time in

Sunrise, Sunset

What you're born with is what you get
Let your fear just pass away,
then your love will fill your days
I know

I need so little, yet so much
Child's sweet laughter, woman's touch
I can't say just what is real,
all I know is what I feel
I know

The time it is today, and we must find our way
My heart it clearly states, the answer's not in hate
I once believed that love was but a dream
But now I know that love's a flowering stream
They're lying, killing, they're pushing their rules
They tell me the prophets all were just fools
But I know different and I won't be used
It's they that are lost, it's they are confused

Sunrise, Sunset

What you're born with is what you get
All your world is all your fears
They don't change, but pass in years
I know

A TIME
FOR
ACADEMICS

Class of 1975

"Every man marches to the beat of a different drum." Thoreau made this statement many years ago. This quotation has become one of the classical philosophical statements of all time. As a member of the 1975 graduation class you have reached an important milestone in your life. Your graduation gives you an even better opportunity to "listen to a different drum." Whether your "drum" beats for you to continue to advanced education, you can feel secure that your training at Clinton Prairie High School will be of continuous service to you. You represent the finest product of this community--intelligent, informed and contributing citizens.

May I take this opportunity to wish you every success and happiness in the years yet to come. May your dreams become realities with the passage of time. It has been my privilege to know you and to appreciate your differences and similarities.

Sincerely,
Dr. Robert Burton

BOARD OF EDUCATION

Board members include: Dennis Davis, Merle Pollard, Dave Dickerson, Robert Moore and Weyman Salmon.

CORPORATION SECRETARIES

Some of the duties of Mrs. Helen Kimmel and Mrs. Betty Siekman, corporation secretaries, are recording classroom purchase requests and teachers' paychecks, as well as keeping the superintendent's office in order.

PRINCIPAL

Mr. Keihn's liberal policies of student privileges have helped to involve students in school problems. Changes such as the no bell system and outside lunch times have been obtained because of this.

ASSISTANT PRINCIPAL

Mr. Alexander has helped keep the school running smoothly. He is always busy but still teaches a World History class and finds time to take pictures, a great hobby we all enjoy and appreciate.

EXTRA-CURRICULAR TREASURER

Mrs. Price is a very important link in the money matters of the clubs and organizations of CP. Responsibilities such as those of the athletic department and the bookstore occupy the majority of her time, but she still finds time to work as Mr. Alexander's secretary.

SECRETARY

Mrs. Sims keeps the office running smoothly by keeping students in the right places, along with the many other duties she performs. Who hasn't gone to the office and asked, "Mrs. Sims, may I use the phone?" or "Can I please have a pass?"

OFFICE ASSISTANTS

By answering the telephone, taking attendance, and running off dittos, as well as numerous other small jobs, the office assistants help Mrs. Sims and Mrs. Price daily.

GUIDANCE DIRECTOR

Mr. Croxton is head of the guidance department and, as such, has many responsibilities. Testing, keeping accurate records and transcripts, and handling college applications are some of the tasks that keep him busy. Mr. Croxton also serves as advisor to the Sr. High Student Council.

GUIDANCE COUNSELOR

Mrs. McCurdy, now in her second year at Prairie, works with the junior high students or with any high school girl who so desires. Especially important to her are the orientation of 7th graders to CP and her sponsoring of the Jr. High Student Council.

GUIDANCE OFFICE ASSISTANTS

Those girls who worked in the guidance office proved to be of great help by changing schedules, making and filing permanent records, and keeping bulletin boards up to date.

MEDIA SPECIALIST

As librarian, Mrs. Hurt seeks to assist the students and faculty of CP in research and in their recreational reading.

MEDIA AIDE

Mrs. Waldron helps Mrs. Hurts in many ways, among them taking charge of the AV department and assisting students in material selection.

MEDIA AIDES

Helping Mrs. Hurt and Mrs. Waldron are the media aides. By setting up projectors, checking out books, and doing other such jobs they keep the media center running smoothly.

Linda Deford, Jean Davis, Donna Cooper, Sue Good, Gladys Rex, Bernice Vandermarck and Inez Pence prepare the lunches every day and keep the kitchen in order.

Student Lunch Helpers are Kim Hinkle, Debbie Hunter, Norma Sanders, Tina Neilson, Stacy Walder, Donn Sanders, John Pence, and Marc Davis. They assist Mrs. Woody and the cooks in serving the lunches and cleaning the cafeteria afterwards.

BEING A FRESHMAN . . .

Is a time for adjustments, earning credits, and participating in the Science Fair, Drivers' Education, and the '50's Hop.

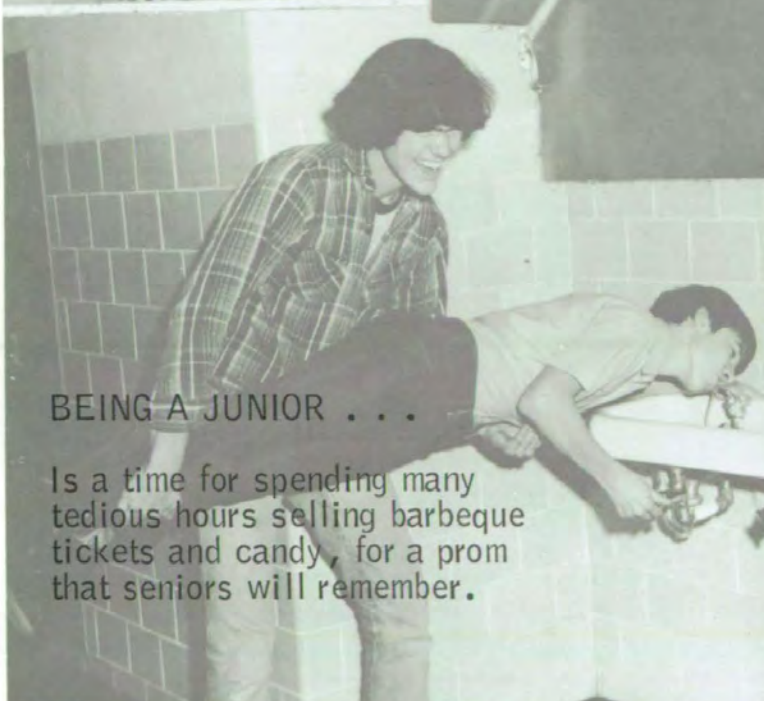

BEING A SOPHOMORE . . .

