WE

The theme of this year's yearbook is "We Are." We are all unique individuals, yet we're all connected. We are all a part of Clinton Prairie. We chose the theme "We Are" because although we're all involved in different activities and we all have different personalities, we are all a part of each other's lives. Team Yearbook has had an awesome time working on the yearbook over the past several months. We are also proud to be Official Clinton Prairie Hall Monitors, right Mr. Larsh? We hope you enjoy the 2009 Yearbook.

The seniors were asked:

"What has been most memorable about your high school years?"

"During high school, one of the main things I will remember is that I gained an older brother and two younger sisters. Also band, guard, and all that came with the two. Especially winterguard this year and getting our first gold at State! This year though, the things I will remember the most would definitely come from AP Bio. Those who know... well they know what I mean."

~Katie Williams

"My most memorable moment was when Terra and I were rushing to class and while we were running down the stairs, I fell and slid the whole way down on my shins. No one was around, but by the end of the day everyone knew about it. The fall gave me huge bruises that stayed for a month!"

~Courtney Jarrell

"All the great times in band, and actually having the ability to say, 'This one time at band camp...'"

~Kristen Clark

"BFLAXSI! So many great memories with these

"My most memorable event was getting out of sectionals in pole vault my junior year and going one/two at most meets."

~Jacob Batts

crazy people!"

~Kayla Eimen

"I will always remember the trip to NYC with the band and choir, Legally Blonde on Broadway, The Statue of Liberty, The Empire State Building, Radio City, the craziness of Chinatown, Little Italy, and all the shopping were all awesome! I loved strutting with the girls through Times Square and dancing with the Brooklyn kids at their prom on the dinner cruise was pretty fantastic!"

~Laura Brassie

"Going to the varsity basketball games with family and friends"

~Kelli Barnett

"My freshman year the softball team played at Rossville. I hit a triple, but as I was rounding second, I looked up to find Cooper and lost sight of second base. I tripped over the base and completely biffed it! Everyone started laughing. Cooper was laughing so hard he didn't even ask if I was okay. Needless to say, I didn't make it to third, but I scored a run on the next hit."

~Lindsay Hufford

"The bus rides to and from track meets because something crazy always happened"

~Christina Bailey

"Oh, the places

"My sophomore year, we were playing baseball at Sheridan and Eric Holcombe went for a pop fly. He missed and it hit him in the head. He was knocked unconscious! It wasn't very funny at the time, but from then on, they made him wear a helmet while playing catch."
~Erand Hoshaw

"I'll never forget all the fun times we had in cross country, but my favorite memory would be the time Mr. Smith wore his "Gopher socks" to morning practice. He was weaving back and forth, doing high knees, and dancing while he ran because "he had gophers in his socks." We had so many great memories!"
~Erin Overman

"All of my athletic accomplishments"
~Miles Biery

"Being involved in athletics, whether its cheering, playing a sport, or just being a spectator. Also, getting my twist on Senior Night. I was the first one ever to put it on the gym floor!"

~Courtney Hodgen

"Something memorable that happened this year was the night our girls beat Central in volleyball. We decided to celebrate our win at McDonald's along with the Frankfort Soccer Team. They walked in after us and had just won some big game. We started getting super loud! The managers came out twice to tell us to quiet down, but contrary to popular belief, we did NOT get kicked out. After the second warning, we got out of there before we got in anymore trouble."

~Angmagssalik Garcia

"My most memorable moment would have to be the time we played Monopoly in Econ. It was the end of the game, and it was down to Erin and Jrob. Erin was pretty much dominating the game, and it was time to quit, but Erin didn't want to, so she said she won. So Laura decided to yell "Winner picks up!" and she dumped all the pieces everywhere! Erin got super mad and called Laura a bunch of names that I won't mention. It was hilarious!"

~Jacqueline Ellison

"Being involved in all the sports. They have given me the chance to grow as a person."

~Casey Werner

"There are so many things that have been memorable. If any of you are in band, then you know that pretty much every day is a memory. Also, AP Biology. One day we're lecturing about genetics and me killing my flies, and the next day we're making up songs about oven mitts and plastic worms! My high school years have been memorable, and I'm going to miss all of it."

~Danielle Gould.

"The most memorable times of my high school years have been our cross-country camping trips, especially Mr. Smith's version of the "Bubble Gum Olympics." Mr. Smith got ready to start the contest and just as he said, "Ready, Set, Go" he spit his gum out into the dirt and we had to start again."

