YOU . . .

were the one who, after a summer of working, of swimming, of 4-H and lazy days, was looking forward to returning to school once more. Believe it or not, you could hardly wait.

YOU ...

were the one who sought out new acquaintances and learned from them but began to realize the value and strength of those friendships you had developed over the years.

YOU . . .

were the one who got involved in all sorts of activities. Your interests ranged from elections to fairy tales, from wrestling to windows, from "Razzle Dazzle" to "Up the Down Staircase." You did your best - and it showed!

YOU . . .

were the one who saw the snow coming down, rejoiced and thought "No school today!" But as the worst blizzard on record melted, even YOU were glad when the roads were cleared - even the road to school.

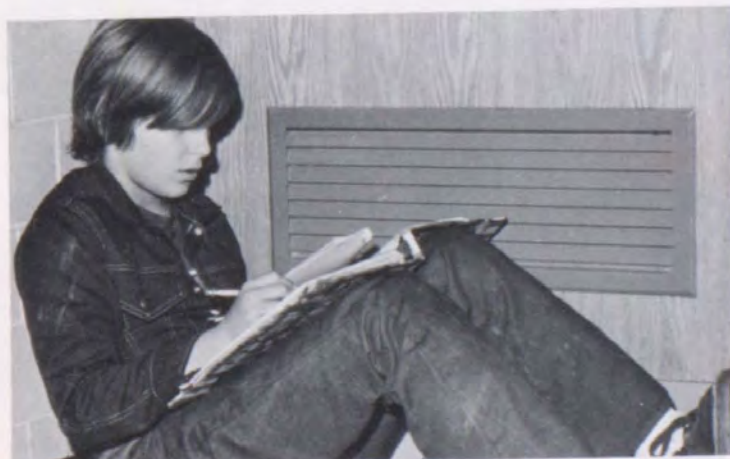

YOU . . .

were the one who made school just a little more interesting. You were a spirit fairy, an Indian, a banana split eater. You painted bells upside down and swiped silverware. Strange - but interesting!

YOU ...

were the one who even found
some time to learn a few things.
You studied sometimes alone and
sometimes in the library. You
made a choice Ford or Carter and
you watched babies. Each ex-
perience was unique in its own
way.

YOU . . .

were the one who looked forward to school starting AND ending. You were a queen, an athlete; a loafer, a worker. You laughed and you cried. Your talents were remarkable!

