Good times...

In Class . . .

The students at Clinton Prairie spend at least six hours a day in class, a big part of their lives. In some classes we see heads bent over books (eyes open and shut), in others we find a lot more action. Readin' and Writin' provide many hours of entertainment, but occasionally we put our hands and bodies to work, as well as our minds, in shop, P.E., Home Ec., or Art.

This year we've added two new courses to our varied curriculum. In Home Repair and Improvement, taught by Mr. Holsopple, we learn everything from how to install light fixtures to hanging wallpaper. "Living and Learning with Computers", tutored by a new aide, Mrs. Carmichael, is a mini-course for seventh graders. It includes basic computer operations and simple programming techniques.

Students put their talents to work in many areas. Dan Voltz works diligently on his model home, while Brian Benefiel is amazed at his lathe cleaning talents. Meanwhile, all students are busy doing their thing, *even if its not quite what the teacher expected.*

In class...

IN SCHOOL . . .

... But out of class, CP is the scene of many different events.

Mr. Garhart had two strange little creatures visit him from outer space, and Paula Smith turned herself into a reindeer!

Lunch hour seems to be the favorite class of most students, while others prefer the nooks and crannies of the hall to meet with their sweethearts.

Meanwhile it's business as usual with Mrs. Sims and Mrs. Price in the office. Now for the rest of the faculty and student body???

In school...

AND AFTER 3:00!

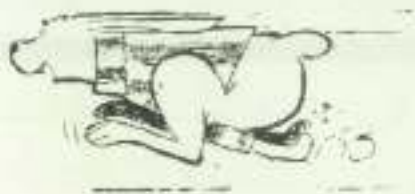

After 3:00 p.m. a variety of things take place. Some students stay for sports, practices, and club work. Others go to their jobs, and some choose to just go home and relax. Besides students, some teachers are also involved in after school activities. There are teachers' meetings, coaching, and the helping of individual students, or taking tickets at games. There is *always* somebody at C.P.!

THINGS REALLY START MOVING

Yes, things really start moving after school. You can see and definitely **hear** at least three different cheer groups practicing in the halls at one time. At the same time, the Emerald and Gopher's Den staffs can be found feverishly working to meet that next deadline. In the gym, basketballs are bouncing... off the floors, walls, and even students' heads. Meanwhile the wrestlers are running around the gym's perimeter dressed in ten layers of clothing to sweat off those few extra pounds. Is it all worthwhile? **YOU BET!**

And after
3:00!

SPECIAL SPOTLIGHT...

FROM JAPAN...

I attended an all girls high school in Japan and lived in Sendai City. Now I have lived in a strange country for one year. I have attended a normal American high school. When I first came to C.P., I felt like no one liked me. I was really scared to stay here by myself. Now that I've made new friends I realize it was my fault. I was so shy I didn't talk to anyone.

I don't understand U.S. Government or U.S. History yet. I really like Typing and Spanish. At my high school they don't offer these classes.

I like participating in Pep Club, Spanish Club, and Mat Maids. It's hard to yell the cheers in English but it helps me understand the language better. I really like all American food, especially hamburgers.

I am a Buddhist and I wear my Kimono at home in Japan.

Chiyoko Sugawara

Suzanne Carvalho Burner

FROM BRAZIL...

The experiences I have had here are very important to me. Everything is so different, especially the language. When you start to understand it, things come easier. It's very important for Brazilians to speak English. They need it in their jobs.

Americans eat a lot of rich and fattening foods, like sandwiches and doughnuts. The American girls also wear more make-up.

In Brazil, the temperatures are hot all year, except in July when it rains and turns cooler. We go to school all year except for one month break in July and at Christmas until February. Classes are not the same every day in Brazil as they are here.

I like C.P. very much. It's so organized and has a variety of classes. The students like sports and are very lively. Brazil doesn't have cheerleaders or bands in school.

I like this country very much and would really like to return, if it's possible

FROM BRAZIL . . .

Before my arrival here, I already learned a lot of things about the U.S.A.; some at school and some on my own. But only when a person lives in a country does a person really know about the place. In some countries the people don't have a national feeling like the Americans. I have read a passage from the Thirteen United States of America that says "... all are created equal, that all are endowed by their creator ..." but I didn't know that the theory applied to the actual practice so well. Here everybody is equal, and people of different colors work and live together. To be a worker here is an honor. Here the people work hard to get a better life. That's why I love the U.S.A., and I think the experience the exchange students like most is: to get the American spirit.

