"Clinton Prairie? Where's that?" When a student is asked these questions, some familiar replies are, "It's out in the boonies," "It's way out there," or "Well, it's a building out on some county road surrounded by fields."

Most people from Indiana have never even heard of Clinton Prairie. They think of us as ordinary students, but actually we're not! Here at CP we tried "making our mark" all year that parents, relatives, and friends could be proud of.

Everywhere we looked, students were striving to make their mark. The athletes tried to make or break a record, the seniors were trying to achieve their goal in life, and most students just managed to make the marks to get by. But whatever we did, we left behind a mark.

Seniors tried to make the most out of their last year of high school. They left behind many challenges for those underclassmen who follow.

Freeze

Saturday night, January 9, 1982, the Frontier Falcons not only found out how well Clinton Prairie could play ball. They also found out how hospitable we were.

After the game, both Frontier and Prairie fans found out the winds had picked up and the roads were drifting shut. Most of the CP fans decided to brave the weather and headed home, but the Falcons weren't quite so lucky. In fact, it was impossible for the Falcons to go home since St. Rd. 43 to Brookston was closed.

Clinton Prairie played host to about 106 Frontier fans, coaches and players. The Civil Defense brought 75 blankets for those who wanted to attempt to sleep. The wrestling mats were to be their beds for the night.

Mr. Fink was quite busy with the supervision, telephone calls and general overseeing of all the people.

Mr. Harry Boldt, an employee for Hooks Drugs, brought out some insulin and the necessary supplies to a needy Frontier coach.

Sunday morning, McDonald's served as the cook for 120 Egg McMuffins. Deputy Wilson delivered the food along with orange juice, compliments of McDonald's.

About 10:30 a.m. Sunday, the word was GO! The Frontier buses were loaded and on they went.

This is just one of the many cheap shots that Mother Nature threw at us. School was canceled for several days because of ice and snow. One day the school was closed because the wind chill factor was around -60, and the school was afraid the students waiting for the bus would get frostbitten. Water pipes broke to give another day of vacation. Some of the water fell on a computer and ruined it.

Some people said this was the worst winter they had ever seen, even compared to the "Blizzard of 78." Some felt it was because of the ice or wind, but whatever the reason, we were just glad to make it safely.

On September 25, Clinton Prairie fans sat in anticipation awaiting the start of the big game. The band got things rolling with the Pre-game show. The mighty Gophers then stormed onto the field with their adrenalin high ready to "Weed Out The Shamrocks." Westfield, however, was determined to go home with the victory. The first half proved to be in favor of the Shamrocks as they took the lead, 14-0.

Spirits were lifted by the halftime festivities. The floor winners were announced first. The class of '82', after winding down from the long hours of preparation spent to make this year's Homecoming something special to remember, walked away with their 3rd consecutive win. Second place went to FFA, and 3rd place went to cheerleaders.

The halftime ceremony ended with the crowning of the 1981 Homecoming Queen Marianne Smith, escorted by Jeff Scott. Her court included: seniors, Charlotte Douglass, escorted by Mark Dieter; Pam Maxwell, escorted by Bobby Shurr; Junior Staci Bond, escorted by Ron Brumbarger; Sophomore Denise Reagan, escorted by Jon Paddock; and Freshman Kristin Johnson, escorted by Jay Pletcher.

In the fourth quarter of the game, the Gophers got a sudden burst of energy with a touchdown and two-point conversion making the score, 14-8. Unfortunately, time ran out on the Gophers.

After the game, the students kept in step with the tunes of "Small Towns People Band."

Before

Above: Teresa Fossnock takes her time going to class.

One important part of the school day was the happenings before school. Outside the building one found people parking their cars, students departing their buses, delivery trucks bringing "Woody's, Goodies," and teachers arriving.

Inside the school we found teachers opening their rooms, students opening their lockers, Mr. Cleaver opening the bookstore, couples lining the walls of the hall and gym, and students "making their rounds," first stopping briefly to say a few words to their friends, and then on to the restrooms to . . .

The play this year was entitled "Ransom of Red Chief." It was about two not-so-smart men who kidnapped a very mischievous and spoiled young boy. No matter how hard they tried, Red Chief (J. Senesac) was always one step ahead of Sam and Bill (B. Swayne, S. Westerhouse.)

The play was performed November 5 and 6. Mr. Moyer and Mrs. Marshall were the co-directors with Debbie Knapp as the Student Director. Mr. Moyer commented on how easy the play was to put together, because it was so much fun! He also said, "The kids really wanted to practice, because they knew what they were doing without having to be taught."

Loyalty

Clinton Prairie has many loyal fans. They show their spirit by many different ways.

During Homecoming, for instance, a class competition was held. Each day of the week was assigned a different type of clothing to wear. For example, there was a no-sweat day, a crazy socks day, etc. Each class was given one point for every student who wore the type of clothing of that day. The Class of '82" won the competition.

There was also a float competition. The floats were prepared by individual classes or clubs, and the theme was "Weed Out The Shamrocks." The floats were judged at half-time of Homecoming, and the winner was the Class of 1982.

There was a tremendous amount of effort put forth by each individual at CP to show their loyalty when the Volleyball Team went to State. The girls received many flowers, cakes, and wishes of good luck, not only from CP fans, but from other schools and public officials.

Above: "Romans" find the halls a great place to hang out.

Hangin' Our (hang'n owt) — a condition which, under social circumstances is highly contagious. It generally afflicts those people from ages 16-18, although anyone is susceptible to this strange disease.

Symptoms of the disease are laughing, leaning against lockers, walls, cars, crusin' on the "Strip," frequent stops at McDonalds, etc. Most of the people stricken with this disease are never alone. They are surrounded by people who most likely have caught it. Hangin' Out is passed from one person to another like the common cold.

Scientists are looking for an answer to the formidable question "What causes a person to "hang out?" Most researchers agree that once they know the cause, they can probably find ways to cure the disease. They also want to develop new and better ways to detect and treat all forms of this disease.

Many experts believe that if all present knowledge were used promptly in every case, at least half of all victims would be saved.

A-La-Carte

Our school life is like an A-la-Carte lunch line. The school offers many different courses and the lunch line offers a variety of foods.

At Clinton Prairie there are two main types of people: the athletic type and the academic type. For the athlete, there are many sports offered. For the academic-minded, all kinds of courses are available.

The same is true in the lunch room. There you'll find the "junk food junkie" and the "nutrition nur" foods. For the "junk food junkie" there are all kinds of potato chips, cookies and candies. For the "nutrition nur" there are apples, bananas, and ice cream!

Sports may be a highlight for some, but lunch is a highlight for many. It's the half-hour we students have to ourselves. We get to listen to the radio, gossip, and enjoy an occasional food fight. This is our free time and we make the most of it!

Upper right: Marie White finds computers an interesting class. **Above:** Mrs. Surface helps Brad Seidle find an interesting book. **Below:** Casey Scott and Jan Thomas clown around as Cindy Coffman watches and Michelle Casady smiles.

Spelling Bee

The FBLA sponsored the second annual Spelling Bee this year during the Open House on October 21. The winner was Brenda Smith with Debbie Knapp second and Angie Swan third.

Each class chose one person to represent them in the opening round. The representatives were put together with their class members. They were then eliminated one by one. Finally when only two students were remaining, the elimination ended. These final 12 were the Spelling Bee contestants.

Brenda received a tape recorder. Debbie received a digital alarm clock, and Angie received a Collegiate Dictionary. There will also be a plaque purchased by the school. The names of the winners will be placed on it and will then be placed in the hall.

Above: Mr. Spencer talks with one of the evaluators. **Below:** The North Central Association Evaluation Team poses for a picture after evaluating Clinton Prairie.

NORTH CENTRAL

The North Central Association Team came to Clinton Prairie to evaluate the self-study made by the Administrators, staff and students. They came to see the educational setting, the learning materials, students' needs and interests plus the staff and the facilities available.

They came November 3 and left the 6th with some positive and negative ideas. A few features they liked were the English and Spelling Program. We have good vocational coverage and plentiful curriculum choices. They especially liked the new computer and the word processing equipment we have.

Some negative points were having only 9 weeks of 8th grade General Science, the needed space for the art facilities, and an auditorium for plays and music performances.

These were only a few points, but over all we had a good evaluation.

Hardwood 1982

A Clinton Prairie Hardwood seems to release something into the air that makes your blood flow with enthusiasm. This then filters out to the players. After everyone has been "contaminated," there's practically no stopping the Gophers.

