SAVI Community Information System and the Indiana Office of Faith-Based and Community Initiatives (OFBCI) are joining forces to host a day of collaboration, idea sharing and networking to supply these nonprofits and faith-based organizations with the resources they need to thrive.

The 2012 Governor's Conference for Service and Nonprofit Capacity Building is a joining of two conferences, SAVI's Nonprofit Capacity Building Conference and OFBCI's Governor's Conference for Service and Volunteerism.

This inaugural conference will be held Oct. 2, 2012 at the Marten House in Indianapolis. The day will

bring together leaders in the nonprofit sector, volunteer coordinators and innovative thinkers to participate in conversations about best practices, receive meaningful training, establish collaborative partnerships and celebrate success stories.

It's the same conference you've seen, but even better than before.
