Changing Faces

The 2005-2006 yearbook theme is 'Changing Faces.' The yearbook staff's reason for choosing this theme was that we decided the changes going on at Clinton Prairie High School were the defining element of the 2005-2006 school year.

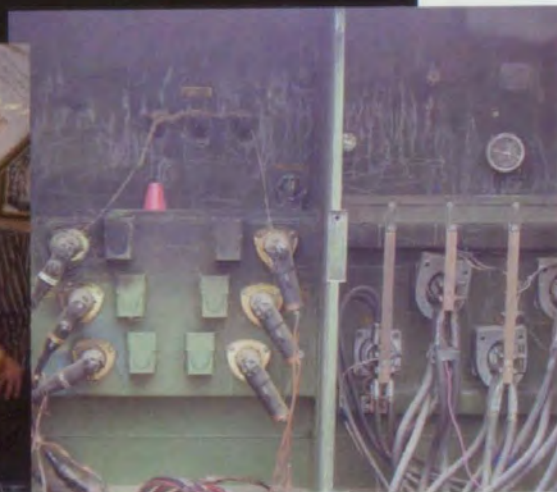

The Seniors who graduated in May 2006 will remember their senior year with a lot of outdoor construction, congestion on school road, men hanging on ladders with their heads in the ceiling during passing period, and the constant hot/cold/never comfortable temperature of the building. Of course all of the construction was for the comfort of our students so that we may finally catch up with the times and achieve an air-conditioned and better suited facility for the future students of Clinton Prairie.

Another face that has changed is that of our assistant principal. Early in the school year Mr. Robert Ramey was offered a head principal position at Western Boone High School. On October 21, Mr. Ted Davis moved from the position of head football coach to head of the hallways as our new assistant principal.

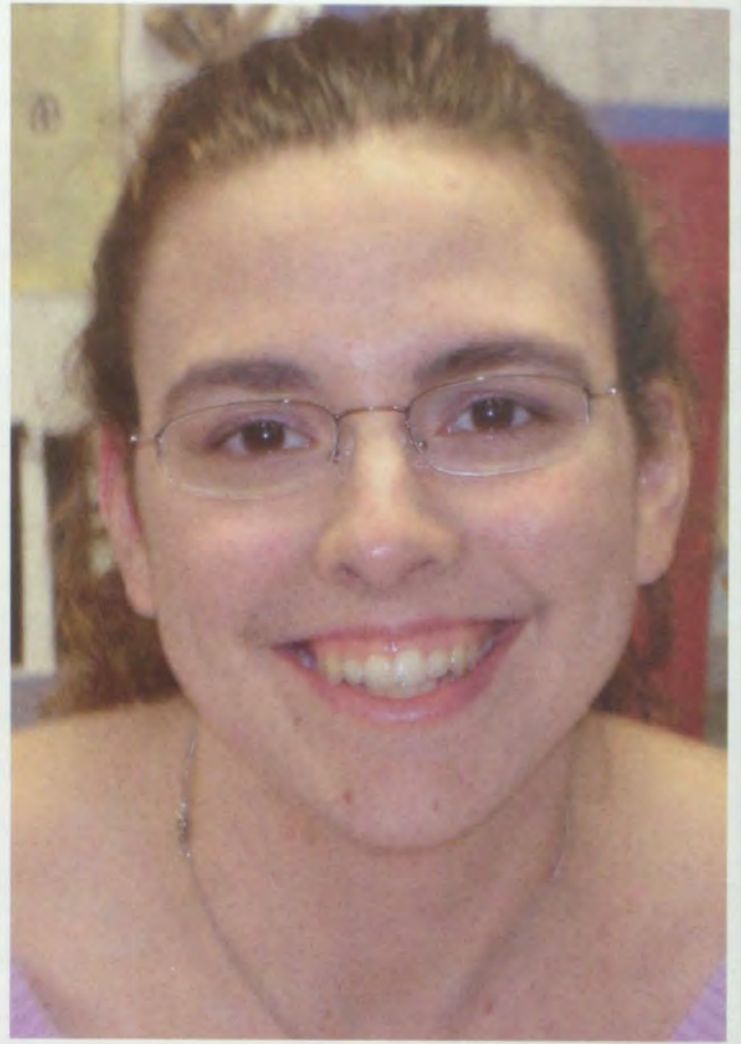

As we grow up, our lives change. We become different people with different interests, different priorities, and sometimes even different friends. The 2006 seniors have moved on to their new and changing lives and have left the juniors responsible for giving orders. The faces have changed. Everyone has moved up, but tradition does not graduate.