Richard E. Rensand

FROM BRAZIL . . .

I like America very much. I like the American music and the pretty American girls. I have a nice family and I make many friends at school. Also, American food is different and good. I like my teachers in school, but sometimes I don't understand what they are saying. Here everything is different from Brazil.

My best experience is living with an American family. Seeing my first snow was a good experience, and I also like the cold weather.

The eighth grade class was just getting settled into the Clinton Prairie way of life this year, and they did a great job of it.

The Gopher Gazette polled the eighth grade class to see what they thought about school, government, and other strange subjects. In school matters their favorite subject by far was math. 25% of the class participated in basketball. 51% of the students felt that the Jr. High was not fairly represented in the school. On political issues they were anti-nuclear by a majority of 57%, and were opposed to women's lib by 60%.

As you can see, the class of '84 is a very idealistic bunch; let's hope they stay that way.

The officers of the class of '83 were President Gordon Smith, Vice-President Brad Neff, Secretary Lisa Newhart, Treasurer Hope Young. Our commendable sponsors were Mrs. Davis, Mr. Murray, and Mr. Svoboda. Homecoming representative was Staci Bond and Hardwood was Karen Short. Our great class won Spirit Week. Way to go Freshman!

IN MEMORY
OF
JAMES E. WOODY

The Lord is my shepherd;
I shall not want.
He maketh me to lie down in green pastures:
He leadeth me beside the still waters.
He restoreth my soul:
He leadeth me in the paths of righteousness
for His name's sake.
Yea, though I walk through the valley
of the shadow of death,
I will fear no evil: for Thou art with me;
Thy rod and Thy staff they comfort me.
Thou preparest a table before me
in the presence of mine enemies:
Thou anointest my head with oil:
My cup runneth over.
Surely goodness and mercy shall follow me
all the days of my life:
And I will dwell in the house
of the Lord forever.

Football: Best Ever!

CP FOOTBALL FIELD — Probably no one would have thought five or six years ago that CP would be known as a school of football tradition. It's happened so fast. Coming from a record of 2-8 two years ago to 8-2 this year, the program has been completely turned around. Coaches Dick Caplinger, Nick Baker, and Dan Hilgediek have put in many long hours to bring out the talent of CP's football players.

This was definitely Prairie's best season ever. The lone losses were to Sheridan (20-15) and Hamilton Southeastern (18-15). The loss to state rated #3 HSE, and eventual IHSAA runnerup, was the most heartbreaking game ever seen by the CP fans. With hopes of having a three way tie for the conference, the Gophers were hoping to knock off the Royals. CP started off strong in the 1st half by destroying HSE 15-0, but then in the 2nd

Brewer (Outstanding Running Back, All Conf.), Coach Hilgediek, Coach Baker.

half HSE came back to tie it up. There were just 17 seconds left in the game when the Royals surprised the Gophers, as well as themselves, with an amazing field goal to win the game.

There were many highlights of the season such as Homecoming, Clinton Central, Zionsville, and Carroll. There were also some very unusual occurrences. One of those occurrences was the mysterious disappearance of the official yellow flag during the Carroll game.

He got his flag back, thanks to the seniors, but on the next play Kent Brewer ran one of his longest TD's of the year to prove to the ref that we didn't need HIS flag anyway.

To complement the team's success the entire squad hosted a pork roast in appreciation of the coaches and parents. This was a very special time for the seniors as they expressed their gratitude for being a part of CP's NEW TRADITION.

CP's Football Future

GOPHERDOME — Coached by first year mentor, Dan Hilgediek, the junior varsity football team proved to the fans that winning is now a tradition at CP. With the varsity getting most of the praise, these guys were easily overlooked. Just ask any varsity member and he will tell you that if it weren't for the J.V., the varsity wouldn't have been 8-2. It takes a lot of courage to go out to

practice every night knowing that your job is to prepare the varsity for the upcoming game. Despite the lack of preparation for their own games, they finished their season in style by winning their last four games in a commanding way. This team may have been slightly overlooked this year, but the next couple of years will be all theirs.

JUNIOR VARSITY FOOTBALL (Left to Right) — **Front:** M. Minth, J. Campbell, B. Myers, D. Martin, D. Miller, K. Padgett, P. Stevens; **Back:** G. Smith, J. Myers, J. Grissom, J. Fisher, T. Haughs, J. McKinzie, B. Neff, Coach Hilgediek.