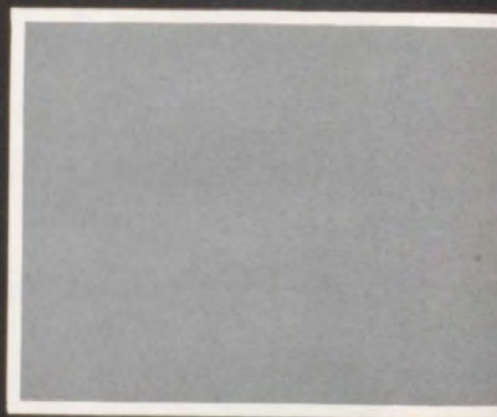

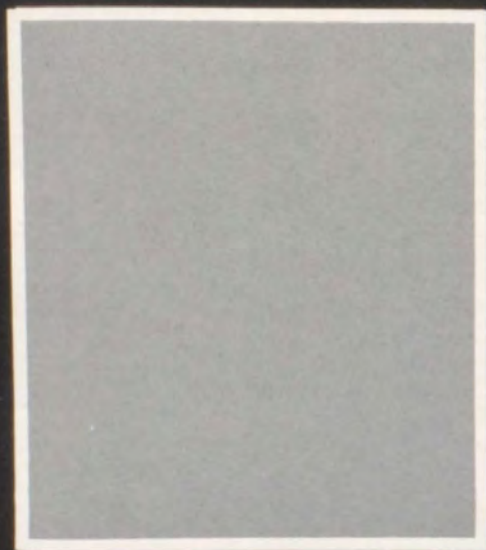

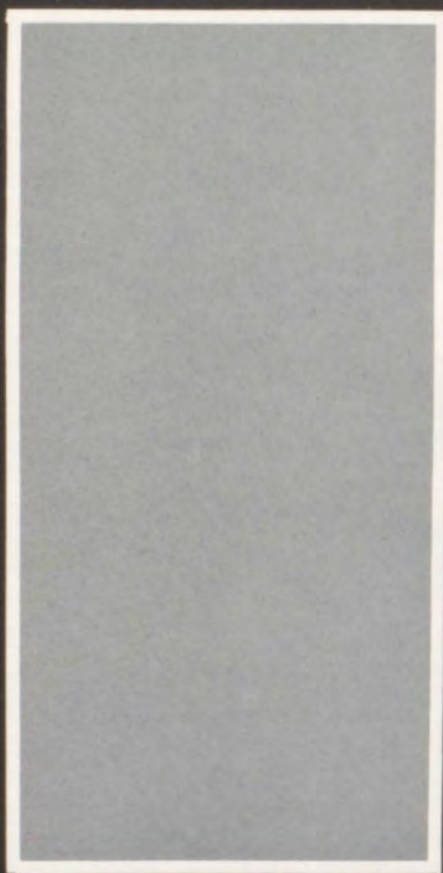

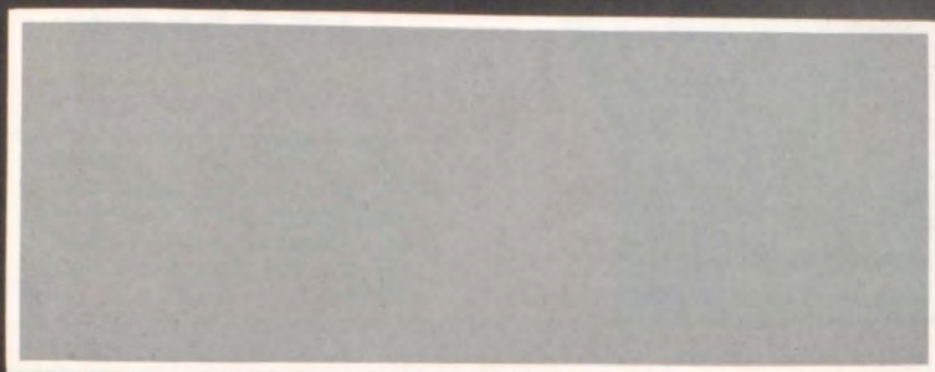

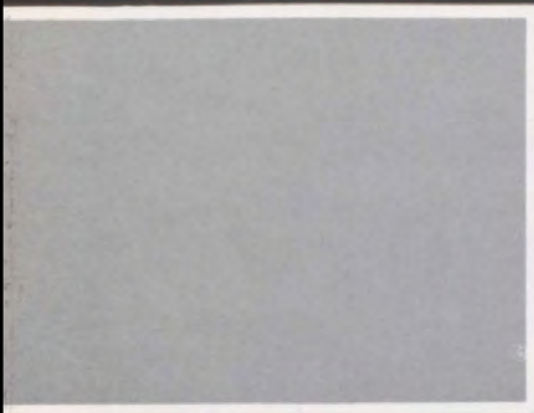

YOU . . .

were the one who was responsible
for Clinton Prairie's existence.
The building, the books, the
equipment - all of these things
could be here, but if it weren't
for you, the place would be
empty.

WE DID IT ALL FOR YOU!

FACULTY

CENTRAL OFFICE

SUPERINTENDENT
ROBERT SPENCER

As Superintendent of Clinton Prairie School Corporation Mr. Robert Spencer is responsible for supervising state and school board policies with the operation of the school system.

The School Board duties include hiring new teachers, appropriating school funds to the different departments, and fixing school policies.

SCHOOL BOARD

The 1976-77 School Board members and officers are as the following: President Weyman Salmon, Vice President Dennis Davis, Member Merle Pollard, Member Dave Dickerson, and Secretary Robert Moore.

MARIAN SIMS

As Secretary Marian Sims almost always has her hands full. Much time is spent typing announcements, taking dictation, answering phones, and giving students instructions. These are just some of the many duties that keep Mrs. Sims busy each day.

MARILYN PRICE

Mrs. Price is our Extra-Curricular Treasure at Clinton Prairie. She is forever busy assisting students with expenditures of a club of organizations and taking care of purchase orders. She handles all money matters.

Keeping the Superintendents' office in order are our corporation secretaries: Helen Kimmel-Bookkeeper-Treasure, Betty Siekman-Secretary, and Marianne Hester-Clerical.

Eugene Alexander, Assist.

Clifford Keihn Principal

A wise philosopher once said, "Each man is a sum total of all of his experiences." I can only hope that Clinton Prairie High School gives you those experiences that will better prepare you to cope with the problems of life. I am certainly honored to be a part of what you will be.

Clifford T. Keihn

My relationship with the Clinton Prairie Schools dates from 1955. During these years I have enjoyed the opportunity of having worked with many dedicated persons. As I approach retirement years, I hope to enjoy reflecting upon past relationships with students, teachers, and parents.

My philosophy for living might be summarized as follows: "Judge people not by what they say, but by what they do."

E.H. Alexander

Maurice Croxton

Maurice Croxton is director of the guidance office. Much of his time is occupied with scheduling classes, making transcripts, administering tests, and assisting students with college applications and scholarships. In addition, Mr. Croxton is the sponsor of Student Council.

Nicholas Zafran

Nicholas Zafran, as assistant to Maurice Croxton, works mainly with the junior high students. Assisting the students with class schedules and completing much of the typing tasks are the most time-consuming jobs. Mr. Zafran is also a great fan of red pop and chewing gum.

Librarians

Margaret Woody is always on hand to direct and assist the cooks. She is responsible for our nutritious meals and she also supervises the cash register during the lunch periods.

Keeping the library properly decorated, along with the many duties required of our school librarians, Mary O'Neill and Jean Hurt see to it that our library is kept in tip top shape.

Karon McColley returned second semester to resume her job as the art director after a leave of absence. Her assistance is greatly appreciated by her many art students.

Not only does she take care of sick students from the high school, but she handles the problems at the three grade schools also. Besides treating the ill she administers tests that are necessary.

Mrs. Estes has a cat named T.T., short for Tiny Tod, because it took so long to grow.

Class Colors:

Class Flower:

The sponsor for the class of '77, Jo Ann Strychalski, had quite a job. Among her many duties were the planning of Senior Switch Day, the Senior Dinner, and taking orders for graduation announcements. Miss Strychalski proved to be an invaluable asset to an appreciative Senior class.

The officers for the Senior class were, FROM LEFT TO RIGHT, Sec., Nancy Walker; Vice-Pres., Tim Perry; Pres., Brenda Treece; and Treas., Tammy Lucas. Besides hanging from basketball goals, the officers helped to decide on class colors, mottos, and class flower. Through their expert guidance, our last year of high school was the best yet.