Rusty Doyle led all scorers with 20 points. Andy Weaver joined Doyle with 13 points. The Gophers easily defeated the Sheridan Blackhawks 72-55.

The bench was a big asset for CP. Jeff Ramsey and Keith Loveless chipped in 8 points each. Jeff Scott had a slow night as he only hit 3 out of 7 field goals and 1 out of 2 free throws. David Clark's night was slightly worse by hitting 1 out of 7 from the field and 1 out of 2 from the line. Clark did help expose Doyle's talents as he launched an alley-oop to Doyle as he slammed the ball home.

At half-time, Senior Barbara Boldt was crowned 1982 Hardwood Queen. Her court included: seniors, Pam Maxwell, escorted by Kent Young, and Charlotte Douglass, escorted by Steve Walker; Junior Rana Baker, escorted by Brad Spencer; Sophomore Leslie Wampler, escorted by Jon Paddock; and Freshman Monica Smith, escorted by Tom Simon.

And the Winners are ... the 1286 patrons of Revue '82. This year our mistress and master of ceremonies, Marianne Smith and Steve Walker, emceed three nights of sell-out performances. "And The Winner Is", the theme for this year's Revue, was a collage of Grammy, Tony, and Oscar-winning songs.

Presented on March 17, 18, and 19, entertainment included "The Battle of New Orleans," performed by Revue veteran David Frye, solos by Lynn Highley, and Rhonda Terry, and the Junior class singing and dancing in "Chim Chim Cher-ee."

Congratulations to the cast and crew of Revue '82 for a job well done!

 4. C.P. Stage Band plays "Last Dance".

Prairie Singers open the show with the Oscar winning song, "Fame".

Kevin Mohan's drum solo is a winner with the audience.

The seniors perform the Grammy-winning song, "Bette Davis Eyes".

"It's a sweet trip" for sophomore girls on the "Good Ship Lollipop".

Lynn Highley delights audiences with "I Honestly Love You".

Paul, Jeff, and Jim jam on their electric brooms and brushes.

Rhonda, Jan, and Chylene keep their "High Hopes"

Rhonda and Kent are "going home with Oscar tonight!"

Rana Baker and Casey Scott dance to "The Continental", the first Oscar winner.

The entire cast close the show with "Hooray for Hollywood".
Mr. Compton recognizes Casey Scott for his great job as student director.

And for banjo playing . . . the winner is David Frye.

The 1982 Clinton Prairie High School Prom was held on the Madam Carroll from 8 to 11 p.m. The theme was "Through the Eyes of Love." The cost of the prom was free. The Zionsville Stage Band provided the music for the evening. During one of the band's intermissions, the students voted for the Prom King and Queen and Prince and Princess. The results were announced later on in the evening. The Prom King was Jeff Scott and his Queen was Brenda Gick. The Prince and Princess were Dave Clark and Jackie Senesac.

After the prom, the students traveled to the Lafayette YMCA for the post-prom. It lasted from 12 to 4 a.m. The atmosphere was set up like a Las Vegas Casino. Besides gambling, you could swim, play basketball, volleyball, ping pong, or pool.

Honored Students

Many students have been honored for outstanding achievements throughout the year. National Honor Society honors those students who show outstanding progress throughout their high school years. This year, a special award went to Marianne Smith. She was one out of the twelve chosen to represent the State of Indiana in the basketball games against the Kentucky All-Stars.

Debbie Myers and Marianne Smith represented Clinton Prairie at Girls' State; Steve Walker and Kent Young were Boys' State Representatives.

Along with these honors, the participants of the Junior Miss and the Student Rotarians received special acknowledgement.

Graduation 1982

Commencement exercises were held Sunday evening, May 23, 1982, at 7:00 p.m. with 86 graduating seniors. Debbie Myers was Valedictorian, and Jeff Logan was Salutatorian.

The guest speaker was Dr. M. Dale Baughman. He told many jokes as well as give the seniors advice for the future. The choir and Prairie Singers sang "Don't Stop Believing" and "Day by Day."

Foreign Exchange

ELENA LOPEZ

"I like the people the most," commented Elena Lopez Esnaola from Spain.

Elena is 17-years-old and is staying with the Zeis family of Mulberry. She finds CP much easier than her school in Spain. She emphasized that there is not a variety of classes to choose from in Spain. She noticed that sports play a big part and school spirit is very important here at CP.

When asked what her favorite food was she replied, "I love cottage cheese, which can't be found in Spain." She also said she likes meatloaf. Her hobbies consist of artwork and music. Art, computers, and calculus are her favorite classes.

"The things I miss the most are my family and friends. In Spain I used to go out, mostly weekends, with a group of friends to bars, discoteques or other places. Here I'm not allowed to go, but I find fun things here to enjoy myself," concluded Elena.

OSCAR NIETO

Oscar Alonso Nieto is our foreign exchange student from Columbia. He is 18-years-old and stays with the Neff family.

Some of Oscar's hobbies include remote control planes and cars, and playing the guitar and piano. Some of his favorites are: lasagna, blue, Exodo, Apocalipsis, computers, and chemistry.

In Columbia students have the same twelve subjects. They attend schools from 7 a.m. to 1 p.m. They have five subjects daily, each lasting an hour and a half. The next day is another arrangement of classes the same length.

THURE THURICH

"I prefer the German school system, because it gives you more things to learn at the same time," said Thure Thurich, foreign exchange student from Germany.

Thure takes his school work seriously. He explained, "I don't like joking around the whole day."

Thure developed many favorites while at CP. His favorite classes were Econ, Auto Mechanics and Choir, and his favorite colors were light blue, white, gray and sand brown.

Thure's school is arranged differently in Germany. There are three forms of school: "Gymnasium," "real school" and "advanced elementary school." These three forms separate the intelligent students from the not-so-smart ones. Thure attended the "gymnasium" school, which is for the intelligent students.

Thure misses talking with his friends about politics and life. "I think American kids are, unfortunately, only interested in cars, boys, girls, fancy clothes, and so on. I like that too, but I also like to think about the world," commented Thure.

ADRIANA HERNANDEZ

Adriana Hernandez, 18, was our foreign exchange student from Mexico City. She stayed with the Fossnock family.

Adriana liked our school system and thought it was well-organized. The one thing she didn't like, however, was the short time there is between each class.

Adriana especially enjoyed the school spirit. She was a member of Pep Club and loved getting involved in the enthusiasm of the club.

Although she missed her family and boyfriend, she said, "I like all my friends at school and I love my host family."

She developed some interest in music while living here. Her favorites included such singers as: Air Supply, Neil Diamond and Kenny Rogers. Her favorite foods were cakes, ice cream, desserts, pizza and chocolate shakes.

Have you ever wondered what CP's favorites were? Well, you don't have to wonder anymore. A survey was conducted by the Yearbook Staff on February 23, 1982.

The survey indicated that students had many different preferences. Some of them were favorite color, place to eat, song, music group, vocalist, movie, actor, actress, food, and sport. Most of the students voted and the results are listed to the right.

Color — Blue
 Place to eat — McDonalds
 Song — I Love Rock & Roll
 Music Group — Journey
 Vocalist — Rick Springfield
 Movie — Private Lessons
 Actor — Burt Reynolds
 Actress — Sally Field
 Food — Pizza
 Sport — Basketball

CCCLUBS

Students involved in clubs unknowingly make the phrase "X marks the spot" applicable to their activities. If you look closely, you can see all the "X's" left throughout the community, for example, at the concession stand during games, on the school walls where signs were placed, at restaurants and even in the newspaper.

Clubs have left all of these "invisible X's" as silent memories for those involved. In the future years, new "X's" will replace the old ones, year by year.

Yearbook Staff Creates "New Look"

The yearbook staff started off this year with their changes and bubbling ideas to try and make this book the best ever!

Even though the staff had to stay after school until 8 or 9 o'clock, they still enjoyed working because there were also pizzas to munch on to keep their brains chugging along.

To start the year off, the yearbook staff took one day of school to sell ads in Frankfort. In September the staff had a yearbook signing party. This gave the students a chance to get their books signed without all the hassle of the teachers not wanting those books in class! They had to really work to meet their deadlines, but after all they wanted to produce the best yearbook ever!

