- Martin University – Department of Teacher Education

The Indiana Department of Education (IDOE) congratulates the faculty, staff, and administration at Martin University for their hard work and dedication to supporting our future educators.

**Action Needed from the State Board of Education (SBOE):** As provided in 511 Indiana Administrative Code (IAC) 13-1-1, IDOE requests that SBOE recognize the decision of CAEP and approve continued state accreditation for Martin University. The next accreditation visit is scheduled for spring of 2029. Approval status is subject to the results of the ongoing science of reading review process (i.e., Indiana Code [IC] 20-28-3-3.1). Programs not meeting guidelines identified in this legislation will have their accreditation status revoked.
