We have reviewed the audit report of Housing Authority of the City of Brazil, which was opined upon by Audit Solutions, LLC, Independent Public Accountants, for the period January 1, 2022 to December 31, 2022. Per the *Independent Auditor's Report*, the financial statements included in the report present fairly the financial condition of Housing Authority of the City of Brazil as of December 31, 2022, and the results of its operations for the period then ended, on the basis of accounting described in the report.

In our opinion, the audit report was prepared in accordance with the guidelines established by the Indiana State Board of Accounts.

The report is filed with this letter in our office as a matter of public record.

Report on the Audit of the Financial Statements

Opinions

I have audited the accompanying financial statements of the business-type activities of the Housing Authority of the City of Brazil (Authority), Indiana, as of and for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of the Authority, as of December 31, 2022, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of the Authority and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that I identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages i-vi be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. I have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to my inquiries, the basic financial statements, and other knowledge I obtained during my audit of the basic financial statements. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

My audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Authority's basic financial statements. The accompanying Financial Data Schedule and the PHA's Statement of Certification of Actual Modernization Cost are presented for purposes of additional analysis and are not a required part of the basic financial statements. The Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is also presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the accompanying Financial Data Schedule, PHA's Statement of Certification of Actual Modernization Cost and the Schedule of Expenditures of Federal Awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, I have also issued my report dated June 21, 2023, on my consideration of the Authority's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Authority's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)
December 31, 2022

As management of the Housing Authority of the City of Brazil, we offer the readers of the Authority's financial statements this narrative overview and analysis of the financial activities of the Authority for the year ended December 31, 2022. We encourage readers to consider the information presented here in conjunction with the Authority's financial statements.

Questions concerning any of the information provided in this report or requests for additional information should be addressed to: Executive Director, Housing Authority of the City of Brazil.

Overview of the Financial Statements

The financial statements included in this annual audit report are those of a special-purpose government engaged in a business-type activity. The following statements are included:

The Statement of Net Position

This statement reports all financial and capital resources for the Authority. The statement is presented in the format where assets minus liabilities, equals "Net Position", formerly known as Net Assets or Equity.

Statement of Revenue, Expenses, and Change in Net Position

This statement reports the Authority's operating and non-operating revenue, by major sources, along with operating and non-operating expenses and capital contributions.

Statement of Cash Flows

Presents information on the effects changes in assets and liabilities have on cash during the course of the Fiscal Year.

Notes to the Financial Statements

Provide additional information that is essential to a full understanding of the data provided in the Authority-wide financial statements.

Analysis of the Housing Authority

Our analysis of the Authority begins on the next page. The most important question asked about the Authorities finances is "Is the Authority as a whole better or worse off as a result of the year's activities?"

The attached analysis of entity wide net position, revenues, and expenses is provided to assist with answering the above question. This analysis includes all assets and liabilities using the accrual basis of accounting. Accrual accounting recognizes revenues and expenses when earned regardless of when cash is received or paid.

Our analysis also presents the Authority's net assets and changes in them. One can think of the Authority's net assets as the difference between what the Authority owns (assets) to what the Authority owes (liabilities). The change in net position analysis will assist the reader with measuring the health or financial position of the Authority. To fully assess the financial health of any Authority the reader must also consider other non-financial factors such as changes in family composition, fluctuations in the local economy, HUD mandated program administrative changes, and the physical condition of the Authorities capital assets.

To fully understand the financial statements of the Housing Authority, one must start with an understanding of what the Authority does. The following is a brief description of the programs and services that the Authority provides for the residents of the City of Brazil:

MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A) - (Continued)
December 31, 2022

Analysis of the Housing Authority – (Continued)

Low Income Public Housing (LIPH)

The Housing Authority has 288 units at 4 sites in its Public Housing inventory. The Authority is responsible for the management, maintenance, and utilities for all units. On an annual basis, the Authority submits a request for funding known as the Calculation of Operating Fund Subsidy.

