Prairie Pride

Our small size brings us closer than most other schools. Here at CPHS we feel an inner pride in knowing that if we're ever in need, there will always be someone there to help us. Whether it be a teacher, friend, fellow student, or the administration, someone is always there for us.

If these people can't help us, they will find someone who can. No one can touch the close student body and staff of CPHS.

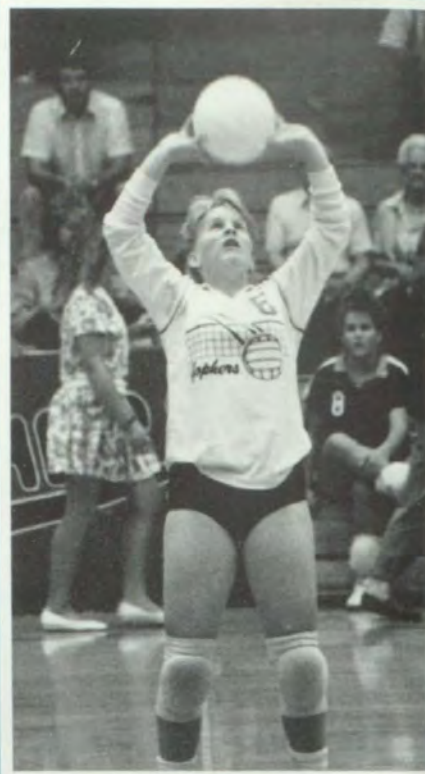

Let's Get it Started...

As CPHS students enter junior high they take on several new responsibilities. They need to learn organizational skills, remember locker combinations, and get to class on time; they begin to realize that these responsibilities need to be taken a little more seriously. Friendship soon develops among the students and grows throughout the years.

Reaching our Goals

Almost all 480 students in Clinton Prairie's junior high and high school student body work hard to achieve our goals. Whether it be sports, clubs, or other activities, we all strive to be the best that we can be. To accomplish what we want in life, we must all support one another, and you can't touch CPHS when it comes to support.

CP Has Double Trouble

It is unusual during a school year to notice that there are twins in each high school class, but during 1990-91 this discovery was made. We asked each set of twins what they liked and hated about being a twin.

"People need to learn that we're two single people, not one big person. My name is Matt, not Matt & Mark Wien."

-Matt Wien

"As a twin there is a lot of sibling competition, perhaps more than is normal between brother and sister."

-Mike Travis

Senior class twins: Kelsey and Kelley Isenhower

Senior class twins: Jenny and Mike Travis

Junior class twins: Brenda and Brad Fingerle

Freshman class twins: Brad and Brian Abbott

Sophomore class twins: Mark and Matt Wien

CPHS Thirteen-Year Seniors

The yearbook staff decided to recognize those seniors who had been in the Clinton Prairie School Corporation for all thirteen years. In the picture below, the first row consists of Jackson elementary, the second row includes Mulberry students, and the last is made up of former Jefferson students. Some of the students were asked about their memories of the past years at Clinton Prairie.

"Memories of High School"

High school is over,
But the memories last forever.
Everlasting friendships,
Growing and maturing year after year,
Finding a true love.
Finally it is Commencement Day.
Walking down the aisle side by side,
Receiving your diploma...
High school is over.
And the memories wash in and out
with the tide.

-Jeri Jo Yeddo

"I remember when...

"...a couple of people from Jackson got caught playing footsie and had to stay in all recess and play footsie the whole time."

-Anne Swackhamer

SPECIAL EVENTS

Games and Dance Highlight

Exchange Student Tuija Alkio Crowned Queen

Enthusiasm grew during the week before the 1990 Homecoming football game, as each class worked to get the floats completed on time. The night before the game gave everyone a chance to get rowdy before the big night. Spirit Night began on Thursday September 6 with six events for the students to compete in: obstacle course, egg toss, three legged race, wheel barrow race, mummy wrap, and tug of war. The Seniors (of course) won the games. To conclude the night, the bonfire lit up the football field as many students joined in the excitement for the following night.

The big night finally came as the C.P. players began the game with Tri-Central. As halftime approached the floats began coming out onto the track, and the Homecoming Court was getting anxious. FFA won the float contest with "FFA Computes To Win." It was finally time to find out the 1990 Homecoming Queen. Colleen Carter, last year's queen, led the girls. Next came the school representatives: Freshman Courtney Kinsler escorted by Steven Miller; Sophomore Keisha Smith escorted by Jerry Blacker; and Junior Sandy Reed escorted by Rusty Neal. The Senior Court consisted of: Chris Timmons escorted by Brian Pollard; Sossity Winger escorted by Treny Zurfas; Carmen McGraw escorted by David Galvin; Tammy Rominger escorted by Kelley Isenhower; and Tuija Alkio escorted by Wayne Cook. The 1990 Homecoming Queen winner was Tuija Alkio, one of C.P.'s foreign exchange students.

The Gophers went on to be defeated by the Tri-Central Trojans 6-35. According to Coach Hilgediek, "The score was not indicative of the way we played. Some untimely mistakes caused the score to be more lopsided than it should have been." Justin Winger and Kelsey Isenhower led the defensive effort with nine tackles each. Jamey Maish had eighty-one yards with a touchdown pass for C.P.'s only score. The student council sponsored a Homecoming dance after the game. Entertainment was provided by Brian Clark and Darian Trimble.

