STATE OF INDIANA
IN AN EQUAL OPPORTUNITY EMPLOYER

AMENDED STATE EXAMINER DIRECTIVE 2018-1

Date: November 9, 2020
Subject: Monthly and Annual Engagement Uploads
Authority: IC 5-11-1-2, -4, -9, -10, -21, -24
Application: This Directive applies to all governmental units
From: Paul D. Joyce, CPA, State Examiner

The purpose of this Directive is to provide guidelines for the use of the Indiana Gateway for Government Unis, application entitled “Monthly and Annual Engagement Uploads” (Engagement Uploads). The Engagement Uploads provide a more efficient and cost-effective audit process for governmental units.

This amended directive is effective starting with December 2020 monthly files. The upload of December 2020 monthly files will be due February 15, 2021, and the 10th of each month thereafter unless the State Board of Accounts determines otherwise. The upload of annual files will be due March 1, 2021, for calendar year end units. For schools and extra-curricular accounts, this is effective for year ending June 30, 2021, which will be due August 23, 2021. These annual files must be uploaded no later than March 1st August 23rd for schools and extra-curricular accounts for the prior year and unless the SBOA establishes a different date.

All counties, cities, towns, townships, libraries, schools and special districts will use the Engagement Uploads to upload files containing financial and governmental information on Gateway to allow the SBOA to conduct audit planning and audit processes prior to site work at a unit. This remote process will provide for more efficient data processing and save audit costs for our clients.

A user guide for the Engagement Uploads is available and located at https://www.in.gov/bloomington/10919.htm. It is the responsibility of the user to ensure that the user guide is used in its entirety and in its entirety. Any information in this document is subject to change without notice. This manual contains important information for all users.

Bank Reconciliation

A bank reconciliation is a document that shows you balanced the bank statement balance to your ledger balance.

Bank Balance $________

Plus Deposits in Transit

Minus Outstanding Checks

Plus/Minus other reconciling items

Ledger Balance $________

You should upload a bank reconciliation for each bank account.

You can upload multiple documents.
A bank statement is the document you receive from your bank each month showing the beginning balance, each deposit, each check cleared, other activity, and ending balance.

You should include all pages, included pages that show copies of cancelled checks.

You should upload this for each bank account.

You can upload multiple documents.

The outstanding check list is the list of checks that have been written but have not yet cleared the bank account.

- Check Number
- Check Amount
- Total

You should upload this for each bank account.

The total should agree with the amount on the bank reconciliation. You can upload multiple documents.
Approved board minutes are required for all boards or commissions if they could have a financial impact.

If the minutes are online, you can provide the link instead of uploading the minutes.

If the board does not meet each month, only upload the minutes for the months that they do meet.

Upload the minutes to the month that the meeting took place, not the month they were approved.

FAQs – Board Minutes

Should the board minutes that are uploaded be approved board minutes?
   Yes. Since you have two months to upload the board minutes, you should be able to upload the approved minutes if you meet monthly.

If the board does not meet monthly and the board minutes will not be approved by the due date, should I upload the minutes that haven’t been signed by the Board President and Secretary?
   Yes, you can upload minutes that have not been signed. But once you have the signed version, you should upload the signed minutes.

The April board minutes were approved at the June board meeting. Under which month should they be uploaded?
   The board minutes should be uploaded under the month the meeting took place, not when they were approved. So they would be uploaded with the April monthly uploads.

If our board has a special meeting or an executive meeting, other than their normal monthly meetings, do I upload the board minutes?
   No, it is not necessary to upload executive or special meeting minutes.
The Funds Ledger is a report that shows the summary of the:

- beginning balance,
- total receipts,
- total disbursements and
- ending balance of each fund for the month.

If you have a computer system and are not sure what report has this information, check with your software vendor for assistance.

OPEB

Guidance Issued – November 23, 2020

Effective 07/01/2020, political subdivision retiree benefits and expenditures (collectively known as Other Post-Employment Benefits or OPEB) are to be reported in a manner prescribed by the State Board of Accounts (IC 36-1-8-17.5).

After much discussion, the State Board of Accounts (SBOA) has decided to retire the OPEB report formerly prescribed by the Department of Local Government Finance.

Instead SBOA will consider the information a unit reports through their annual financial report (AFR) as fulfilling IC 36-1-18-1 7.5, and units will not have to provide the State with a separate OPEB report. As such, a unit who timely files their AFR will be considered in compliance with the OPEB statutory reporting deadline.