~Morgan Walker

you'll go!" *Dr. Seuss

"The time we got our candy bucket taken away. It was a depressing day."

~Yearbook Seniors

MAY I PRESENT TO YOU THE Class of 2009!

On May 30th, 2009, the graduation ceremonies started promptly at 9:30 a.m. The high school band, under the direction of Mr. James Bertucci, provided music, along with the concert choir and Prairie Singers, directed by Mrs. Angie Schilling. After a welcome by Principal David Larsh, the Class of 2009 listened to words of wisdom from Salutatorian Kristen Clark and by Valedictorian Laura Brassie. After the speeches, Mr. Larsh presented the CP Class of 2009 to Superintendent Charles Fink, who accepted the class and sent them on to Board Member R. Craig Seager. Mr. Seager presented diplomas to the class, and after Class President Jacqueline Ellison led her classmates in the traditional tassel ceremony, the students were declared graduates of Clinton Prairie High School, ready to move on to other areas of life. Proud family and friends awaited the graduates as they left CPHS not as students, but as alumni.

Homecoming 2008-2009

On Friday, October 3, before the 2008 homecoming game, the high school girls participated in the Powder Puff football game. The game was played on the football field with four eight-minute quarters. The underclassmen came together as one team to defeat the senior class and succeeded.

That night the Clinton Prairie varsity football team hosted the Lapel Bulldogs for the Homecoming game. The elementary student council and the high school cheer block combined to show their support for the boys as they ran onto the field. After the band performed their half time show, Jacqueline Ellison, escorted by Dustin Rusk, was crowned the 2008 Homecoming Queen. The Science Club was announced the winner of the Homecoming sheet contest at half time.

Pride of Prairie 2008

The Clinton Prairie Marching Band had a fantastic season with their show, "Visions of Our Planet." After participating in invitational contests at Lafayette Jefferson, Concord, and Twin Lakes high schools, they received a gold rating at their District competition, allowing them to participate in the Regional competition at Chesterton High School. At Regionals, the band also earned a gold rating, making Clinton Prairie history with the second regional gold in a row. Although they just fell short of making semi-state, they had a great year and went out with a bang.

The Winter Semi-formal was originally scheduled for January 10 but was postponed due to poor weather conditions. The dance was finally held on February 28 and was sponsored by the High School Student Council. "A Midwinter's Night Dream" was the theme of the dance, and Seniors Hillary Doyle and Dustin Rusk were named royalty for the night.

Mr. Buschman was the DJ for the night.

Clinton Prairie hosted University High School on Friday, January 30. The Prairiettes performed in between the Junior Varsity and Varsity games. The Harwood Ceremonies took place at halftime of the Varsity game. "At the end of the first quarter, we were ahead 33-4, and by the end of the game, we destroyed them with a score of 76-26!" commented Coach Ulrich. The crowd was anxious to find out who would take the crown. Gabby Angelova was named The 2009 Hardwood Queen as our Gophers took the big win!

2009 Revue, Featuring...

Senior, Laura Brassie, sings her last Revue solo, Paramore's "I Caught Myself." She and her band performed a great act that everyone enjoyed.

Erin and Ryan dance with the Prairiettes to "Ease On Down the Road."

The cheerleaders pose after working up the crowd. The girls danced to Rose Royce's "Car Wash."

Left: Jon Jarrett makes the crowd hungry after singing his Taco Bell song. He was accompanied by Cortney Funk and Steven Cavanaugh.

Right: Zach's dream comes true when five girls fight for his attention during "Womanizer."

The 2009 Revue was one to remember. The theme idea was to perform songs that were about Route 66 or the artists were from the Route. Cast members chose songs such as Rose Royce's "Car Wash," Britney Spear's "Womanizer," Haddaway's "What is Love," Paramore's "I Caught Myself," Michael Jackson's "Ease On Down the Road," and Rihanna's "Shut Up and Drive."

The Revue was directed by music teacher Mrs. Angie Schilling. She was assisted by Student Director Jon Jarrett, as well as Assistant Student Director Katelyn Smith. Under their direction, the cast worked hard to produce a successful, lively show. The high school band, led by Mr. James Bertucci, also played an important part in the show.

Above: Katelyn Smith sings Journey's hit song "Faithfully" with help from her band.

Left: The Sophomores show their belly dance.

Right: Raelyn does her last dance to Jamiroquai's "Canned Heat."

Left: Senior Ryan Walker does his final solo, singing the Senior Class song "Good Riddance."