The 1990 Duke of the Court ceremony was held October 2 between the J.V. and Varsity Volleyball games. After the J.V. win over Rensselaer 15-10, 15-7, the Duke of the Court candidates took the floor. The candidates and their escorts for the senior class were: Kelsey Isenhower, escorted by Stephanie Perkins; Kelley Isenhower, escorted by Tammy Rominger; Ian Smith, escorted by Sossity Winger; Justin Winger, escorted by Rachel Hanna; and Jamey Maish, escorted by Carmen McGraw.

The junior class representative was Tony Shaw, who was escorted by Sandra Reed. The sophomore class representative was Matt Wein, who was escorted by Angie Elliot. The freshman class chose Steven Miller, who was escorted by Ann Cook. Kelsey Isenhower was then crowned the 1990 Duke of the Court. He received a sceptre and a t-shirt. The other members of the court also received a t-shirt for their participation. C.P.'s Varsity team went on to win the game against Rensselaer 15-5, 15-5, as everyone stayed to cheer them on.

Kelsey Isenhower is awarded The 1990 Duke of the Court.

The 1990 Duke of the Court members include: front row; Juniors Sandy Reed and Tony Shaw, Sophomores Angie Elliot and Matt Wein, Freshmen Ann Cook and Steven Miller. Dracula Takes the Stage at CPHS

Seniors Julie Pelfree and Kelley Isenhower headed up the cast for Clinton Prairie's 1990 fall play, Dracula. The play was a departure from the comedies of the previous three seasons, so cast and crew alike were pleased when the audiences of the November 1 and 2 performances reacted so favorably to Dracula.

Drama teacher Sarah Sabens directed the play, her fourth at CPHS, while Julie Pelfree acted as Student Director and Amy Weisflog assisted with direction. Many cast members were participating in a play for the first time, and Mrs. Sabens was very complimentary of all the cast members: "I think we had a lot of talent in Dracula, and the students worked hard and learned their lines well. This group was a pleasure to work with. I was very proud of the production."

FHA is Responsible for Clinton

A Christmas Fantasy was the theme of the 1990 dance sponsored by FHA. The club sponsors a Christmas dance every other year. Ticket sales were good ; the tickets went on sale for \$8 a couple one week before the dance.

The dance began at 8:00P.M. with Karen McGarey taking pictures as people arrived. Brian Clark and Darian Trimble were DJ's as everyone enjoyed the blue and white scenery of the dance. The dance ended at 11:00P.M. , and the couples left with a candy cane for a memory of the Christmas Fantasy.

Swackhamer Crowned

The Hardwood game was played on Friday, January 25 against Turkey Run. The Gophers came out with a quick lead. At halftime the score was 41 to 24.

During halftime, Ms. Anne Swackhamer was crowned Hardwood Queen of 1991. Her court consisted of Jamie Pelfree, Kirsten Prater, Mandy Thompson, Chris Timmons, Missy McGraw, Sossity Winger, Lanna Lenehan, and their escorts.

The Gophers maintained the lead all through the rest of the game with great offense and defense. Top scorers were Kelsey Isenhower with 22 points, Treny Zurfas with 19 points, and Ryan Roberts with 13 points. The Gophers shot 60% from the field and 67% from the three-point line. All together this was an outstanding game.

Ice Storm Delays 1991 Revue,

Despite a one week delay due to the infamous ice storm of March, the 1991 Revue cast went "on with the show." The theme of the Revue was "From the Heart," and the students chose songs dealing with love. Emceeing the Revue were seniors David Galvin, Kelley Isenhower, Missy McGraw, and Julie Pelfree. Mrs. Patty Catt directed the show, with the help of band director Mrs. Donna Wicker. Senior Lanna Lenehan was the Student Director, and Junior Sandra Reed acted as Assistant Student Director. The Art/Stage Crew for "From the Heart" was headed up by Senior Kelsey Isenhower. All of the students worked long hours in order to perfect their acts and to make sure that everything was ready for the 1991 Revue.

"This Day is Not an End -

Saturday evening, May 25, 1991, was the date of the last formal Clinton Prairie High School function for the Class of 1991. The seniors marched in to the band's rendition of "Pomp and Circumstance," and their graduation program began with the invocation by Reverend Jim Eldridge. Student Council President Carmen McGraw then introduced the speaker, Mr. F. Dale Grubb, who talked to the seniors about responsibility, individuality, and persistence in meeting goals. Principal Charles Fink presented the valedictorian and the salutatorian of the Class of 1991 -- Jason Marshall and Jennifer Richardson, who then addressed their classmates briefly. The graduation audience was then entertained by the Concert Choir's and Prairie Singers' performance of the song "Fly Little Bird" and the senior members of the Concert Choir singing "We Share the Same Dream." After the presentation and acceptance of the seniors, school board members then gave diplomas to each graduating student as Mrs. Leslie Robison, the senior class sponsor, read the names of the graduates. Senior Class President Tammy Rominger led her classmates in the tassel ceremony, formally signifying their status as CP alumni. After a brief benediction by Reverend Larry Lynch, the class was dismissed to be congratulated by family and friends in the parking lot behind the school.