Many memories that will last forever are made during our high school careers. The senior class was asked to remember some of their favorite moments from throughout the years, and here are a few for your enjoyment.

Seniors

"My favorite memories mostly have come from band. I will never forget the fun times with friends, crazy bus rides and band camp. I will also never forget the rush of performing, especially at the RCA Dome. Seeing yourself on the big screen is one of the coolest things ever!" -Keli Marsh

"My favorite memory was in my junior year. Willie, Nate, Eric, and I went out to the Sleepy Hollow graveyard and bridge with a camcorder at like 2 a.m. and were filming when two huge guys pulled up in a truck out of nowhere and got out and Willie came up from behind with a flashlight getting ready to hit one of the guys over the back of the head with it." -Adam Wright

"One of the funniest times was on a cross-country trip to the Dunes. A raccoon got on the bus and Mr. Smith started yelling at it and chasing it and jumping up and down." -Sammy Alexander

"One of the best memories was our junior year when Nate Decker showed up in a hero outfit. That is a day everyone will remember. He wore underarmor, bathing suit bottoms, and a cape." -anonymous

"My favorite memory is of my Quinceñera in 2003. When I turned 15, my family threw me the biggest party ever. There were more than 400 people there. That made the event very exciting. It was sort of like a wedding but no groom. I had a big dress and 14 escorts. We danced a waltz and a polka."

-Veronica Perez

will

"My favorite memory was during baseball my junior year. It was the County Tourney. We went in against Frankfort expecting to get blown away, but we beat them. Then we had to play Clinton Central, who had beaten us twice before that season. We won that game too. So we went from "not having a chance" to being "#1." -Jeremy Robinson

"My favorite memory from high school is starting the Fourcasters with Sam Clark, Preston Ratliff, and Nate Overman and then performing at the Revue and the 2004 Christmas dance. That was fun..."

-Derrick Snyder

"My favorite moment in high school was when [a substitute teacher] tripped and fell, causing me to cry with laughter. Not only was it the greatest high school moment, it was the greatest moment of my life!" -Bob Neal

"There was this one time in English class I was giving a presentation and to my left was Willie with tape on his face looking like a catfish and on my right was Dereck Allen shaking his bum. I couldn't stop laughing so I ruined the presentation." -Nick Childress

"This year in Cross Country would be my favorite memory. After looking back and after running over 700 miles, it proved to be my best year. My goal for the team was to win conference and after winning a majority of the meets, we achieved our goal. Having four of our runners in the top 10 was a great achievement." -Mike Bennett

"In high school, the best moments come when you don't plan on it; they simply happen while you are on your way to a game or watching a movie. I know that I might not always remember what happened at Prom but I will remember all the random times that made the stress of high school worthwhile." -Abbey Haan

always

"Our favorite memory was the Lapel football game of 2006. We overcame a 20 point deficit to beat the previously undefeated 6-0 Lapel Football Team 47-26." -Zach Seibert, Tyler East, Ethan Krueger, and Donnie Akers

"My favorite memory was when my advanced foods class with Mrs. Albitz got to break a pinata. Dereck Allen broke the broom we were going to hit it with. It was hilarious! He almost fell trying to hit it!" -Irene Guadalajara

"Ya know what I can't wait for? Our 5 year class reunion! I can't wait to see what I look like!" -Dereck Allen

"I remember when Nick Childress sang *Bohemian Rhapsody* in front of Miss Seimens' English Class."

