CERTIFICATION ON INTERNAL CONTROL STANDARDS

Condition and Context

The Township certified on the Indiana Gateway for Government Units financial reporting system that it had adopted the minimum internal control standards as required by Indiana Code 5-11-1-27(e); however, during the engagement, the Trustee indicated that the Township had not adopted the minimum internal control standards.

Criteria

Indiana Code 5-11-1-4(a) states:

"The state examiner shall require from every audited entity financial reports covering the full period of each fiscal year. These reports shall be prepared, verified, and filed with the state examiner not later than sixty (60) days after the close of each fiscal year. The reports must be in the form and content prescribed by the state examiner and filed electronically in the manner prescribed under [IC 5-14-3.8-7](#)."

COMPENSATION AND BENEFITS

Condition and Context

The Township did not provide an annual salary resolution or ordinance, Township Board minutes, or other documentation setting and approving the salaries of Township officers and employees during the engagement period.

Criteria

Indiana Code 36-6-6-10(c) states:

"The township legislative body shall fix the compensation of all officers and employees of the township. Compensation shall be established using an annual, monthly, or biweekly salary schedule. An elected township officer is not required to report hours worked and may not be compensated based on the number of hours worked."

All compensation and benefits paid to officials and employees must be included in the labor contract, salary ordinance, resolution, or salary schedule adopted by the governing body unless otherwise authorized by law. Compensation must be paid in a manner that will facilitate compliance with state and federal reporting requirements. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 1)