Foreign Countries Well-Represented

Clinton Prairie had five foreign exchange students during the 1990-91 school year. Tuija Alkio came to Prairie from Finland; Claudia Borbon came from Mexico; Marloes Brockhoff joined CP from the Netherlands; Pascal Fivian came to the U.S. from Switzerland; and Junko Kimura came from Japan. Some of these students responded to questions posed by the yearbook staff regarding similarities and differences between their home countries and the United States. One of the differences noted by all of the students was the fact that Americans eat a lot more junk food than do the citizens of many foreign countries, and the foreigners also spend more time preparing food than do Americans. According to Claudia, "Women spend a long time cooking meals (in Mexico), and we have a big variety of foods, so we don't eat the same meal very often, maybe once or twice a month. It's not like here, where people eat hamburgers, french fries, and pizza very often." The exchange students saw differences in the schools at their homes as compared to Clinton Prairie. Junko noted that in Japan the students have to wear uniforms to school, may not wear makeup, and do not show affection for boyfriends or girlfriends, such as by holding hands. Differences were also noted in relationships among teenagers and their friends and families. Said Claudia, "In Mexico families are closer, and there is more communication and respect between parents and their children." All of the students said that American culture had an influence on their own countries' cultures, especially in the areas of clothes and music. Some of the features of American life that the students mentioned liking included movies, sports, MTV, big cities, and added freedom. Claudia once again summed it up well by stating,

The foreign exchange students were; sitting: Tuija Alkio and Claudia Borbon; standing: Junko Kimura, Pascal Fivian, and Marloes Brockhoff.

"There are a lot of things that I like and admire about America, like the ease you have to acquire whatever you want and the fact that every person lives his own life and lets you live yours."

Volleyball Team Caps Season with Sectional Win

Varsity Ends with 29-7 Record

The 1990 Clinton Prairie varsity volleyball team, coached by Connie Garrett, had another excellent season with a 3-0 conference record and a 29-7 season record. Co-captain Anne Swackhamer, voted most valuable player, broke the record of most kills in a season with 283, beating the old record by 7; she also broke the record for highest percentage of kills, completing the season with .396. Anne was also voted to the All-Conference team, along with teammates Mandy Thompson, Gina Lock, and Lauri Grimes.

"It was a great season, capped with a sectional championship, the first in three years. The team improved as much from beginning to end as any other team ever, as they stayed in the top 20 in the state all year," stated Coach Garrett.

The 1990 volleyball season for the J.V. was full of achievements. The team's ending record was 16-8, and the conference record was an outstanding 3-0. The team was coached by Jill Doades. Doades said, "They were a very enjoyable group to work with."

Football Team Regains Pride

Seniors Lead The Way

The regaining of Prairie Pride in their football team was the main accomplishment of the 1990 varsity team. "The team displayed a winning attitude, even if the record was below .500. The seniors are to be commended for their leadership and are leaving the program on a definite upswing," stated Coach Hilgediek. The team ended the season with a 4-6 record, upgrading from the '89 record of 1-8.

The team had three players on the All-Conference team: Seniors Kelsey Isenhower and Jamey Maish, and Junior Ryan Roberts. Senior Jason Marshall and Junior David Friedrich received honorable mention.

The team voted for Outstanding Offensive Lineman, Outstanding Offensive Back, Outstanding Defensive Lineman, and Outstanding Defensive Back and the results were: Jason Marshall, Jamey Maish, Kelsey Isenhower, and David Friedrich, respectively.

There were two records broken in 1990 by Jamey Maish. He broke the single game rushing record against Lafayette Central Catholic with 234 yards. These yards were then added to his single season rushing record which totaled 1439 yards.

The coaches for the 1990 season were: Head Coach Dan Hilgediek, Assistant Coach Nick Baker, Assistant Coach Chad Perkins, Assistant Coach Al Hintzman, and Assistant Coach Terry Boes.

Team Effort Contributes to Winning Season

Clinton Prairie's varsity cross country team ended its 1990 regular season with a 7-1 record and a 2-1 conference record. The team, coached by Mr. Bob Smith, finished second in the Hoosier Heartland Conference (HHC) meet by losing to Clinton Central 31-33, and placed sixth at the Carmel Sectional, just failing to reach their goal of a regional appearance by 10 points.

Each of the team members battled long and hard and endured long hours to contribute to the team's great season, but three stood out from the rest.

Senior Gene Johnson, captain of the team, was chosen to the All-County team for the second straight year and also All-Conference in the newly formed HHC for the second year. Gene was also a member of the Rangeline All-Conference team during his sophomore year. During 1990 Gene was presented with the Most Valuable Player award for all his hard work.

"Despite my illness at the close of the season, I have a right to say that I was pleased with my performance and reaching one of my goals- maintaining my time around 17:00 constantly. I owe a great deal to Coach Smith and especially to Jason, for he has pushed me when I needed the boost."

Other outstanding contributors to the team were: Junior Jason Whitlock, who was also named to the All-Conference team, was presented with the Most Dedicated award for the second year in a row. Junior Kreg Zeis received the Most Improved award for all his time and great effort.

Third year runner Senior Mike Travis had this to say about his experiences with the team: "Even though we didn't meet all our goals, I feel that our record and other accomplishments are proof that we had an excellent season. As for me, I am proud to have been part of a team that in three years has only lost four dual season meets and has qualified to go to Semi-State."

Members of the 1990 cross country team included: front, left to right-J. Zipperian, C. Allen, B. Hazlett, G. Hawkins, K. Zeis, D. Jarrett, back- Coach B. Smith, D. Galvin, M. Travis, G. Johnson, T. Zurfas, K. Zeis, J. Whitlock, Mgr. B. Pollard.