"I will always remember when Scott Batts jumped out of his high-flying swing on the playground and landed face first in the pea gravel." -Betsy Robison

"One of my favorite memories is the time in Miss Seimens class when we were playing a game and Derrick Snyder was trying to tell Sam the answer by holding up three fingers. Josh saw this and got the answer right. At this point, Derrick stood up and screamed, 'You saw me fingering Sam!'" -Erin Ream

"Mr. Davis catching the desk and Kleenex box on fire in 8th grade science." -Kayse Lenehan

"I remember when kids were taking Mr. Fox's staplers and hiding them for fun. He got so mad he took a 2x4 and bolted the stapler to it. He then clamped the 2x4 to his table. The next day he came in, the 2x4 and stapler were gone. His face was so funny." -Robin Smith
"It's a real simple concept!" -Mr. Fox

May 27, 2006: Graduation Day for

The members of Clinton Prairie's Class of 2006 saw their high school years come to an end on the morning of May 27, 2006, as the school's forty-fifth commencement ceremonies were held at 10:30 A.M. With music provided by the band, under the direction of Mr. James Bertucci, and the choir, under the direction of Mrs. Angie Schilling, the seniors participated in the ceremony which marked the completion of their high school careers at CP, most anxious and excited to go on to other phases of their lives. Principal David Larsh welcomed the crowd, then presented Salutatorian Samantha Alexander, followed by Valedictorians Sam Clark and Pieter Geurs, good friends who both finished their high school careers with perfect 4.0's. After Superintendent Charles Fink accepted the Class of 2006, CP Board of Education President R. Craig Seager presented the diplomas, and the graduates were on their way, amidst cheers and tears from families and friends. Congratulations and good luck to the most recent Clinton Prairie graduates, the Class of 2006.

HOMECOMING 2005

Clinton Prairie's Student Council sponsored the 2005 Homecoming. The Corvette Club of Clinton County participated in the festivities by bringing the representatives and queen candidates around the track. The girls got to ride in style.

That evening our very own Gophers defeated the Tri-Central Trojans 32-27. It was a close call towards the end when the Trojans scored two unanswered touchdowns in a row.

The Clinton Prairie Z Club collected money to donate to the Red Cross for Hurricane Katrina victims, and our very own marching band gave a stellar performance at the half.

After the game the Student Council sponsored a dance in the cafeteria for both junior high and high school students. It was a great success because it happened to be the only informal dance for the entire first semester.

All of the girls looked stunning, and many parents were there to support their children with smiles and lots of pictures! The flashes of cameras lit up the night sky.

The court stopped for numerous pictures. Front row-Brittany Paddack, Michelle Turner, Addie Scott, Ashley Goodman, Kayse Lenehan, Amie Newhart, Chelsea McKinsey, and Kayla Scott. Back row-Nick Childress, Ethan Krueger, Willie Warwick, Nate Decker, Clayton Morgan, Joe Hoffman, Sean Crye, and Cory Barnett.

On the nights of January 27 and 28, 2000, the Clinton Famine Drama Club put on great performances of the famous Neil Simon play (later made into a movie and TV show) *The Odd Couple*. The play was directed by Nancy Elsea with the help of Student Director Brittney Stimson, along with Jill Bush and Susan Calloway.

The story is about two divorced men who are in need of companionship and end up sharing the same apartment. One, Felix Unger, is a fussy, neurotic neat freak. His companion, Oscar Madison, is a compulsive, sloppy sportswriter. Although they are good friends, they are constantly getting on each other's nerves.

This year, the yearbook staff noticed that every grade level has at least one set of twins, and we decided to do a feature of twins. In one case we have not double, but triple the fun.

Unfortunately, we had a change in Vice Principals this year. Mr. Ramey took a job as Principal at Western Boone, leaving the Vice Principal position open. Mr. Davis stepped in to fill the position. In honor of Mr. Ramey's departure, Seniors Bob Neal and Brandon Dubree dressed up as Mr. Davis' twin and Mr. Ramey's twin.

CHRISTMAS DANCE 2005

The Christmas Dance held on December 17, 2005 was sponsored by the high school student council. Epicenter Entertainment deejayed the event, which helped to make it such a success. The dance's theme was an "Enchanted Christmas," and the royalty for the evening was Addie Scott and Willie Warwick.

