The FBLA Club held their 3rd annual Spelling Bee on October 26, 1982, during the Open House. Each class chose one person to represent their class. Anyone who wanted to participate could.

The 12 finalists were taken out to lunch at Mac's by Mrs. Snyder. The first place winner was Jeff Bull, Second place went to Julie Myers, and Third place went to Candy Hall.

Jeff received a wristwatch. Julie received a portable radio, and Candy received a solar calculator.

HOMECOMING

Homecoming was full of surprises last year. Prairie's football team suffered a loss to Tri-West by a score of 14 to 7 in overtime. The sophomore class won the float contest with a slogan of "Open Season on the Bruins!" Since the Student Council changed the queen rules last year, five candidates instead of the traditional three were elected by the Senior class. The candidates were Staci Bond, Stacy Smith, Karen Short, Rana Baker, and Jackie Senesac. The winner was Staci Bond who was escorted by Rusty Doyle. Staci's court was Junior Denise Reagan, Sophomore Lori Bond, and Freshman Debbie Myers. After the Homecoming festivities during halftime of the game, a crowd gathered in the gym to dance to music by "The Street Legal Band." For most people the dance ended too soon, but they'll always have the memories of that important night.

Top Row: Rana Baker, Scott Wilson; Karen Short, Alan Timmons; Denise Reagan, Brian Smith; Lori Bond, Todd Davis; Debbie Myers, Scott Mennen. Below: Sophomore Float.

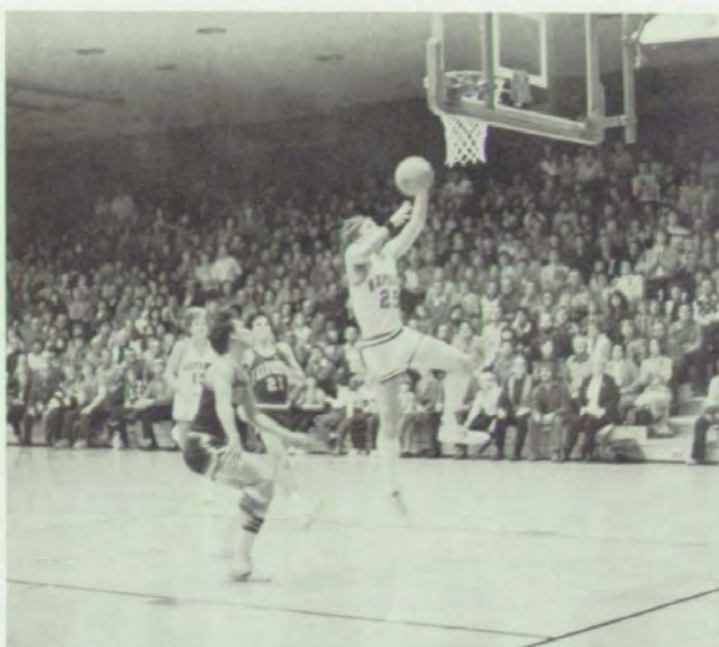

Top: Everyone enjoyed the home-coming dance even though Prairie lost the game.

Bottom Right: Mr. Baker tried to think of a winning play for C.P.

FRANKFORT GAME

On November 24, 1982 the game between CP and arch-rival Frankfort was played before a standing room only crowd. CP lost 50-47 in a hard fought inter-county game.

Rusty Doyle led the team with 17 points, 9 rebounds, and 8 blocked shots. Jon Swackhamer came off the bench to spark the team with 14 points. The game was played without starter Dave Clark and the team obviously missed his outside touch.

The audience didn't get to see all the hard work put into the play. They saw the finished product 9 weeks later. Many hours were spent after school. Marty Lipp built the set while the cast spent their evenings going over the play. The lines had to be right because clues were hidden in them. "Stay in character!" and "Get your lines memorized!" were favorite orders of the directors. Everyone was happy as the curtain closed, for not only was the play over but the cast party awaited them!

The cast and crew are shown putting all their efforts into the play!

