## Medicare Medical Savings Account Plans in Indiana

These plans combine a high-deductible health plan with a bank account that the plan selects. The plan deposits money into the account (usually less than the deductible). You can use the money to pay for your health care services during the year. MSA Plans don't offer Medicare drug coverage. If you want drug coverage, you must join a Medicare Prescription Drug Plan.

## Pace Plans in Indiana

The Programs of All-Inclusive Care for the Elderly (PACE) provide comprehensive medical and social services to certain frail, community-dwelling elderly individuals, most of whom are dually eligible for Medicare and Medicaid benefits.