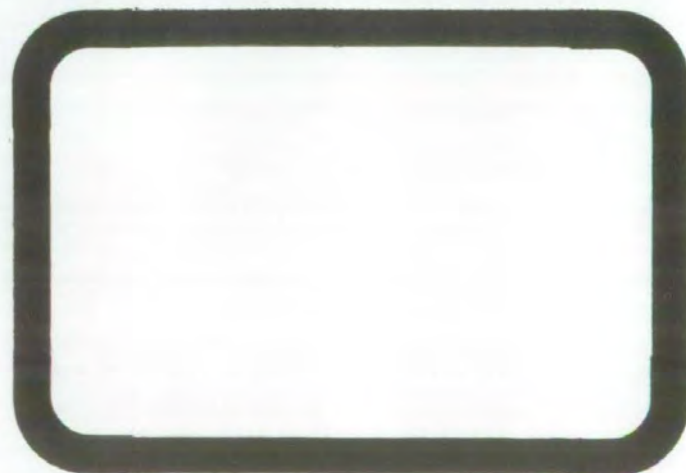

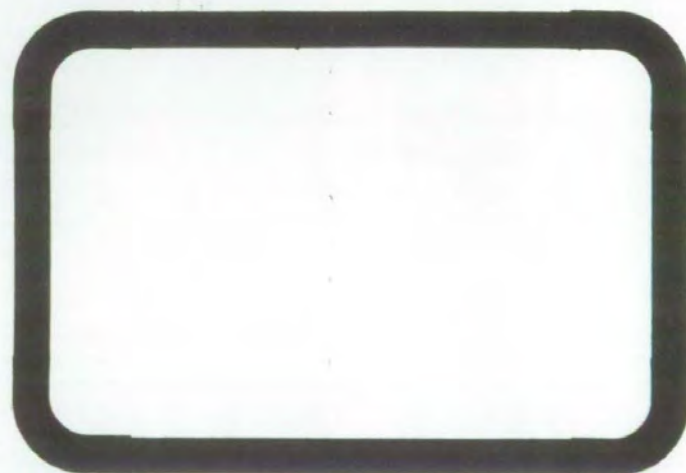

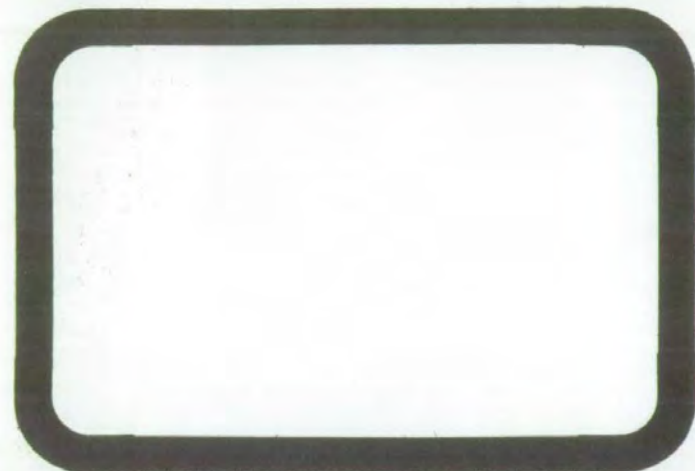

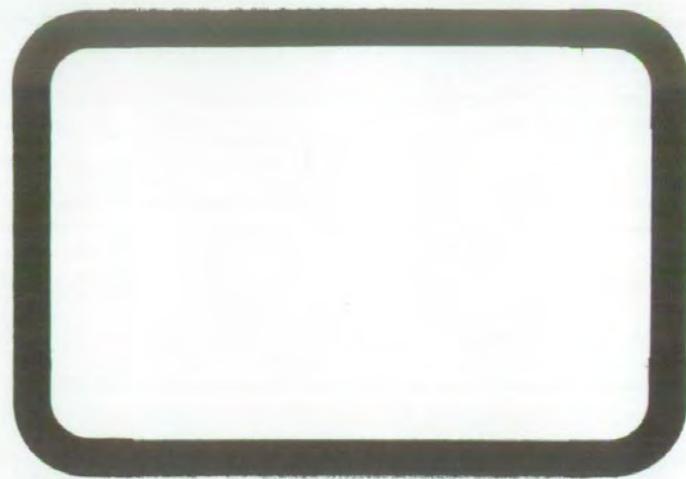

Is a time for moving up the ladder in band, sports, and class rank, as well as for ordering class rings.

