Board of Commissioners
Housing Authority of the City of Decatur
7315 Hanna Street
Fort Wayne, IN 46816

We have reviewed the audit report of the Housing Authority of the City of Decatur, which was opined upon by Velma Butler & Company, Ltd., Independent Public Accountants, for the period July 1, 2021 to June 30, 2022. Per the *Independent Auditor's Report*, the financial statements included in the report present fairly the financial condition of the Housing Authority of the City of Decatur, as of June 30, 2022, and the results of its operations for the period then ended, on the basis of accounting described in the report.

In our opinion, Velma Butler & Company, Ltd., prepared the audit report in accordance with the guidelines established by the Indiana State Board of Accounts.

The audit report is filed with this letter in our office as a matter of public record.

Opinion

We have audited the accompanying financial statements of the business-type activities of the Housing Authority of the City of Decatur, Indiana (Authority), which comprise the statement of net position as of June 30, 2022, and the related statement of revenue, expenses, and changes in net position, and cash flows for the year then ended, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

In our opinion, based on our audit, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of the Authority, as of June 30, 2022, and the respective changes in financial position and where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Authority and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period.

We are required to communicate those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 through 8 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's

responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose for forming an opinion on the financial statements that collectively comprise the Authority's basic financial statements. The accompanied financial data schedules and the other information are presented for purpose of additional analysis and are not a required part of the basic financial statements.

The accompanying supplementary information such as financial data schedules are the responsibility of management and was derived from the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information is fairly stated, in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 10, 2023 on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

Summarized Comparative Information

We previously audited the Authority's 2021 financial statements, and we expressed an unmodified opinion on those audited financial statements dated March 24, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021 is consistent, in all material respects, with the audited financial statements from which it has been derived.

MANAGEMENT'S DISCUSSION AND ANALYSIS

This section of the Housing Authority of the City of Decatur, Indiana (Authority) annual financial report presents management's discussion and analysis of the Authority's financial performance during the fiscal year that ended on June 30, 2022. The Management's discussion and analysis section includes information on the past, present and future events that have been enacted, adopted, agreed upon, and/or contracted by the Authority. The 2021 comparative information provided in the MD&A comes from the prior-year audit report, performed by VB&C.

We are pleased to submit the financial statements of the Authority for the year ended June 30, 2022. The accuracy of the data presented in the financial statements, as well as its completeness and fairness of presentation, is the responsibility of management. All necessary disclosures to enable the reader to gain an understanding of the Authority's financial affairs have been included in the footnotes accompanying the basic financial statements. The purpose of the financial statements is to provide complete and accurate financial information that complies with reporting requirements of the U.S. Department of Housing and Urban Development ("HUD") and the Governmental Accounting Standards Board. The Authority's financial statements are prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP") as applied to government units.

FINANCIAL HIGHLIGHTS

1. Assets were \$215,537 at June 30, 2022, an increase of \$33,276 from the June 30, 2021, balance of \$182,261. The significant increases occurred in cash.
1. Liabilities were \$26,972 at June 30, 2022, an increase of \$16,987 from the June 30, 2021, balance of \$9,985.
2. Net position was \$188,565 at June 30, 2022, with an increase of \$16,289 from prior year's balance of \$172,276.
3. Revenue was \$688,134 at June 30, 2022, an increase of \$4,510 from the June 30, 2021, balance of \$683,624. The increase was primarily due to additional HUD operating revenue.

4. Expenses were \$671,845 at June 30, 2022, a decrease of \$56,938 from the June 30, 2021, balance of \$614,907. The decrease was primarily due to an increase in HAP payments.

USING THIS REPORT

The financial statements are designed to provide readers with a broad overview of the Authority's finances in a manner similar to a private sector business.

The *Statement of Net Position* presents information on all of the Authority's assets and liabilities, with the difference between the two reported as net position. Over time, increases and decreases in net position may serve as a useful indicator of whether the financial position of the Authority is improving or deteriorating, or otherwise changing in a dramatic manner.

The *Statement of Revenues, Expenses, and Changes in Net Position* presents information detailing how the Authority's net position changed during the fiscal year. All changes in the net position are reported as soon as the underlying event given rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., depreciation).

The *Statement of Cash Flows* provides information about the Authority's cash receipts and cash payments during the reporting period. The statement reports cash receipts, cash payments, and net changes in cash resulting from operations, investing, and capital and related financing activities.

These financial statements report on the functions of the Authority that are principally supported by intergovernmental revenues. The Authority's function is to provide decent, safe, and sanitary housing to low-income and special needs populations, which is primarily funded with grant revenue received from the U.S. Department of Housing and Urban Development (HUD).