JACKYE AND FELI

Clinton Prairie High School had the good fortune of having two exchange students this year. Felicitas Malkowski, from West Germany, and Jackye Silva, from Brazil, were students here for most of the school year. Felicitas, whose nickname was "Feli," was a member of the Walter McCullough family for the duration of her visit. Jackye was the guest of the Robert Lesters. While adjusting to school life here was hard, the girls soon learned that school is the same all over. After their routine had settled, Feli and Jackye began the long grind through the school year.

Jackye was kept busy in her spare time with homework from classes such as Practical Grammar, Government and Spanish. Jackye had some problems with the United States governmental system. No matter what problems she had, however, we hope Jackye enjoyed her stay with us.

Feli had somewhat of a hectic school year here. Between her studying for Senior Math, Econ, or U.S. History, Feli was involved in several other activities. She was the girls' basketball team manager and a member of the volleyball team. Feli had the satisfaction of scoring the winning point in the volleyball sectional, helping to clinch the sectional title for C.P.

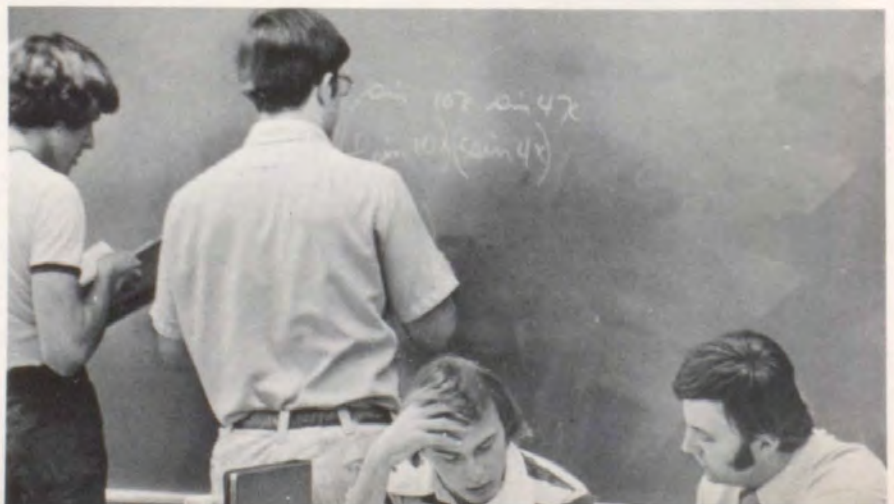

SENIORS

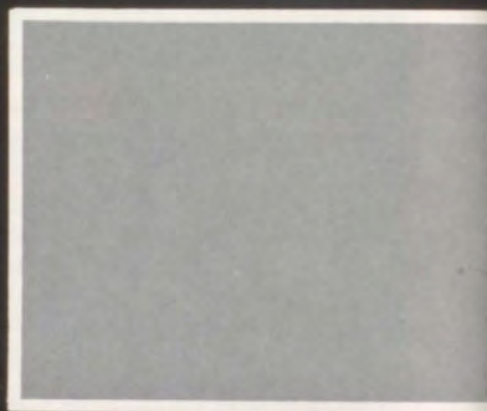

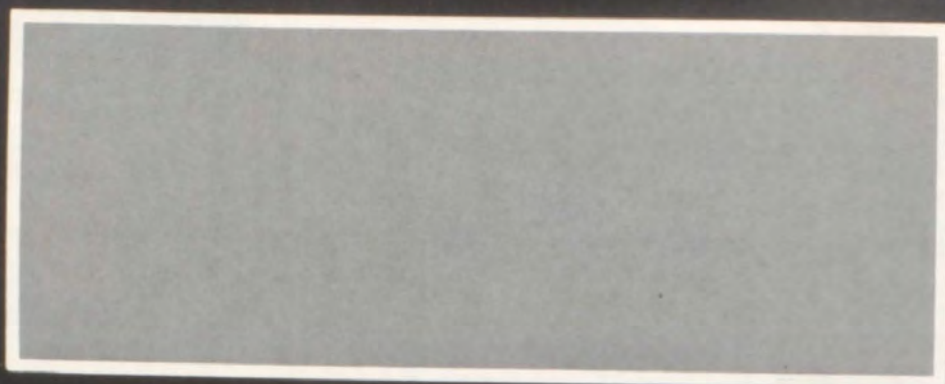

"7
7"

This year's Senior Class shows a lot of promise for the future. They have been called the most educated and the most sophisticated class ever. Here is proof positive.

GETTING THERE

CLASS OF '78

The Juniors began the year faced with the responsibility of raising money for the Prom. Because Homecoming was scheduled early, the Juniors were left with only three weeks to organize the Pork Chop Barbecue. With that project successfully behind them, the eleventh graders began selling candy . . . month after month. Maybe, they're still selling it! P.S. Congratulations! On Winning the Spirit Week competition! Pres., Joan Schmidt; V. Pres., Jim Smith; Sec., Ray Simmons; Treas., Mark Perry.

CLASS OF '79

The Sophomore class has participated in a few activities during the year. Their first project was the ordering of class rings. In September, they participated in the Homecoming festivities by building a class float. They also did a fine job of supporting their class during Spirit Week of the Sectionals. However, they are just looking forward to the end of the school year. Just wait until next year, Sophomores!

Pres., JoAnn Stevens; V. Pres., Dayna Bandy; Sec., Julie Nydegger; Treas., Patty Minth.

CLASS OF '80

The Freshman began their high school career with an enthusiastic effort to build the first-prize winning float for Homecoming. Although the dress-up month for 9th graders had a few interruptions due to snow, their participation was good. After much hard work, the Freshman also captured first place honors during Spirit Week.