The Hardwood activities were surrounded with a lot of enthusiasm. Clinton Prairie defeated Turkey Run at a score of 92 to 51 on January 28. Rusty Doyle lead the scoring with 18 points while Marshall Minth had 9 assists. Rana Baker was crowned Hardwood

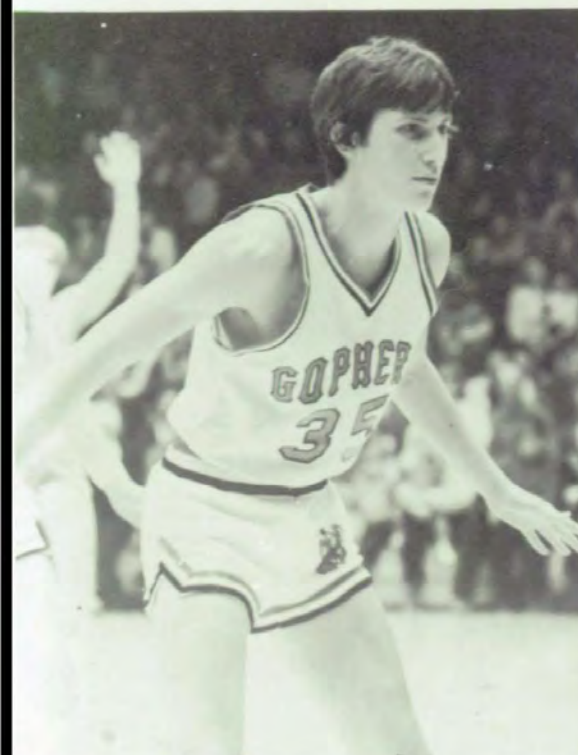

Queen during half-time. The dance afterwards was fun-filled thanks to D.J.'s Brad Spencer and Scott Wilson. Everyone had a super time at the game and the dance!

Left to Right: D. Campbell, S. Bond, H. Young, and R. Baker.

STUDENTS

Hope Young, Rana Baker, and Sherry Milnes were candidates for Jr. Miss in 1982. They sang and danced to show their talents. They all agreed that it was a learning and fun experience.

Rusty Doyle had a super season this year and to top it off, he was chosen as a member of the 1983 All-Star team. He also received a full scholarship to Miami of Ohio. Rusty is the first male to do these things as a C.P. student.

Brian Rohler, David Clark, and Marshall Minth were the Boys Hoosier State candidates. Rana Baker received the DAR Good Citizenship award.

Upper Left: Rusty Doyle. Upper Right: Marshall Minth, Brian Rohler, David Clark. Lower Right: Rana Baker.

Paulette Crowe and Brad Spencer were the emcees who guided us on a memorable jungle safari. The audiences saw such acts as Rana Baker and Hope Young, singing "Yellow Bird," Kris Downs, singing "The Lion Sleeps Tonight" and the Seniors, singing "The Unicorn." The finale, "Talk to the Animals," was followed by "Be Kind to Your Web-Footed Friends" to close the show. I would like to extend many thanks to Lori Caldwell, my assistant, to Mrs. Weddell who conducted the stage band while the H.S. Choir and Prairie Singers were under the direction of Mrs. Hulsey. Mrs. Compton received an Oscar for Best Art Direction. And let us not forget Mr. Compton, for without him "Menagerie" would not have been possible. I would like to express my appreciation for everyone's hard work in making this show a success.

Top Left: The high school choir, singing "Born Free," makes its Revue debut. Bottom Left: Stage and lighting crews take time out for a picture. Top Right: "Just beautiful," "prettiest set ever," and "such real looking animals" were the remarks most often heard about the work of the Art Crew. Bottom Right: The Stage Band, under the direction of Mrs. Weddell, provided all the live music.

Diane Campbell

STUDENT DIRECTOR

The entire cast of Revue '83 pose for a finale picture.

Brad learns that Elmer Fudd has "finally found that wretched wabbit."

Seniors Larry Evans and Sherry Milnes are electrifying as they sing "Mockingbird."

A lovable gorilla became the mascot for "Menagerie."

Kristie Downs sings "The Lion Sleeps Tonight."

Always a crowd pleaser, Prairie Singers perform "Bye Bye Blackbird."

Seniors Hope Young and Rana Baker create a sensation with "Yellow Bird."

The Juniors bring back the 1950's as they sing and dance to "Crocodile Rock."

Mr. Compton teases Student Director Diane Campbell as he presents her with her very own unicorn.