The basic concept of the Calculation of Operating Subsidy is that the Authority has an allowable and an allowable utility expense level. HUD funds the difference between allowable costs as incurred for all leased units and the actual tenant revenue generated.

Section 8 Housing Choice Vouchers (HCV)

HUD has contracted with the Housing Authority to manage the Housing Choice Voucher Program. The Authority pays a Housing Assistance Payments to Landlords for Low Income tenants.

The Housing Assistance Payment matches the difference between the total rent that the Landlord can charge at or below a fair market rent amount supplied by HUD, and the amount that the tenant can pay. For each unit that the Authority administers, HUD pays the Authority an administrative fee. The Housing Authority is not responsible for the upkeep and maintenance of the units and properties associated with this program.

Capital Fund Program

These grant programs are awarded by HUD on an annual basis. The purpose of these grants is to improve the sites and units of the Authority requisitions funds from HUD as needed to meet funds the Authority expends funds.

State and Local Grants (Kruzan Street Rental Properties)

The Housing Authority was given two properties (516 and 522 W. Kruzan St., Brazil IN) by the City of Brazil in January 2011. The two homes were newly constructed under the Neighborhood Stabilization Program (NSP).

The Housing Authority assumed all rights and responsibilities of these properties and must ensure the units are rented to families that meet the income qualifications of NSP Round 1 (at or below fifty percent of the area median income). The authority also agrees to:

- (1) ensure units meet standards set forth in 24CFR 92.251;
- (2) ensure that families who rent the units meet the affordability requirements;
- (3) comply with NSP published rent limits; and
- (4) comply with annual reporting requirements.

Analysis of Entity Wide Net Assets (Statement of Net Assets)

Total Net Position for FY 2022 was \$4,192,851 and for FY 2021 the amount was \$3,839,921. This represents an overall increase of \$352,930, or 9%. Details are as follows:

Cash, including short term investments, increased by \$76,838 from FY 2021 to FY 2022 or 11%. The Authority had net operating income in the public housing program which increased the cash balance for the Authority.

Other Current Assets increased by \$27,412 from FY 2021 to FY 2022 or 67%. Net accounts receivable due from tenants increased because of continued collection issues due to the COVID-19 pandemic.

Capital Assets increased to \$4,807,487 in FY 2022 from \$4,607,046 in FY 2021, or by \$200,441, or 4%. The change in Capital Assets will be presented in the section of this analysis entitled Analysis of Capital Assets.

December 31, 2022

Analysis of Entity Wide Revenues (Statement of Activities) – (Continued)

The diagram below illustrates the percentage of revenues generated by the programs as presented on the previous page for Fiscal Year Ending December 31, 2022:

Total revenues for FY 2022 were \$3,111,270 as compared to 2,461,331 of total revenues for FY 2021. Comparatively, revenues increased by \$649,939 or 26.4% from FY 2021. Capital revenue increased as compared to FY 2021 due to an increase in capital expenditures as compared to the prior fiscal year. Capital funding is utilized as funds are available and based on the progress of capital improvement projects. Operating funding also increased as compared to the prior year.

Total Tenant Revenue	\$ 966,021	\$ 858,060	\$ 107,961	12.58%
HUD Grants	2,113,975	1,540,571	573,404	37.22%

MANAGEMENT’S DISCUSSION AND ANALYSIS (MD&A) - (Continued)
December 31, 2022

Analysis of Entity Wide Expenses – (Continued)

Maintenance Expenses increased by \$37,888, or 6.44%. Maintenance expenses increased primarily in contracts costs. Maintenance expenses are predominantly related to the maintaining of Authority owned properties.

Protective Services Expenses increased by \$1,560 or 4.53%. Patrol services expenses increased from the prior fiscal year.

General Expenses, including insurance decreased by \$25,141, or 9.18%. General expenses decreased because of a decrease in bad debt expenses for tenant receivables.

Casualty losses decreased by \$23,693. The Authority completed paying for repairs to fire damaged units during the current fiscal year. The expenses were offset by insurance proceeds received.