Homecoming

1976

The half-time of a winning game was highlighted by the crowning of Homecoming Queen, Katie Wyatt. Members of the Queen's court were, BELOW, FROM LEFT TO RIGHT: Freshman, Dani Roettger; Sophomore, Lisa Garriot; Seniors Nancy Walker, Queen Katie Wyatt and Robyn Knight; Junior, Kelly Lester

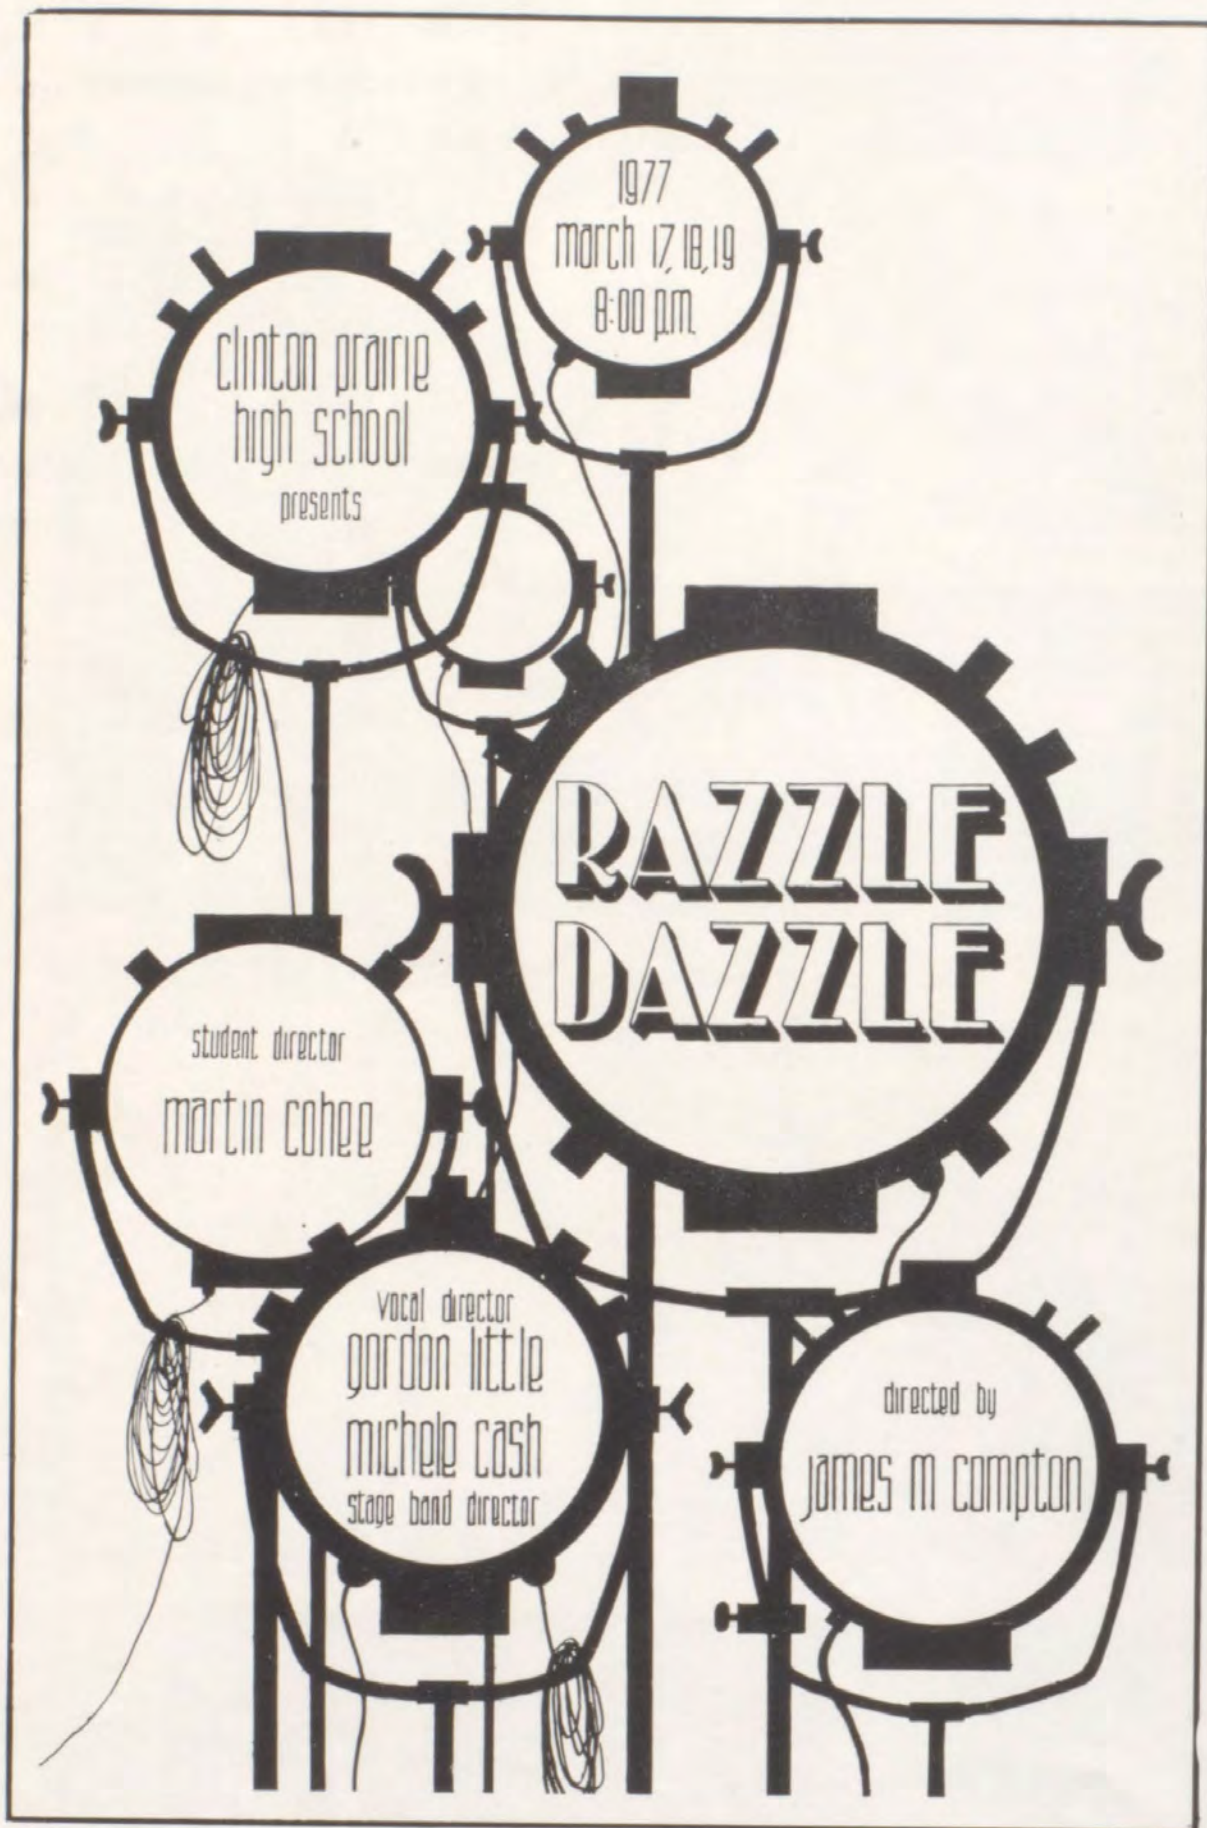

A spirited pep session was only the beginning of a successful Homecoming. The evening began with the Juniors' annual Pork Chop Bar-B-Q, in the Multi-Purpose Room of the High School. In the float competition first prize went to the Freshmen Class, followed by Atalanta, Industrial Arts, Cheerleaders, and F.F.A.

Coach Cook's victorious Gophers posted a win over Tri-West Hendricks for the first Homecoming win in five years.

Student Council sponsored the Homecoming dance, featuring "Bodacious."

"SHOW TIME"

" CURTAIN UP -- LIGHT THE LIGHTS..."

Variety show has been the highlight of my past five years of school. Being Student Director in my senior year was a tremendous honor and responsibility. It was truly a pleasure working with all who participated.

Every year at Sectional time, classes competes in several activities to arouse school spirit. Students decorate halls and bulletin boards; have spelling games and yelling competitions. All activities are in support of our Varsity basketball team, which beat our long time rival Clinton Central in our Sectional open.

A WINTER

"A Winter Wonderland" was the theme of this year's Christmas Dance held December 18 at the High School.

Mindi Clawson was chosen queen from her court which consisted of members of Sunshine Society. Jeff Wilson was elected king from several members of FFA.

The Zionsville stage band provided entertainment.

(AT RIGHT) Mr. & Mrs. Christopher and Mr. & Mrs. Logan enjoyed the dance as chaperones.

It was my privilege this year to act as student director of the fall play, "Up the Down Staircase." I really enjoyed working with the other students. They were all just great and did a terrific job. During the weeks of rehearsal and preparation, I learned to appreciate more the man who put it all to-