7th, 8th Grade F-Ball

GOPHERDOME — The seventh grade football team, coached by Mr. Dick Murray, had an excellent season of 4-2. Bruce Myers ran for over 100 yards every game, and Brian Campbell led the defense. There will be a lot expected from them in the future.

GOPHERDOME — The eighth grade football team, coached by Mr. Jack Clemens, had a good season despite a 2-6 record. Alan Hester was the team's leading rusher and Ken Stevens led the team in tackles with 62. This team will be a welcomed addition to the varsity team in a few years.

Volleyball: CP Style

CP ARENA — To many schools, the name "Clinton Prairie" automatically means volleyball. This year was no exception. The girls again completed an outstanding season by posting a 24-5 record, the most wins of any Gopher volleyball squad. They won the conference outright 7-0, and also won the first ever conference invitational.

After winning the sectional easily, the girls' dream of the State Finals fell a little short as they were ousted by Regional Champ, North Mont.

This team was truly an enjoyable team to

watch. The unselfish play of all the members complemented their success. The five seniors finished their high school careers in style. CP will miss: K. Downs (All Conference, Top Setter, co-capt.), D. Gick (Top Server, co-captain), T. Lucas (Most Improved, All Conference), T. Southern (Top Defensive Player), A. Price, D. Rains, and B. Graham, but will still be strong with players such as; D. Thompson, L. McKinnis, M. Smith, and B. Gick.

You've gotta' be kidding!

VARSITY VOLLEYBALL — 1st row: T. Lucas, D. Gick, A. Price; 2nd row: D. Thompson, B. Graham, D. Rains, T. Southern, Coach Garrett; 3rd row: B. Gick, L. McKinnis, M. Smith.

JV Volleyball

CP ARENA — One of the successful sports at CP is the tradition rich volleyball program. It is always natural to hear that CP has won a volleyball game. From grade school to varsity, "Bump, Set, Spike" is a common phrase heard throughout **GOPHER LAND**. This year's Junior Varsity Volleyball team of coach Overfield showed how superb CP's feeder system is. Improvement is always stressed.

Even though the varsity was the main attraction, these girls worked just as hard to become more competitive. Our program is so strong that these girls could probably defeat many other varsity teams throughout the state. They will get their chance in the coming years to continue the success of CP's volleyball program as they move up to the varsity level.

JV VOLLEYBALL — *1st row:* D. Chaney, S. Smith, K. Glick; *2nd row:* L. Stambaugh, K. Brewer, M. Taylor; *3rd row:* B. Smith, Coach Overfield, J. Pietch.

Bump, Set, Spike

Cheeze!!!

CP GARDENS — The Jr. High volleyball team had a productive season this year with good records for all three teams. The "A" team finished at 3-5, led by Cathy Cochran, Denise Harlan, and Monica Smith. The "B" team had the best record, finishing off at 6-2, with Kristen Johnson as the girl to watch. For the "C" team, it was 2-1, with Tracy Krammes leading in serves.

Even with their great season, the big event of the year was the victory of the county tourney, which was a big achievement for all the girls. When it was all over, the team had really proved that CP is going to have a great volleyball team in the years to come.

CROSS COUNTRY COURSE — This cross country team was a team of many accomplishments. Coached by Bob Smith and Dennis Kas, the team excelled to complete another outstanding season. Their dual meet record was 8-3, and they placed 4th in the conference. To add to their success they defeated all of the county schools. The team ran to a fifth place finish in the sectional and qualified for the regionals for the first time in CP's history, where they placed a respectable 10th.

One of the outstanding runners was senior Tom Percy (all conference for the 2nd year, 13th in the regionals). Tom had led the cross country team for four years and finished as one of CP's best ever. Senior R.K. Gascho, despite injuries, also contributed to the team. Next year's team will still be a strong competitor with people like Mark Timmons, Mike Delaney (Most Improved, all conference), Bob Delaney (Mental Attitude), Bobby Shurr, and Dennis Moore coming back.

The success of the girls' athletics took another step forward on the cross country course. Tiny Kelly Smith, all 100 lbs. of her, was the first girl ever on CP's team. She embarrassed many boys with her running ability, and proved to be a state contender. She placed as the **NUMBER ONE** senior girl in the state and ran fifth overall.

Runners & Grapplers

CP ARENA: The Jr.-High wrestling team, coached by Mr. Bostwick, had a 1-2 record. Having only a couple of weeks to prepare for the season, they did a good job. They also placed 4th in the Sheridan Invitational and 5th in the Westfield Invitational, where Mark Gillen and Larry Fish got first places. Brad Stiedle and Mark Letanosky were named the captains. All the boys will be a welcoming addition to the varsity next year.

