Important Note About Using the 2018 Indiana Candidate Guide

This publication is not a legal document. It does not replace the Indiana Election Code. Every effort has been made to ensure the accuracy of the information contained in this publication. However, this Guide should be used only in conjunction with the election statutes.

If any inconsistency exists between this publication and Indiana election statutes, the statutory language governs.

Most statements in this Guide are followed by a statutory cite, such as "IC 3-8-2-5." The "IC" stands for Indiana Code and the numbers following "IC" refer to the title, article, chapter, and section of an Indiana statute (e.g. "IC 3-8-2-5" means Indiana Code title 3, article 8, chapter 2, section 5).

Consult the online version of the Indiana Code and the 2018 print edition of the Indiana Election Code to check for changes or updates to the election statutes. Become familiar with the laws governing your candidacy and the office you seek. The current version of the Indiana Code is available on the Internet at http://iga.in.gov/legislative/laws/2017/ic/.

The information in this Guide reflects Indiana law as of July 1, 2017. However, since election laws may be changed each year, consult with your personal attorney to make certain you know and understand the most current version of the law.

The Indiana Election Division cannot provide legal advice to you as a candidate. You must retain your own attorney. The Election Division cannot provide information concerning the specific duties or responsibilities of a local government office. For information on this subject, contact:

Note about Lake County and Tippecanoe County Boards of Elections and Registration: Each county, with the exception of Lake County and Tippecanoe County, has a county election board. In Lake and Tippecanoe Counties, separate state statutes govern the organization of the county board of elections and registration. (IC 3-6-5.2 (Lake County); IC 3-6-5.4 (Tippecanoe County)) For Lake and Tippecanoe Counties, references in this Guide to a "county election board" (for candidate filing purposes for example), refers to the boards of elections and registration in Lake County and Tippecanoe County. References to circuit court clerk refer to the Lake County election director and the office of the Tippecanoe County board of elections and registration.

Ballot Access, Generally

A person is considered a major party candidate if the candidate affiliated with the party obtained the highest or second-highest number of votes cast for Indiana secretary of state at the last election held for the secretary of state’s office. (IC 3-5-2-30) Thus, the Democratic Party and Republican Party are considered “major parties” based on the results of the 2014 election for Indiana Secretary of State. If a political party did not run a candidate for that office in 2014 or if the party’s candidate did not receive the highest or second-highest number of votes in the 2014 election for that office, the party is considered a “minor party” for ballot access purposes. An “independent” candidate is a candidate not affiliated with any political party.

The two major political parties are required by Indiana law to hold a primary election on May 8, 2018, where candidates for federal, state legislative, and local offices are nominated for November’s general election. Voters must select either a Democratic or Republican ballot in the May primary election. In rare cases, a county may be conducting a special election on the same date as the primary election, and a separate “non-partisan” ballot may be offered to vote on a public question.

To seek nomination in the May primary election, a candidate must belong to the Democratic or Republican Party. The candidate meets this requirement if 1) the party ballot that the voter requested in the last primary election in Indiana in which the candidate voted was the ballot of that party or 2) the candidate files a certification from their county chair affirming their membership in that political party. The declaration of candidacy for primary nomination (CAN-2) requires the candidate to affirm their party affiliation and attach the certification, if required.

Democratic or Republican candidates seeking nomination in the 2018 primary election for U.S. Senate must also collect at least 500 signatures of registered voters in each of Indiana’s nine Congressional districts for a minimum amount totaling 4,500 statewide. The petition signatures are first reviewed and certified by county voter registration officials. Certified petitions are then filed with the Indiana Election Division before or at the same time the declaration of candidacy (CAN-2) is filed.

Democratic Party Precinct Committeemen will be on the primary election ballot in 2018; Republican Party Precinct Committeemen will be on the primary election ballot in 2020. Both major political parties will have another party office, state convention delegate, on the primary ballot in 2018. Please consult the rules of the political party for qualifications on running for these offices.

In 2018, major party candidates for statewide office – Secretary of State, Auditor of State, and Treasurer of State – are nominated at their party’s convention, and will not appear on the primary election ballot held in May.