The 2006 Revue was definitely more than a 'One Hit Wonder.' This year's action-packed show was filled with excitement from the breathtaking Grand Entrance until the Finale. I would like to give a huge hat-tip to our outstanding MC Triumverate of 'BAD.' Their comedy and diverse entertainment styles not only kept the show rolling, but also helped to produce a sell-out on closing night. Thanh Trinh came to the United States from Vietnam, and she lived with Frank and Priscilla Fossnock. At first, it was difficult for Thanh to adjust to speaking English, but after speaking it everyday, she was no longer a novice. Thanh became accustomed to the American way of life, and her favorite American foods include pizza, chicken and noodles, chili, and Mexican entrees. Thanh said that she likes Clinton Prairie, because she is given more freedom, and she doesn't have to wear a school uniform like she does at her 4-floor school in Vietnam. Thanh doesn't plan on returning to the United States in the future, because she hopes to attend college in Vietnam.

Pauline Schubert came to Indiana from Germany, and she spent the entire 2005-2006 school year at Clinton Prairie. She lived with Kurt and Sabrina Hinkle, the parents of Junior Ashlynn Davis. Pauli was an active member of the volleyball team, and she enjoyed cheering at basketball and football games. A big adjustment for Pauli was speaking English, but Pauli said that her sole purpose for traveling to the United States was for the learning experience. She also said that in German schools, students aren't given the opportunity to choose their classes and that students don't have such friendly relationships with teachers like they do at Clinton Prairie. Like most American teenagers, Pauli quickly became quite fond of fast food restaurants, specifically Arby's and Wendy's. However, Pauli does prefer the public transportation available in Germany, and she enjoys riding her bike from place to place in the summer. Pauli mentioned that she does hope to return to the United States in the future, because she wants to visit the big cities and the national parks.

Varsity Volleyball

2005

(classy not trashy)

The volleyball girls get ready for their big night with a little bit of pre-game fun.

The Varsity Volleyball team of 2006 may not be remembered for the best record; however, they will be remembered by the amount of dedication and talent. The team went 10-21 overall but was ranked in the Top 10 of Class 1A for a majority of the season. Coach Connie Garrett said her highlights of the season were being ranked in the Top 10 and having so much respect shown for a team with a record below .500, as well as the great matches against Central Catholic, Frankfort, and Clinton Central. She also commented that the seniors were the most outstanding participants of the team.

Prairie fans show their spirit as they cheer on Senior Kelsey Schutz.

The Junior Varsity team obtained a record for the 2005 season of 19-2. Coach Camp said the highlight of the season was winning the JV tourney at Lafayette Jeff. She also named Melissa Ruch as the outstanding participant because Melissa did whatever was asked of her when it was asked and did an excellent job of it. Coach Camp said this was a great bunch of girls. Good luck next year, Girls!

The Gopher offense takes the field in their signature split-back set.

The 2005 season started off slow for the Gophers as injuries caused problems early. Despite the setbacks, the team steadily improved over the year due to the leadership of a great group of seniors. In the end, the Gophers finished 5-6 and made it out of the first round of sectionals by defeating Tri-Central 69 to 22.

The highlight of the team's season was defeating previously unbeaten and ranked Lapel. The Gophers scored 42 unanswered points in a great comeback win. It was the first time in school history that Clinton Prairie had beaten Lapel on their home field. Zach Seibert also set a school record that night with 305 yards rushing and 5 touchdowns.

The Members of the Varsity Football Team included: Back Row: Coach G. Buschman, S. Linder, J. Shelley, A. Wippel, D. Laflen, N. Seager, K. Martin, Coach T. Davis, Coach W. Davis; 3rd Row: Coach S. The Gophers played well all season as a team unit, and their cohesiveness was a big part of their success. A few noteworthy members of the team did, in fact, receive Conference Honors. Zach Seibert, Ethan Krueger, Donnie Akers, and Kelly Snellenbarger were all named All-Conference, and Josh Fossnock received an Honorable Mention.

The team gathers around Coach Ted Davis to hear his positive post-game comments after a big win.