NOTES TO THE BASIC FINANCIAL STATEMENTS
December 31, 2022

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Housing Authority of the City of Brazil (Authority) is a public body and a body corporate and politic organized under the laws of the State of Indiana that is legally separate, fiscally independent and governed by a Board of Commissioners. The Authority was established to provide Low-Rent housing for qualified individuals in accordance with the rules and regulations prescribed by the Department of Housing and Urban Development (HUD) and other applicable federal agencies. Additionally, HUD has entered into the Annual Contributions Contract with the Authority for the purpose of administering housing and housing relating programs described herein. The Authority is not subject to Federal or State income taxes and is not required to file Federal or State income tax returns.

The financial statements of the Authority have been prepared in conformity with Generally Accepted Accounting Principles (GAAP). GAAP includes all relevant Governmental Accounting Standards Board (GASB) pronouncements. The accounting and reporting framework and the more significant accounting policies are discussed in subsequent subsections of this Note.

1A. Financial Reporting Entity

The Authority's financial reporting entity comprises the following:

Primary Government: Housing Authority

In determining the financial reporting entity, the Authority complies with the provisions of GASB Statement No. 14 as amended by GASB No. 39 and No. 61, "The Financial Reporting Entity," and includes all component units of which the Authority appointed a voting majority of the units' board; the Authority is either able to impose its will on the unit or a financial benefit or burden relationship exists. On the basis of the application of these criteria, there are no component units which are required to be included in the Authority's financial statements.

1B. Basis of Presentation

The accounts of the reporting entity are organized into funds, each of which is considered to be separate accounting entities. The operations of each fund are reported as a separate set of self-balancing accounts that are comprised of each fund's assets, liabilities, fund equity, revenues, and expenditure/expenses. Funds consist of three major categories: governmental, proprietary and fiduciary. Funds within each major category are grouped by fund type in the combined financial statements. The Authority uses the following fund:

Proprietary Fund Types - This fund is used to account for the Authority's ongoing activities that are similar to those often found in the private sector. The accounting objectives are a determination of net income, financial position and changes in cash flow. All assets and liabilities associated with a proprietary fund's activities are included on its statement of net position. Proprietary fund equity is segregated into net investment in capital assets and restricted and unrestricted net position. The following are the Authority's proprietary fund types:

Enterprise Fund - Enterprise funds are used to account for business-like activities provided to the general public. These activities are financed primarily by user charges and the measurement of financial activity focuses on net income measurement similar to the private sector. The reporting entity includes all of the Authority's programs as an enterprise fund.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

1B. Basis of Presentation - (Continued)

The Authority operates the following programs in the enterprise fund:

Public and Indian Housing - The objective of the program is to provide decent, safe and sanitary housing and related facilities for eligible low-income individuals.

Public Housing Capital Fund - The purpose of this program is to provide funds annually to housing authorities for the modernization of the housing development and for management improvements.

Section 8 Housing Choice Vouchers - The objective of the program is to help low-income families obtain decent, safe, and sanitary housing through a system of rental assistance. HUD reimburses HAP funds to the amount needed by the Authority for the rental supplements paid to private landlords and the administrative costs of managing the program.

State & Local – The Authority manages two properties received from the City of Brazil in January 2011. The two homes were constructed under the Neighborhood Stabilization Program (NSP). The Authority assumed all rights and responsibilities of these properties and must ensure the units are rented to families that meet the income qualifications of NSP round 1 (at or below 50% of area median income).

1C. Measurement Focus and Basis of Accounting

Measurement focus is a term used to describe “which” transactions are recorded within the various financial statements. Basis of accounting refers to “when” transactions are recorded regardless of the measurement focus applied.

Measurement Focus - The proprietary fund utilizes an “economic resources” measurement focus. The accounting objectives of this measurement focus are the determination of operating income, changes in net position (or cost recovery), financial position, and cash flows. All assets and liabilities (whether current or non-current) associated with their activities are reported. Proprietary fund equity is classified as net position.

