Report on the Financial Statements

We have audited the accompanying statement of cash receipts and disbursements of Signature School, Inc. (a nonprofit organization), for the year ended June 30, 2018, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the cash basis of accounting as described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and *Guidelines for the Audits of Charter Schools Performed by Private Examiners* as issued by the Indiana State Board of Accounts. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of cash receipts and disbursements is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the statement of cash receipts and disbursements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors
Signature School, Inc.

Opinion

In our opinion, the financial statement referred to above presents fairly, in all material respects, the cash receipts and disbursements of Signature School, Inc. (School) for the year ended June 30, 2018 in accordance with the cash basis of accounting described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statement, which describes the basis of accounting. The financial statement is prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 13, 2019, on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

Note 1 – Organization and Summary of Significant Accounting Policies

A. Nature of Activities

Signature School, Inc. (School) is a not-for-profit organization that provides secondary education for children in grades nine through twelve. The School is incorporated under the laws of the State of Indiana and is a public charter school sponsored by the Evansville-Vanderburgh School Corporation, which granted a charter to the School under Indiana Code 20-24-3-1.

B. Basis of Accounting

The accompanying financial statement has been prepared on the cash receipts and disbursements basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Under that basis, the only asset recognized is cash, and no liabilities are recognized. All transactions are recognized as either cash receipts or disbursements, and noncash transactions are not recognized. The cash receipts and disbursements basis differs from generally accepted accounting principles primarily because the effects of outstanding promises to give and obligations for expenses unpaid at the date of the financial statement are not included in the financial statement.

C. Cash

The School maintains its cash balance in checking accounts at a local financial institution. These balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. As of June 30, 2018 cash did not exceed FDIC coverage.

D. Receipts

Receipts come primarily from resources provided under the Indiana Charter Schools Act. Under the Act, the School receives an amount per student in relation to funding received by public schools in the same geographic area. This state basic grant from the State of Indiana is based on enrollment, and is paid in equal monthly installments, which are recognized as revenue when received.

The School also receives revenue related to cost reimbursements grants, which is also recognized as revenue when reimbursements are received.

Note 2 – Date of Management’s Review

The School has evaluated subsequent events through March 13, 2019, the date the financial statement was available to be issued.

Note 3 – Income Taxes

The School is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code, except on net income derived from unrelated business activities. The School believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. The School files its Form 990 in the U.S. federal jurisdiction and the office of the state’s attorney general for the State of Indiana.

Note 4 – Defined Benefit Retirement Plans

A. Teachers’ Retirement Fund

Plan Description: Certified employees participate in the Indiana Teachers’ Retirement Fund (TRF), a cost-sharing multiple-employer defined benefit pension plan administered by the Indiana Public Retirement System (INPRS). All employees engaged in teaching or in the supervision of teaching in the public schools of the State of Indiana are eligible to participate in TRF. State statute (IC 5-10.2) governs, through the INPRS Board of Trustees, most requirements of the system, and gives the school corporations authority to contribute to the plan. The TRF retirement benefit consists of the pension provided by employer contributions, plus an annuity provided by the member’s annuity savings account. The annuity savings account consists of members’ contributions, plus the interest credited to the member’s account. School corporations may elect to make the contributions on behalf of the member.

Funding Policy: Plan members are required to contribute 3% of their annual creditable compensation, set by state statute. The School did elect to make the annuity contributions on behalf of each member. The School is required to contribute at an actuarially determined rate (7.5% for the year ended June 30, 2018), as established, and which may be amended, by the INPRS Board of Trustees. Contributions to TRF for the year ended June 30, 2018 totaled \$136,326, and equaled the required contributions for the year.

B. Public Employees’ Retirement Fund

Plan Description: Non-certified employees participate in the Public Employees’ Retirement Fund (PERF), a cost-sharing multiple-employer defined benefit pension plan administered by the Indiana Public Retirement System (INPRS). All full-time employees are eligible to participate in PERF. State statutes (IC 5-10.2 and 5-10.3) govern, through the INPRS Board of Trustees, most requirements of the system, and give the employer authority to contribute to the plan. The PERF retirement benefit consists of the pension provided by employer contributions, plus an annuity provided by the member’s annuity savings account.

INPRS administers both of these plans, and issues publicly available financial reports for each, which include financial statements and required supplementary information. The amount of such future refunds and unreimbursed disbursements, if any, is not expected to be significant. Continuation of the School's grant programs is predicated upon the grantors' satisfaction that the funds provided are being spent as intended and the grantors' intent to continue their programs.

**INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
Signature School, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statement of Signature School, Inc. (a nonprofit organization), which comprise the statement of cash receipts and disbursements for the year ended June 30, 2018, and the related notes to the financial statement, and have issued our report thereon dated March 13, 2019.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Signature School, Inc.’s (School) internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the School’s internal control. Accordingly, we do not express an opinion on the effectiveness of the School’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