gether. Mr. Moyer put everything he had into the play and it paid off. I'm so glad I had the chance to be involved with the play and to work with Mr. Moyer and the cast. It will be something I will long remember.

"Up the Down Staircase" was a rewarding experience for everyone involved in the play. The students learned that their teachers must also endure unpleasant assignments made by supervisors. Students acting as students in the play were helped in understanding their classmates.

As director, I learned the emphasize the meaning of the play more than I have in the past. This year's school play was to provide some insight into problems at other schools and at Clinton Prairie, so problems may be solved or avoided in the future.

The Long And Winding Road

The 1977 Junior - Senior Prom and banquet, "The Long and Winding Road," was held Saturday, May 14 at Howard Johnson's in Lafayette.

Krista Krammes was crowned Prom Queen, and Tim Perry was chosen King. Colleen Dickerson and Mike McCart were crowned Princess and Prince.

Members of the court included Sheila Lewis, Garry Pullen, Kim Virgin, Allen Rutan, Carl Loveless, Pete Weflen, Sarah Bush, Annette Beaver and Tammy Lucas.

THE GRADUATING CLASS OF 1977

Commencement exercises for the Class of 1977 took place May, 22, on a warm Sunday evening. In addressing the graduates, United States Senator Birch Bayh encouraged them to be individuals and to strive to meet their goals. Fortunately for the graduates, the exercises were brief and after the tassel ceremony, the graduates were off to their various futures.

Sporting a 1-9 record, the Cross Country team didn't have one of their better years. Several injuries to the leading harriers plagued the team and forced Coach Smith to look to younger, less-experienced runners for support. But, we must congratulate these athletes for competing in one of the most grueling and demanding high school sports. Even though the team had a disappointing season, there were still some bright spots this year. The leading runner at the end of the year and Most Valuable Runner was Randy Cooper; the Most Improved Runner was Chris Ream; and the Most Consistent Runner was Tom Percy.