Basis of Accounting - In the financial statements, the proprietary fund utilizes the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred, or economic asset used.

1D. Budgets

Budgets are prepared for regulatory purposes in accordance with the Authority’s contract with HUD on an annual basis for all operating programs and on a project length basis for capital projects funds which are approved by the Board of Commissioners and submitted to HUD for their approval, if required.

1E. Estimates and assumptions

The preparation of financial statements in conformity with Generally Accepted Accounting Principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could vary from those estimates.

1F. Assets, Liabilities and Equity

Cash and Investments

For the purpose of the Statement of Net Position, “cash and cash equivalents” includes all demand, savings accounts, and certificates of deposits or short-term investments with an original maturity of three months or less. For the purpose of the Statement of Cash Flows, “cash and cash equivalents” include all demand and savings accounts, and certificates of deposit or short-term investments with an original maturity of three months or less.

Investments are carried at fair value except for short-term U.S. Treasury obligations, if any, with a remaining maturity at the time of purchase of one year or less. Those investments, if any, are reported at amortized cost. Fair value is based on quoted market price. Additional cash and investment disclosures are presented in Notes 2B and 3A.

Inter-fund Receivables and Payables

During the course of operations, numerous transactions occur within individual funds that may result in amounts owed between funds. Inter-fund receivables and payables between funds are eliminated for financial statement presentation.

Receivables

Receivables consist of all revenues earned at year-end and not yet received. Allowances for uncollectible accounts receivable are based upon historical trends and the periodic aging of accounts receivable. Major receivable balances consist of tenant accounts, fraud recovery and miscellaneous receivables.

Inventories

Inventories are valued at lower of cost or market on an average cost basis. Inventories consist primarily of maintenance materials and supplies held for consumption. The consumption method is used to account for inventories. Under the consumption method, inventories are recorded as assets when purchased and expenses when used.

Fixed Assets

Fixed assets in the proprietary fund types are stated at historical cost, or estimated historical cost if actual is unavailable, except for donated fixed assets which are recorded at their estimated fair value at the date of donation. It is the policy of the Authority to capitalize all assets with a cost of \$500 or greater. The cost of maintenance and repairs are charged to operations as incurred. Costs of major additions, improvements, and betterments are capitalized.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

1F. Assets, Liabilities and Equity - (Continued)

Fixed Assets - (Continued)

Depreciation of all exhaustible fixed assets is charged as an expense against operations and is recorded in the Statement of Revenues, Expenses and Changes in Net Position with accumulated depreciation reflected in the Statement of Net Position. Depreciation is provided over the assets estimated useful lives using the straight-line method of depreciation. The range of estimated useful lives by type of asset is as follows:

Building	15-40 years
Furniture, equipment and machinery - dwelling	10 years
Furniture, equipment and machinery - administrative	5-10 years

Restricted Assets

Restricted assets include cash of the proprietary fund that are legally restricted as to their use. The primary restricted asset is related to the security deposit fund under the Public and Indian Housing and State & Local program and HAP under HCV program respectively.

Compensated Absences

The Authority's policies regarding vacation time do not permit employees to carry forward unused vacation leave. As such, no liability is recorded at year end.

Equity Classifications

Equity is classified as net position and displayed in three components:

- 1) Net investment in capital assets - Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowing that are attributable to the acquisition, construction, or improvement of those assets.
- 2) Restricted net position - Consists of net position with constraints placed on the use either by (i) external groups such as creditors, grantors, contributors, or laws or regulations of other governments; (ii) law through constitutional provisions or enabling legislation. The statement of net position of the Authority reports \$12,669 of restricted net position which consists of HAP reserves under Section 8 Housing Choice Vouchers program.
- 3) Unrestricted net position - All other net position that do not meet the definition of "restricted" or "net investment in capital assets."