"Get your stories in. Your deadline is coming up," are a few famous words that were used quite often by our very patient and understanding advisor, Mrs. Marcia Overfield. The Gopher's Den was published every two-weeks instead of every month. This was the first time for this and it proved to be a good change.

It took some work to meet the deadlines, but most didn't mind because if they stayed after school long enough, pizza was the reward of working long hours.

The Gopher's Den had eight pages, and resembled an ordinary newspaper. It was filled with many interesting stories, exciting sports that kept you up-to-date with our Gopher teams. The paper had an editorial section and a few students wrote letters to the editor to express their feelings of the school. There was also a section for the news to keep the students informed of important events coming up.

Overall, The Gophers Den had a successful 1981-82 year!

Stage Band Assists With Revue

The Stage Band was very much appreciated in the production of the Revue, because without them, each performance wouldn't have been able to go on without the music for their part in the show.

They worked just as hard wearing out their lips to make the '82 Revue something extra special. The stage band director this year was Mr. Chris Bennington.

Drum Majors Help Organize Practices

Bob Albirz and Shelly Gregg led this year's band during football pregame and halftime shows. They also led the band in the Thorntown Festival of the Turning Leaves Parade.

Bob and Shelly helped organize the summer marching practices for the first few football games. They both are senior band members, with Bob playing the saxophone and Shelly playing the flute. Besides being drum majors, both Bob and Shelly play in pep band, stage band and concert band.

L. Wampler, M. Quinlisk, S. Peterson.

This years Prairiettes added six new members: Jana Logan, Rachel Poppe, Cheri Quinlisk, Leslie Wampler, Sue Percy, and Sandy Peterson to the returning four girls, Captain Amy Plerch, Co-captain Pam Stevens, Melodie Taylor, and Diane Ream.

Under the direction of Cheryl Giles, they performed pregame and half time shows during the football and basketball seasons. They also marched with the band at the Thorn town Parade.

The girls did a variety of pom-pom hat and cane and glove routines but as the tradition goes on the two favorite routines were the Christmas and gimpy shows.

NHS Has Special Dinner

The National Honor Society is a selected group of juniors and seniors who have maintained a B+ average throughout their high school years. The members must also have been involved in at least three service projects to be eligible.

The group was very busy this year. They put up the "Now & Then" bulletin board for the showcase. They had a spaghetti dinner at Mrs. Estes' house, and a special dinner for new members at Steve Walker's house February 28.

New members and parents were also honored at a formal initiation in early spring.

Ending the year, the members had a spring fling and invited the exchange students to go with them to visit Paramount Pizza Palace.

Student Council Sponsors Many Activities

Student Council has been involved with and sponsored Homecoming and Hardwood activities such as the Queen ceremonies, floats and many after-the-game dances, that were enjoyed by many of the students.

The Share Program is probably at the top of the list of the many contributions the Student Council is involved in. They distributed fruit baskets to the Senior Citizens and needy families in our community. They also contributed to Muscular Dystrophy and heart funds.

Student Council participated in McCutcheon's Exchange Program. CP's officers visited their school on a tour of classes and their representatives were hosted by CP in return.

The Latin Club members always enjoy the beginning of a fresh new school year. Why? Because of the slave auction and the annual initiation. They love to see new members going through the torture of bowing and running at every command that they went through when they became a slave to their beloved masters.

A few other items the members were involved in was putting up a showcase display and sponsoring prizes for the Homecoming.

To top the year off, they had a dinner at an Italian restaurant in March.

The famous annual Spanish Club Initiation was on October 13, 1981. Seventeen new members were added to the club and were put through some embarrassing moments to make sure the members remembered it for a long time to come. They had the slave races and questions were asked to see how much the new members could speak in Spanish. They had a talent show and the best dressed. Awards were given for each of these categories. The slaves also had to feed the hungry appetites of their masters for the finale of the initiation.

The club was involved in giving some money to the SHARE Program.

The Spanish members had a pinata booth at the Homecoming activities held one afternoon at school.

The club decided to get new t-shirts that were paid for by each member themselves.

To top the year off with the last activity, they went to a Mexican restaurant on April 26, 1982. The senior members got off a little easy because part of their meal was paid for by the club.

Pep Band Toots On Victory

Pep Band, under the direction of Mr. Bennington, keeps busy at all the basketball games. They play songs to get the guys enthused about the game when they warm up.

They get the crowd going with their peppy tunes when the going gets rough!

The Pep Band is very much appreciated for their dedication to the team, since they must play through the game and can't sit and do whatever they want.

Pep Club Cheers On The Gophers

Pep Club kept up the cheering and enthusiasm throughout all the basketball games and at the sectional. They were really counted on to keep the guys fired-up to win another game!

During spirit week and the last home game, the club made signs to decorate the halls.

The club sold light bulbs as a money making project so they could get new shirts to look real snazzy at all the games.

The 1981-82 Prairie Singers were occupied with School Concerts, special appearances and the Revue. Mrs. Joan Hulsey, the director, has done an excellent job for the time she had to prepare.

The Prairie Singers performed in the Fall, Christmas and Spring Concerts. The Mulberry Senior Citizens, Augsburg Village and Wesley Manor welcomed the group for special appearances, as did the elementary schools.

The Singers also performed for the North Central team, but probably their most important performance was the 1982 Revue. The Prairie Singers performed to the award-winning song "Fame."

The 1981-82 High School Choir performed in the Fall, Christmas and Spring Concerts. During most of November and December, the Choir sold candy for the Music Booster's Club.

In the Spring, the Choir traveled to all the elementary schools, and ended the year with a performance at Commencement.

FEA And FBLA Take Field Trips

The Future Educators in Action is designed for students interested in a teaching career. To help this get started, in November and April of each year, FEA members take part in planning classes as a student teacher. They make up quizzes, help teach and observe teaching methods. Also in April they took a field trip to another high school and or a college where teacher training is emphasized.

The Indiana FEA sponsors a youth Leadership Conference where an officer of CP's FEA attended.

Future Business Leaders of America is a group that learns more about the business world. They had a guest speaker this year. Joe Grissom of Joe's Supermarket came and discussed what owning your own business is like.

They also took a field trip to an office in Lafayette. They also sponsored the Spelling Bee which was held on Open House.

This year's officers were President: Kim Brewer, V. President: Debbie Myers, Secretary: Brenda Gick, Treasurer: Rhonda Fish.

FBLA — **First row:** Tres. R. Fish, Sec. B. Gick, V. Pres. D. Myers, Pres. K. Brewer, Mrs. Thompson. **Second row:** J. Scott, M. Dierer, R. Terry, B. Boldr, L. Lenehan, M. Taylor. **Third row:** A. Plerch, D. Taylor, J. Thomas, C. Coffman, D. McKinney, C.

Future Farmers of America was busy this year with many activities. Five people went to the Greenhand Camp in Trafalgar, Indiana. They helped Public Service encourage the usage of fire extinguishers.

Other activities included selling circus fruit and going to the District Leadership contest along with many other contests such as forestry, livestock, etc. They dressed up for FFA week which was the last week in February.

This year's officers were: President Brian Smith, V. President: Greg Moore, Secretary: Debbie Brock, Treasurer: Tom Lind, Reporter: Karen Gick, Sentinel: Karl Newhart.

Future Homemakers of America co-sponsored the Christmas Dance which was held at Camp Collum. They trick or treated for Unicef, and took their turn working at the concessions at the ballgames. They provided boxes so everyone could send their friends a Christmas or Valentine wish.

Letterman's Club Had Spring Trip

The Letterman's club, like many other clubs, starts the year off with an initiation, to get the new members properly joined in their club.

They participated in making signs for the Volleyball State Finals and for the last home game with McCurcheon.

A canoe trip or a trip to Kings Island was planned in spring for their last activity of the 1981-82 school year.

Aides Prove Very Helpful

The Clinton Prairie office aides do a variety of things for the school. Those in the first three periods of the day are busy with the attendance. They deliver messages also. The third period aides are busy delivering the completed absence report and the announcements to all rooms in the school.

The students who work during noon hour have the responsibility of getting the mail and putting it in the proper mailboxes. The aides also check in sick students who need to go to the sick room.

Afternoon aides have no set responsibilities; however, they are kept busy with errands and helping with office duties. On Friday the 6th period class delivers the weekly calander.

The many tasks they do help the efficient operations of Clinton Prairie's office and their work is greatly appreciated.

