This year's theme for the Clinton Prairie yearbook is **TAKE TEN**. The theme seemed appropriate for the 2009- 2010 year to us: it shows that no matter what may happen in life, we just have to keep trying, whether things work out perfectly or not. This year has been very interesting -- good, bad, and, at times, crazy. As a staff, we have worked hard to create this yearbook; we hope you enjoy it.

ADVICE & MEMORIES

Two summers ago Kourtney Floyd, Samantha Wilson, Maddie Ramsey, and I went camping at Jellystone Park. One day we were riding the golf cart, and Sam and I were on the back. Kourt was driving the golfcart, and then we had this brilliant idea that at the stop sign, we would jump off and see if the other two would notice. As we were jumping, Kourt took off, and Sam and I fell on our faces! We got scraped up, and the bad thing was that we had to find our way home by walking. Then to top it all off, we attracted some pretty hilarious hillbilly boys that followed us on their pimped-out golfcart whenever they got the chance.

- Aly Dieter

If you ever decide to take [Senior] English, be prepared to be wrong...a lot.

- Cortney Funk

I got the amazing opportunity to press my soft, luscious lips against Cody Hemmerling's while kissing him in the play my junior year.

-Samantha Estess

Stop the drama! High school goes by wayyyy too fast to worry about that garbage!

- Jen Stevens

Don't be afraid to be who you are.

-Samantha Wilson

MY SENIOR YEAR WE WERE PLAYING TOWNBALL, ADVANCED P.E. AGAINST FRESHMEN. THEY HAD ABOUT THREE TIMES THE PEOPLE WE DID. THEY ONLY HAD ONE PERSON MAKE IT TO THIRD BASE, AND THE ADVANCED CLASS SPENT THE WHOLE TIME RUNNING THE BASES. WE WON 34-0, AND THE FRESHMEN WERE BANNED FROM PLAYING THE REST OF THE YEAR.

-CODY HARNESS

At one of the pep sessions, Mr. Larsh did the "Souljah Boy" dance. Everyone laughed!
-Brianna White

My best memories come from hanging out with my friends, blasting the radio in our cars, with the windows rolled down, and getting to direct the Revue my junior and senior year.
- Katelyn Smith

Every year Jen Stevens and I were partners in science together, and in Chemistry she almost set my pants on fire with a Bunsen burner because we knocked it over and didn't notice!
-April Farley

My best memory has to be when everyone stashed milk in one locker for months. Then it all spilled, and the whole school stunk for a week.
-Brandon Finnerty

I remember walking down Times Square with the band while singing at the top of our lungs.
-Sara Huskins

My best memory would be the girl's cross country team winning the Clinton Central Relays. We were the first team in CP history to win it, and it was an awesome feeling, knowing all the hard practices we had to endure paid off.
-Hattie Cullom

Seniors do what they want. Get used to it. - Steve Cavanaugh

Sammy Estes and I were partners in foods class, and we were washing dishes with the hose that you pull out next to the faucet. Sammy went to put the spout back in place, and the handle got stuck, so water was spraying out everywhere. We both panicked and held towels up in front of the waterfall. Neither one of us thought of the bright idea to turn the water off!
- Abby Myers

Enjoy it while you can! It doesn't get any easier than this!
-Kyrsten Dunham

Don't try to boss seniors around. We've been here longer than you, making us less sane, and no one likes messing with crazy people. - Cody Wheeler

At 10:30 A.M. on Saturday, May 29, 2010, the Class of 2010 participated in the forty-ninth annual commencement exercises at Clinton Prairie High School. After being welcomed by Principal David Larsh, the class listened to addresses from Salutatorian Cortney Funk and by Valedictorian Britny Graves. Music was provided by the high school band, under the direction of Mr. James Bertucci, as well as by the high school choir, directed by Mrs. Angie Schilling. After Superintendent Charles Fink accepted the candidates for graduation, diplomas were presented by school board member Mr. Craig Seager. Steven Cavanaugh, class president, led his classmates in the traditional tassel ceremony; then the graduates were on their way. Congratulations and good luck to the Class of 2010!

Homecoming 2009

The Clinton Prairie High School Homecoming football game took place on September 11, 2009. It was a beautiful fall evening to play football and to celebrate the crowning of CP's 2009 Homecoming Queen, Senior Maddie Ramsey. Our Gopher boys stomped on the Tri-Central Trojans, 57-22. Other highlights from the game, besides the outstanding score, were John Schubert's 13 tackles and Slayd Schimmel's 158 all-purpose yards.

