Graffiti 88

Graffiti can be seen almost anywhere you look, from the barn across from the school to senior cords to students' notebooks to "Senior Road." What is graffiti? According to *Webster's Dictionary*, graffiti is "an inscription or drawing made on some public

surface." In more general terms, graffiti is a way of expressing yourself, of telling everyone else, "I was here."

Graffiti is a way of leaving your mark on the world in one way or another; it is an attempt to leave a lasting impression on others.

*Leaving
Our Mark*

While we often think of graffiti in terms of spray painting, there are many other ways of leaving your mark on the world. Often we will remember a person who has achieved

success in sports, music, academics, art, drama, or other areas.

Without using a single drop of paint, that person has created a lasting memory and has definitely left his mark in the world.

HH is Great!

Seniors are especially well-known for their often creative graffiti at Clinton Prairie High School, but everyone is involved in the art in some way. While some students will be remembered for particularly artistic creations

on "Senior Road," others will be remembered for what they have achieved in classrooms, in extracurricular events, or even in friendships. Everyone has a message to leave for others at Clinton Prairie.

Homecoming '87

To fire up the student body for the Homecoming game, the cheerleaders held a spirit week. During spirit week, students dressed according to the title of the day, such as hats and shades day, college day, twinkie day, safari day, and red and black day.

On Thursday before the game, a bonfire was held, and the students showed their spirit by participating in fun and games. Some of

the games were the relay race, water relay, three-legged race, egg toss, and tug-of-war.

During halftime of the game, the Junior class won the float competition, with the Sophomore class coming in second and the Senior class coming in third.

Then, Stephanie Myers was crowned 1987 Homecoming Queen. Myers was escorted by J.B. Barnett and was crowned by Missy

Roberts, the 1986 Homecoming Queen, who was escorted by Shawn Pletch.

Other queen candidates were Amber Justus and her escort Larry Douglass, Jill Logan and her escort Jason Stillwell, Wendy Elliott and her escort Ty Baker, and Renee Wayt and her escort Jeff Bull.

The queen's court consisted of Junior Kristin Shelley and her escort Phil Bragg, Sophomore Jenny

Myers and her escort Jeff Blacker, and Freshman Carmen McGraw and her escort Kelley Isenhower.

The game was a close one with Hamilton Heights downing the Gophers 14-6.

Afterwards, there was a dance by the Student Council in the gymnasium with entertainment by "Power Booster."

Duke Of The Court:

Duke Larry Douglass presides over his court.

In the year of 1987, the Science Club decided to start a new tradition. They wanted a male to receive an honor equal to the Homecoming Queen. Changing the normality of a King, the club decided to make a Duke position. The candidates were J.B. Barnett, Larry Douglass, Ty Baker, Kevin Reagan, and Rob McGraw. The court consisted of a representative from

each of the high school classes. The representatives were Junior Josh Thompson, Sophomore Mark Lane, and Freshman Wayne Cook. Each chose a female from his class to escort him. On October 8th, the home game against Clinton Central, the Duke was announced between the J.V. and Varsity games. Senior Larry Douglass was chosen as the Duke, and the rest of the Seniors were named the Knights of the

Court. Science Club President, Andy Albitz, presented a T-shirt and an honorary scepter to Larry, while Science Club Secretary Lisa Lock gave the Knights a T-shirt. The rest of the court was given a bag of suckers for their participation.

The Volleyball Team went on to defeat the Bulldogs in three games, starting the new tradition in style.

THE BUTLER DID IT

The cast and crew of the fall play take a break from their work.

Put together a group of mystery writers impersonating their favorite detectives, an ex-convict, a famous police detective, and a mischievous hostess, and what do you get? You get Clinton Prairie High School's 1987 fall play: *The Butler Did It*. Directed by drama teacher

Sarah Sabens and Senior Laura Marshall, the cast of *The Butler Did It* was quite successful in entertaining its audiences on November 5 and 6. The cast and crew worked many long hours to learn lines, round up props, and prepare the set for the play. The work paid off, as

both performances ran smoothly and all those involved could be proud of their contributions to the fall play.

Cast of *The Butler Did It*:
Haversham — Kim Cook
Rita — Karen Witz
Miss Maple — Laura Marshall

Sister Rose — Julie Pelfree
Chandler Marlowe — Andy Kinsler
Louie Fan — Vince Hodges
Laura Carlyle — Nikki Clossin
Rick Carlyle — Joe Tate
Charity Haze — Kristelle Marshall
Peter Flimsey — Bill Gregg

Miss Maple explains the rules of the game.

Charity and Laura are at it again!

It looks like murder on Turkey Island!

Peter Flimsey and Chandler Marlowe ponder their next step.

Rick Carlyle takes one drink too many.

Haversham, the ex-convict, reveals her true identity.

Prom 1988: "Time Of My Life"

The 1988 Junior-Senior Prom was held on the Madame Carroll in Monticello, on May 7th. Entertainment was provided by the Different Strokes band, and dedication to royalty was "Always". The theme for the prom was "Time of My

Life," and the boat was decorated with balloons in metallic silver, emerald green, and pink.

The guests chose David Joseph and Jill Logan as the Prom King and Queen, with Jim Oesterling and Vanessa McGraw as Prince

and Princess. Their court consisted of Juniors John Neff, Matt Brooke, Kristin Shelley, and Tracy Miller; Seniors Kevin Reagan, Rob McGraw, Jamie Blacker, Amber Justus, Angie Calloway, and Stacy Schooler.

The Lafayette YMCA was decorated to the theme of "Disneyworld" for the post prom. The Senior parents had set up activities such as putt-putt, volleyball, ping pong, win lose or draw, races, swimming, and cards.

The Royal Court: Tracy Miller, Kristin Shelley, Amber Justus, Angie Calloway, Stacy Schooler, Jill Logan, David Joseph, Vanessa McGraw, Jim Oesterling, Kevin Reagan, Rob McGraw, Jamie Blacker, Matt Brooke, and John Neff.

Having the "Time of Your Life," guys?

Enquiring minds want to know if King David is wearing Queen Jill's garter?

The guys can't peek, but watch out girls, the photographer can!

Revue 1988: The Nifty Fifties

Congratulations to the entire cast of "The Nifty Fifties," Revue 1988. A lot of time, hard work, and arguing went into the show and I am proud to say I was student director.

I worked with the best staff that anyone could ever hope to have. I want to thank all of them for their time and effort. I especially thank Mrs. Kathy Weddell, the director, who helped me cope with everything and Matt Brooke, my assistant, who did everything I didn't do.

Thanks to All!

Graduation '88 At CPHS

As the 80 graduates of the class of 1988 walked to their chairs, the band played the traditional song, "Pomp and Circumstance." Reverend Sheridan then gave the invocation. As their guest speaker, the class had chosen Mr. James Eldridge. Mr. Eldridge spoke of some traditions and pranks the class had accomplished. He also talked about how a little experience will help one over-

come one's education. Mr. Eldridge made his speech personal to the class so that they could appreciate and remember it. The valedictorian, Rebecca Davison, was then presented by Mr. Fink and gave her speech to her classmates. Laura Marshall was named salutatorian and spoke of doing what we can to help. The Prairie Singers then sang, "This is the Time," with the seniors having du-

ets on the verses. The High School Choir joined in to sing the Graduation Melody. Nearing the end of the ceremony, Mr. Fink presented the class of 1988 to Mr. Spencer, who then accepted them. Mr. Spencer went on to present the diplomas to the seniors. Their names were read by Mr. Chezem as they walked across the stage. Senior Class President Angie Calloway then led the grad-

uates in the tassel ceremony and congratulated them on being alumni of Clinton Prairie.

Stacy Schooler and Angie Calloway are anxious to graduate.

Juniors John Eldridge and Vanessa McGraw lead the graduating Seniors in.

Mr. Fink gives valedictorian Rebecca Davison her trophy.

Seniors Leave Their Marks

Mr. Eldridge delivers his speech and his blessings to the class of 1988.

Senior Year: A Time To Ponder The Future

"Senioritis" 88

Senioritis, that dreaded disease known to affect final year high school students, struck several seniors quite early last year. This was in evidence as a large number of pencil sharpeners, forks, blind cords, and packages of paper seemed to strangely disappear.

According to some of the Seniors of '88, Senioritis is

"... thinking we can rule the school, and developing 'I

don't care' attitudes."

— Angie Friedrich

"... getting by and getting out of school."

— Gary Myers

"... when you don't feel like doing anything in class."

— Jeff Bull

"... being excited about getting out of school, getting a better

career, and being out on your own."

— Stacy Schooler

"... an inability to think, roaming halls with absolutely no passes, and pleading innocent to everything."

— Amy Snyder

"... not an ailment; it's a higher state of being."

— Nick Stillings

Being A Senior Means . . .

“being able to graduate as soon as possible.”

— Dennis McKinney

“feeling dazed and confused, knowing everyone is under your control!”

— Wendy Elliott

SENIORS

Seniors take a break from everything.