Media Aides Assist In Library

The Media Aides have done a super job this year in helping the library staff with little odds and ends around the library. These students have an interest in media work and perform important functions in the library. They check out books, shelve returned books, deliver equipment to teachers, and help other students find information or just a "good book".

CCCLASSES

Students Work Hard To Do Their Best!

The student body is made up of different people and ideas. Each person has his own identity. His fingerprints and footprints are the beginning marks of who he is. All of his marks, prints and ideas form together to make goals. The school is made up of people, their marks and their goals. The people of the school make the school run. Their marks make us what we are and our goals make us noticed.

Making Our

Mark

Freshmen

Starting A New Mark

Being a freshman this year was not easy. There were times when we were included with the high school, and other times when we were not. Most of the time we had fun, but once in a while school was a bore. A few of the freshmen boys remarked that they were just glad to get out of "Packrat Alley!"

At first we were slow getting into the school spirit, but as the year wore on our enthusiasm increased. We decorated the halls at Christmas time and we made a float for Hardwood even though the competition was cancelled on account of the bad weather.

There were many super athletes this year. They were: Jason Swackhamer, Joe Oesterling, Chylene Martin, Jon Swackhamer, Kristin Johnson, Bruce Myers, Jay Pletch, Sara Smith, Tom Simon, Todd Da-

vis, Monica Smith, Brian Campbell and Ed Lasiter.

Angie Swan was one of the many contestants in the FDLA Spelling Bee held on October 21, 1981. Angie placed third.

In December, the Jostens representative came to the school and exhibited his different selections of rings. Each student was given a choice whether or not to purchase a class ring.

The Homecoming representative was Kristin Johnson escorted by Jay Pletch. The Hardwood representative was Monica Smith escorted by Tom Simon.

This year's class officers were President: Ed Lasiter, Vice-President: Monica Smith, Secretary: Beth Stevens, and Treasurer: Cathy Cochran.

Sophomores

In The Middle Of Our Mark

This past year the Sophomore class has been active in all school activities. The Homecoming floor helped all the students get into the Homecoming spirit. While the floor helped so did Denise Reagan. She was the Sophomore representative and Jon Pad-dack was her escort. Lesley Wampler, like Denise, gave people spirit. Lesley was the Sophomore Hard-wood representative and her escort was Jon Pad-dack.

Talking about spirit, the Junior Varsity Cheerleaders did an excellent job cheering the team on to victory. The Cheerleaders, Julie Myers, Heather Wiggins, Denise Reagan, and Kelly Reagan brought the J.V. foot-ball team cookies.

There was one guy who really made the Sophomores "make their mark." Andy Weaver was an outstanding athlete. Andy was a guard on the

Varsity Basketball Team.

People seem to notice the competition between classes. During the Christmas season the Freshmen and Sophomores bridged that gap. The two classes decorated the two downstairs halls. Hopefully, we all have the determination and cooperation that the Sophomores had to finish their mark.

Sophomore class officers were Lori Caldwell, Susan Oesterling and Dawn Smith. The Sophomore class sponsor was Mr. Ron Wright.

The sophomores have two more years at Clinton Prairie, and they were represented in CP's activities such as Revue, various clubs, athletics and even community activities. This class marked their second year in high school and strived to get ready to finish the last two years as well as the first two.

Juniors

One More Mark

One more mark is what most Juniors keep in mind when the going gets rough. When the week seems to last a month, and all the teachers seem to get together and assign homework all on the same night, the Juniors look forward to that last year.

Even though they do look forward to the future, they will never be able to forget all the fun times they had during that one year. Participating in spirit week, sponsoring the Junior-Senior Prom and looking forward to their Senior year are just a few of their fun times. Then there was the candy sales! They sold M & M's and "crunchy" candy bars to help pay for the prom.

At the head of the Junior class is Brad Neff as president, Rana Baker as vice president, Martin Lipp

secretary, and Rusty Doyle as treasurer. These four people worked together to help think of plans for the prom, hold the bake sale, and many other events which the Juniors took part in.

Not only did the Juniors think of school spirit and fun, but they also had to think of their grades. They had to decide whether or not they were going on to college, technical school, or straight on to work.

The Homecoming representative was Staci Bond and her escort was Ron Drumbarger, while Rana Baker represented Hardwood with Brad Spencer as her escort.

While the Juniors were always busy with grades, games, clubs, and other activities, they never forgot that "One More Mark!"

Seniors

A Mark To Remember

Like every Senior class that has left the halls of Clinton Prairie, this class, the class of 1982 has left their mark. They like to think, though, that their mark is a little special.

This year's Senior class was a "doing" class. Many Seniors showed a lot of ambition towards getting things done. They proved to C.P. that they had more than their share of spirit. They succeeded in winning the Homecoming float competition for the third year straight.

From class parties and dinners to decorating the

halls at Christmas, the class of '82" proceeded to make their last year one to be remembered, not only by them, but by the whole school. As graduation came closer many emotions, from sorrow, anxiety and excitement, to relief at being free at last, were expressed among the Seniors. One thought, however, was present in all their minds, and that was the feeling that long after they were gone, their memory would remain in the halls of Clinton Prairie. They would have made their mark!

SSSPORTS

"Excellence"

This has been the year when all the athletes were striving to make their marks. The volleyball team made their mark on their opponents as they served, set and spiked their way to the State finals. The basketball team made their mark with an outstanding seasonal record. During the Clinton Central Holiday Tourney we finally made our marks by pulling off a total victory.

The Senior Athletes were making their mark for the underclassmen to strive for. The track team made their mark by trying and set new records. Overall, the 1981-82 school year has been a year of Athletic "marks of excellence."

Making Our

Mark

Mighty Gophers Leave Mark In Indy

The Varsity Volleyball team rolled in the most victories in any season with a 7-0 conference record and a 30-3 season record. Senior Marianne Smith accumulated the most spikes with 408, Brenda Gick had the best serving percentage by serving 341-350 for 97 percent. Brenda also had the most sets with 676. Rhonda Fish had the most blocks with 116.

Outstanding players were Marianne Smith — top spiker, Brenda Gick — top setter, and Rhonda Fish and Kim Brewer — top blockers. All 4 Seniors were selected to the all-conference team.

Coach Connie Armstrong commented, "This was the greatest season ever because 1. The team members worked together to reach high goals. 2. The school spirit and community support were inspirational. 3. Reaching the final 4 (in the state) was so thrilling, because it was a first for the players, the coach, and the school."

Varsity Football Rushes To A Record

The Varsity Football team ended a disappointing season with a most outlandish game. The Gophers demolished the Tri-Central Trojans. The Gophers achieved this by breaking "3" records. The first broken record is the most interceptions by an individual. This was awarded to Marshall Minth. Marshall pulled down 6 interceptions. The second record is the most yardage in a single game. The team accumulated 406 yards. The second record helped to accomplish the third which is the most points in a single game. CP ripped the cover off the ball by scoring 42 points.

Tom Haughs ran 909 yards to become the second lead-

ing rusher in Prairie's history. The entire offensive team joined together to become second in ground gaining in the Lafayette area.

Mr. Nick Baker, the head coach, commented on the fact that they (the team) compiled very impressive statistics. The Gophers were only outgained in only 3 games. Take the game against Sheridan. CP outgained Sheridan by 117, but lost 7-0.

The 1981 Varsity Football Team may not have had the record, but they sure had the stats. None of them should be discouraged about this season.

Team Lacked Experience

The 1981-82 Cross Country team was coached by Mr. Dennis Kas. They ended up with a disappointing 2-9 record. Outstanding team members were Brian Swayne as most improved, Mike Delaney as most valuable team member, and Bobby Shurr as most dedicated.

The best times on the 5000 meter race were Brian Swayne (14:45 sec.), and Mike Delaney (14:41 sec.). Of

these two players Brian Swayne improved by 2:14 seconds. Mr. Kas commented, "Even though our statistics aren't quite what we would have liked to have achieved, our improvement was steady. Next year we'll have 6 to 9 team members back, but senior leaders Mike Delaney and Bobby Shurr will be difficult to replace."

JV Football Finishes Strong

The Junior Varsity Football team was coached by Mr. Doug Segraves.

They pulled off a winning 5-3 seasonal record. The most improved players on the team were Perry Scott and Troy Schooler. Mick Gillen was the key to the offense's success, but the team had many outstanding players at different

times throughout the season.

"We began the season very slowly", Mr. Segraves commented, "but after losing our first two games, we defeated Clinton Central. The team improved, and won their last four games. They played as a team not as individuals. This was the reason for our successful season."

