The 2005 yearbook theme is "Game Over." With the seniors leaving, they have to decide whether to quit or continue. Their high school game is now over. They can quit, give up; or they can continue, move on with their lives, and continue to better themselves and their community. The rest of the school also needs to continue in their game of life, throughout high school and after. Don't let your game be over; are you going to quit or continue?

**-Christian Franke**

I'll always remember my senior year of marching band. That year I worked with the best group of high schoolers that I've ever worked with in marching band. They all did their best on and off the field. Although we didn't advance to regionals, we still had a lot of fun getting where we did.

The joking around at the golf course with Tim and Ryan while "picking up sticks." Hiding in corn fields instead of running and hangin out with the boys having green bean casserole.

**-Reston Rawlings**

I'll always remember the semi state softball game, playing for 14 innings, and then winning state.

-Kathy Seager

I'll always remember my Sophomore year when we made it to regionals in band. That feeling is one I will never forget.

# The Drama Club Presents:

## *Annie, Jr.*

*Annie, Jr.* is about a little orphan girl living in a nasty orphanage. She escapes a few times and eventually gets to spend a weekend in the Warbucks household. After the weekend Daddy Warbucks decides to adopt Annie. She is hesitant at first, because she believes her parents are still coming to get her. After fighting off impostors Annie comes around and allows Mr. Warbucks to adopt her.

Clinton Prairie's first musical was a big success. With months of rehearsing, singing, and dancing, it all came together for great performances on November 18th and 19th. A thanks goes to the director Terri Lenehan for putting in hard work to make this work. Another thanks goes to the Alexanders for working so diligently in building the magnificent sets.

The orphans share a moment as they realize Annie's escaped the orphanage...again. From Left to Right: Kelly Martin, Melissa Cook, Kayla Schrock, and Penny Hodgen

Bethany Alexander (Above), portrayed the drunken Miss Hannigan. Bethany's powerful and humorous performance had the audience in stitches.

Annie, the namesake of the play *Annie Jr.*, was played by Freshman Audrey Brinkley (Left). Here she's shown with Sandy, the lovable stray.

Daddy Warbucks's house staff break into song to welcome Annie into the house as they learn about her arrival.

Nate Dale (above), a freshman, was an excellent fit for the role of Daddy Warbucks, a wealthy New Yorker who adopts Annie.

Warbucks and Annie are "Together Forever" as he announces he would like to adopt Annie.

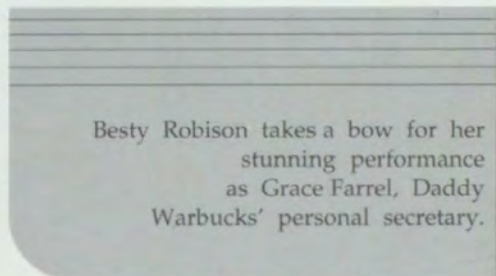

The orphans are living the "Hard Knock Life" when it comes to Hannigan's orphanage.

Lily St. Regis (Elise Lenehan), Miss Hannigan (Bethany Alexander), and Rooster Hannigan (Pieter Geurs) conspire to get Annie back, along with a fifty thousand dollar reward.

Besty Robison takes a bow for her stunning performance as Grace Farrel, Daddy Warbucks' personal secretary.

Hunter Cory (above) portrays President Roosevelt. He helped Mr. Warbucks find the real whereabouts of Annie's parents. Hunter was a big help by playing more than one role in the musical.

Just arriving in New York, Allison Mathews, the star-to-be, breaks into song and delivers a powerful solo in the song "NYC."

# Paper Angels

The 2004 Christmas dance, sponsored by the Student Council, was a very fun and enjoyable evening. The dance was held on December 18 from 8-11 in the cafeteria. The DJ was Matt Bennett and the Efusion team. Preston Ratliff and Tabitha Molberg were crowned king and queen of the winter dance.

