LIBERTARIAN PARTY VACANCIES

- Nominate local candidates (except judge) at county convention
  - Must hold convention by noon 6/30/2016 and certify candidates by noon 7/5/2016 (CAN-22+CAN-12)

Vacancies in local office are filled by Libertarian State Party

- State Party must file “notice” (no state form) with clerk noon 10 days before filling vacancy, must fill vacancy by 6/30/2016, and must certify (Can-22+CAN-12) vacancy candidate by noon 7/5/2016.

Sore Loser Law

- **General Rule:** Candidate defeated in primary (or Libertarian Party Convention) is not eligible to become a candidate for the same office in 2016
  - District office is the same as at-large (a candidate losing in county council district 1 is not eligible to run for county council at-large and vice-versa)
  - Exception: A party may fill a ballot vacancy for same office with its own “sore loser”

Clerk would not reject sore loser filing. Issue may be raised in a candidate challenge

As Circuit Court Clerk of Jasper County I hereby certify, pursuant to IC 3-8-6-12(d), that Kevin Hart, independent candidate for the office of county commissioner district 1, received 136 certified voter registration signatures which is a sufficient number of signatures to run for that office in the November 8, 2016 general election.

IC 3-8-5-12(d)
Independent Candidates or Minor Party Candidates

• Denial of Certification template:

As Circuit Court Clerk of Johnson County I hereby deny certification of the petitions filed by independent candidate Al Yankovic for the office of county council at-large pursuant to IC 3-8-6-12(d) for the reason that the candidate submitted 342 certified signatures of registered voters, being less than the amount required by IC 3-8-6-3 of 465, so the petitions are not sufficient to place the candidate on the ballot for the office of county council at-large in the November 8, 2016 general election.