Use of Restricted/Unrestricted Net Position

When an expense is incurred for purposes for which both restricted and unrestricted net position are available, the Authority's policy is to apply restricted assets first.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

1G. Revenues, Expenditures, and Expenses

Operating Revenues and Expenses

Operating revenues and expenses are those that result from providing services and delivering goods and/or services. It also includes all revenue and expenses not related to capital and related financing, non-capital financing, or investing activities.

Inter-fund Transfers

Permanent reallocation of resources between programs of the reporting entity is classified as inter-fund transfers. For the purposes of the Statement of Revenues, Expenses and Change in Net Position, all inter-fund transfers between individual programs, if any, have been eliminated.

NOTE 2 – STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

The Authority and its component units, if any, are subject to various federal, state, and local laws and contractual regulations. An analysis of the Authority's compliance with significant laws and regulations and demonstration of its stewardship over Authority resources follows.

2A. Program Accounting Requirements

The Authority's complies with all state and local laws and regulations requiring the use of separate programs. The programs used by the Authority are as follows:

<u>Program</u>	<u>Required By</u>
Public and Indian Housing	U.S. Department of Housing and Urban Development
Public Housing Capital Fund	U.S. Department of Housing and Urban Development
Section 8 Housing Choice Vouchers	U.S. Department of Housing and Urban Development
State & Local	Housing Authority

2B. Deposits and Investments Laws and Regulations

It is the Authority's policy for deposits to be secured by collateral valued at market or par, whichever is lower, less the amount of the Federal Deposit Insurance Corporation (FDIC) insurance. As reflected in Note 3A, all deposits were fully insured or collateralized.

Investing is performed in accordance with HUD regulations and State Statutes. Funds may be invested in the following type of investments:

- Direct obligations of the U.S. Government pledged by its full faith and credit.
- Demand, savings, money-market and certificates of deposit at commercial banks, mutual savings banks, savings and loan associations and credit unions provided that the entire deposit be insured by the FDIC and any deposits in excess of insured amounts are adequately collateralized.

2C. Revenue Restrictions

The Authority has various restrictions placed over certain revenue sources. The primary restricted revenue sources include:

<u>Revenue Source</u>	<u>Legal Restrictions of Use</u>
Public Housing Capital Fund	Modernization
Section 8 Housing Choice Vouchers	Housing assistance payment

For the year ended December 31, 2022, the Authority complied, in all material respects, with these revenue restrictions.

NOTE 3 – DETAIL NOTES ON TRANSACTION CLASSES/ACCOUNTS

The following notes present detailed information to support the amounts reported in the basic financial statements for its various assets, liabilities, equity, revenues, and expenditures/expenses.

3A. Cash and Investments

As of December 31, 2022, the Authority had the following cash deposits:

Cash deposits	\$ 411,249
Petty cash	200
Certificate of deposit	<u>365,983</u>
Total	<u>\$ 777,432</u>

Following is a reconciliation of the Authority's deposit balances as of December 31, 2022:

Restricted assets	61,619
Investments	<u>365,983</u>
Total	<u>\$ 777,432</u>

Deposits

Custodial Credit Risk - Deposits

The custodial credit risk for *deposits* is the risk that, in the event of the failure of a depository financial institution, the Authority will not be able to recover deposits or will not be able to recover collateral securities that are in the possession of an outside party. At December 31, 2022, the Authority's bank balances of \$452,713 were entirely covered by FDIC insurance and by the Public Deposit Insurance Fund (PDIF) which was created in 1937 to protect the public funds of the state and its political subdivisions deposited in approved financial institutions in the state of Indiana. The PDIF insures those public funds deposited in approved financial institutions which exceed the limits of coverage provided by federal deposit insurance. The fund is administered by the Indiana Board for Depositories.

Custodial Credit Risk - Investments

The custodial credit risk for *investments* is the risk that, in the event of the failure of the counterparty, the Authority will not be able to recover the value of its investment or collateral securities that are in the possession of an outside party. At December 31, 2022, the Authority’s investment balance of \$365,983 was entirely covered by FDIC and PDIF insurance.