CP CROSS COUNTRY COURSE: The jr. high cross country team, coached by Mr. Riggins, had a good season with a 4-3 record. Mark Padron came in first in every meet and set a new jr. high time of 8:19. These boys will make the varsity team strong in years to come.

Girls Varsity B-ball

CP ARENA — Again the girls of Clinton Prairie showed their superb athletic ability. The basketball team was no exception to their continued success. By capturing the Range Line crown for the second consecutive year, they almost assured themselves of the Girls All Sports Trophy. Coached by Miss Garrett, they finished the season with a 12-5 record and a 5-2 loop record. This team had their ups and downs, but the ups far outweighed the downs. One of the high points was

the conference clinching games with Clinton Central. The girls know the low points and the Sectional was definitely one of them. It just wasn't their night and unfortunately it was the last night in a Gopher uniform for Tracy Lucas (Free Throw Award), Debbie Gick, Kathy Huffer, and Tina Southern. Next year, however, should be another successful year according to Deb Thompson (Mental ATT), Rhonda Fish (Most Improved), and Marianne Smith (MVP).

VARSITY GIRLS BASKETBALL — 1st row: R. Fish, T. Southern, D. Thompson, M. Smith, Mgr. B. Graham; 2nd row: B. Gick, T. Lucas, D. Gick, M. Hudgens; 3rd row: K. Huffer, Coach Garrett.

JV Girls Basketball

CP ARENA — The JV girls basketball team was coached by another first year mentor, Deb Cripe. The team was led by captains, Kim Brewer (outstanding contributor) and Brenda Smith. Throughout the year the girls showed a lot of improvement. Their biggest asset was the dedication to become better. They started the

season rather slowly, but then picked up momentum by defeating conference foes, Hamilton SE, Sheridan, and Westfield. They proved to be an exciting team by playing four games in overtime, but unfortunately, they lost three of them. With this enthusiasm, it won't be hard to regenerate the excitement for the coming years.

JV BASKETBALL — K. Brewer, C. Douglass, S. Smith, D. Chaney, L. Lenehan, J. Pletch, B. Smith.

This year's Jr. High girls' basketball team was coached by Miss Kimmel, who worked diligently with the girls. She was aided by Miss Betty Percy, who also coached the "B" team.

The "B" team had a record of 4-2, going undefeated until the last two games. The "A" team was 0-8, but despite a bad season, they never gave up trying. A handpicked tourney team also managed a fourth place in the county tourney.

All and all, the girls on both teams were hard-working and spirited through both thick and thin.

Jr. Hi Sports

"Cardiac Kids I!"

CP HOSPITAL — The "Cardiac Kids" was a familiar term heard on the CP campus this past basketball season. They had a reputation of keeping the game's score close with the opposing team, and then in the final seconds they would STING them with an exciting Gopher victory. It was almost certain that somebody would put in the last second shot or make the clinching free throws to win the game. It must have been a premonition of things to come, for in the first game of the season, Linzy Donoho raced the

length of the floor to lay up the winning basket. These exciting games showed the determination of the team to say "never quit"!

Coach Bobby Smith completed his third consecutive winning season, impressing the point that winning at CP is now a tradition in all sports. This tradition was accomplished by hardwork from all the athletes. Some of the main elements of the success were the five seniors on the team.

VARSETY BOYS BASKETBALL — (Left to Right) 1st row — K. Brewer, T. Smith, G. Pullen; 2nd row: Mgr. J. Senesac, L. Donoho, B. Dirbas, J. Jarrell, K. Milnes, E. Tannahill, B. Ramsey, Mgr. R. Ruckel, Coach Smith.

These five elements were Kent Brewer (Top FT%), Linzy Donoho, Kurt Milnes (Most Rebounds), Glenn Pullen (Most Assists, All State Hon. Mention Academic), and Bob Ramsey (Top Defensive Player, All Conference). The hope that the success continues lies on the shoulders of Brent Dirbas (Most Improved), Jim Jarrell, Tom Smith (Mental Attitude), and Eric Tannahill (Top FG%).