OVERVIEW OF THE FINANCIAL STATEMENTS

The Authority's basic financial statements are presented as a single enterprise fund whose operations include the housing choice voucher program.

Fund Financial Statements are groupings of accounts used to maintain control over resources segregated for specific activities or objectives. The Authority, like other state, local, or quasi-governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The Authority's funds only consisted of a *Proprietary Fund*.

The Authority's *Proprietary Fund* is comprised of its enterprise fund with "business-type" activities intended to recover all or a portion of their costs through fees and charges for services. Since the Authority maintains its activities in the enterprise funds, its Proprietary Fund financial statements provide information about the activities of the Authority as a whole.

Section 8 Housing Choice Vouchers - The Housing Choice Voucher is the federal government's programs for assisting low-income families, the elderly, and the disabled to afford decent, safe, and sanitary housing in the private market. The program is administered locally by public

housing authorities (PHAs). The PHAs receive funds from HUD to administer the programs. A housing subsidy is paid to the landlord directly by the PHA on behalf of the participating family. The family then pays the difference between the actual rent charged by the landlord and the amount subsidized by the program.

FINANCIAL ANALYSIS OF THE AUTHORITY

Budgetary Highlights

Management submits a proposed budget for revenues and expenses for the program based on functions, activities, or objectives for the following fiscal year. The budget is then given to the Board of Commissioners. The Commissioners approve and adopt the budget. Operating monies are determined by an estimate of housing assistance payments to landlords plus an administrative fee provided by HUD, as established by Congress. Most funding is dependent on the availability of federal funds.

MAJOR INITIATIVES

The Authority continues to seek opportunities to expand subsidized housing as funding is available and the projects are feasible.

The Authority's Strategic Goal includes the following:

1. Expanding the supply of affordable housing with our Instrumentality.
2. Improving the quality of existing affordable housing.
3. Promoting self-sufficiency through an increase of access to and/or creating programs.
4. Ensuring equal opportunity and affirmatively furthering fair housing.
5. Promote and support opportunities for homeownership.
6. Increase staff capacity and commit to further staff training.
7. To seek out potential sources of revenue in order to continue operations with less dependency on federal subsidy.

It will be the Authority's continued mission to promote affordable, safe, decent, sanitary housing in good repair, economic growth opportunity and a suitable living environment free from discrimination. The Authority will also seek to provide educational opportunities through collaborations and/or partnerships with other educational sources.

ECONOMIC FACTORS

The Authority is primarily dependent upon HUD for its funding of operations; therefore, operating revenues are affected more by the Federal budget than by local economic conditions.

CONTACTING THE AUTHORITY'S FINANCIAL MANAGEMENT

This Authority's financial report is designed to provide a general overview of the Authority's finances for all those with an interest and to demonstrate the Authority's accountability for the money it receives. Housing Authority of the City of Decatur is managed and operated by employee from Fort Wayne Housing Authority, questions concerning any of the information provided in this report or requests for additional financial information should be addressed to Carolyn Nichter, Finance Manager, Housing Authority of the City of Fort Wayne, 7315 Hanna St., Fort Wayne, IN 46869 or call (260) 267-9300.

NOTES TO THE FINANCIAL STATEMENTS

**HOUSING AUTHORITY OF THE CITY OF DECATUR
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2022**

Note 1 - Summary of Significant Accounting Policies

The financial statements of the Authority have been prepared in accordance with accounting principles generally accepted in the United States of America, as applicable to governmental units.

A. Organization and Program Description

The Housing Authority of the City of Decatur, Indiana (the Authority) was established by the City of Decatur pursuant to laws of the State of Indiana to transact business and to have powers as defined therein. The Authority was established to provide low income housing for qualified individuals in accordance with the rules and regulations prescribed by the Department of Housing and Urban Development (HUD) and other applicable Federal Agencies.

The United States Department of Housing and Urban Development (HUD) has direct responsibility for administering housing programs under the United States Housing Act of 1937, as amended. HUD is authorized to enter into contracts with local housing authorities and to provide funds to assist the Public Housing Authorities (PHAs) in financing the acquisition, construction, and/or leasing of housing units; to make housing assistance payments; and to make annual contributions (subsidies) to PHAs for the purpose of maintaining the low rent character of the local housing program.

The Authority is governed by a Board of Commissioners appointed by the office of the Mayor, and has governance responsibilities over all activities related to all housing activities within the City. The Board of Commissioners has decision making authority and the power to designate management. The Authority's Board elects its own chairperson and each member can only be removed for cause.