There's A Price To Pay For Being A Senior

Being a senior can be exciting, but it can also be quite costly. The typical senior finds himself faced with many expenses and must either "hit up" his parents for the money or take a part-time job to meet the added costs. Senior pictures can cost anywhere from fifty to possibly more than two hundred dollars. Add on

such things as cap and gown rental, graduation announcements, a senior key, a yearbook, and any other senior memorabilia desired, and the price can reach huge proportions. However, the senior year comes around only once in life, and hopefully, this will be money well spent.

Juniors

The Junior Class Started out the year by preparing for the Prom. Each member of the class had to sell one hundred dollars worth of candy to pay for the prom and to get in free.

For Homecoming the class constructed the first place float. Kristin Shelley was chosen to represent the Juniors at Homecoming, and she was escorted by Phillip Bragg.

The Class of '89 chose Kim Short to represent them in Hardwood Ceremonies. Kim's escort was Phillip Bragg.

By the end of the year, the Juniors were ready to make their marks as Seniors at CPHS.

Sophomores

The Sophomore Class had a very exciting and successful year. They started out the year by coming in second place in the Homecoming float competition, and for this thrilling night, Jenny Myers, escorted by Jeff Blacker, was this year's Sophomore Princess.

In the first annual "Duke of the Court," Matt Myers took the honor of being the first Sophomore Knight, es-

corted by Holly Williams. At the Christmas Dance, Matt Smith, escorted by Lorra Lenehan, was this year's Prince. The Hardwood Princess was Kerry Rominger; she was escorted by Matt Smith.

The Student Council members included Stacy Joseph, Jenny Myers, Megan Myers, and Steve Moore.

Freshmen

The Freshmen "Rocked around the clock" in the 1988 Revue, trying to make time fly so they could soon become Sophomores. Carmen McGraw was Hardwood and Homecoming Princess and was escorted by Jamie Moore and Kelley Isenhower respectively. Wayne Cook was nominated for Knight at Volleyball's Duke of the court Ceremony and was joined by Sossity Winger. Sossity also accompanied Jamey Maish,

who was nominated as Christmas Dance Prince. Representing the class in Student Council were Kendra Hudson, Kelley Isenhower, Lanna Lenehan, and Carmen McGraw. Supporting the Graffiti theme, the Freshmen decorated their hallways for many events, including Homecoming and Christmas. The Freshmen gained knowledge and experience to help them until they are graduated in 1991.

What Is A Friend?

Friend: n. — A Person One Knows, Likes, And Trusts.

**"A friend is
the medicine of
life."
— from the
Apocrypha**

"A friend is, as it were, a second self." — Cicero

"A faithful friend is a strong defense; and he that hath found such an one hath found a treasure." — from the Apocrypha

"I get by with a little help from my friends." — John Lennon and Paul McCartney

"Friends share all things." — Pythagoras

"A true friend is a forever friend." — MacDonald

"We can never replace a friend. When a man is fortunate enough to have several, he finds they are all different. No one has a double in friendship." — Schiller

Making Their Marks At CPHS: Foreign Exchange Students

The Sophomore foreign exchange student, Edith Guerrero, from Mexico City, Mexico, stayed with Mr. and Mrs. Nickey Baker during her visit in the U.S. Football and tennis were her favorite sports, and she admitted to an attachment to "junk food," especially pretzels. One of Edith's favorite hobbies was making new friends, and she said, "I had fun at Prairie because I made a lot of nice friends." Edith said that she would like to come back to the U.S. to study veterinary medicine."

The Senior foreign exchange student, Cisca Alimin, from Jakarta, Indonesia, stayed with Mr. and Mrs. Rob Mundell during her visit in the U.S. Cisca enjoyed swimming while in the U.S., and her favorite classes at Clinton Prairie were Record Keeping and Accounting. She liked to indulge in the "un-American" foods of chili and lasagna at mealtimes. Like Edith, Cisca said that she would like to one day return to the U.S. for further study.

When I must leave you
for a little while,
Please do not grieve
and shed wild tears
And hug your sorrow
To you through the
years,
But start out bravely
with a gallant smile;

And for my sake
and in my name
Live on and do
all things the same,
Feed not your loneliness
on empty days,
But fill each waking hour
in useful ways,
Reach out your hand

in comfort and in cheer
And I in turn will comfort
you and hold you near;
And never, never
be afraid to die,
For I am waiting
for you in the sky!

Gophers Give It Their All

The Varsity Football Team, coached by Mr. Dan Hilgediek, had a record of 6-4; it was the first winning season since 1979. The team was also the sectional runner-up when they lost to eventual state champ Sheridan in the sectional championship game by a score of 20-19. Three out of the four losses came to state champs.

There were 5 players chosen for the All-Range-line Conference Team: Kevin Reagan, Ty Baker, Jamie Blacker, Rob McGraw, and David Joseph.

There were also 5 players chosen to the All-County Team; including Kevin Reagan, Ty Baker, Jamie Blacker, Doug Whitlock, and Junior Tracey Flack.

Kevin Reagan broke the pass reception record, and the team set a new school record with points in one game with 69 against the Indiana Deaf School.

The Outstanding Offensive Lineman was Doug Whitlock, the Outstanding Defensive Lineman was Jamie Blacker. The Outstanding Offensive Back was Kevin Reagan, while the

Outstanding Defensive Back was Rob McGraw. The team MVP was Quarterback David Joseph.

Coach Hilgediek's final comment on the season was, "Last year's team fought so many adversities that they could have easily given up, but they didn't. I've never been so proud of a bunch of young men as I was when they played their last game. I hope the legacy they left behind will serve as an inspiration to future teams."

The JV team had a commendable season, despite

small numbers. Coach Drew Stevenson felt the team's best game was against Zionsville. His choices for outstanding players on offense were Jamey Maish at fullback and Steve Moore at tailback. Coach Stevenson expressed his hopes that the players had an enjoyable season and that they learned a lot for the seasons to come.

John Neff asks, "Hey, guys, what happened to the ball?"

Team's in the huddle!

Kevin Reagan shows great form on this reception.

Gophers Have Super Season

The 1987 Clinton Prairie Volleyball team had an excellent season with a 7-0 conference record, and a 34-3 season record.

Co-captain Angie Calloway broke the most kills in a season with 276. Co-captain Renee Wayt broke the record for the

most kills in a single game with 14 kills. Stacy Joseph broke the record for the most assists in a single game with 21.

Some of the most outstanding members were Angie Calloway, who made All-State, All-Area, and All-Conference. Renee Wayt

made the All-Area and All-Conference. Amy Roberts made the All-Conference team.

"The 1987 team improved from beginning to end of the season as much as any team. Being ranked high in the state and winning a tough sectional

against Clinton Central were highlights of our season," commented Coach Garrett.

Below: The crowd watches patiently as Krista sets it up for Tami.

Coached by Sherri Eldridge, the Junior Varsity Volleyball team ended its season with a 16-5 record and conference record of 5-2.

While all of the players dedicated many good efforts to the team, Krista

Martin was an outstanding setter. Two individuals, Colleen Carter and Christy Shepard, both had great seasons with the best hitting records. The biggest wins for the season were the defeats of Tri-Central and Clinton Central.

High School Cross Country

Coached by Bobby Smith, the cross-country team finished its season with a 7th place at the McCutcheon Sectional.

The team was young, but had Junior Josh Thompson and Senior Trent Seager leading with experience. With Freshman Treney Zurfas joining the team late and running as second man, they went on to place 3rd at the Clinton Central relays. Seager, the captain

of the team, had a 5th place finish in Conference, which earned him All-Conference honors for the third year. Zurfas had a strong finish as second man, allowing the team to capture 6th place overall.

Although the team did not place high enough in Sectional to qualify for Regional, Seager did. He placed 6th, which earned him All-Sectional for the second year and went on to

qualify for Semi-State by claiming 9th place at Regional. Semi-State was run at LaPorte, and Seager placed his personal best with 47th out of the 130 runners. Seager commented, "I really enjoyed going to LaPorte to finish up my senior year. I could never have made it if it wasn't for Mr. Smith. He knows how to get the best out of you, and that's what makes him such a great coach."

The only girl runner was Sophomore Deanna Greer. Greer represented the school well by placing second in the county meet. She also went on to defeat Zionsville's ten girl team.

Coach Smith added, "This was a learning year for most of the runners. We had a lot of fun and still gained some experience. That experience will be very valuable for the future."

Varsity Boys' Basketball

The 1987-88 Varsity Boys' Basketball Team, coached by Mr. Bob Blaydes, ended a long and frustrating season at 6-15 and with a conference play of 3-4.

Senior Jamie Blacker

was our leading rebounder with 160 rebounds plus a 10.1 point average, and he also lead in steals, with 47 turnovers. Junior Jim Oesterling was a leading 3 point shooter, averaging 42% and also led in assists, while

Marty Dick, Kyle Chezem and Tommy Doyle earned esteem with their 11.6 point average, leading free-throw average of 77%, and leading field goal percent of 45 respectively.

Coach Blaydes com-

mented, "Although over overall record was disappointing, we were very competitive against many fine teams on our schedule."

J.V. Boys' Basketball

Coaching the junior varsity basketball team, Mr. Kris Jones guided the team to a 13-7 season record and a record of 6-1 in conference play.