If a minor party received at least two percent (2%), but less than ten percent (10%) of the vote cast for Indiana Secretary of State at the last election held for the office, the party may nominate candidates for the general election by conducting a state, county or municipal convention. (IC 3-8-4-10; 3-8-5-17; and 3-10-6-12) The Libertarian Party falls into this category of “minor party” based on the 2014 election results.

Although other minor parties may hold conventions to nominate candidates, these nominations are not recognized in Indiana for purposes of winning a place on the general election ballot. A minor party (other than the Libertarian Party), or independent candidate in Indiana is nominated for placement on the general election ballot by petition of nomination. The candidate must collect signatures of registered voters in the election district that total at least 2% of the total votes cast in the 2014 Secretary of State’s race in the election district the candidate wishes to represent to have their name printed on the ballot.
A person may run as a write-in candidate for any elected office, but may not claim affiliation with a political party in the state whose nominee for Secretary of State received at least 2% of the total votes cast in the most recent election for the office of Secretary of State (currently the Democratic, Libertarian, or Republican parties). (IC 3-8-2-2.5) A person is considered an independent candidate if the candidate is a person who is not affiliated with any political party. (IC 3-5-2-26.6)

A person may not be a write-in candidate during a primary election or for a party office, such as precinct committeeman or state convention delegate. (IC 3-8-2-2.5) Votes for write-in candidates are only counted in the general election if the write-in candidate filed a declaration of intent to be a write in candidate before the election no later than the deadline set by state law. A write-in candidate’s name is never printed on the general election ballot.

On November 6, 2018, the general election will be held and voters will decide who is elected to serve their respective term of office. This ballot may include Democratic, Independent, Libertarian, Republican, or other third party or write-in candidates. Non-partisan school board races or judicial retention and public questions will also appear.

Ballot access rules vary depending on the office sought and the candidate’s political party. While this GUIDE provides much of this information, please seek the advice of a personal attorney to understand your rights and responsibilities.

**IMPORTANT VOTER REGISTRATION INFORMATION**

Candidates sometimes provide voter registration applications to potential voters. If the candidate accepts possession of a completed state registration application, the candidate is responsible for completing the Certified Statement of Acceptance on the application. If the candidate accepts possession of a completed state or federal registration application, the candidate is responsible for ensuring that the completed application is received by the appropriate county voter registration office NO LATER THAN Noon the earlier of ten (10) days after acceptance or THE REGISTRATION DEADLINE for the PRIMARY ELECTION (close of business on April 9, 2018) or the GENERAL ELECTION (close of business on October 9, 2018. A candidate who recklessly fails to file the completed applications is subject to penalties under federal and state law.
Candidate Qualifications, Generally

All candidates, regardless of party affiliation (major party, minor party, independent, write-in), must meet the same qualifications before the candidate may run for a particular office. Specific references to candidate qualifications can be found in Indiana Code 3-8-1, the Indiana State Constitution, and detailed in this Guide.

REGISTERED VOTER

This section does not apply to candidates for federal office. Except for certain city and town judges, a person is NOT qualified to run for a state office, state legislative office, local office, or a school board office unless the person is a registered voter in the election district the person seeks to represent not later than the deadline set by statute for filing a declaration of candidacy, petition of nomination, or certificate of nomination. (IC 3-8-1-1) If the candidate is new to the community or updating their registration to a new address, the registration is generally not effective for at least seven days after submitting the voter registration form.

FELONY CONVICTIONS

This section does not apply to candidates for federal office. Please review IC 3-8-1-5 for state law regarding the impact of a felony conviction on the ability to run for office in Indiana. This section is also included in the office chapters of the Guide.

RESIDENCY

Indiana law requires many candidates, but not all, seeking state and local office to have resided in their election district for at least one (1) year prior to the general election. Residency qualifications are detailed in IC 3-8-1, the Indiana State Constitution, and in the office chapters of this Guide.

Under IC 3-5-2-42.35 “residence” means the place where a person has the person’s true, fixed, permanent home and principal establishment, and to which place the person has, whenever absent, the intent of returning. Under IC 3-5-5-2, a person’s residence may be established by…origin or birth [or] intent and conduct taken to implement the intent. Please refer to the sections of the Guide for detailed information on residency requirements of certain offices.