Right back row: J. Grissom, B. Campbell, B. Myers, D. Lenehan. **Middle row:** A. Hester, T. Schooler, M. Humrickhouse, P. Scott. **Front row:** M. Gillen, M. Lekanosky, D. Moore, G. JV Volleyball Goes 19-1

The 1981 Jr. Varsity volleyball squad was coached by Miss Kim Johnson. They had a 7-1 conference record and a 19-1 season record, with the only loss coming at the hands of Zionsville.

This year the JV broke two records. They broke the best seasonal record, (11-2) which was set in 1978. They also beat North Montgomery which is the first time a Jr. Varsity team from Clinton Prairie has beaten them.

The top team members were Tracy VanMeter (top spiker), Kristi Downs (top setter), Denise Harlen (top passer), and Cathy Cochran (top server).

Miss Johnson said, "The team had a spectacular season topping it off with a victory at the first Lafayette Jeff Invitational. I also thought the wins were accredited to a total team effort."

The 1981-82 Varsity Boys Basketball team ended a long and rewarding season at 17-8. The Gophers charged to a 5-0 season record before they were handed their first loss. One of these wins was against county rival Frankfort. The win broke Frankfort's 15 year hold on the crown. Clinton Prairie also won the Clinton Central Holiday Tourney to regain the crown.

After the regular season, CP traveled to the Frankfort Sectionals to get sweet revenge on Tri-Central. Prairie defeated Tri-Central, Frankfort and Tipton to win Clinton Prairie's second sectional title. CP won their first sectional in 1964.

CP followed their trail back to Frankfort for the Regionals. Prairie defeated Plainfield to advance to the final game against Western Boone. This is where the road ended for CP as they were defeated by the Stars.

Tri-Captains for the 1981-82 team were Jeff Scott, Tom Haughs and Jeff Ramsey. David Clark was the best Free Throw shooter hitting 36-40 for .900%. Rusty Doyle was the best Field Goal shooter connecting 159-274 for .580%. Doyle also had the most blocks with 110. Marshall Minth had the most assists with 105.

This year's Girls Varsity Basketball team had a 6-1 conference record and a 13-4 record overall. Marianne Smith led in scoring, rebounding, and shooting percentage. Marianne scored 38 points in a game, breaking the current record. She was the first player named All-Conference for four years. Marianne scored 38 points in a game, breaking the current record. Marianne was named to the UPI All-State team and the first CP player to be selected to the Indiana-Kentucky All-State team. Mrs. Armstrong commented, "This was a good season, in that every person on the team improved and we became a total team in all our wins and losses."

Winning Record Leaves Hope In '83

The 1981-82 Junior Varsity Boys Basketball team wound up the season with a winning record. Coach Bob Blaydes guided the team to a 14-6 seasonal record and a 6-1 record in conference play.

Jon Swackhamer was the most outstanding contributor and the leading scorer. Jason Swackhamer was the leading rebounder. Rick Ham was the leader at the free-throw line.

Kevin Lovelass led in assists, and Kent Padgett was the second leading scorer.

"No statistical records were broken, but this team won the Central Catholic JV Tourney for the second consecutive year," Coach Blaydes commented. "We had a very successful and enjoyable season. It met up to all my expectations," he concluded.

JV Boys Basketball: Coach Bob Blaydes, P. Elliot, T. Davis, J. Plerch, R. Ham, J. Swackhamer, M. Price, J. Swackhamer, K. Padgett, J. Grissom, K. Lovelass, B. Swayne, M. Padron.

Teamwork = Success

The Junior Varsity Girls Basketball team wrapped up their season with a good 8-3 seasonal record and a 5-2 conference record. They were coached by Mr. Dan Hilgediek.

Mindy Jones was voted Outstanding Contributor and also led in team scoring. Tina Gish was the leading rebounder. Kristin Johnson led in assists, Becky Lipp led in steals, and Chylene Martin led in freethrow percentages.

"The key to our success was the team balance. It was always a total team effort. The key to their future success," said Mr. Hilgediek, "will depend on their attitude and determination."

Go For The Fall

The Senior High Wrestling team was coached by Mr. Larry Keel. Because the team had no wrestlers in three different weight classes, they had to forfeit 18 points per match. This led to a disappointing 1-5 conference record and a 3-8 record overall. Some outstanding team members were Brad Sreidle with an 11-6 record, John Campbell with a 10-2 record, and freshman Brian Campbell who went to the regionals. Mr. Keel commented, "We're still learning and very young. We'll have the same team back for the next two years."

'Come On You Guys, Yell!'

"Come on you guys, YELL!" was a common expression from the 1981-82 Cheerleaders. The Cheerleaders would get the crowd going by shouting, jumping, flipping and forming pyramids. Several would come back to school hoarse because of their enthusiasm.

Sectionals proved to be an "upper" for the Cheerleaders as they screamed and yelled louder than ever before, or so it seemed.

The Cheerleaders have a big job making cheers. Originality is the name of the game. One of the newest is, "This is our year, 1982." This cheer was conjured up for the Sectional and Regional.

"Hey Gophers, How Do You Feel? We feel good, ah we feel so good," is a cheer that probably won't go out of style. This cheer is used when CP has just won an exciting and close game.

Along with cheering at the games, the Cheerleaders also made floats, sold candy, made signs and performed in the Revue.

1982 SECTIONAL CHAMPS

Gophers End Season With Heartbreaking Loss At Regional

It took 18 long years, but the 1981-82 Boys Basketball team finally accomplished it — they won the Frankfort Sectional. Prairie had to defeat Tri-Central, Frankfort and Tiptron to advance to the Regionals. There they met up with the Plainfield Quakers. After a long and hard struggle, the Gophers pulled through with a one-point victory.

The last obstacle in the Gophers way to the Semi-State was the Western Boone Stars. CP defeated the Stars easily in the beginning of the regular season. But in the Regional Finals, the Stars stunned CP with four quarters of stalling to defeat the Gophers at a disgusting 27-24 score.

'I Didn't Foul Him, Honest'

The 1981-82 Clinton Prairie Intramural squads played at the Jefferson elementary school on Thursday nights. Each team consisted of 7 or 8 players, including one teacher per team. The teachers and students acted as referees.

Mr. Doug Segraves took control of the program this year. Mr. Segraves responsibilities consisted of finding a place for the teams to play, getting the equipment and keeping stats.

Team captains for this season were Jim Huffer, Greg Smith, Cris Bailey, Kenny Moore, Phil Stevens and Jon Myers. The captains were selected by random choice. All the Seniors who were going to participate in the program had their names placed in a hat (or something equivalent) and six names were chosen. After the drawing, the rest of the names were listed for the captains to choose from.

The teams showed good sportsmanship and talent throughout the season, and Mr. Segraves did an excellent job taking charge of the Intramural program.

Team 5 won the 1982 Intramural tourney defeating Team 4 respectably.

The team was blessed with several high scorers which includes the inside shooting from Greg Stevens, and the outside shooting from Brian Rohler and Mr. Wright.

Team 5 was plagued by absenteeism. Several times, the team had to play with only 5 players. One game, they had to forfeit to Team 3 since they only had 4 players.

Three Seniors lead the team down the road of victory. Greg Stevens, Kent Young and Greg Smith were those 3 Seniors.

The entire team was as follows: Captain — Greg Smith, Greg Stevens, Kent Young, Brian Rohler, Brad Neff, Danny Clark, Larry Evans and Ron Wright.

Frosh Finish Season At .500%

The Frosh Basketball team had a respectable 7-7 season record. Mr. Myron Chezem was the coach.

The team was led in scoring and assists by Jay Plerch. Todd Davis received the Free Throw trophy and Tom Simon led the rebounders.

Mr. Chezem said, "The team played a very competitive schedule and ended up with a respectable 7-7 record. Big wins included those over Delphi, Western Boone, and North Montgomery."

Team Goes .500

The Junior Varsity baseball team ended the season at 3-3. Mr. Hilgediek was the coach.

"The rain cut the J.V. schedule in half. We didn't play as much as we would have liked," commented Coach Hilgediek. He also said, "The team shows promise for a fine Varsity team."

Team Breaks Many Records

The 1981 Varsity Baseball Team compiled a new seasonal record. (Statistics weren't available at deadline.) The team was coached by Mr. Dennis Kas.