Some of the outstanding members of the team were Treney Zurfas, Jason Padgett, Mark Lane, Kent Scott, and Matt Smith. Jason Padgett was the leading scorer. Mark Lane and Kent Scott were the leading rebounders for the team.

"We had a very enjoyable season and the team improved with every game in the '87-'88 year," said Mr. Jones.

Freshman Boys' Basketball

The Freshman basketball team, coached by Gary Dassel, finished with a season record of 10-6. Team

members Harold Moore and Jamey Maish averaged 15 points a game, and Travis Somers made 17 of

his 43 attempts of 3 point field goals.

With a very respectable record and some outstand-

ing players, Coach Dassel felt that the freshmen had quite a successful season.

Gopher Girls' Varsity Basketball

This years Girls' Varsity Basketball team had a record of 9-9, and was coached by Ms. Connie Garrett.

The two seniors had a very successful year, with Stacy Schooler winning many awards, including rebounding, all-conference, Times All-County first team, and Clinton County Team. Renee Wayt won a mental attitude award and was on the Clinton County All Star Team.

Junior Amy Roberts won the Defensive award and Kim Short won a mental attitude award.

Jessica Morrison won the Free Throw award, setting a new school record. She also shared a new school record for assists with Stacy Joseph.

Freshman Anne Swackhamer won the Offensive award, and she was on the Times All-County second team.

Last year's JV Girl's Basketball team was coached by Mr. Dan Hilgediek. Mr. Hilgediek hoped to win 3 or 4 games, but instead the team had a 9-8 season and were 3-4 in the Rangeline Conference. The JV team also finished runner-up in the first JV Tourney.

There was one school record broken: the record was most points scored in a season for a JV person; it was broken by freshman Missy McGraw, who was also given the award for the outstanding contributor.

Coach Hilgediek's final comment on the season was, "The girls really worked hard and competed well. They represented the program very well. With some more work they should become a fine varsity program." Mr. Hilgediek also wanted to thank all the girls for an enjoyable season.

Last year the Varsity Wrestling team finished the season with a record of 9-12. It was the first year CP had ever had 4 people going to semi-state.

Craig Barnett was Conference third, Sectional runner-up, Regional third, and Semi-state qualifier.

Scott Cochran posted the most take downs with 47; he also broke a school record of most pins with 24. Cochran was a Conference Runner-up, Sectional

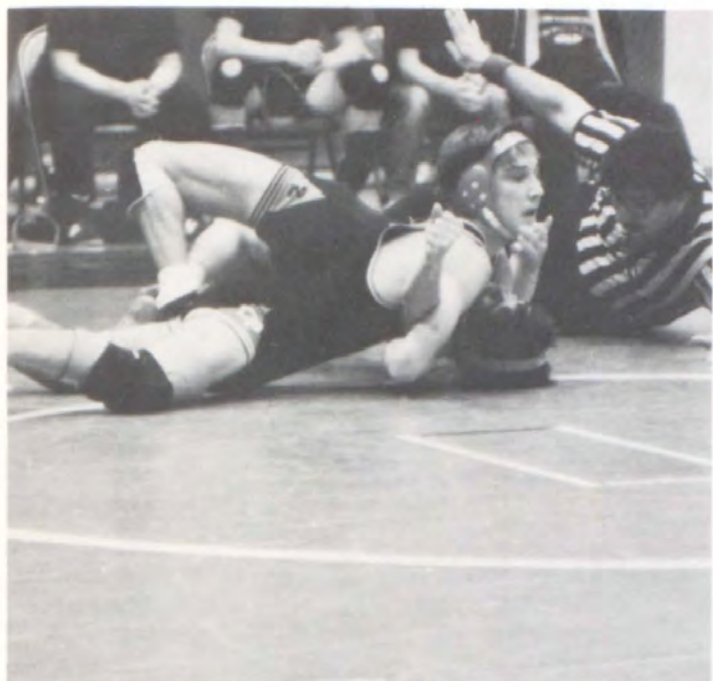

Champ, and finished with a record of 28-7.

Rob McGraw was the team's co. M.V.P. and co-captain; he was Conference, Sectional and Regional champ; he also qualified for the Semi-State and had a record of 29-6. McGraw was named to the Academic All-State Second Team.

Ty Baker was named co-M.V.P. and co-captain. He was Conference champ for the third time, Sectional

champ for the fourth time, Regional champ for the third time, Semi-State runner-up, and finished second at State. He ended with a 24-3 record, and he set a new school career record of 98-19-1. He was also named Academic All-State Second Team.

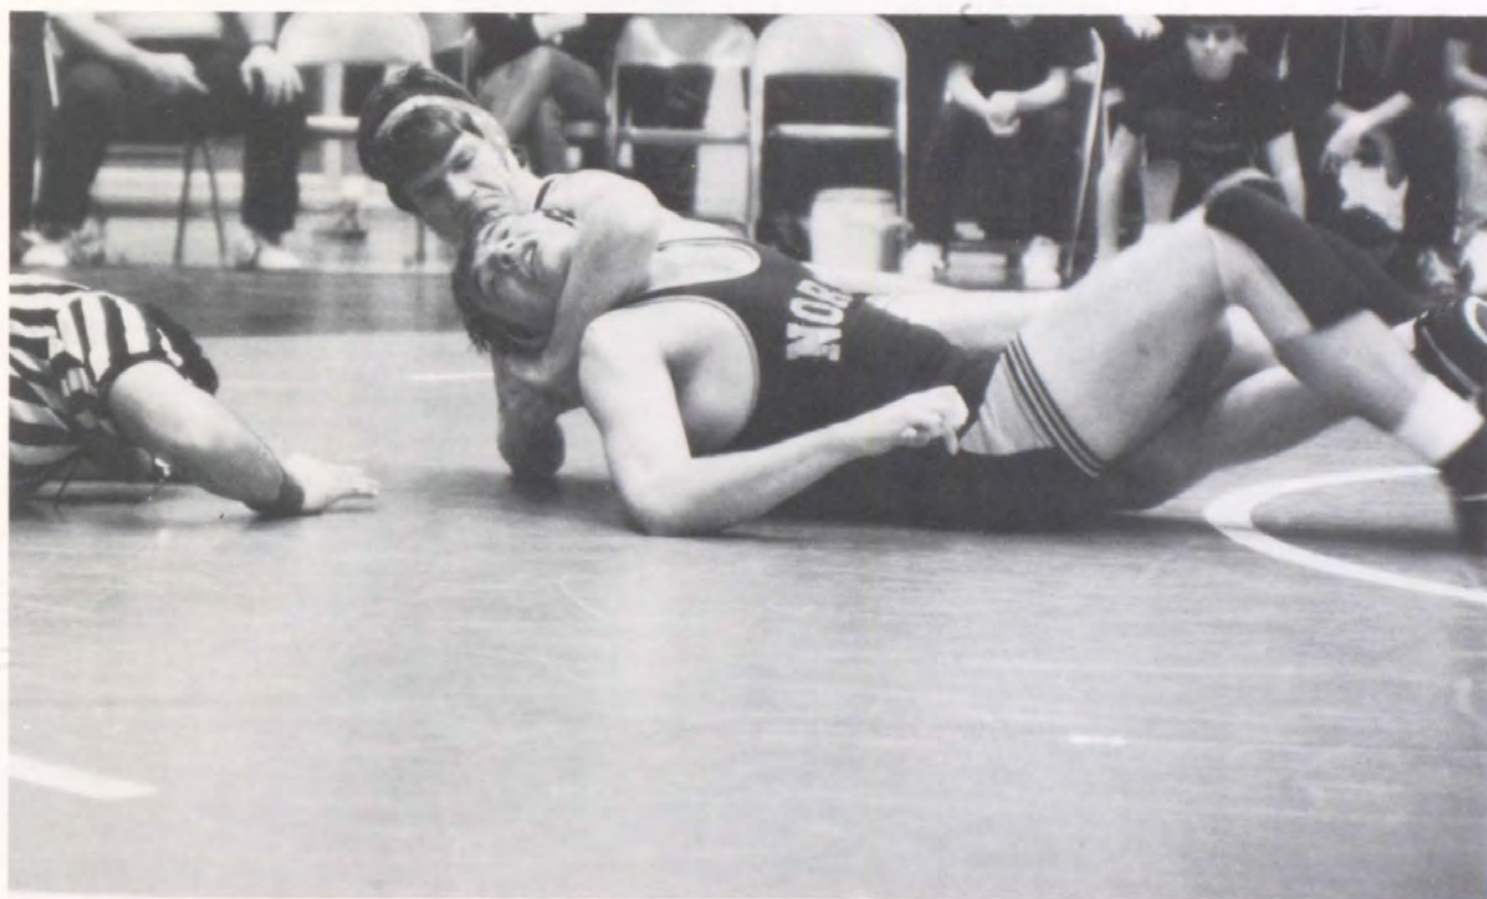

Coach Reid felt that it was a successful season and could have been even more successful had it not been for the many injuries.

Good Year For Varsity Baseball

The Varsity Baseball Team had a successful season in 1988. The team was coached by Mr. Dan Hilgediek. There were also two assistant coaches: Mr. Gary Dassel and Mr. Jay Ayres.

