CP Students Seize the Day...

"Live life to the fullest." "Every moment counts." "Live every day like it's your last." Carpe Diem, or "Seize the Day," is this year's theme. High school is thought of as a time of new freedom, friends, after school jobs, band practices, Revue rehearsals, Friday night games, and formal dances. Memories from high school will stay with you for the rest of your life, so make the most of your years here. Seize the Day!

Homecoming

When you think of high school traditions, the homecoming football game comes to mind. This year's Homecoming was on September 12, a warm Friday evening. Many students participated in the pregame tailgating festivities. The Gopher football team took to the field promptly at 7:30 and by halftime was ahead.

The Homecoming Court cruised around the track in Corvettes from The Corvette Club of Lafayette. The freshman representative was Jaimie Jarrell, escorted by Joseph Hoffman. Sophomore Kayse Lenehan was escorted by Nick Bandy. Junior Britney Spears was escorted by Ryan Newhart. Senior queen candidates were Heather Burton, escorted by Jordan Brewer; Jenna Clossin, escorted by Craig Bowen; Katrin Hoffman, escorted by Robert Royer; Katie Kemmerer, escorted by Jordan Key; and Jaime Leming, escorted by Drake Ludlow.

The court, parents, and fans waited patiently until Nick Butcher announced the winner..

Winter Dance 2003

On December 13th students had to fight icy roads and cold winds to make an appearance at the 2003 Christmas Dance. The dance was sponsored by the student council, and was held in the cafeteria from 8-11. The student council made the night fun and enjoyable for everyone.

This year's theme was "Christmas in the Park." Blue, white, and silver decorations filled the cafeteria to make it an outdoor winterland. Another moment of the night was the crowning of Kyle Wurtzburger and Katrin Hoffman as King and Queen.

PROM 2004

"From this moment" was the Prom theme this year.

From that moment on there will always be something to remember about prom night. The night was filled with a whole lot of dancing and a ton of music. The prom was held at the downtown Lafayette Holiday Inn Select. The ballroom was decorated with the colors Silver, Black, and White.

The Prom held a Royal court that included sixteen boys and girls from the Senior and Junior classes. The Prom Queen and King crowned were Gulnar Hajiyeva and Ben Knapp. The Prom Prince and Princess were crowned Nick Butcher and Janette Burgin.

The theme for Post-Prom was "Cheeseburger in Prairiedise." The guests had many activities to choose from, sumo-wrestling, a mechanical bull, putt-putting, and an obstacle course. For refreshments, there was a chocolate fountain, shaved ice, and other snacks. The night was busy and fun for all who attended.

Foreign Exchange Students

This year three exchange students came to Clinton Prairie to experience a new high school atmosphere. The student body of Prairie got to know Carol from Hong Kong, Tobias from Germany, and Gulnar from Azerbaijan. All of them were seniors this year, and graduated with the class of 2004. During the year they all had a lot of fun participating in many activities at the school, such as going to games, Revue, and trying sports for the first time. Each of them enjoyed their time at Prairie and will always be remembered.

Gulnar takes time out from getting ready for the play to say cheese for the camera.

Eleventh Grade **"What was the worst date you've ever gone on?"**

"On my 15th birthday, my friend and I went to a movie. When we got there, he told me his ex-girlfriend was coming, too; when she came, my friend told me that she was bringing her friend, who is known to everyone as 'The Stalker.' So I spent the whole night scared of my date, mostly because she is bigger than me."

Reston Rawlings - 11

"I took a girl to a football game on a cool fall night. The first thing that went wrong was I had forgotten my ticket. I went home, got back at halftime, and on my way in I stopped to talk to some girlfriends from CC. When my date witnessed this innocent talking, she grew horns and left."

Jesse Cacy-11

"My worst date was when a guy friend and I went to a dance. It was going to be in the outdoor lab of my old school, which had a beautiful pond. As my date walked in with some drinks, someone shouted his name. He turned around so fast that his elbow brushed against me and I tripped and fell in the pond. Luckily, the water only went up to my knees."

CLINTON PRAIRIE CHEERLEADING

The 2003-2004 Varsity cheerleading season was an exciting, memorable, and successful one. It was not only for the five incoming freshman, but also for the experienced members of the squad. After a summer of hard work, and a first place win at the Clinton County Fair Cheerleading Competition the girls were anxious to begin their Fall season. The squad also participated in the cheer camp at St. Mary's Notre Dame in June. All of the varsity squad was nominated for the All-American Squad, and one member of the squad, Emily Kaniewski, was picked as the top All American.

