Subject: Extending State Accreditation – Ball State University

During its October 2025 meeting, the Council for the Accreditation of Educator Preparation (CAEP) granted the following program continued accreditation at the initial-licensure level and the advanced level:

- **Ball State University – Teachers College**

The Indiana Department of Education (IDOE) congratulates the faculty, staff, and administration at Ball State University for their hard work and dedication to supporting our future educators.

Action Needed from the State Board of Education (SBOE): As provided in 511 Indiana Administrative Code (IAC) 13-1-1, IDOE recommends that the SBOE recognize the decision of CAEP and approve continued state accreditation for Ball State University Teachers College. The next accreditation visit is scheduled for spring 2032. Approval status is subject to the results of the ongoing science of reading and elementary mathematics reviews (i.e., Indiana Code (IC) 20-28-3-3.1; (IC) 20-28-3-3.2).