Although Indiana residency laws include presumptions that a candidate must overcome to establish a difference residence, a county election board or Indiana Election Division, depending on the office sought, will have to determine the facts of each particular situation to resolve a challenge regarding any candidate’s residence.

The county election board or the Indiana Election Commission will need to determine the actual facts in each residency dispute and decide what, if anything, the candidate did to establish the candidate’s residence, if it is called into question. The same process is used when a county voter registration office must determine if a voter resides at the location stated in a voter registration application.

SPECIFIC OFFICE QUALIFICATIONS

Specific references to candidate qualifications can be found in Indiana Code 3-8-1, and the Indiana State Constitution. Qualifications by office are detailed in the Indiana Candidate Guide, published by the Indiana Election Division. References to statutory qualifications for federal, state judicial, county and other local offices are outlined in IC 3-8-1, including the qualifications or candidate for offices such as the Clerk of the Circuit Court.
For example, a Circuit Court Clerk candidate must be a registered voter in the county that the candidate seeks to represent. (IC 3-8-1-1; IC 3-8-1-19.5) The clerk serves a four-year term upon election and may serve only eight out of twelve years. (Article 6, Section 2 of the Indiana State Constitution) Time spent filling a vacancy does not count against the Constitutional term limit. (Article 2, Section 11 of the Indiana State Constitution)

There may be other qualifications an individual must possess before assuming office after being elected. For example, a candidate who has never been a County Assessor must be certified at a level 2 assessor-appraiser to hold office. Not having the certification does not preclude the individual from running, but the individual must be certified by the date the individual assumes the office. (IC 3-8-1-23)

Please refer to the Indiana Candidate Guide, Indiana Code, and the Indiana State Constitution for other specific office or candidate qualifications. Where important legal rights are concerned, please seek advice from a personal attorney.

**SORE LOSER LAW**

A person who is defeated at a primary election, state convention, or town convention is not eligible to become a candidate for the same office in the next general or municipal election. This “sore loser” provision does not apply to a person who is selected to fill a ballot or office vacancy by the political party that the person affiliated with by voting in the most recent primary election held by that party (or who did not vote in that primary, but is certified as a member of the party by the county chair of the party in which the person is affiliated).

The “sore loser law” also applies to a defeated candidate who wants to be a write-in candidate for the office. (IC 3-8-1-5.5; IC 3-13-1-19)

**HOLDING MORE THAN ONE LUCRATIVE “OFFICE”**

The Indiana State Constitution (Article 2, Section 9) provides that no person is eligible to hold more than one lucrative office at the same time. This restriction applies to any office, whether appointed or elected, but does not apply to a person who is merely an “employee” and not an “officer.”

The Attorney General’s office has opined that elected or appointed offices are “created by law instead of contract.” Further, the duties of someone holding an office, as opposed to employment, must include performance of some sovereign power for the public’s benefit to be considered an “office” when interpreting this Constitutional provision.

The Supreme Court has defined “lucrative office” as any office to which there is attached compensation, regardless of whether or not the compensation is paid directly to the individual. The definition of “lucrative office” does not depend upon the amount of compensation affixed to it or whether the office holder accepts any compensation. (Refer to Attorney General Opinion #91-14)

Not all persons who work for a government are considered officeholders. Instead, they may be considered employees. For example, a county commissioner is an officeholder. The receptionist at the county highway garage office is an employee. Sometimes, whether an individual is an officeholder or an employee is not as clear cut.

State statutes and Attorney General opinions can shed light on this question in some cases. Indiana Code 5-4-1-1(c) and IC 5-6-4-3 provide that the position of an appointed deputy of an officer of a political subdivision or of a judicial circuit (for example, a deputy county auditor, a deputy mayor, or a deputy circuit court clerk) is not considered to be a “lucrative office.” Likewise, a county attorney, state convention delegate, precinct election officer, and a notary public are not considered a lucrative
A person who assumes a second lucrative office is considered to have resigned from the first office automatically when the person begins serving in the second office.