The Junior Varsity squad also enjoyed attending St. Mary's Notre Dame summer cheerleading camp where they received the "Most Improved" award along with their spirit stick. After the JV squad had made it through cheer camp they were ready for a successful Fall Season.

CP HS Varsity Baseball

Prairie's varsity baseball team fielded a very young and inexperienced team for the 2004 season, and the team played an extremely tough schedule, as well. Consequently, the team's record ended at only 3 wins and 24 losses. The players did make considerable progress throughout the course of the season, however. According to Coach Dan Hilgediek, "Although we faced a lot of adversity, the players never gave up and have helped lay a solid foundation for future teams."

Outstanding individuals cited by Coach Hilgediek included Jordan Key, who was named the team's Most Outstanding Player; Tobias Bertram, the team's Most Improved Player; Seve South, who won the Sportsmanship award, and Matt Lucas, who was named Rookie of the Year and also won the Pitching Award. The season was a successful one for the junior high wrestlers, and seemed to be an excellent building year for the team. According to Coach Richards, "I looked at the year's end results on takedowns, and I liked what I saw, which gives me a good idea of how the wrestlers will attack next year. I'm also excited about having eight incoming freshmen for the lower and middle weights of the high school team next year. The season should prove to be exciting."

The Junior High Cheerleaders attended camp at St. Mary's. The team received a bid to National Competition. They were the first J.H. team to do so. The squad competed at three levels of competition. Some of the most outstanding participants on the squads included seventh graders Jaqueline Ellison, Sheanna Kelley, Kayla Scott, and Christina Bailey; and eighth graders Emily Gray and Kayla Bennett.

"Often times people want to think of cheerleading as the easy sport. I am quite certain if you ask the team they will disagree with you. Their season begins in March and ends the following March. They must learn their competition routine which is performed starting in June. While working on their routine they must begin preparing for the fall season. The girls are required to work out daily to increase strength while learning to tumble and jump."

Mr. Lee Moyer
Mrs. Linda Marshall
Mr. James Compton

Mr. Lee Moyer has been at Clinton Prairie since 1973, over 31 years. He came to Prairie looking to be put on the sub list and found out a teacher was needed. The job started out teaching the phase elective classes, then changed to the traditional classes, and Mr. Moyer taught speech, drama, driver's education, and tenth grade English.

After high school, Mr. Moyer went to Purdue and earned a Bachelor's Degree. He earned his Master's Degree at Butler, and an Education Specialist's Degree at Purdue.

Mr. Moyer has been married to JoAnn, a teacher at Clinton Central, since 1972. They have a son, Neil Moyer, who graduated from Prairie in 1995. In his free time, Mr. Moyer likes to work on model railroads and work at his Hobby Shop in Kokomo.

With his last year coming to an end, Mr. Moyer is also hoping to continue teaching at IUK, which he has been doing for 18 years.

Mr. Moyer enjoyed working with the school play for ten years. He really liked seeing the other sides of kids. For wanting to just work as a sub here and there, Mr. Moyer picked up a job instead and has been doing it for 31 years.

Mrs. Linda Marshall began teaching in the late 1960's. She stayed home with her children until they were in school, and then returned to Clinton Prairie in January of 1977. She has taught English in grades 7 through 12, except grade 10. She co-directed the school play with Mr. Moyer and helped coach the speech team from 1983-1988. She has a Bachelor's Degree in English and Spanish Education from Ball State and a Master's Degree in English from Purdue.

She has been married to Gene Marshall, a 1962 graduate of Clinton Prairie, for almost 28 years. They have two children, David and Laura, both Clinton Prairie graduates, and three granddaughters, ages 6, 4, and 1.

In her spare time Mrs. Marshall enjoys knitting, traveling, reading, sewing, surfing the Internet, listening to music, playing the piano, and being with her family, and is looking forward to spending more time with these activities after retiring. Mrs. Marshall has especially enjoyed working with the staff at Clinton Prairie and will have many great memories of teachers and students from the past 28 years.

She plans to learn to use her knitting machine, do volunteer work for her church and community, and have more time to be a grandma.

Mr. James Compton has taught for 36 years. He came to C.P. in 1968 at the age of 21. He has taught his entire career at Prairie. His Bachelor's and Master's Degrees were earned at Indiana State, with a little work on his Master's Degree at Indiana University. He started off teaching Latin I and II, along with ninth grade English. He later moved up to teach eleventh grade English, American Literature. In the 1970's he taught phase elective classes, which were Mythology, American Literature, Grammar, Advanced Composition, and Senior English. He taught those for several years; then he returned to the traditional classes and taught eleventh English again, and Latin. He once taught an advanced Latin class for ten years.

