

We're For Real

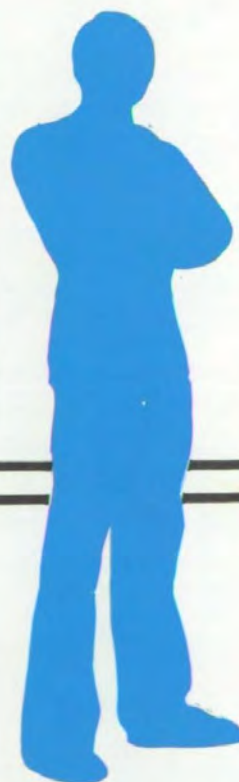

At the first glance, a person might think that Clinton Prairie is just a "hick" school. This year C.P. has proved in athletics, theatrics, and academics that we are here and "We're for real." C.P. is constantly having to remind outsiders that we are to be reckoned with.

The reality is that Clinton Prairie is not just a building or a name. It's the spirit, the feeling, the staff, and the students that make C.P. special. Without all these things, Clinton Prairie would be any school. We are the ones who make C.P. "Real."

Why?

C.P. students and staff seem to have fun no matter what they do. Whether it's during lunch, playing basketball, at sporting events, or eating at McDonalds, you can always recognize a C.P. fan. They have fun, yet still have pride for who they are and where they come from. It seems as though they can't separate C.P. from their social lives. When students and staff leave C.P. in the afternoon, they talk of antics pulled by students and staff alike. This is the "Real" life for us — The C.P. life!

HOMECOMING

Disappointing, Yet Happy

On September 16 we held our homecoming. The F.F.A. held their annual supper before the game. The team faced its toughest opponent of the season, 6th ranked Carroll. C.P. was sadly defeated 36-14. During halftime, Tracy Van Meter, escorted by Mark Price, was crowned queen. Her court consisted of Seniors: Denise Reagan, escorted by Andy Weaver, Kelly Reagan, escorted by Jon Paddock, Angie Surface, escorted by Brian Swayne, and Lesley Wampler, escorted by Rusty Good.

The Senior Class took the float competition with a slogan of "Can the Cougars." The Freshmen Class was second with "Bury the Cougars."

After the game, students piled into the gym to escape reality for a while. They danced to the music played by D.J. Debble Greir. Once it was over, it hit them. We had lost the game but we had a new queen.

C.P. students are always there. They showed their spirit and pride in everything the school did. When the teams went to Semi-State, they were there. That spirit flowed into other things as well. It showed in our academic work, other things done outside of school, and in teams that didn't necessarily do well. We showed the community that C.P. is worth the effort. It's worth backing! You just can't stop that Gopher spirit.

Bottom Right: Two students enjoy talking at lunch. Bottom Right: Students took for granted that the bus would be there at 3:00.

Spectacular Year!

The 43-0 volleyball girls breezed through Sectionals by defeating Rossville in the final game. At Regionals they defeated McCutcheon for the third time. In the final game they defeated Zionsville for the title. At Semi-State the Gophers lost to Roncolli in two games. Even so, they were the first girls volleyball team to go undefeated during regular season play.

The cross country team was the first boys team

to advance to Semi-State. They placed second at sectionals and advanced to the Regional. At Delphi, the team placed fourth. They then advanced to the Semi-State. The boys placed 16th at La Porte. It was not a high placing so they could not continue in the competition. Along with the fame of being a Semi-State team, they now hold the regular season record of 10-0.

OPEN HOUSE

Open House was held on Monday, October 24th. During this time, parents have a mini school day. Parents go to each class and it gives them an idea of what each class is like. After the "classes" are over for the evening, parents may go back to the teachers and ask questions about their child's work.

The Spelling Bee finals were held that same night. The representatives were: Seniors — Denise

Reagan and Vancil Stephenson, Juniors — Kathy Downs and Monica Smith, Sophomores — Shari Skiles and Greg Timmons, Freshmen — Amy Hawkins, Jill Paddack, and Sara Swan, 8th grade — Angela Lambert and Nick Stillings, 7th grade — Vanessa McGraw and Michelle Rudd. Monica Smith won the Spelling Bee with Greg Timmons taking second place.