The 1976 football team had a strong year finishing with a 5-5 record against a very tough schedule. The squad played 6 opponents that were ranked in the state's top 20. Senior full-back, Ben Zobrist, broke the school's season rushing record by gaining 852 yards and his Senior running mate, Mark Funk, also had over 700 yards. Quarterback Lance Loveless, led the Rangeline Conference in passing as a Junior. Joining Zobrist, who made all-conference linebacker, on the all-conference team were lineman Ken Tague and Mike Caldwell and defensive back Tim Gascho. Although the team loses 11 outstanding Seniors next year's team will have 11 returning letterman. Hopefully, the '76 football team started a winning tradition at Clinton Prairie that will last.

The 1976 version of the Clinton Prairie volleyball team was highly successful. Facing what was considered a possible rebuilding year after losing five seniors from last year's Sectional championship team, the girls finished the year with an outstanding record of 20-3. This team's many accomplishments include: winning the Rangeline Conference championship, hosting and winning an eight-team invitational, and winning their second straight Sectional championship.

WRESTLING: A SHORT SEASON

This year's wrestling team under the direction of Coach Caplinger, had many outstanding individuals. Ken Tague placed second in the sectionals and urn a chance to participate in the regional. Bill Hawthorne and Dean Newhart won their respective weight classes in the Rangeline Conference. Tim Gascho was undefeated in regular season competition. The team's overall record of 3-3 wasn't as good as expected. This can be, in part, blamed on the fact that the team lost 6 meets to severe weather conditions.

After getting off to a slow start, this year's basketball team won the last five home games of the season. The team was led by senior Mike Caldwell and junior Dan Cochran. Caldwell shattered the school rebounding record by getting 29 caroms against Western Boone and Cochran led the county in scoring with a 21.1 average. Only Pete Weflen and Randy Cooper join Caldwell in graduation so next year's team has an experienced nucleus of Juniors-Jamey Chaney, Dave Marty, Carl Padron, and Dan Cochran, and Freshman Rowdy McKee.

Rebounding Award: Mike Caldwell; Assist Award: Mike Caldwell, Dan Cochran; Defensive player award Dave Marty; Field Goal Percentage Award Mike Caldwell; Mental attitude Award: Pete Weflen.

B-TEAM: A SUPER SEASON

Under the direction of Coach Tony Cook, this year's B-team had another excellent season. Led by Junior Mike McCart, the team's Outstanding Contributor, the squad finished the season with a 14-6 record. Supporting McCart's efforts were Juniors Roger Bennett and Garry Pullen, the Free Throw Award Winner, and Sophomores Chris Ream and Gordon Gilmore, who were tied for the Rebound Award. Things look bright for the future with a fine group of Basketball players moving up to the Varsity for next season.

This year's freshmen team had a very respectable record of 7-4. This record was somewhat of a disappointment to a team that went through their 8th grade season undefeated. Coach Blades starting five of Glenn Pullen, Bob Ramsey, Kurt Milnes, Linzy Donoho, and John Robertson could never get on track because 5 of their games were cancelled due to the severe weather conditions. But this team should make excuses to no one; they played a tough schedule, including Lebanon in our freshman toumey, and still had a winning season.

The Girls Basketball team at Clinton Prairie is accustomed to losing, so this year's 3-10 record was very frustrating to Coach Garrett. This team was very young, with Tammy Lucas being the only senior trying out for the squad. She was injured in mid-season and wasn't able to return for the rest of the year. Diana Thompson, another key performer was out early in the year with injuries but she'll be returning for another season. With the whole sectional team returning, led by leading scorer Jill Davis and Leading rebounder Tina Southern, next year's team should be more successful.

The 1977 Golf team had a record of 4-10. This may not seem like a highly successful season but, it does indicate an upswing in the fortunes of the golf team of this school. This record is one of the best golf records ever recorded in the short history of golf at Clinton Prairie.

Leading the team were Brett Davis and Mark Skiles, the two players with the lowest seasonal averages. Other leading players were Jim Rohler and Jay Bailey who jointly own the new school record of 40 for 9 holes.

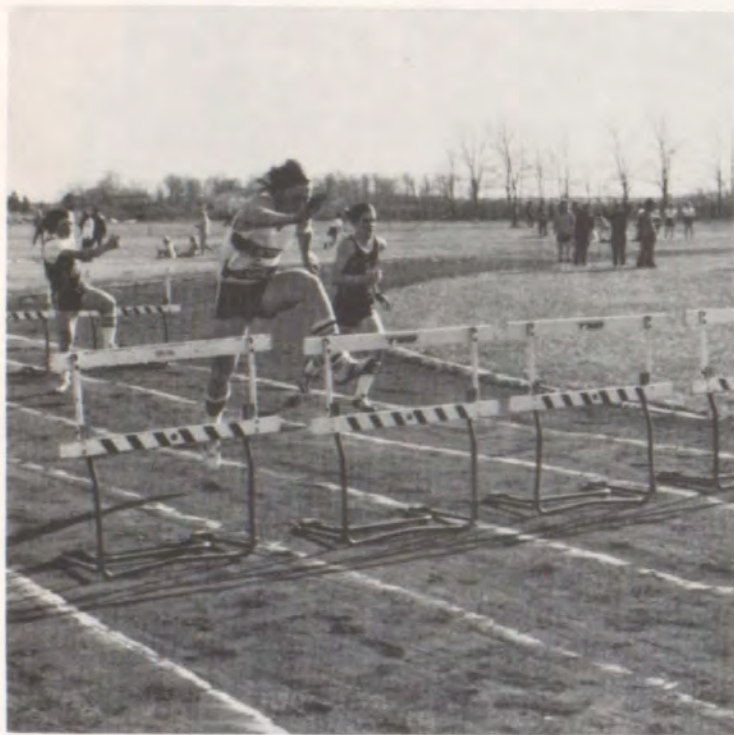

Even though this year's season could be termed successful things look brighter yet for next year because all members of this year's sectional team have another year of high school eligibility.

