## **Indiana State Board of Education Resolution Recognizing Tipton Community School Corporation**

WHEREAS, Tipton Community School Corporation (TCSC) has participated in the Indiana Teacher Appraisal System of Supports (INTASS) project, which offers support in designing, implementing, and monitoring teacher evaluation systems, training teacher evaluators, and supporting teachers to engage in evaluation and professional growth opportunities, and has embodied the principles and beliefs of INTASS; and

WHEREAS, TCSC has met the standards of state compliance in the teacher evaluation process; and

WHEREAS, TCSC has met the standards of quality plan development included in the INTASS Plan Development Rubric; and

WHEREAS, TCSC has exceeded the standards of implementation required in the INTASS Implementation Fidelity Scale; and

WHEREAS, TCSC Teacher Evaluation System has exemplified a supportive, collegial, and transparent system; and

WHEREAS, the TCSC Teacher Evaluation System created a sound infrastructure to communicate information about teacher evaluation in a timely and transparent fashion have resulted in a clear understanding of expectations among teachers; and

WHEREAS, the district has provided extensive training for teachers and evaluators on the TCSC Teacher Evaluation System; and

WHEREAS, the implementation of a supportive and proactive new teacher mentor program provides a culture of support for new teachers; and

WHEREAS, the district has an established oversight committee to review the implementation of the teacher evaluation system; and

WHEREAS, teachers in the district have been involved in the development of assessments for non-tested areas; and

NOW, THEREFORE, BE IT RESOLVED THAT, the Board recognizes the exemplary development and implementation of the TCSC Teacher Evaluation System as a best practice in educator evaluation.