School Board Reconsiders

On November 11, 1983, the Clinton Prairie school board made a tough decision. With Harold Neal breaking a tie, the auditorium was voted down 3-2.

When this was heard, many upset patrons and students took around to the community a petition started by J. Michael Davis. They gathered 700 names in just 10 hours. The board granted the extension of two days.

At the next meeting, J. Michael Davis and Mrs. Haley presented the board with 1,000 property taxpayer's signatures. When the members saw this, two changed their votes and the auditorium was voted in favor of 4-1.

Harold Neal commented, "When you have over 1,000 people who want something, you have to listen."

Fortunately, for the many people who dedicated their time, the board did listen.

DARK DEEDS AT SWAN'S PLACE

Montague Leech, the villain, and his henchwoman, Carlota Castanet (the She-wolf of Monterey), make a tidy profit shanghaiing young lads to ships that sail from California to the China Seas. They operate from a disreputable tavern. Alas, the tavern belongs to a grizzled prospector, Sourdough Birthright. When he dies, the tavern is willed to his only heir, Bertha Birthright, an orphan. She plans to make the place her home. Montague must get rid of the damsel. Enter Jack Swan, an English sailor, with a love for the theater. He offers Bertha his protection and the hilarity goes into high gear! A soldier (Lorne Order), a widow (Mother McGoof), a society matron (Augusta Van Gush), a temperance crusader (Mary Fairweather), a cowboy (Rawhide), a mysterious woman, and a crusty sea captain (Captain Bermuda) collide in the midst of Leech's willainy and the California Gold Rush. In the end the villains are jailed, our hero Jack Swan loses the heroine, Bertha, but gains the first theater in California.

HAPPENINGS

Many things happen at C.P. each year. It seems that when the school year begins it will be an eternity before school is over.

Homecoming starts each year's festivities. Before you know it, football season is over and Christmas is here. The Christmas dance, decorating hallways, hoping for snow days are all part of the winter season.

Hardwood ends basketball season and winter is almost over. The thought of spring break begins to pop into people's minds.

As we look past spring break we find that only nine weeks of school are left. Where did the year go? Graduation, the prom, honor day are all on the minds of students.

Finally, its over: that long year which we thought would never end did before we were ready for it to.

"Start spreadin' the news" that despite the severe weather and snow, "New York, New York" went on as scheduled. The curtain opened at 8 p.m. on March 14, 15, and 16. We traveled "Downtown" and to "Manhattan" and let the Yankees "take us out to the ballgame," and the audience hoped the show was "Far From Over." We saw the "Boy From New York City," heard the "Sounds of Silence," and picked a "Rose in Spanish Harlem." It was over in a "flash," but everyone left saying, "What a Feeling."

It was great working with all the cast members of Revue '84 and a special thanks to my assistant student director, Theresa Campbell, alias bag lady Josephine, who helped me keep my sanity through all the snow. Thanks to Ms. Lester, Mrs. Weddell, and Mr. Compton (who hates snow almost as much as I do!) for helping make Revue 1984 a memorable success!

For their last Revue performance, Denise and Andy harmonize with "Spanish Harlem."

Free butter and cheese notwithstanding, bag ladies "Josephine" and "Harriet" (T. Campbell and B. Gibson) ask Pres. Reagan, "Where's the beef?"

Tina Gish sings the theme song for Revue 1984, "New York, New York."

Christmas Dance

The Christmas Dance was held on December 17, 1983 in the multi-purpose room. It was sponsored by the Future Homemakers of America. The

band, Destiny, provided the music for dancing or for sitting and listening to.

Junior High Dance

The Junior High Student Council last year again held a Sweetheart Dance for Valentines Day. A good crowd showed to listen and dance to records that were played by the Student Council members.

Hardwood

The Hardwood activities were full of excitement. Many of the clubs participated in the float contest. The Student Council gave money to the first place float, which went to the Science Club float.