The Student Council lowered the price of admission tickets so that each dance-goer could buy a present for needy children. The Rossville Fire Department collected these donations and distributed the gifts to underprivileged families around the county.

# HARDWOOD 2004-2005

Craig Seager, with his booming voice, introduced the queen candidates and the underclassmen. Melissa Ruch, the freshman representative, was escorted by Shawn Walker, the sophomore representative, Sam Sharp, was escorted by Scott Huston, and Brittany Paddack, the junior representative, was escorted by Nate Decker. Competing for the crown were senior representatives Jenni Clark, escorted by Jake Sharp, Brittany Parsons, escorted by Kip Pollard, Kathy Seager, escorted by Tim DeLong, Britney Spears, escorted by Ryan Newhart, and Janette Burgin, escorted by Preston Ratliff. # Prom 2005

The theme for the 2005 Prom was "A Midsummer Night's Dream," in order to accent the unusual, but nonetheless charming, combination of dance colors (orange and pink) chosen by the Junior Class. This prom brought about a few surprises, numerous joys, and the addition of one new feature: The Grand March. The March, which was initiated at the beginning of the evening, allowed couples to be announced with their dates as they walked down the Grand Hall entryway into the ballroom. This proved to be a great opportunity for friends and family to snap photos of their loved ones to commemorate the evening. The Night itself went off without a hitch, and within a relatively short amount of time the King, Queen, Prince, and Princess of the Prom were announced. The King was Jake Hromas, and the Queen was Elise Lenehan. The Prince was Pieter Geurs, and the Princess was Addie Scott. The King and Queen shared their ceremonial dance, but not before the Queen bestowed a quick kiss to her true love, (The Prince.) All in all, the Prom was a magical and unforgettable night, and an enjoyable time was had by everyone.

Above: The king and queen, Jake Hromas and Elise Lenehan, share the traditional king and queen dance.

Michelle Turner and boyfriend Ethan Krueger walk happily together in the grand march. This was the first year for the grand march. It was a big hit as a large amount of the prom attendees also participated in the grand march.

## Dedication to the Seniors

Another year goes passing by  
 Another Prom is here  
 To some this brings a joyous smile  
 To others, brings a tear  
 For four years  
 You have tread a path  
 From dawn to setting sun  
 But now the path gets steeper  
 And the climb has just begun.  
 We're very glad to know you,  
 We'll miss you when you're gone;  
 And to the Class of '05  
 We dedicate our Prom.

## Where do you see yourself in ten years?

I see myself in sort of the same situation that I am in now. I will have graduated from college, but I will be working with my dad and not for him. I might have a wife, and all will be well. Well, except for the occasional argument between my dad and me.

## What is the worst thing about being a sophomore?

The worst thing about being a sophomore is still having two more years of high school left, and my senior friends from band are graduating.

The worst thing about being a sophomore is not being able to fit in. You are considered either too young or too old to do things.

### What is the worst thing about being a sophomore?

**Josh Seibert**

I think the worst thing about being a sophomore is that our lockers are on one side of the school while our classes are on the other.

The worst thing about being a sophomore is you have to start taking school more seriously because your future practically depends on it now.

The 2004-2005 boys' Cross Country team had one of the most successful and most memorable seasons it has had in years. Finishing 7-2 in dual meets, the boys' team owed a large part of its success to its only Senior Jesse Cacy (left). Jesse advanced to Semi-State this year with an all around best time of 16:33. Jesse kept pace this year with the team's 2nd strongest runner, Sophomore Joe Hoffman, who followed Jesse up until Regionals with a seasonal best time of 16:57. Both boys (pictured below) had a fantastic year.

# Varsity Wrestling

After graduating three strong seniors, this year's seniors filled the roles beautifully. Jake Hromas, Braxton Anderson, and Ryan Newhart spent individual time with each of the new Freshmen, introducing them to the ins and outs of varsity wrestling. Their interaction with the underclassmen was the highlight of the season. Even though dual meets were frustrating at times, the team finished 12-16, 3rd in Conference, and 7th in Sectionals. Jake Hromas advanced the farthest, finishing 4th in Sectionals, and 5th in the Regional competition. The wrestlers would like to thank the fans and parents who traveled in support of them.