As required by accounting principles generally accepted in the United States of America, the accompanying financial statements present the various program activities of the Authority. The Authority's assets, liabilities and results of operations are segregated into grant programs as follows:

Section 8 Housing Choice Voucher Program - The Authority participates in the Housing Choice Voucher Program. This program is designed to provide privately owned, decent, safe and sanitary housing to low income families. The Authority provides assistance to low income persons seeking decent, safe and sanitary housing by subsidizing rents between such persons and owners of existing private housing. Under the program, the Authority enters into housing assistance payment contracts with eligible landlords. To fund the program, the Authority enters into annual contribution contracts with HUD for the receipt of rental subsidies. The Housing Choice Voucher program is reported as an enterprise fund.

HOUSING AUTHORITY OF THE CITY OF DECATUR
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2022

B. Reporting Entity

The reporting entity for the Authority includes its Enterprise Funds. The Authority is a separate governmental entity created for the purpose of providing rental assistance to low income and elderly persons. Most funding is provided by the United States Department of Housing and Urban Development (HUD). All funds and programs are included in these statements.

C. Measurement Focus, Basis of Accounting and Basis of Presentation

The accounts of the Authority are organized and operated on the basis of fund accounts. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance-related legal and contractual provisions. The minimum number of funds maintained is consistent with legal and managerial requirements.

Enterprise Funds - are accounted for on the flow of economic resources measurement focus and use the full accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred. All assets and liabilities associated with the operation of these funds are included on the balance sheet. All funds are reported as enterprise funds and are grouped as follows:

1. Section 8 Program consists of HUD payment of rents for tenants in privately owned housing and fees to the housing authority for operating the program. An individual fund is used for the Housing Choice Voucher Program.

Management's Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

Cash, Cash Equivalents and Restricted Cash - Cash and cash equivalents are defined as short-term, highly liquid investments that are both: readily convertible to known amounts of cash and so near their maturity that they present insignificant risk of changes in value because of changes in interest rates. This includes all demand deposits, saving accounts and certificates of deposits or short-term investments with a maturity date of three months or less. Restricted assets include cash legally restricted as to their use. The primary restricted cash is related to the housing choice voucher program for future tenants rent payments.

Receivables - Receivables consist of all revenues earned at year-end but not yet received. Allowances for uncollectible receivables are based on historical trends and periodic aging of receivables.

**HOUSING AUTHORITY OF THE CITY OF DECATUR
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2022**

Risk Management - The Authority is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employees health and life, and natural disasters. The Authority manages these various risks of loss with insurance coverage.

Management believes insurance coverage is sufficient to preclude any significant uninsured losses to the Authority. Settled claims have not exceeded this insurance coverage in any of the past three fiscal years.

Capital Assets - Capital Assets consist of assets purchased or acquired at a cost of \$5,000 or greater. All capital assets are stated at historical costs or estimated historical cost if actual cost is unavailable, except for donated capital assets which are recorded at their estimated fair value at the date of donation. Capital assets depreciated using straight-line method of depreciation over their estimated useful lives as follows:

Building	40 years
Building Improvements	7 - 40 years
Furniture, Fixtures, & Equipment	3 - 10 years

Compensated Absences - The Authority has no employees, and is managed by Fort Wayne Housing Authority. Thus there is not a documented policy regarding vacation and sick time.

Federal Awards - Federal grants for reimbursable programs are recognized as revenue in the year related program expenditures are incurred. Awards received prior to meeting revenue recognition criteria are recorded as deferred revenue. Operating grants are recorded as revenue in the year earned.

Operating Revenue & Expenses - Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the Authority are operating grants from HUD. Operating expenses include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

Subsidies received from HUD or other grantor agencies, for operating purposes, are recorded as operating revenue in the statement of revenues, expenses, and change in net position.

Fair Value - GASB Statement No. 72, Fair Value Measurement and Application, is effective for periods beginning after June 15, 2015 with earlier application encouraged. This Statement should improve financial reporting by clarifying the definition of fair value for financial reporting purposes. This Statement requires disclosures to be made about fair value measurements, the level of fair value hierarchy and valuation techniques. The disclosures should be organized by type asset or liability reported at fair value. The Authority's

implementation as a result of this pronouncement did not have a material impact on the financial statements.

Net Position - Net position is comprised of three categories: (1) net investment in capital assets, (2) restricted net position, and (3) unrestricted net position. Each component of net position is reported separately on the statement of net position. Net position includes the following:

(1) Investment in capital assets, net of related debt - The component of net position that reports the difference between capital assets less both the accumulated depreciation and the outstanding balance of debt, excluding unspent proceeds, that is directly attributable to the acquisition, construction or improvement of these capital assets.