Right: Hattie goes through the Evolution of Dance in the Junior Act.

Jon Jarrett is showing how original he can be by performing his song, "My Sky."

FAREWELL!

Mrs. Kellie Rodkey began her teaching career at Lebanon High School. She then worked at Frankfort High School for ten years before coming to her alma mater, Clinton Prairie, for the 2004-2005 school year. Here she started out teaching English 9 and Spanish 8 and later moved up to the challenge of vice principal. After five years with us, Mrs. Rodkey will be leaving Clinton Prairie. She will be working as an assistant principal at Avon High School come next school year. Mrs. Kellie Rodkey has been a great addition to the staff of Clinton Prairie High School. She has contributed much of her time and energies to CP's students and staff, both as a teacher and as vice principal; her hard work and dedication have been greatly appreciated and will be missed.

WHAT WILL YOU MISS MOST ABOUT CLINTON PRAIRIE?

"I will miss the relationships i have built here at CP."

WHAT DO YOU THINK IS GOING TO BE THE BIGGEST CHALLENGE AT YOUR NEW SCHOOL?

"The biggest challenge will be adapting to the size of the school. The school is much larger. Here I know every student by name. At Avon it will be a challenge to get to know the students."

WHAT'S YOUR FAVORITE MEMORY?

"I don't have just one favorite memory. I have many fond memories of the students at Clinton Prairie. We have great students here."

HOW DO YOU FEEL ABOUT MOVING TO A NEW LOCATION?

"I am excited about the challenge but will miss many people here."

YOU WILL BE MISSED!

The Varsity Volleyball team was 13-21 this year. They were second in conference and second in the county also. Coach Summers says the biggest highlight of the season was beating Clinton Central who had a 17-6 record when we played them. They weren't expecting us to be very good, and we played our best game of the season and beat them in three games! We held their hitters to eight kills total and their coach was so mad after the game that she declined comment to the newspapers." The most outstanding participants were Raelyn Rawlings who had 615 assists and also led in aces with 61. Hanna Molberg had 304 kills and also led in passing and had 222 digs. For the Junior Varsity there were four players who led the J.V. and were able to step into the Varsity as needed. These players were Bethany Segraves, Gabby Klippel, Brooke Miller, and Emily Hollis.

The varsity team ended the season with a 3-7 record. The team was led by three outstanding seniors. Coach Wines had a few words to describe the boys: Alan Barker was a very strong leader with a lot of heart. He was an exceptional linebacker and brought toughness to the team. Jon Jarrett was another strong leader and was considered a coach on the field with his large knowledge of the game; he also changed his position to help out the team. Jon Beale was the best coverage player in defensive backfield, and he was also a good leader.

The highlight of the season was the comeback victory against Delphi. The team was down 14-0 and ended up winning 19-14. Another highlight was the back to back shutouts against Turkey Run and Tri-Central. Coach Wines also had this to say about the team: "The seniors did a great job of leading a very young, competitive, and eager group of teammates to 3 victories and 3 other games in which they placed themselves in a position to win. We, as a staff, are very proud of this team's improvement and heart through the year."

The JV football season ended with an unfortunate 0-5 record. They played a lot of competitive and experienced teams during the course of the season. Some outstanding players were Joey Silva, Dillon Mang, and Cameron Carlson who led the team in rushing yards. Blake Hankins, Jesse Pugh, and Austin Fickle led the team in tackles, and Brandon Wines led the team in interceptions. Coach Haid commented on the team by saying, "This was a young team with a lot of potential. If they stick together for three more years, they could turn out to be a special team."

Kaleb Taylor, a freshman who wrestled at 103, was the county champion, and Jacob Endsley, who weighed in at 171, was the conference champ. The team agreed that the highlight of the season was taping up Coach Maxwell and running around the track with him. Coach Corbin had a lot of fun this year, and he's looking forward to next year!

CHEERLEADING

"Believe and act as if it were impossible to fail."

Dawn says...

The cheerleaders had a great year. They attended the NCA camp in St. Mary's in June. Awards won by the varsity squad included the Top Team Trophy, which is awarded to the team that exemplifies the best technique, skill, and performance; Technical Excellence in Jumps; and Technical Excellence in Stunts. Four team members were chosen as All-American Nominees and tried out for the All-American Team. Christina Bailey the team captain, made the All-American team for the third year straight and also received the Leadership Award, which is given to the cheerleader who exhibits superior leadership qualities throughout the camp with her squad, as well as in leadership and development classes. Another honor came the last day when Christina was given a staff application to become a National Cheer Instructor upon graduation. This honor is only given to a select few. At the fall sports banquet, the following awards were earned: Christina Bailey, Most Valuable Cheerleader, and Morgan Gray, Most Improved.