Mr. Compton has been married for 28 years to his wife Sharon, an English teacher at Harrison. They have one son Gregory Compton, an I.U. graduate. He enjoys spending his time doing photography, furniture refinishing, landscaping, reading, and recently he has been quite interested in computer video work. He plans on pursuing video work with his son after retirement. Also he is going to continue making family video albums and possibly get involved with some community work and politics. However, Mr. Compton wishes to stay away from red pens.

Memorable moments had to be the first twenty years of his job at Prairie. Mr. Compton enjoyed his extracurricular work with the school. Back in the 1980's he helped design and create the auditorium still being used. He created and produced the Revue, which is still a big hit with the school today. In 1986 Mr. Compton resigned as director of the Revue, which has gone through several directors since then. Just about everybody will admit that his shows in the Revue were superb and have never been matched.

Overall, Mr. Compton has mixed emotions about leaving Prairie. Teaching is what he has done all these years, and next year will be a big change for him. However, the true nature of Mr. Compton is pulling at him to get out and do some different things.

Ag Teacher Bill Fox Retires

After 19 years as the agriculture teacher at Clinton Prairie, Mr. Bill Fox made the decision to retire. Mr. Fox stated that he had really enjoyed working with the students at CPHS, and he looks forward to following up on the students to see that they have reached their highest potentials. He also enjoyed watching the various families go through his ag programs. Upon retiring, Mr. Fox plans to spend more time with his wife, Lou, and with his grandchildren. In addition, he hopes to spend more time gardening and traveling. Our best wishes and thanks go to Mr. Fox.

Mr. Fox climbs aboard a tractor in the ag area at CPHS.

Kat's Final Words

At the beginning of the school year, we definitely had our work cut out for us. Not only did we have the 2003-2004 book to produce, we had to finish last year's book as well. Despite this delay and what at times seemed to be a fierce Battle of the Sexes, I believe we've done a good job with this book-- I hope everyone enjoys it. Even though we disagreed about many things (the cover, fonts, the theme..."Yea 'Bout That"..) we also created great "Yearbook Memories"...the boys leading us on a wild goose chase in town, lots of birthday cakes, rationing the candy supply, the endless boys vs. girls fights (remember when Mrs. Sabens was absent and we had to hide under the table because Brock and Ry tried to spray us with furniture cleaner?!), changing all the icons on the computers to say crazy things, laughing about the hairstyles and clothes in old yearbooks, and keeping some kind of countdown on the board at all times (Christmas dance, Spring Break, Prom, Senior Days).

Linda- My page partner...we are quite possibly the slowest duo in Clinton Prairie *Emerald* history, but we had a darn good time. Even though you never "get" Brock or Ryan's jokes, we love ya! haha..

Ryan- You can always make us laugh, especially when you start using your "old man" vocabulary and phrases.

Jen- Our official Marker Board Artwork and Countdown girl!! I'll miss ya next year, I'm glad we were on the staff together.

Ang- Hey Tall Girl! We had so much fun this year...it was always an adventure (muahaha).

Brock- AD BOY...although it was a huge pain, you did a great job on all those ad pages. Thanks for doing the "yearbook dirty work."

Bets- Your cheerful and outgoing personality made for a great yearbook staffer. And I'm sure, deep down, Ryan loved your singing during class (haha).