Seniors sing of Noah, the Ark, and "silly unicorns."

Emcees Paulette Crowe and Brad Spencer guide audiences on a jungle safari.

Ed Lasiter and sophomore girls delight audiences with "Baby Elephant Walk."

Marie Josephson stayed with Lesley Wampler. She is eighteen years old. Her hobbies are dancing, swimming, and playing soccer. Her favorite food is spaghetti and her favorite class is Advanced Clothing. Blue and white are her favorite colors. She enjoys watching games and meets.

She said there are many differences between our school and her school. Two examples would be that her school in Sweden is freer and that our school is easier.

She misses her family and friends the most.

Kalle Jumdpagen stayed with the Fossnock family. He is seventeen years old. His favorite music groups are ELO, Santana, Bob Dylan, and Ernie Clampton. His favorite color is black, and Agriculture and Stock Productions are his favorite classes.

He said that our school system is made for our way of life. Our school helps prepare us for our choice of career. We do not have to take unnecessary classes like he does in Finland. There he has 18-22 subjects per year and four or six different languages. He also says that our school regulations are not as strict.

He misses his sauna.

Megumi Matsumura stayed with Traci Robinson. She turned nineteen on May 6. Her favorite foods are tacos, oranges, and peach pie. White, red, pink, gray, and yellow are her favorite colors. She enjoys playing the piano and making doll clothes. Her favorite classes are Foods and English.

She thinks our school is fine but different. Her school has 1,500 students and 100 teachers. She has to study almost 22 subjects in a year. She also goes to school on Saturdays. When she attends school, she is not allowed to wear make-up. But she can go out and eat during lunch period.

She misses her family, friends, and her cats.

Anne Normann stayed with Mr. and Mrs. Howard Burrell. She is eighteen years old. She likes horseback riding, traveling, knitting, and reading. Her favorite music groups are Foreigner, Ultravox, Beatles, and David Bowie. Her favorite foods are spaghetti, macaroni & cheese, and ice cream. She likes different shades of blue, green, and red. Her favorite classes are Art, Newspaper, and Economics.

She likes our system especially all the activities and teachers. She said that our school is not as hard as the Norwegian school. Some other differences are there are no sports or other activities at her school. She does not have the same schedule everyday. She also has 10-15 minute passing periods in which she walks outside and talks with her friends.

She misses her family, friends, the mountains, sea skiing, and public transportation.

Seniors Had The Best Of Times

The year of 1983 will always hold many special memories for its Senior Class.

Throughout the year, the senior student body accomplished many things to help make the year a little more special.

Things such as showing spirit by building a float for Homecoming, decorating the halls

for Christmas and spirit week were just a sample of our teamwork and success.

The SENIORS Will always remain proud of their last prom, their volleyball team going to the Regional, the Revue being dedicated to the seniors and many other memorable events.

ONE MORE TIME

One more time and the Junior Class of 83 will have it made. Ask anyone, the junior year seems like an eternity. But even so, the juniors still have fun in all they do. The juniors entered their float in the Homecoming Float Contest. As always they held the annual candy sales to raise money for the Prom. As their senior year draws near, the juniors start to get a little nervous deciding what they are going to do after their senior year. They meet the SAT and PSAT tests. The President of the Junior Class was Jon Paddack, the Vice President was Julie Myers, the Secretary was Mindy Jones, and the Treasurer was Susan Oesterling. The Junior Class sponsors were Mr. Moyer and Mr. Segraves

The Junior Homecoming float.

Spirited Times

The Sophomore Class was a class with great spirit. They never let up. They were in contest after contest. The cheerleaders led school chants, while each class tried to out yell the other. Of course the Sophomores won the spirit stick both times.

Homecoming turned out to be very exciting when they got first place in the float competition. In the Homecoming ceremonies, Lori Bond was chosen as the class representative with Todd Davis as her escort. Hardwood activities went just as well. In the wagon contest they grabbed second place. Rachel Poppe escorted by Tom Simon was selected by the class for the Hardwood court.

They also decorated their hall at Christmas time.

Lights were hung, while some of the lockers were made to look like presents.

Sports was another area where they had great spirit. Brian Campbell had a super season in wrestling. He went all the way to the first round in semi-state. Monica Smith made all-conference for volleyball.