"Set! Run it back! I said run!" These, among other phrases, are very common at everyday band rehearsals. The band received Best Drum Major and a Gold Rating at Lafayette Jeff and at Twin Lakes. They also participated in Purdue Band Day and performed at halftime with over 16,000 students from other schools along with the Purdue Marching Band. At the end of the season the band finished with a silver at District. Even though they didn't make it onto Regionals they did accomplish one of their biggest goals... **BEATING PIONEER!!**

Fall Dance 09-10

The dance this year was one to remember. It was held on November 7, 2009 (earlier than usual) just to make sure it wouldn't be postponed again due to weather problems. It was a night of fun and excitement as our own Mr. Greg Buschman, the DJ for the night, played all of the songs that everybody loved to dance to throughout the entire evening.

The Senior Class Strikes A Pose

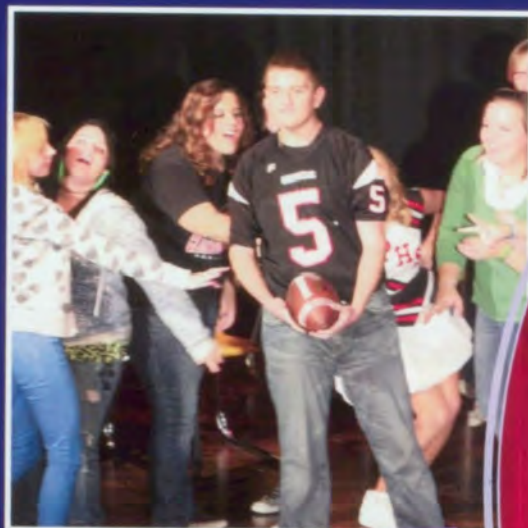

How to Make a

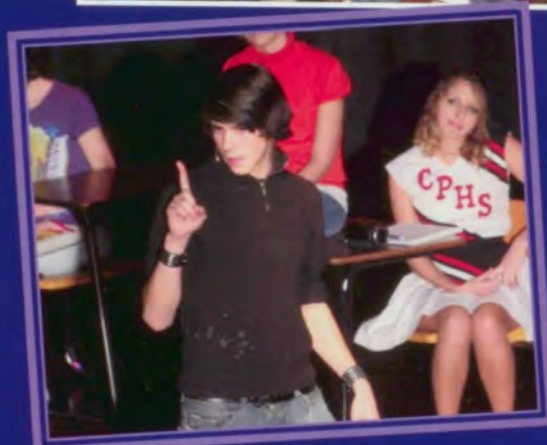

This year, the Clinton Prairie Drama Club presented the fall play, How to Make a Musical. It takes place at a high school, so it's just a normal school story.... well, not so much.. Full of many twists, it was a very entertaining performance. Julie Miller of Frankfort's Civic Theatre took over as director of the 2009 fall play. Seniors Leah Kelley and Cody Hemmerling had the leads in the play.

Hardwood

The 2010 Hardwood ceremony was held between the JV and Varsity basketball games against Sheridan. The event was moved from February 5 to February 16 when bad winter weather caused a postponement. On the night of the game, all the class representatives were presented. Then Senior Abby Myers, escorted by Mason Lucas, was crowned queen of the court. The basketball game following the ceremony was also exciting, as Sheridan edged our Gopher boys with a last-minute shot. The final score was Sheridan 68, Clinton Prairie 67.

Senior Katelyn Smith was the student director, and the two assistant student directors were Juniors Laura Fritz and Brianne Little. The Revue was held on March 18th and 19th, 2010, and was a big success.

Heart

Effort

Determination

These three motivational words were given to the team by Offensive Coach David Joseph. Coach Joseph died in a tragic automobile accident towards the end of the season. A former CP grad himself, he was a great coach and will be greatly missed. Although Coach Joseph wasn't there for the last game, he was in the hearts of the football players and fans and will be for years to come.

Highlights of the season, according to Coach Wines, included going undefeated at home, soundly defeating Tri-Central at our homecoming (breaking two school records in the process), and having twenty-one Top Three entries in the school's record book for the 2009 season

The varsity football team, coached by Shaun Wines finished with a record of 5-5. Offensively, Brady Woodruff led the team in rushing with 1354 yards , the sixth best in school history.

Slayd Schimmel had 1094 all-purpose yards, tied the school record for the most 2 point conversions in a game, and had the second longest punt return for a TD (65 yds). John Schubert had 952 all-purpose yards and the third longest TD in school history, with a run of 90 yards. Defensively, John Schubert and Stefon Crye tied for the team's leading tacklers with 73 each. Stefon led the team with 6.5 sacks (third highest in school history), while Cody Pitzer led the team with 6 interceptions (second highest in school history).

Coach Wines described 2009 as "a roller coaster season. We had some growing pains early in the year as we learned to play new positions and to play together." Coach described the team as "a great bunch of men to work with who have lots of personality and humor."