The record, as of May 25, was 17-9. The team had a conference record of 10-4 and placed second. There were also All-Conference players: Junior Tracey Flack and Senior David Joseph.

Coach Hilgediek stated, "The team has represented Clinton Prairie very well and is looking forward to sectional play offs." He also commented, "The team is very well-balanced, which has been the key to the team's success."

The team got additional help and support from manager Jason Padgett and from batgirls Kim Cook, Stephanie Perkins, Kerry Rominger, Chris Timmons, and Sossity Winger.

CPHS Varsity Track Teams

Last year's boys' track team had a very successful season. They finished with a regular season record of 8-3 and a conference record of seventh out of eight teams.

There were two new records set for Clinton Prairie. Ty Baker broke his own discus record with a throw of 170'2". He also broke his own record and conference record in shot put with 56'83/4". Baker and three other seniors, Rob McGraw and captains Kevin Reagan and Trent Seager, were complimented by Coach Doug Segraves for their leadership on the team.

Coach Segraves commented that the team was competitive and dedicated last year. The extra effort paid off for the members and helped to make a winning season.

The girls' track team end-

ed the season with a record of 4-5-2. The team was low in members but high in quality. Five girls qualified for sectional: Deanna Greer in the 3200, Stephanie Gammon in the 800, Colleen Carter in the 400, Krista Martin in the 100, and Kim Short in the high jump. Short qualified for regional by placing third at sectional. Gammon and Greer were voted as best long distance runners, and Greer also received the mental attitude award; Short, along with her six letter plaque, received the best field events award; Martin joined the 100 point club and earned most valuable player.

"Improvement by all members was a sign of hard work and dedication. I'm very much looking forward to next year's team," stated Coach Kris Jones.

'87 — '88 Gopher Cheerleaders

The cheerleaders had the job of keeping the Gopher fans cheering at all the sporting events, through thick and through thin, which wasn't always easy. The cheerleaders dedicated a lot of time to their work, practicing often and always

arriving at games early for last minute preparations. They also were involved in many extra activities to help boost school spirit at CPHS, such as making radio recordings at WILQ for the girls' and boys' basketball sectionals, coming up with activi-

ties for spirit week, and conducting a workshop for the elementary girls. The cheerleaders also participated in a cheerleading camp at Purdue University.

The Gopher cheerleaders worked hard all year to spread Gopher

spirit, putting in some long hours. In addition the varsity girls received a welcome hand during basketball season from the boy cheerleaders.

Softball Team Works For Improvement

The varsity softball team consisted of two freshman, six sophomores, two juniors, and five seniors. The outstanding players were Stacy Joseph, Jessica Morrison, and Amy Bowen on

their hitting ability and Wendy Elliott for her defensive play. Coach Stevenson was very pleased with the team's effort since it was only the team's second season.

The junior varsity softball team had seven regular players, and every game two varsity players were on the JV team. An outstanding player on the JV team was Jenny Travis with her

speed. Coach Stevenson was very impressed with the team's effort to go out and win.

Last year's golf team was led by first year coach, Mr. Joe Reid. Mr. Reid commented that the team was better than their 4-7-1 record and that they should have had a winning record. Coach Reid quotes, "Our record was kind of misleading; we did not have a bad team. It was as if whenever we shot a really good match, the other team would shoot their best of the year and just come out the winners. We really lost a lot of close matches."

Last year's team was headed by Sophomore Kent Scott, who averaged a 42.5; Coach Reid said that he had five others that really made the rest of the team. Those other five were Junior Bernie Boldt, averaging a 46, Seniors Mark Konopa and Mike Bruton, both averaging a 47, and two juniors that traded off and on as fifth man — Pat Stevenson and Rob Moore.

Mike Bruton shows good form.

Kent Scott hits another straight putt.

Lettermen's Club

The Lettermen's Club sponsor was Mr. Bobby Smith. The officers for the year were President — Rob McGraw; Vice-President — David Joseph; and Secretary — Treasurer — Jim Oesterling. They had two fund raisers, including a dance during football season and running the concessions during the basketball season. The club also went on a trip during the spring.

Latin Club

The Latin Club decorated the showcase in early October with Roman buildings and Latin literature. In December, the club took the Senior members out to eat at Arni's. The club sponsor was Mr. Compton, and the officers were: President — Kristelle Marshall; Vice-President — Melissa Ferguson; Secretary — Angie Friedrich; and Treasurer — Meg Seager.

L-R: T. Seager, K. Marshall, W. Elliott, S. Schooler, C. McGraw, B. Myers, J. Myers, L. Lenehan, S. Joseph, J. Logan, K. Chezern, B. Boldt, T. Baker, R. Wayt, M. Myers, K. Isenhowe, S. Moore.

Student Council

The high school Student Council began with changing its constitution so the member could count the votes for the prince/princesses and for the king/queen candidates. The group sponsored the Christmas dance and instead of having a queen, they decided to have a king. The Student Council also met with Mr. Fink and Mr. Chezern on many matters. The Council informed them of the problems at Prairie and what they felt needed to be changed. The resulting changes included a radio during lunch, soap in the bathrooms, new ideas on punishment for the drug problem, and an order for doors to the men's stalls.

FFA

The FFA officers for the 1987-88 year were President, Jason Stillwell; Vice-President, Jill Logan; Secretary, Sandra Davis; Treasurer, Dale Davis; Reporter, Jamie Blacker; and Sentinel, Rob Fetterhoff.

The FFA worked on several projects during the year, such as selling fruit and having a slave sale. Also during the National FFA Week, members served cherry pie to the faculty and staff.

FHA

FHA was very active throughout the year. They served donuts and juice to the Football, Cross Country, and Volleyball teams, went to Union Station, had a pizza party, and had a baby shower for Mrs. Dull. In February, FHA sold carnations for Valentines Day.

The officers for FHA were President, Kristelle Marshall; Vice-President, Regina Mundell; Secretary, Lori Calloway; and Treasurer, Paige Purcell. FHA sponsors were Mrs. Brown and Mrs. Steward.

High School Media Aides

Last year there were a total of 12 media center aides who assisted librarian Rosalie Carter and library assistant Carol Travis.

The aides checked out books on the computer, put books away, cleaned up the library, found magazines for students, helped put up bulletin board displays, typed cards for the card catalog, and ran the copier.

Mrs. Carter commented, "The aides were very reliable; when I asked them to do something, they did it immediately."

L-R:

M. Caldwell, D. Reece, C. Benefiel, M. Boyles, V. Trimble

Elementary Media Aides

The elementary media aides helped the librarian through the course of the day. Some of the students' jobs are to card and shelve books being returned to the library, and date and zap books being borrowed from the library.

High School Aides

Being a high school teacher's aide gives one a feeling of responsibility. There are certain things that are expected from the aides, such as stapling papers, grading homework and tests, putting grades in the grade books, and running errands. These things are just a few examples of the many responsibilities that a teacher's aide has.

Elementary Aides

The elementary teachers' aides have many duties, such as grading papers, helping students individually, taking over the class when a teacher is called away, typing papers, and making copies of assignments. They are a great asset to the elementary teachers.

Pep Club

Last year the Pep Club was sponsored by Mr. Greg Dardeen and Mrs. Lana Steward. The club helped sponsor a poster contest for Hardwood and also decorated the halls for sectional. Last year's Pep Club was not as strong as the sponsors had expected. Hopefully, in years to come, Pep Club will grow to include more students.

Science Club

The Science Club was sponsored by Ms. Chris Duzenbery. Throughout the year, the Club sponsored two dances for the High School. Last year the Science Club started a new tradition by sponsoring the "Duke of the Court" during the volleyball season. The Club also went on a field trip to Chicago in the spring.

Office Aides

Office Aides did a variety of things throughout the year. They ran errands, answered and transferred telephone calls, took around announcements, went after students, sorted mail, collected attendance, delivered assorted items to students, and on occasions did some work for Mrs. Price.

Industrial Arts Club

The IA Club deals with many different classes such as Metals, Drafting, Woods, Plastics, and Graphic Arts. The Club sold donuts to the students in the mornings to raise money for their trip to the Car Quest World of Wheels in Indy. The club's sponsor was Mr. Al Hintzman. The club officers included President Bruce Spencer; Vice President David Joseph; and Secretary-Treasurer John Neff.

High School Band

High School Band is under the direction of Miss Donna Olliver.

If any student is interested in joining band, he must take into consideration that if he does join band, he is automatically in Marching Band and Pep Band, which play at the home basketball games, and Concert Band. There are two other bands that he can sign up for: Jazz Band and Stage Band. If a student likes music and performance, he should join band, but there is a lot of hard work involved and he must take interest in band.

CPHS Rifle Corps

The Rifle Corps was sponsored by Mr. Greg Dardeen. There were six members in last year's corps: Mark Konopa, John Eldridge, Jim Tidd, Rodney Flowers, Brad Heimbach, and Dean Johnson. These members performed during the half-time basketball games with the Prairiettes. They also presented the flag for the national anthem before the games.