Class officers were Ed Lasiter, President; Monica Smith, vice-president; Cathy Cochran, secretary; Jon Swackhamer, treasurer. Mr. Ron Wright was the Sophomore class sponsor.

This Sophomore class had enough spirit for their last two years at C.P.

Coach Nick Baker's football team had a good season despite a record of 4-6. Their Rangeline conference record of 4-3 tied the team for third place. All-conference players were Marshall Minth, Brad Neff, Kevin Loveless, Keith Loveless, and Brad Spencer.

The coaches and team can be proud of their effort this year. Most of the passing records were broken and the team was only a few points away from being 8-2.

Head coach Baker summed up the year by saying, "the team was very successful. Everyone gave a good effort, and we played close to our potential."

Girls Have Record-Setting Season

Miss Connie Garrett coached the Varsity Volleyball Team. The team had a best ever season record of 34-4. They were conference champions with a 7-0 conference slate. "It was a rebuilding year with many unknowns," Ms. Garrett said, "but it was one of our more outstanding teams. The key to our success was teamwork with three seniors, one junior, and six sophomores all being very even in ability." Senior Rana Baker was a senior co-captain as well as the top setter and spiker. Fellow classmate Brenda Smith was the top defensive player and the most powerful server, along with being a co-captain. Rana Baker, Brenda Smith, and Monica Smith were all named All-Conference.

The 1982-83 Varsity Cross Country Team was coached by Mr. Dennis Kas. They finished with a season record of 5-6, winning all their home meets and losing all their away meets. Matt Roberts set a new school record, 16:40, and was the first freshman to be named All-Conference. He was also the team's M.V.P. Junior Brian Swayne, the team's captain, was the Most Dedicated Runner, and Craig Seager, also a freshman, was the Most Improved Runner. Mr. Kas said, "We showed very fine improvement, both individually and as a team." He added, "With no seniors on this year's squad, next year's team shows much promise."

9th GRADE FOOTBALL

Mr. Doug Segraves coached the Freshmen Football Squad. This year's team was only the second team in four years. They had a very respectable record considering their experience. David Williams and Mark Price led the offensive attack while David Warren and Tony Flack led the defense. These freshmen should be the heart of the Varsity action in the future.

Front row: M. Lewis, K. Sherry, J. Gillen, M. Price, A. Good, S. Robertson, Back row: P. Gascho, J. Humrickhouse, D. Warren, B. Cook, T. Flack, D. Williams, S. Oswalt, R. Colter.

Record Setting Season By J.V.

This year's Junior Varsity Basketball Team was coached by Mr. Robert Blaydes. The team compiled an outstanding record of 18-2 and 7-0 in the Rangeline Conference. This record was the best ever by a Junior Varsity Team.

Junior Brian Swayne led the team at the charity stripe with a .850% average. He was followed closely by Sophomore Jason Swackhamer. Joe

Grissom and Mark Price were two of the outstanding contributors on the team, both on offense and defense. Jay Pletch was the second leading scorer with a 7.1 average.

Mr. Blaydes recalled this as being one of his most enjoyable season. "The success of the team was due to the team's unselfish play."

The 1982-83 J.V. Volleyball was coached by Mrs. Kim Brewer. The team had one of their best Seasons ever by going 21-1. That mark bettered last year's of 19-1. They went 8-0 in the conference. One of their many accomplishments was winning the Laf. Jeff tournament for the second straight year. They were led by Juniors: Denise Harlan (Capt.), Mindy Jones (Co-Capt.), Susan Oesterling (top server), Kristie Downs (top setter). This team should prove to be one of the better teams on the future.

The Junior Varsity Girls Basketball Team had a very respectable record of 8-6. The team was led by Juniors Mindy Jones and Denise Harlan in many catagories. They had an outstanding Freshman by the name of Sharon Oesterling. She was voted by the team as most valuable contributor. They were coached by Mr. Dan Hilgadiiek. He commented "The girls worked hard and improved day to day. They have the potential to become one of the best varsity teams ever at C.P."

GIRLS HAVE TOUGH SEASON

The girls were in a rebuilding year last season. The team went 8-12 overall.

Coach Garrett's team was dominated by sophomores. Sara Smith, Kristin Johnson, Monica Smith, Chylene Martin, and Cathy Cochran

all saw a lot of playing time. Senior Diane Ream also was a good contributor to the team.