Charles Hill was awarded both the team and the conference sportsmanship awards, and Adam Schrock was named most improved team member. In addition, the 4 X 100 relay team of Joey Silva, Josh Stevens, John Schubert, and Slayd Schimmel set a new school record and also won both conference and county titles in their event. The highlight of the season was coming in as runners up in the county and conference meets, as well as the Delphi Relays.

You Will Be Missed

"Treat [students] as if they were what they ought to be and you help them to become what they are capable of being." -Goethe

(one of Mrs. Hudson's favorite quotes)

"Often in the classroom, near the end of class, I look at the clock and mutter, 'at my back I always hear / Time's wing'd chariot hurrying near.'" (from Andrew Marvell)

Mrs. Marcia Hudson

Mrs. Hudson started teaching here at Clinton Prairie 30 years ago. After she graduated from Mulberry High School, she chose to pursue an English degree rather than to go into law, as she had originally planned. Mrs. Hudson went to Ball State University for English and psychology and earned her B.S.; then she went to Purdue University for her M.S. in English Education. When asked why she picked English as her field of study, Mrs. Hudson answered, "My high school English teacher inspired me. I always felt the field picked me."

Mrs. Hudson's favorite memory is of *The Gopher's Den* (our school newspaper). Another memory of hers is the following: "I remember one year my senior class, as a prank, disconnected the PA speaker in the classroom -- and we had two days of uninterrupted class before I swore maintenance to secrecy to have it reconnected." Mrs. Hudson plans to spend her retirement "figuring out what retirement is." The things that she'll miss most about her job are the students, the staff, and learning something new every day herself.

Mrs. Karon McColley

Mrs. McColley has been teaching at Clinton Prairie for 42 years. After graduating from Rockville High School, Mrs. McColley went to Indiana State University and received both a B.S. and an M.S. in art. "I've always loved art, and there were two teachers whom I really admired. I've loved being an art teacher, and I would do it all over again! I'll miss the intellectual and artistic challenge of my job, my adult friends, my room, and of course, my students." Mrs. McColley's favorite hobbies include shopping, computers, flowers, and bicycling. She related her favorite memory while being at CP: "In 1976, when I was getting ready to take a maternity leave, my students presented me a beautiful, double-glass globed lamp with orange painted flowers in front of the entire student body. I was deeply touched by their thoughtfulness. I still have the lamp, and I will never forget those students!" Mrs. McColley plans to spend her retirement traveling to Italy and France to see the great art of the world, as well as just relaxing and enjoying the freedom to "do what I want to do when I want to do it without schedules!" And of course she'll spend more time with her two grandchildren.

"When things go wrong, and they sometimes will... REST if you must, but DON'T you quit!"

Editor's Page

Karla - Came in this year new to yearbook, just like most of the other staff members. I didn't really know Karla very well, and to this day I still don't know Karla that well because she never talked. The one thing that I do know about her, though, is that she is one of the hardest working kids I know, and it was a blessing having her on staff.

Elizabeth - Was also new to the year book staff this year. Well, I guess everyone is except for me. Elizabeth also had a great work ethic and never seemed to complain about any of the pages she was assigned to do. She always had a smile on her face.

Kara - Did her fair share of the work this year. But I would also say that she did her fair share of throwing her candy wrappers onto my desk and trying to get me to throw them away. She and other staff members would throw candy back and forth at each other, too. All in all Kara did a wonderful job this year, and I am sure Mrs. Abney would love to have you on her staff next year.

Sara - Is seriously amazing at what she does. She was so artistic and fun with all of the pages she did. I don't even know how she did some of the designs she made. Sara is a very talented and smart student. I wish her the best of luck next year with her future plans.

Aly - Is also a very creative thinker and was pretty good at designing some pages. There were some days when she and Kourtney would get to talking and they would kind of just forget about their work. But that's okay, because it happened to all of us.

Sam - Was actually very quiet this year, which I wouldn't have normally expected. But I know she had some good times. And she always got her work done and was willing to help out with other pages. I also wish the best of luck to her next year at Ball State.

Kourtney - A.K.A (Fartney) haha, it's a long story. But anyway, Kourtney was a tremendous help this year, even though she had her cranky days. She would always help me out with my pages when I needed it. She would give me advice on where to put certain pictures or how to reword something. Whatever I needed help with, she would always lend a hand. So thank you, Kourtney, and I wish you the best of luck next year at IUPUI.

Brandon - Also known as Dirb, has been one of my good friends all throughout high school. It was great having him on staff this year just for the good times and rocking DB and High Roads with Josh. He was also pretty good at his pages.