End of Year Duties – Part 3

• Appropriation Transfers
• Encumbrances
• Dormant Fund Balances
• Internal Control Considerations
Appropriation Transfers

Indiana Code 6-1.1-18-6: Transfers of appropriations

Transfers from one major budget classification to another within a department or office if:

- It is determined that the transfer is necessary;
- The transfer does not require the expenditure of more money than the total amount set out in the budget;
- The transfer is made at a regular public meeting and by resolution.
- Such a transfer can be made without notice and without approval of DLGF.

Encumbrances

Encumbered Appropriations:

Those items under purchase order or contract are to be added for each appropriation account and the total carried to the new 2021 corresponding account.

The actual unpaid amount of the purchase orders or contracts should be totaled and shown as a separate amount on the appropriation ledger for 2021 (with proper explanation) and added to the 2021 appropriation for the same purpose.
Encumbrances

Encumbered Appropriations

By carrying out this procedure, the 2021 budget will not be expected to stand any expense not anticipated in making the budget.

We recommend:
- *The district board make a listing of these encumbered items*
- *make it a part of their minutes in their last business meeting of the year*

Encumbrances

The appropriations encumbered and carried forward can be used for *no other purpose* other than the purchase order or contract for which they were appropriated.
Dormant Fund Balances

- IC 36-1-8-5
- Purpose of tax levy has been fulfilled with balance remaining
- Transfer must be authorized by district Board
- May transfer to Operating Fund or Rainy Day Fund

Internal Controls - Year End Considerations

- Review and Document Procedures
- Review for evidence of procedures being performed as intended
- Evaluate effectiveness
- Change accordingly
QUESTIONS RECEIVED FROM YOU
(ANSWERED IN OUR PRESENTATIONS)

- Can you explain the range in cost of the reviews/audits for SWCDS? Comparatively some are cheap and others seem high.

- How are audit fees calculated? Are the fees increasing?

- What types of documents are required for the monthly gateway uploads? Are Reconciliation Detail from Quickbooks appropriate for the bank reconciliation uploads? Are profit and loss statements the correct uploads for the Funds Ledger?

- On Gateway, there is a new Annual Upload named “Annual Payroll History Report – without SSN#”. What is expected in this report?

- This is regarding the Continuity of Essential Operations memo dated April 3, 2020. Will a continuity plan be part of our SBOA audit in future years?

- At the beginning of covid, meetings may or may not have been held and it was okay to update Gateway after the deadline (if I remember right). Now that the majority of our meetings are virtual, I guess I’m to assume that I will need to go to the supervisors and get signatures of the supervisors who attended the virtual meeting to sign off on minutes, treasurer’s report, and bank statements in a timely manner. Or will we be allowed to electronically sign their names since the minutes will show they were at the meeting?
How do we go about paying the board members per diem for meeting/trainings?

IC 14-32-4-17

(a) A supervisor may be paid a salary per diem for any part of a day that the supervisor is engaged in the official business of the district in any amount not to exceed the salary per diem that may be paid by the state under IC 4-10-11-2.1 ($35 per day)

(b) A supervisor may also receive for travel, lodging, meals, and other expenses any amount not to exceed the amount a county employee of the county in which the supervisor resides is entitled to receive under the policies and procedures established by the county.

(c) All amounts under this section shall be fixed by the supervisors of each district and paid from money of the district.

Contact the IRS: Daniel.e.wiseman@irs.gov

Who needs to fill out a Conflict of Interest form and how frequently?

• Scenario 1: SWCD has a CWI grant and the SWCD awards funds to recipients. If a SWCD board member also participates in the program and receives funds, should they fill out the form?

• Scenario 2: SWCD Board member is a local contractor who does work for recipients of programs receiving federal funding. The SWCD Board sees who is participating in the programs and sometimes has access to program participant info during the executive session. Should the board member fill out the form?

• IC 35-44.1-1-4 – Always consult the district attorney

QUESTIONS RECEIVED FROM YOU

Due to all the work done this year we are able to pay a “bonus payment” to our employees. What is the best way to handle this?

SBOA Audit Position based on IC 14-32-4-18:

SWCD employee compensation and benefits are subject to the county salary ordinance and benefits policies – unless that employee is in a position which is entirely funded from non-county sources. If this employee is compensated through the county for a certain position, we are not aware of any statutory authority to pay additional compensation for that position, unless approved through the county.

We recommend that you discuss this matter with the district attorney and county attorney for guidance.