PROHIBITION ON GOVERNMENT EMPLOYMENT FOR SOME OFFICERHOLDERS

A government employee of the same unit of local government cannot hold an elected office. (IC 3-5-9) This does not prevent the individual from being a candidate; rather, should the government employee be elected to serve in an office of the same unit of government, the individual automatically resigns from government employment when taking elected office. (IC 3-5-9-5)

Example 1: Sally works for the county’s highway department, runs for county council, and is elected by the voters to serve on the council. Since she is a county employee, Sally resigns from her position on the county highway department when she assumes her elected position on the council.

Example 2: Joe works for the township trustee, runs for county council, and is elected to serve on the council. Township government is not the same unit of government as the county council. Joe may continue to work for the township trustee after he assumes his elected position on the council.

While this law does not add qualifications to run for office, it does limit the employment options of locally elected officials. If an employee of a local unit of government takes office within the same unit, the employee’s employment is terminated. A full-time paid firefighter may not assume or hold a position at any level of government that receives fire protection services from the department in which the firefighter serves. Some exemptions may apply. (IC 3-5-9-4; IC 3-5-9-7)

FEDERAL HATCH ACT AND “LITTLE HATCH ACT”

The Hatch Act is a federal law that prohibits certain federal, government employees from running for partisan elected office and engaging in certain partisan political activity. The “Little Hatch Act” prohibits certain state and local government employees from engaging in certain partisan political activity.

Before becoming a candidate for partisan elected office a person that is a federal government employee, or a state or local government employee that works in connection with programs funded (in whole or in part) by federal funds, loans, or grants or whose salary entirely funded by the federal dollars should determine if the Hatch Act or Little Hatch Act prohibit them from doing so.

If a person is prohibited under the Hatch Act or Little Hatch Act from being a candidate for partisan election office then they are disqualified from becoming a candidate or assuming elected office. (IC 3-8-1-5)

Questions on whether the Hatch Act or Little Hatch Act disqualifies a candidate should be directed to the U.S. Office of Special Counsel at 202-254-3650, 1-800-854-2824, or HatchAct@osc.gov.
Candidate Filings

PRIMARY ELECTION

To seek nomination in the May 8, 2018, primary election, a candidate must belong to the Democratic or Republican Party. This is determined by 1) the political party ballot requested by the candidate at the last primary election in Indiana the candidate voted or 2) the candidate files a certification from their county chair affirming their membership in that political party. The declaration of candidacy for primary nomination (CAN-2) requires the candidate to affirm their party affiliation and attach the certification, if required.

Democratic or Republican candidates seeking nomination in the 2018 primary election for U.S. Senate must also collect at least 500 signatures of registered voters in each of Indiana’s nine Congressional districts for a minimum amount totaling 4,500 statewide. The petition signatures are first reviewed and certified by county voter registration officials. Certified petitions are then filed with the Indiana Election Division before or at the same time the declaration of candidacy (CAN-2) is filed.

Candidates for state or local office also must file a financial disclosure statement before a declaration of candidacy may be accepted. Please refer to the Guide for information on which form is required of the office and where to file the document. Precinct committeemen and state convention delegates are exempt from the financial disclosure requirement as the positions are party offices. Candidates for federal office should consult the rules of the U.S. House and U.S. Senate.

GENERAL ELECTION

The general election ballot may include Democrats, Republicans, Libertarians, Independent and minor party candidates, non-partisan school board candidates, and other constitutional, public, or judicial retention questions. Some of the Democratic and Republican candidates will have been nominated during the primary election, while others will be nominated at Convention or selected to fill ballot vacancies.

Libertarian candidates are nominated at their party’s conventions, but might also be selected to fill a ballot vacancy. Independent candidates have a deadline to submit the necessary petition signatures to appear on the ballot. An independent candidate or the candidate of a party other than the Democrats, Libertarians, or Republicans, may also file to be a write-in candidate. Details on all of these processes are found in later chapters of the Guide.