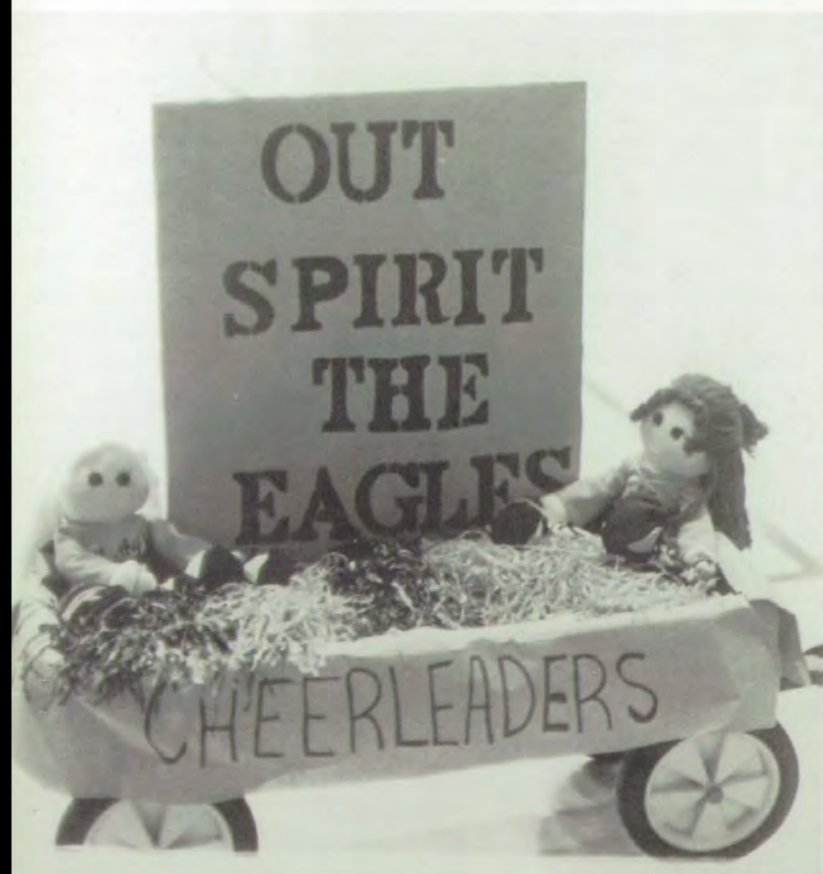

The 1983 queen, Rana Baker, escorted by Brad Spencer, came back for the cere-

monies. Of the five queen candidates Denise Reagan was chosen for 1984. Josh Grisom carried the crown and Cindi Haughs carried the flowers.

The basketball team rounded up the activities with a big win over Zionsville.

Mick Gillen the King. Angela Hester was the princess and Jay Pletch the prince. As the boat docked, "The Gentlemen of Note" played the last song. All couples were sorry to see this special night end.

Mr. Croxton began his teaching career at Colfax and then came to Clinton Prairie with the consolidation. He taught agriculture for many years then moved into his guidance counselor position.

We would like to take this opportunity to thank Mr. Croxton for his many years of service to our school and wish him all the best in his retirement.

HIGH SCHOOL

The four years that one spends in high school are probably the best in a person's life. There are so many activities that go on each year that everyone can find something to do.

Students trying to figure out what they want to do when high school ends, search for the right classes to take. The many friends that are made for life make this time of your life very enjoyable. Ballgames, dances, the prom, club meetings and other activities are all a part of this exciting time.

Starting out as a lowly freshman, you start this magnificent journey. Taking classes that you elected to. Being on a varsity team, the many after school activities are all a part of this.

The time flies by so fast. You get your driver's license, (a major milestone) hitting the strip on the weekends, we all wonder when this will end.

It ends all too soon. Your senior year starts and before you know it, graduation is here. The start of a new life begins, but all the memories are not forgotten. Friends may come and go, but the memories of high school will always be with us.

Super Seniors

The senior class was full of spirit, pride, and memories. They built a homecoming float which placed first and won the Spirit Week competition.

The seniors were seen at games cheering on C.P.'s teams to victory or defeat.

The class of '84 showed pride in the things and people around them.

The seniors had an act in the Revue singing to "Boy from New York City".

The athletes were especially proud of Joe Grissom, who was selected for the All-State football team.

The class was plagued with the decisions of being a senior. S.A.T. scores were turned into colleges and seniors prepared to make their final college selection. Those who won't go to college tried to find job prospects.

The senior class brought in cheerful and interesting decorations to decorate the upstairs hall. The seniors were disappointed when some "grinch" stole the bulbs from the tree. They were never to be seen again.