Interest Rate Risk

The Authority does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit Risk

State law limits investment in commercial paper, corporate bonds, and mutual bond funds to the top two ratings issued by nationally recognized statistical rating organization. As the Authority’s investments consist entirely of certificate of deposits, credit risk is not applicable to the Housing Authority.

Concentration of Credit Risk

The Authority places no limit on the amount the Authority may invest in any one issuer. At December 31, 2022, the concentration of the Authority’s investment (excluding cash deposits) was as follows:

<u>Type of Investment</u>	<u>Market Value</u>	<u>Maturity Date</u>
Certificate of Deposit	\$ 182,471	2/5/2023

3H. Non-Current Liabilities – (Continued)

The Authority has entered into an agreement to lease equipment (copier and postage meter). The lease qualifies as other than short-term leases under GASB 87 ‘Leases’ and therefore have been recorded at the present value of future minimum lease payments as of the date of their inception.

The agreement for the copier was executed on March 27, 2019, and required 60 monthly payments of \$226.49 and the agreement for the postage meter was executed on January 6, 2020, and required 63 monthly payments of \$45. The lease liability for both leases is measured at a discount rate of 7.2% which is the stated rate in the lease agreement. As a result of the lease, the Authority has recorded a right to use asset with a book value of \$3,967 at December 31, 2022. The right to use asset is discussed in more detail in Note 3F.

The minimum lease obligation and the net present value of these minimum payments as of December 31, 2022 are as follows:

NOTE 4 – OTHER NOTES

4A. Employee Pension Plan

The Authority provides pension benefits for all of its full-time employees through a defined contribution plan (401a) with Billings & Company. The Plan administrator has complete control of the administration of the plan, including complete discretions to interpret or construe the provisions of the Plan and under which contributions are established or may be amended.

In a defined contribution plan, benefits depend solely on amounts contributed to the plan plus investment earnings. The plan requires the Authority to contribute 7.5% and employees 5.5% of covered wages. Benefits are fully vested at the end of 5 years of service.

The following information related to the defined contribution plan at December 31, 2022:

Total payroll	\$	460,744
Total payroll for eligible participants	\$	391,788
Employer contributions made	\$	29,384

4B. Risk Management

The Authority is exposed to various risks of losses related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employee's health and life; and natural disasters. Claims liabilities are reported when it is probable that a loss has occurred, and the amount of that loss can be reasonably estimated. The Authority manages these various risks of loss as follows:

<u>Type of Loss</u>	<u>Method Managed</u>
a. Torts, errors and omissions	Purchased insurance with Housing Authority Property Insurance, A Mutual Co.
b. Injuries to employees (workers' compensation)	Purchased insurance with Eastern Alliance Insurance Group. Claims are administered by the same company.
c. Physical property loss and natural disasters	Purchased commercial insurance with \$10,000 deductible.

Management believes such coverage is sufficient to preclude any significant uninsured losses to the Authority. Settled claims have not exceeded this insurance coverage in any of the past three fiscal years.

4C. Contingencies

The Authority is subject to possible examinations made by Federal and State authorities who determine compliance with terms, conditions, laws and regulations governing other grants given to the Authority in the current and prior years. No significant violations of finance-related legal or contractual provisions occurred.

4E. Financial Data Schedule

The Authority prepares its Financial Data Schedule (FDS) in accordance with HUD requirements in a prescribed format which differs from the presentation of the basic financial statements. The FDS format excludes casualty losses, depreciation and HAP expense and includes investment income, interest expense and capital contributions in operating activities, which differs from the presentation of basic financial statements.

4F. Subsequent Events

Events that occur after the balance sheet date but before the financial statements were issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the balance sheet date are recognized in the accompanying financial statements. Subsequent events, which provide evidence about conditions that existed after the balance sheet date, require disclosure in the accompanying notes. Management evaluated the activity of the Authority through June 21, 2023, and concluded that no subsequent events have occurred that would require adjustment to or disclosures within these financial statements.