JV Basketball

CP ARENA — Being a member of the Junior Varsity basketball team requires a lot of hard work. Staying after school every night till 6 p.m. becomes monotonous when their main job is to prepare the Varsity for the upcoming game. This group showed a lot of dedication. The guys were determined to improve on each game. With the team consisting of eleven sophomores and three

freshmen, equal playing time for all the guys became quite a job for Coach Blaydes. This valuable experience should pay off in the coming years for Jeff Scott (Most Rebounds, FT%), Bobby Shurr (Most Imp.), Steve Walker (Top Defensive Player) and the rest of the guys as they move up to the Varsity level.

JV BOYS BASKETBALL — (Left to Right) *1st row:* M. Minth, R. Doyle, D. Clark; *2nd row:* B. Shurr, G. Stevens, J. Lee, S. Walker, B. Myers, T. Hauga, J. Scott, K. Young, M. Neal. Not Pictured: J. Ramsey.

"Cardiac Kids II"

CP ARENA — The 1979-1980 freshman "A" team had a great season this year. Their record was 14-3, and they also beat Frankfort! The team won the North Montgomery tourney by beating Carroll in the first game, 52, 47, then later in that day they beat West Lafayette 37-53 for the championship. The freshman led all opponents in

points average by 45.3 to 34.8.

They also did well by shooting .425 from the field and .645 from the stripe. The team went into so many overtimes they acquired the name "Cardiac Kids II". The "B" team had a 7-0 season led by Brett Decker with an 8.1 average. The two teams were coached by Myron Chezem.

FRESHMAN BASKETBALL (Left to Right) — K. Lovelss, B. Decker, B. Neff, K. Padgett, M. Minth, R. Doyle, R. Hamm, D. Clark, B. Dirbas, K. Loveless, B. Rohler, S. Wilson.

8th B-ball

CP ARENA — The eighth grade basketball team, coached by Dennis Kas, had a very exciting season. The "A" team ended up with a 9-6 record and the "B" team had a 0-4 record. Limiting their opponents to 37% field goal shooting, Mr. Kas says they are the best defensive team he's

coached. The team shot 45% from the field and averaged 48.2 points a game. Andy Weaver averaged 23.2 points a game and had 131 rebounds and Alan Hester dished out 54 assists. They defeated all other county teams and had the only 8th grade winning record in the county.

EIGHTH GRADE BASKETBALL — (Left to Right) T. Lucas, M. Gillen, B. Swayne, J. Grissom, B. Michaels, M. Padron, J. Bowen, A. Weaver, S. Villars, M. Price, A. Hester, P. Elliott, D. Clark, K. Stevens, Mr. Kas.

7th B-ball

CP ARENA — The seventh grade basketball team, coached by Mr. Larsh, had a fantastic season. The "A" team had a record of 12-4 and the "B" team had a record of 3-2. Winning the Tri-Central tourney was one of the highlights of the season. The team had balanced scoring with three players averaging around ten points a game, Jon Swackhamer, Bruce Myers, and Jason Swackhamer, who also had 174 rebounds. Jay Pletch played a good all-around floor game. This team should have a promising future.

Gopher Mania

CP ARENA — This years varsity cheerleaders were: Kelly Coapstick, Renee Reagan, JoAnn Senesac, Lesa Shoemaker, and Amy Smith, five hard-working girls. As any one of them will tell you, being a varsity cheerleader is a very important position, since these girls represent the school wherever they go. However, it is also a lot of hard work. Some of their jobs include: planning

pep sessions, helping with the pep club, baking cookies for the team, attending summer camp, helping to select seventh grade cheerleaders, putting up decorations, plus cheering at all the games. As you can see, these girls have a lot of responsibility, and this year's squad has carried that responsibility exceptionally well.

Go! FIGHT! WIN!

VARSITY CHEERLEADERS — (Left to Right) K. Coapstick, R. Reagan, A. Smith, J. Senesac, L. Shoemaker.

Gophers *splitz* to a victory.

Gopher Spirit

CP ARENA — Although the Junior Varsity cheerleaders don't get quite as much recognition as the Varsity, they do just as much work. This year's squad consisted of four sophomore girls: Barbara Boldt, Diane Chaney, Charlotte Douglass, and Marianne Smith. Along with cheerleading, all four girls were involved in sports and many other activities, which meant maintaining a busy schedule. The girls always showed a lot of spirit during both the football and basketball seasons, even when the going got rough.

The boy cheerleaders really "support" the girls. They support them on their shoulders, on their arms, on their backs, etc., etc. The boys sure add that extra spirit at all the basketball games. This year's squad consisted of Doug Colter, R.K. Gascho, Neal Newhart, Tom Percy, Ed Stambaugh, and Barry Vinard. R.K. thrilled the fans with his daring back flips off the top of a human pyramid, while Ed jumped higher, and higher, and higher. All the fans really enjoyed the boys' wild sense of humor.