The class colors were silver, maroon, and white. The class flower was a white rose.

Class Of '85

The juniors were very active this year. They were in charge of getting the prom together. Everyone in the class had to sell a hundred dollars worth of M & M's in order to go to the prom free. The money from the candy also went to pay for color pictures in the yearbook their senior year. They also took the PSAT and the SAT.

For Homecoming the class made a float. Cathy Cochran was selected by her classmates to represent the junior class. Her es-

cort was Jason Swackhamer.

The class of eighty-five chose Beth Stevens to represent them in Hardwood ceremonies. Beth's escort was David Brett-nacher.

The class officers were Ed Lasiter, President; Jon Swackhamer, Vice-President; Cathy Cochran, Secretary; Angela Hester, Treasurer. The junior class sponsor was Mr. Segraves.

The Second Time Around

Sophomores! The second year of being a big high schooler. Many things happen during that year. Getting your license, taking more elective courses, getting more involved in everything around C.P.

The sophomore class had a few characters, but all in all they were a good bunch of kids.

Sharon Oesterling was homecoming representative and Sandy Albitz was Hard-

wood representative. The officers were David Williams, Sherri Eldridge, Lori Gray, Cathy Myers and Mr. Elliott, sponsor. With the help of the officers, the class sponsored a dance. The Rock Machine played while the crowd enjoyed the music.

The Class of '86 has many decisions to make in the future. That's a tomorrow that they don't think about. They just think of this year and its activities.

STAFF

What would a school be like without the staff: Teachers, cooks, custodians, aides, all of the people help us daily with our problems.

Some of the best educators anywhere are found at CP. They help us with our problems and see to it that we work to our fullest potential.

Our administrators are always on hand to discuss our problems with us and make recommendations to us to help alleviate the problems that we might have.

Clinton Prairie has a "super staff" and we would like to say "thank you" for a job well done.

SPORTS

Sports are "for real" at Clinton Prairie. It seems that everything we do revolves around our athletic program. A volleyball team and a cross country team that go to the semistate, along with a good football and basketball team, are only part of the sports program that we have.

Each year C.P. draws many fans to all of their events. No one can say that C.P. doesn't support their teams.

Besides from the "thrill of victory" athletics has another side. It gives each individual the ability to excel and to have pride in their accomplishments. No matter if we win or lose, the fact that we had the chance to compete will be with us the rest of our lives.

It seems words can't describe this year's Varsity Volleyball team. Many records were set and broken by Coach Connie Garrett's volleyball team. The girls were 7-0 Rangeline Conference champs. They ended the season with triumph with a spectacular record of 43-1. They also were ranked 3rd in the state. On the regular season the Gopher Girls were 38-0. Two new records were set. 43 wins, the most ever, was one record. The girls suffered one loss, to a state finalist, the least ever. Individuals records set by the girls were by Chylene Martin, with 384 serves with no errors and the most sets. Monica Smith also set a new record for most passes and blocks. Four of the team members were named all-conference and all-county. These very talented girls are: Monica Smith, Sara Smith, Chylene Martin, and Sharon Oesterling. "This was the type of season every coach dreams of," said Miss Garrett. "The undefeated season, going to the semi-state, and being ranked 3rd in the state were all deserved by a hard-working, well-balanced team."

The Varsity Cross Country team coached by Den-ny Kas, had an outstanding season in reaching the semi-state at Laporte.

They went 10-0 in dual meets and 2nd in the Range-line Conference just to mention a few ac-

complishments. They were led by All-Conference runners Matt Roberts and Joe Clark. Brian Swayne was named Captain. Allen Beckett received most dedicated and Craig Seager most improved.

The 1983 football team finished the year with a just under 500 season. Finishing the season with four wins, 5 losses and one tie, and ending with a 2 and 1 record in the cluster.

The Gophers were blessed this year with the many talents of all-state member Joe Grissom.

Disappointment struck with a loss to Attica which kept the Gophers from making it to the play-offs. Coach Baker is looking for a good season next fall.

Last years golf team ended with a winning record of 9-7. The team was coached by Mrs. Snyder.

Each individual on the team showed a great deal of enthusiasm and dedication. Mark Price, the teams most valuable player, lead the team this

year. He also set a new individual low season average record.