Like those candidates running in the primary election, state and local candidates filing for November’s general election are required to file financial disclosure statements. Candidates for federal office should consult the rules of the U.S. House and U.S. Senate.

ELECTION FORMS

Several candidate-related election forms approved for use in 2018 are included in this Guide, though are subject to change. The Election Division will provide a copy of all election related forms to each circuit court clerk at the annual conference held November 29 through December 1, 2017. These forms will then be available from county election board offices. However, please allow time for the circuit court clerk to arrange for the printing and delivery of copies of these forms following the December distribution date.

This Candidate Guide along with the candidate forms will also be available from the Indiana Election Division’s office and Division’s website at www.in.gov/sos/elections.
Please Note: Statements of economic interest for state legislative, statewide, and federal offices are not created by the Indiana Election Division.

- State legislative candidates: statement of economic interest forms are available through the Clerk of the House or Secretary of the Senate, or visit http://www.in.gov/iga to search for and download the proper form.

- Statewide candidates: Contact the Office of Inspector General or visit http://www.in.gov/ig/2331.htm to download the financial disclosure statement.

- Federal office candidates: Contact the Clerk of the U.S. House or Secretary of the U.S. Senate for details on its financial disclosure requirements.

Local government and school board candidates are required to file the CAN-12 statement of economic interests, which is prescribed by the Election Division and available at its office or website, and through the county clerk or election board.

Indiana Code 3-5-4-8 provides that a person must use the most recent version of any form approved by the Indiana Election Division to comply with the election statutes. IC 3-5-4-8(c) states that the election division, an election board, a circuit court clerk, a county voter registration office, or any other official responsible for receiving an election filing shall reject a filing that is not on the most recent version of a state prescribed form or a “grandfathered” form whose continued use has been authorized by the Indiana Election Division.

FOR THIS REASON, IT IS CRITICALLY IMPORTANT TO ENSURE THAT A CANDIDATE COMPLIES WITH INDIANA CODE 3-5-4-8 BEFORE FILING A DOCUMENT REQUIRED OR PERMITTED BY THE INDIANA ELECTION CODE.

Each state prescribed form contains a state form number and a revision date, usually in the upper left or upper right corner of the form, for example: “SF 46439 (R6;11-11).” This provides a method to quickly determine which version of a form has been provided. For more information concerning the current version of any state prescribed election form, contact the Election Division.

Certain candidates, like U.S. Senate, school board, or independent or minor party candidates, gain access to the ballot by gathering signatures of registered voters on petition. These candidates are required to submit the petition to the county voter registration. Counties are required to certify the number of valid signatures on the petition. In doing so, counties apply the standards for certifying signatures set forth in IC 3-5-6.

Petition signatures must be “wet.” In other words, photocopies of signatures will not be accepted. Candidates may pick up the certified petitions from the county voter registration office, but arrangements should be made. Without contact information, the county will mail the certified petitions to the Election Division. The petition of nomination must be timely received by the filing deadline. Late forms will not be accepted, regardless of the postmark date on an envelope.

**CANDIDATE NAMES AND NICKNAMES**

An individual filing as a primary election, convention, minor or independent, or write-in candidate must list the individual’s name on the candidate filing in the same form as the individual wants the name to appear on the ballot and the candidate’s name is permitted to appear on the ballot under IC 3-5-7. (IC 3-8-2-2.5; IC 3-8-2-7; IC 3-8-5-10.5; IC 3-8-6-5; IC 3-8-7-10; IC 3-10-2-15)

A candidate is only permitted to use certain “designations” for the form in which the candidate’s legal name appears on the ballot. To implement this requirement, a candidate’s “designation” is defined as
referring to the name, nickname, initial, abbreviation, or number used to identify the individual. However, a designation may not be a title or degree, or imply a title or degree. A candidate’s “name” refers to any of the following: (1) the candidate’s given name; (2) the candidate’s surname; and (3) the candidate’s middle name. (IC 3-5-7)

To determine a candidate’s “legal name” for ballot placement purposes, the candidate’s legal name is the name shown on the candidate’s birth certificate. If a candidate takes another name through a judicial proceeding or uses a name after marriage in the manner described below, then the most recent name used after marriage or taken in the judicial proceeding is considered the candidate’s legal name. If a candidate changes the candidate’s legal name after a candidate is nominated, the candidate shall file a statement with the office where the candidate previously filed the declaration of candidacy or certificate of nomination setting forth: (1) the former legal name; (2) the current legal name; and (3) how the candidate’s legal name was changed.