Prairie Singers

The Prairie Singers consisted of 30 students last year. The group sang the National Anthem and performed to "Jeepers Creepers" at half-time of the Clinton Central Varsity basketball game. They also performed at Union Station. The Singers took a trip back to the '50s at Revue time, and they headed down south to Nashville, Tennessee, where they performed at Opryland. The group was under direction of Mrs. Kathy Weddell.

Prairiettes

Prairiettes were the dazzling group that performed at the halftime shows of the football and basketball games.

The captain of last year's squad was Senior Amy Snyder. The Co-captains were Seniors Jill Logan, Amber Justus, Colleen Thomas, Stefanie Reagan, and Sophomore Jenni Oswalt. Last year's sponsor was Mrs. Sandy Kinsler.

High School Choir

The High School Choir did a variety of things, such as performing at Union Station, Wesley Manor, and the Mulberry Community Club.

They performed at the Christmas and Spring Concerts, and they also participated in the Revue and Graduation. Several students participated in the Solo and Ensemble contests at the end of January. The girls who continued on to State Contest were Angie Calloway, Laura Marshall, Jennifer Rose, Stacy Schooler, and Amy Snyder.

Yearbook Staff

The Yearbook Staff was sponsored by Mrs. Sabens last year. The Staff had various projects to complete, such as selling ads and taking over the selling of the yearbooks.

Staff members worked all year to meet deadlines and to develop more variety in the yearbook.

Newspaper Staff

The Journalism Staff was sponsored by Mrs. Hudson. There was a new contribution to the paper last year: the literary page. This page was for Clinton Prairie students to contribute stories, poems, black and white photos, and ink sketchings. The Staff published *The Den* monthly and worked very hard to produce a quality newspaper.

National Honor Society

NHS, sponsored by Mrs. Leslie Robison, was involved in many things last year, including selling candy as a money making project and contributing to the Share Fund and to the Angie Larsh Memorial Scholarship Fund. On February 14 and 15, NHS went on a skiing trip to Swiss valley Michigan. The officers were President — Laura Marshall; Vice President — Rob McGraw; Secretary — Angie Calloway; Treasurer — Jill Logan.

ACE

The Ace Club was sponsored by Miss Bailey and Mrs. Thompson.

The club participated in Rangeline Conference and State Area Spellbowls. Also, in the spring, they participated in a superbowl, for which they had to prepare in the areas of English, math, science, social studies, fine arts, and all-around category.

Spanish Club

The Spanish Club, sponsored by Mrs. Davis, was involved in many activities last year. Besides eating at a Mexican restaurant, the club also sold concessions, contributed to the SHARE program, and had a Christmas gift exchange.

Last year's officers were President — Wendy Elliott; Vice-President — Renee Wayt; Secretary — Brenda Myers; and Treasurer — Stephanie Myers.

Speech Team

Last year's Speech Team had a very successful season under the leadership of Mr. Lee Moyer. The team hosted a meet at CPHS and also placed in a meet — quite a feat for such a small school. To end the season, members Laura Marshall, Dave Boyles, Andy Kinsler, and Aaron Martin all advanced to regional competition, which is a new record for CPHS.

ACADEMICS

G R A F F I T I

Agriculture Department

The Agriculture Department provides a vehicle for students interested in Ag to gain both practical and technical experience. Also, it helps students apply what they have learned in academic areas to real life situations. It likewise helps develop skills for future employment, leadership, citizenship, and cooperation.

Some of the long range goals of the Agriculture Department are to get more people involved in the program, make the community more aware of what the program is doing, and to make the top 10 in State Convention.

Last year, the Agriculture Department was taught by chairperson Mr. Bill Fox, staff member Mr. Gordon Logan, and student teachers Mr. Bill Reed and Mr. Steve McKinley, who were seniors at Purdue majoring in Agricultural Education.

The Ag Department was involved in several activities and projects last year, in-

cluding a National Convention, the State Convention, leadership camps, many field trips, a State Meat contest, and a County Dairy and Livestock contest. They also hosted and sponsored many activities, which included a citrus sale, a chili supper for Homecoming, a County Greenhand Convention, National FFA week, officer elections, and a parent/member banquet.

Mr. Fox checks out the workshop area.

Mr. Logan and Mr. Reed demonstrate to Matt and Craig.

Business Department

Above: Mr. Baker looks on while Chad Kozuch works on his homework.
Right: Mrs. Thompson smiles as she speaks to her class.

The Business Department offers a variety of classes for students interested in preparing for a business related career or just in gaining knowledge or skills related to the business areas. Mr. Nick Baker taught such classes as Accounting, Keyboarding, Recordkeeping, and Business Law during the 1987-1988 school year. Mrs. Sandra Thompson taught Word Processing, Shorthand, and Production Typing, as well as Keyboarding last year. Mrs. Thompson's classes have also offered a production service, which many teachers have utilized for the typing of tests, worksheets, or other papers.

Art Department

Mrs. McColley helps a student with some work.

The Art Department was made up of many different and interesting classes, such as Hard and Wheel Ceramics, Sculpture and Crafts, Drawing and Commercial Design, Traditional and Non-Traditional painting, and Eighth Grade Art. Students were encouraged by Mrs. Karen McColley to have good craftsmanship and dedicate themselves to do their best in art. Some of the different projects: Commercial Design made a cover for North Central book

lets, Sculpture made clay faces, and Crafts made rag baskets. One example of individual work that was done was by Randy Moore: he painted the weight room wall. Mrs. McColley, head of the department, described her classes as being noisy, dirty, and fun.

Media Center

The C.P. Media Center is managed by Mrs. Rosalie Carter and Mrs. Carol Travis. The library did an assortment of things during the 1987-1988 year. They sponsored the Book Fair and the Electronic Bookshelf Reading Contest, participated in the district Media Fair, produced videotapes, displayed pictures of outstanding student readers, and assisted students in research. Mrs. Carter was noted as saying that "more students are reading for pleasure," which is one of the main goals of the Media Center. Mrs. Carter and Mrs. Travis play an important role in assisting the students with their school work, and they put in many hours helping and encouraging Clinton

Prairie students to use the media center.

Left: Mrs. Travis makes a final check. Above: Mrs. Carter looks through her files for end-of-the-year information.

Computer Lab

Although many students don't realize it, Clinton Prairie is known for having one of the best computer labs in the State of Indiana.

The lab's coordinator, Mr. Don Chase, along with Mrs. Fran Reagan and Mrs. Pat Eaton, stay very busy maintaining the equipment and abundant software owned by CPHS. More and more often, teachers are using the computer lab for a variety of learning purposes, and Mr. Chase, Mrs. Reagan, and Mrs. Eaton are always ready to help with problems or questions about computers or software.

Mrs. Reagan and Mrs. Eaton are at the keyboards again.

Health And P.E. Department

Ms. Garrett explains to her Sophomore PE class how they will be taking the physical fitness test.

The Physical Education Department, headed by Miss Connie Garrett and Mr. Joe Reid, teaches the value of sportsmanship. The students must participate as both spectators and athletes to help them grow socially and enable them to relate to others as a sportsman. Physical Education also brings out the physical abilities of each individual.

Some of the activities P.E. students participated in included volleyball, basketball, soccer, tennis, hockey, football, softball, badminton, wrestling, dodgeball, various exercises, weightlifting, and bowling.

Mr. Reid takes time out of his busy schedule to pose for this picture and autographs.

Mr. Smith, Athletic Director, fills out an order form for more athletic awards.

Home Ec. Department

Mrs. Michelle Brown and Mrs. Lana Steward were in charge of the Home Economics Department.

Mrs. Brown, head of the department, taught Interpersonal Relations, Clothing, Home Economics, Advanced Clothing, Family Living, and Family Management.

Mrs. Steward taught Foods, Consumer Education, Orientation, Advanced Foods, Housing, and Child Development.

They both were sponsors of the FHA.

The Home Economics department was also involved in activities throughout the year. The Interper-

sonal Relations class members had to carry around five pound bags of flour to learn the responsibilities involved with having children. The Family Living class had a mock wedding, and the Clothing classes made all kinds of garments, some of which they sold.

Above: Mrs. Brown works to get some of the daily homework graded. Left: Mrs. Steward calculates grades for some of her students.

Industrial Arts Department

Mr. Vandewalle works intensely on his papers.

Last year's Industrial Arts Chairman was Mr. Al Hintzman. The other teachers that completed the Industrial Arts area were Mr. Joe Ferguson and Mr. John Vandewalle.

Mr. Hintzman taught Metals I and II, Small Engines, Auto Mechanics, Electricity, Home R & I, and Powder Puff Mechanics. Mr. Hintzman's goal in those classes was "to give the students a wide range of basic experiences, from which they might gain an insight into the future jobs and job requirements."

Mr. Ferguson taught Drafting I, II, III, IV, and

Graphic Arts, Production Printing, and Photography I and II. Mr. Ferguson sought to teach each and every student how to work with both his mind and his hands.

Mr. Vandewalle taught Woods I, II, III, Plastics, and 8th grade Industrial Arts. Mr. Vandewalle's top priorities were: "to help students learn to organize themselves while learning about the working world and to make a nice project to take home."

The Industrial Arts teachers are working toward preparing their students for the technological world.

Mr. Ferguson takes care of some paper work.