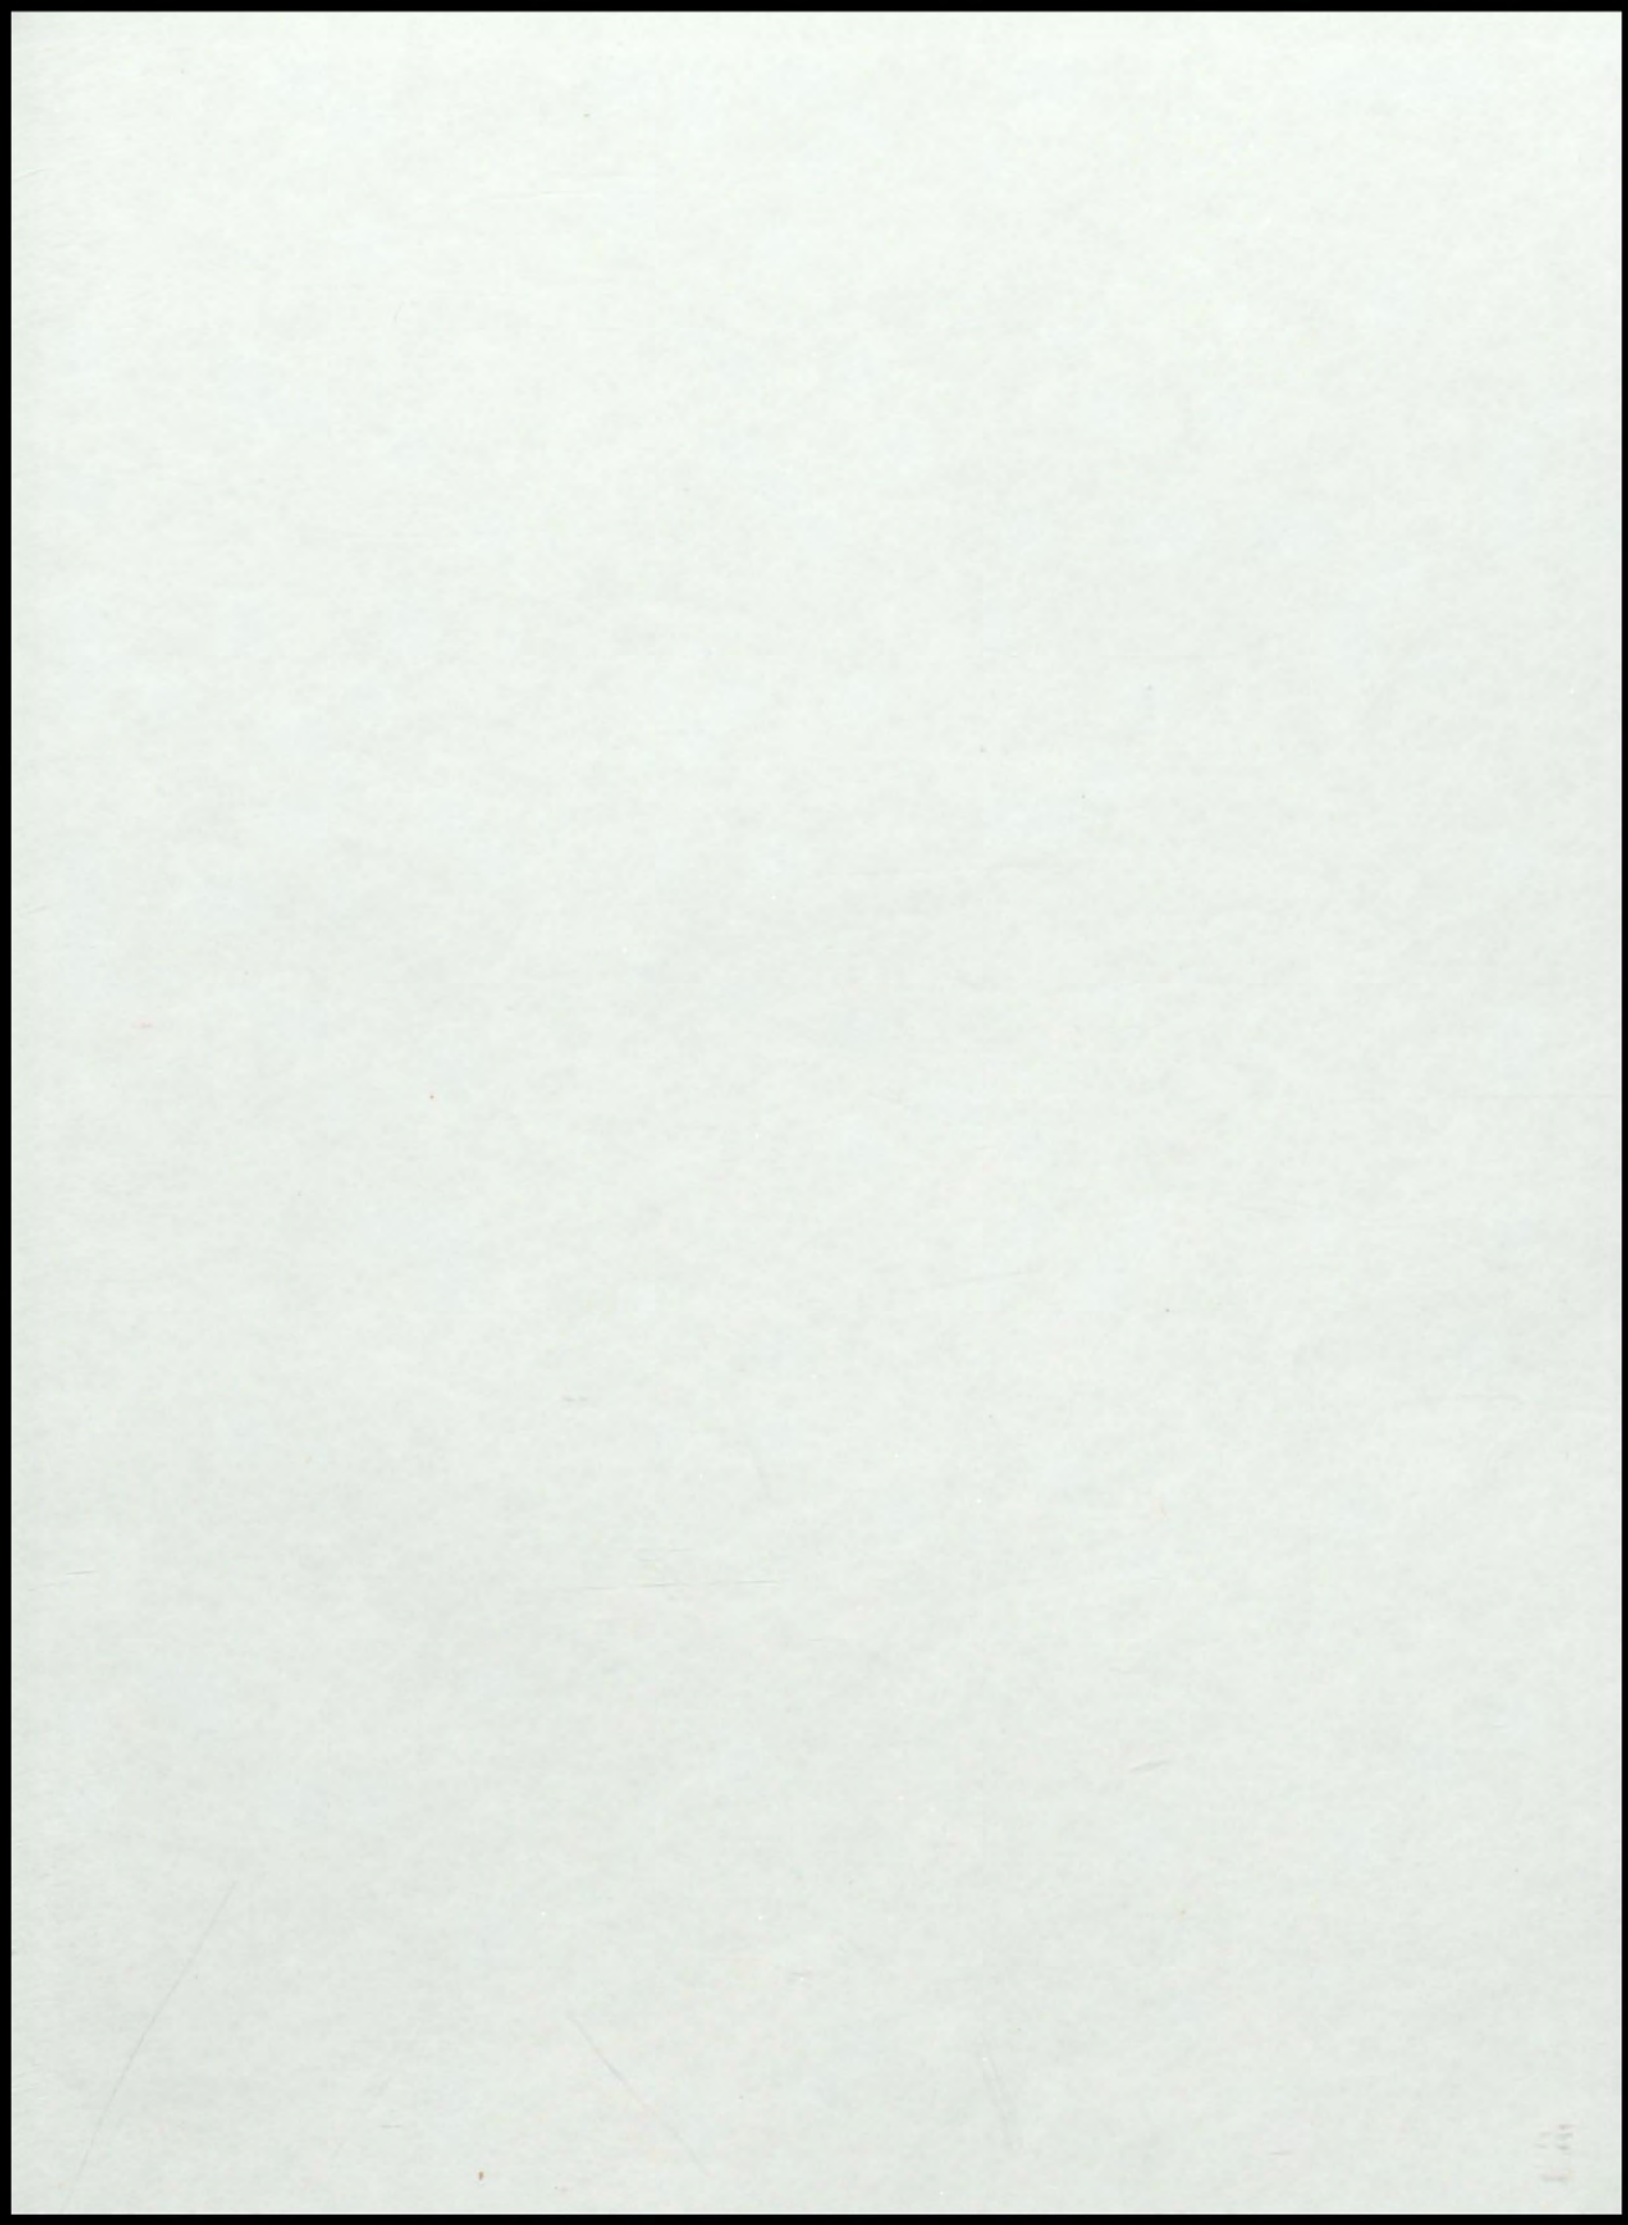

Mrs. Sabens- Thank you so much for your patience, excellent guidance, advice and at times, mediation, AND those delicious cakes!!