Even though the 1990-1991 Prairie wrestling team had a 4-24 season record they were 4-4 against single A schools. There were three particularly outstanding wrestlers. Junior Rod Lone, was first in sectional, first in conference, and first in the CP, Tri-Central, and Hamilton Heights Invitationals. Lone also got the most wins for the year, with a season record of 29-6 and is ranked sixth in career records with one more season left. Senior Brian Grubb was first in sectional, first in conference, and first in the CP and Tri-Central Invitationals. Grubb ended the year with a record of 28-10; he is now ranked third for most career pins. Sophomore Brannon Crace

was first in sectional, second in conference, and first in the CP and Tri-Central Invitationals. Coach Terry Boes commented, "The team was very young. Of our thirteen full-time varsity squad, there were two seniors, two juniors, six sophomores, and three freshmen. We improved a great deal over the season."

Basketball Team Strives For Victories

Several Individual Records Set

The boy's varsity basketball team ended the season with a 9-12 record. Along the way, several individual records were set. Treny Zurfas and Ryan Roberts combined for the most three-pointers in a season with 48. Zurfas also set the record for the most career three-pointers with 75 and was the leading scorer and free throw shooter on the team. He averaged 17.9 points a game and shot 77% from the line. Jamey Maish had an outstanding season with 100 assists and 54 steals. He led the team in both categories. Nick Rudd pulled down the most rebounds, with 132, and had the best field goal percentage, with 54% on the season. Roberts set the school record for the most three-point field goals in one game with 6 against Attica. Overall Coach Bob Blaydes commented that he felt the season was successful because the players were so competitive.

The 1990-91 junior varsity basketball team finished the season with an overall record of 7-13 and a 1-2 conference record. Outstanding members included Jerrad Blacker leading in scoring and most steals; Shawn Chambers leading in rebounding; and Rusty Neal leading in highest field goal percentage. Coach Bill Taylor had this to say about his team: "It was an up and down season for the squad. We suffered early season losses at the buzzer. It's easy to get disheartened when that happens, especially when you lose key players to injuries and other things, but those that finished the season showed a lot of heart and just began to show signs of working as a team."

Members of the 1990-91 basketball team were, front row, l. to r.-T. Zurfas, J. Maish, K. Isenhower; middle row-J. Blacker, R. Roberts, D. Jarrett, J. Brooke; back row- S. Chambers, R. Neal, N. Rudd.

The 1990-91 Junior Varsity team consisted of; back row: Jason Whitlock, Jerry Blacker, Chris Neal, Rusty Neal, Shawn Chambers, David Friedrich, Jeremy Chambers; front row: Trevor Fultz, Mark Wein, Travis Lane, Matt Wein, Jeff Brooke.

The 1991 ninth grade boys' basketball team was coached by Mr. Kevin McCray. The team's overall record was 3-11.

The team had two outstanding players: Brandon Bolinger and Shawn Golden. Bolinger led with an average of 13 points per game, while Golden averaged 10 points per game. Golden also led in rebounds with 4.3 per game. Both of these players were captains and leaders on and off the court.

Coach McCray commented, "The kids worked hard all year. They've come a long way."

Varsity Girls Capture Sectional

According to Coach Garrett, 1991 seniors Anne Swackhamer and Missy McGraw were the outstanding members of the varsity girls' basketball team. The girls' team finished their season with a 17-4 record, ending 2-1 in the conference. Not only did the girls' win the sectionals, but went on to regionals and made a good showing losing only by 2 points. Missy McGraw set a new assist mark with 104. Anne Swackhamer was second in both rebounding and scoring in the school's history with 1143 points, and 666 rebounds. Anne and Missy also made the all-conference team.

Coach Garrett commented, "This was one of Clinton Prairie's finest teams ever — not because of the record, but because of the effort and dedication to be the best we could be."

Members of the 1990-91 varsity girls basketball team were, front row, l. to r.- Anne Swackhamer, Missy McGraw; middle row-Lauri Grimes, Sarah Oesterling, Missy Meece, Jennifer Hawkins, Stephanie Caldwell, Amy Blaydes; back row-Mgrs. Lisa Lenehan, Tuija Alkio, Junko Kimura, Coach Connie Garrett.

Small in Numbers but Great in Effort

Members of the 1990-91 junior varsity girls basketball team were, front row, l. to r.- Julie Reents, Cindy Haughs, Lisa Whitlock, Courtney Kinsler; back row- Coach Dan Hilgediek, Marloes Brockhoff, Ali Lock and Tracey Ramsey.

Despite their struggling season the junior varsity finished 8-9 and rebuilt their foundation. The team consisted of only six freshmen and one foreign exchange student. Although there was a lack in numbers, Coach Dan Hilgediek was quite impressed. "The team improved from the start to the finish as much, if not more, than any group we've had at the JV level. They are to be congratulated on a fine season and a bright future."

The team was led by freshmen Julie Reents and Lisa Whitlock. Julie broke a record set in 1988 by Missy McGraw of most points scored in a season. The 1988 record was set at 121 points while the new record stands at 164 points. While Lisa Whitlock led the team in rebounds with a total of 88, with Freshman Ali Lock following close behind with 87.

Many of the players can't wait for next season to start so that they may be able to play as varsity team members.