Mr. Hintzman returns a paper to Scott.

Foreign Language Department

The Clinton Prairie Foreign Language Department consists of two main languages: Spanish and Latin. Each class's major emphasis is on the speaking, writing, and understanding of its particular language. By in-depth study of the culture of the different countries, and with the help of Mr. James Compton and Mrs. Carolyn Davis, the students are enriching their personal lives and developing their own political and economic views. Chances are if a student speaks even the smallest bit of a foreign language, he has a better understanding of the English language and its origin.

Taking a foreign language not only helps out with understanding the lan-

guage which we speak, but also it can help people obtain jobs. For instance, Mrs. Davis was a Spanish interpreter for the 1987 Pan American Games in Indianapolis.

It is evident that learning a foreign language can be beneficial in both a personal and professional sense. Not only does one gain cultural insight into the people of another country, but one also gains a better understanding of people as a whole. This makes learning a foreign language meaningful.

Mrs. Davis looks amused while watching students.

Mr. Compton carries on a discussion with his class.

Students learn much about a foreign language through listening.

English Department

Mrs. Marshall concentrates on student papers.

English is a very important part of our lives. After all, it's our native language, right? This does not, however, mean that we know all there is to know about the English language. That's where the English Department steps in. Throughout each year of high school, students must take English, and though there may be complaints, most of us agree that we come out with invaluable knowledge. Beyond the basic English classes, there are other fields of interest within the department. Students may choose to take Speech, Drama, Journalism, or Yearbook to complement their other classes.

Headed by Chairman Mrs. Linda Marshall, the English Department provides students with knowledge, ideas, and skills that will prove useful all through life. Rounding out the Department last year were Mr. Lee Moyer, Mrs. Marcia Hudson, and Mrs. Sarah Sabens. Mr. James Compton and Mrs. Carolyn Davis were members of the English Department as well as the Foreign Language Department.

Mr. Moyer looks thoughtful in talking with a student.

Speaking to her class, Mrs. Sabens explains a handout.

Mrs. Hudson explains an assignment to Jason Whitlock.

Math Department

"Did you get number six?" wasn't that the question usually asked as students stepped into math class? From Freshmen year to Senior year, Math is something most students will try to master. Students spend many hours memorizing formulas, theorems, and rules that make up the mathematical world.

Last year Clinton Prai-

rie's Math Department was made up of Mr. James Elliot, Mr. Greg Dardeen, Miss Charlotte Bailey, and Mr. Steve Adamson.

Calculus is the most advanced course offered at CPHS. It involves functions, graphs, and vectors. Pre-Calculus takes part of calculus and discusses it in great depth. Geometry is a challenging yet worthwhile

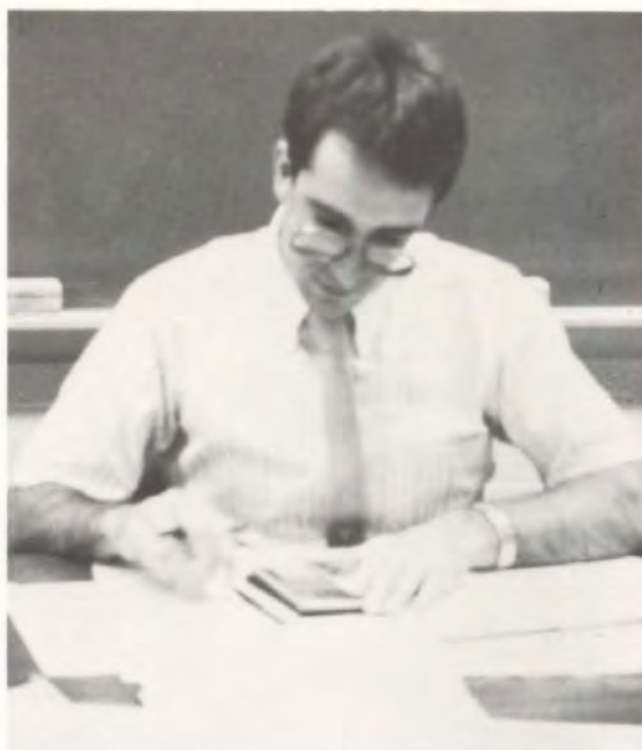

class. It examines the laws that govern solids, planes and angles. Algebra is taken over a two year term. The students study such things as factoring, logarithms, and processions. Business Math and General Math are different branches of the mathematical world and students in these classes work in the basics, such as, adding, subtracting, di-

viding, multiplying, fractions, and percentages.

Math is an important part of high school curriculum. If a student plans to further his education, mathematics is a large part of the basic foundation because careers in computer science or business require this knowledge.

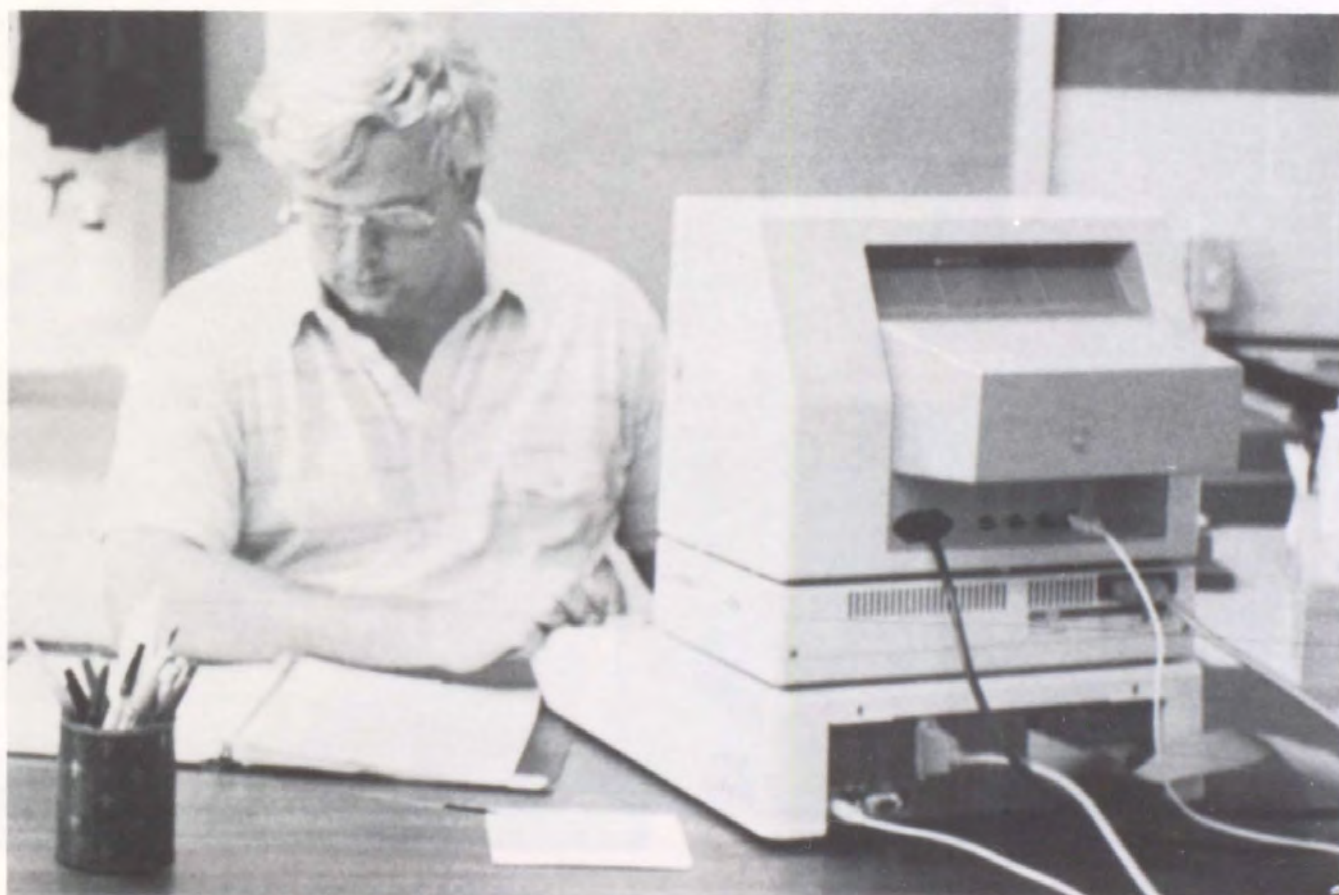

Miss Bailey prepares for her Algebra class.

Mr. Dardeen grades the tests and records the grades.

Mr. Elliott helps Jennifer with her Geometry homework.

Mr. Adamson figures out the grades for the semester on his computer.

Music Department

The Music Department had its ups and downs last year. The choral department grew quite a bit from its previous years, and the band department showed a decrease. Both the Junior High and High School chorus were directed by Mrs. Kathy Weddell. She was also the director of the Junior High Band. The High School band was directed by a newcomer, Miss Donna Olliver.