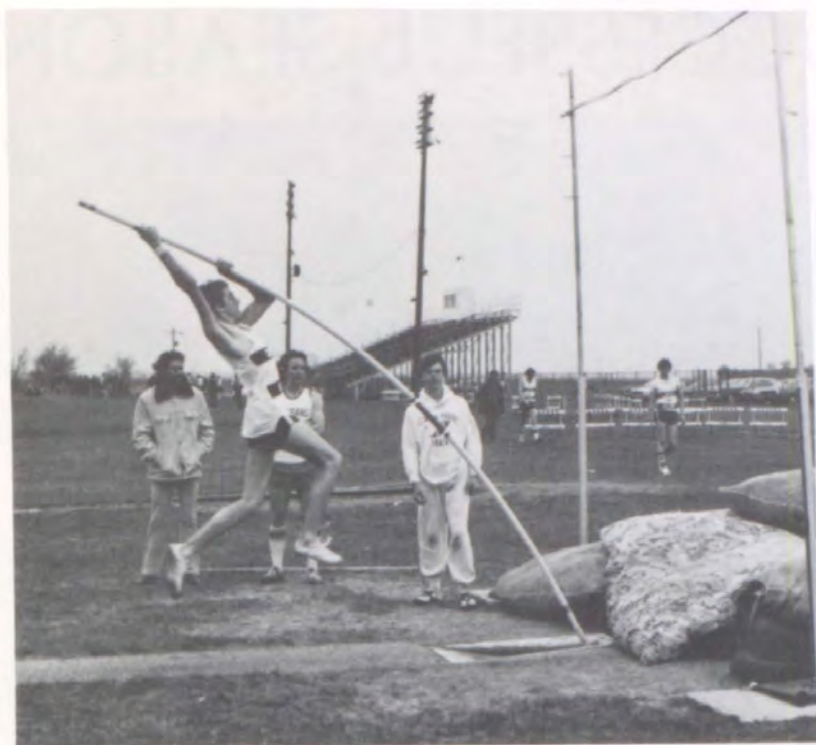

Track: A Frustrating Season

The 1977 track squad was led by Captain Kyle Poppe and most valuable participant Mike Biesecker. Biesecker tied the school record of 10.3 in the 100 yd. dash and broke the school record in the 440. Both Poppe and Biesecker scored over 100 pts. for the team.

The team finished with a 2-8 dual meet record. On the more promising side, they finished 2nd in the Delphi relays and 3rd in the C. Central relays.

Going to the final game of the Frankfort Sectional, Coach Cook's young and, somewhat, inexperienced baseball team showed the spark of life that had been hoped for throughout the season. WE KEEP MOVING ALONG
RIGHT ON, RIGHT ON, RIGHT ON!

It's always easier to get excited and yell and cheer when your team is winning - but a cheerleader's job requires much more than that. Fortunately, this year's varsity squad had a whole lot to cheer about. You saw Janet, Nancy, Ruth, Mindi, and Captain Katie at all the football and basketball games. But, they also supported the other athletic teams and attended many of their contests as well.

The girls started practicing in the summer and continued practicing twice a week during school. With planning pep rallies, baking cookies and learning new cheers, the girls were kept busy.

A new addition this year was the presence and "support" of five senior guys who added new life to the squad's skills. For the first time Don, Ramon, Jeff, Craig and Vince found themselves wondering if cheerleading was more work than play.

It was a good year-athletically. And the Varsity cheerleaders gave all their support to the teams and did a terrific job.

B-TEAM

B-Team cheerleading is often the most trying time in a cheerleaders' life. There were very few B-Team football games this year, and when there were, about the only people present were the parents the team and the cheerleaders. For basketball, Kim, Penny, Jill and Susan often cheered before empty seats for several quarters. It was discouraging at times; frustrating, too . . . but, most of all, enjoyable!