With playing a lot of underclassmen, the team should really do well next season.

BOYS WIN CONFERENCE CROWN

Last year's Gopher basketball team had its best season ever. A record of 18-4 with 15 wins in a row really showed a lot of people that this team could play with anybody in our area.

Rusty Doyle was nominated to play for the Indiana All-Star Team. He is the only player to achieve this honor in CP history. This senior oriented team was always willing and able to go out and do their best.

The accomplishments really show just how well they played. They won the Clinton Central Tourney for the fourth time in six years and the Rangeline Conference with an undefeated record. They went into the sectionals as a favorite, but were defeated by Frankfort.

Coach Smith, who stepped down as coach after the season was over, had nothing but praise for his team. He said, "All the players were intelligent, coachable, and gentlemen. Between the varsity and JV records there wasn't another program in the state with a better record."

The outstanding members were Brad

Spencer, who won the Sectionals and the Conference, Brad Steidle, Brian Campbell, who won the Sectionals and placed second in the Regionals, John Campbell, and Ed Lasiter. Mr. Keel said that there was much improvement from last year and that everyone improved their record. Since the team will only lose Brad Spencer and John Campbell, he looks for a good future.

Going into the season with an eight meet winning streak, begun in 1982, the team extended that record to 14 in a row. The team's final dual meet record for '83 was 11-4, a new school mark. Marty Lipp broke the individual low season average of 44.2 with a 43.5 stroke

average and the team set a new school 18-hole record of 335 against Frankfort. Clinton Prairie concluded its season with a 9th place Sectional finish, another first. Individual honors went to Marty Lipp for the MVP, Brett Decker with the Mental Attitude and Mark Price for the Most Improved Player.

Stacy Smith led the team with 215 total points. She won the long jump in every meet this year. Other outstanding contributors were

Rana Baker, Sara Smith, Hope Young, Karen Gick, and Penny Neff.

Coach Brad Allen summed up the year by saying, "We will lose 5 seniors, but we have a lot of exceptional people coming back. We should have a very good team next year."

BASEBALL TEAM WINS CONFERENCE

In 1981-82 the baseball team took home the conference and sectional trophies. In 1982-83 the Gophers have already won the conference title. (Other details were not available at press time.)

Coach Kas, assistants Ron Wright, and Dan Hilgediek have done an excellent job during what is called a

rebuilding year.

Marshall Minth has been the major contributor in their victories. He, along with Joe Grissom, Bret Dirbas, and Brian Campbell led the offense. Defensively, Minth, Grissom, Simon, and Elliott have played well.

CHEERLEADERS

"Fire Up Gophers!" was a familiar expression heard from the 1982-83 Cheerleaders. The Cheerleaders had a lot of spirit. They got the crowd going by jumping, yelling and doing the daredevil act of forming the pyramid.

The Cheerleaders really did a tremendous job last year and they have a lot to be proud of, especially of the job they did for C.P..

Spirit Leaders

Last year C.P. was fortunate to have spirit leaders who really had spirit. The spirit leaders went to volleyball games to cheer our girls on to the Regionals. The mat maids cut oranges as well as keeping score for the wrestling team. The ninth grade cheerleaders cheered the boys on even when the times were tough. Overall, the spirit of these young ladies was outstanding and they had several "Good Times".

SOME RAIN SOME SHINE

Seventh grade is probably the most difficult year ever experienced here at C.P. It seems that there is a constant cloud of confusion: trying to find all your classes on time and the never ending worries of remembering that locker combination.

There are also good times though, meeting all kinds of new friends and even the seventh grade puppy love isn't so bad.

The Junior High Student Council has gotten quite a few things accomplished in this last year. The council bought a microwave oven for the teacher's lounge. They also participated in the Pepi jump rope for heart. To the students, the biggest project was the dance at which they had "Good Times".

Who ever said cheerleading was easy? They worked hard under the sponsorship of Miss Kimmel. They practiced hard after school for the games. No amount of practice could prepare them for the cold evenings ahead. The cheerleaders did a fine job. They really helped the teams do their best.

