CLINTON PRAIRIE

2017-2018

TEAM

86 WINS 32 LOSSES

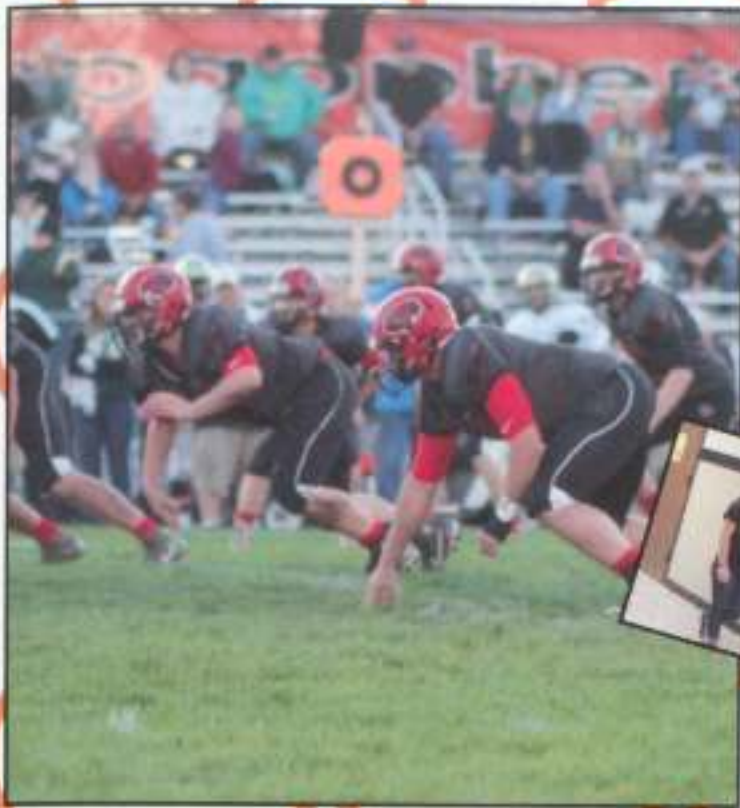

81 WINS 31 LOSSES

THIS YEAR HAS BEEN AN AMAZING YEAR. OUR CROSS COUNTRY TEAM MADE IT TO REGIONALS AND HAD WON 2 CONSECUTIVE YEARS IN A ROW! JACOB HAMILTON AND REBEKAH LLOYD ENDED UP FIRST FOR PRAIRIE. PRAIRIE ALSO WENT TO SEMI-STATE THIS YEAR!

Happy Fall Y'all

Varsity Girls GOLF

COACH'S CORNER:

Jim Collum

Q: What were your overall thoughts about the team this year?

A: They made a lot of improvement throughout the year. One of the highlights of this season was having two players make the all-conference team, Holly and Katelyn.

Q: What goals did you have this season?

A: We wanted to improve our average scores from last season by five strokes. We also wanted to have a combined team average of 275 or better. We were able to achieve both of these goals!

Q: What do you think the seniors, Holly and Katelyn, contributed to this year's team?

A: They were the two co-captains and showed great leadership and organizational skills. They also helped keep the overall team morale high.

Fall Formal

*Happiness is finding the
perfect dance partner*

"My favorite part of formal was getting to dance with my friends."
-Holden Wilson

"My first formal was a lot of fun. I didn't expect people to dance in one big group!"
-Kaitlyn Jarrett

"My favorite part was going out to eat with my friends before the dance"

TEACHER'S CORNER

What do you love about teaching art?

The thing I love most about teaching art is that not only do I get to come to work every day and play with new and different things, but I get to see all of the creative things that students come up with that I haven't even thought of yet. Seeing students go from "I'm not good at art Mr. C" to asking what classes they can take next semester because they had so much fun is one of the best perks of the job.

GIRLS

"If you put your effort and concentration into playing to your potential, to be the best that you can be, I don't care what the scoreboard says at the end of the game, in my book we're gonna be winners."

BASKETBALL

Jr. High Girls **Basketball**

Coach Kayla Pearson said that she wouldn't change anything about the season, and she hopes that these girls keep working hard now because it'll make it easier when they play at the next level. Coach Pearson said that from the beginning of the season to the end, she saw a lot of improvement, and hopes she continues to see that improvement next year!

"Hard work beats talent when talent doesn't work hard."

"Five players on the floor functioning as one single unit: team, team, team - no one more important than the other."

JV Girls BASKETBALL

ONTO THE NEXT CHAPTER... CP STAFF

MR. SULLIVAN

The past 3 years at Prairie have led to some the most rewarding moments of my life. From watching kids break out of their shells to seeing students work hard to better themselves, everyday has left me with something to smile at. It amazes me at the students ability to bounce back when everything seems to be going wrong, and this is something I have seen a lot from the students at Prairie, and it is why I am proud to have been a part of this amazing community and school for this long.

MISS MILLER

I feel blessed to have been a part of the CP family. Even though I will be at another school, I'll be back to visit now and again! I have so many memories that I treasure, it's impossible to pick a favorite. So instead of that, I'd like to say thank you to all of you students who have let me be a part of your education journey. It has been an honor watching you all grow and become compassionate young adults. I am humbled by the leadership and courage each of you has shown in all that we have been through these last three years.

MRS. JOHNSON

I have loved my three years here at Clinton Prairie, but it is time to pursue another coaching opportunity. I will begin teaching and taking over as the Head Girls Basketball Coach at Martinsville High School in the fall. Most of my favorite memories at Clinton Prairie include the girls on the basketball team. From prank wars at team camp, lip sync battles and competitions, Get Air and Zoo Days, to everyday laughs at practices. I'm going to miss all of the girls the most.

