IT'S NOT SO BAD TO BE

CHILDREN of

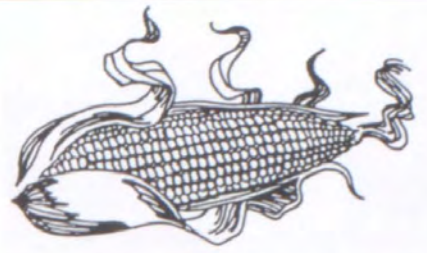

WHAT'S A SCHOOL DOING CLEAR OUT HERE IN THE MIDDLE OF NOWHERE?

Such a question might be the first thought of visitors to Clinton Prairie Junior-Senior High School. With corn and bean fields on just about every side and only about five hundred students in grades seven through twelve, CPHS definitely qualifies as a small, rural Indiana school. And though there are disadvantages in being a part of a small, rural school, there are benefits, too. Chances are that the students and staff at CP know one another better than the populations of many of the larger urban schools. There's something nice about knowing the people who surround you every day. And in today's crazy world, there's also something kind of nice about looking out the windows and seeing cornfields and cows rather than cars and businesses.

the CORN!

CPHS may sit amidst corn and bean fields, but the students know

There's more than corn in Indiana

WHAT DID YOU DO ON YOUR MOST MEMORABLE WEEKEND?

That is too personal!!!!

---Rick Ruiz

When I went to my first Star Trek convention in Chicago as a Sophomore. For the first time I got to see the Star Trek world up close and personal. Then I got to meet Jonathon Frakes(my namesake and Commander Riker on The Next Generation. I will never forget meeting the 2nd in Commerce of the Starship Enterprise!

---Jon Smith

SOME THINGS LIKED TO DO ON WEEKENDS:

Sleep in, watch basketball, watch movies. ---Randie Barnes

Go fishing, ride ATV's, and go do something recreational. ---Ryler Rawlings

One of my most memorable weekends was when my friends, Randie , Heather, Emily, Bub and I went to a Boyz 2 Men concert. We had lots of fun!!!

---Nichole Roberts

...even in Clinton County!

The most memorable weekend I have ever had is probably the time our football team finally won a game. Not only the rush of winning, but the whole team and others came back to my house, and a few of us went to Denny's at 3 a.m. When I came home I couldn't find any place to sleep, not even floor space.

---Mike Rothenberger

My parents went shopping and they took me with them. They gave me five dollars and let me ride the carousel all day long!!!!

---Meghan Allen

MORE THINGS LIKED TO DO ON THE WEEKENDS IN CLINTON COUNTY:

Sleep in, stay up late, and to go somewhere other than my house.

---Adam Neidlinger

Watch cartoons, play outside, and go shopping.

---Jill Bowen

Shoot guns, hunt, ride go-kart!

---Nate Knapp

The autumn air was crisp as Clinton Prairie's 1995 Homecoming festivities began. Fans, students, and alumni poured into the game, which was played as scheduled, on September 22, 1995. Earlier in the week the Bonfire was held and the Seniors won all the events.

Sophomores Kelly Haugs and Christie Emerson try to keep warm while cheering on the Gophers.

Despite the bitter cold that came as the sun went down, the fans concentrated on the game. Their attention, however, was diverted from the game onto fourth grader, Derek Edmondson. Just prior to halftime, Derek fell from the sixth row from the top of the bleachers to the ground in an unfortunate accident. He was released from the hospital a few days after the accident, but was still recovering from some serious injuries.

The Gophers drag the Cougars down to the ground!

When the buzzer finally rang to end the first half, the results of the sheet sign contest were announced. The Seniors took first place; the Juniors took second place. Then the moment everyone was waiting for arrived: the crowning of the Homecoming Queen. The Star City Corvette Club carried around each of the following representatives: Freshman Heather Driggs and escort John Lock; Sophomore Justice Castoreno and escort John Wright; Junior Cassie Bartley and escorts Curt Edmondson and Joey Stillwell. The Senior Court consisted of the following: Brooke Fultz and escort Chad Lanum; Holly Hickman and escort Jon Smith; Carly Kinsler and escort Ryan Thomas; Jamie Mills and escort Josh Watts; Stephanie Sharp and escort Ken Stillings; and Leslie Ramsey and escort Jeff Hazlett.

The 1994 Homecoming Queen, Charity Baker crowned the 1995 Homecoming Queen, Brooke Fultz, while the crowd watched and applauded. After halftime, the Clinton Prairie football team returned to the field determined to win. Unfortunately, the Gophers did not win the game, but they made a good effort. The dance held after the game was sponsored by the High School Student Council. The Council was responsible for many of the activities that week.

Front Row: Alexandria Horvath, Freshman Heather Driggs, Sophomore Justice Castoreno, Junior Cassie Bartley, Seniors Stephanie Sharp, Leslie Ramsey, Queen Brooke Fultz, Jamie Mills, Carly Kinsler, and Holly Hickman. Stillings Named Duke of the Court

The Science Club sponsored the 1995 Duke of the Court on the night of Thursday, October 5. The ceremony was held in between the J.V. and Varsity volleyball game against Clinton Central. There was a slight delay in the ceremony due to a mishap with the fire alarms.

After the J.V. team defeated the Bulldogs, the senior guys awaited the announcement of the 1995 Duke.

The senior candidates and their escorts were: Jon Smith and Holly Hickman; Dustin Howe and Leslie Ramsey; Jon Haug and Crysta Calloway; Ken Stillings and Stephanie Sharp; Cory Caplinger and Arlen Winger. The underclass representatives and their escorts were Juniors Trevor Harden and Michelle Bandy; Sophomores Mike Boesch and Matt Pitts and Lovelyn Reyes; Freshmen Justin Haan and Melissa Mullikin. After all the suspense, the sceptor of the 1995 Duke of the Court went to Ken Stillings. To top off the evening, the Varsity had a great victory over the Central Bulldogs.

Thanks a million to all you wonderful people who made the fall play so much fun! Though many trials attempted to foil our plans-(guns that wouldn't fire, sound systems which refused to cooperate....!)-we managed to pull off a great show while having the time of our lives!

Love to you all,
Rachel Kinsler

P.S. Misti, thanks for teaching us all to "freak out"!

P.P.S. "Imagine what Pam will do with it!"

Doc Willoughby pronounces Mr. Mitchell dead while the guests look on.

Murder and mystery took center stage on the nights of Thursday, November 9, and Friday, November 10, as the Clinton Prairie Drama Club presented its annual fall play. *Murder Takes a Holiday*, directed by Mrs. Sarah Sabens and Senior Rachel Kinsler, took place in and around an isolated ski lodge in the mountains of New Hampshire. Along with Mr. Andrew Kinsler and Mr. John Sabens, the CP Drama Club stage crew recreated the Alpine Chalet in the Clinton Prairie auditorium.

The play featured Harry Thompson (Mike Zollers) and his wife, Diane (Misti Alvarez), as visitors to the lodge, where they would meet the remarkable Mrs. Bowman (Rachel Kinsler), a mountain climber with a dangerous secret. The Thompsons, as well as the audience, were faced with many questions: Was the staff of the Alpine Chalet comprised of sinister criminals or dedicated police agents? Who was the curious "Mr. Merryweather," who would only steal when the sun was shining? What about the mad man with a limp who was intent on weaving an icy web of terror? Was the nurse really a nurse? Could the sheriff be trusted? These problems kept the audience of *Murder Takes a Holiday* guessing until the final moment, when the true villains were revealed.

DANCIN' IN A "WINTER WONDERLAND"

Seniors show their serious side.

WINTER WONDERLAND was the theme for Clinton Prairie's Christmas Dance 1995, which was held on December 9. It was sponsored by the High School Student Council, which also provided refreshments. There was a record high attendance for the dance: one hundred and eighty-four students filled the cafeteria for an evening of fun and dancing.

Silver, black, and white decorations hung from the walls of CP's cafeteria. Music was provided by Sound Machine from 8:00-11:00 p.m. Everyone seemed to have a good time and, helped to make the evening memorable.

