TIPS

• During the year track restricted grants, gifts, donations etc…

• Keep internal control documentation and supporting documentation together.

• Respond quickly to inquiries – smaller audit bill.

• Establish an ‘auditor’ file:
  – Could include: regulatory agency correspondence, contracts, lawsuits, reconciliations…
ASK US QUESTIONS!

• HB 1031 – repeat comments have consequences.
  - Make sure to get an idea on how to fix problems before the examiner leaves.
    • If not, contact us at schools.townships@sboa.in.gov

• Implement fixes immediately!
  - 4 year audit cycles – a comment could only pertain to one year, overshadows compliant years.
WHAT NOT TO DO

• Panic!

• Try to hide things – we are here to help!
  – The auditor should be viewed as a resource, not an adversary.

• Be afraid to ask questions.

• Try not to look at an audit as something to complicate your life!
  – An audit is an irreplaceable tool to ensure your finances are in order.