MRS. BLAYDES

I started working at CP in September 1989. I worked two years in the Computer Lab, 20 years as secretary in the Counseling office and 7 years as the High School Secretary. I have many fond memories of Clinton Prairie.....to many to mention! I will miss working with the students and teachers. I plan to spend more time with my grandchildren and more time in California with my son and his family.

MRS. McLAUGHLIN

I plan on spending time in our Florida home, sew, read and learn calligraphy. I have been here at CP 15 years (Started in August 2003 and I will finish August 31, 2018). I've had so many memories here, and a few of my favorites are Donkey Basketball, Craig Bowen winning CP's first Lilly Endowment Scholarship, Skiing in mud with the 8th grade on a 50+ degree day. Easily, I'll miss the people. From the students, staff, administration, community, I will miss them all.

MRS. MOON

What I will miss the most about Clinton Prairie is the sense of family it provides to all students and staff. It is remarkable the amount of love and care that flows throughout this school. I have so many wonderful memories that it is impossible to share all of them because there are too many from which to choose. Fun fact, I retired last year, but then decided to come back to help out this year.

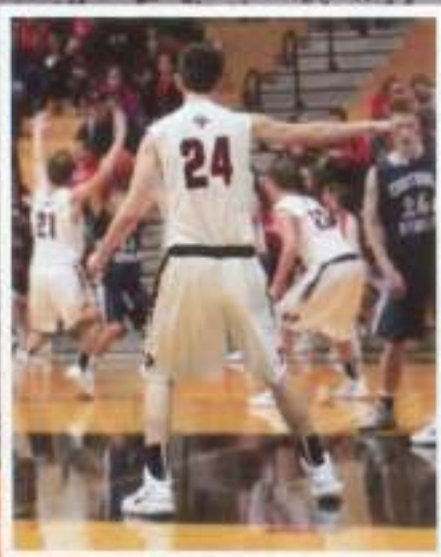

Jv Boys Basketball

"Stick with your man. Think of him as chewing gum. By the end of the game, I want you to know what flavor he is."

Country Life

I like showing because I like working with cows and competing.

I like going out and competing in the ring. It's always fun to go out and compete against my friends or people I know and it's just something I enjoy doing.

What I like about showing..

cphs ALUMNI

1. **Morgan Shields** currently studies at Ball State University and is working toward a degree in accounting.

2. **Thomas Comerford** is currently an art teacher at Clinton Prairie. He graduated in 2000 and returned to teach in 2014.

3. **Katie Hamilton** is the mother of two current CPHS students, Jacob and Ted Hamilton. In her spare time she enjoys spelunking and playing with her dog Roxy.

4. **Nevan Freestone** is a Freshman at Trine University. He is on the wrestling team and plans on graduating in 2021.

5. **Jade Mulvaney** graduated from Clinton Prairie in 2015 and is now a member of Indiana University Northwest's volleyball team. She is studying elementary education and plans to graduate in 2019.

6. **Renee Shoemaker** graduated in 1988 and has returned to Clinton Prairie to teach fifth grade. During her time in high school she was involved in volleyball, basketball, and student council.

7. **Kelsey Lewis** graduated in 2006 and currently works at Clinton Prairie as a language-speech pathologist. She is also the junior varsity volleyball coach.

Stephanie Schrock Pomerence

Stephanie graduated from CPHS in 2013 and was valedictorian. She continued her studies at Indiana University and graduated in 2017 with a degree in Spanish and International Studies. She was involved in many clubs including band, Z club, basketball, track, and Key club. She got married in July of 2017 and currently lives in Nairobi, Kenya where she teaches English to Somali refugees currently living there.

Kirsten Clark

Mrs. Clark began attending Clinton Prairie in fifth grade and graduated in 1985. She was involved with Clinton Prairie's cheerleading team, band, pep club, and revue. Kirsten says that Clinton Prairie gave her some of her greatest lifelong friends, and she still cherishes those friendships today. She is currently pursuing her first year as CPHS principal and says she is "happy to be home."

Kenneth Boller

Kenneth is currently serving our country as a part of the United States Marine Corps. So far on his journey, the marines have taught him good order and discipline. He has also learned how to deal with suffering and what true suffering is. Kenneth says that the most important thing he has learned is selflessness. His fellow marines are all he has and he respects them. He finishes his time in the Marines in May of 2019.

William "Rus" Doyle

Rus Doyle was a part of the 1983 graduating class. During his time as a student at Clinton Prairie, Rus participated in basketball, Latin club, and was a class officer. He currently works at the Farmers Bank and has for the past 28 years. He married Jana Doyle in 1988 and they had a son and a daughter. He returned back to Clinton Prairie 15 years ago to help with the varsity basketball program.

Ellis Jewelers

Where are they now?

i ♥
dance

PRAIRIETTES

My favorite memory of this year was when the Prairiettes danced with the Frankfort fire dance team to express how strong our community has been and continues to be towards the families who have lost loved ones in our county. The Indiana Pacemates choreographed that routine for the girls and had their heart into as much as the dancers. - Amber Pletch

What I love most about dance is being able to teach the girls to be strong, do what we are here to do and that is to entertain out crowd (all genres), support and cheer on our team with enthusiasm.

Amber Pletch

Hennen

I enjoy that the team takes on the personality of the players. Every year, the team is pretty much the same, but every individual influences the overall personality of the team. Our team is young, but we have a lot of potential if we come together we will have a good season

Scott

What I enjoy most about this team is their character. They are great kids who work to be better. I think this group can be special if we all focus on the little parts of the game. My goal for them is to be better players and men when they leave this year. Failure in baseball is inevitable it's how you deal with failure that counts.