Dawn twists the night away.

Heather Driggs breaks it down.

Industrial Tech Club Hosts

The parking lot in back of Clinton Prairie High School was the scene for the Industrial Technology Club's first annual Car Show, held on Saturday, April 13, 1996. Over eighty cars were entered in the show, which was held on a windy, overcast morning. Club sponsor Al Hintzman and his Industrial Tech members received many compliments on the fine show they sponsored. Club officers who worked on the show included Scott Myers, Jeremy Laughner, Cory Bryan, Ryan Thomas, Carly Kinsler, and Casey Anes. The club handed out ten first place trophies for the ten classes of cars, as well as five Best of Show trophies. The club plans to host the show again, and the 1996 show was an encouraging first attempt for them.

Industrial Tech club members worked hard to put together a successful first-year car show of which they could be proud.

Eighty cars were visible in this bird's eye view picture of the car show, taken on the bleachers by club sponsor Mr. Al Hintzman.

Club President Scott Myers hands out one of fifteen trophies awarded during the show.

On display at the show were some of the Industrial Tech Club's own cars.

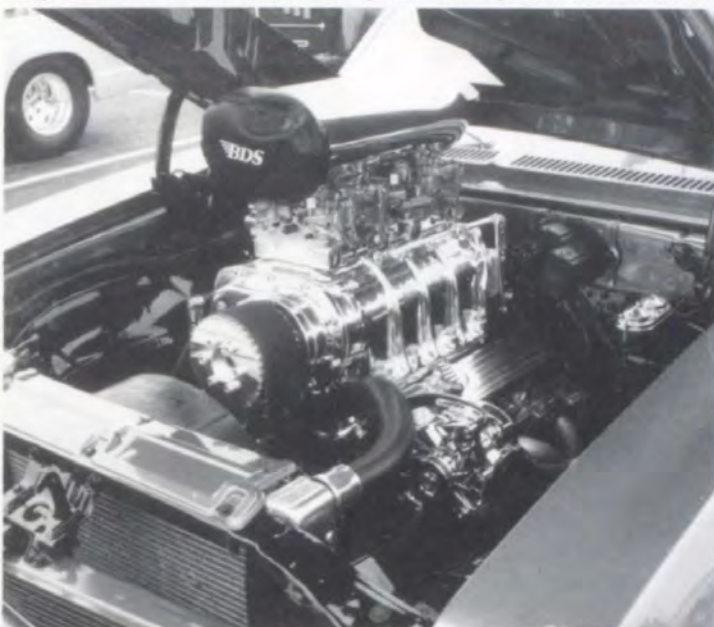

First Annual CP Car Show

This teal 1969 Nova took home Best of Show Chevy and Best of Show car for 1966 to present. The car is owned by Alan Sharp but was driven in by Sharp's wife.

Chris Benefiel set up this "Little Bigfoot" display for the show.

Spectators were allowed an up-close-and-personal look at the various entries in the show.

Fifteen trophies were awarded to the top cars in ten different classes, as well as the five best of show cars.

A large variety of vehicles were on display for all car enthusiasts to enjoy and inspect.

The club hopes next year's show will be just as successful as this first one proved to be.

Sharp Hardwood Queen 1996

The nineteen ninety six ceremony for the Hardwood Queen was held on Saturday, January 27th. The varsity and JV teams played against Frontier. During the JV game, the guys kept the action up, winning the game. Between the games the Queen candidates waited in anticipation for the crowning.

The Hardwood Court consisted of the following: Freshman Heather Driggs, escorted by Chris Ramsey; Sophomore Christy Emerson, escorted by Jamey Hickman; Junior Reanna Morris and escort Ryan Golden. Queen candidates and their escorts were: Carly Kinsler and Ryan Thomas, Holly Hickman and Jon Smith, Leslie Ramsey and Jon Haug, Crysta Calloway and Aaron Richardson, Stephanie Sharp and Dustin Howe. After the long wait, the 1995 Hardwood Queen, Crysta Fultz, crowned the new queen Stephanie Sharp.

The Varsity game was an intense battle, but the Gophers stepped up to the challenge and won the game. Ken Stillings hit five three pointers in the last three minutes of the fourth quarter.

Clinton Prairie's Class of 1996

Clinton Prairie's thirty-fifth graduating class entered the gym for commencement exercises at 7:00 P.M. on Saturday, May 25, marching to the CPband's rendition of "Pomp and Circumstance." Student Council President Cory Caplinger welcomed Dr. Kenneth Servis, who addressed the Class of '96, followed by Valedictorian Jon Haug and Salutatorian J.P. Eubank. The Prairie Singers and Concert Choir provided appropriate music with the songs "Remember Me This Way" and "You've Got a Friend," with solos by Stephanie Hipps, Crysta Calloway, and Aaron Richardson, senior members of the two groups. Principal Myron Chezem then presented the class to Superintendent Charles Fink, who accepted the Class of '96 for the presentation of diplomas by School Board President Deanna Allen. Rachel Kinsler Named Junior Miss

Rachel's pleasure and surprise show as she is named 1995-96 Clinton County Junior Miss.

Senior Rachel Kinsler made CPHS proud when she took home the 1995 Clinton County Junior Miss crown on September 16. Rachel was chosen from a group of twelve girls who took part in the contest, which was held at Frankfort High School. Along with winning the overall title, Rachel also took top honors in the physical fitness category. After the county contest, she then had five months to prepare for the state contest, which was also held at Frankfort. Though she didn't win state, Rachel still represented Clinton County well.

Rachel competes in the physical fitness category.