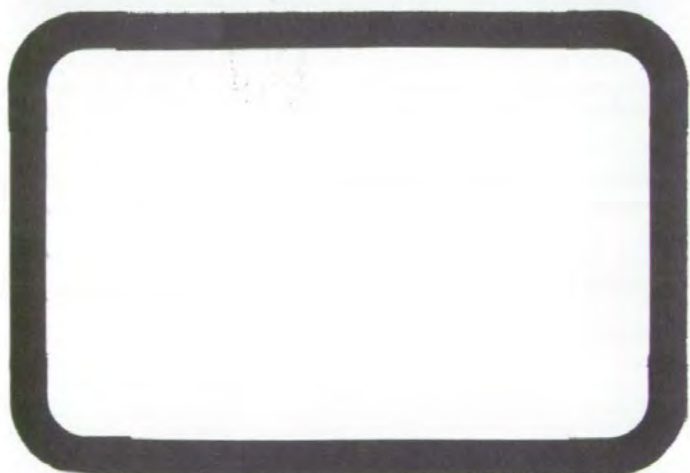

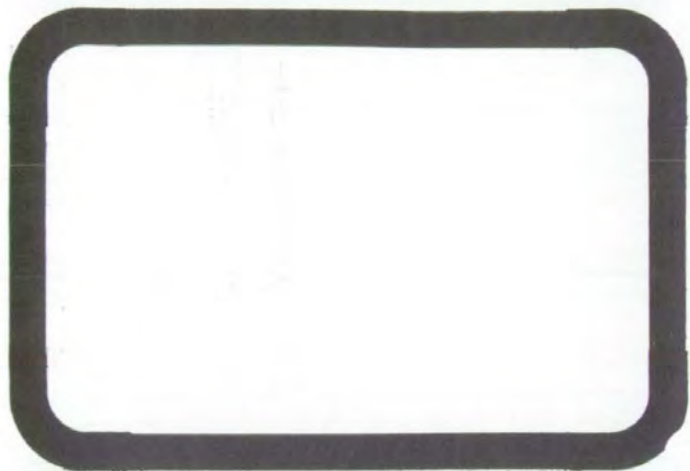

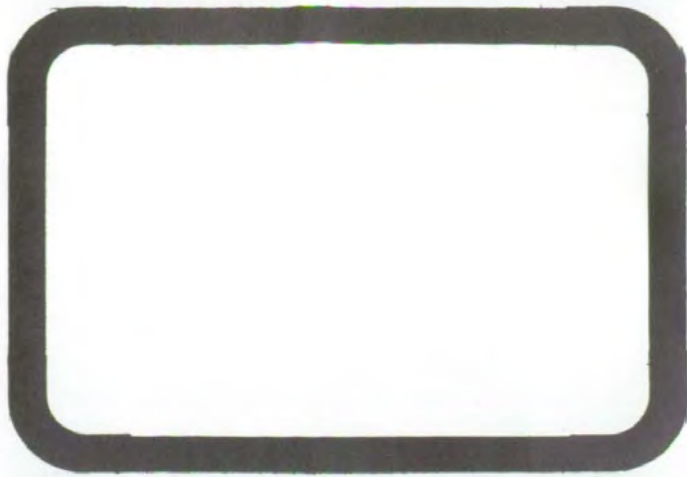

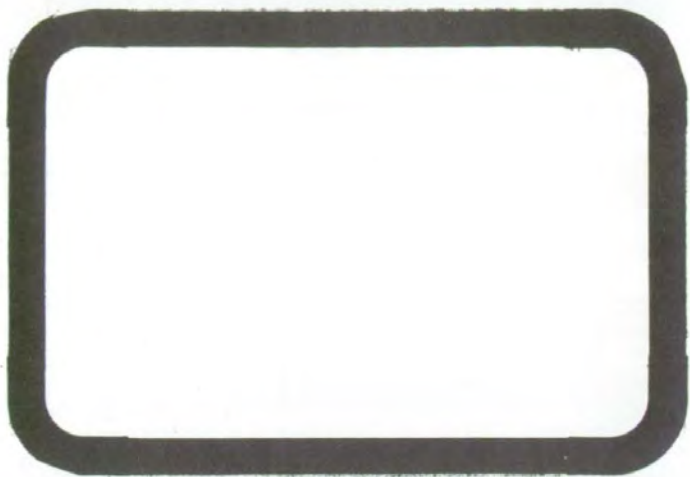

BEING A JUNIOR . . .

Is a time for spending many tedious hours selling barbecue tickets and candy, for a prom that seniors will remember.

A TIME
FOR
PARTICIPATION

BAND

This year's band had an eventful year. The Music Boosters persuaded Stan Kenton to perform (for \$2500). At contest, the band brought home a Superior rating. The band, which has 90 members, was able to have a Marching Band, Pep Band, Stage Band and Concert Band. The band had only one drum major who handled the band with leadership--James Gibbs.

PRAIRIETTES

Entertaining the basketball crowds at halftime was one of the many activities of the Prairiettes. Other activities were leading the Marching Band at the football games and an act in the Variety Show. Remarkable solo twirling was done by Debbie Bombie this year. Co-Captains for the Prairiettes were Carolyn Dieter, Kelly Norton and Sharon Walker.

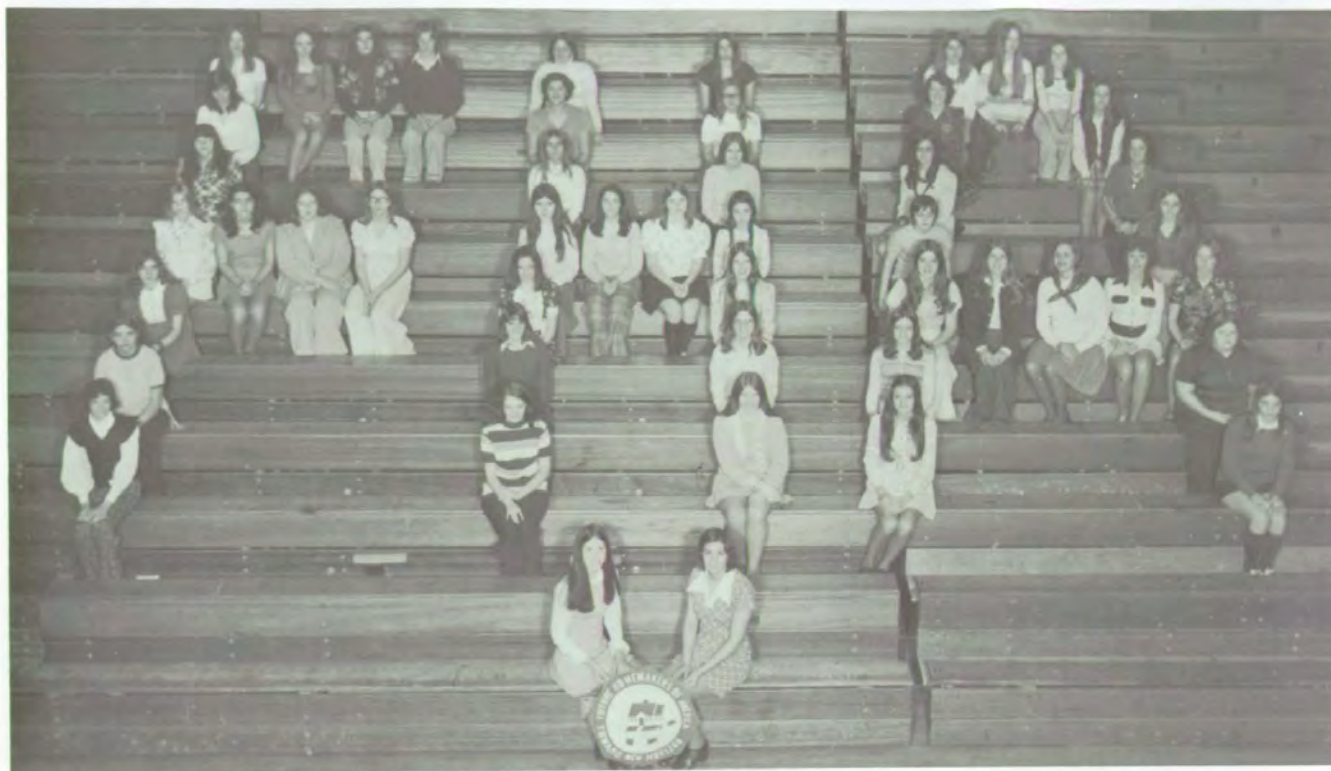

Latin Club President Norman Fudge, and officers V. Pres. Sharrie Martin, Sec. Deana Rains, and Treas. Krista Krammas have planned many interesting outings for the club. This year the members ate at the Noble Romans for dinner and had the annual slave auctions and Roman Banquet.

LATINA SODALITAS

Everyone looks forward to the Spanish Club slave auction because during that week, all types of funny looking people can be found in the halls. Pres. Brian Clay, V. Pres. Kathy Phillips, Sec. Chris Spencer, Treas. Judy Rex, Rep. Randy Roark.

SPANISH CLUB

FHA

SUNSHINE

The FHA and Sunshine girls involved themselves with the students. The Sunshine spring dance was a big success. The FHA participated in personal growth and vocational programs for the students.

HOMECOMING

October the 11th was the date of the 1974 Homecoming festivities. First prize for the best float went to the cheerleaders with the Seniors and Juniors running a close second. Our Homecoming queen was Mary Harrison. Her Senior court consisted of Lisa Snellenbarger and Christy Short.

THE

ODD

CUPLE

Neil Simon's humor drew one of the largest crowds ever, and so did Norman and Mark, Clinton Prairie's own odd couple. The supporting cast also did a fabulous job. Mrs. Brown said that it was an ambitious undertaking by the actors because of the great amount of lines they had to learn. Congratulations to the cast for a fine job!