Varsity Cross Country

NO PAIN
NO GAIN

This year's boys' Cross Country team was very successful. Their record was 8-1, with many outstanding participants. Junior Joe Hoffman received 3rd at sectional, 32nd at regional, and an M.V.P. award. Senior Mike Bennett was the team's captain and received Most Improved Runner. Freshman Miles Biery received 15th at sectional and 37th at regional. The boys were Conference Champs and, earlier in the year, were Tri-County Champs, as well as Clinton Central Relay Champs. The team also won the North Montgomery Classic.

The girls also had an enjoyable year and improved greatly. They had a record of 8-8 and worked very hard throughout the year. An outstanding participant was Freshman Erin Overman, who received the girls' M.V.P. award for the 2005 season.

S E N I O R Q u o t e s

Mike Bennett

"I enjoyed being the team captain this year. I also enjoy the camaraderie of the team. I ran 300 miles from June 1st to August 1st and worked hard in the weight room. That, and the strength I get from God, helped me become a better runner."

Josh Maxwell

"My favorite memory is winning the J.V. State tournament while on a Varsity team. I enjoyed having midnight T.P. runs with the guys."

Jeremy Robinson

"My favorite memories this year were winning Clinton Central Relays and the Charger Classic, and being Conference Champs. Running over the summer and being mentally strong helped me become a better runner."

Brandon Gabriel

"My favorite memory was wrapping the buses with Saran wrap and maxi pads while Coach Smith and Coach Johnson were sleeping. Running on the beach at the dunes helped me improve my running"

Sammy Alexander

"My favorite memory had to be at regionals. The team played catch and played on a swingset. The bus rides were what I enjoyed most. The season being my last and my teammates are what pushed me to be a better runner."

Matt Lucas was another outstanding participant. He was nicknamed Mr. Hustle and led the team with the most competitive spirit. Matt also had 9.2 points per game. Sophomore Jack Warwick had an impressive average of 12.0 points per game. Coach Craig Fisher said the highlights of the season were beating Frankfort and winning more games than people anticipated.

AMIE NEWHART WAS THE GOPHER'S LEADING SCORER AND CO-CAPTAIN. THE HIGHLIGHTS FOR THIS SEASON WERE WINS OVER COVINGTON, CLINTON CENTRAL, AND ROSSVILLE. THE EFFORT AGAINST LEBANON (TOP RANKED IN THE STATE) WAS MEMORABLE. COACH CONNIE GARRETT ALSO MENTIONED THAT THE COMEBACK AGAINST LAFAYETTE CENTRAL CATHOLIC IN THE SECTIONAL GAME WAS AN ABSOLUTELY TREMENDOUS EFFORT.

Coach Richards

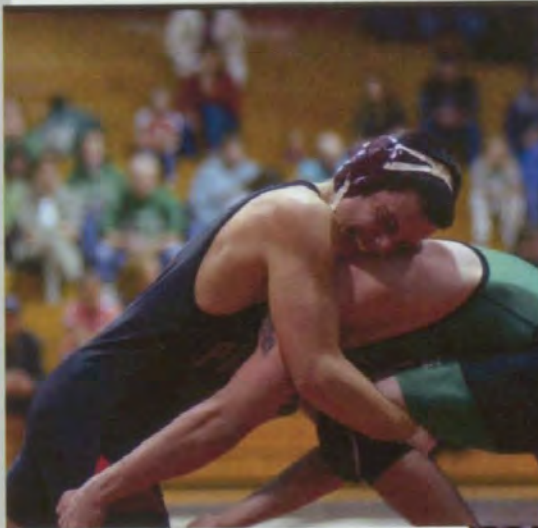

"We had a difficult season, with losses due to sicknesses, grades, and inquiries. It might have been as bad as the casualty rate at Custer's Last Stand!"

This year the 2005-2006 Varsity Wrestling team finished with a dual record of 3-23, placing 8th at Sectionals and 4th at Conference. Two outstanding team members this year were Senior Josh Maxwell and Junior Corey Bassett. Josh ended his senior year with an excellent record of 25-6, and Corey realized he could push bigger men than him around and did an excellent job of doing so. The sophomores had talent like the upperclassmen, but Coach Richards thinks they still needed a little more practice, and this season was, overall, a learning experience for the freshmen. The young wrestlers were able to overcome obstacles of inexperience, while the upperclassmen fine-tuned their moves.

