Get a new perspective on learning.

**Perspective** provides thousands of learning resources to help teachers, parents, and students. All of the learning resources are aligned to Indiana Academic Standards. As an educator, you can use the convenient **Assignment Sheet** feature to easily gather material for students. As a teacher, parent or a student, you can use the powerful **Learning Locator™** method to get targeted material based on student's assessment results. Or use simple navigation to browse thousands of learning resources aligned to the standards.

For Teachers to get started, enter your Email and Password above. For Parents and students, enter the Learning Locator.
Components of Perspective

- Assessment
- Instruction
- Learning
- Perspective
  - Learning Locator
Perspective Provides

• A library of more than 10,000 supplemental resources aligned to the Indiana Academic Standards for use by teachers and families

• Resources specific to each student’s ISTEP+ standards-level performance profile through a personalized Learning Locator

• A direct link from the Parent Portal to targeted resources

• Open searching by standard for enrichment, remediation, and supplemental learning – at home or at school - all year long

• Teacher-created assignment sheet functionality, online tools, and professional development resources

• Connects instruction to assessment by answering the question “What can I do now to help this student?”
What is a Learning Locator?

- Personalized code printed on the ISTEP+ Individual Student Report (ISR)

- One code for each subject

- Encapsulates student performance at the reporting category level

- Can be developed for almost any assessment instrument

- Provides a “shortcut” to Perspective resources that match each student’s strengths and areas of need
Learning Locator Process

- Assessments and standards defined
  - Strand level performance levels determined
  - Learning Locators pre-calculated

- Resources aligned to standards by Pearson content specialists

- Students take assessment
  - Assessments scored
  - Learning Locators applied
  - Learning Locator codes presented on ISR and teacher reports

- Students enter code into perspective site

- Students receive materials aligned to their assessment performance
Dear Parent/Guardian,

This report provides information about your student’s achievement on the Spring 2016 English/Language Arts (ELA) ISTEP+ (Indiana Statewide Testing for Educational Progress-Plus) Assessment. Please take the time to study your student’s results, contact your student’s school for additional documentation of learning progress, and to understand how the staff will utilize this ISTEP+ report to support your student during the school year.

The graph below shows your student’s scale score and performance level. Your student’s teacher can also show you classroom work and other test results that provide evidence of your student’s progress.

The Learning Locator provided below is a resource with a wide range of online learning activities mapped specifically to your student’s English/language arts performance on the ISTEP+. Indiana schools are required to provide remediation for students who do not pass the ISTEP+, and it is your responsibility to make sure your student participates in those opportunities.

For more information, please see the section titled “Additional Information” on the back of this page.

Sincerely,
Glenda Ritz
State Superintendent of Public Instruction

**GRADE 4 ENGLISH/LANGUAGE ARTS**

**Your student’s 2016 Performance:** Scale Score - 999, Performance Level - PASS

<table>
<thead>
<tr>
<th>Scale Score</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>600-699</td>
<td>DID NOT PASS</td>
</tr>
<tr>
<td>700-899</td>
<td>PASS</td>
</tr>
<tr>
<td>900-999</td>
<td>PASS+</td>
</tr>
</tbody>
</table>

Your student’s scale score on the English/Language arts assessment is 999. Scale scores are determined by mapping students’ scores on individual questions onto a consistent and standardized scale.

Fourth-grade students performing at the Pass level demonstrate proficiency understanding when reading, comparing, and responding to a range of grade-level appropriate texts, including literature and nonfiction. Students display proficient writing skills using mostly appropriate Standard English conventions when producing different writing forms.