Boys Golf

**"Always give a total effort,
even when the odds are
against you." -Arnold Palmer**

Senior, Braiden Fingerle, says that his favorite part about golf is just being outdoors and playing the game he loves with some of his greatest friends. One piece of advice he would offer to the rest of the team is to take time and enjoy the game, and even if you have a couple bad shots, always keep your head up.

Battle of the Books

The boys listening to the group leaders last minute advice.

Mariah Burton helping her team figure out the answer.

Luke Longnecker preparing for a question.

Jaycie and Mitch posing before the questions.

Katie and Emma comparing knowledge about the same book that they read.

Some members of VLA posing for a picture.

All teams eating pizza before the night starts.

The girls fueling up before the night starts.

Olivia, Peyton, Holly, Hailey, and Bre getting ready for the night to start.

VLA and their last minute pep talk.

CP Winner:

The team **Book, Line, & Sink it** took home a win for their team. The team won at the local CP level and advanced to county where they faced Frankfort, Clinton Central, and Rossville and won.

-Advice From Your- 2018 Senior Class

Zac Randle

Jake Simon

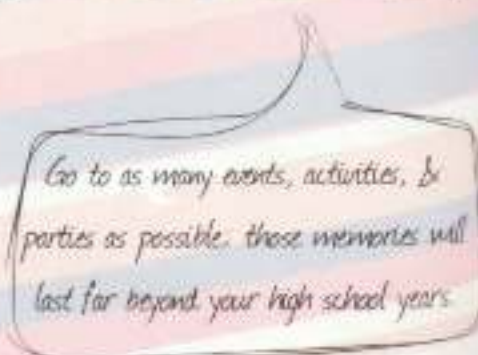

Anna Albaugh

Tanner Jenkins

Maggie Hefling

Holly Loveless

If you want a good GPA when you're a senior, start freshman year. That's when you set the pace, and you're going to wish you cared more later.

Be in the play. Go to dances because once you're out of school you won't have the chance. Don't be afraid to try things!

Natalie Vote

Do what makes you happy, don't listen to what others have to say. Don't be afraid to talk to the teachers! Most of them are sweet and understanding.

You will make it through this. It may not seem like it, but one day you'll look back on this as the 'good old days'. Treasure it while you can.

Alie Rico

Once you graduate, many will only remember you for who you were in high school. So take this time to find yourself, and show everyone who you really are.

Display your personality for all to see, showcase your talents, and don't hesitate to do what you're passionate about.

Make it Count!

JUNIOR HIGH TRACK

OUR STORY . . .

Seventh grader Timmy Hefling sees himself as a student that is very helpful. He never hesitates to help a teacher or classmate when they need it.

Timmy's best memory of junior high is going to basketball games, where he can be with his friends and cheer on his school. He also enjoys going to Clinton Prairie with his older sister, Maggie, and enjoys being able to see her in the hallway.

Joei Lynn, an eighth grader at Clinton Prairie, feels she stands out because she doesn't let other people's opinions effect her. A major challenges she's faced is always having to work hard to maintain good grades. Joei likes to think of herself as a fun person. Her best memory at CP is getting to experience the boy's varsity basketball team beat Frankfort during a buzzer beater.

Chloe Thomas is a freshman at Clinton Prairie. She stays very involved with our FFA program and participates in many events, such as the FFA community breakfast. Chloe's favorite high school memory so far is going to the homecoming game for football. She loved watching our team and seeing the halftime ceremony.

Grayson Snyder, a sophomore at CP, says his most memorable experience in high school is being a member of the pep band. This is when he had the opportunity to be surrounded by his fellow band members. He especially loves the environment that pep band provides. Grayson is also involved with the bowling and ACE team.

Tatum Neal is a junior at Clinton Prairie. She stays very involved with her school through her membership with Key club, Student Council, and National Honor Society. This year Tatum scored her 1,000th career point in basketball. This was her most memorable experience during high school, especially because she was surrounded by her teammates, family, and friends.

Kaleb Endsley is a senior at Clinton Prairie. He stays very involved with his school by being a member of science club, key club, and drama club. Kaleb is proud of all the hard work that he does. He works almost every day at Cinnabon. This is something he enjoys doing and stays involved with. Kaleb's best memories at CP are the fun field trips he was able to go on with the science club.

Savana Anes, a senior at CP, is very involved with her school. She has been a yearbook staff member for the past two years and was the girls varsity basketball manager her freshman year. Her best memory in high school is being able to meet people and learn new things about them. She works hard at her job and staying on track to graduate.

Senior Brooke Brumbarger is involved in many activities in her school and community. Some of these are Ice All Star Cheerleading, Z-Club, 4-H, and National Honor Society. Brooke feels like her personality stands out the most out of all of her traits because she is caring. She is always there for anyone who needs it, even if she doesn't know you.

Jaycie Pletch

You have had such an eventful High School career and it has been such a pleasure watching you succeed in all these challenges you were given. With your success from academics, sports, to club officer, and senior class secretary, you continue to achieve your goals in life. We are so proud of you and who you have become. We wish you nothing but the best in your future and reaching the goals you set for yourself.

Love, Mom and Dad

From the time you started walking you had a mission on your mind. You have set goals for yourself and accomplished things along the way we could only have wished for you. You have been to see places around the world we could only imagine. And now your next journey is right around the corner... Keep walking that path, reaching for your goals and don't let anyone or anything stop you.