Gotta

Bo' Norman and Bo' Randal were the travel guides for "Gotta Travel On," presented on March 19, 20, and 21. The audience traveled through such memorable acts as "King of the Road," "Chattanooga Choo Choo," and "Tennessee Birdwalk." And, of course, Mr. Compton's performance—was that quickly or slowly? Despite the long hours of practice and the many problems, the show was fantastic. It should serve as an outstanding example of what team work, cooperation and a bottle of Bufferin can do.

SPIRIT

Spirit Week was divided into special days this year. There were black-board day, red-black day, box day, flag day, and Friday, the day on which the class which had participated the best in all the events was recognized. The Junior class won this competition and the Senior class was second.

Many people worked hard to decorate the halls and other projects. For this week our school was more colorful and interesting while showing a great amount of spirit.

Offense On The Upswing

Despite only winning one game this season, a vast improvement was seen in the varsity team with several records being set. John Mundell established rushing records for a single game (187 yds.) and a single season (865 yds.) while the Gopher offense set a total offense record near 2000 yds. With this kind of improvement and several returning lettermen, next year's season could prove to be interesting.

With the seniors forming the nucleus of the track team, CP saw an exciting track season. Highlights of the year were a win over Sheridan and 3rd place finish in the M.C. Conference. CP took one of its largest team to the sectional as eight members qualified: Bob Broady discus & shot put; Lloyd Hartman-100 & 220 yard dashes; Don Young-high jump; Mike Ralston & John Mundell-pole vault; Wyatt Poppe-220 and Kevin Ruch-low hurdles.

With only three seniors in the starting lineup, the underclassmen gained a lot of experience this year. The pitching staff consisted mainly of Gregg Nydegger and Dan Cochran while the batting power was supplied by Mike Thompson and Ben Zobrist. With this year used as a rebuilding one, next year should be a good season.

Kevin getting a birdie!

GOLF

Leading golfers on this year's team were John Michaels and Kevin McCullough. Highlighting the season was the first golf victory in Clinton Prairie history. With the underclassmen seeing plenty of action this year, the future outlook for the golf team is bright.

Getting ready for another match.

CHEERLEADING 1975

Varsity cheerleaders for this year were, starting at the top: Karla McCorkle; Capt., Glenda Goldsberry; Kathy Dickerson; Sue Ann Marlatt; and Sharrie Martin.

Cheerleading tryouts in the spring of a school year mean only the beginning for one of the most demanding jobs at Clinton Prairie. After this year's squad was selected they immediately had to prepare for camp--and after camp, school started. The varsity squad practiced many long hours trying to be the best they could--and they were. Competing at the Tipton County Fair, the girls placed third and at Kokomo, the squad placed sixth, beating out many larger squads. Attending every football and basketball game, plus other sports events, planning pep rallies, working with the Pep Club and planning Spirit Week are just a few of the tasks these girls perform--and they performed them well.