The team had a successful year. They broke the most home runs in a season record, the seasonal record, and were champs for the first time, and county champs.

The seniors that led the pack and their positions were as

follows: Tom Haughs — 3rd base, short stop; Jeff Scott — pitcher, outfield, 1st base; Bryan Myers — centerfield; Jon Myers — 1st base; Mark Dierer — outfield, catcher.

The team lost a lot of seniors, but the underclassmen show potential.

The assistant coaches were Mr. Ron Wright and Mr. Dan Hilgediek.

Track Goes Undeclared

The Varsity boy's track team had a perfect dual meet record of 9-0. This was the first undefeated season ever for a boy's track team. Besides their perfect season, they also won their division of the Delphi Relays; the Clinton County meet; and placed 4th in the Conference.

There were 4 new school records set. The 400 relay team of Kent Young, Steve Walker, Brad Neff, and Kerih Loveless plus the 1600 relay team of Ben Robertson, Brad Neff, Kerih Loveless, and Perry Scott set records. Their times

were 45.3 seconds and 3:34.7 respectively. Kent Young set a record in the 100 meter dash (11.1) and the 200 meter dash (23.2).

Besides the above, other outstanding members were: David Clark in the pole vault and high jump; Jim Fisher in the discus and shot put; Kent Padgett in low and high hurdles; Steve Walker in the high jump; and Brian Swayne in the distance events.

Team Has Winning Season

The 1981-82 High School Girls Track was coached by Mrs. Susan Kaspar and Mr. Hunter Fales. The girls placed 10-0 in dual meets. They won the conference for the 4th year in a row, and placed 2nd in the county. In the Sectional they were 8th out of 19 teams. Rhonda Fish broke the shot put record with a 35'7" throw, and the mile relay record was broken by Brenda

Gick, Sara Smith, Marianne Smith, and Tracey Smith at 4:22.7. Outstanding team members were Marianne Smith — field events, Rhonda Fish — sprinter, and Paulette Crowe — distance. "This year's combination of coaches was great with all its knowledge, dedication, and enthusiasm. I'm looking forward to next year," said Mrs. Kaspar.

Golf Team Finishes With Best Ever Season

The Varsity Golf team finished with a best ever 10-5 record with a string of eight consecutive dual meets won. The team was coached by Mrs. Snyder.

As a whole the team broke one record which was the 9-hole record. The new record is 144 set against Central Catholic, the old one was 147. Bob Shurr made All-Confer-

ence and tied the individual season average of 44.2.

"There was overall good team effort and depth which allowed us to win the total number of matches that were won," said Mrs. Snyder "They worked hard and hit a lot of balls in preparation for their meets," she added.

SSSTUDIES

The students here strive to make their mark. Excellent grades is one way to do this. We invite you to check out our great academic program.

Any group needs a leader to organize and maintain order within it. The teachers and student body here need something to guide them and maintain order, and thus, the administration's job comes in. Sometimes it was the go-between and sometimes the enforcer, but its main job was to see that everything ran smoothly for both sides.

Our school offers a wide variety of classes to take. There are the familiar required courses and then there are the new independent choice classes. One of the new classes is computers. Many students find this a very interesting class.

A word to the wise concerning academics would be when in doubt — Check It Out.

CHECK IT OUT Administration

The Administrative Department was our leader that organized and maintained order within our school the best way they knew how. Their main job was to see that everything ran smoothly.

Although their main job was to promote school policy and enforce discipline, they still took time out to listen to problems and help out any way possible.

Mr. Charles Fink, Principal, saw to it that everything ran smooth. He hired and fired when each was necessary. He also saw to it that behavior was at its best.

Mr. Richard Caplinger, Vice-principal, assisted Mr. Fink whenever he needed it. When Mr. Fink was busy with one thing, Mr. Caplinger was there to lend a hand (or paddle).

Mr. Maurice Croxton and Mr. Nick Zafran both took care of the Guidance Department. They assisted students to find classes that interested them and enlightened future plans after graduation. They also made sure enough credits were acquired to graduate and helped with personal and family problems.

Mrs. Marion Sims and Mrs. Marilyn Price were the office secretaries. They cared for book rental, absences and correspondence. We'd like to thank Mrs. Sims for all her dedicated time and patience and wish her a very pleasant retirement.

Mrs. Virginia Scheierer was CP's nurse. She helped students who felt ill with headaches, stomachaches, and other injuries. She spent alot of time traveling to the area schools to perform eye, hearing and scoliosis tests. She retired this year.

The first and third Wednesday of every month the school board met with the superintendent, principals and secretaries to discuss the different things that affect our school system. Members of the board were Mr. Dave Dickerson, Pres., Mr. Robert Moore, Vice pres., Mr. Robert Cochran, Sec., Mr. Harold Neal, and Mr. Max Swackhamer.

Mrs. Deanne Allen, Mrs. Francis Reagan and Mrs. Randa Johnson were this year's special aids. They helped students with learning disabilities with reading, math and other subjects.

This year's **Media Department** consisted of Mrs. Nancy Miller, Mrs. Carol Travis, Mrs. Carol Surface, Mrs. Kathy Perry, and Mrs. Kathy Chynoweth.

Mrs. Miller was the department head, Librarian and computer project coordinator.

Mrs. Travis and Mrs. Surface were Asst. Librarians. They did most of the filing and paper work.

Mrs. Perry and Mrs. Chynoweth worked mainly with computers. Their new program was the Commands Program. It was divided into two sections. The Booster, which dealt with Math and English and Enrichment which dealt with critical thinking.

CHECK IT OUT, Business

The Business Department was conducted by Mr. Nick Baker, Mr. Roy Cleaver, and Mrs. Sandra Thompson.

Mr. Baker, head of the Business Dept., taught Accounting I and II, Business Law and General Business. He was also this year's Varsity Football Coach. He always had a smile on his face and a song in his heart.

Mr. Cleaver taught Business Math, Typing I and Record Keeping. He also ran the bookstore every morning.

Mrs. Thompson taught Office Practice, Shorthand I and II, and Typing I and II. She was the FBIA advisor which sponsored the Spelling Bee.

CHECK IT OUT,
Foreign Language

The Foreign Language Department consisted of Mr. James Compton and Mrs. Carolyn Davis.

Mr. Compton, head of foreign language, sponsored Latin Club, and the 10th grade. He taught English II and Latin I and II. He also was the Director of the Revue for his 13th year.

Mrs. Davis taught Eng. 9 and Spanish I-IV. She sponsored Spanish Club and 9th grade.

On June 3, some of the Spanish students started out on their trip from Indy to Mexico City, where they stayed three days.

After the three days, they traveled by bus to Taxco, a silvermining town in the mountains for a day and a half stay. Next they traveled by bus to Acapulco for two and a half days. After all this they flew back to Indy.

Some of the exciting things they saw were the Latin American Tower, Ballet Folklorice, Floating Gardens at Xochimilco, University City — University of Mexico, Museum of Anthropology at Chapultepec Park and many other fascinating places.

The chaperons were Mr. Mrs. Whampler, Mrs. Marshall, Mrs. Davis and Terri Bender, Mrs. Davis' cousin, a senior at Purdue studying Spanish.

The Students that went were: Staci Bond, Brenda Smith, Ellen Swayne, John Timmons, Matt Clawson, Scott Wilson, Pat Elliott, Julie Myers, Kelly Reagan, Lesley Wampler, Tina Gish, Angie Surface, Mary Krumholz, Beth Snodgrass, and Vickie Evans.

Our bus drivers have done a good job this past year. They took several classes on field trips and ran regular routes. While they had to endure a harsh winter, they also had to endure the students too. Even so they continued their driving and putting up with bus loads of students.

The cooks make a big difference in Prairies "Mark." Although their food seems to be the subject of many jokes, they're still hangin' in there. They put food in our tummies and keep us all going. When the basketball team went to the Regionals, the Cooks baked a goodluck cake for the team and when Mrs. Sims and Mrs. Scheier retired, the Cooks baked a cake to wish them well.

The custodians do an excellent job in keeping the school clean. They have always helped students out of right places, like when you needed to get a book you forgot and the school was locked up.

JR. HI

Junior High: They're Getting Ready For HS

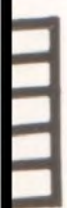

The Junior High students work hard no matter what they do. They work hard at sports, doing their laps and warm ups. The junior high students also dressed up for spirit week and really showed their spirit. Working hard at homework is not an easy thing to do, but they seemed to manage. The one thing the junior high has perfected, though, is having fun. Even though they worked hard to meet their goals, they still had fun getting there.