Love,
All your parents, grandparents, and family

Breanna Smart

Anna Albaugh

Katelyn Austin

From the minute you were born, we have been so proud. You are beautiful on the inside, as well as the outside. This beauty is shown in your generosity and love for other people. Your smile and happiness is such a blessing. Always remember to count your blessings, keep your chin up and keep your eyes on the goal.

Remember your priorities. Smile. Live. Love. And most of all - keep your sense of humor! We love you so much and we are so very proud of you!

Love, Mom, Dad and Bub

I wish you the strength to face challenges with confidence, along with the wisdom to choose your battles carefully... I wish you adventure on your journey and may you always stop to help someone along the way... Listen to your heart and take risks carefully... Remember how much you are loved... I'm so very proud of you.

Love, Mom

Savana Anes

So proud of you, keep
up the good work.
Treasure these passed
school years! Keep
focused on your future
plans.

Love you always, "Baby
Girl"
Grandma and Grandpa

Where do I even begin? The last 18 years
have went by so fast. It seem like only
yesterday you loved playing with your toy
tractors, going to the park to play, and
being outside with your brothers. Now
we are celebrating your graduation! We
have been at your side during the good
times and bad, and we will always be
your biggest fans no matter where life
takes you. My advice to you is never
take anything for granted and to live
each day to the fullest! You will do great
things in life! We love you Bransen!

-Mom, Dad, Braden, and Brennen

"Cherish your yesterday, dream your
tomorrow, and live your today."

A lot of people probably think that yearbook is just an 'easy A', but it's actually so much more than that. You really have to work your butt off and then sometimes you still don't get an A! It's a really cool experience to be able to capture, document, and look back at all of these moments, and I'm happy that I was able to contribute. Not only was creating the yearbook fun, but I also got to spend time and make even more memories with some of my closest friends. I wish all the best to the students in my yearbook class.

Kelsey Shields

Being a part of the 2017-2018 Yearbook staff has brought me closer to some of my classmates. I enjoyed learning some new photography skills, and I really enjoyed taking pictures of people, and just capturing who they really are! This class has opened the door to so many new opportunities for me, by being able to meet new people and really show my creativity on my pages. It has been an awesome experience and often times, the best part of my day.

Katelyn Boller

Having the opportunity to be a member of the 2017-2018 yearbook staff has been amazing. I love getting to work together with my classmates to create a book full of memories. This class has allowed me to explore creativity and learn photography skills, which is something that I will carry with me for the rest of my life. I have many positive experiences in this class and I am very grateful that I was able to contribute in creating this yearbook for all of the students and staff!

Y E S T A F F R B O O K

Brooke Brumbarger

I was really excited to be a part of the yearbook staff because I love taking pictures and talking to people. I never realized how creative I was until I started with a blank page and then I took off. One creative idea after another. If I had a question whether or not something looked good I knew I could ask anyone in the class and they would help me. We all started out as just classmates with one objective and ended as a family and a finished product. I never knew how good it would feel to look at the yearbook and be like "dang we did that".

SENIOR EDITOR:

Savana Anes

Yearbook is such a great time, I love going out and taking pictures then coming back to class and messing with the brightness, and may even turn it into a png. This year we have more new staff and they are amazing. They tell you things that could help your page look better. They are so creative, like Brooke she is really creative when it comes to things like the senior quotes page she had such great ideas for it and it looks amazing. Brooke

came in everyday ready to finish her page and get some new ideas. I could ask Brooke for her opinion on something and she would tell me what she did and didn't like about the page and would give you ideas to fix it. Lauren, she is also creative she has such great ideas when it comes to colors and layouts. She takes such great pictures. She has a really good eye for "bad" pictures. Kat, is really funny and is there if you need to ask a question about your page. Kelsey's pages turned out great and she would ask what you thought so she could make them great. Her golf page turned out great. She had a great idea about an alumni page and that was such a great page. Kim, this is her second year to, she is such a great friend. I asked her so many times what she thought of my pages and she would tell what she likes about it and what she don't. She is so organized when it comes to her pages. She writes all the players down then goes through and makes sure she has everyone on the page and I like that she includes everyone. Kim always brought food and was "like don't judge me I'm hungry". I'm really going to miss yearbook, I have made so many memories and became friends with people that I never thought that I would be friends with. This class has made me realized that I love taking pictures and editing. Mr. C is a great teacher he puts his thoughts into your page and then says "that's my thought." I am really going to miss taking pictures at events and helping create the yearbook and meeting new people. Taking this class has made me want to be a photographer.