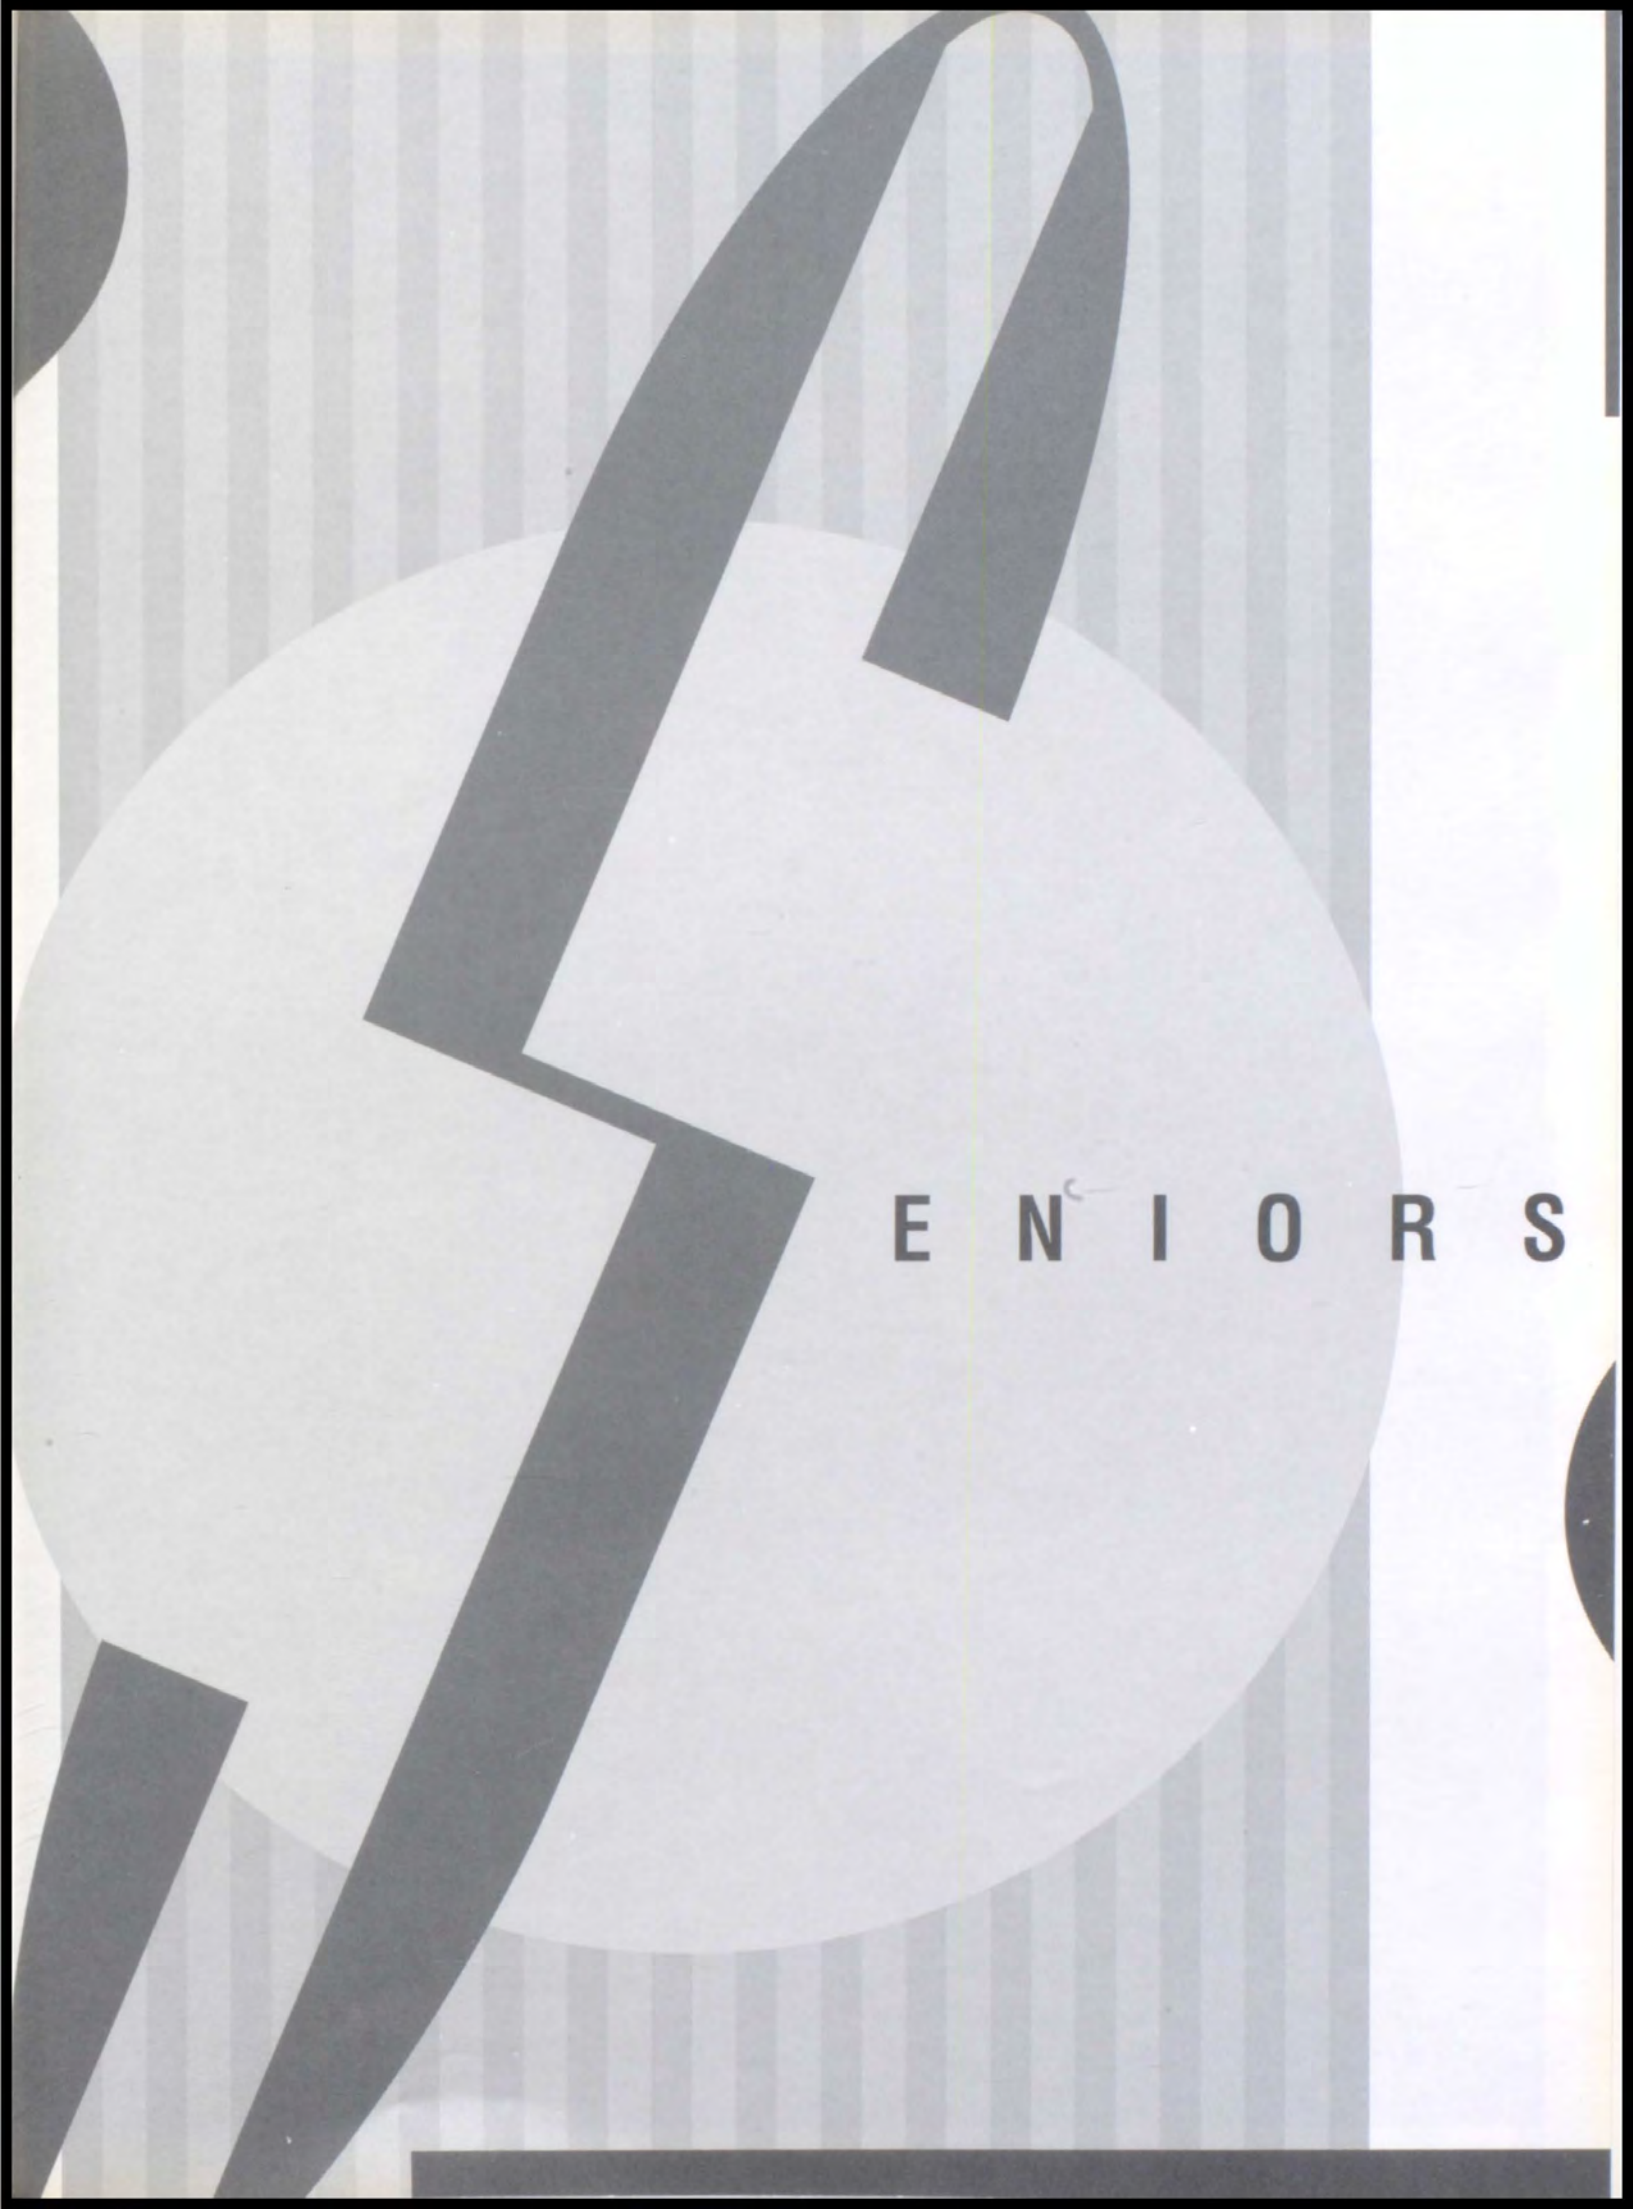

After taking an "illegal" ride before the contest, Rachel and some of her friends pose in front of their car.

Good luck, Rachel!

FOOTBALL

GOPHERS EXPERIENCE THE THRILL OF VICTORY!

Ryan Golden tries to untangle himself from defenders after the first touch down of the Tri-Central game; meanwhile the rest of team celebrates.

The 1995 football season was one of great improvement. With a record of 1-8, and a Hoosier Heartland conference record of 1-4 the team was given the incentive to work harder for future games. Coach Dan Hilgediek said that, "the team overcame some tremendous adversity and accepted the challenge against some of the finest teams in the state. The seniors were a great source of leadership and they will be greatly missed." Jon Haug and Ryan Golden made the All-Conference first team. Eric Davis made honorable mention. The All-County first team members were Jon Haug, Eric Davis, and Ryan Golden.

Members of the Varsity Football team were, front row from Left to Right; mgr. J. Larsh, Y. Kunugi, R. Golden, M. Niccum, R. Kinsler, M. Caddell, R. Mendoza, M. Davis, second row, L. Perez, J. A Terrific Season!

The Clinton Prairie Varsity Volleyball team had a good year in 1995, ending with a 23-13 record and a 6-0 conference record, which was slightly better than the previous year. During the season, two records were broken: Toni Smith broke the record on the most passes on serve reception in a match with 33; and Beth Friedrich broke the record of most assists in a match with 44. Both of these were broken in a match against Zionsville. Three of the team's most promising players were selected to Hoosier Heartland All-Conference Team: Junior Danielle Adams, Sophomore Beth Friedrich, and Freshman Kourtney Mennen. Coach Connie Garrett had this to say about the varsity girls, "The team worked hard together and were able to challenge many of the better teams in the state."

Senior Dawn Krueger bumps the ball while Senior Jamie Mills looks on.

At Clinton Prairie this year, there was an overwhelming number of freshman wanting to participate in Volleyball; therefore, a team was created for them. Members included, first row, left to right: N. Roberts, M. Chumley, A. Baker, J. Roberts; Middle Row: A. Hart; Back Row: S. Miller and E. Harden.

Boesch and Sharp

Varsity Cross Country

The Varsity Cross Country team had an outstanding year. Their record was 35-6. With the mixture of rookies and vets on the team, there were some pretty rough times. The team, however, pulled through all of those trials and tribulations. As Coach Smith put it, "This ended a very satisfying season for all."

The members of the Varsity Cross Country team included, front row, left to right: N. Smith, C. Boesch, M. Boesch, J. Wright, P. Ludlow, J. Clawson; back row- Coach Smith, J. Lock, J. Winger, T. Saul, R. Garrett, B. Sharp, D. Garrett.

Highlighting the season were the performances of Juniors Brooke Sharp and Chris Boesch. They were the first girl and boy to participate in the IHSAA Cross Country state meet. Boesch finished the state meet in 28th place while Sharp finished 53rd. Sharp also broke Deanna Greer's record for the 4,000 by running it in 15:02. Boesch broke Matt Roberts' record for the 5,000 by running it in 16:08 three times. Both Sharp and Boesch had good seasons and Coach Smith is looking forward to their return next year.

The Jr. High Cross country team had a very trying year with a record of 10-14 but show much promise for next year. Craig Adams, J.J. Boesch, and Kyle Joseph were the top three runners. Coach Kris Jones stated, "We had a mediocre season, but our top three runners were seventh graders and will return next year." Being inexperienced they did well in their conference with a record of two wins and three losses.

