

Indiana Department of Education

Dr. Katie Jenner, Secretary of Education

To: State Board of Education

From: Brenda Erbse, Department Director, Office of School Finance

Date: May 13, 2026

Subject: Common School Loan Advancements for Construction and Technology Programs

The Office of School Finance received and evaluated applications for construction and technology advancements from the Common School Fund under I.C. 20-49-3 from March 6, 2026, through April 6, 2026. There is \$50,000,000 available for advancement for these programs. That amount was divided equally between construction and technology loans making available \$25,000,000 for each loan type. No construction loan requests were received.

The Treasurer of the State of Indiana administers Common School loan agreements and typically establishes the following repayment schedule:

- <\$20k repayment of 1 year
- \$20k to \$50k repayment up to 2 years
- \$50k to \$75k repayment up to 3 years
- \$75k to \$100k repayment up to 4 years
- >\$100k repayment up to 5 years

Technology

The Office of School Finance received requests for common school technology loans from twenty-nine school corporations and one charter school during the application period. The thirty applications were reviewed by the Department and we respectfully request that you approve thirty requests at the May 13 meeting of the Board.

Technology requests reviewed for the thirty applications presented totaled \$12,417,782.00 and we recommend approval of applications totaling \$12,348,003.00 as referenced below. Recommendations that are less than the amount requested were reduced to the maximum amount allowable by law.