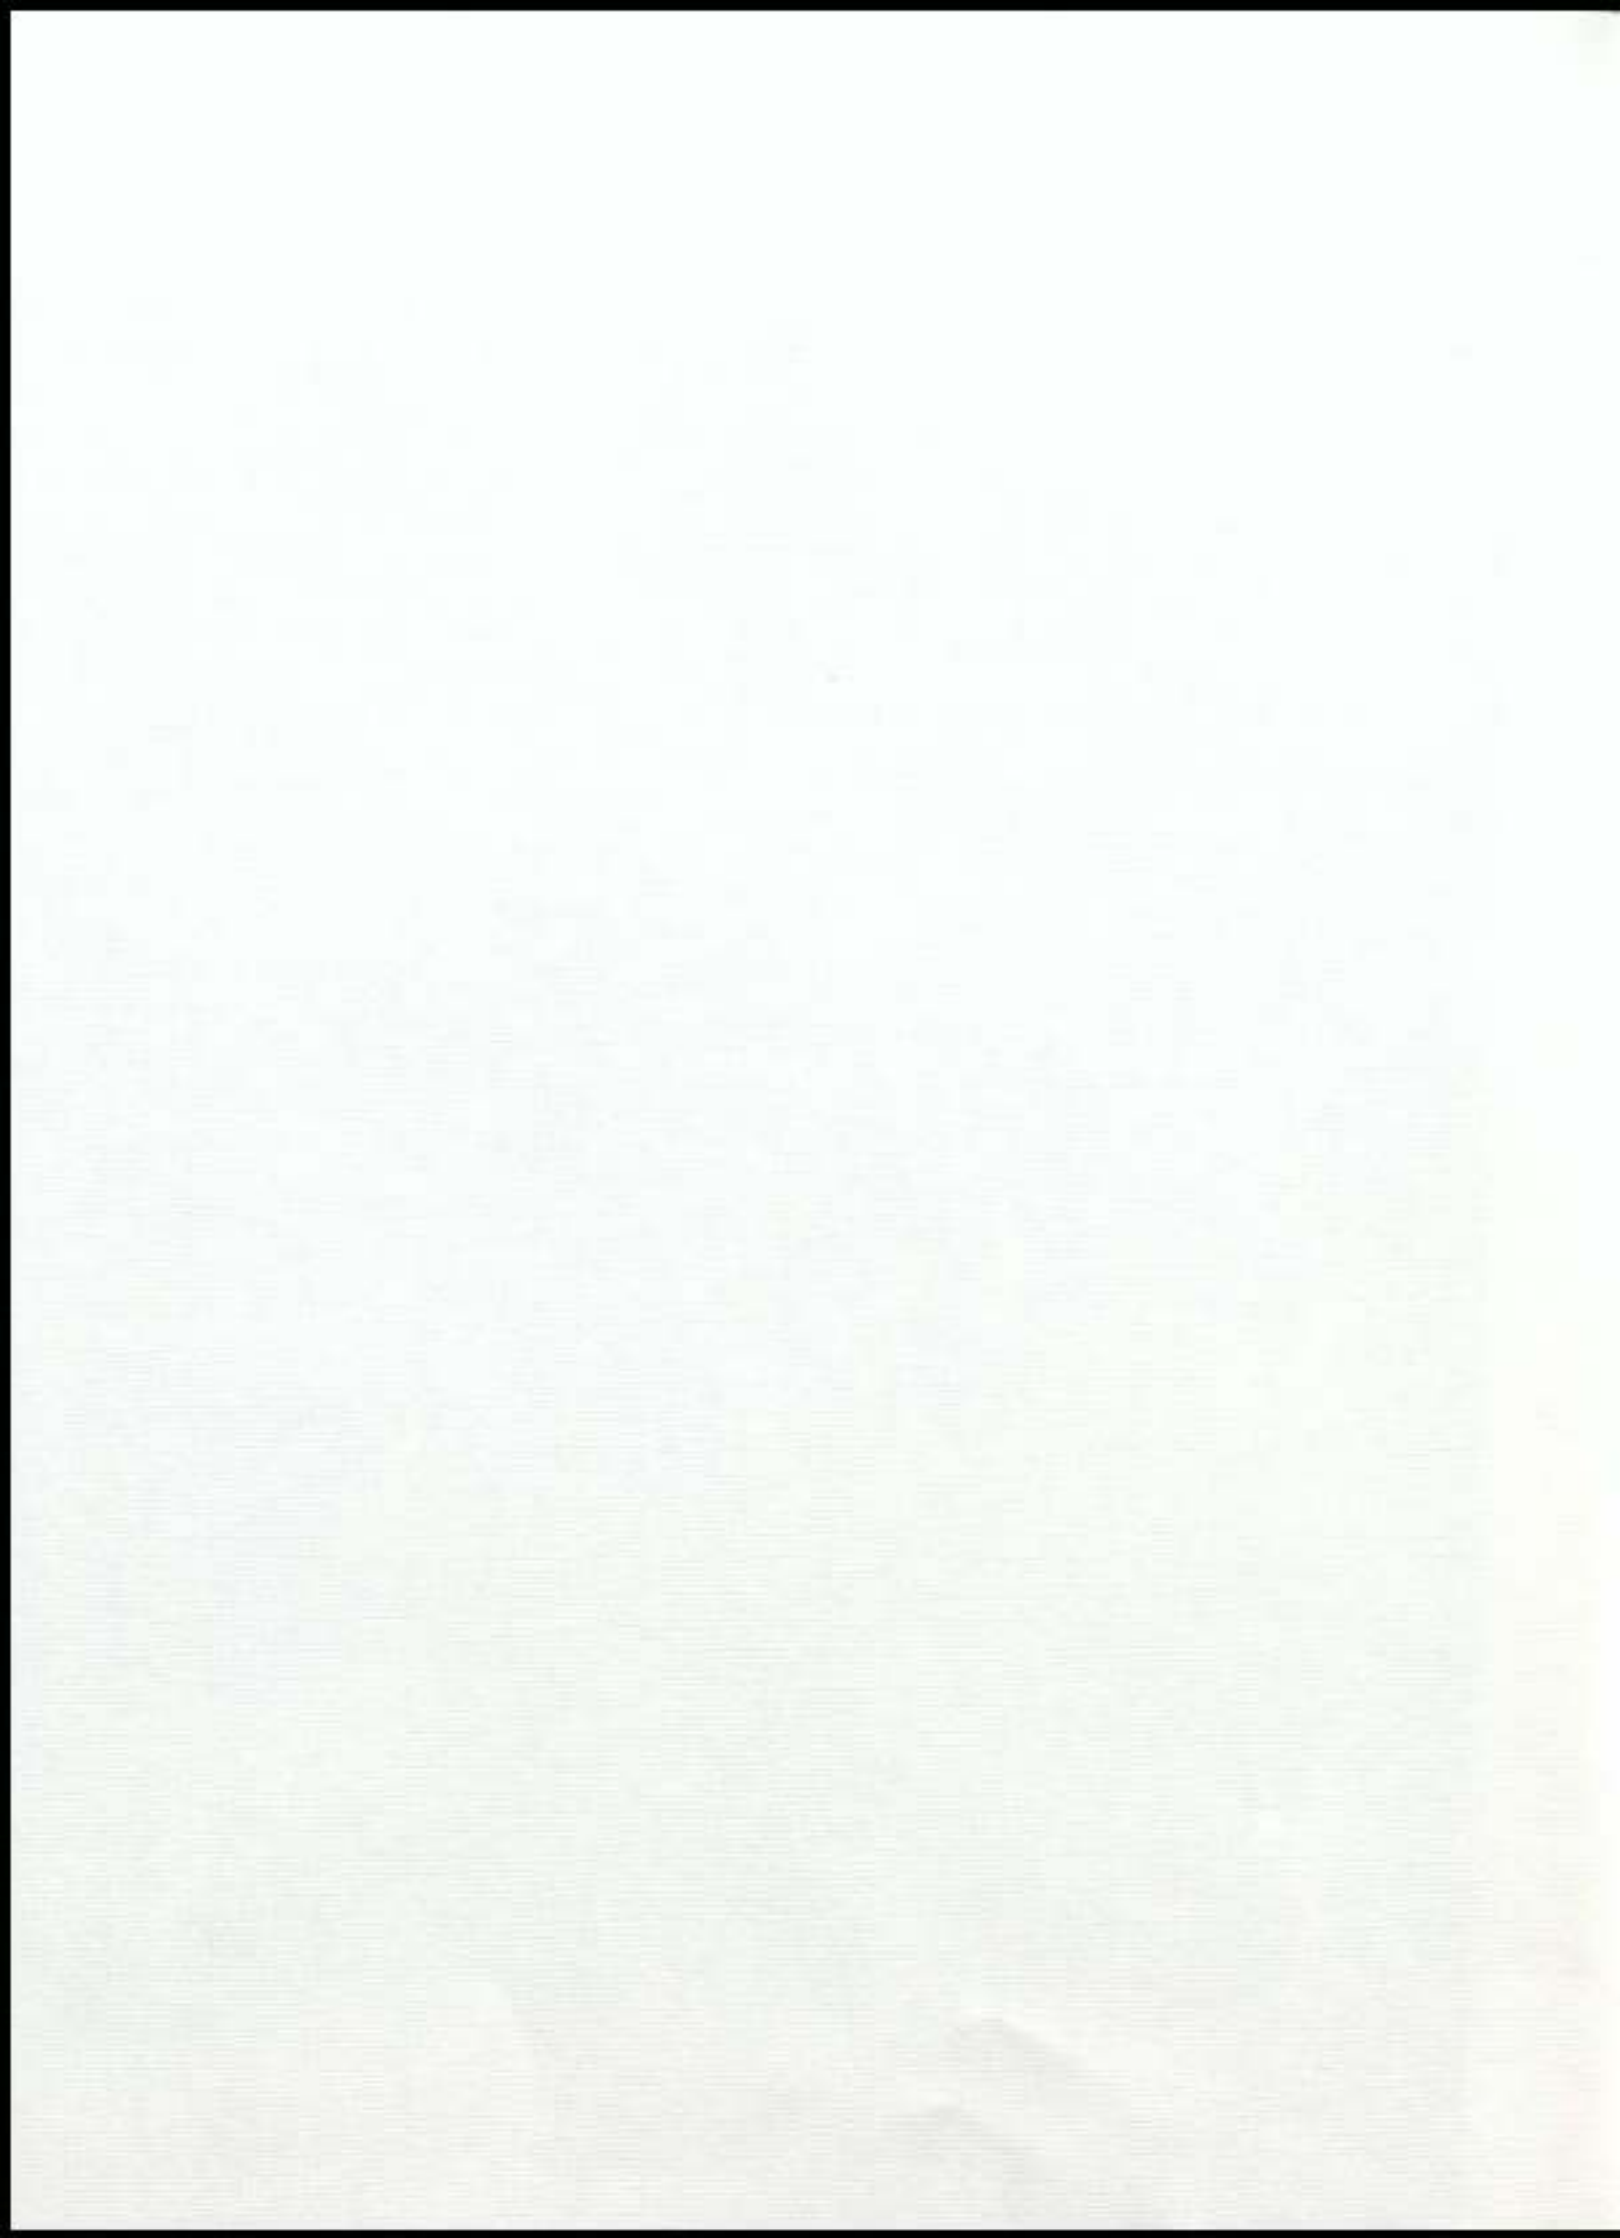

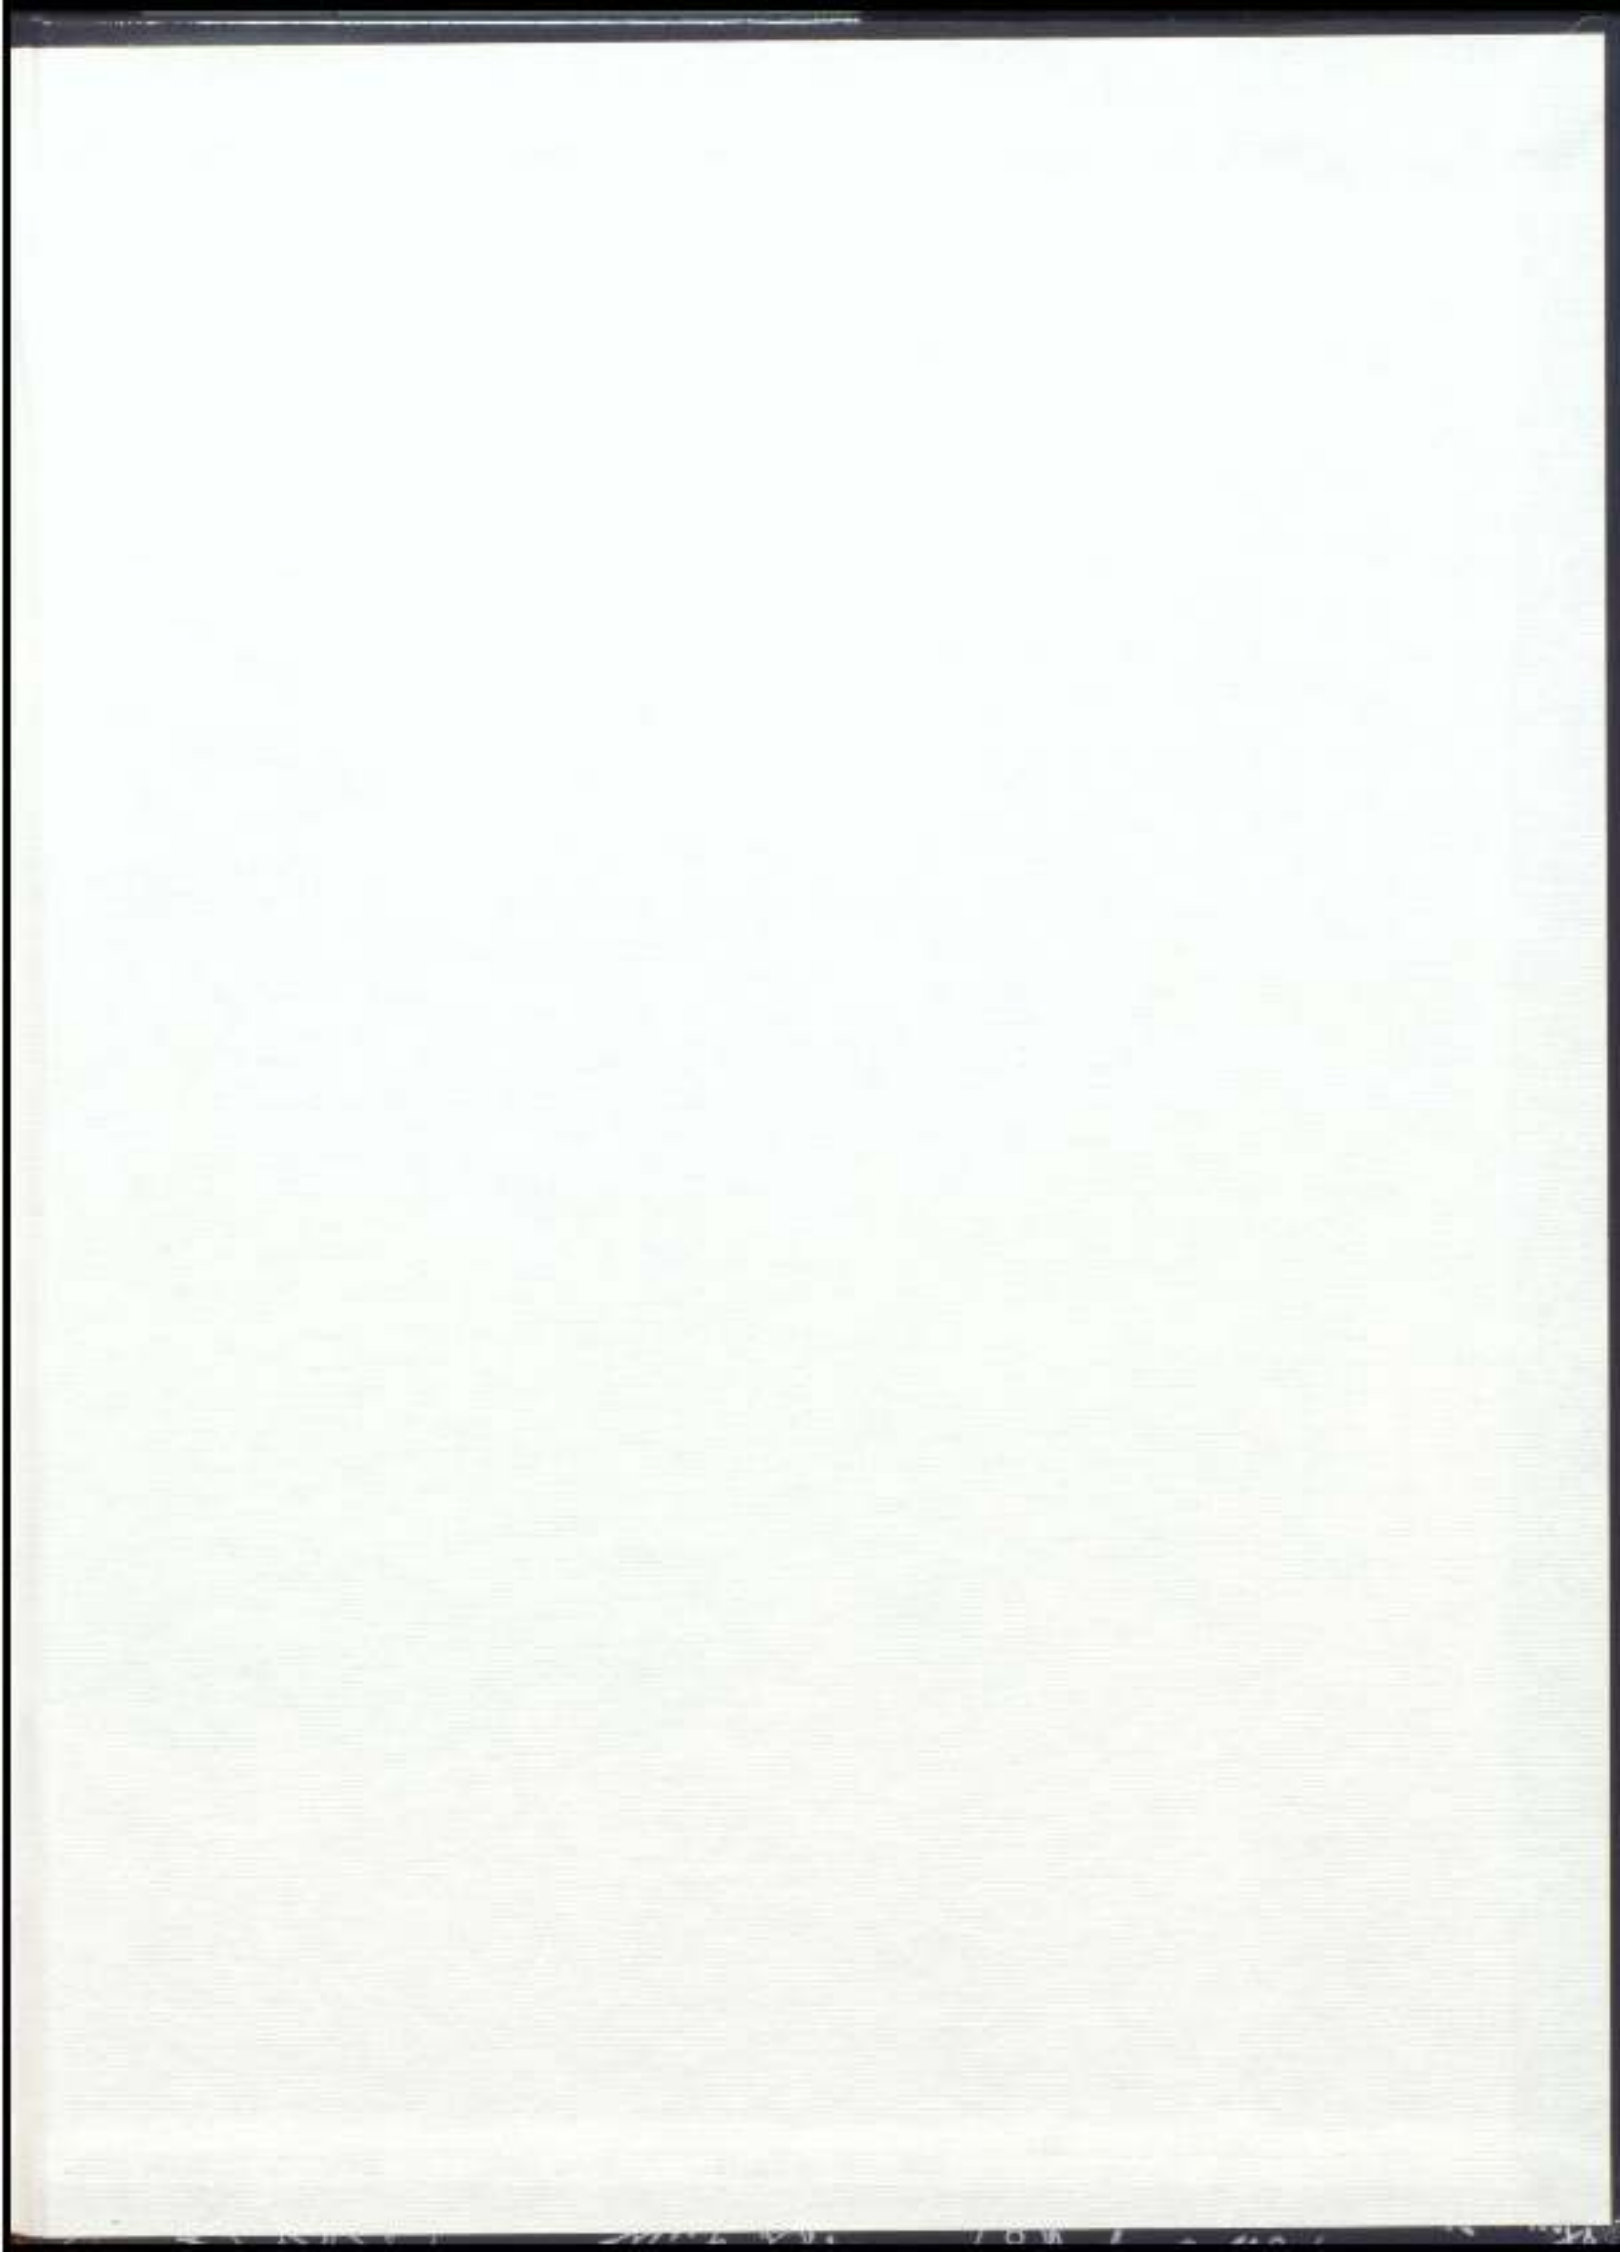

Kim Branam

Yearbook is a great way to show your creativity. When you make a spread its like a part of you and your design and ideas are in the yearbook. Everybody had great ideas and amazing pages. They all had good opinions. They helped out on a lot of pages and it felt more like a big group project, then working on your own page. My experience this year was fun and a little competitive. It got a little heated with one students, but overall it was pretty great. I was the only junior and everybody else were seniors and I'm sure going to miss them.