GOPHERS MAKE A RUN AT

The Varsity boys basketball team had a very exciting year. With a record of 11-12 and a Hoosier Heartland Conference record of 2-4 the guys raised the level of expectation at Clinton Prairie. "The Seniors (Cory Caplinger, K. Stillings, P. Padgett, E. Davis, and J. Hazlett) provided great leadership throughout the season," said Coach Kent Chezem. "Their leadership, talent, and attitude allowed us to make a serious run at the sectional championship."

Team has best season in years..

The freshman team may have been young but they proved themselves to be very strong. They had the best season that C.P. has seen in years. Winning the Clinton Prairie Freshman Tourney was a great achievement for them. They came in second in the North Montgomery Tourney. The top freshman free throw shooter award went to Travis Fultz who had an 85.2 percentage. Justin Haan had an average of 10 points per game, while Travis Fultz had 9.4 points per game. Congratulations to the team and Coach Foley.

Joseph also led in assists, while Josh Surber led in steals. Topping the list of leading rebounders were Chris Saul, Craig Adams, and Ryan Surber. Numbers could be deceiving for the varsity girls basketball team. Despite the losing record, the team was a winner in the hearts of the fans. Holly Hickman provided the only senior leadership for the underclassmen. While two of the outstanding members of the team, Junior Corey Alexander and Freshman Kourtney Mennen, were named to the Hoosier Heartland All-Conference team. Mennen broke many records this year: most points in a game (44); most points in a season (465); and most three-pointers in a game (40), and season (97). She was also in the top twenty in scoring in the state. Coach Garrett had this to say about the team:

"CP lost nine games by less than three points each, so our record could have quickly been reversed with just a little more experience and one more point here or there. This group of young ladies improved tremendously—a losing record in no way indicated the many successes of this season.

Not only did Ken Stillings and Reanna Morris play exceptionally well during regular season, they both went to the State finals to shoot three pointers. Ken shot at the RCA Dome to finish in the top five of the state while Reanna won at Semi-state to shoot her threes at Market Square Arena. Ken had to come home early from his spring vacaion in Florida to be in the contest.. While he was shooting he said to himself, "Now, this is worth coming home for." He also said that the distance was harder to judge because the depth was deceiving. Reanna said the difference between shooting at state and at Clinton Praire was , "There were a lot more people watching you at state, and when I was shooting it was different to be able to see people sitting right in front of me."

Reanna takes a regular season shot helping her team against Carroll.

Junior High Girls Teams Score Big

Both teams capture tourney championships

Clinton Prairie's eighth grade basketball team ended the 1996 season with an excellent record of sixteen wins and only two losses. Coached by Mr. Richard Grimes, the team members were the Eastern Junior High Tourney champions. Coach Grimes praised the girls by saying, "This was a team that I had the pleasure to be around for three years. They were a group of girls who earned my respect for their desire to improve and their willingness to work hard."

Members of the eighth grade girls basketball team included the following, front row, from left to right: H. Anthrop, J. Goodnight, H. Vick, A. Ramsey, K. Roberts, E. Clossin, M. Anderson; Row 2, T. Snyder, S. Jacoby, H. Allen, K. Highley, L. Landes, Coach Grimes.