A candidate’s legal name after marriage can be any one of the following: (1) the name appearing on the candidate’s birth certificate (as in Mary Jane Doe, for example); (2) the name used by the candidate on the application for a marriage license, (as in John Smith, for example); or (3) any combination of the names that the candidate or the candidate's spouse used as applicants for the marriage license, (as in Mary Jane Smith, Mary Doe Smith, or John Smith-Doe, for example).

**First Designation:** Assume a candidate has the legal name of Judith Anne Smith with the nickname of Judy. The first designation used on the ballot may be any one of the following: (1) the candidate’s legal given name (*Judith*); (2) the initial of the candidate’s legal given name (*J*); (3) the candidate’s legal middle name (*Anne*); (4) the initial of the candidate’s legal middle name (*A*); or (5) the candidate’s nickname (*Judy*).

**Second Designation:** The second designation used on the ballot may be any one of the following, without repeating any designation used as the first designation: (1) the candidate’s legal middle name (*Anne*); (2) the initial of the candidate’s legal middle name (*A*); (3) the candidate’s nickname (*Judy*); or (4) the candidate’s legal surname (*Smith*).

**Third Designation:** The third designation used on the ballot may be any one of the following, without repeating any designation already used as the first or second designation: (1) the candidate’s nickname (*Judy*); or (2) the candidate’s legal surname (*Smith*).

The following are examples of acceptable candidate name designations:

- Judith Anne Smith
- Judith A. Smith
- Anne Smith
- J. Smith
- Judith (Judy) Anne Smith
- J. Anne Smith
- Judith Smith
- J.A. Smith
- A. Smith
- Judy Smith

A candidate can use the candidate’s legal surname after the third designation if the candidate did not use the legal surname as the second or third designation. A candidate can also use Sr., Jr., or a numerical designation such as II or III after the candidate’s legal surname.

A nickname used by a candidate on the ballot must:
- (1) be the nickname by which the candidate is commonly known;
- (2) not exceed twenty (20) characters in length; and
- (3) not imply a title or degree.
Unless the candidate uses the nickname as the first designation, the nickname must appear in parentheses. For example, Judith (Judy) Anne Smith.

EXAMPLE: A ballot listing of "John R. (Doc) Doe" would not be permitted since the nickname implies a title or degree. Likewise, a ballot listing would not be permitted if the selected nickname was NOT one by which the candidate was COMMONLY known. However, unless the candidate's filing is properly challenged regarding the candidate's name, and this issue brought before the Commission or a county election board for determination, the candidate’s name will be placed on the ballot in the form used in the candidate’s filing or certification.

Sometimes an individual may change his or her name after filing as a candidate. If the candidate wishes to change the candidate's legal name before absentee ballots are printed for the election, the candidate must file a statement with the office where the candidate's declaration of candidacy or certificate of nomination was filed. This statement must set forth the current and former name of the candidate, and indicate that the candidate has already filed a change of name request with the appropriate county voter registration office. After this statement is filed, the county election board will print ballots bearing the candidate's new name. (IC 3-8-7-25.5)

If a candidate's legal name is changed after absentee ballots are printed the Election Division or county election board is not required to reprint ballots to reflect the new name. (IC 3-11-3-29)

CANDIDATE FILING REMINDERS

In a political party primary election, individuals may run for federal, state, or local office and also run for precinct committeeman or state convention delegate. A separate declaration of candidacy for each party office must be filed in addition to the declaration of candidacy for elected office.

For example, in 2018, the Democratic Party will hold party office elections for precinct committeeman and state convention delegate; the Republican party will hold party office elections for state convention delegate only. (In 2020, the reverse will be true.) This means a Democratic Party candidate may run for County Auditor, Precinct Committeeperson, and State Convention Delegate, and would file a separate declarations of candidacy for County Auditor, Precinct Committeeperson, and State Convention Delegate.