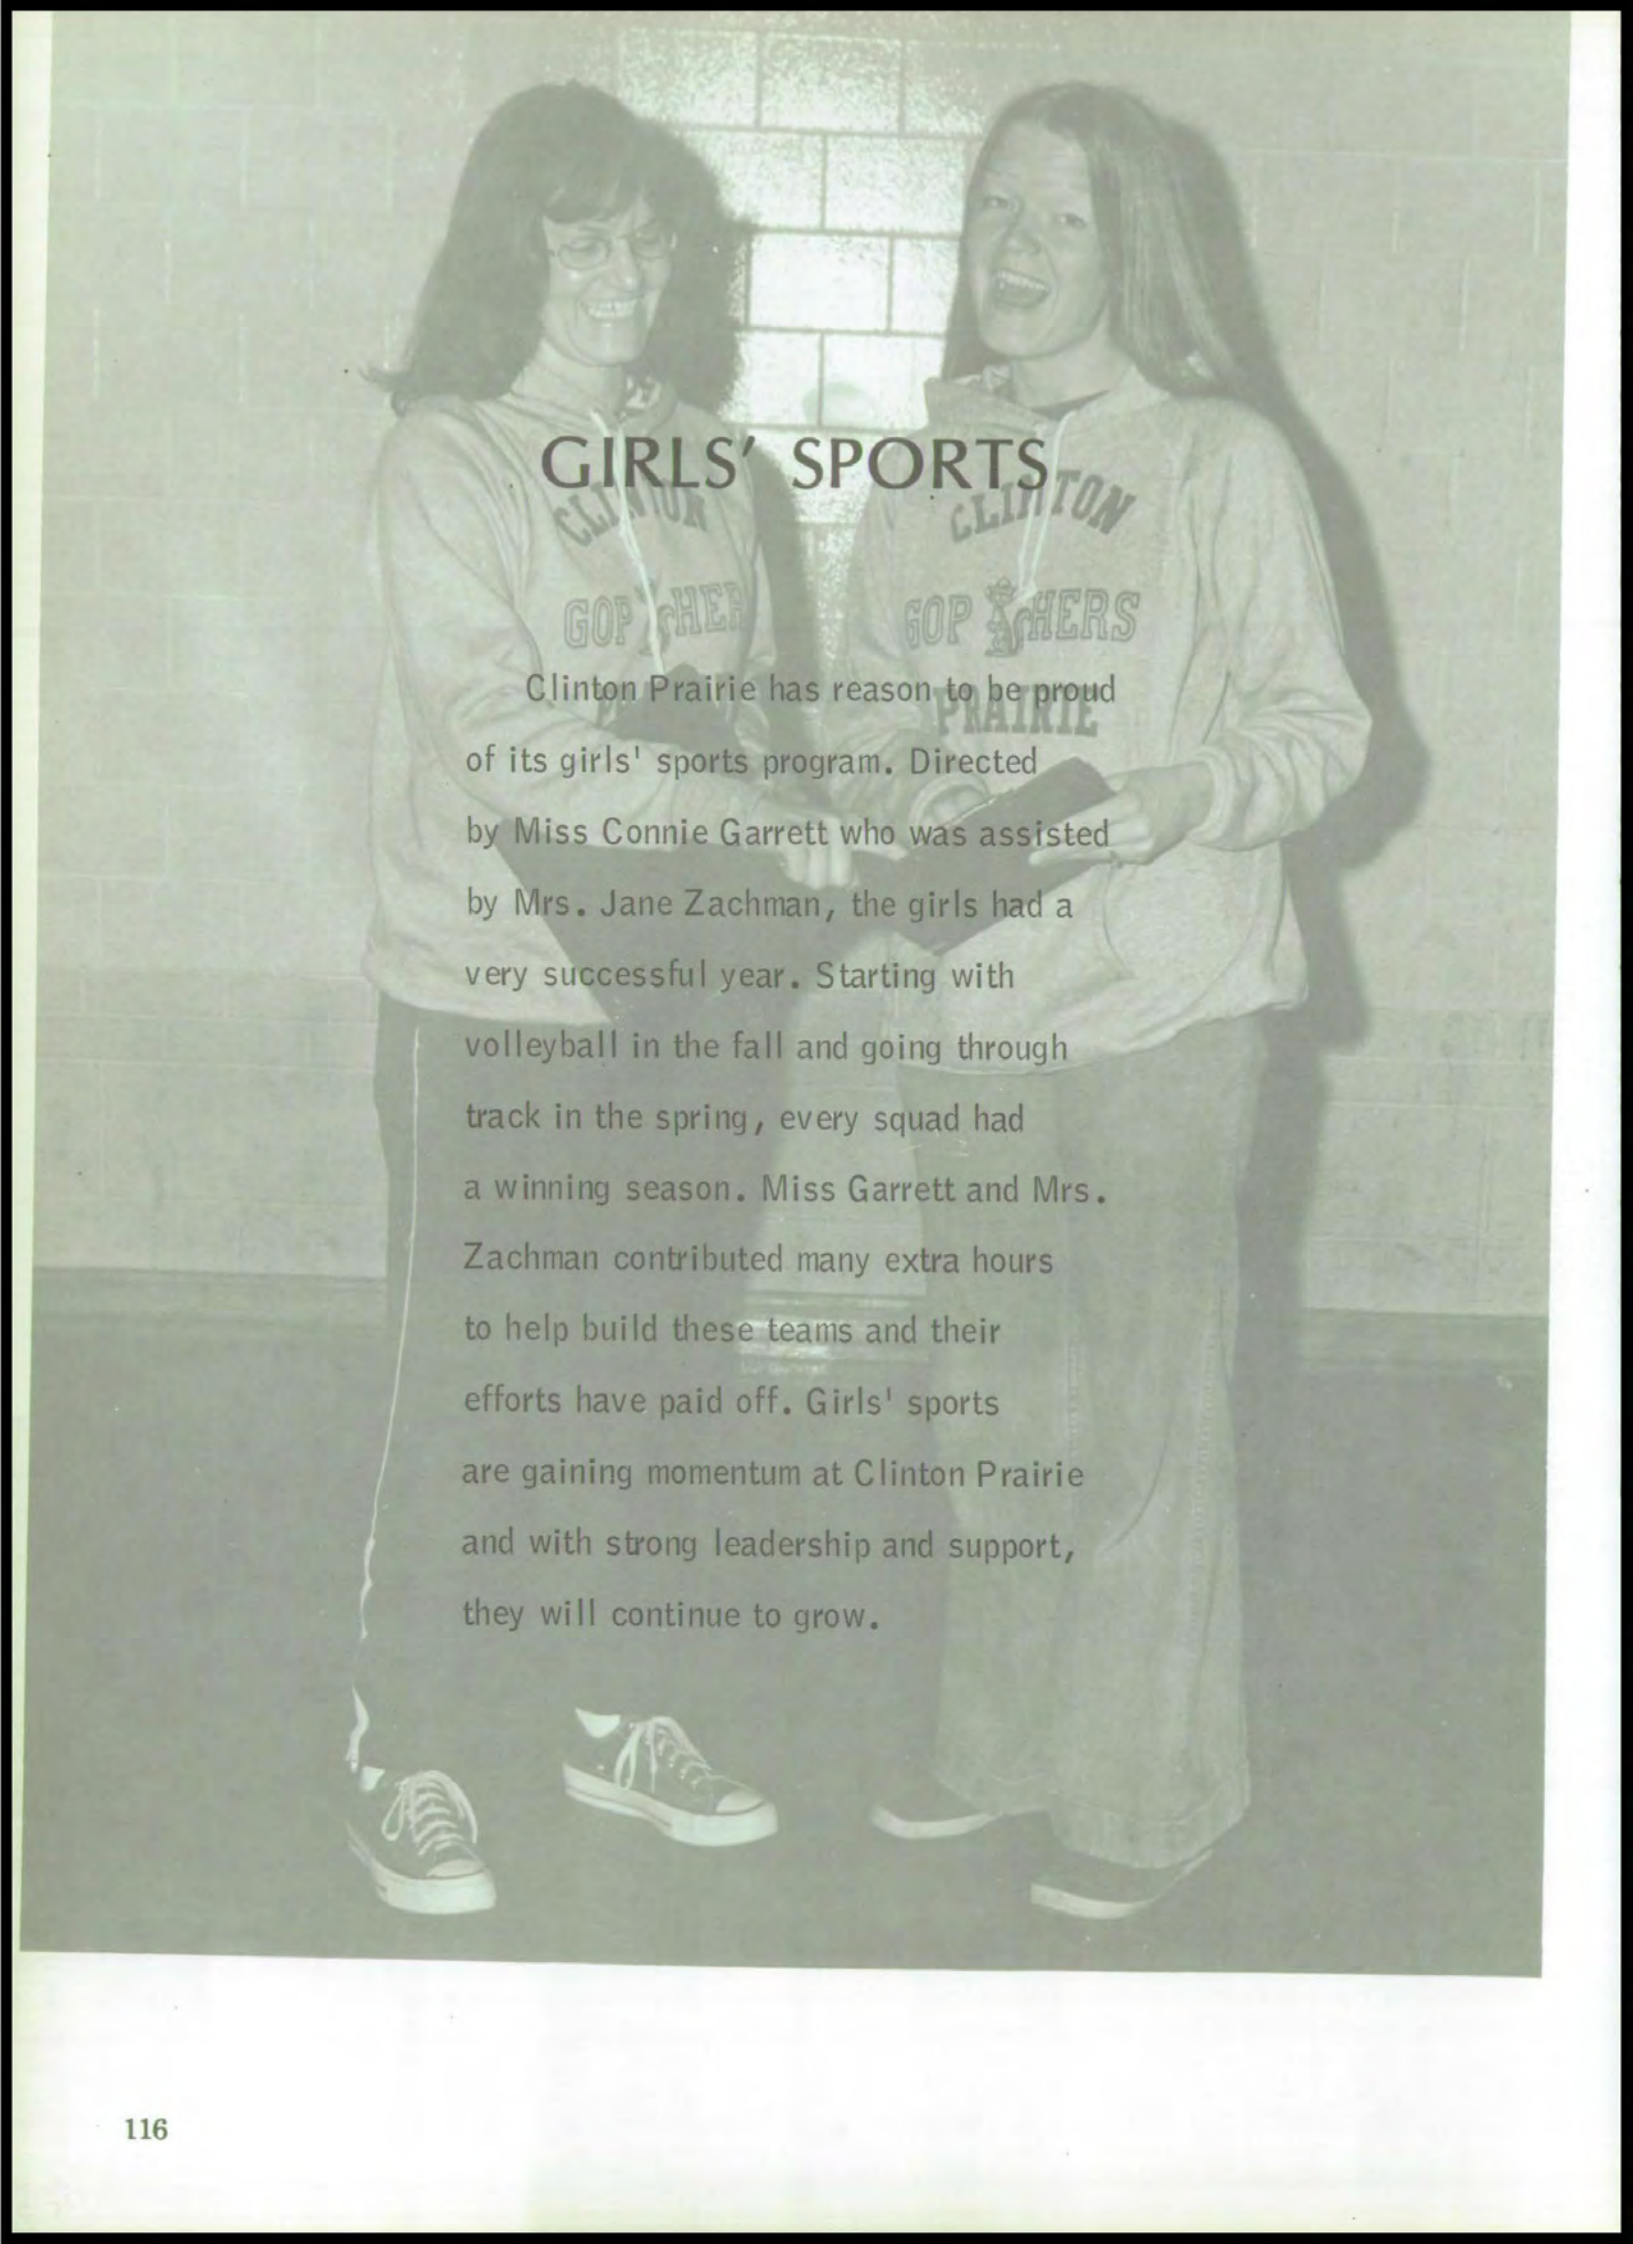

The Reserve squad-- Janet Ruch, Nancy Walker, Carrie Svoboda and Katie Wyatt--strongly supported their team all season long-- even though the first half of the season was a little rough. They had much to shout about as they watched their team come on strong during the last half of the season.

The Freshmen squad composed of Susie Fitz-Simons, Penny Cripe, Mindi Clawson and Colleen Dickerson matured greatly during their cheerleading year. Learning to work together is only one requirement of being a cheerleader and these girls learned that lesson well.

A black and white photograph of two young women standing in front of a brick wall. They are both wearing sweatshirts that say "CLINTON GOPHERS PRAIRIE". The woman on the left is wearing glasses and has dark hair, while the woman on the right has long, light-colored hair. They are both smiling and looking towards the camera. The woman on the right is holding a small object in her hands.

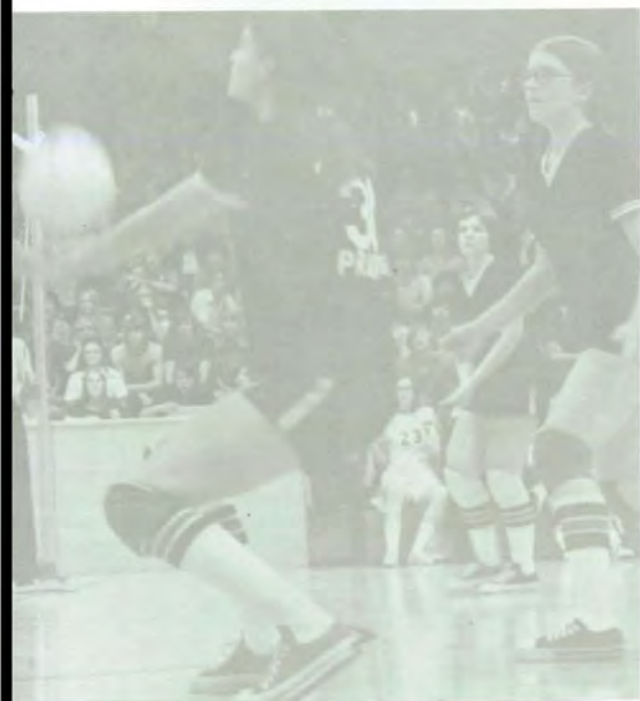

GIRLS' SPORTS

Clinton Prairie has reason to be proud of its girls' sports program. Directed by Miss Connie Garrett who was assisted by Mrs. Jane Zachman, the girls had a very successful year. Starting with volleyball in the fall and going through track in the spring, every squad had a winning season. Miss Garrett and Mrs. Zachman contributed many extra hours to help build these teams and their efforts have paid off. Girls' sports are gaining momentum at Clinton Prairie and with strong leadership and support, they will continue to grow.

GIRL'S VOLLEYBALL

The girls' volleyball team had an exciting year. Their key to success was speed and team co-ordination. Outstanding players were Glenda Platt, Carolyn Dieter, Debbie Schmidt, Lori Harshman and Sharrie Martin. Spirit leaders were Christy Short, Bob Broady, Dan Cripe and Di Percy.

GIRL'S BASKETBALL

Another outstanding girls' sport this year was girls' basketball. A superb team of girls kept the crowds on edge with their fast-moving pace. The spirit leaders were Kathy Phillips, Bob Broady, Ed Morris and Judy Rex.