Coached by Mr. Don Jacoby, the seventh grade girls played an expanded and tougher schedule during the 1996 basketball season. Despite the schedule change, the girls still managed to put together an overall winning record of 12-7, in addition to an outstanding 5-0 conference record. Coach Jacoby commented, "The 12-7 record is good, but it looks better when you consider that we played nine games with at least one player sick or injured." The team, by the way, had only ten players. Jacoby continued, "We lost two games in a tourney at Eastern, against two good teams, but I think it prepared and motivated the team to attack the County Tourney, which they won handily."

Members of the seventh grade girls basketball team included the following, front row, from left to right: J. Bowen, C. Cahoon, K. Seigfried, A. Crane, A. Mennen; Row 2, M. Bartley, B. Haughs, Coach Jacoby, W. Royer, S. Ryan.

Young Wrestling Team Takes Down Opponents in a Winning Season

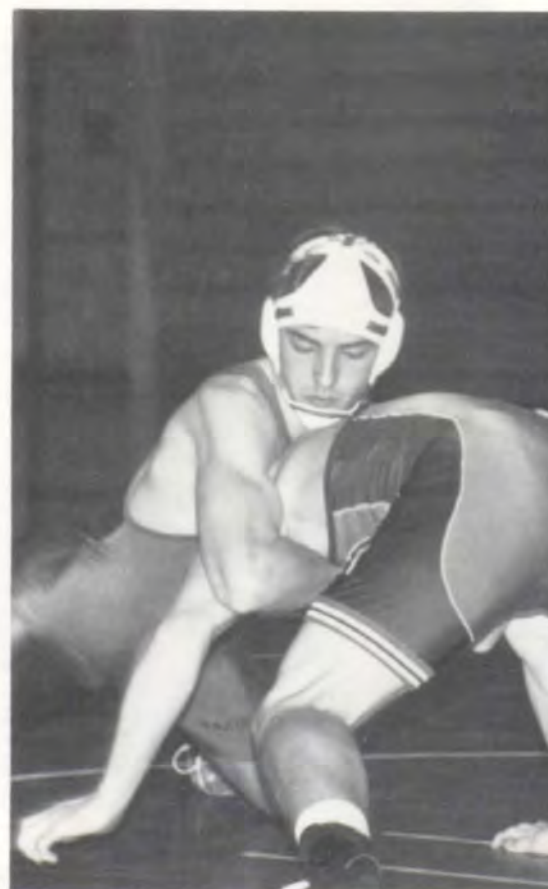

It was a great year for Prairie wrestlers. During the 95-96 school year the Gophers were 26-17 overall, and placed fourth in conference. This year there was a school record set by sending four wrestlers to semi-state. There were some outstanding wrestlers, including Jon Haug, Chris Boesch, Mike Boesch, and Chad Finnerty. Jon, Mike, and Chris all won thirty matches or more and were all conference champions. Mike, Chris, and Chad were all sectional champions. All four wrestlers were runners-up at regionals. Here are some comments on the wrestling team from Coach Marty Rohrman. "We had a very young team this year, and we did well. We had two team tournament wins, and one runner-up. This year we won 60% of our matches which is really good for such a young team."

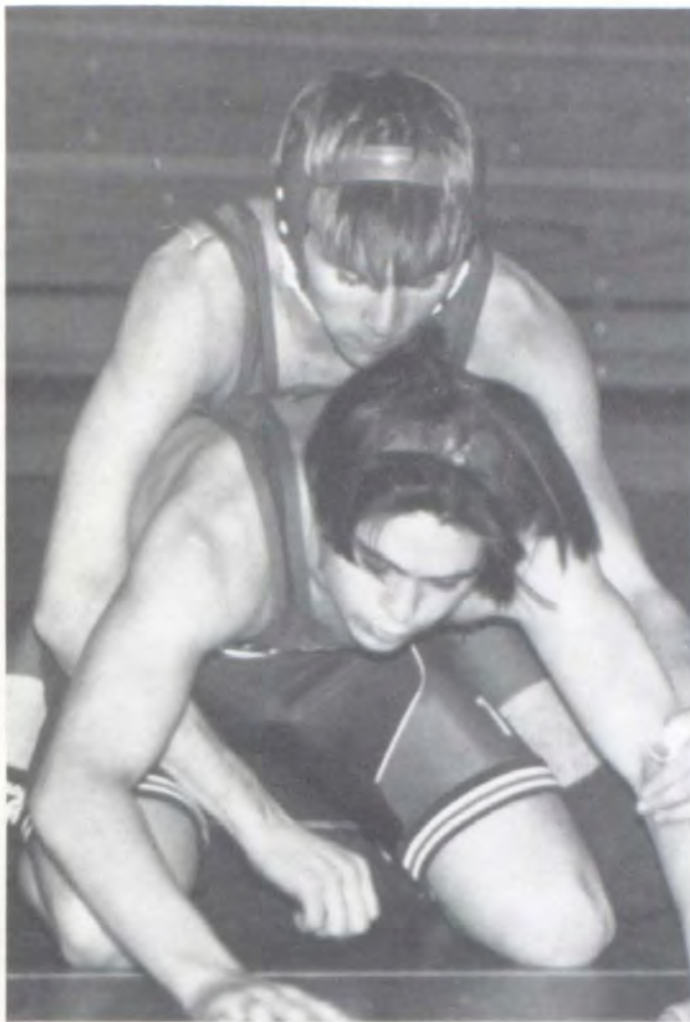

Members of the wrestling team this year included 1st row; C. Boesch, M. Williams, M. Boesch, M. Wall, M. Caddell, J. Wright, D. Garrett; Row 2 Coach Albaugh, T. Harris, S. Fox, C. Whitlock, J. Haug, Y. Kunugi, C. Finnerty, J. Nail, Coach Rohrman, and Coach Campbell.

During the 1995-96 school year, the Junior-High wrestling team had a .500 year. The team finished the season with a 5-5 record, and placed third in the conference. The team had two conference champs, John Clawson, and Shawn Cloud. The team captains were Matt Pearson, J.J. Boesch, and Dustin Lee. Coach Jason Albaugh commented, "The team was really young. Next year we'll be a lot tougher due to the younger kids gaining a year of experience."

CP Varsity Golf Team Struggles

The 1996 season was a difficult one for Clinton Prairie's varsity golf team, which ended its year without a win. The team, which was coached by Mr. Al Hintzman, did have a couple of bright spots in its season, however. Senior Josh Watts shot a round of 39 versus Western Boon for the lowest score on nine holes; in addition, Senior Jeff Hazlett chalked up the lowest 18-hole total on the team at the Conference Tournament with a 97.

Members of the golf team included the following, front row, left to right: J. Watts, M. McGraw, Tedder, A. Emery; back row, Coach Hintzman, D. Howe, J. Hazlett, J. Parthun, T. Harden.

The Wonderful

Contrary to what many believe, science isn't just dull facts. In fact, all age groups need to understand science. This year's physics class had a wonderful opportunity to expand young minds. The third grade classes came down over two days and learned about important physics concepts. Everybody had a good time.

The Chem I students gain hands on experience while learning how to work in a lab. The AP Chem class is a class where they have the opportunity to receive a college credit. The Biology classes learn about anatomy by dissecting animals. These are only a few examples of what students might expect in future classes.

SPEECH CLASS IS....

For the second year in a row the speech class conducted the daily announcements on the air. The students took turns weekly doing a job. The jobs included the following: anchor, camera man/woman, switcher, sound, and director. Each job was very crucial to getting the announcements done. When the announcements had been completed and checked over, they were played over TV monitors in each class room. Video announcements are just another example of change in today's much more technologically-advanced society.

CP's Home Economics Students

Students of Clinton Prairie's Home Economics Department experienced a wide range of activities throughout the school year. From cooking to sewing to learning how to cut up meat (and lots of other activities in between), the students witnessed and took part in interesting and informative demonstrations and projects, many of which may benefit them both now and later in life. In today's world, few would doubt the importance of learning the skills taught in the home economics classes, skills which are important for both boys and girls.