JV CHEERLEADERS — C. Douglass, B. Boldt, D. Chaney, M. Smith.

BOY CHEERLEADERS — T. Percy, D. Colter, E. Stambaugh, N. Newhart, B. Vinard, R.K. Gascho.

1 ... 2 ... 3 ... JUMP!!!!

We've Got Spirit . . .

CP ARENA — The Freshmen cheerleaders of the 1979-1980 year were; Jackie Senesac, Hope Young, Rana Baker and Lisa Newhart. These girls kept up the morale and spirit of the Junior Varsity football team and the Freshmen basketball team, both! They fought mosquitoes and cold at the football games, and the overtimes at the basketball games. This was probably one of the finest group of cheerleaders assembled at CP.

They not only got the players going but also got the parents active. When the Freshmen basketball team went to the North Montgomery tourney, "these" cheerleaders dressed the team appropriately with corsages for all the players. They also kept the players full of energy by baking them cookies. The Freshmen teams had a lot to be proud of with their spirited cheerleaders.

9th GRADE CHEERLEADERS — (Clockwise) L. Newhart, J. Senesac, H. Young, R. Baker.

YEA TEAM!

Jr. Hi Gopher Spirit

The Jr. High cheerleaders did a great job of supporting their teams this year. Cheerleading is a hard job, and these girls were out on the football field in freezing weather cheering on their team. In basketball, there were some tough games, but the cheerleaders kept up the spirit. These girls were K. Downs, K. Reagan, D. Reagan, and L. Wampler for the 8th grade. K. Johnson, M. Smith, S. Smith, and C. Cochran made up the 7th grade.

Grapplers

CP WRESTLING RING — CP's wrestling teams of the past would be amazed at the accomplishments of Coach Caplinger's and Coach Baker's grapplers. This had to be the finest wrestling team that CP has ever known. By winning 11 and losing only 3, they were one of the most respected teams in the area. Wrestling is an individual's sport, but these guys worked for the benefit of the team by cutting or gaining weight to fill an empty class. Junior Rad Brewer (MVP), after winning the State AAU Championship last year, proved again that he is one of the state's top

wrestlers. Rad and Jeff Steidle (Sectional champs) along with R.K. Gascho, Gregg Young, and Doug Colter (Sectional runner ups) qualified to represent CP at the Lebanon Regionals. Rad won his class and then went on to finish fourth in the Semistate. Despite that most of the team will be back next year, CP will miss the leadership of the seniors Doug Colter, R.K. Gascho, Mark Gillen (Mental Att. & Most Imp.), Gregg Young, and Rick Mahan, as they wrestled for the last time on the CP mat.

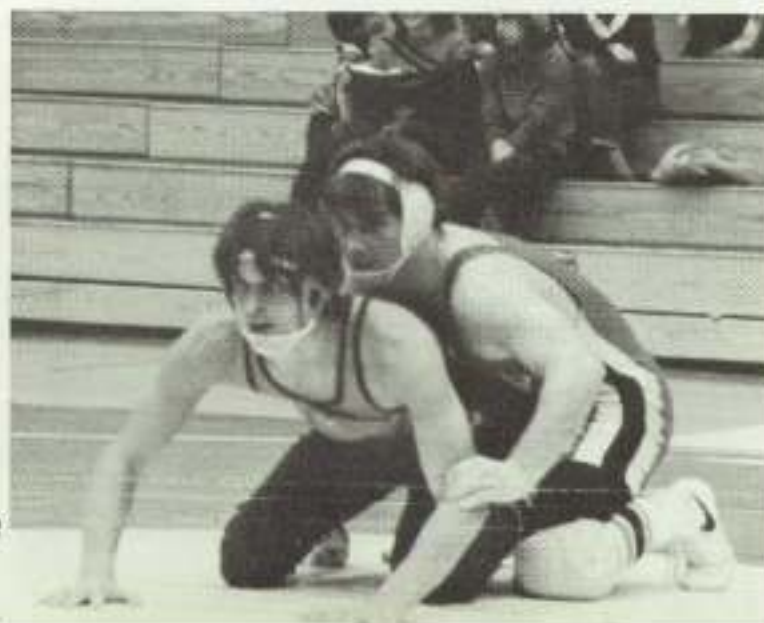

Oh Jackie!!!!