The chorus performed several times last year. They sang their hearts out at the winter and spring concerts and performed at Union Station during the Christmas Season. They also performed for the Mulberry Community Club and at Wesley Manor. They also brought "Mr. Sandman" to Clinton Prairie during the

Revue in March. The chorus went to contests and had to do some sight reading along with singing. Several students who competed in the Solo and Ensemble Contest at Lebanon in January did quite well. Five of these students went on to the state contest in Indianapolis in February. Angie Calloway was also selected to the All State Chorus. But singing is not all they did in chorus class. They had to sight read, and for their first semester final, they had to compose a song to be played in front of the other chorus students.

The band program saw a lot of action last year. Having several different types of bands really kept the students in step. The types were the marching band, concert band, pep band,

and jazz band. Marching band performed during the football season. They started off the night with the pre-game show, then they played during the game, and ended the evening by strutting their stuff for the half-time show. The Pep band helped the basketball players and fans get fired up for the games, and they also played at the pep sessions for various occasions. The Concert band performed during this time too. They played for the winter concert. The Jazz band spiced up the Revue by playing most of the music for various acts. Then they finished off the year by playing for the Spring concert. All in all, the Clinton Prairie Music Department had quite a busy year.

Mrs. Weddell instructs the jr. high choir.

Miss Olliver takes a break from directing.

Science Department

Mr. Stevenson looks up from his work for a quick picture.

There were three staff members in the CPHS Science Department: Ms. Chris Duzenbery, chairman, who taught Earth Science, Life Science, and Physical Science; Mr. Kris Jones, who taught Biology and seventh grade science; and Mr. Drew Stevenson, who taught Physical Science and Chemistry.

Students in Clinton Prairie Science classes were involved in a variety of "hands on" activities last year. These activities included dissection in Biology class and lab experiments in Physical Science and Chemistry. Also, all of the Biology students were required to participate in the Science Fair.

The overall goal of the Science department is to

encourage inquiry and investigation into the major concepts, principles, and theories of science. The Science Department also encourages students to investigate the applications of science and uses of technology and to apply process through experimentation.

Mr. Jones gives his students a serious look.

Ms. Duzenbery checks over a student's paper.

Social Studies Department

The Social Studies Department consisted of Doug Segraves, Gary Dassel, and Chairman Dan Hilgediek. These three teachers took on the task of teaching eight different classes, which include Government, Economics, Psychology, Sociology, U.S. History, World History, World Geography, and Current Issues. The main goal of the department is to have the students demonstrate a knowledge and understanding of the cultural heritage as it applies to the world today. The department also provides various "everyday skills" the students will be using throughout their lives as citizens in the United States. To help provide these skills, they discuss

politics, how the government works, voting, economics, and problems that relate to the world today. Some of the classes toured the local banks and institutions, while others took a trip to Logansport State Hospital.

Mr. Dassel poses for a picture.

What are you smiling at, Mr. Hilgediek?

Mr. Segraves discusses Prom with the Juniors.

Special Services: Resource Room

Mrs. Kornell listens to one of the student's thoughts of the story.

The new Learning Disabilities teacher last year was Mrs. Kirsten Pattengale. She aids students in grades 7 through 12 in any subjects they may need special help with. She covers a wide range of subjects in her teaching, and the students in Mrs. Pattengale's class must qualify for her help before receiving it. She helps students who have some difficulty in learning, not students who simply are low in ability.

In the same room with Mrs. Pattengale are the Chapter One teachers, Mrs. Kathy Harden and Mrs. Rita Cornell. These women bring students from study hall to

work on classes they may be having problems with, especially English and Math.

Mrs. Cornell and Mrs. Harden work to strengthen the students' skills with extra worksheets, practice, and individual help. The Chapter One teachers work with the classroom teachers to help students in grades 7 through 12.

Mrs. Harding returns a paper to be corrected to a student.

Mrs. Pattengale explains how to work the problem out.

Guidance Department

The Guidance Office at Clinton Prairie is a busy place throughout most of the school year. Guidance counselors Mr. Nick Zafran and Mrs. Leslie Robison spend many hours speaking with students about classes or about difficulties, scheduling classes for students and teachers, feeding grades into the computer,

attending meetings, and doing countless other chores. Their secretary, Mrs. Marilyn Moore, helps organize the office and seemingly endless paperwork. Mr. Zafran had additional work to perform last year, as he was coordinator for the North Central Evaluation committees.

Mrs. Moore checks through some paperwork.

Mrs. Robison takes notes while speaking on the telephone.

Taking a break from his work, Mr. Zafran looks up and smiles.

Front Office Personnel

Mr. Fink takes a breather from his busy day.

Working at his desk, Mr. Chezem looks up from his paperwork.

The front office at Clinton Prairie is the place to go if you need questions answered. Mrs. Nicki Stillings, the secretary, is full of information about what's going on at school. Mrs. Marilyn Price, the school treasurer, can help with finance questions, among other things. Hopefully, if you must make a trip to visit the CPHS principal, Mr. Charles Fink, or the assistant principal, Mr. Myron Chezem, it will be for hospitable reasons. These men are in charge of overseeing the general business of Clinton Prairie, and their jobs cover a wide range of tasks from removing locks to speaking personally to students to attending meetings. Generally, a "front office person's" work is never done. There are always more tasks to be attended to.

Mrs. Price is busy at her desk, as usual.

Secretary Nicki Stillings pauses briefly in her work at the computer.

Special Service People

There are several people here at Clinton Prairie who provide us with many important services that we sometimes overlook. Mrs. Barb Carmichael is the school nurse, and she takes care of health matters for both the elementary and the high school. She provides health information, watches over ill students, administers medicine, and provides comfort to those in her office.

The custodians spend much time and effort to keep Clinton Prairie clean and in order. They work dif-

ferent shifts so that there is someone on the job at all times. These people take pride in their work so that we may all take pride in the appearance of Clinton Prairie High School.

Each day the cooks here at CPHS must come up with enough food for hundreds of students, food that most students will like. It's not an easy job, but they spend much time planning and preparing the daily meals for CPHS students and staff.

The custodians take a break to gather for their group picture.

Mrs. Carmichael fills out some forms — a common task for her job.

Trent catches the cooks between poses.

Eighth Grade

Back For Another Year

Coming back for their second year of junior high life at Clinton Prairie, The eighth graders felt like old pros. It was a relief to no longer be the "rookies" of the school and to watch the seventh graders struggle through the first few weeks

as they had the previous year.

The eighth graders worked their way through the 1987-88 school year, anxious to move on and become high school students at Clinton Prairie.

Seventh Grade

A New Experience

As always the first few weeks were hectic for the seventh graders. Jammed lockers, wrong classrooms, and forgotten locker combinations were commonplace for the first week or so. But as time went by they ad-

justed to the regular school routine.

The class officers for the 1987-88 school year were President Chris Neal, Vice-President Brad Eaton, Secretary Brittany Purcell, and Treasurer Suzy Martin.

The Junior High School Choir was directed by Mrs. Kathleen A. Weddell. Some of the things the choir studied this year were choreography, music theory, and sight-seeing. They performed at the Human Resource Center, the Christmas Concert, and I.S.S.M.A. organizational contest and solo and ensemble contest. All entires in solo and ensemble contest received first place.

Junior High Band

L-R: D. McGraw, C. Carpenter, B. Baker, M. Meese, M. Thompson, M. Myers, B. Purcell, K. Mackey, D. Williams, T. Howard, A. Neal, S. Caldwell, L. Powell, B. Decker, C. Skiles, A. Weisflong, T. Huber, K. Konopa, A. Jahn, R. Neal, C. Benefiel, E. Hodgen, B. Abbott, J. Zipperian, M. Rose, J. Brooke, M. Wein, Mrs. Weddell, M. Wein, S. Cole

The Junior High Band, under the direction of Kathleen Weddell, participated in several activities last year. Some of those activities were a Christmas Concert, an elementary convocation, I.S.S.M.A. Solo and Ensemble contest, Junior High Jazz Band, I.S.S.M.A. Organizational contest, and a Spring Concert.

Class time was spent on working on getting the students to have a more mature sound, graduating them to a more difficult level, and to play together as a group. Weddell commented, "Last year's Junior High Band was one of the most enjoyable Junior High Bands that I have ever worked with."

Eighth Grade Football

Front row, Left to Right: C. Perry, M. Harrison, J. Abbott, P. Kanatzer, J. Oesterling, J. Ubelhor;
Back row from left to right: R. Lone, D. Friedrich, M. VanMeter, Coach A. Hintzman, V. Calloway, R. Neal, C. Lock.

The 8th grade football team was coached by Mr. Al Hintzman. The team had a record of 1-5. Coach Hintzman said that he enjoyed working with all of the players, and he felt they were ready for the high school level of football. He also commented that he would like to thank all of the players that did come out and stayed with it all season.

Seventh Grade Football

Front row, from left: E. Decker, B. Abbott, W. Wells, T. Fultz;
Back row, from left: B. Abbott, B. Crace, C. Neal, J. Blacker, Coach J. Vandewalle.

The 7th grade football team, coached by Mr. John Vandewalle, had a record of 0-5. Despite the non-winning season, it was a good experience both for him and for the players. The players learned a lot of things for the upcoming years of playing football. The players worked hard to constantly improve throughout the year. Coach Vandewalle's final comments were that he enjoyed working with all the team members and that the team showed potential to win more games in the future.