**POWER STRUGGLE:** Sophomore Cory Bassett (left) attempts to overpower his competition. As the only member of the heavyweight class, Cory moved the big men around.

**CUT THE BACK DOOR:** Josh Maxwell (right) sets his opponent up for a major downfall, and himself up for a couple of points.

"The site I adore on a basketball floor is wrestling mats from door to door."

Front Row: Jeremy Heavilion, Ben Sanders, Ryan Newhart, Kenny Patton, Jessica Maxwell.

Second Row: Josh Maxwell, Kevin Seilheimer, Jake Hromas, Cory Bassett, Nick Anderson,

Last Row: Coach Maxwell, Jacob Gick, Seth Kerr, Christian Franke, Alan Fagan, Braxton Anderson, Coach Richards

# Varsity and JV Cheerleading

## 2004-2005

This year's varsity squad attended summer cheerleading camp at Saint Mary's of Notre Dame in June. The Varsity squad earned an invitation to compete in the NCA National Championship, in Dallas, Texas in December. This tremendous accomplishment is awarded to teams exemplifying the best technical skill, cheer technique, and crowd involvement. In addition to securing a national bid, the Varsity team won the Champion Chant Competition and was a Top Team Finalist. Other awards earned were the Team Award for leadership, values and teamwork, Jump Technique, Stunt Technique, Superior and Excellent ratings in daily evaluations, and Spirit Stick. The most sought after individual award is the All-American Award. Nominees are eligible to try out for the national team and are judged on superior skills in cheer technique, jumps, tumbling, and spirit and enthusiasm. The entire varsity squad was nominated for the All-American team. Three Varsity cheerleaders were chosen as All-Americans: Kayla Bennett, Emily Gray, and Emily Kaniewski.

# Choir and Prairie Singers

Over spring break Mrs. Schilling took the Prairie Singers on a cruise. They visited Key West, Florida, Cozumel, Mexico, and Miami, Florida. This trip wasn't all in fun and games though. The group was also required to perform on the boat. Their practice proved to be rough on some of the students as a few got sick. The next day during performance time, however, everyone was feeling well and made for a great performance. Needless to say it was a great vacation for the group!

While the Prairie Singers were preparing for their trip the choir had competition on their mind. On April 16th the choir competed in the ISSMA Music Contest at Lafayette Jefferson High School. During competition the choirs are required to sing three pieces of their choice. In addition, they must also sight-read one piece of music.

# Mr. Baker Retires After 28 Years at CP

Mr. Nick Baker, a famous face and voice in the halls of Clinton Prairie, retired in May of 2005, after spending 28 years of teaching at our school. Though many might think Mr. Baker spent his entire teaching career at CPHS, he actually waded through several other experiences before landing at Prairie. Mr. Baker began his teaching career at Mooresville High School, where he taught physical education and coached all year long. After eight years of teaching and too much coaching, Mr. Baker and his family opted to escape the stress, heading for a small town in Nevada. There he worked for the county as a real estate appraiser, a job that didn't pay too much but, according to Mr. Baker, "the job never got dull." Two and a half years in Nevada was long enough: Mr. Baker and family then headed back to Allen County, where he and his wife's parents resided. Eventually, he fell into a half-year job back at Mooresville, where a business teacher had been arrested for shoplifting. However, the school at Mooresville was a big school, and the Bakers really wanted their children to attend a small school. Clinton Prairie, Mr. Baker decided, "fit the bill."