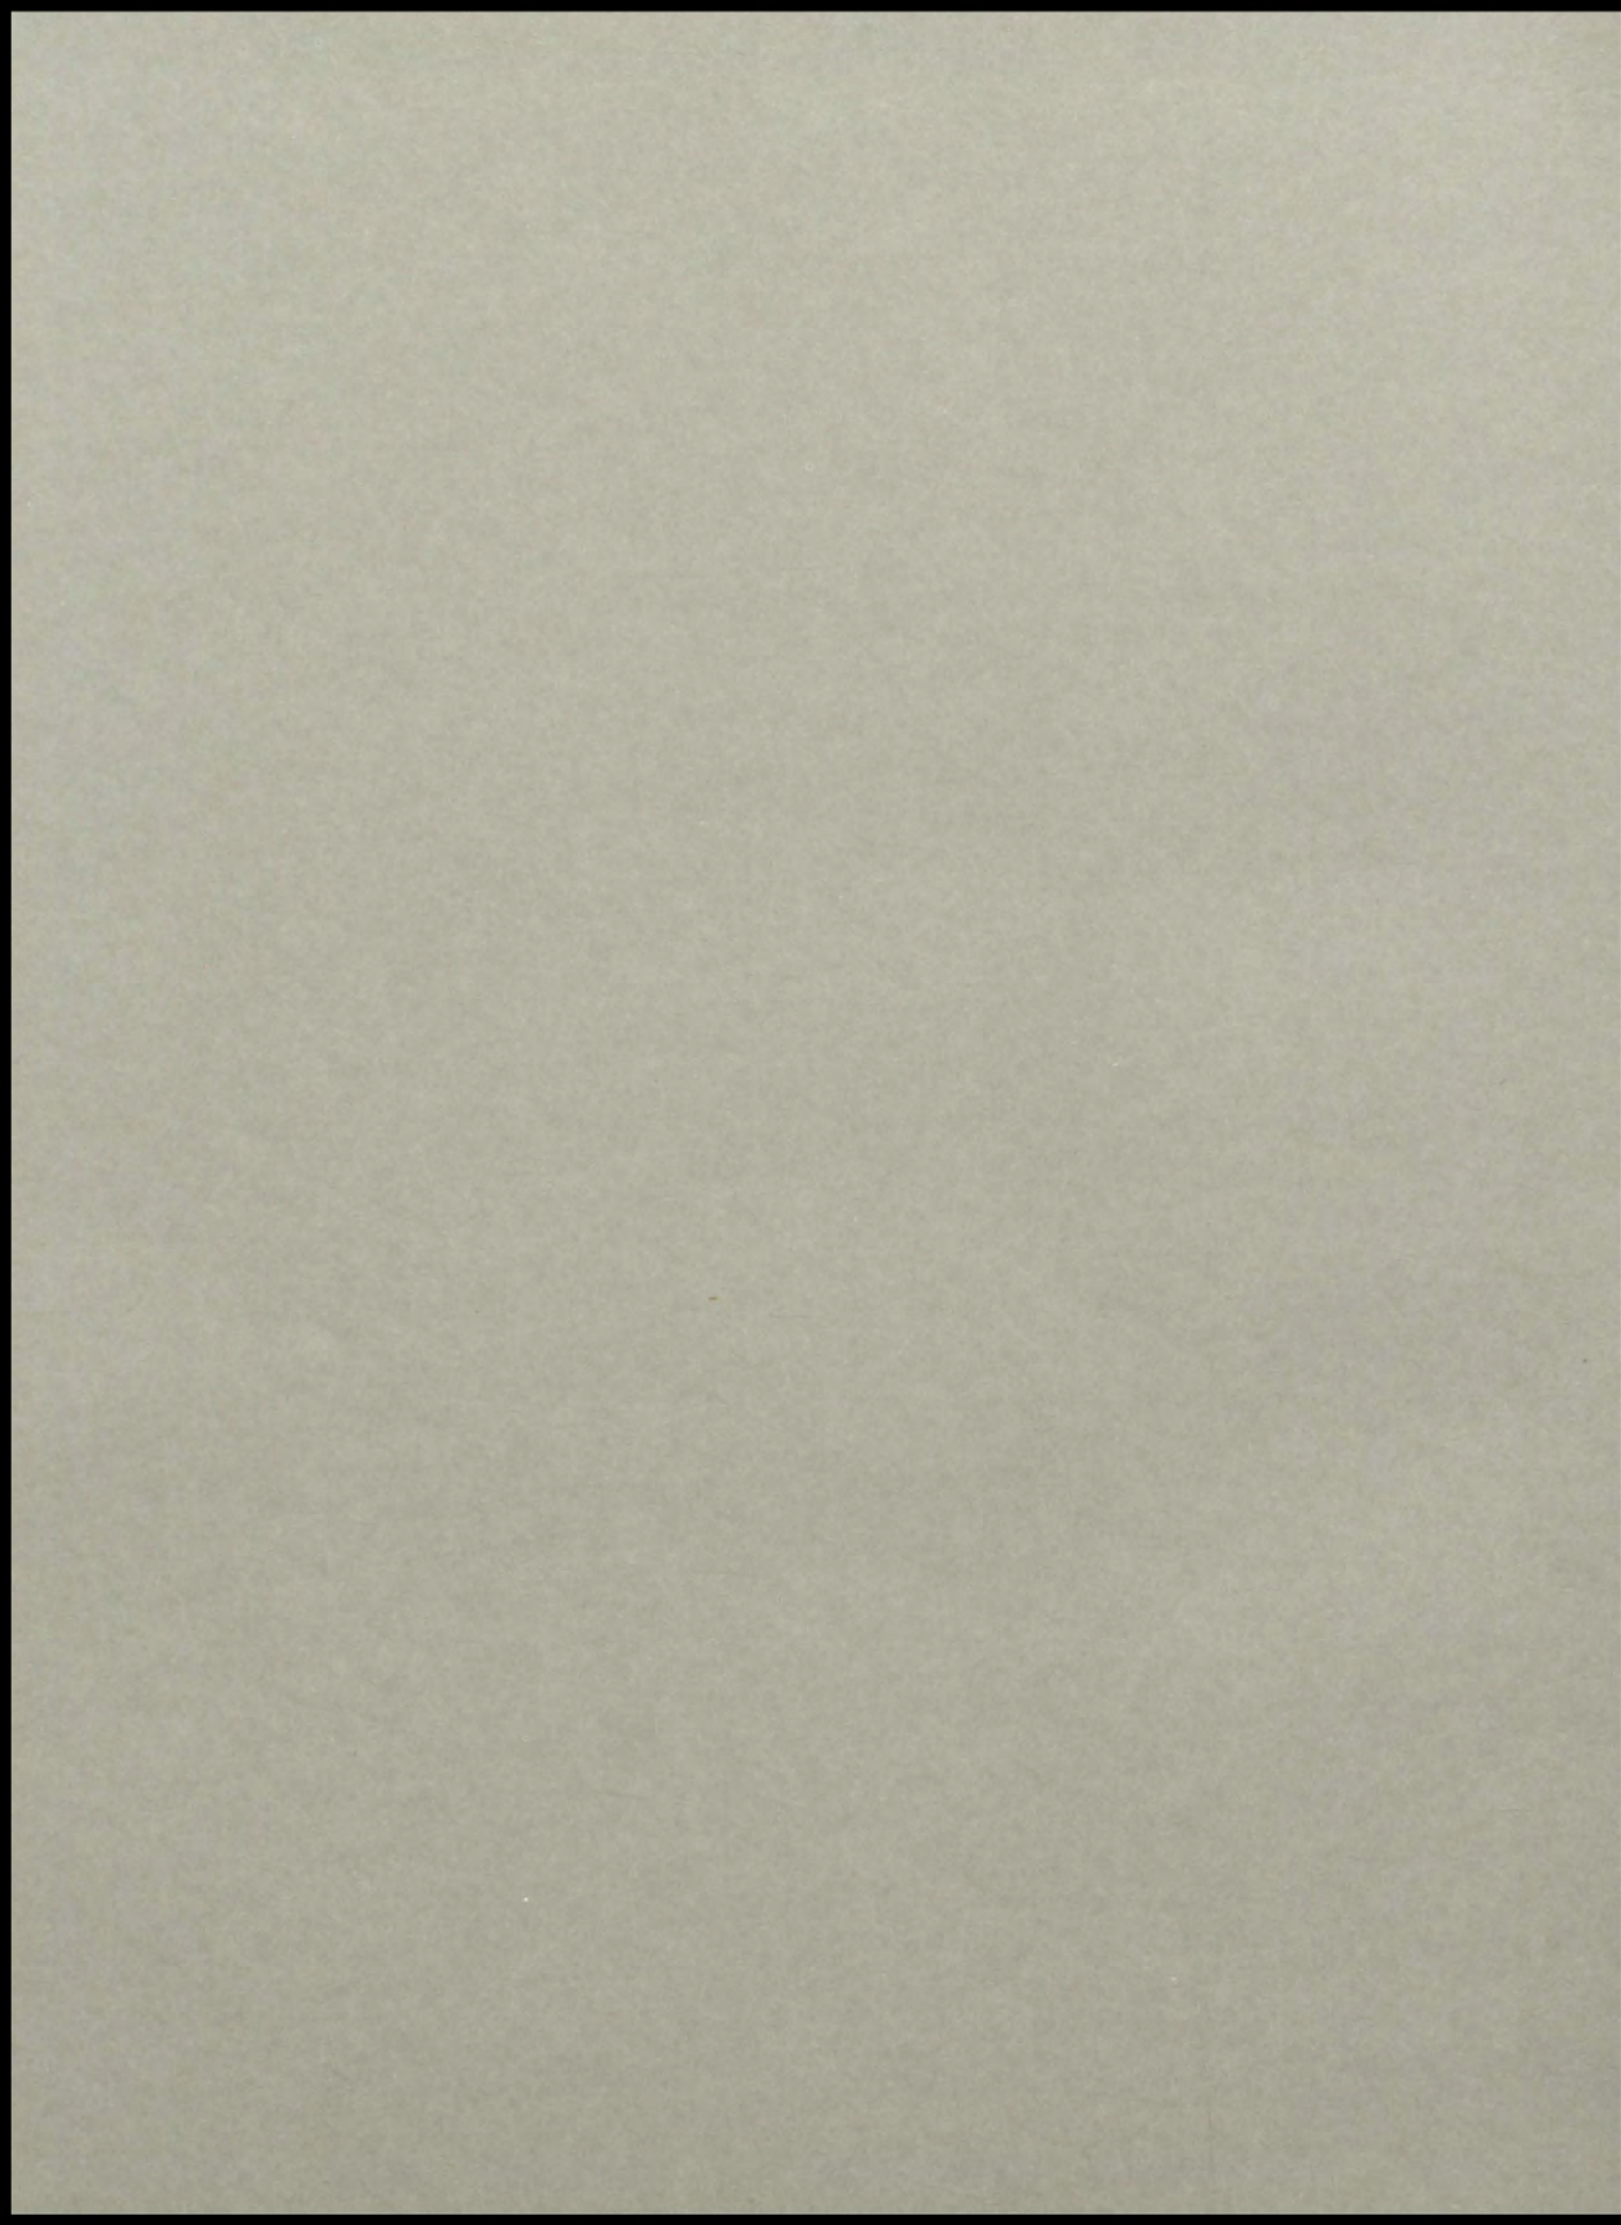

Thanks for all your hard work, guys; it was a great year. To my fellow seniors, good luck next year and in all your future endeavors.