CP EMBASSY: This year something very special occurred at CP. For the first time we had visitors from West Germany. A German Wrestling team came for an exhibition meet with wrestlers from Clinton County.

The meet was a huge success and an overall spirit of sportsmanship and goodwill prevailed. The Boys were housed by our wrestling team, and the two teams became close friends. Perhaps if two competing teams from different nations can get along, so can the nations themselves.

West Germans

The Untouchables

CP OVAL — Coach Garrett's and Coach Overfield's raiders proved again that CP has the superior girls athletic program of all small schools in Indiana. Untouched all year the girls dashed, threw, jumped and ran to a perfect 11-0 record. They won the Sectionals, won the Conference, won the County meet and nearly won the Regionals. No other small school in the state could come close to the accomplishments of our

girls. They ran against names like North Central and Muncie Central. North Central nudged the gophers by one point in the thrilling but heartbreaking Regional meet.

CP did quite well by sending four girls to the State meet, Tracy Lucas, Marianne Smith, Kelly Smith, and Darla Rains. Kelly and Marianne both placed first in the Regionals to lead the team.

VARSITY GIRLS TRACK — *1st row:* Coach Garrett, D. Rains, T. Lucas, A. Price, K. Smith, B. Graham; *2nd row:* B. Gick, Mgr. L. McKinnis, R. Fish, M. Smith, D. Thompson, Y. Keller, Mgr. P. Maxwell, B. Boldt; *3rd row:* K. Gick, R. Baker, H. Young, S. Percy, S. Smith, P. Crows, L. Bryan.

Brenda Graham (Field event award) won the shot put in the Sectionals while Tracy Lucas (MVP sprinter), Kelly Smith (MVP distance), and Darla Rains (Mental Attitude), and Marianne Smith also had Sectional victories. With this kind of success the girls in the future will have quite a job to follow upon. They will do it because our girls are superior.

Jr. High Girls' Track

CP TRACK — The Jr. High girls track team had a great record of 6-1, with their only loss going to the undefeated Zionsville team. Coached by Miss Kimmel, the girls put in many long hours on the track, improving their times, working on handoffs, and trying to jump a little higher or throw a little farther. All their hard work finally paid off in the meets.

Some of the outstanding team members were: Denise Reagan in the 50 meter dash; Mindy Jones

in the 200 and the $\frac{3}{4}$ mile; Becky Lipp for high jump and relays; Sara Smith in long jump and the 400 run; and Cathy Graham for the shot and discus.

JR. HIGH GIRLS TRACK — 1st row: K. Allen, D. Reagan, A. Hester, K. Downs, A. Woodruff, M. Stevens, R. Poppe; 2nd row: Mgr. J. Logan, J. Myers, K. Reagan, A. Swan, L. Bond, A.

Jr. High Boys' Track

CP TRACK — Coached by Mr. Hilgediek, the Jr. High boys' track team had a 2-4 record. They were also in the Sheridan Invitational. Some of the outstanding runners were Brian Keever, Mark Padron and Brian Campbell. Some of the leading field eventers were Todd Davis, Benjie Michael and Larry Fish. This group of runners should make a good varsity team for years to come.

JR. HIGH BOYS' TRACK — (Left to Right) **1st row:** Mgr. J. Senesac, M. Brumbarger, S. Schoenrock, B. Campbell, J. Oesterling, M. Pearcy, A. Hester, Mgr. M. McKinnis; **2nd row:** M. Linscott, P. Track: A Record Year

CP OVAL — As a person walks through the lobby and looks at the Varsity Boys track record board, he will notice that all of the running events have the year 1980 after them. This year's team had the privilege of running on the new all weather track. Because the new track was measured in meters each trackster had a good chance of getting his name on the record board.

Coach Chezem and Coach Riggins guided this year's team to the best ever season of 7-2.

The team placed 2nd in the Delphi Relays and the first ever County Meet. They placed 3rd in the conference meet.

Next year's team will miss the seniors Bob Ramsey (Mental Att), Kurt Milnes (MVP), Linzy Donoho (Outstanding field events), Mark Gillen, Gregg Young, and Tom Pearcy (Outstanding Long Distance). We will still have strong people like Eric Tannahill, Kent Young (Outstanding Sprinter) and Steve Walker (Most Improved).

BOYS TRACK — *1st row:* L. Donoho, T. Pearcy, M. Gillen, K. Milnes, B. Ramsey, G. Young; *2nd row:* D. Moore, B. Benefiel, K. Young, T. Owen, M. Timmons, J. Jarrell, Mgr. G. Smith; *3rd row:* Coach Chezem, S. Walker, B. Abbott, M. Delaney, D. Clark, B. Robertson, Coach Riggins.

