Provisional Ballots

Provisional voting is a way for a voter to cast a ballot at the polls on Election Day when they are challenged because of one of the following situations:

1. If the voter is unable to present photo ID that meets the “proof of identification” requirements.
2. If the voter’s name does not appear on the poll list (the voter is not registered to vote in the precinct) unless the voter qualifies to vote using one of the “Fail-Safes” explained in the Indiana Voter’s Bill of Rights.
3. The voter’s name appears on the poll list, but the voter does not currently reside in the precinct unless the voter qualifies to vote using one of the “Fail-Safes” explained in the Indiana Voter’s Bill of Rights.
4. The poll list indicates that the voter is also required to present additional documentation to verify their residency as a first time voter, but the voter is not able to do so.
5. The voter is not a U.S. citizen.
6. The voter will not be 18 years of age or older at the general or municipal election. NOTE: Otherwise qualified 17 year olds may vote in a primary election, but NOT for a school board office, political party office (such as precinct committeeman or state convention delegate) or on a public question voted on at the same time as the primary.
7. The voter’s signature on the poll list does not match that on the registration record of the county.
8. In a primary, the voter is not affiliated with the party whose ballot the voter is requesting. EXCEPTION: A voter challenged in a primary due to party affiliation is NOT issued a provisional ballot. If the challenged voter is willing to complete and sign the challenged voter’s affidavit (Form PBE-4), then the voter is issued the regular ballot of that party, which is NOT kept separate from the undisputed ballots cast in the precinct.

If you do cast a provisional ballot, you have until noon 10 days after the election, (until May 14th for the Primary Election on May 4th, and until November 12th for the General Election on November 2nd), to present the needed documentation or a proper form of photo ID.

The voter’s provisional ballot is kept separate from all other ballots cast at the polls on Election Day. After the polls close, the provisional ballot is forwarded to the county election board, which decides whether or not the provisional ballot should be counted.

Photo ID

A voter must provide government-issued photo ID before casting a ballot. The ID must fit the following criteria:

- Your ID must display your photo.
- Your name on the ID must conform with your voter registration record. Conform does NOT mean identical. Below are examples of names that would conform to “Robert John Crew”:
  - Robert John Crew
  - Robert J. Crew
  - Robert Crew
  - R. John Crew
  - R. J. Crew
- Your ID must contain an expiration date and either still be current or have expired sometime after the date of the last General Election (November 4, 2008).
- Including Military IDs with expiration dates of “INDEF.”
- Your ID must be issued by the State of Indiana or the US government.

In most cases, an Indiana driver license, Indiana photo ID card, Military ID or US passport is sufficient.

If you are unable or unwilling to present ID meeting these requirements, you may cast a provisional ballot. If you cast a provisional ballot, you have until noon 10 days after the election to follow up with the county election board and either provide the necessary documentation or affirm one of the law’s exemptions applies to you.

Exemptions do exist for the indigent, those with a religious objection to being photographed, and individuals living in state-licensed facilities where the precinct’s polling place is also located.

If you do not already have a valid photo ID, you can obtain an Indiana photo ID card free of charge from any Bureau of Motor Vehicles branch that issues driver licenses and ID cards.

Absentee Voting

As a registered voter in Indiana, you are eligible to vote absentee-in-person at your county election board office beginning 29 days before Election Day.

In order to vote absentee-by-mail, one of the following must apply:
1. You have a specific, reasonable expectation that you will be absent from the county on Election Day during the entire 12 hours that the polls are open.
2. You have a disability.
3. You are at least 65 years of age.
4. You will have official election duties outside of your precinct.

8. You are a participant in the state’s address confidentiality program.
9. You are a member of the military or a public safety officer.

When the county election board receives your application for a mail-in absentee ballot, they will process it and if the application is approved, mail you an absentee ballot for the upcoming election.

In order to vote absentee-by-traveling board, you must fit into ballot points 2 or 6 above. The ballot will be delivered to you by a bi-partisan absentee voter board who will be able to assist you with your ballot.

Accessibility

State law requires that polling locations and voting machines be accessible to elderly voters and voters with disabilities. If you need assistance voting, you may choose someone to help you (other than your employer or union officer) or one poll worker from each major political party will be available to assist you.

If you wish to file a grievance about your polling place’s accessibility or report possible fraudulent election activities please call the Hoosier Voter Hotline at 1-866-IN-1-VOTE (866-461-8683).