4G. Economic Dependency

The Authority is primarily dependent upon HUD for the funding of operations; therefore, the Authority is affected more by the federal budget than by local economic conditions. The funding of programs could be significantly affected by the 2023 federal budget.

NOTE 1 – BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (Schedule) includes the federal grant activity of the Housing Authority of the City of Brazil, Indiana (Authority) under programs of the federal government for the year ended December 31, 2022. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Authority, it is not intended to and does not present the financial position, changes in net position, or cash flows of the Authority.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Authority has elected not to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Commissioners
Housing Authority of the City of Brazil
Brazil, Indiana

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of the Housing Authority of the City of Brazil (Authority), Indiana, as of and for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements, and have issued my report thereon dated June 21, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing my audit of the financial statements, I considered the Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, I do not express an opinion on the effectiveness of the Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instance of noncompliance or other matters that is required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Commissioners
Housing Authority of the City of Brazil
Brazil, Indiana

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

I have audited Housing Authority of the City of Brazil (Authority), Indiana's compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Authority's major federal programs for the year ended December 31, 2022. The Authority's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In my opinion, the Authority complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2022.

Basis for Opinion on Each Major Federal Program

I conducted my audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). My responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of my report.

I am required to be independent of the Authority and to meet my other ethical responsibilities, in accordance with relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion on compliance for each major federal program. My audit does not provide a legal determination of the Authority's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Authority's federal programs.

Auditor's Responsibilities for the Audit of Compliance

My objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Authority's compliance based on my audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Authority's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Authority's compliance with the compliance requirements referred to above and performing such other procedures as I considered necessary in the circumstances.
- Obtain an understanding of the Authority's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control over compliance. Accordingly, no such opinion is expressed.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that I identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

My consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during my audit I did not identify any deficiencies in internal control over compliance that I consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

My audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITORS REPORT ON APPLYING AGREED-UPON PROCEDURES

Board of Commissioners
Housing Authority of the City of Brazil
Brazil, Indiana

I have performed the procedure described in the second paragraph of this report, which was agreed to by the Housing Authority of the City of Brazil and the U.S. Department of Housing and Urban Development, Public Indian Housing - Real Estate Assessment Center (PIH-REAC), solely to assist them in determining whether the electronic submission of certain information agrees with the related hard copy documents included within the OMB Uniform Guidance reporting package. The Authority is responsible for the accuracy and completeness of the electronic submission. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in the Government Auditing Standards issued by the Comptroller General of the United States. The sufficiency of the procedure is solely the responsibility of those parties specified in this report. Consequently, I make no representation regarding the sufficiency of the procedure described below either for the purpose for which this report has been requested or for any other purpose.

I compared the electronic submission of the items listed in the "UFRS Rule Information" column with the corresponding printed documents listed in the "Hard Copy Documents" column. The results of the performance of my agreed-upon procedure indicate agreement or non-agreement of the electronically submitted information and hard copy documents as shown in the chart below.

I was engaged to perform an audit in accordance with the audit requirements of Title 2 U.S. Code of the Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), by the Authority as of and for the year ended December 31, 2022 and have issued my report thereon dated June 21, 2023. The information in the "Hard Copy Documents" column was included within the scope or was a by-product of that audit. Further, my opinion on the fair presentation of the Financial Data Schedule (FDS) dated June 21, 2023, was expressed in relation to the basic financial statements of the Authority taken as a whole.

A copy of the reporting package required by Uniform Guidance, which includes the auditor's reports, is available in its entirety from the Authority. I have not performed any additional procedures since the date of the aforementioned audit reports. Further, I take no responsibility for the security of the information transmitted electronically to the U.S. Department of Housing and Urban Development, PIH-REAC.

This report is intended solely for the information and use of the Authority and the U.S. Department of Housing and Urban Development, PIH-REAC, and is not intended to be and should not be used by anyone other than these specified parties.