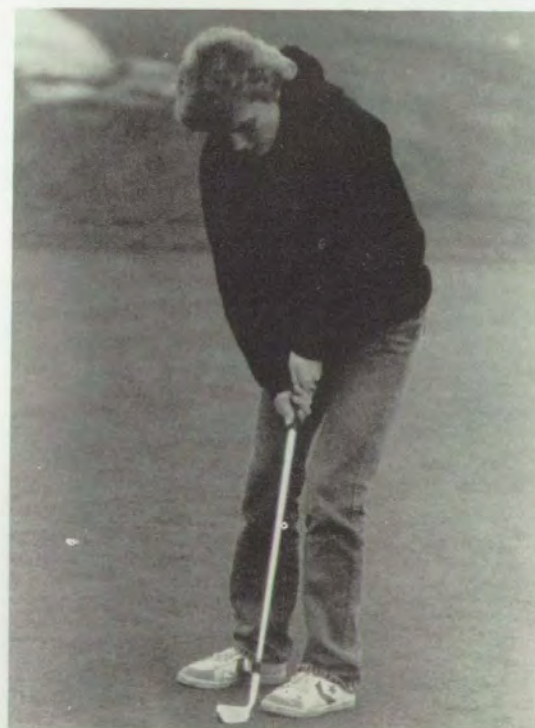

Each member of the team worked many long hours toward the improvement of their overall game.

The Varsity Basketball team ended its season with a 4-3 conference record and a 9-12 over-all record. New head coach Myren Chezem had these comments, "The gophers were very competitive this season, actually outscoring their opponent 60.2 to 58.1 for the season. They were a very exciting team to watch as they were almost always fighting for a win in a closely played game."

Some of the outstanding efforts were, Andy

Weaver leading the team with a 12.9 ppg. Brian Swayne led the team by hitting 81.2% of his free throws. Mark Price led the team in defensive rebounds and Jason Swackhamer led the offensive boards. Jay Pletch led the team in the steal and assist dept. Jason Swackhamer also broke the field goal percentage record by shooting 62.6% from the field.

Last years varsity baseball had a record of 13-6 at press time. They tied for 2nd place in the conference, and were county tourney champs.

The team spent the first part of the season struggling to find some effective combinations and placing their priorities where they needed to be. Since that time, a 3-5 start, they realized that any success that might come their way will have to be earned. They won 10 of their last 11 games.

The veterans, especially seniors Pat Elliott, Joe Grissom, Alan Hester and Allan Beckett have provided the leadership. Grissom leads the team in hitting with a .382 mark, 8 doubles, 3 homeruns, and 19 RBI's. His 8 doubles ties a school record, and he has a chance to set a couple more re-

cords before the season ends.

Pat Elliott is hitting .323 with 2 homeruns and 18 runs batted in. Brian Campbell (4 homeruns, .282, 18 RBI), Bruce Myers (6 homeruns, 22 RBI's); Nick Oswalt (.341); Troy Biddle (.375); and Rod Colter (.333) lead the offense.

Biddle has been C.P.'s main pitcher throughout the season. His 2.19 ERA leads the team. Tom Simon leads the club with a 7-2 record. Jay Pletch and Greg Timmons have also pitched well.

Coach Kas was very pleased with the direction his club headed at the end of the year. He hopes to improve to the point where they can challenge for the sectional title.

Varsity Cheerleaders

The Varsity Cheerleading squad consisted of 3 seniors, 1 junior, and 1 sophomore. The cheerleaders have worked hard all year to keep the spirit going at Prairie. The Cheerleaders, like other athletes, go to camp to get new material and improve on their skills. They were one out of 7 squads picked for the District Championship at their camp. This year's squad received 2nd place at the County Fair cheerleading contest, 2nd place in the statewide International Cheerleading Foundation contest and participated among 83 squads at the State Fair. The cheerleaders worked along with the 5 boy cheerleaders to help get the crowd fired up for the games. Way to go cheerleaders on a job well done!

Six different players lead Prairie in scoring with Brian Roberts, Pat Douglass, Scott Fleischhauer and Rusty Myers all leading the team at

least 3 times.

The highlight of the year was an overtime win over cross county rival Clinton Central 38-36. Clinton Central was undefeated at that time.