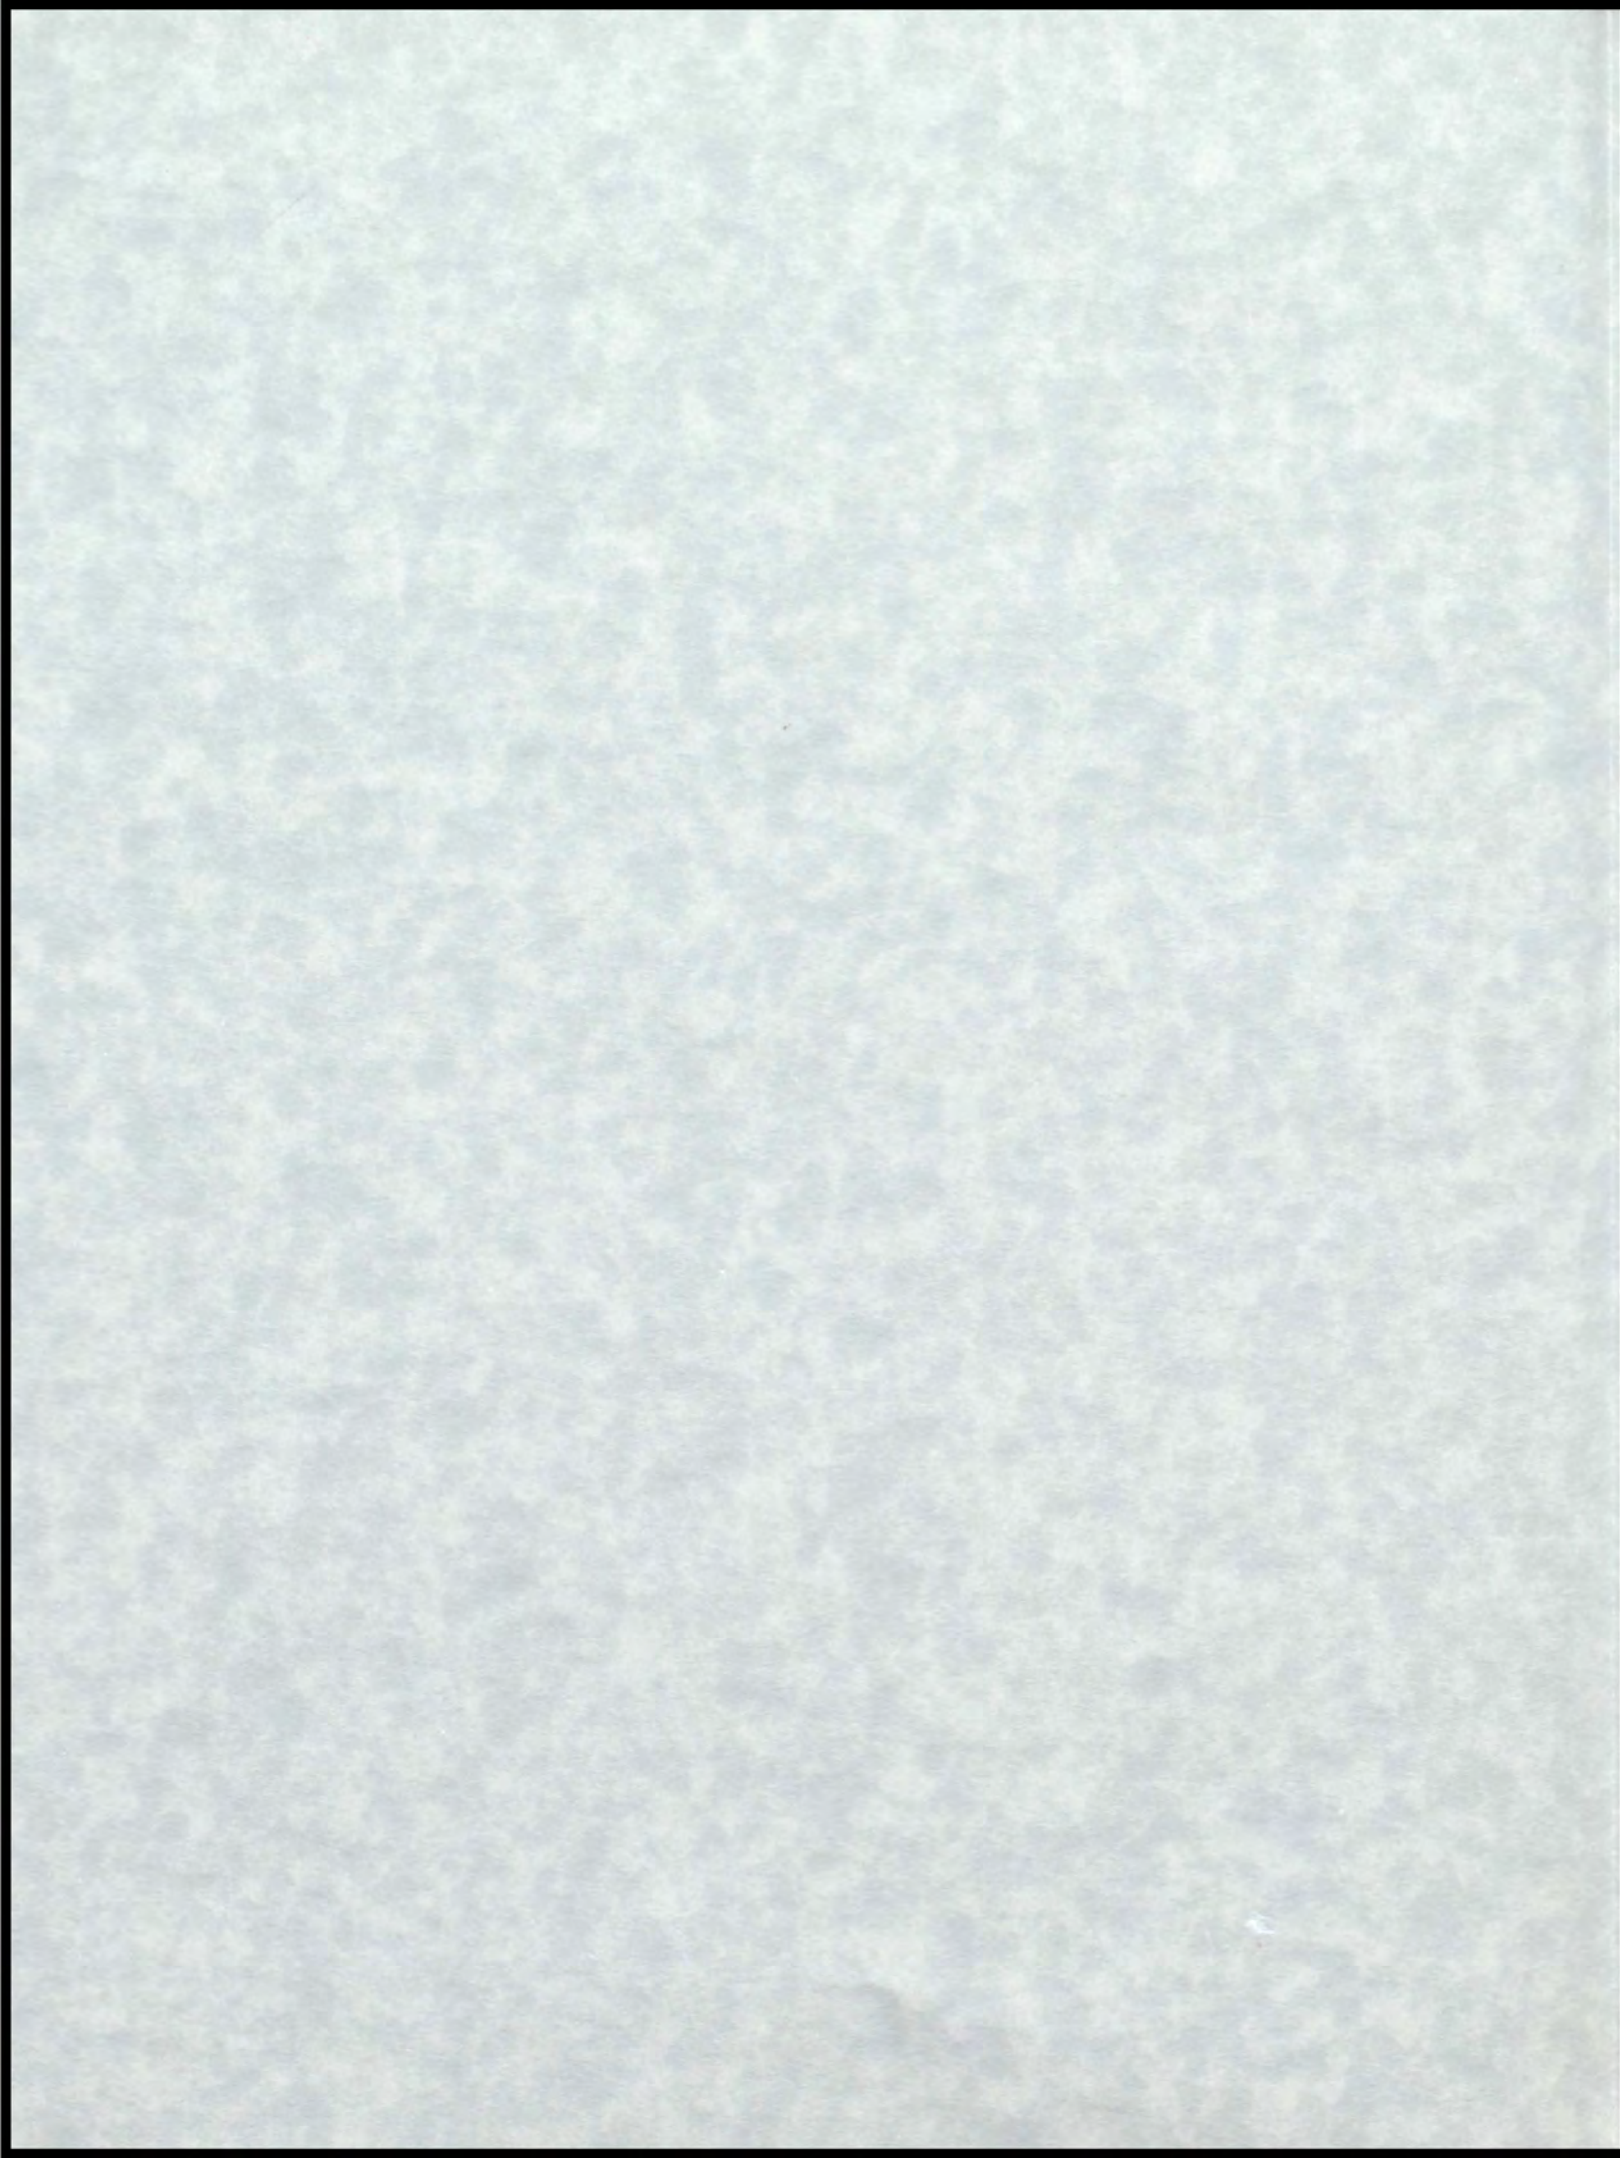

Josh - Has also been a pretty good friend throughout the years. It was nice having him on staff for some good laughs this year. He would rock DB with me when Dirb couldn't keep up, haha. I wish the best of luck to Josh in whatever he decides to do in his future.