Good year For JH Volleyball

Due to the small number of eighth grade players last year's junior high volleyball teams were divided into A and B teams, rather than eighth and seventh grade teams. Both teams came

away with very successful seasons. The A team wound up with a 13-1 record, and the B team went undefeated with a 16-0 record. Both teams also won their county tourneys,

which were played at Clinton Central. The girls displayed much skill in the fundamentals of volleyball as well as good teamwork. Coaches Cheryl Kas and Sarah Sabens both agreed

that there was much talent to be found on these junior high teams. It seems that many of the girls will be future standouts for the CPHS volleyball program.

A TEAM: from left — M. Curl, J. Loy, K. Thurman, M. Gann, G. Lock, A. Blaydes, M. Thompson, M. Meece, S. Oesterling; front — Coach C. Kas, mgr. T. Salazar, Coach S. Sabens.

B TEAM: from left — B. Brenton, K. Eubank, C. Carpenter, K. Galvin, L. Grimes, A. Haines, B. Taylor; back — Coach C. Kas, M. Gramman, K. Smith, L. Padgett, L. Lenehan, J. Schooler, D. McGraw, S. Martin, B. Culross, Coach S. Sabens.

8th Grade Boys' Basketball

The 8th grade basketball team, coached by Al Hintzman, had a disappointing season with an A team record of 3-13 and a B team record of 1-6. Some of the outstanding team members were Curt Lock, who scored 164 points during the season; Ed Tate, who scored 93; Ryan Roberts, who scored 87; and David Friedrich, who scored 66.

"We had a frustrating year with a 3-13 record, but we hope to do better next year," said Coach Hintzman.

Front: C. Perry, M. Harrison, J. Abbott, P. Kanatzer, J. Oesterling, J. Ubelhor;
Back: R. Lone, D. Friedrich, M. VanMeter, Coach Hintzman, V. Calloway, R. Neal, C. Lock

7th Grade Boys' Basketball

The 7th grade boys ended their season with a .500 record of 8-8. They were successful in the Clinton Central tourney. In the first game Prairie beat Rossville 29-28, and in the second game they won, beating CC 39-37. They were runners-up in the Zionville tourney. Last year's coach was Randy Cooper.

Front Row: M. Rominger, M. Wien, A. Thompson, C. Smith, G. Maish, B. Eaton, M. Wien, C. Dillon, T. Lane.
Back Row: Coach Randy Cooper, S. Cole, J. Maish, C. Neal, J. Landes, J. Bläcker, J. Brooke, S. Anderson, V. Hodges, T. Fultz.

JH Gopher Girls' Basketball

With a small number of eighth graders coming out, the CP junior high girls were divided into A and B teams for basketball. After a slow start, the A team showed great improvement and

ended the season with a 7-5 record, winning the County Tourney for the second year in a row. Coach Diane Chaney commented that the eighth graders will be missed next year and that

she was "proud of the seventh graders because they played against teams that were about twice their size." The B team, likewise, showed much improvement, working hard on fun-

damental skills. Although they were not quite as successful as the A team, Coach Susan Oesterling and her players put forth much effort throughout the season.

Front, from left: G. Lock, M. Meece, M. Thompson, J. Hawkins. Back: Mgr. J. Loy, L. Grimes, A. Blaydes, S. Martin, S. Oesterling, Coach D. Chaney.

Front, from left: M. Curl, L. Padgett. Back: Coach S. Oesterling, B. Culross, C. Loveless, S. Caldwell, C. Loveless, A. Haines, Mgr. L. Lenehan.

Junior High Cross Country

The junior high cross country team had a good season with a record of 5-3. With only seven members on the team they won the Westfield Invitational, consisting of 10 teams. Colin McCarthy won the overall race in the Invitational. Prairie came in first with 77 points, way ahead of Hamilton Heights in second with 90 points. Coach Tom Percy was pleased with the efforts of all members of the team and will greatly miss the five eighth graders on next year's squad.

Front row: W. Wells, J. Zipperian, A. Thompson. Back row: D. Jarrett, C. McCarthy, J. Whitlock, J. Ubelhor.

Justin Zipperian rounds the corner to start another lap.

Colin McCarthy, leading the pack, goes for a better time.

Junior High Wrestling

Front Row: Mat Maids, l to r: M. Zipperian, M. Curl, L. Tate, M. Prater, T. Cain, A. Neal, J. Watkins, T. Cain. Second Row: T. Lane, S. Cole, M. VanMeter, J. Abbott, J. Oesterling, W. Wells, C. Dillon, V. Hodges. Back Row: G. Hawkins, R. Lone, B. Crace, V. Calloway, E. Hodgen.

Last year's wrestling team was coached by Mr. Joe Ferguson. Mr. Ferguson commented, "We made lots of improvement through the season, and

hopefully next year the ones coming back will have more ability."

The wrestlers with the best records and the team leaders were Brannon

Crace and Rodney Lone. The 8th grade captains were Lone and Matt VanMeter. The 7th grade captain was Crace.

Greg Hawkins was the

first sixth grader in the history of Clinton Prairie to wrestle for the junior high.

The team's record was 1-6.

Junior High Boys' Track

The junior high boys' track team had a winning season with a record of 5-2. They won the county meet, were fifth out of seven at the Sheridan Invitational, and broke some records. The most outstanding members of the team were Jason Ubelhor and Colin McCarthy. Ubelhor earned 100 points in four events, while McCarthy earned 70 points in only two events. Mr. Percy and Mr. Adamson stated that "the season was a lot of hard work for all of us, but was a great deal of fun. The best moment was winning the County Meet."

David Jarrett shows good form as he takes a run through before the big race.

Front row: D. Trimble, T. Fultz, W. Wells, C. McCarthy, J. Brooke, B. Eaton, S. Baker, M. Rominger, S. Jordan, E. Hodgen. Middle row: Coach Adamson, J. Oesterling, J. Zipperian, R. Lone, C. Neal, J. Ubelhor, D. Friedrich, R. Roberts, J. Whitlock, Back row: V. Calloway, B. Crace, N. Rudd, S. Chambers, C. Peck, D. Jarrett, C. Perry, Coach Percy.

Junior High Girls' Track

Jenny Loy and Kathy Galvin give it their all at the finish in a close race.

The Junior High girls' track team, coached by Mrs. Lana Steward, had a season record of 3-5. One of the losses suffered by the team came by a team who was ranked 2nd in the county.

There was one record broken over the course of the season. Kathy Galvin broke the County record in the 100 meter with 18.8 seconds.

"The spirit and enthusiasm of the team members made this year very enjoyable. The girls were very proud of their accomplishments this year and are looking forward to high school track," commented Mrs. Steward.

Front row: A. Neal, T. Cain, K. Calvin, D. Reece, M. Meece, S. Oesterling, L. Tate, C. Loveless, T. Salazar. Back row: L. Lenehan, C. Loveless, M. Thompson, G. Lock, L. Padgett, S. Martin, A. Blaydes, F. Loy, J. Hawkins, Coach C. Kas, Coach L. Steward.

Junior High Cheerleaders

Above: The eighth grade cheerleaders for the 1987-88 school year were Misty Curl (left) and Michelle Myers (right). Cheering for the seventh grade athletes were Michelle Harmon (lower left), Allie Neal (lower right), and Kirsten Prater (top). Not pictured: Connie Loveless.

The junior high cheerleaders put forth a lot of effort throughout the school year to keep up the spirit of the various Gopher junior high sports teams. With the help of their sponsors, Mrs. Lana Steward and Mrs. Lori Blaydes, the girls did their share of work at Clinton Prairie, practicing twice a

week and following the teams throughout their seasons.

All the girls were members of Pep Club, and the cheerleaders worked especially hard to cheer the junior high boys' basketball team to a victory at the Clinton Central Invitational Tournament.

I would like to take this page to thank the people who helped put this book together: those who stayed after school, drew copies, wrote stories, and cropped pictures.

I would first like to thank Gene and Brett. They were always there asking for something to do, ready to take on any job, and to get it done fast. Thanks; all the dirty jobs got done.

I would next like to thank Amy and Valerie for all their help with layouts and running errands for stories. Stephanie, thank you for all those last minute

stories you helped me write (that other people wouldn't do). Pat, thanks for getting all the stories for us. You were always ready to go get them when nobody else wanted to.

Edith — I can't begin to thank you for all your help. You are too great an asset to lose, but I want to wish you good luck next year. You're a lot of fun to work with, and you could always think of such great captions. I wish you could come back and help, but if we need something typed, we'll send it!!

Mrs. Sabens, thank you, thank you, thank

you! I'm very glad you came here and helped us. Thank you for helping us get our deadlines in on time (which is a first). And thanks for caring enough about this book to learn all about it, in one year! Just wait until next year, we'll be done by May! (I'll pray).

Trent — seeing how it's time to go home and we're waiting on this page, I'll just say thank you for everything you've done to make this book better than last year's book (which couldn't have been that hard.) Thanks for putting up

with all of our requests and deadlines. And most of all, thanks for giving us your Senior Week to come over here and print!

I hope you enjoy this book as much as we enjoyed putting it together! HA!