We played an "A" game and sometimes a "B" game consisting of 2 quarters. The "B" team record was 4-1 with the only loss to Frankfort 31-29.

The Junior Varsity Basketball Team ended with a 16-4 season record and a record of 6-1 in conference play. Coach Bob Blaydes had these comments on the season: "This was a very successful and satisfying season. The team far exceeded our expectations, due to their tremendous attitude and coach-ability. It was a total team ef-

fort!"

Some of the individual outstanding efforts for the season were: Steve Wulf led in three departments, scoring, rebounding and field goal percentage. Mike McKinnis was the free throw percentage leader. Matt Roberts and Kent Chezem were 2nd and 3rd leading scorers for the team.

Coach Brewer said, "This was a rebuilding season for the Gopher team. We lost 4 of our starters from last year to the Varsity roster and gained 6 new freshmen." Teamwork was a key to success with 2 juniors, 4 sophomores, and 6 freshmen. Junior Julie Boyd was top server and best defensive player. Sophomores Denise Moore and Debby Myers were top blocker and setter.

JV And Freshman Cheerleaders

This year's Junior Varsity Cheerleaders were all sophomores. These girls put in many hours practicing, decorating, cheering, and best of all for the team, baking cookies. The girls helped cheer on their team to a winning season this year. The cheerleaders have a lot of fun at camp and also at the rain games during football.

JR. HIGH

Junior High, what a time. 7th graders starting a new school, 8th graders having a year under their belts. There are many new and interesting classes for them to take. Art, music, ag, plus the dreaded 3 R's.

7th graders find out that it isn't too hard to get to class on time. The building isn't that large. 8th graders are really getting into the swing of things. Getting involved in sports, music, deciding what they are going to take in high school, it really keeps a person busy.

Junior High had a lot of laughs, but it also had a serious side. Getting ready for high school and the next four years of their lives was in the back of all their minds.

The Real Thing Is On It's Way

The last year of Jr. High was important to the class of '88. They have many memories that will be cherished for years to come, for next year it's back to being the underdog.

This year's eighth graders worked hard to achieve their goals. They had good school

spirit and were, over all, enthusiastic. Behind them they leave many fine moments. Even more fun will come to them as they conquer their high school years at C.P. It will be obvious that the class of '88 "Is For Real".

A Real Effort

The class of '89 is one of the last group of seventh graders to make the adjustment of coming to Prairie with the building of a new central grade school. All of the stories about vicious upper classmen strike horror into the hearts of seventh graders. Most of them found out that no one ever tries to sell elevator passes or "depants" people.

This year they picked up many responsibilities such as homework and extracurricular activities. Sometimes doing both well could be very tough but they soon learned to manage. As a winner or a loser, they always gave their best effort. They are truly "Real".

Cheerleaders And Student Council

Last year's Jr. High cheerleaders showed their real spirit for the teams. They backed the team and kept them going when defeat was in sight. Overall, the cheerleaders worked hard and never let the team down. They fought the freezing cold of football games and the heat of the gym and still kept smiling.

The Student Council had a very active year. Some of their jobs were assisting with CP's open house and decorating the showcase. The council also donated to the Share program and sponsored a team in Pepi Jump Rope. The council sponsored a Christmas and Valentines dance also. Mr. Bostwick, their sponsor added a lot of help to the council.

The Jr. High Band was directed by Kathleen Weddell. These students gave their all and showed that they were for real. They also had fall, Christmas and spring concerts. They did a great job in their contest. In the years to come these students will make CP very proud.

The girl's junior high track team didn't win a meet, but they did have some good individual efforts. Meg Seager in the sprints, Amy Roberts in the long jump and Renee Wayt in the distance all improved over the season.

The Jr. High Volleyball A-team finished up with a winning season. The A-team had a record of 10 wins and only 2 losses. They were also the winners of the county tourney. They suffered losses to Zionsville and Westfield. Mrs. Welch said, "The whole team had lots of talent, all excellent in their own right."

The Jr. High B-team also finished with a winning season. Their record was 7-3. The B-team lost to Frankfort, Central, and Rossville. Mrs. Hudson said, "The B-team has a lot of developing talent and learned to work well together. The season was very successful with everyone getting a chance to play."

There are a variety of fun and educational clubs at C.P. The clubs last year worked hard to provide the students with exciting activities.

