Other Programs, Services, and Initiatives Offered by Serve Indiana and Our Partners
AmeriCorps State: AmeriCorps State grants provide funding to help organizations manage an AmeriCorps program, which involves recruiting, training, and supporting a cohort of at least ten AmeriCorps members who serve on a full-time or part-time basis to help the organization address a community need. Grants are awarded on a competitive basis to projects that support organizational capacity-building, education, healthy futures, environmental stewardship, veterans and military families, economic opportunities, public safety, disaster preparedness/response, and other identified community issues in Indiana. Successful programs utilize service as a strategy to meet community needs, while supporting the development and growth of the AmeriCorps members serving with the organization.

Other AmeriCorps State & National opportunities: Organizations wishing to place AmeriCorps members in multiple states should apply directly to the Corporation for National and Community Service for an AmeriCorps National grant. Some AmeriCorps State and National grantees act as intermediary organizations and accept proposals from organizations wishing to serve as host sites for one or more AmeriCorps member positions. Serve Indiana can help agencies connect with existing intermediary programs.

Day of Service Mini-grants: Serve Indiana offers grant funding to organizations hosting volunteers for one-time service projects. Grants range from $1,000-$2,500 for individual organizations, or up to $10,000 for organizations coordinating with multiple sub grantees.

Volunteer Engagement Roundtable: This statewide network allows volunteer center staff to connect, share information, and cross-train on a regular basis. Local volunteer centers can assist organizations with recruiting and managing community volunteers for their own service needs.
Volunteer Recognition: Serve Indiana coordinates the Awards for Excellence, an easy and low-cost way for Indiana organizations to honor their volunteers. Nominations are accepted on an annual cycle.