Candidates must sign their declaration of candidacy after swearing or affirming the truth of the statements made in the statement before an individual who has the authority to administer an oath (such as a notary public). The Election Division provides notary services for federal, statewide, and state legislative candidates. Candidates for local or school board office, precinct committeeman, or state convention delegate should contact their county election official to inquire if services provided by a notary public or other person authorized to administer oaths are available.

Petition signatures and candidate signatures must be “wet.” In other words, a declaration of candidacy or petition of nomination, for example, must contain an original signature and may not be submitted via fax, photocopy, or an electronic image (such as email).

IMPORTANT FILING DEADLINE INFORMATION

Indiana Code 3-5-4-1.9 provides that “Except as otherwise provided in [the state election laws, such as for campaign finance reports, for example]… an election board, a circuit court clerk… or any other official responsible for receiving a filing… may not receive a filing that is offered to be filed after a deadline for the filing…” This state law should be carefully noted when a filing is offered by, or on behalf of, a candidate.
The Indiana Election Division or county election board cannot accept a late candidate filing. Hand-delivery remains the best option to ensure the form is timely received. While a candidate form may be mailed, it will be considered late if the county election board or Indiana Election Division receives the form after the deadline, regardless of when the envelope may be postmarked.

State and local candidates must also follow Indiana campaign finance law, while federal candidates must follow federal campaign finance rules. Please consult the 2018 Indiana Campaign Finance Manual or later sections in this Guide for more information.

WHERE TO FILE

The following outline summarizes where major political party candidates (Democratic and Republican) file their declarations of candidacy. (CAN-2 for candidates to be nominated in a primary, or CAN-42 in a city or town primary in a municipal election year)

Current law requires that all candidates affiliated with one of the two major political parties file a declaration of candidacy with the appropriate authority between one hundred eighteen (118) days and noon, local time, eighty-eight (88) days before the primary election. (IC 3-8-2-4, 3-8-2-5 and 3-8-2-6) Different deadlines apply in certain small towns, (IC 3-8-5-10.5; IC 3-8-5-13).

Note: The deadline to withdraw a declaration of candidacy is noon, 85 days before the primary election. (IC 3-8-2-20) Once nominated, the deadline to withdraw as a candidate is noon, July 16, 2018. (IC 3-8-7-28, 3-5-4-1.5) The deadline for a candidate nominated by petition or for a write-in candidate to withdraw is also noon, July 16, 2018. (IC 3-8-2-2.7; 3-8-6-13.5)

There are procedures for a disqualified candidate to be removed from the ballot after July 16. (IC 3-8-1-5; 3-8-7-29; IC 3-8-8; 3-5-4-1.5) A primary candidate who dies before the primary election may be removed from the ballot, depending on whether the ballots have been printed or programmed when the death occurs. (IC 3-11-3-29.4)

If a general election candidate dies before a general election, the candidate’s name may be removed from the general election ballot, and a replacement candidate’s name printed, depending on when the death occurred and when the replacement candidate was selected. (IC 3-11-3-29.5)

FILING WITH THE INDIANA ELECTION DIVISION AND OTHER STATE AGENCIES

Candidate for federal, statewide, state legislative, or judicial offices including the office of prosecuting attorney file their declaration of candidacy with the Indiana Election Division or the Indiana Secretary of State. Financial disclosure statements must be filed with the appropriate office, and a copy or receipt of its filing must be presented at the time of filing the declaration of candidacy.

All state offices that receive election-related filings are located within a short distance of the intersection of West Washington Street and Capitol Avenue (the southeast corner of the State House lot). This section includes a list of references containing addresses, telephone numbers, and e-mail addresses for various federal and state entities mentioned in this Guide.
The Indiana Department of Administration has instituted security measures throughout the capitol complex. These measures include weapons restrictions inside government center buildings and designated visitor entrances to the statehouse. Every visitor will be required to pass through metal detectors and all bags and packages will be x-rayed and may be subject to further inspection.