Clinton Prairies' Varsity Baseball Team had a very successful year. The team was coached by Dan Hilgediek. Going into the latter part of the season, the teams' record was 16-9. The varsity team was the conference champion, with the record being 6-0. Leading pitchers on the team were Matt VanMeter, Aaron Jackson and Ty Swan. Leading hitters were Jamey Maish, Ryan Roberts, Kelsey Isenhower, Kelley Isenhower, and Greg Maish. Outstanding defensive players were David Jarrett, with his diving catches, and Travis Lane. Coach Hilgediek summed up the season with these last words, "It's been a total team effort all year round. Everyone has found a way to contribute to our success. They're a fun bunch to work with and I have enjoyed it immensely."

Clinton Prairies' 1991 JV Baseball team was coached by Mr. Dan Hilgediek and Mr. Kevin McCray. The team's record was 4-1. Junior Varsity team members were also members of the Varsity, as the team was low in numbers. The key players included Jeremy Maish, Casey Dillon, Mike Rominger, David Galvin, Rusty Neal, Corky Benefiel, and Chad Martin.

Small Team Shows Determination

Although the girls' track team finished its regular season with 3 wins and 8 losses, its record did not reflect the enthusiasm and dedication of the team, which also finished with 2 wins and 1 loss in the Hoosier Heartland Conference. From the beginning to the end of the season the team fought a huge battle: having to accept the fact that there were only nine team members.

"I was disappointed with so few wins, but with such a small team 3 wins against teams with 18 to 20 girls versus our 9 was quite an achievement," stated Coach Kris Jones.

Among the nine members of the team were two seniors whom Coach Jones credited as showing "great determination and leadership for a young team." These two seniors were Jennifer Gammon, who ran the 800, 1600, 3200 meter runs and also threw the shot put and Jennifer Richardson, who competed in the high jump.

Seven of the nine participants qualified for sectional but because of illness, injuries and personal reasons only three competed: Senior Jennifer Richardson, Junior Jennifer Hawkins, and Sophomore Keisha Smith.

Keisha Smith takes a flying leap into the long jump pit.

Jennifer Gammon concentrates on keeping the pace during the 1600.

Extra Effort Leads to Wins

Ian Smith leaps over the hurdle to defeat his opponent.

The Clinton Prairie High School Boy's track team finished its regular season in 1991 undefeated in the Hoosier Heartland Conference (HHC). The team also finished in first place at the HHC Meet ending on a final note of 7 wins and 4 losses.

Many outstanding members contributed to the team score of each meet and controlled the level of leadership on the team. Seniors Gene Johnson, Rob Livermore, Ian Smith, Mike Travis and Juniors Kreg Zeis and Nick Rudd were among the leaders of the team, each participating in three or four events a meet. Despite the small number of team members, the spirit and determination were strong.

Many of the team members participated in four events to make sure the Gopher Guys brought home the win. "With twelve members on a team in track, all (members) are exceptional, or we would not have the winning record we have. They've been a fun team to work with and make coaching enjoyable," remarked Coach John Vandewalle.

If someone were to attend a boys' track meet they would not only see the team members running but also the coaches and volunteers. Mr. Vandewalle and Assistant Coach Mr. Bill Taylor kept the guys informed on times and pushed all members of the team until they were winners. Even the coaches wives got into the act by assisting all members of the team and keeping track of the score. With such spirit evoked during the season this was a fun team to watch.

Members of the 1991 boy's track team were: Front row (L to R): J. Zipperian, J. Waddell, C. Mackey, N. Rudd, K. Zeis, J. Ubelhor, Manager C. Carpenter; Back row-Coach John Vandewalle, I. Smith, M. Travis, G. Hawkins, J. Landes, D. Friedrich, G. Johnson, J. Whitlock, R. Livermore and Assitant Coach Bill Taylor.

Softball Team Finishes Strong

According to Clinton Prairie's 1991 Girls' Softball Coach Jill Doades, "We had several new faces on our infield and that took some time to adjust ourselves." Around the mid-season point the softball team began to "gel" as a defensive unit.

Despite this factor the softball team finished their regular season with 9 wins and 9 losses. They also remained 2 and 2 in the Hoosier Heartland Conference.

The 1991 girls' softball team was led by an outstanding show of senior leadership. Senior Missy McGraw, the catcher of the team, led the defensive effort; Seniors Tammy Rominger, centerfield and Chris Stevens, rightfield, led the defensive effort in the outfield; and Senior Jenny Travis, third base, led the team on the offensive side.

Members of the 1991 girls' softball team were, front row, (l to r)-J. Travis, T. Rominger, M. McGraw, C. Stevens; middle row-C. Kinsler, L. Whitlock, A. Cook, C. Haughs, J. Loy, M. Zipperian, L. Despite the 1991 golf team record of 1 win and 12 losses at the end of their regular season and 0 wins and 3 losses in the Hoosier Heartland Conference, Coach Al Hintzman said, "Each person on the team lowered their average between 2 and 7 strokes for 9 holes."

The golf team also finished second at the Hoosier Heartland Conference Meet at the end of the season. Several team members contributed to this great placing: Senior Brian Pollard, who was chosen the captain of the team by team vote; Juniors Jerry Oesterling and Dennis Brettnacher, and Freshman Brandon Bolinger.

The Main Office was a part of the school that students heard from every day, whether it was the announcements during the day, a delivery, or for disciplinary action. In a small school like CPHS there is always a student or staff worker in the office willing and able to help any person who enters the office.

The girls' basketball team's 1991 sectional win was an event the Main Office staff will never forget.