7th GRADE HAS UNFORTUNATE SEASON

The 7th grade Basketball Team had a 5-11 A Team record and a 7-1 B Team record. Coach Ron Wright had some good players to work with this year. He said, "I was not afraid to play any player in any given situation. We had a lot of depth." Jason Stillwell was the leading scorer with a 10.6 average and David Joseph had a 9.8 average.

The Eighth Grade Basketball Team was coached by Mr. Dennis Kas. The A Team had a record of 9-6 and the B Team had a record of 3-4. Kent Chezem led in scoring and assisting. Pat Douglass was the top rebounder and Tom Smith led in defensive effort.

Mr. Kas commented that the team showed good improvement over the past season and they were competitive in all of their games. For these two reasons he said that this was one of his most enjoyable groups to work with.

Jr. High Girls Go .500

The Jr. High girls basketball teams both had respectable seasons. The 7th grade, coached by Cheryl Kas, ended up 5-5. She had a lot of good talent to work; Stephanie Myers was their key player.

The 8th grade, coached by Mike Armstrong, also ended up 5-5. He also had a good club with lots of talent. Dana Boyd was the key contributor on his team.

Top: A. Stewart, A. Surface, A. Marshall, T. Gammon,
Bottom: J. Seabolt, D. Boyd, S. Swan, C. Heimbach, A. Grindstaff.

Steele. Front Row: D. Lovell, M. King, D. Anes, M. Page, T. Smith, C. Rice

The Eighth Grade Football Team ended the season with a good 4-2 record. Mark Page, the team's quarterback, displayed a great deal of talent and poise in running the offense. Tom Smith proved to be an outstanding runner and receiver. Mike Crowe led the defense in tackles and the offensive line in blocking. Mr. Bostwick said, "This eighth grade team exemplified nearly everything a junior high team could hope to accomplish. This includes success, sportsmanship, continuous improvement, knowledge of fundamentals, and team cohesiveness."

The Seventh Grade Football Team was coached by Mr. Jack Clemens. They had a 3-3 season record. All the team members worked hard the entire season and they had a "never-give-up" attitude. Two games were won late in the fourth quarter.

The highlight of the season was an 18-16 victory over previously undefeated Flora. Outstanding defense was the key to this victory with two fumble recoveries and one pass interception being run back for CP touchdowns.

These athletes know that with some hard work and determination, next year's record will be even better.

Seventh Grade: Back Row — JB Barnett, M. McQuern, L. Douglass, S. Moore, T. Baker, J. Van Meter, B. Boller, Coach Clemens. Front

Row — D. Joseph, T. Stewart, R. McGraw, R. Fetterhoff, J. Blacker, J. Stillwell, S. Whitlock, H. Danner, B. Spencer.

VOLLEYBALL TEAM COUNTY CHAMPIONS

The Jr. High volleyball team had a losing record of 3-5, but that was made up for with a county tourney championship.

Nancy Welch was the 1st year coach. The B team went 6-2. The top players for the team were Dana Boyd and Sarah Swan.

Amy Bowen serves a point for her team.

Cross Country Has Difficult Season

The Junior High Cross Country Team had a disappointing season going 0-8 in dual meets and 1-9 in Invitational standings. Coach Schroeder's team worked very hard. All the runners improved their times, with Joe Clark setting and breaking his own record three times. His final record time was 9:44. The way this team improved throughout the season, they should be a great asset to a future varsity team.

Top: Standing — Shawn Pletch, Joe Clark, Scott Fleischhauer, Brian Layton, Coach Schroeder. Kneeling — Nick Stillings, Wendy Wiggins, Mike Bruton.
Left: Joe Clark races to the finish line.
Right: Scott Fleischhauer leads the pack of runners.

BOYS HAVE RECORD SETTING SEASON

The Junior High Boys Track Team ended the season with a record of 5-3. Coach Tom Pearcy's squad finished 3rd in the Sheridan Invitational, missing second by only 1 point. There were four new records set this year. They were Joe Clark in the 1600 meter run, Brian Roberts in the 400 meter dash, and Kent Chezem in the pole vault and the low hurdles.

GIRLS PLACE FOURTH IN INVITATIONAL

The Junior High Girls Track Team was coached by Mrs. Welch. The team had a good year with a 5-3 record. They came in 4th at the Sheridan Invitational. Dana Boyd set a new record for the long jump. She also had 180 total points for the season.