FRESHMAN

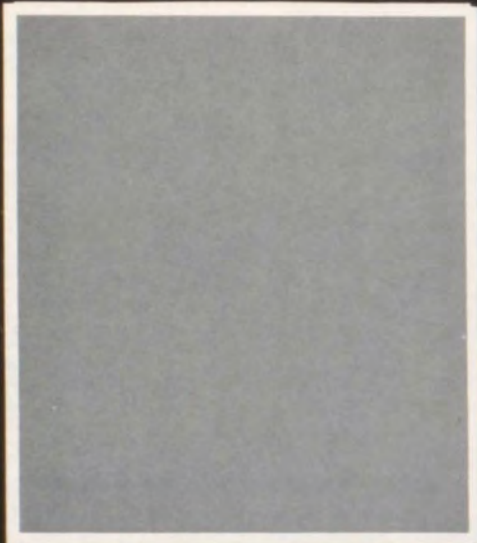

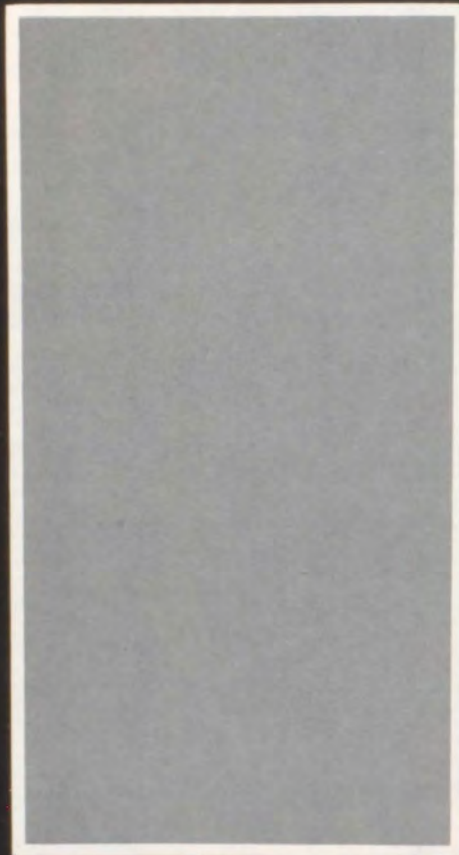

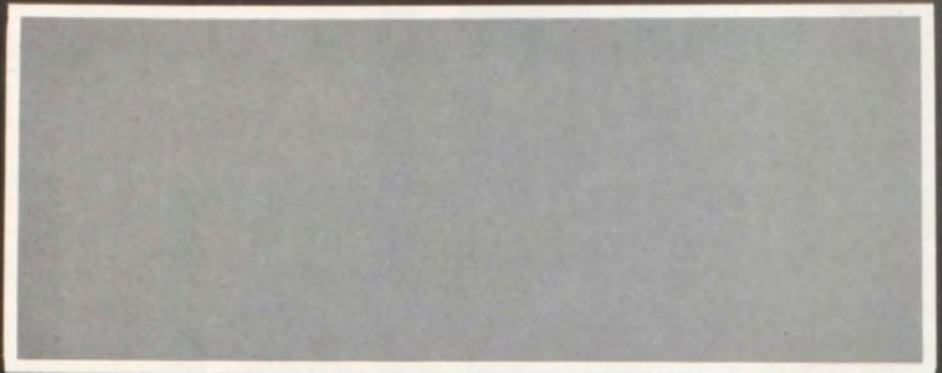

JoAnn, Tracy, Sharon and Dani worked together many long and hard hours perfecting many cheers and chants. Although they missed a few jumps, formations and mounts, the girls strongly supported their teams and had a good time doing so.

SPORTS: AN OUTSTANDING YEAR

Athletics is a major part of life during the high school years. The sports at Clinton Prairie range from Junior High girls track to Varsity Basketball but no matter how many people come to watch the athletic event the competitors take it seriously and learn from it. This is the importance of competition and Clinton Prairie has done a good job providing different sports opportunities for a wide variety of people.

JUNIOR HIGH SPORTS

This year's Junior High Cross Country team ran like greased lightning in their meets. They will provide a shot in the arm for Prairie's Sr. High Cross Country team. These promising young runners were, coached, by Mr. Dennis Kas.

If you came to any Junior High football games you saw a lot of winners run off the field. The 7th grade team, coached by Mr. Fink saw six victories, one loss and one tie. The 8th grade team coached by Mr. Adamson had 3 wins, 5 losses.

Although this year's Junior High Choir, directed by Mr. Little, did not perform in a profusion of concerts, they gained experience by performing in a large musical group.

The Seventh Grade Band directed by Miss Cash has performed in the Christmas and Spring concerts this year.

The Jr. High Student Council sponsored two major projects this year. In the fall they organized a corn jamboree to raise money. The student council, advised by Mr. John Elliott, had a dance in February. The students elected Jim Jarrell and Renee Reagan for king and queen and Charlotte Douglass and Mark Neal for princess and prince. The officers for the Junior High student council are President Brian Benefiel; Vice-President Kelly Coapstick; Secretary- Treasurer Terri Cleaver.

JUNIOR HIGH LEADERS!

Cheerleaders

The Jr. High cheerleaders had a lot to cheer about this year. Both squads put in many hours of practice for each game. On top the eighth grade cheerleaders are Kelly Coapstick, Renee Regan, Amy Smith, and Lesa Shoemaker. The seventh grade cheerleaders are Mindy Quinlisk, Barbara Boldt, Charlotte Douglass, and Marianne Smith.

Student Council

The 7th and 8th grade classes each had their own officers. It was quite an honor for these students to be elected to these positions. The 8th grade officers are Renee Regan, president and Nancy Hester, vice president. Kent Young is the president of the 7th grade class and Steve Walker is the vice president.

JR HI GIRLS SPORTS

The Junior High girls had three sports team. Available to these female athletes were volleyball, basketball and track. Seventh and eighth graders fused together to make up these teams, all three which were coached by Mrs. Cheryl Kas. The reward these girls received for their hours of long, tiring practice was many victories and a lot of fun.

The Athletic Junior High girls shown here are displaying their talent on the court and on the cinders.

The 7th and 8th grade basketball teams, coached by Mr. Dennis Kas and Mr. Tom Borges respectively, had above average seasons this year. The 8th grade team finished the season with an outstanding record of 10 wins and only 5 losses. The seventh graders had a very close season with a record of 6 wins and 9 losses. The Junior High basketball teams have lots to be proud of this year.

JR. HIGH WRESTLING AND TRACK

* The Junior High wrestlers had a rough time this season. They were rallied to the cause by Andy Adamson and student coach Joe Bush.

Coach Tom Borges guided his young cindermen to many victories this year. This years track team had many participants which have collected much experience for their upcoming high school years.