VARSITY And J.V. CHEER

This year's Varsity and J.V. Squads attended St. Mary's NCA Cheer Camp in June. They came home with many awards and accomplished so much throughout the four-day camp. Even though it was a young squad, there were many awards and outstanding participants. One very special award was for mental attitude; this award went to Freshman Christina Bailey. The Outstanding Cheerleader award was received by Sophomore Emily Gray. These three young ladies were outstanding participants, along with Captain Emily Kaniewski and Most Valuable Cheerleader, Freshman Sheanna Kelley. Last, but not least, the Outstanding Cheerlifters. Sophomore Justin Brewer and Seniors Tyler East and Ethan Krueger were all awarded the Outstanding Stuntman Award.

Coaches Bev Barney and Dawn Horlacher commented that the season highlights were accomplishing advanced stunts. The Diamond Head featuring Justin Brewer and Ethan Kruger, the Muscle Man featuring Tyler East, The Star Pyramid, which featured the entire team, and Partner Stunts were all accomplished in one season. This year there were five partner groups, which is the most we have ever had at C.P. Three of those groups accomplished extended stunts..

2006 Varsity Golf

Coach Al Hintzman proclaimed 2006 "The Year of the Gophers." The title was an appropriate one, as the team finished with a mark of 12-1 in dual meet competitions. The lone loss came against North Montgomery, a meet in which CP scored an outstanding 159, setting a school record for nine holes of golf. In addition, the team earned the titles of Clinton County Champions and Hoosier Heartland Conference Champions. The team also finished third at the Turkey Run Invitational, as well as finishing fifth at Sectionals. Senior Nick Bandy advanced to Regionals with a third place individual finish at the Sectionals held at the Battleground golf course. Said Coach Hintzman, "This is a season that will last for me FOREVER; there were great kids who performed well enough to have a great record. Never did I expect to have this much talent on a Clinton Prairie golf team. They were a TEAM in every aspect of the term, helping each other, cheering for each other, laughing with each other about a lot of things!"

Members of the 2006 CP Golf Team included the following, front row, left to right- Brian Garriot, Sammy Alexander, Hunter Cory, Cale Castle; back row- Coach Hintzman, Eric Myers, Zach Morris, Nick Bandy, Devin Hanna.

The varsity girls track team had a successful 2006 season, ending with a record of 16 wins and 11 losses. Under the guidance of head coach Greg Buschman, the girls were able to show much individual improvement, with several moving on to regional competition at the end of the season: Courtney Hodgen and Kayla Schrock qualified for regionals in the 100-meter dash; and the 400-meter relay team of Kayla Bennett, Courtney Hodgen, Amie Newhart, and Kayla Schrock also went on to compete in regional competition. Coach Buschman enjoyed watching all the individuals competing at their best, and he also commented that a highlight of the season was seeing "the look on the faces of athletes who just won their events."

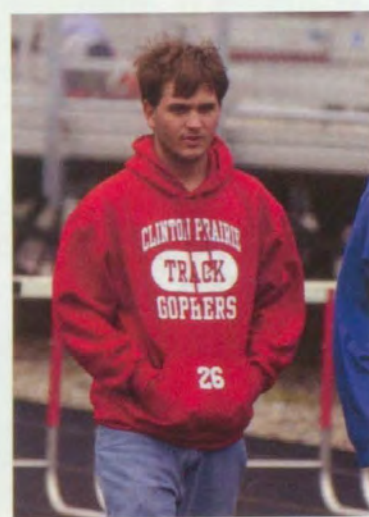

The varsity boys track team, coached by Mr. Greg Buschman, ended a very respectable 2006 season with a record of 14 wins and 13 losses. Standouts for the team included Nick Seager, who qualified for regionals in both the 300-meter and 110-meter hurdles, and Joe Hoffman, who went all the way to the state meet in the 1600-meter run, where he finished in 20th place. Coach Buschman found going to regional and state competitions part of the highlights of the season, along with watching the individuals work hard to do the best of which they were capable and finding the enjoyment of winning a hard-fought race.