Clubs are a good learning experience while fun at the same time.

Newspaper And Yearbook Staffs

Foreign Exchange Students

"Yes, the United States is like I thought it would be. Here I can see organization, progress, responsibility, honesty, and much love for the fatherland," answered Maria Clara Eusse from Colombia.

Maria Clara, 18, lived with the Fossnock family. She was in Pep Club and Spanish Club.

She came to the United States to learn English. She also came because she knows that after this experience, she will see other horizons and know people with different thoughts.

Maria Clara said that she liked everything about the school because it was very organized and not too big.

Her future plans are to finish her second semester and then study Science of Information at the university.

She missed her family and Colombia's food.

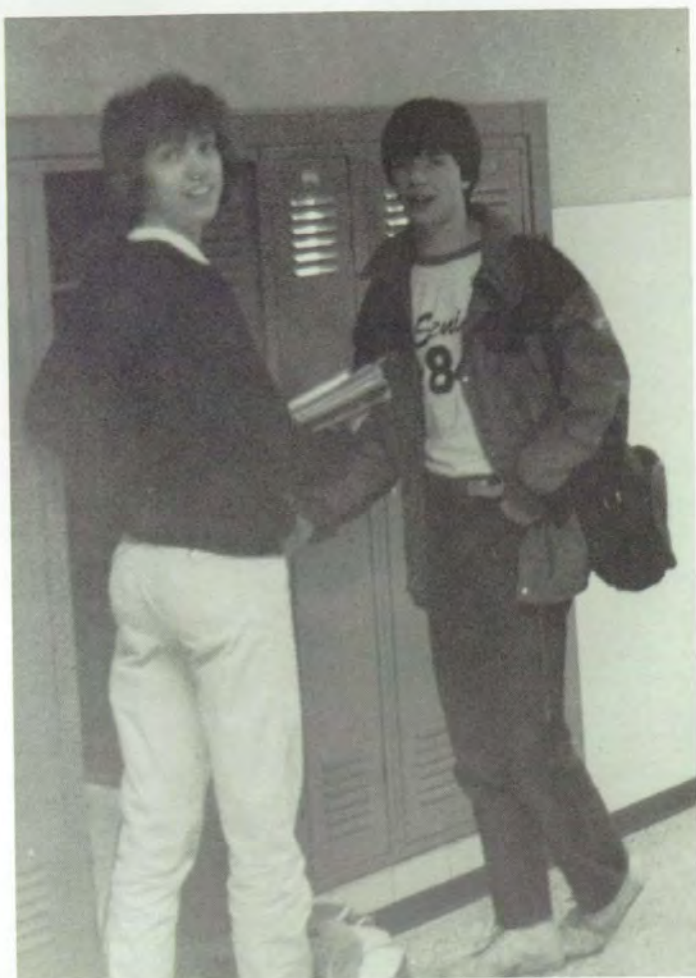

Sixteen year old Jerome Delcourt was our foreign exchange student from the romantic country of France. He stayed with the Knox family.

Asked what he liked and disliked about our school, he answered, (believe it or not), "It is fine. I would like to have more time in it."

Jerome said that his life in the United States was different from what he thought it would be. He did, however, think it was a very good experience.

He missed his friends the most.

"I wanted to see more than the small world of my high school before I went on studying at the university," replied Sita when she was asked why she wanted to come to the United States.

Sita Hofstra, 18, was our foreign exchange student from the Netherlands. She stayed with the Burrell family. She was active in Pep Club and Spanish Club.

Sita liked our good facilities and equipment especially the computer system. She thought it was boring to have the same schedule every day, though.

Sita missed her family and friends, public transportation, black licorice, and shopping centers.