Jeff or Steph?

This year's second semester Government classes held a mock Presidential election. Stephanie Sharp and Jeff Hazlett were candidates representing each class. Students participated all week by wearing campaign propaganda to support the candidates. The classes made commercials, announcements, and held rallies, while

the candidates had debates. Students in grade nine through twelve voted at the end of the week. With a total of 186 votes the winner was... a tie! Both candidates had 93 votes. This was the first tie to ever occur in CP's history. Both classes had a fun, learning experience.

Pride of Prairie

They go farther in 1995 than they have

The 1995 marching season had a rough start, but ended up amazing everyone, even the band members themselves. They began their challenge in July at Band Camp. This was a week of hard work. They had to arrive at school at 7:45 a.m. and be ready to practice at 8:00. They would begin with stretches and sunscreen! They would then move onto marching technique, which is a large part of what they are judged on in contest. The biggest part of the week was learning the positions on the field, but the students didn't begin on the field - they started on the parking lot. It gets really hot on the blacktop when it's ninety degrees outside!

Once the band conquered band camp, they were ready to begin their season of competitions. The first event was the Mulberry Homecoming Parade, the first time they appeared as a "band." After that they had practices every Monday and Wednesday from 6-8p.m. At every home football game, they performed their show. A great show it was, too!

The show theme was "Serengeti & Ancient Voices." It had a lot of added extras, such as the recorders. These were such things that made the show so impressive. All the hard work, determination, and enjoyment was what led the Pride of Prairie Marching Band to get a division rating 1 at District and then go on to Regionals. This was the first time in years that the Prairie Marching Band had gone to Regionals. Congratulations to the 1995-1996 band for such a great year. The school was very proud of your accomplishments!

Student aides save staff

Student aides play a pretty big role in helping staff members do everyday things. Take for instance the office aides. They collect the attendance, answer the phone, and do various other jobs for Mrs. Stillings. The library aides help Mrs. Travis by doing such things as checking books in and out, as well as shelving and carding the books. The high school and elementary aides help teachers with tasks such as grading, making copies, putting grades into the computer, and occasionally even doing some teaching of younger students. The most impressive thing about student aides is that it is all done on a volunteer bases.

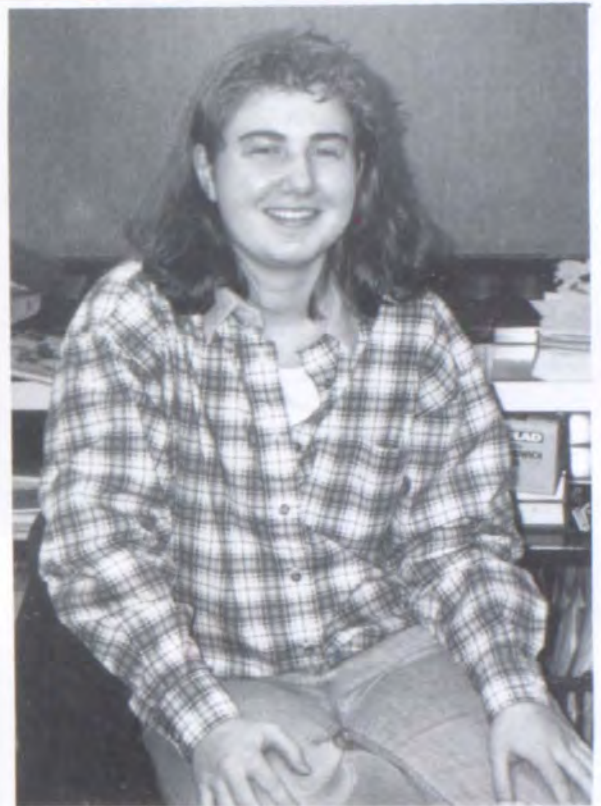

Library Aides for the year included the following, from left to right: A. Stout and S. Mills.

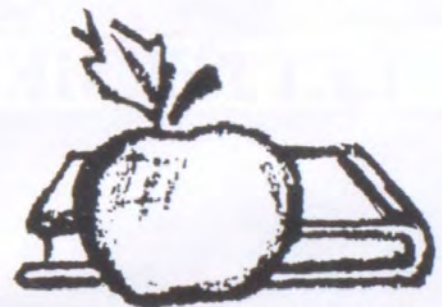

Office Aides included the following, left to right: Row 1; M. Bandy, B. Elliott, A. Beaver: Row 2; A. Taylor, M. Bartley, A. Stout, M. Farris: Row 3; S. Fox, P. White, M. Mayes, M. Herrick.

*Most students have no idea what goes into the work of the Yearbook Staff
Here's a look at Clinton Prairie's*

Designing women

When most students receive their yearbooks each fall, they probably give little thought to how the book was put together, and by whom. Often, it is believed that a company does most of the major work on the book, while CP students just pick out the pictures to include. Actually, the students on the Yearbook Staff are responsible for every aspect of the yearbook except for the printing of the book. Staffers go out in the fall to sell advertising space in the book so that the price for CP students is more reasonable. (If the Staff did not sell the normal \$4,000 in ads, the yearbook would probably cost the students at least \$40 each!) In addition, the Staff members are responsible for writing all the copy and captions in the book, as well as designing the layout of the pages in the yearbook - all 160 of them! Considering the fact that the students on the staff don't receive a credit for Yearbook class, that's quite a lot of work.

Second-year staff member Michelle Bandy, a junior, acted as Editor-in Chief of CP's 1996 yearbook.

Working on ad pages is part of the job for Dustin Howe and Rick Ruiz.

Senior staffers Stephanie Sharp and Amy Coapstick plan a double-page layout.

SENIORS ALWAYS HAVE

Tracie,

I want you to know I'm glad we've become good friends. Thanks for everything! Best friends forever, Big Kiwi Kitty.

Strawberry Kitty
(Stacey Winger)

Mrs. Rogers,

Thanks for everything too! I'll miss ya and all the gossip we share.

Stacey Winger

Stephanie Hipps,

We have been through a lot together. We shared laughter and tears and leaned on one another in our weak times. You have always been there for me and helped me through the tough times. Thanks.

Victoria

Prairiettes,

We've had a great year. I know we didn't always get along but we had fun. I hope you have another great year. I will miss you all.

Victoria Willhelm

Jamie and Beth,

Thanks a lot for everything you guys have done for me! I appreciate all the pep talks, good laughs and fun times we've had. I'll never forget you guys---I PROMISE!!!!

Love Always,
Dawn Krueger

Dear Steph,

You have been the greatest friend in the world. I don't think I could ever make it up to you. The ego boosts and the pep talks you always gave me really cheered me up, and I don't know what I'm ever going to do without you by my side in the years to come. We have always been two people with the same thoughts, feelings, and dreams. Now we have to accomplish those dreams on our own. I love you, Steph, and I wish you the best of luck in whatever comes your way. Even though we will be miles apart, our friendship will never fade.

Love and Best Friends,
Leslie Ramsey

I would like to thank and say goodbye to the sports fans at Clinton Prairie. You sure made my job fun! I will miss you all!

The Voice of CPHS
(Jon Smith)

THE LAST WORD.....

To my best friend, Stacey Winger,

I want you to know you have been the best friend in the world. We've had our good times and we've had our bad times, but the good times will always out weigh bad times. Don't ever forget about me and my frogs!

