VENDOR DISBURSEMENTS – SALES TAX EXEMPTION

Sales tax can be avoided or reimbursed for purchases eligible under the state tax exemption guidelines. During our testing of vendor disbursements noted there were two (2) instances of the 25 disbursement selections where INCA paid sales tax and noted there were five (5) instances of the 25 disbursement selections where INCC paid sales tax.

Charter schools are eligible for an exemption from the state sales tax on purchases. To obtain the exemption for a Sales Tax Exemption Certificate, application shall be made to the Sales Tax Division of the Department of Revenue. This certificate must be presented at the time a purchase is made to avoid paying sales tax. (Accounting and Uniform Compliance Guidelines Manual for Indiana Charter Schools, Part 10).

**The Board of Directors
Indiana Online Learning Options, Inc.**

As part of the financial statement audit of Indiana Online Learning Options, Inc. ("IOL") as of and for the year ended June 30, 2022, CliftonLarsonAllen LLP tested IOL's compliance with provisions of the Accounting and Uniform Compliance Guidelines Manual for Indiana Charter Schools issued by the Indiana State Board of Accounts and related provisions of laws, regulations, and grant agreements, and has communicated Audit Results and Comments. Included herein is the Office Response to the Comment provided by CliftonLarsonAllen LLP in their report presented on March 30, 2023:

IOL Response to Comment on Sales Tax Exemption – The vendor disbursements selected for testing for INCA and INCC for sales tax exemption guidelines which included sales tax related to invoices that were not directly paid by the School. The selections primarily relate to invoices paid by Connections Academy of Indiana LLC on behalf of IOL as a pay agent and then submitted for reimbursement to IOL. As Connections Academy of Indiana LLC is not a tax-exempt entity and is acting as a pay agent for the School, the related sales tax cost is also invoiced to the School with the associated service and/or product by Connections Academy of Indiana LLC. The remaining selections related to disbursements for employee reimbursements, for which the employee reimbursement request included sales tax. As the employee is not tax exempt, sales tax was incurred on the employee's transaction and therefore sales tax was included in the reimbursement to the employee.

For invoices paid directly by the School, prior to invoice payment, IOL will continue to implement its review procedure to ensure sales tax is not remitted with invoice payment. Upon receipt of invoices from vendors, IOL will review invoices to verify sales tax has not been captured on the invoice prior to payment of the invoice and will provide Sales Tax Exemption certificate to vendors where sales tax has been captured on the invoice.

Sincerely,

Kelly Simone