Coach Dawn Horlacher commented, "The winter season gives us a fresh start as a cheer team. We look forward to basketball season, knowing that we will work in our winter team members and knowing with this comes new and more difficult stunts to learn and perform. We have a talented and versatile group of young athletes who can move in any position and who are willing to work hard to achieve the level of success that they have." Prairiettes

This was Mrs. Bobbi Carter's first year coaching the Prairiettes team. She did a wonderful job and really brought back the meaning of a dance team.

" Our pom routine was amazing! The dancers worked hard and it showed! Jacqueline Ellison was a perfect Senior Captain. She led by example, worked up a sweat, talked kindly when giving a critique, and besides all that...she could dance! The highlight of our season was receiving compliments from parents and staff. As a new team, we set the goal of excellence, and the audience appreciated that," said Coach Bobbi.

Junior High Cheerleading

The highlight of the 2008-09 cheer season for the eighth graders was conquering difficult builds throughout the year. Some of the stunts the girls accomplished were the prep full down and half up to prep. According to Coach Shandi Lock, the most outstanding participants were Kayla Stephens and Allison Spray. Kayla really pushed herself in all aspects of cheerleading and became a great flyer. Allison was the most improved.

The seventh grade cheerleaders had a busy season, as well. They competed at the county 4-H fair and went to cheer camp during the summer. In addition, the girls practiced three times a week and went to tumbling at Indy Cheer. The seventh graders were coached by Edie Woodruff.

Front Row: (from left to right) Shelby Richardson, Kylie Miller, Kaitlyn Dunham;

The two biggest offensive threats were Ivve Weflen at the guard position and Paige Schoonveld in the post. There were several highlights to the season, but beating every county and conference school on the schedule had to be the biggest one, according to Coach Shaun Wines. The girls also won more games than in past seasons. "This was a scrappy, hard-playing group of girls who competed all the time, whether up or down on the scoreboard," said Coach Wines.

J.H. Girls Basketball

The "Fab Five" was a good name for the girls who made up the small but mighty eighth grade basketball team, which ended the season at a mark of 12-8. All five girls came together with few or no subs and competed in every ballgame of the season. A highlight of the season was Kelsey Dunham hitting a 3-pointer with 2 seconds on the clock to go to overtime and eventually defeat Southwestern.

J.H. Boys Basketball

EDITOR'S PAGE

Erin- Wow, it's our Senior year already. I'm really glad my two best friends decided to join Team Yearbook this year. I have had so much fun with you this year, and a lot of memories were made. I loved being hall monitors (that goes to the whole Team Yearbook). Thanks for taking the fall for whose butt was on the copier! I hope you have a lot of fun at ISU with Laura. Keep in touch, and listen to Laura, since I won't be there to make sure you don't get hit in the dome again ;) Love you!

Laura- I'm sitting here getting ready to type your little paragraph, and you tell me to put an apostrophe in 'Editor's'..haha. Thanks, Laura. You always did somehow keep us all in line when Buddy couldn't. I loved how you always had the guts to go up to the underclassmen and asked them for a pass, even though they looked like they were going to kick your butt! Have fun at ISU next year. I know you'll go far! Love you!

Angma- Oh, Angma! What would I do without you? You are crazy! Being in yearbook with you for two years was amazing, and I had so much fun with you! I'm glad you decided to do the cover. I know it took a long time, but it turned out great! It's one of my favorites so far! Have fun at Purdue next year. I know you'll go far. Just have fun, and show everyone that you have a great personality!

Buddy- Our only Junior on the Team! I don't know how many times I have told you this, but you make my day complete! I loved having you in my first and last hour classes! You are a really hard worker and kept everyone in a single file line. I know you will do the same next year to everyone. I would also like to add that you have an awesome bend and snap! :)

Kayla- We've been on staff for three years now! It's gone by way too fast! You were a really great worker to have on the staff. You got everything done on time, and you were always up for more pages, which was super nice :) I'm sure we'll see each other around campus next year! Good luck in all you do! :)

The Sabenator- Thank you so much for putting up with us this year. I know you probably got frustrated with us, especially when you took our candy away, but you always made us work really hard! Thank you for everything you did for us! **JACQUELINE**