Mr. Baker has enjoyed coming to Clinton Prairie High School every day, and some days he isn't quite sure he's ready to retire. But he is ready to move to Texas to be with his children and grandchildren. He and his wife will renovate a pole barn on his oldest daughter's property, turning it into a home similar to the one they live in here in Clinton County. The project will keep Mr. Baker busy for a couple of years, he anticipates. Their home will be in a small Texas community near Fort Hood. Mr. Baker's favorite memory at Prairie, he says, is the first time the football team beat Sheridan. He was an assistant coach at the time. He will miss the kids at Prairie: "They keep me young and on my toes," he says. The students are bound to miss his stories and frequent "Dad blame its" and "Cheese and crackers." Mr. Baker wishes everyone as much luck as he has had in finding a career. "I hope everyone will find their niche," he comments. And we all hope he will find his niche in Texas. Mr. Baker will be missed by the students and staff of Clinton Prairie High School.

# 2005 State Champs!

The girls varsity softball team ended the 2005 season with a bang - and a victory over the Lanesville Eagles to take the Class A state softball title. After coasting to a 17-0 win over Rossville in the first game of sectionals, the girls never looked back, taking the coveted title on Saturday morning, June 11, 2005. Senior leadership took the girls all the way, and the underclass team members did their share to assure the team of a victory and a state championship.

# Nick's Final Thoughts...

So this is it. If we've managed to keep your interest through the various embarrassing photos of your awkward teenage years, and through the array of ads you probably just browsed through, you've found your way to the Editor's Page. My final thought, and in essence my final words as a student of Clinton Prairie.

First off, I've got some thanks to give. Of course, none of this would have been done to the degree of excellence it was without Mrs. Sabens. Thanks for all your guidance, all your wisdom, and all your patience (especially with Ryan) as we progressed through the year. You truly made this class the best it could be. I hope you're around here for a long time, to impart your knowledge and skills as a teacher to many future students. Your 7<sup>th</sup> graders are very lucky to have you.

Next, my staff of course. I was truly blessed with a staff of various people. From people I didn't know at all, to people I'd been friends with nearly my entire life. It was such a privilege to work side by side with each and every one of you. Allison, my oldest friend in the world, God bless you wherever you go, and thank you for always being there, all through the years. Ryan, you're an awesome kid, and I can always count on you for a laugh; just stay off that staircase rail. Reston, thanks for always being so down to earth, and keeping things light. Betsy, good luck next year, I trust that when I return I'll find you hard at work in the position I'm in now. Kelsey, you're a hard working kid with a ton of dedication, and those qualities will take you far in this world. Parsons, my euchre partner, now and forever. I can always count on you to have an ace or four in your hand, haha. Kathy, buddy, you had to be the hardest working member of this staff. You worked tirelessly, and I don't doubt I'd be here working on this book until July if it weren't for you. Thanks so much for your help, and for your friendship, which I've been honored to have for over a decade. Kip, I don't even know where to begin. We've had some crazy times over the years, and not just inside the yearbook classroom. All I can say is I know you'll make it far in this world. I'll put it right here in black and white, I believe you'll leave your mark on this world, and you'll go out with a bang, not a whimper. (Extra credit if you can remember which poem that's from. Hahahahahahaha.)

Lastly, to Hope...oh, wait...never mind.

Well I guess this is it...I'm sitting here in the staff room, and as I look around, things feel so empty. All the computers are being carried out for the summer, and with the book practically finished the rest of my staff has come and gone. Even though the classrooms are still filled with underclassmen, this place feels so hollow when I walk through these halls, now that I know my classmates have left. The memories we've made still bring a smile to my face though, and they are memories that I will carry with me wherever I go. My final thanks are to the Class of 2005, for the friendship, for the laughs, even for the tears. For it is our emotions that make us human, and it is our individual experiences that make us who we are. Thanks to each and every one of you, who taught me more than any book or test ever could. Good luck with everything you guys.

With that, I think it's time I head out too. To the underclassmen, good luck with everything, and live your lives to the fullest; you'll never understand how fast these years go by until they're already a speck in the distance.

Much Love,  
Nick
