advances received in excess of allowable costs are reported as liabilities. Fees for services are recognized as revenue when performance obligations are satisfied which is at the point of service. Fees received in advance of substantial performance are reported as liabilities. Deposits received from customers prior to the date of the performance of services are recorded as deferred revenue.

The Organization reports grants and contributions of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions. However, contributions received with donor-imposed restrictions in which the restrictions are satisfied in the same reporting period received are reported as net assets without donor restrictions.

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. Amortization of the discounts is included in contributions revenue. Conditional promises to give are not recognized as revenue until the conditions are substantially met.

Contributions of services are recognized as revenue at their estimated fair value only when the services received create or enhance non-financial assets or require specialized skills possessed by the individuals providing the service and the service would typically need to be purchased if not donated. The value of contributed services meeting the criteria for recognition and recognized in the accompanying financial statements was \$1,376 and \$14,051 for the years ended June 30, 2022 and 2021, respectively. Management estimates the value of contributed services received during the years ended June 30, 2022 and 2021 that did not meet the criteria for recognition to be \$69,628 and \$29,837, respectively.

The Organization uses certain facilities for its programs without charge or at reduced charge. The difference between the fair value for the use of these facilities and their cost are recognized as revenue and expense. In addition, the Organization receives supplies and materials without charge. The Organization recognized \$54,409 and \$46,429 of revenue for contributed facilities, supplies and materials in the accompanying consolidated financial statements during the years ended June 30, 2022 and 2021, respectively.

PROPERTY AND EQUIPMENT

Property and equipment is stated at cost, if acquired, or at fair value at the date of receipt, if donated, less accumulated depreciation. Equipment with a unit cost below \$5,000 is expensed in the period acquired. Depreciation is computed by the straight-line method over the estimated useful lives of the assets, which are generally as follows:

Building	10 - 40 years
Equipment.....	5 - 10 years

Substantially all of the Organization's equipment has been purchased with funds provided by the State of Indiana and are therefore owned by the State of Indiana. Disposition of these assets, as well as the ownership of any sale proceeds, is subject to funding source and other regulatory directives. Expenditures for maintenance and repairs are expensed when incurred.

Depreciation expense on corporate owned and related housing partnerships' property and equipment totaled \$518,357 and \$516,090 for the years ended June 30, 2022 and 2021, respectively.

USE OF ESTIMATES

The process of preparing consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues, and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the consolidated financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

Significant estimates used in the accompanying consolidated financial statements include:

- Revenue earned from cost-reimbursement awards. The majority of the Organization's revenue is earned on such awards from governmental agencies that are governed by cost principles and other administrative and programmatic regulations and are subject to audit by regulatory authorities. It is at least reasonably possible that revenue earned under such awards will be adjusted upon audit.
- The valuation of contributed facilities, which is based on rents for comparable facilities.
- The allocations of costs among programs and the supporting services, which are based on time and facility usage studies and other cost allocation methods.

NOTE 1 – NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (continued)

COST ALLOCATION

The costs of providing various programs and other activities have been summarized on a functional basis in the Statements of Activities and in the Statements of Functional Expenses.

Joint costs (including general and administrative costs) are allocated to programs, grants and contracts using a base that is most appropriate to those particular costs. Considerations in determining an appropriate base include:

- The relative benefit
- The materiality of the cost
- The amount of time and cost to perform the allocation

Cost allocation methods are as follows:

- All allowable direct costs are charged directly whenever possible.
- All allowable joint or shared costs are allocated to the benefiting programs using a rationale most appropriate for that cost. Some costs will be further allocated to multiple funding sources, when applicable.
- All other allowable general and administrative costs are allocated using an appropriate rationale which fairly allocates costs based on benefits to the particular program.

The Organization's cost allocation plan is revised if significant changes occur during the year. Examples necessitating a revision include if programs are added, terminated or substantially changed. In addition, if square footage is substantially changed during the year, a revision will be made.

FAIR VALUE OF FINANCIAL INSTRUMENTS

The FASB Accounting Standards Codification topic "Fair Value Measurement" defines fair value as the price that would be received for an asset or paid to transfer a liability (an exit price) in the Organization's principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The standard establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1: Quoted prices for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

NOTE 1 – NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (continued)

FAIR VALUE OF FINANCIAL INSTRUMENTS – (continued)

Level 3: Significant unobservable inputs that reflect a reporting entity’s own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In many cases, a valuation technique used to measure fair value includes inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement the entire fair value measurement in the hierarchy.

The fair value of endowment funds held by Monroe County Community Foundation and Owen County Community Foundation are based on the Organization’s proportionate share of the foundations’ pooled investment portfolios. Management reviews the valuations and returns but does not receive a detailed listing of the portfolios. The Organization does not have the ability to redeem the funds on a short-term basis. Withdrawals are limited to the terms of the agreements with the foundations.

The endowment funds are described in Note 6 and are classified as Level 2 investments.

ACCOUNTING FOR IMPAIRMENT

As required by the “Accounting for Impairment or Disposal of Long-Lived Assets” topic of the FASB Accounting Standards Codification, long-lived assets and certain identifiable intangibles held and used by an entity be reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. This standard has not materially affected the Organization’s net change in unrestricted net assets, statement of financial position or statement of cash flows.