They worked hard to "make their mark" and it took them a lot of time and effort.

In fact, the junior high student council left their mark above all the rooms at CP, when they decided to sponsor having numbers and names repainted above all the rooms.

Making Our

First Year AT CPHS

Seventh grade was a challenging year for most people. The seventh grader faced a lot of changes. For one thing, he was in a bigger school with new people to meet. Also he no longer was the oldest in the school.

This year's seventh grade students adjusted very well to those changes as well as others. Some changes were no recess, five minute passing periods, and for some, longer bus rides.

Seventh grade was also a time for new opportunities. There was a chance to take either Band or Chorus in the music department. In the Home Ec. department, orientation was offered for nine

weeks. Other nine week courses offered to the seventh grade were computers, art, and music.

School spirit was really shown by seventh grade this year.

They participated in the spirit weeks by dressing up in the day's appropriate clothing. Such as sweats, beads, leather and bandanas, cowboy hats, and of course, red and black.

Seventh grade is a time for speculation. A time to look toward the future and what it may hold. Looking forward to eighth grade, their academic careers, and in general, life.

Looking Forward To H.S.

Being an eighth grader this year meant many things. One of the most important things was being the oldest of the Junior High. It meant sponsoring the Sweet Heart Dance on Valentine's Day and another dance in March.

During spirit week, a lot of the students showed their spirit by dressing up, decorating some of the classroom boards, and putting signs in the gym and the halls.

Many students participated in a variety of different sports this year. They were always striving for

a winning season. Sometimes it didn't always go their way, but it didn't show in the next game they played.

The class officers were David Williams, President; Joe Gillen, Vice President; Lisa Brenton, Secretary; and Alan Good, Treasurer.

Their sponsors were Mrs. McColley and Mrs. Morris.

Even though being the oldest of Junior High was great, they're looking forward to beginning their new year in high school.

Junior High Survival Kit

The Junior High needed a Survival Kit to help them keep in line and survive their first two years at Clinton Prairie.

We all know that the first two years at CP were the hardest, because the upperclassmen looked down on the "Junior High."

It was also a big adjustment for the junior high when they

came to CP. They had to adjust to a new class schedule, new teachers, and new friends. Let's face it, junior high students didn't exactly have respect from all of the upperclassmen.

The Junior High years were hard but they were also filled with happy memories. We hope the Survival Kit will help retain those happy memories for you.

Junior High Student Council

This years Junior High Student Council has accomplished quite a few things. They sponsored two dances and donated to the Share program. They also participated in the Pepsi Jump Rope for Heart. But their biggest project was to put up new name plates above all of the class room doors.

David Williams points to one of the new door signs which the Junior High Student Council bought.

Junior High Choir And Band

The Junior High Choir was under the direction of Mrs. Hulsey. This group has worked very hard this year particularly on proper choral techniques. They have performed in the Fall Concert, Christmas Concert, and the Spring Concert. This bunch of students has done a great job this year.

The Junior High Band, which was under the direction of Mr. Bennington, participated in quite a few concerts. They played in the Fall, Christmas, and Spring Concerts. Also, they attended a concert. These students have done a super job this year.

JR. HIGH CHOIR — **1st row:** P. Gascho, D. Watkins, C. Reszetar, C. Rose, S. Eldridge, K. Hargis, J. Crews, C. Bull, Clements, E. Bowen, S. Rohler, D. Howe; **2nd row:** L. Remaly, S. Skiles, T.

Junior High Awards

The Junior High Awards day was held on May 19, 1982. It began with a song, which was played by the Jr. High Band. Some of the awards highlighted were: Outstanding in Social Studies, David Williams; 8th grade Science student, Lisa Brennon; Outstanding 7th grade band student, Janet Coffman; 7th grade choir, Jessie Crews. There was an American Legion Good Citizen Award given, which went to Matt Roberts and Sharon Oeslerling. Mental Attitude award went to Julie Crabtree. There were still many more awards given besides the ones listed.

Cross Country And Wrestling

Missing Our Mark

This year's Jr. High Cross Country team was coached by Mr. Schroeder. The teams record was 1-7.

Joe Clark set a new course record at 10:39, and he also placed 1st in three meers. Mr. Schroeder commented, "We had a rough beginning, but we learned to be more competitive toward the

end of the season." Between the first and last meers every member bettered their times by two minutes. In two successive meers every member had their personal bests. Mr. Schroeder also said that he was proud of what his team had accomplished.

Jr. High Cross Country — **1st row:** R. Fleischauer, J. Clark, W. Wiggins, T. Corey, B. Kelley, M. Roberts, **2nd row:** Mr. Schroeder, B. Layton, S. Fleischauer, B. Roberts, R. Percy, C. Seager. **Above:** Craig Seager leads the pack. **Top left:** They're off and tackling the 1.9 mile course.

Granby System Works

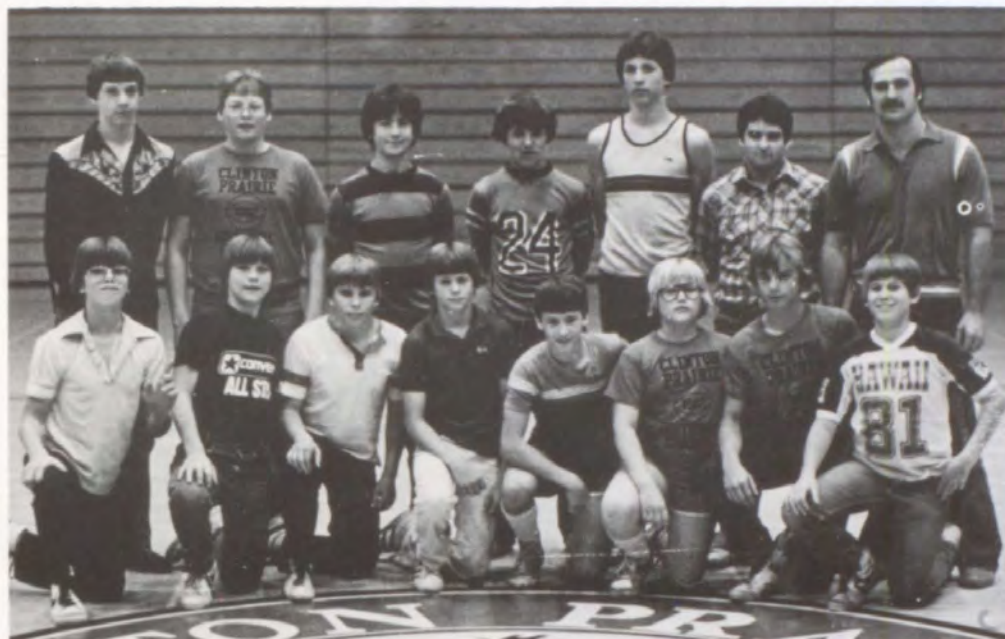

The 1982 Jr. High Wrestling team ended the season at 2-3. Mr. Bob Bostwick was the coach.

There weren't any records broken, except that there were more boys on the team than before.

Shane Robertson, Rod Colter, and Kevin Sherry all had

successful seasons.

"With the arrival of Coach Keel, the boys were introduced to the Granby system of wrestling," commented Coach Bostwick. He continued to say, "It took a while for the boys to accept and achieve some success."

7th Grade Finishes 4-2

The 1981-82 7th grade football team chalked up a 4-2 slate. One highlight of the season was the defense. They held three teams scoreless, two of which were Clinton Central. The defense also blocked six punts through the season. Tony Kinsler led the defense with the most tackles. Tom Smith spearheaded the offense

with six touchdowns and over 430 yards rushing.

"This team surpassed all of my expectations which points directly to the fine character of the 13 boys who participated," Mr. Bostwick said of his team.

7th GRADE FOOTBALL — **First row:** M. Page, D. Anes, J. Parke, B. M. Crowe, D. Simmons, T. Smith, T. Kinsler, P. Douglass, Mr. Bostwick, Ferguson, S. Woods, S. Pierch, M. Bond, B. Sanders, **Second row:** C. Rice,

8th Grade Has Productive Season

The 1981 8th grade football team was coached by Mr. Clemens. They finished their season 2-4, but had a chance to win all but one game.