"The most memorable moment of the 1990-91 school year was the girls' basketball sectional win."

Taking Care of Business

The Central Office had to deal with many unusual experiences during the 1990-91 school year. The Central Office dealt with lengthy teacher contract negotiations, snow make-up days, and "Ice Storm" days. The "Ice Storm" of 1991 was a disaster the Central Office will never forget nor will the students and staff of CPHS.

Dirty Work

The custodians did their usual super job of keeping CPHS clean throughout the 1990-91 school year. Dusting, mopping, waxing, vacuuming, and taking care of the staff's special requests, and the aftermath of the "Ice Storm of 1991" were just some of the duties performed by the custodial workers. Their work once again made everyone proud of the appearance of Clinton Prairie.

CPHS custodians pictured include, (L to R): J. Pletch, G. McKenzie, B. Remaly, B. Goldsberg, and D. Remaly.

Custodians pictured above include: J. Hall, O. Donoho, D. Street, and C. Smith.

Clinton Prairie's bus drivers took on the job of transporting the students in grades K through 12 to and from school, day after day. Many of the drivers also drove students to extra-curricular events, such as speech meets, athletic events, and field trips. Their work was appreciated by students and staff alike.

The Bus drivers for the 1990-91 school year were: J. Tharp, B. Stambaugh, V. Bragg, L. Zollers, S. Morris, M. Fetterhoff, S. Greer, J. Neff, C. Blacker, B. Smith, H. Smith, R. Marlett, J. Neff, C. Anderson and G. Harshman.

The nurse at Clinton Prairie during the 1990-91 school year was Mrs. Deborah Kauffman. Mrs. Kauffman informed the school community of any outbreak of illnesses, cared for elementary and high school students who became ill during the day, tested junior high students for scoliosis and maintained immunization reports.

Mrs. Kauffman also sent fliers home to families to inform them of health problems in today's society. Like years in the past convocations were scheduled that dealt with health problems that Mrs. Kauffman teaches students about. Thanks to our nurse for keeping us informed!

During the 1990-91 school year students noticed a few changes in the lunch menu, thanks to our cooks. Each day students had a choice on hot lunch of two different main courses, and many new dishes were added to the menu.

The "Snack Sacks" program, received such a great response during the 1989-90 school year that it returned for a second year. The "Snack Sacks" included a choice of sandwiches, potato chips, a cookie and fruit and were offered to those students who wished to eat a snack after school. This program kept students eating healthy food instead of junk food. Congratulations to the cooks for keeping students interested in a healthy meal and for offering new and exciting lunches.

Junior High ACE Team

"I was involved in this club because it was fun being with people and going to competitions," said seventh-grader Matt Jahn when asked about his participation in the 1990-91 junior high ACE team. Matt also felt that some of the benefits of the club included learning about subjects that wouldn't be covered in regular classes and learning to be more outgoing around other people. The ACE team attended a spelling competition, a Super Bowl with questions relating to the Italian Renaissance, and the team also took part in a computerized quiz bowl.

She mentioned several activities in which the council took part over the course of the year, such as donating money to the Ryan White Fund, sponsoring dances, and attending meetings to make the wishes of the junior high known to Mr. Fink.

Maria had the opportunity to do just that, as the choir participated in such activities as the Christmas concert, solo and ensemble contest, the Indiana State School Music Association's organizational contest, and the spring concert. Maria mentioned that choir members learn to work together to achieve a finished product.

Tracey's Last Words...