Always With Love,
Tracie Ward

Michelle's Last Words (for now)

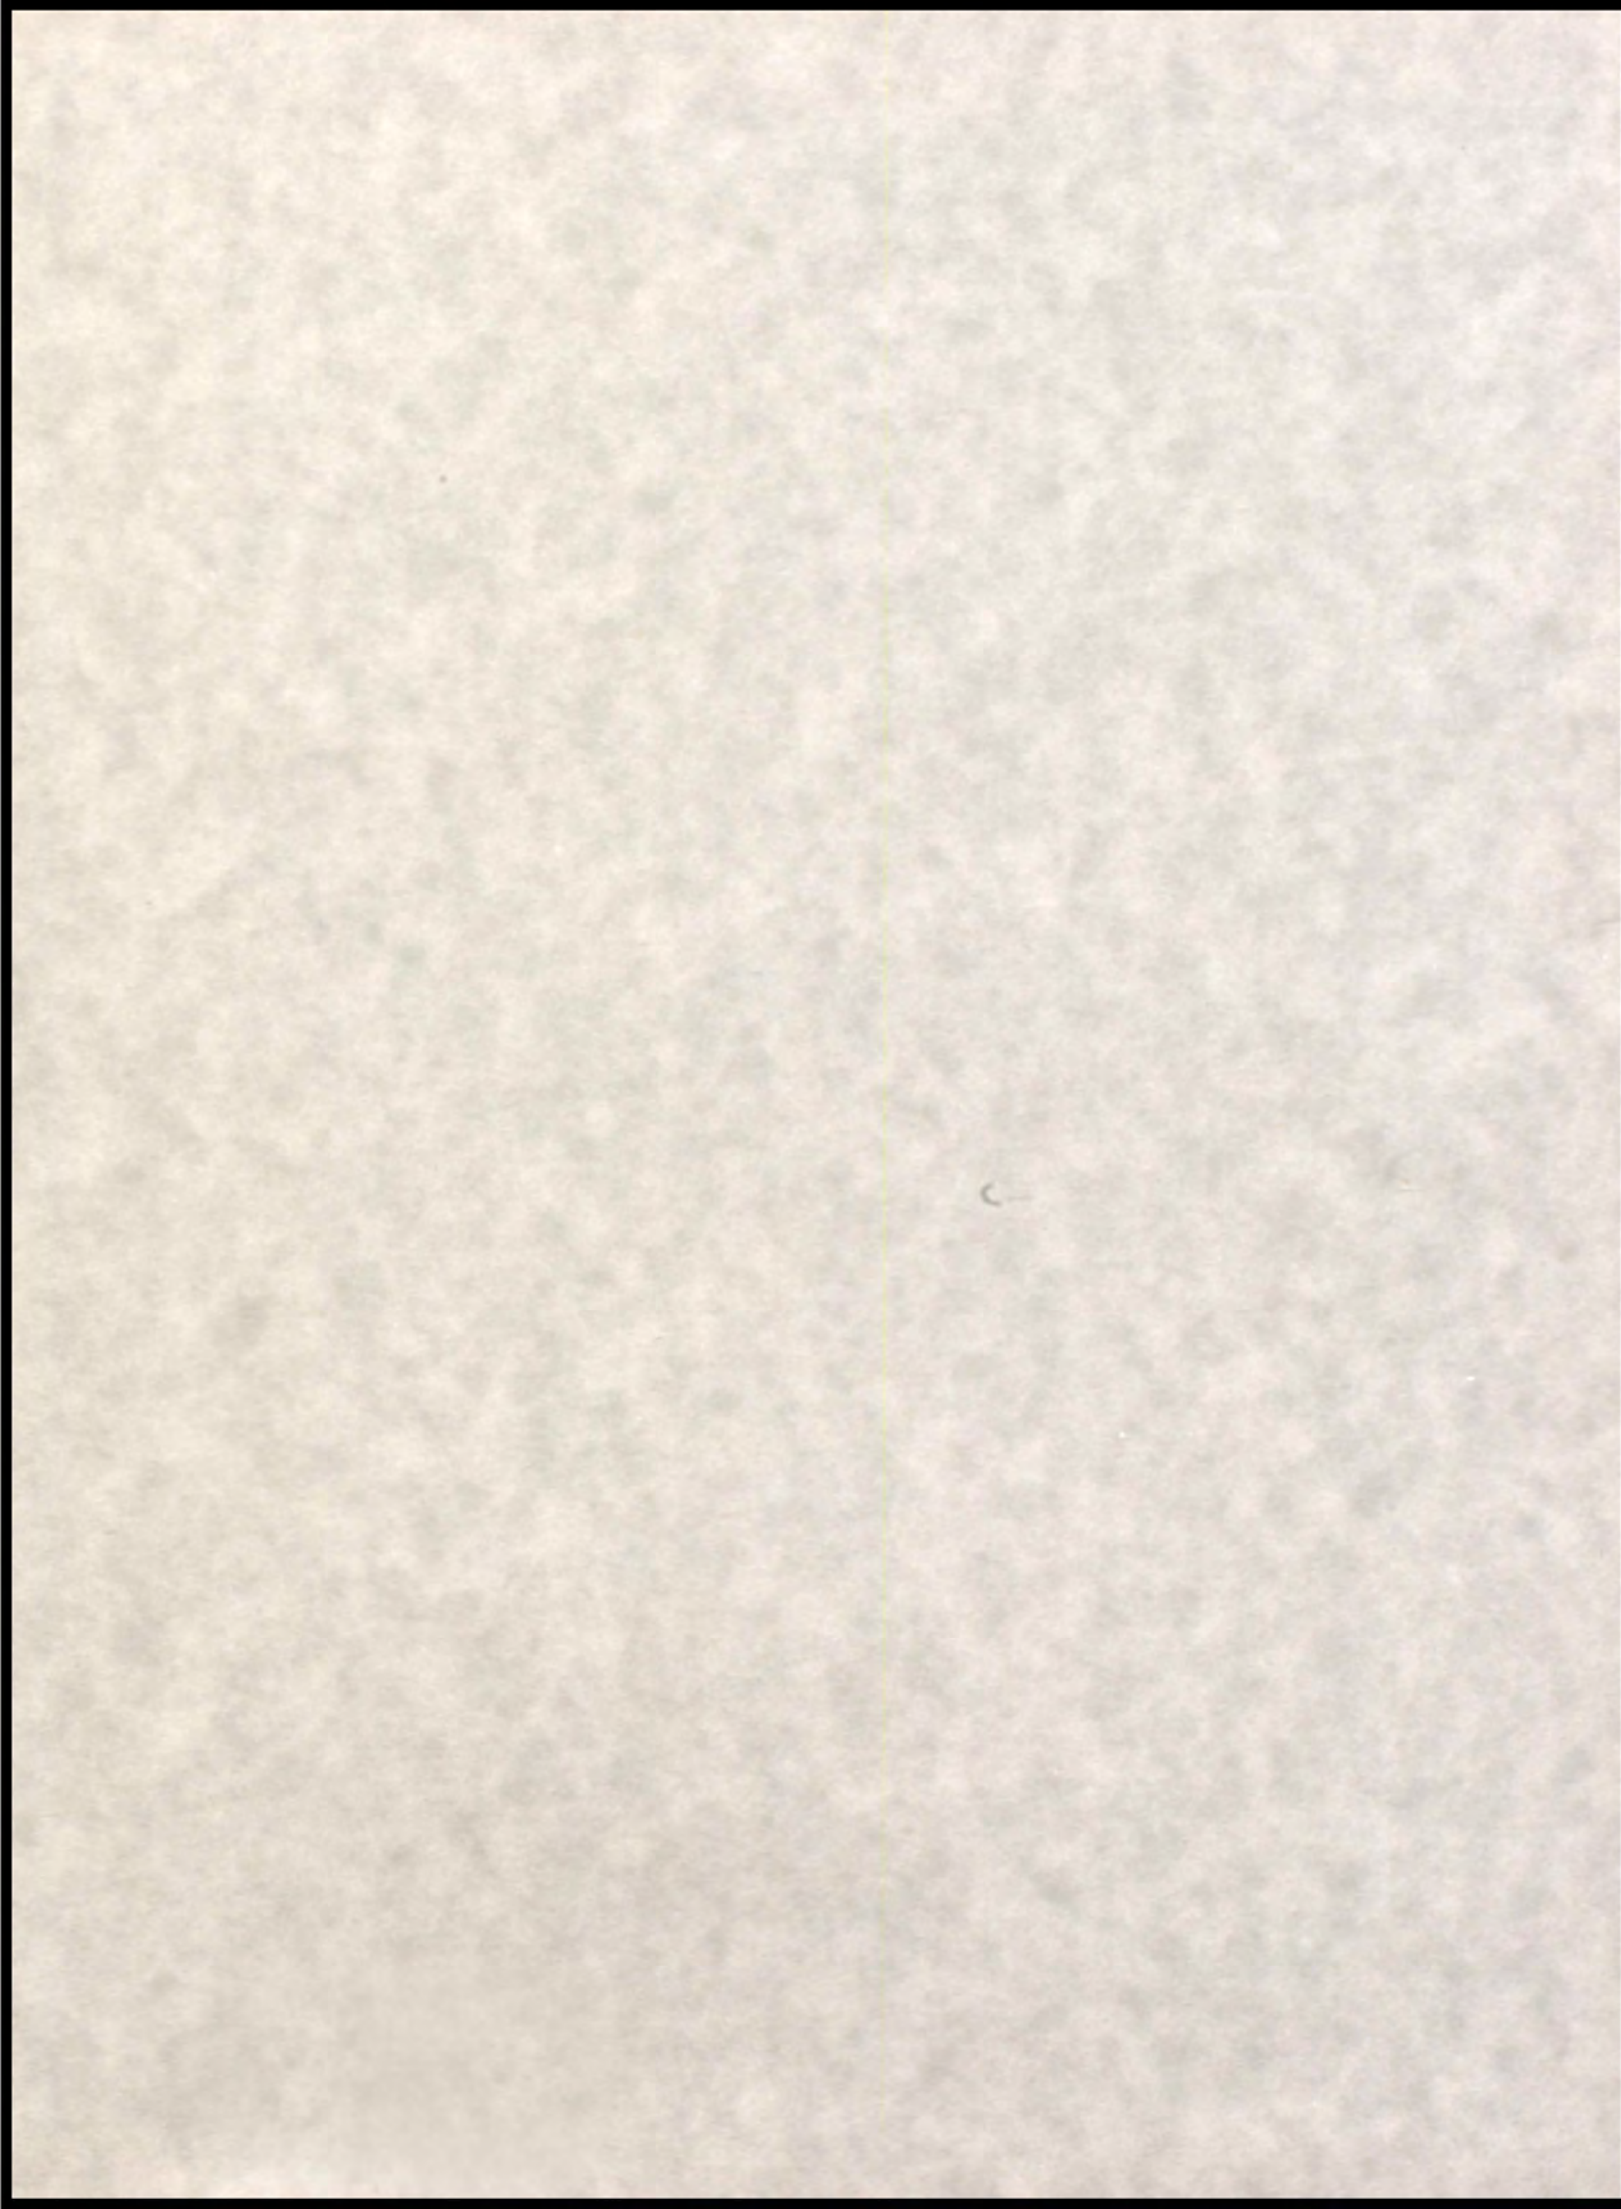

Okay, so this crazy year is almost over and I've got to write the last page to end this yearbook! After weeks of arguing over the cover color, I hope you all like it; if not, too bad! It wasn't easy having ten of us on the staff -- we had a lot of differences, but I think this year's *Emerald* is outstanding and you'll agree.

Now for the usual thank yous. Mrs. Sabens, without your guidance this year I would have been lost. You are great. Stephanie R., Kelly, and