2006 SEASON

Spring Means Baseball!

CP's varsity baseball team finished the season at a mark of 9-18, 3-7 in conference play. Rich Cooper and Matt Lucas were named to the All-Conference First Team, with Ethan Krueger named Honorable Mention. Lucas also was named team MVP, while Seve South won the Mental Attitude Award and Mitch Lucas was named Rookie of the Year. Zach Northrop was honored as the Outstanding JV Contributor. The highlight of the season, according to Coach Dan Hilgediek, was "beating all the county teams and getting to the sectional championship game for the second straight year." Coach Hilgediek also felt satisfied with the improvement his team showed during the 2006 season, which he said made the team much more competitive. "We were able to have a JV team this year, which will pay dividends in the future. Although our seniors will be greatly missed, we return a strong nucleus to build on next year," Hilgediek stated.

The JV team, coached by Mr. Aaron Coe, finished with a record of 0-7-1. Despite the losing record, Coach Coe commented that all the players worked hard to improve their game, and that "if they continue working hard, they will be prepared for varsity level baseball. It was nice to have a JV team this year so that everyone could improve and get some game experience."

CP Softball 2006

Despite the fact that Clinton Prairie's softball team was coming upon a rebuilding year in 2006, the team finished the season with a super mark of 22 wins and 7 losses, this after losing eight seniors from the state championship 2005 team to graduation. Coach Randy Cooper felt that the season was a good one, with all the girls stepping up and playing to their potential. Team leaders included Tori Collins, who led the team offensively and with pitching; Stacy Jarrett, who was a field leader and also a leader behind the plate; and Megan Best and Samantha Sharp, who also provided great leadership for the team. A highlight of the season was winning the first county tourney in softball. Cooper himself was recognized for his talents as a coach by being selected one of the Indiana South All-Star Team coaches.

The Jr. High cheerleaders received five blue ribbons and one red ribbon throughout the three day camp. They received the Champion Chant Award and also the Herkie Team Award for being the most spirited squad. Needless to say, the girls went home as last day spirit stick winners and a completely different squad.

OUR RETIRED FAITHFUL

Mr. John Elliot

Mr. Elliot joined the Clinton Prairie teaching staff in January of 1974. Clinton Prairie has been his only teaching endeavor. Throughout the years, Mr. Elliot worked his way around the circle of math. He has taught: Junior High Math, Related and General Math, Problem Solving, Pre-Algebra, Algebra I & II, Geometry, and Pre-Calculus. Mr. Elliot even spent some time behind the wheel, teaching Driver Education. Mr. Elliot has enjoyed his time here at Clinton Prairie, and he says he will miss getting to see all the other teachers that he had the pleasure of working with each day. Mr. Elliot has come a long way in his thirty-two years. There have been many memories and experiences, but one ongoing experience and challenge will always be memorable. It's not happy polyheadren day or trying to convince his students that one-armed men really do swim in circles nor explaining the magic of that handy piece of paper that is the Handy Dandy Chart or even explaining the fine art of distinguishing your asymptotes from holes in your graphs, but the thing he will always recall is trying to remember the names of his 3,387 former and current students. Mr. Elliot plans to spend his newly acquired free time continuing his painting. He also plans on visiting the local nursing homes to see which ones have the best wheelchairs.

Mrs. Marilyn Price

Mrs. Price has been a part of the office staff since the start of the 1973 school year. She has been the School Treasurer throughout all her years at Clinton Prairie. She has also consistently helped with the Athletic Program and the Concessions. Graduation has always been an annual memorable experience for Mrs. Price. She enjoys being there to see the Seniors take their next steps. The excitement that envelops the school when Clinton Prairie has won the Sectional or State Tourney in the past is a memory that will remain with her as well. Mrs. Price will miss all the students

and staff. "Each day always presented something new. The office was always busy," she remarked. Mrs. Price plans to do some "catching up" on some of her projects in her free time. She will also be doing some part time work at Clinton Prairie, but at the same time she says that she is sure she will enjoy her extra time at home.