(2) Restricted - the component of net position that reports the amount of revenue from a federal or state award for service programs in excess of expenditures. These funds are restricted for the use of the related federal or state program.

(3) Unrestricted - The difference between the assets and liabilities that is not reported in the net position invested in capital, net of related debt or net position restricted for federal and state programs.

It is the Authority's policy to first apply restricted resources when an expense is incurred for purposes for which both restricted and unrestricted net positions are available.

Concentration of Risk -During the year ended June 30, 2022, the Authority received approximately 99 percent of its funding from HUD.

Compliance - The Authority is subject to various federal, state and local laws and regulations and contractual regulations.

Note 2 - Budget Information

Enterprise Funds - The Authority prepares annual operating budgets for its enterprise funds receiving federal expenditure awards. The Fiscal Services Director prepares the operating budgets for the year for all program activities. Budgets are submitted by the Authority's Executive Director and approved by resolutions of the Board of Commissioners and/or HUD.

Note 3 - Cash and Cash Equivalents

Cash and cash equivalents totaled \$206,953 at June 30, 2022, and are maintained in commercial checking accounts and are readily available. Amounts up to \$250,000 are fully insured by the Federal Deposit Insurance Corporation (FDIC). Cash amounts in excess of the \$250,000, not insured by the FDIC, are required to be collateralized by United States government securities and held in the pledging financial institutions' trust departments in the Authority's name, as required by HUD regulations. All amounts were fully insured by the FDIC.

GOVERNMENTAL AUDITING STANDARDS REPORT

**Report on Internal Control Over Financial Reporting and on Compliance and
Other Matters Based on an Audit of Financial Statements Performed
In Accordance with Government Auditing Standards**

Board of Commissioners
Housing Authority of the City of Decatur
Fort Wayne, IN 46816

U.S. Department of Housing and Urban
Development, Indianapolis Office
Minton-Capehart Federal Building
575 North Pennsylvania, Room 655
Indianapolis, Indiana 46204

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the business-type activities of the Housing Authority of the City of Decatur, Indiana (Authority) as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements, and have issued our report thereon dated March 10, 2023.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

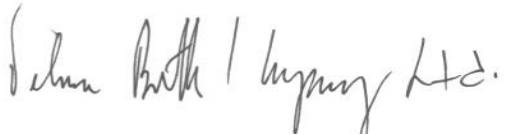

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weakness or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Applying Agreed-Upon Procedures

Board of Commissioners
Housing Authority of the City of Fort Wayne
Fort Wayne, IN 46816

U.S. Department of Housing and Urban
Development, Indianapolis Office
Minton-Capehart Federal Building
575 North Pennsylvania, Room 655
Indianapolis, Indiana 46204

We have performed the procedure described in the second paragraph of this report, which was agreed to by the Housing Authority of the City of Decatur, Indiana (Authority) and the U.S. Department of Housing and Urban Development, Real Estate Assessment Center (REAC), solely to assist them in determining whether the electronic submission of certain information agrees with related hard copy documents. The Authority is responsible for the accuracy and completeness of the electronic submission. This agreed-upon procedure engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of the procedure is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedure described below either for the purpose for which this report has been requested or for any other purpose.

We compared the electronic submission of the items listed in the "UFRS Rule Information" column with the corresponding printed document listed in the "Hard Copy Documents" column. The results of the performance of our agreed-upon procedure indicate agreement or non-agreement of electronically submitted information and hard copy documents as shown in the chart below.

We were engaged to perform an audit of the financial statements of the Authority as of and for the year ended June 30, 2022, and have issued our report thereon dated March 10, 2023. The information in the "Hard Copy Documents" column was included within the scope, or was a by-product, of that audit. Further, our opinion on the fair presentation of the Housing Authority's Financial Data Schedule (FDS) dated March 10, 2023, was expressed in relation to the basic financial statements of the Housing Authority taken as a whole.

A copy of the financial statement package and the FDS, which included the auditor's report, is available in its entirety from the Housing Authority. We have not performed any additional auditing procedures since the date of the aforementioned audit report. Further, we take no responsibility for the security of the information transmitted electronically to the U.S. Department of Housing and Urban Development, REAC.

This report is intended solely for the information and use of the Housing Authority and the U.S. Department of Housing and Urban Development, REAC, and is not intended to be and should not be used by anyone other than these specified parties.