The team was led in rushing by Mark Price. He had 707 yards rushing and 6 touchdowns. This was due mostly to

the fine blocking of the offensive line and to David Williams' good job of quarterbacking.

Defensively, Joe Gillen and Rod Coltrier did outstanding jobs at linebacker with 53 tackles each.

8th grade football — **First row:** D. Williams, S. Robertson, R. Coltrier, R. Good, R. Lashbrook, S. Oswalt, J. Gillen, T. Carrer, C. Houchens. **Second row:** R. Ferguson, T. Flack, B. Cook, M. Team Shows Great Effort

The 1981-82 Jr. High Volleyball team was coached by Mrs. Debra Morris. The 7th grade had a 6-3 record, and the 8th grade had a 6-5 record. They placed 2nd in the county tourney. Some outstanding team members were: Lisa Brenton and Denise Moore as best spikers, Sharon Oesterling was outstanding overall, and Amber Marshall,

Dana Boyd, Amy Stewart and Jill Paddock were all outstanding 7th graders, and showed a good team effort. Mrs. Morris commented, "This year's teams showed great team effort, rather than individual stardom. The girls showed good effort and tremendous improvement."

Above: Wendy Clinger bumps it up. **Below:** Amy Surface and Sarah Swan practice after school.

8TH GRADE — **1st row:** M. Sinnex, S. Wilson, L. Lenahan, D. Myers, S. Oesterling. **2nd row:** Coach Morris, M. Smith, S. Albitz, B. Justus, D. Jones, P. Neff. **3rd row:** D. Moore, J. Doyle, L. Brenton.

7TH GRADE — **1st row:** M. Sinnex, C. Heimbach, S. Swan, A. Marshall, A. Surface, J. Seabolt, T. Ford, T. Rose, D. Smith. **2nd row:** Coach Morris, W. Clinger, E. Bowen, J. Paddock, A. Stewart, D. Boyd, L. Fultz, T. Gammon, M. Roberts, P. Neff.

Team Plays Well

This years Jr. High Basketball Team was coached by Mrs. Kathy Chynoweth and Mr. Mike Armstrong. The A team had a 3-5 record, and placed 2nd in the county tourney. The B team had a 2-4 record. Outstanding A team players were Denise Moore with high scoring and rebounding, Sharon Oesterling with most steals. Outstanding B team

members were Amanda Grindstaff with high scoring and rebounding, Amy Stewart tied for leading rebounder, and Dana Boyd with most steals. Mrs. Chynoweth said, "All the girls played exceptionally well, and many games were lost by only a few points. The girls showed enthusiasm and team spirit whether they won or lost."

7TH GRADE — 1st row: D. Watkins; R. Stewart; D. Smith; E. Downen; D. Boyd 2nd row: Coach Chynoweth; C. Martin; T. Prater; A. Stewart; A. Marshall; A. Grindstaff; S. Swan; T. Gammon; M. Smith; L. Gray.

8TH GRADE — 1st row: C. Robertson, P. Neff; D. Jones; D. Myers; C. Wilson; M. Sinnex; S. Oesterling; L. Lenahan; S. Albitz. 2nd row: R. Larshaw; Coach Armstrong; J. Doyle; R. Pearcy; L. Brenton; D. Moore; S. Eldridge; T. Pollard; K. Myers; R. Fleischauer.

7th And 8th Basketball

Future Gophers Start Out Slowly

The 1981-82 7th grade basketball A team ended the season at 4-8, while the B team had a 3-4 record. The team was coached by Mr. Ron Wright.

For the A team, Travis Ware was the leading scorer with an 8.7 ppg. Par Douglass was the leading rebounder. Tom Smith was the leader in steals, and Scott Woods led in free throws with a 56 percent.

For the B team, Jeff Skiles was the

leading scorer.

"Though our record does not look as good as we would like, the team shows much promise," stated Coach Wright. He added, "They must learn to be ready to play when the game starts, because out of the 12 A games, they were outscored 10 of the 12 in the first quarter; on the other hand, in 9 of the 12, they outscored their opponents in the final 3 quarters."

7th GRADE BASKETBALL: First row: D. Kelley, S. Woods, J. Clark, T. Smith, S. Pierch, J. Parke, T. Carey. Second row: R. Myers, K. Wein, P. Douglass, D. Roberts, T. Ware, S. Sroops, S. Fleischauer, J. Skiles, Coach R. Wright. Right: Joe Clark seems to be giving instructions to teammates Par Douglass and Jeff Skiles during warm-up. Upper right: "Hey guys, when can we practice?"

Lil' Gophers Shows Talent

The 8th grade basketball A team finished out the season at 2-10, and the B team finished with a 1-5 record. The team was coached by Mr. Dennis Kas.

Mark Price led in rebounds, while Matt Roberts led all scorers with a 11.6 p.p.g. average. Matt also led in steals and he came in second in assists.

"The bottom line on this group's improvement was that during their 7th grade season, their average deficit was around 20 points a game. This year, it was about 7 points a game," commented Coach Kas. "We feel like we became quite competitive during the second half of our season," he concluded.

8th Grade Basketball — First row: D. Williams, M. Robertson, M. Roberts, G. Timmons, R. Good, K. Hicks, J. Gillen. Second row: R. Coltr, B. Merrill, M. Price, S. Wulf, J. Humrickhouse, S. Mennen, Coach Dennis Kas. **Left:** This ball belongs to no one! **Above:** Steve Wulf shoots for two.

Team Finishes Season 2-5

JR.

High

Track

Coached by Miss Nancy Kimmel, the Jr. High girl's track team finished their season with a 2-5 record.

There was only one record broken, but there were many outstanding members. The record set, in the hurdles, was broken by Penny Neff. Debbie Jones, Lisa Taylor and Dana Boyd were big assets to the team in that they participated in many events and did well. Ruth

Pearcy, Sharon Oesterling and Wendy Wiggins took on the task of running long distance for the team.

"We had a poor start with all the snow days and trying to get practices in was difficult," Miss Kimmel said. "I felt we ended the season right, though, with our wins coming in the last two meets. The girls really put forth 100% at all times."

Team Achieved Goals

The Junior High boy's track had a somewhat dismal record of 1-7, but they set 5 new records. The coach was Tom Percy, a Clinton Prairie alum and a first year coach.

Mark Price set 3 new records and was part of another. He set records in the pole vault (9'3"), 100 meter dash (11.91), 200 meter dash (24.08), and he was the anchor leg of the 400 meter relay. Other relay members were Tom Smith, Brad Cook, and Doug Lovell (51.3). Matt Roberts set

the other record in the 1600 meter run (5:09). Although they didn't set any records, Joe Clark and Par Douglass did outstanding jobs running the long distance.

Mr. Percy said, "Overall, the team did very well when you consider the small number of boys on the team. They all achieved a goal for themselves. The returning seventh graders who participate next year should be a strong team."

1st row: M. Lewis, T. Carter; J. Clark, T. Smith; M. Fleischhaier; M. Tharp; M. Price; P. Douglass; T. Kinsler; B. Roberts, T. Carey. **2nd row:** Coach Tom Percy; S. B. Roberts; B. Cook; B. Greiger.

Top right: Mark Price crosses the finish line. **Above:** Par Douglas attempts the high jump. **Right:** Mark Price keeps his pace.

Yell Team Yell

The 1981-82 Jr. High Cheerleading squads were sponsored by Ms. Charlotte Bailey. They quickly learned the difficulties of cheerleading. When their team was losing, they had to keep up morale. When cheering during a football game, fans had to be calmed down, and then there was the cold to cope with. All and all the cheerleaders learned many things to prepare themselves for the high school level, and they did a great job cheering their team, win or lose.

Trademarks

Many businesses in this area contribute to the yearbook. Each has its own individual trademark. Some are small businesses with a friendly atmosphere. There is a share of big corporations with busy schedules, all have a place in our yearbook.

Many students work for these merchants, whether its restaurant or factory or just plain farming. Each of us have to start somewhere. Luckily, many merchants are willing to give us a chance.

In our modern world of machines and numbers, its nice to know that local merchants still find time to offer friendly, personalized service.

X Marks The Spot

At the end of a treasure map, there is always an X to mark the spot where the riches lie. We hope that as you followed the trail of pictures throughout the 1982 Emerald, you have found a "treasure chest" full of happy memories. We hope we have shown you the many ways Clinton Prairie students have "made a mark" at school and in the community. We also hope the 1982 year will be a year that left its mark in your high school memories.