GIRLS' TRACK

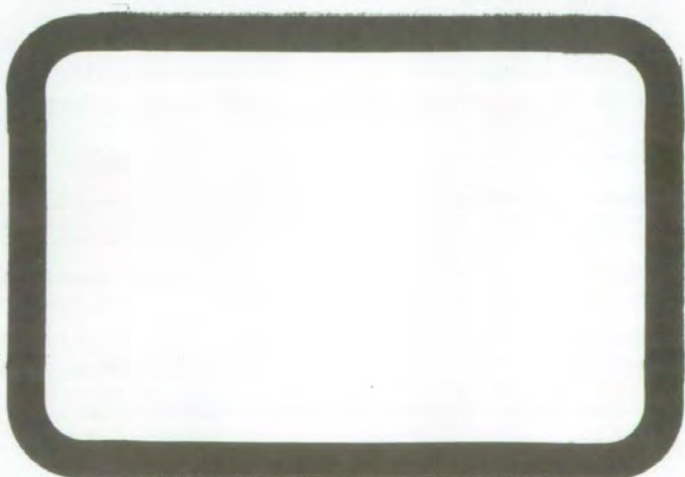

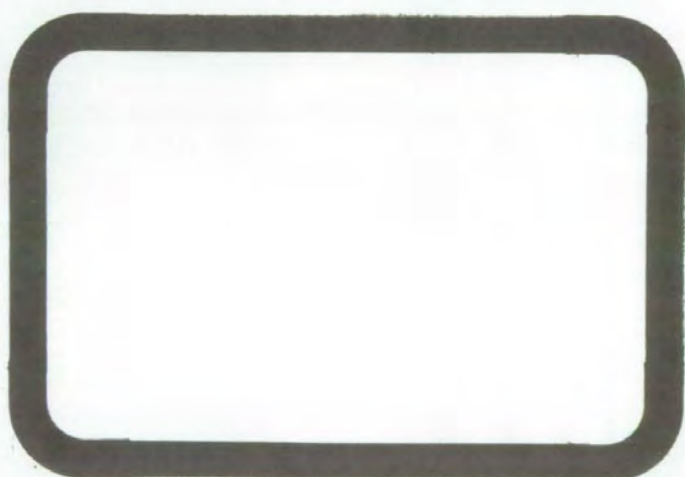

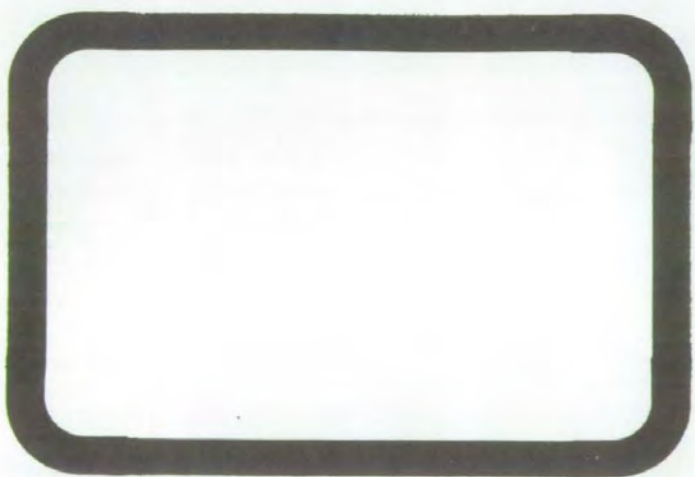

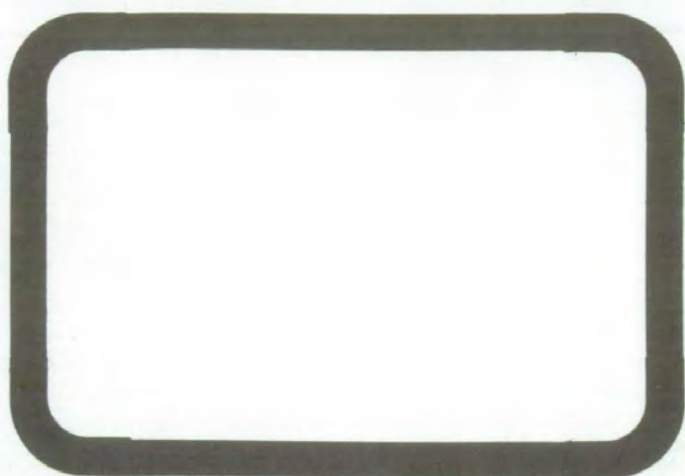

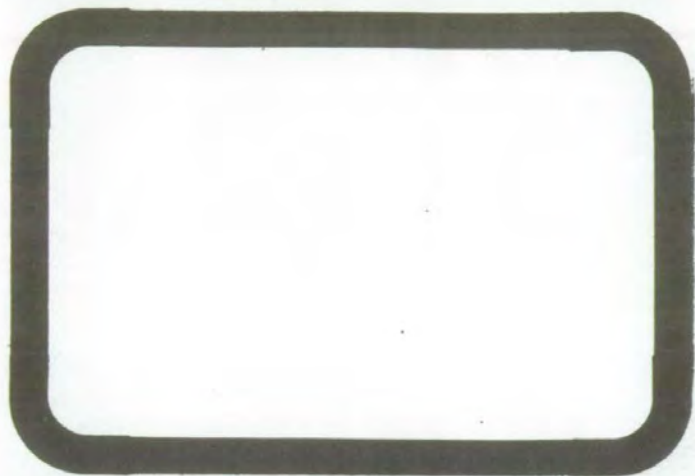

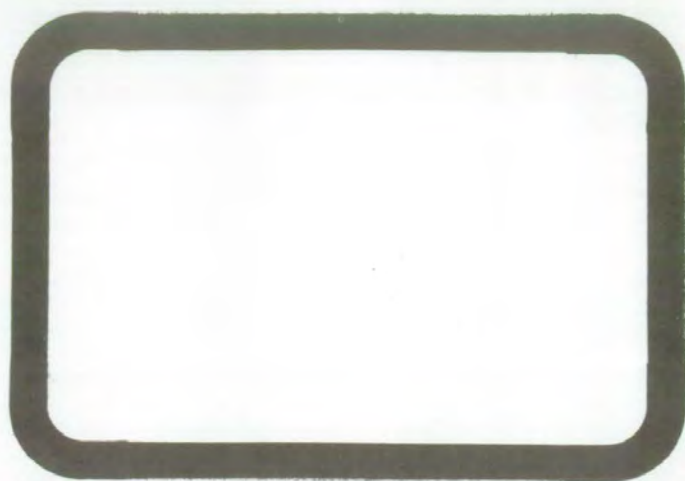

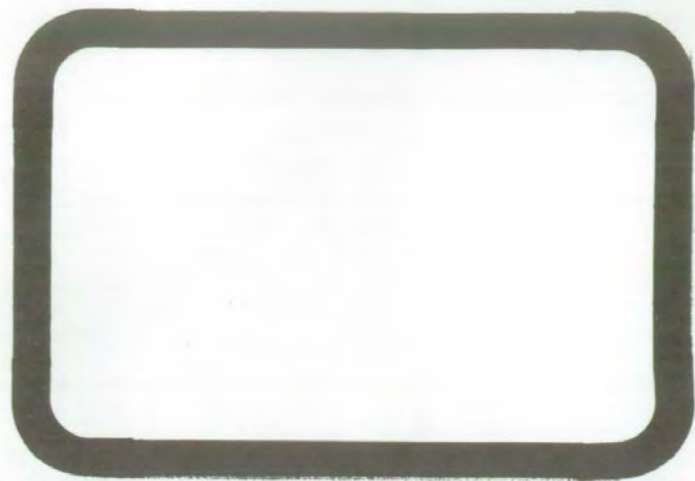

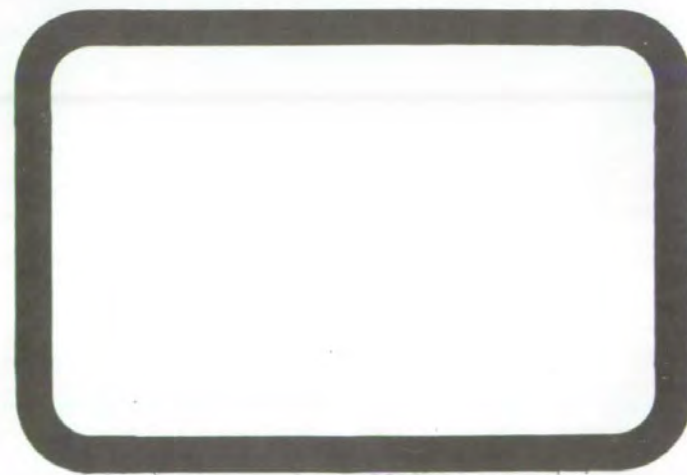

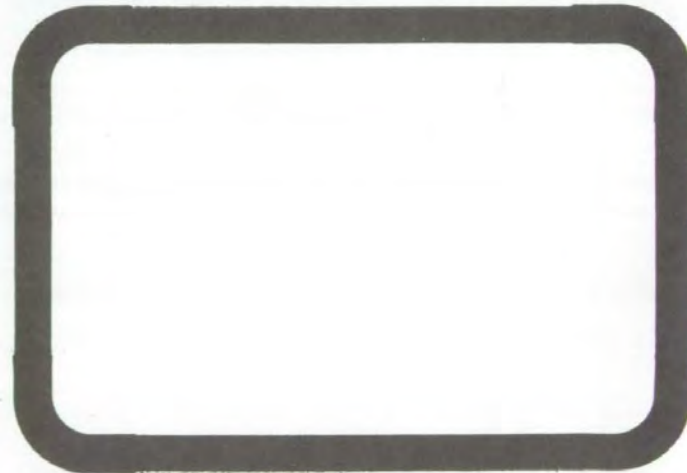

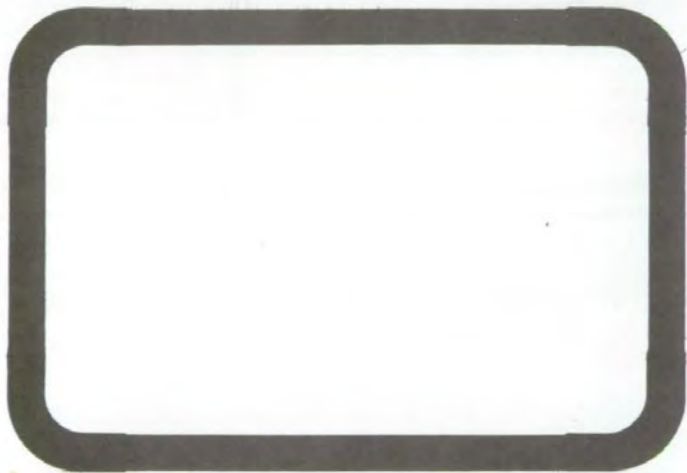

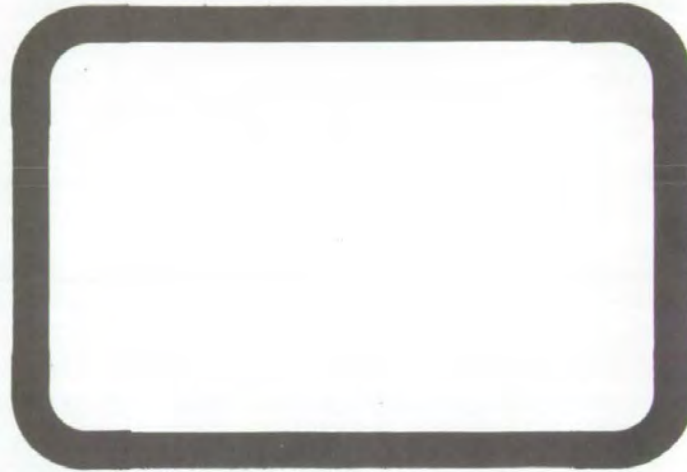

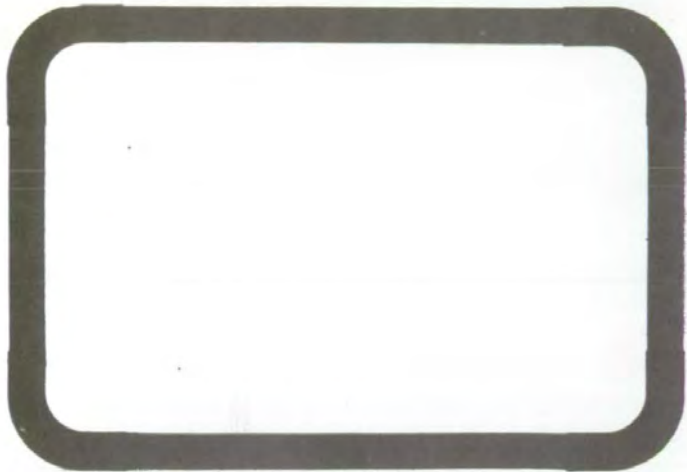

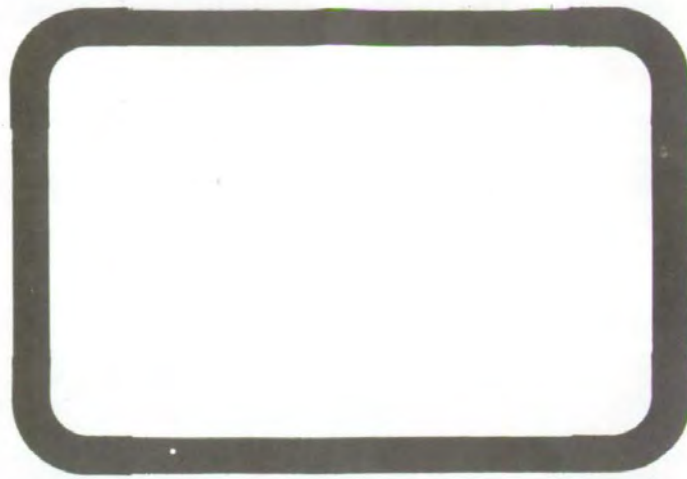

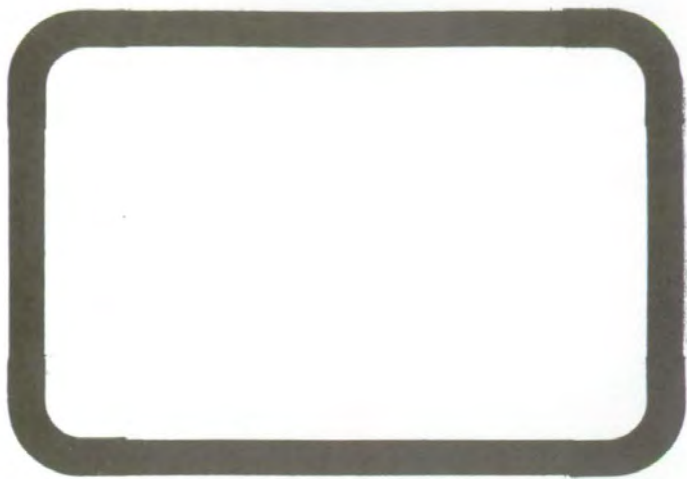

A black and white photograph showing two girls in track uniforms jumping over hurdles. The girl on the right is in mid-air, clearing a hurdle, while the girl on the left is also jumping. They are wearing dark jerseys with white numbers.

The girl's varsity track team was very successful this year going undefeated, 6-0, in dual competition. In two tri-angular meets the team placed 2nd and 3rd. In the Conference Meet the girls placed 2nd. At the Sectional, top scorer, Glenda Platt, placed 4th in the 880 run. With quite a few underclassmen returning next year, Miss Garrett can look forward to another good season.

RANDY FORD

July 26, 1960 - April 20, 1975

Through this toilsome world, alas!
Once and only once I pass;
If a kindness I may show,
If a good deed I may do
To a suffering fellow man,
Let me do it while I can,
No delay, for it is plain
I shall not pass this way again.