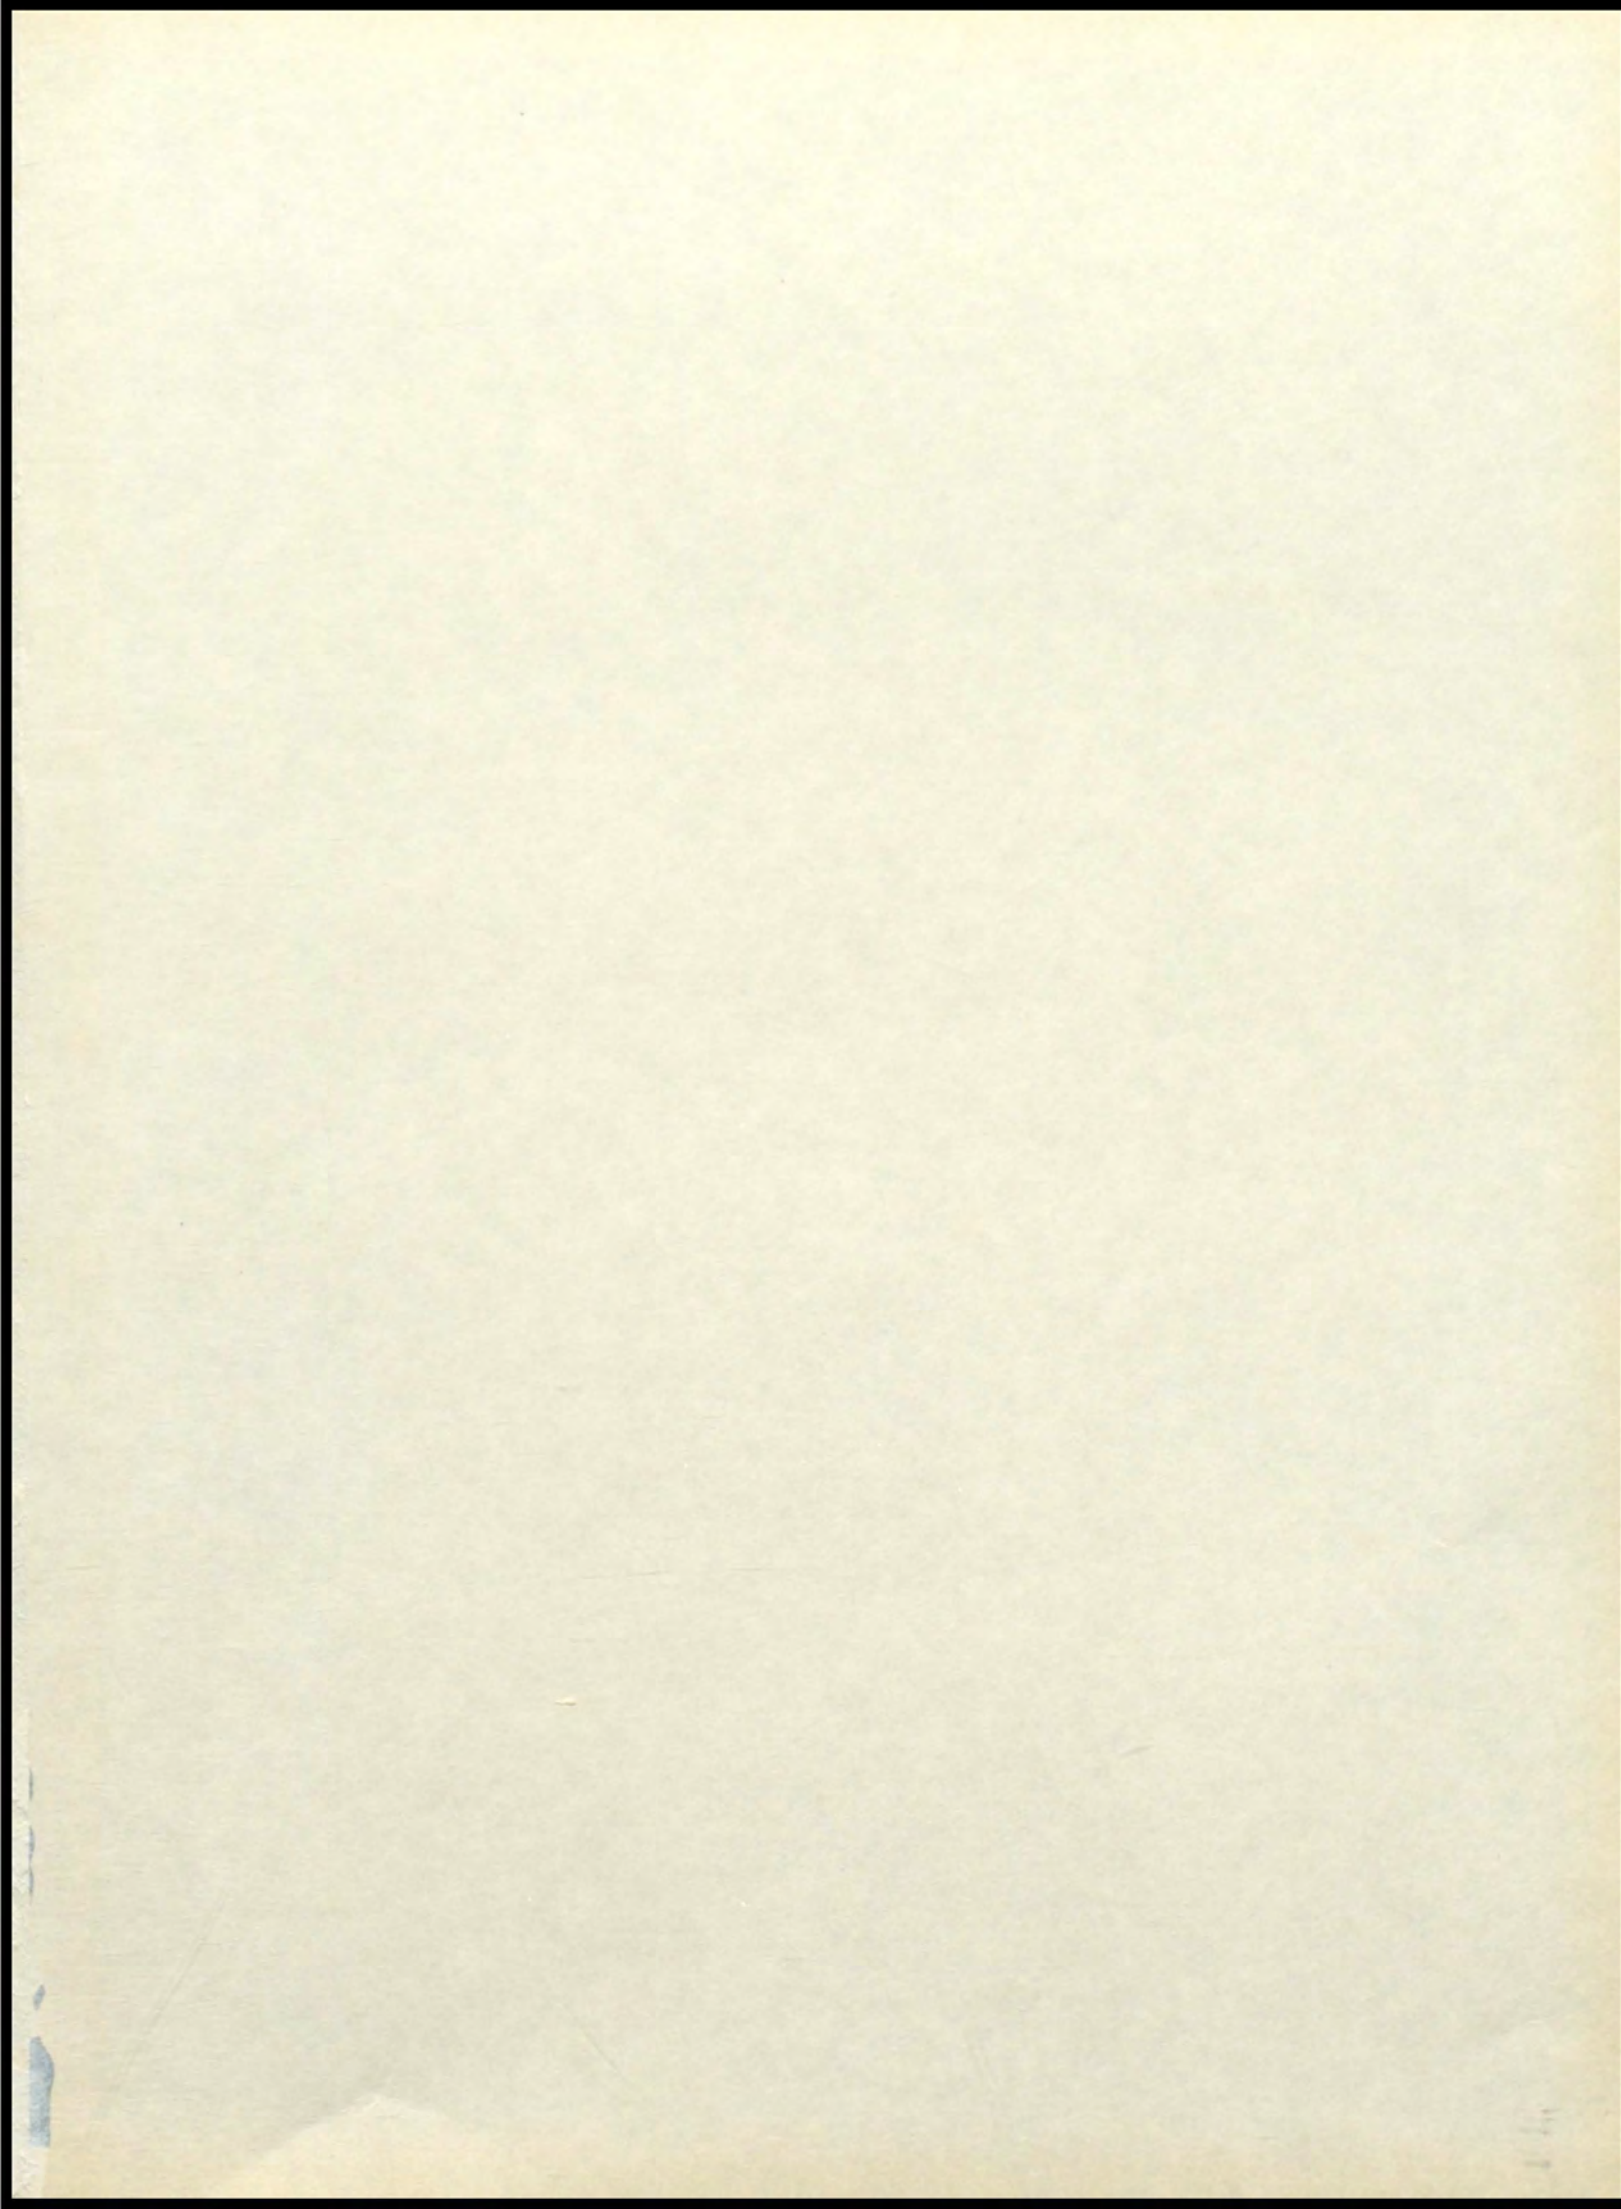

Well, I have put it off long enough. It is finally time to finish the book. I guess I need to thank everyone on the staff, and should start with the most important, Mrs. Sabens. Thanks for making my job as editor very simple. It was actually fun to come to class. I especially want to say thanks for letting the staff get pizza, pop, and food during the year. I want to thank Erica for being my second hand as business manager, and keeping everything in order. Thank you Debbie for getting the "extras" done when needed, even though things didn't go to well throughout the year. Now for my cousin, Anne, I really appreciate your help. Even though you came at semester you took charge like you had been there all year. Thanks A Lot! I guess I should thank my sister next. Jenny, I know we have had our arguments but you're a lot of help and I really appreciate it.

Michelle, I guess you're next. Thanks for typing and doing layouts, you were a big help. Now for my typist, Jennifer Gammon, I don't know what we would've done without you! I really appreciate your help too, believe me that's one job less for me to do. Now for the guys. Thanks Todd for typing headlines for us, you were a lot of help! Finally for Bill. Well, what do I say? I guess that says it all. Just joking. You were fun to be in class with! I have another thanks to our photographer, Karen McGarey, for providing most of our pictures and being there when we needed her.

Well, this is it guys! I have thanked everyone so now its time to say goodbye and goodluck! I will miss every one of you. Have a great future and I wish you all the best.
