ANNUAL FINANCIAL REPORT

Condition and Context

The Township's 2019, 2020, and 2021 Annual Financial Reports were not filed electronically until March 9, 2020, March 15, 2021, and March 10, 2022, which were 8, 13, and 8 days past the due dates, respectively.

Criteria

Indiana Code 5-11-1-4(a) states:

These reports shall be prepared, verified, and filed with the state examiner not later than sixty (60) days after the close of each fiscal year. The reports must be in the form and content prescribed by the state examiner and filed electronically in the manner prescribed under [IC 5-14-3.8-7](#)."

TRAINING AND CERTIFICATION ON INTERNAL CONTROL STANDARDS

Condition and Context

The Township certified on the Indiana Gateway for Government Units financial reporting system that all personnel defined by Indiana Code 5-11-1-27(c) had received training concerning the internal control standards adopted by the Township; however, the Township was unable to provide evidence that any personnel had received training concerning the internal control standards during the engagement period.

Criteria

Indiana Code 5-11-1-27(g) states in part:

"After June 30, 2016, the legislative body of a political subdivision shall ensure that: . . .

- (2) personnel receive training concerning the internal control standards and procedures adopted by the political subdivision."

Indiana Code 5-11-1-4(a) states:

"The state examiner shall require from every audited entity financial reports covering the full period of each fiscal year. These reports shall be prepared, verified, and filed with the state examiner not later than sixty (60) days after the close of each fiscal year. The reports must be in the form and content prescribed by the state examiner and filed electronically in the manner prescribed under [IC 5-14-3.8-7](#)."

MONTHLY AND ANNUAL UPLOADS

Condition and Context

The files and governmental unit information that are required to be uploaded monthly include the bank reconciliations, approved Board minutes and the funds ledger, summarizing total receipts, disbursements, and balances by fund.

Annual upload requirements include the year-end bank statement, year-end outstanding check list, year-end investments, detail of receipt activity, detail of disbursement activity, current year salary ordinance, annual funds ledger, annual payroll history report, and an annual vendor history report.

The Township did not comply with the State Examiner Directive and failed to upload any of the monthly and annual files on the Indiana Gateway for Government Units (Gateway) financial reporting system for 2018, 2019, 2020, and 2021.

Criteria

Units are required to comply with all grant agreements, rules, regulations, bulletins, directives, letters, letter rulings, court decisions and filing requirements concerning reports and other procedural matters of federal and state agencies. Units must file accurate reports required by federal and state agencies. Noncompliance may require corrective action. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 1)

Beginning with July 2018 files, which will be due September 15, 2018, all cities, towns, townships, libraries, and special districts will use the Upload App to upload files containing financial and governmental unit information on Gateway to allow the State Board of Accounts (SBOA) to conduct audit planning and audit processes prior to on-site work at a unit. . . . (State Examiner Directive 2018-1)

CAPITAL ASSETS

Condition and Context

The Township had not adopted a capital asset policy during the engagement period. In addition, the Township had not conducted a physical inventory or kept record of its capital assets.

Criteria

Every unit must have a capital assets policy that details the threshold at which an item is considered a capital asset. Every unit must have a complete detail listing of all capital assets owned which reflects their acquisition value. Capital Asset Ledger (Form 369) has been prescribed for this purpose. A complete physical inventory must be taken at least every two years, unless more stringent requirements exist, to verify account balances carried in the accounting records. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 1)