Swingers

CP COUNTRY CLUB — This year's golf team filled their role here at CP by keeping up with the new successful sports program. They, like many of the other sports, had the best season ever for a CP golf team. Coach Murray has changed the entire golf program around with much hard work and dedication. He directed the team to a 10-9 record, a 4th place conference finish, and an 11th place finish in the sectionals, all of which are the best ever for CP. The team set new records in both 9

hole and 18 hole courses. Robert Janz (MVP, Mental Att., All Conference, Tied school record), Cris Bailey, Neal Newhart, Bobby Shurr (Most Improved) and R.K. Gascho were all the reason for the team's success.

This year's reserve golf team also had a super year. They had a record of 6-3. John Waldron, Brett Decker, Brad Spencer, Marty Lipp, Brian Rohler, Jeff Senesac, and Kevin Mohan should help Prairie's golf program remain successful.

GOLF — *1st row:* B. Spencer, K. Mohan, B. Rohler, J. Senesac, B. Decker, M. Lipp; *2nd row:* Coach Murray, N. Newhart, B. Shurr, C. Bailey, R. Janz, R.K. Gascho, J. Waldron.

CP GYM — CP was the site of a great event in April. It was first ever donkey basketball game in Prairie's history. The first half of the game was played between the senior athletes, and the second half was between the Athletic Boosters and faculty. All the players were willing and eager, but their donkeys had other ideas. The audience found this to be VERY FUNNY.

Strike 3 . . . You're Out!

BEANFIELD FRONT STADIUM — Baseball, like the other sports at CP, has been a program of new success. Coach Blaydes' and Coach Kas' gophers finished the year with the most wins of any CP baseball team by going 11-11. They finished a respectable 4-3 in the conference. The Gophers went into the sectionals with hopes of capturing all the marbles. They made it two thirds of the way by defeating Frankfort and Carroll, but then lost a heartbreaker to Western by a score of 3-2.

CP has a lot to be proud of with this team for

they came back strong in the sectionals after having a slump in the middle of the season. CP's record is a little deceiving. The competition that they played in was pretty stiff. The Gophers were county champs by defeating all county schools. CP will miss the leadership of the seniors Barry Vinard (Most Imp.), Roger Janz, John Ahler, Mike Hunter, Glenn Pullen (All Conference), and Rick Mahan, but with the talent of Tom Smith (MVP, All Conference) and Ron Ruckel (Most Imp.) next year should be another successful season.

VARSITY BASEBALL — *1st row:* Mgr. P. Smith, T. Smith, M. Hunter, E. Quinlisk, M. Minth, G. Pullen; *2nd row:* Coach Blaydes, J. Myers, R. Mahan, D. Miller, B. Vinard, B. Myers; *3rd row:* J. Scott, R. Janz, B. Dirbas, J. Ahler, T. Haughs, C. Bandy, R. Ruckel, Coach Kas.

Bad boy!

JV Baseball

BEANFIELD FRONT STADIUM — The Junior Varsity Baseball team, like others, don't get as much recognition as the Varsity. These guys practice every night to prepare the Varsity for their games. These practices paid off with a fantastic record of 5-1, with their only loss coming from Zionsville. These guys are a great group of

baseball players. During the Clinton Central game, Bryan Myers and Jon Myers hit back to back home runs. Marshall Minth had the most wins for the team with Rick Hamm helping. Bryan Myers received the Outstanding Contributor Award.

In the future, these guys will follow the tradition of winning at good 'ole CP.

JV BASEBALL — *1st row:* B. Campbell, B. Dirbas, B. Schutz, S. Wilson, B. Neff, M. Dieter; *2nd row:* J. Myers, J. Grissom, D. Miller, R. Ruckel, M. Mang, G. Smith, R. Hamm, K. Moore, M. Minth, Coach Kas.

The Yearbook Staff deeply appreciates all the time, patience, and guidance Mrs. Nancy Miller and Mr. Richard Maurer gave us this year. Without their help the *Gopher Gazette* would not have been successful.

CANDIDS

Paul Guest, our resident expert computer programmer, composes "King Tut" music micro-computer style.

Below: Tracy Lucas finishes first again! She, Mary Ann Smith, Darla Rains, and Kelly Smith advanced to state finals in Girls' Track & Field.