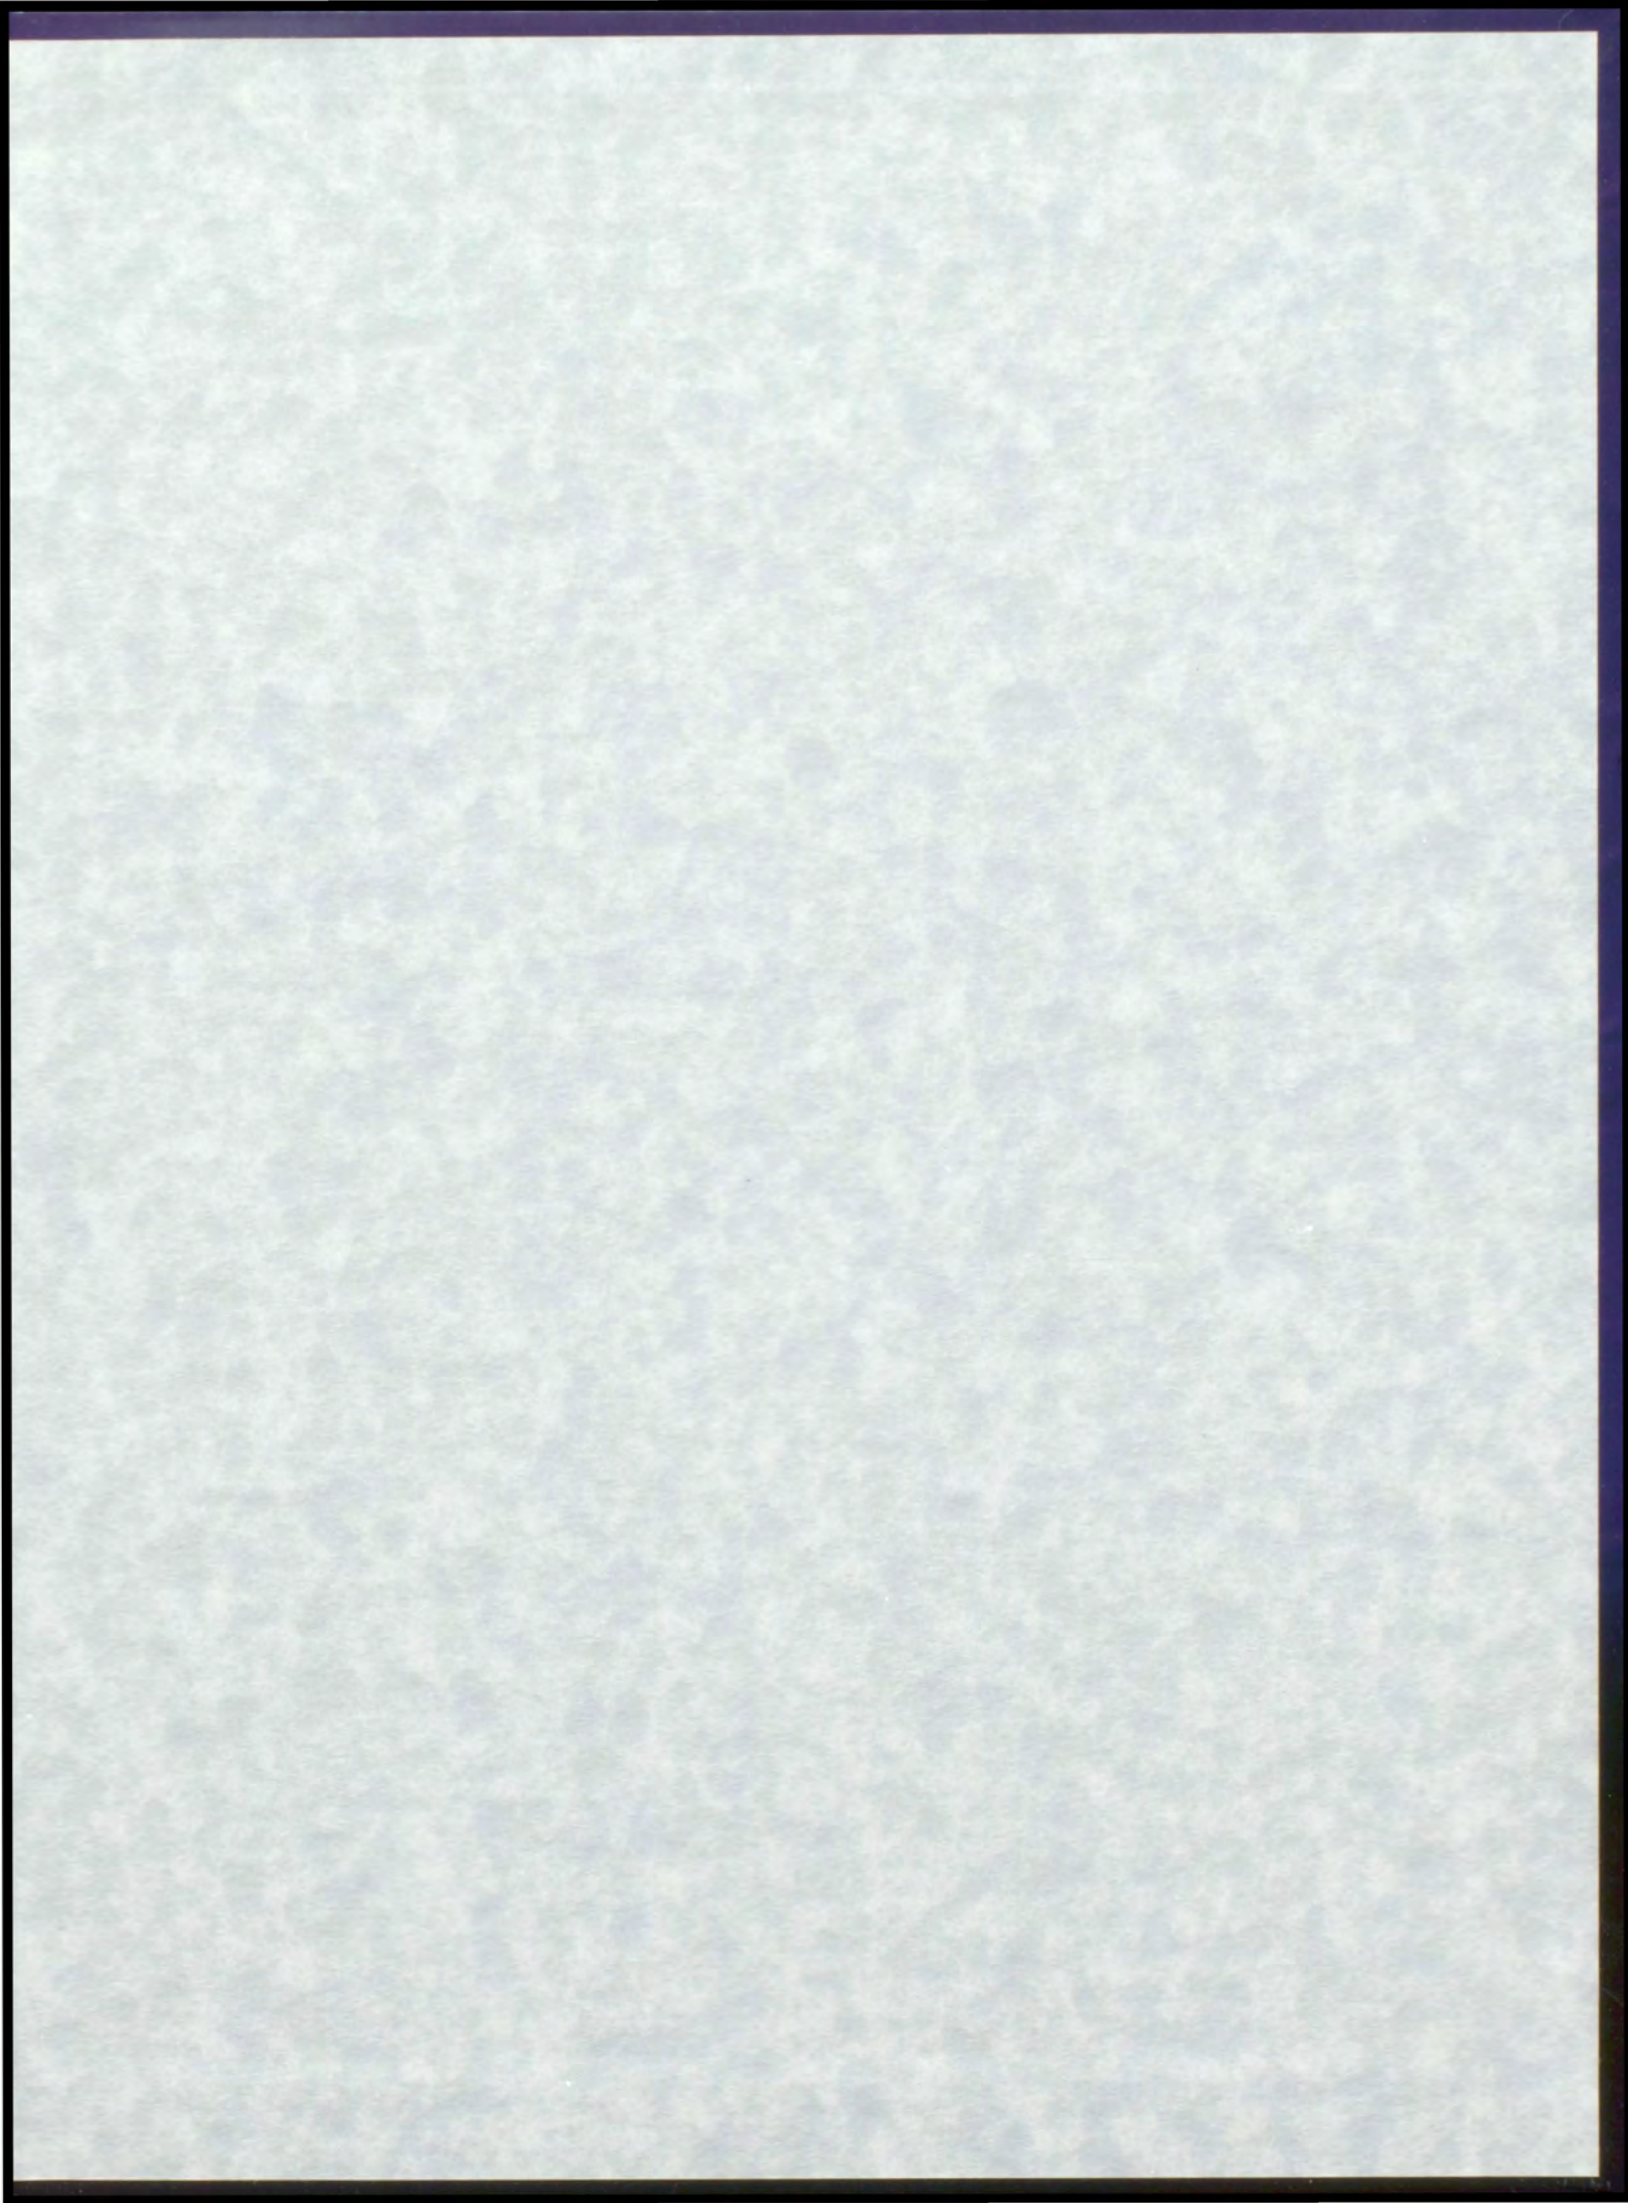

Mrs. Sabens - The past two years with you in yearbook were a blast, and I will miss you, just like I am sure all of your students will, because you are an amazing teacher and person. Thank you for being such a caring and loving person.
