I read and understand the requirements (on the back of this form) for earning Alternate PE Credits through activity participation for the sports/activities listed above and agree to fulfill all requirements.

Student Name: \_\_\_\_\_ Student Signature: \_\_\_\_\_

Parent Name: \_\_\_\_\_ Parent Signature: \_\_\_\_\_

Date: \_\_\_\_\_

**PART B: The counseling and athletic offices will be responsible for collecting signatures from the coaches/sponsors at the end of each season.**

\_\_\_ Activity Completed

\_\_\_ Did Not Complete

Comments:

Name of Coach/Sponsor: \_\_\_\_\_

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

**The following guidelines must be followed:**

- An alternative credit for PE must be earned prior to a student's junior year.
- The student must complete the Alternate PE Credit form for each PE credit they wish to earn. This form can be found on the Clinton Prairie website or in the counseling office. Students and parents will complete part A of the form then it must be turned into the counseling office by the due date.
- Forms are due by August 31 of each school year.
- The counseling department along with the athletic office will work with coaches to fill out Part B of the form at the conclusion of the season/activity.
- Only one credit per sports season can be earned through the alternative PE credit method.
- A *complete* season is defined as first practice to final event. The student must remain on the active roster the entire season or the duration of the activity.
- The student will participate regularly in physical activity, demonstrated by participation in at least 90% of group activities (injury free), or at least 66% if a major injury occurs. Either the CP athletic trainer or a physician must document a major injury that prevents active participation.
- Disciplinary suspensions from the activity may result in forfeiture of credit as determined by the coach, director, or sponsor and approved by an administrator.
- At the end of each semester, grades will be assigned for each student who has completed an approved sport/activity **in good standing** and students will receive an A in the course. If a student at any time during the season becomes ineligible he/she will not receive an alternate PE credit. Reasons for ineligibility include but are not limited to discipline issues, attendance issues, or failing to meet academic requirements for participation in the sport/activity.
- A limit of 2 basic PE credits may be earned in this manner. Advanced PE credits cannot be earned through sports.
- Fall sports/activities will be recorded on the Clinton Prairie transcript in the first semester. Winter and spring sports will be recorded in the second semester.