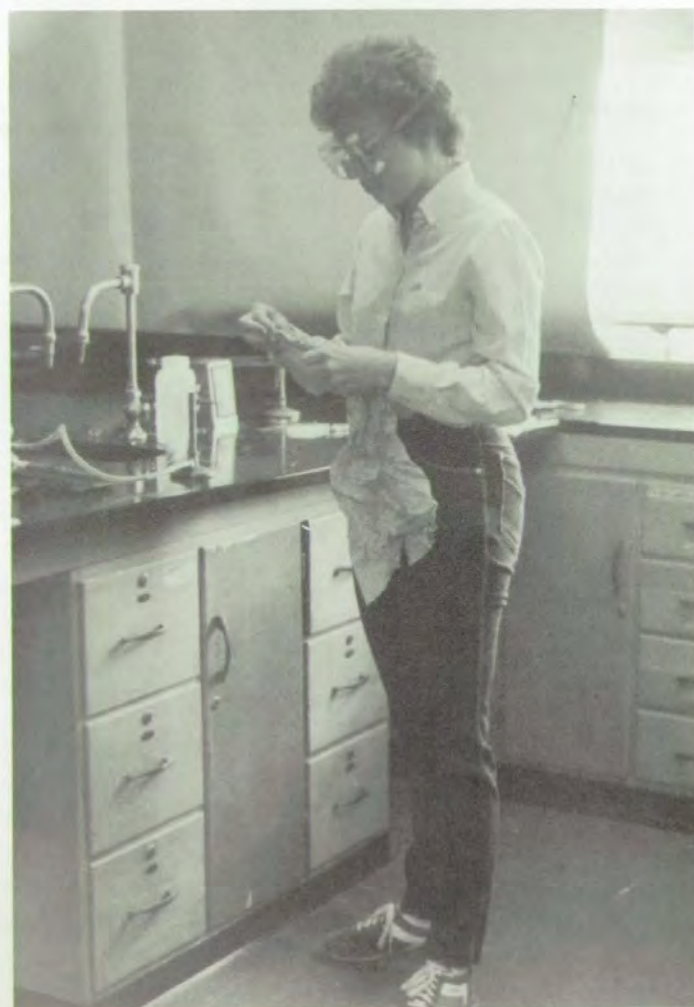

"We have lots of hills and small mountains, thousands of lakes, and very beautiful forests." This is how Elina described her country, Finland.

Elina Kautto, 17, was another foreign exchange student. She lived with the Neff family. Elina participated in Pep Club and Science Club.

She came to the United States to improve her English and to get to know Americans and our way of life.

She plans on completing two more years of high school and then attend the university.

She missed her family, friends, and the sauna.

A New Beginning

At 1:30 p.m. on April 17, 1984 the Clinton Prairie School Corporation held their Ground Breaking Ceremony. Due to the bad weather, it was held in the gym. The purpose was to begin construction on the new grade school and to start adding on to the Junior-Senior High School.

The ceremony started with the High School Band playing a song. Reverend James Eldridge then said prayer. Next Mr. Harold Neal, Mr. Robert Larsh, Mr. Andy, and Mr. Bernard Synder commented on the project. Following the ceremony, Harold Neal, Robert Larsh, and Andy Weaver brought up the first shovelful of dirt.

This year has been a great one for me. The staff was wonderful. They did very little complaining, if any, and got their work in on time. The staff consisted of Julie Myers, Debby Brock, Denise Reagan, Kelly Reagan, Angie Seigfried, Lori Colter, Beth Stevens, Jay Pletch, Lori Bond, David Brettnacher, David Marshall, Jennie Seabolt, Wendy Wiggins, Jill Paddack, and Amy Surface. Usually the staff stays after several times each year to complete a deadline. This year we only had to stay after once, May 21. Even then, we only had 9 pages to complete.

I would like to thank all those people who don't work here at school but had a major part in the book. Joey Walton designed our cover, which is unique! He came up with an idea when I couldn't. Dick Maurer also helped with the cover as well as the first 16 pages of the book. He also advises us on money matters. Thanks to Bill Cripe, we have excellent pictures for Hardwood Homecoming, and Prom just to name a few.

Most importantly, I would like to thank Mr. Allen for all he's done to finish the book. He did pages when we were behind and worked during his prep to finish pages. Thanks to him the staff put together a great book!

I hope all of you enjoyed this book. A lot of hard work has gone into it. It's made for you and about you so you can remember all the good times. I selected "We're For Real" because C.P. students are always being told they aren't anything. This yearbook points out all the great accomplishments C.P. has achieved as well as the disappointing times. I also hope you can appreciate all the good things that C.P. has to offer. Clinton Prairie will be around for awhile and will continue to prove it's worth to others.

Congratulations to the 1984 staff and Mr. Allen for a job well done.

Goodluck!

Michelle Gillen