Erin, thanks for being so dedicated!!! You three were a great help. Vanessa, thanks for doing that darned Club Island Tan ad. Stephanie S. and Amy, even though you two came in at semester you caught on quickly and did a really nice job. Rick and Dustin, I hope you two had your fill of Doritos and Fritos this semester, and thanks for keeping us entertained! Well, Katie, what can I say except, Katie, Katie, Katie, Katie goes to Prairie!

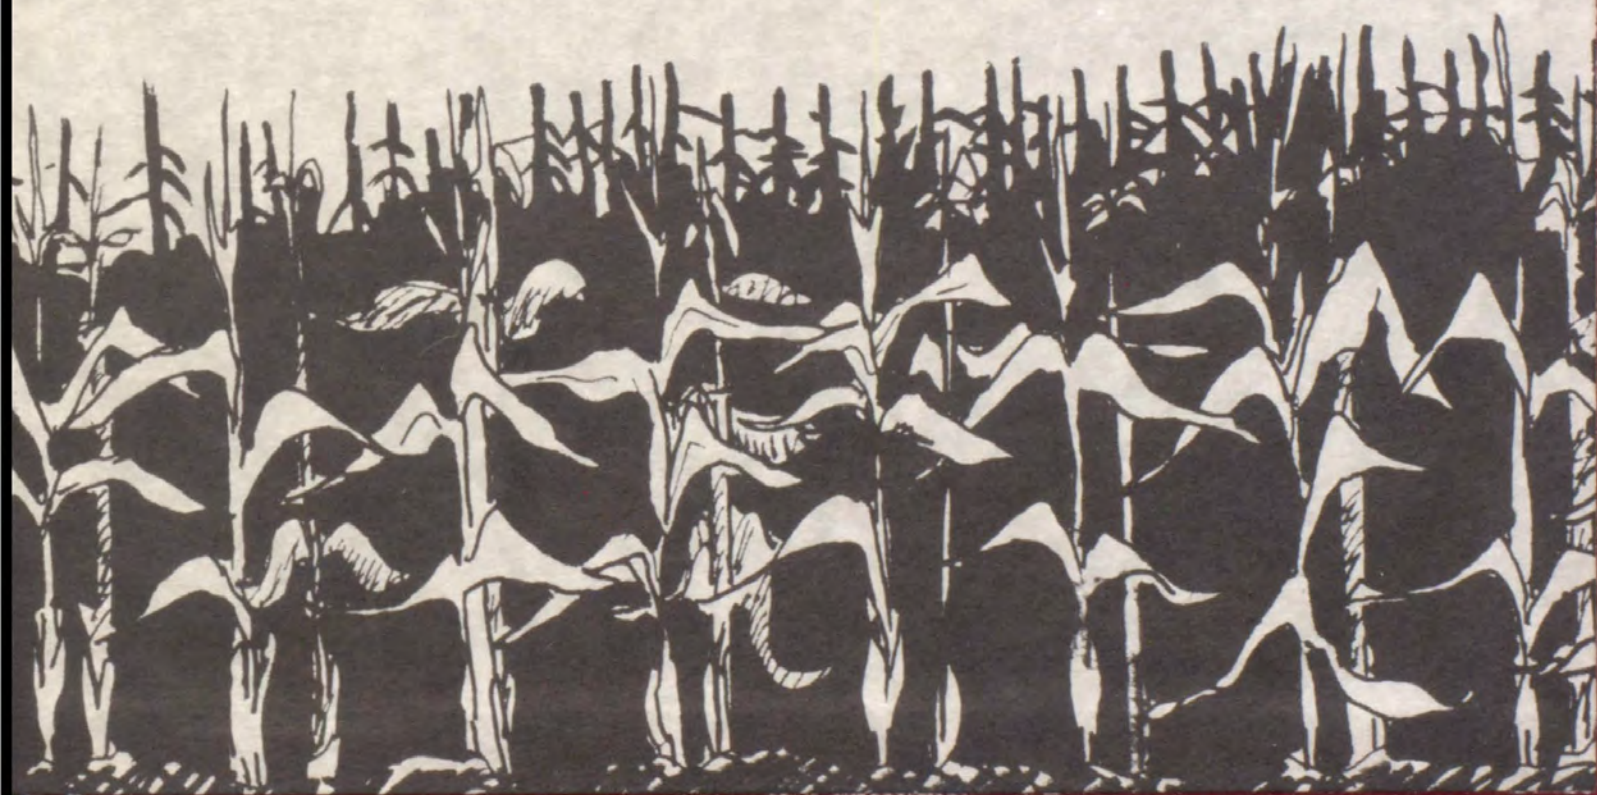

Well ,guys it's been better than ezra, and I'll see you next year!

Michelle B.