Mrs. Nancy Caplinger

Mrs. Caplinger started her nursing career working in pediatrics and surgery, and she eventually came to Clinton Prairie in 1991. She has enjoyed her time as School Nurse over her fourteen years. Mrs. Caplinger will always remember how most students of all ages have always rallied around their fellow classmates who are injured or struggle with a chronic disability. She believes that this says a lot about the good-hearted character that the students of Clinton Prairie display. Observing the progress and growth of the Kindergarten students as they mature into nice young adults is the one experience that she will truly miss. The School Nurse is one of the few positions that has the opportunity to really get to know the children as they grow up. Mrs. Caplinger will miss her time spent here at Clinton Prairie, but she also plans to occupy her free time in other ways. She enjoys traveling and especially hiking. She is also looking forward to reading some good books. Now she will be able to see more of the world through her own eyes on the trail and through the eyes of her favorite author.

Mrs. Pat Eaton

Mrs. Eaton began her career at Clinton Prairie in 1984. She has been the Computer Technician for twenty-two years. She has seen numerous students come and go, not to mention, all the different types of computers and technologies. Mrs. Eaton has always been the helping hand to call whenever a problem arises. It has always been a welcome sight to see her smiling face walk through that door when your computer is acting up. Mrs. Eaton has had many memories over the years, and she says, "There are too many to just pick one." She knows for sure, though, that she will miss all her friends on the faculty. She has

enjoyed working with them each day. Mrs. Eaton plans to keep busy even though she is retiring. She is on the Board of Directors at the Humane Society and plans on spending more time there volunteering. She and her husband also plan on spending some time together traveling, and they even have a wonderful Alaskan cruise scheduled for this fall.

I have come to the end of my reign. Our 2006 Seniors have started their new lives, and the faces within Clinton Prairies hallways have slightly changed, along with the addition to the school. It was a fantastic year, and I have a lot of memories to show for it. I have been blessed to have had the opportunity to work with such an intellectual, hard-working, humorous, and at times, entertaining group of people.

Kels-'my right hand man'...well you know what I mean! It has been wonderful having you on the Yearbook Staff for the past two years. I knew I could always go to you for just about anything. Now...Boiler Up!

Sam-Although it may have taken you the whole first semester to complete your first assignment-the football spreads- I still love you! You were a great addition to the staff with your willingness to help others, and we all loved the pies!

Sara-You never did get to throw me out the window, and I do apologize. Our laughs in the yearbook room shall always remain confidential (Samples)!

Pieter-We all appreciated your excellent scanning and Photoshop capabilities, but of course that was not all you had to offer. Your crude comments would bring either a cringe or an outright burst of uncontrollable laughter. I preferred the latter, but who is able to laugh like that everyday?

The Krammeses-Your ability to work quietly balanced out the rest of us. Amanda, I was glad to see that towards the end of the year you and Miss Schutz were able to settle your differences, but I nor anyone else that was present will never forget that fight in the doorway. Alyson, after doing all of the class pages, I was sure you would be ready to take a rest, but I never saw you taking it easy unless, of course, you were trying desperately to figure out your calculus homework with the rest of those smarty-particles :o).

Emily-I love that red polo! You added some much-needed creativity to the staff this year, and I am sure you will carry on, probably in my position as editor next year. I want to wish you the best in all you do!

Mrs. Sabens-Saberoni (pet name-created by Kelsey Page) I cannot explain how much I have enjoyed being a member of the staff for the past three years. Your sense of humor, your stories (i.e. the purple skirt with the blue bow-ties on it and 'DODGE BALL! DODGE BALL!'), your patience, guidance, and advice have displayed why you are such an excellent teacher. You will be sorely missed by all of the senior staff members, but on behalf of the entire staff we would especially like to thank you for your scrumptious cakes with that homemade icing...Mmm!

Finally to the Class of 2006, I thank you for providing me with such a memorable high school career, as well as the grade school years. I hope that you all enjoy the 2005-2006 yearbook; it is our gift to you. Best of luck this fall and in all your future endeavors.

Heres to the nights we felt alive,
Senior Editor
