Register now

14 spots have reopened, but they are going quickly.

Opportunity ends Wednesday, Sept. 26 at 10am (EST)

Missed your chance to register last week? Take advantage of this final chance to obtain tickets before next week's momentous collaborative conference between The Polis Center's SAVI Community Information System and the Office of Faith-Based and Community Initiatives.

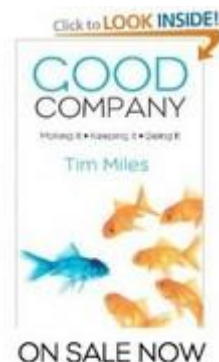

Conference occurs: Tuesday, October 2

Location: The Marten House (Indianapolis)

Keynote speaker: Tim Miles

Register by [clicking here](#) or by typing <http://savi.org/conference> into your browser.

Did we mention that you will get a free copy of our keynote speaker's new book?

About our Keynote Speaker

To quote David Freeman, Tim took everything that made him weird as a kid and got people to pay him money for it as an adult.

Featuring speakers from:

- Art with a Heart
- Bohlsen Group
- Freakalytics
- Healthy Communities of Clinton County Coalition
- The Imagination Advisory Group
- Indiana Grantmakers Alliance
- Indiana State Department of Health
- John Peirce Consulting
- Memorial Hospital and Health Care Center
- Office of the Indiana Attorney General
- Purdue Extension
- Purdue University
- Reimagining Service
- Sonar Studios, Inc.
- Spirit & Place
- United Way of Bartholomew County
- United Way of Central Indiana
- Volunteer Action

Part Dave Barry, part Dave Ramsey, part that Dave guy from the movie, umm, Dave, Tim Miles has used common sense, kindness and an unquenchable curiosity as tools to help a few hundred businesses – at least those willing to meet force with force and do the work – to be more successful more quickly. He runs an odd little communications company that helps owner-operated companies do more with less.