SUBSEQUENT EVENTS

Subsequent events have been evaluated through November 29, 2022, which is the date the financial statements were available to be issued.

NOTE 2 – BENEFICIAL INTERESTS

The Organization has established endowment funds with the Monroe County Community Foundation and the Owen County Community Foundation, and the Organization is the named beneficiary of the funds. The funds are reported at fair value with a combined balance of \$37,509 and \$44,225 for the years ended June 30, 2022 and 2021, respectively. The year-end values are determined by the Foundations based on market values of the underlying investments. The endowment funds consist of the amounts transferred to the Foundations by the Organization and the related changes in the market value. Annually, the Organization receives a distribution of a percentage of the average fund balance in the funds.

NOTE 3 – CONCENTRATION OF RISK

The Organization maintains its cash balance at multiple banks. The accounts at these institutions are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 for the years ended June 30, 2022 and 2021. At June 30, 2022 and 2021, the Organization had uninsured balances of \$2,297,161 and \$1,693,831 respectively.

All of the Organization's programs and activities occur in Central Indiana. Consequently, its sources of support and revenue may be affected by conditions in that area. In addition, for the years ended June 30, 2022 and 2021 approximately 78% and 74% of total revenues, respectively, were received from state and federal governmental sources, with approximately 39% and 33% of total revenues, respectively, received from Indiana Family and Social Services Administration.

Grants receivable are due primarily from Indiana Family and Social Services Administration under contracts and cost-reimbursement grants, which represent a concentration of credit risk.

NOTE 6 - ENDOWMENT

The Organization’s endowment consists of two funds managed by two separate community foundations. As required by applicable standards, net assets associated with endowment funds, including those designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of UPMIFA:

The Organization has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date the donor-restricted endowment funds absent explicit donor stipulations to the contrary.

The Organization’s beneficial interest in endowment funds represent board-designated funds and are not subject to donor restrictions. Therefore, the endowment funds are considered unrestricted net assets.

Investment Objectives

To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation and current yield. The Organization's portfolio offers pooled investments that are diversified among asset classes and investment styles as offered by the Monroe County Community Foundation and Owen County Community Foundations, thus minimizing the risk of large losses over a defined investment horizon.

Return Objectives and Risk Parameters

The Organization has adopted spending and investment policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include board designated assets. Under this policy, the endowment assets are invested in a way to ensure the future growth of the assets is sufficient to exceed the rate of inflation and provide for distribution of earnings, net of fees. All investment decisions have been delegated to the Monroe County Community Foundation and Owen County Community Foundation.

Spending Policy

The spending rate for distributable earnings will be set by the Monroe County Community Foundation and Owen County Community Foundations each year. The foundations act prudently and responsibly when deciding on a distribution that will allow for growth in the endowment fund over the course of Directors oversees the funds' assets held by the foundations, taking into account the purposes, terms and distribution requirements expressed by the governing instruments. The Board of Directors will exercise reasonable care, skill and caution in order to ensure preservation of all funds.

NOTE 7 – RETIREMENT PLAN

The Organization maintains a 401(k) Profit Sharing Plan and Trust offered through a PEO. The plan covers all eligible employees. Employees may contribute the maximum amount allowed. The Organization does not make any matching or elective contributions.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors
Area 10 Council on Aging of Monroe and Owen Counties, Inc.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the consolidated financial statements of the Area 10 Council on Aging of Monroe and Owen Counties, Inc. and Subsidiaries (a nonprofit organization), which comprise the consolidated statement of financial position as of June 30, 2022, and the related consolidated statements activities and changes in net assets, and cash flows for the year then ended, and the related notes to the financial statements and have issued our report thereon November 29, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered Area 10 Council on Aging of Monroe and Owen Counties, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Area 10 Council on Aging of Monroe and Owen Counties, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the organization's financial statements will not be prevented or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control, that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Area 10 Council on Aging of Monroe and Owen Counties, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR
EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY THE *UNIFORM GUIDANCE***

To the Board of Directors
Area 10 Council on Aging of Monroe and Owen Counties, Inc.

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Area 10 Council on Aging of Monroe and Owen Counties, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the OMB Compliance Supplement that could have a direct and material effect on each of Area 10 Council on Aging of Monroe and Owen Counties, Inc.'s major federal programs for the year ended June 30, 2022. Area 10 Council on Aging of Monroe and Owen Counties, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Area 10 Council on Aging of Monroe and Owen Counties, Inc., complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Area 10 Council on Aging of Monroe and Owen Counties, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Area 10 Council on Aging of Monroe and Owen Counties, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Area 10 Council on Aging of Monroe and Owen Counties, Inc.'s federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Area 10 Council on Aging of Monroe and Owen Counties, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, Government Auditing Standards, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Area 10 Council on Aging of Monroe and Owen Counties, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, Government Auditing Standards, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Area 10 Council on Aging of Monroe and Owen Counties, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Area 10 Council on Aging of Monroe and Owen Counties, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Area 10 Council on Aging of Monroe and Owen Counties, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