The Indiana Election Division is located on the second floor of the Indiana Government Center South (IGCS) Building, 302 West Washington Street, Indianapolis, Indiana. The IGCS building is located directly west of the State House on West Washington Street. The public entrance to the IGCS building is now located off of Senate Avenue. After going through security, turn right and take the elevator up to the second floor. Exit right off the elevator and room E204 is located on the left. The Election Division is open from 8:00 a.m. until 5:00 p.m. each business day, and you can reach the division by calling (317) 232-3939, 1-800-622-4941 or sending an email to elections@iec.in.gov.

The office of the Clerk of the Indiana House of Representatives and the Secretary of the Indiana Senate are located in the State House. People with mobility disabilities will enter the State House through the lower level, west doors, from Senate Avenue (Bicentennial Plaza). All other visitors must enter using the upper level east doors, from Capitol Avenue and Market Street.

After taking the elevator or stairs to the third floor (one floor above street level), the House Chambers will be on the east side of the building and the Senate Chambers on the west. The Clerk of the House’s office is adjacent to the House chamber, and can be accessed through the House offices after going up one flight of stairs to Level 3-A. The Secretary of the Senate’s office is adjacent to the Senate chamber. The Clerk’s office and Secretary’s office are open from 8:30 a.m. until 4:30 p.m. You can reach their offices by calling (317) 232-9600 for the House, and (317) 232-9400 for the Senate.

The Office of the Inspector General is located at 315 West Ohio Street, Room 104, Indianapolis, Indiana. This office is open from 8:00 a.m. until 4:30 p.m., and the office number is 1-800-457-8283.

The Indiana Commission on Judicial Qualifications is located at 30 South Meridian Street, Suite 500 (in the first block south of Washington Street). This office is open from 8:30 a.m. until 4:30 p.m. each business day, and can be reached by calling 317-232-4706.

On-street parking is available on West Washington Street directly south of the State House. Cars parked in restricted spaces after 3:00 p.m. will be towed. Parking garages are also available. Please note the Office of Inspector General and State Court Administration are not on the Government Center/State House campus, so plan extra time for your trip.

FILING WITH THE COUNTY ELECTION BOARD
Candidates for circuit court clerk, county offices, township offices, town offices, school board offices, precinct committeeman or state convention delegate file their declaration of candidacy with the appropriate county election board. Candidates for local and school board office must file a Statement of Economic Interest (CAN-12) at the time of filing. Candidates for precinct committeeman or state convention delegate do not need to file a CAN-12 statement of economic interest form.
Candidate Challenges & Disqualifications

The placement of any individual on the primary or general election ballot may be challenged if the individual has not complied with the requirements set forth for candidates under Indiana law.

Candidate challenges concerning individuals who file as candidates for federal, statewide, state legislative, or judicial offices including the office of prosecuting attorney come before the Indiana Election Commission for resolution.

Candidate challenges concerning individuals who file as candidates for circuit court clerk, county offices, township offices, town offices, school board offices, precinct committeeman or state convention delegate come before the appropriate county election board for resolution.

Before the Indiana Election Commission or a county election board may consider a challenge to a candidate, a registered voter of the election district that the candidate seeks to represent or a county chairman of a major political party of a county in which any part of the election district is located must file a sworn statement with the Election Division or the county election board. The sworn statement must question the eligibility of the candidate to seek the office and set forth the facts known to the voter concerning this question. (IC 3-8-1-2) The CAN-1 form may be used for a candidate challenge. A CAN-1 is included under the Candidate Forms tab of this Guide.

There is one exception to the requirement that a registered voter or a county chairman of a major political party in the election district must file a candidate challenge. The secretary of state or a circuit court clerk must determine whether a sufficient number of valid signatures have been obtained to meet the requirements to nominate a candidate by petition in a general election. If the secretary of state or clerk determines, based on the certification of the signatures by the county voter registration office, that the petition does not have enough valid signatures to nominate the candidate(s) on the petition, the secretary of state or the clerk must deny the certification to the petitioners. An appeal of this denial can then be brought before the Indiana Election Commission or county election board by the candidate by filing the CAN-1. (IC 3-8-1-2; IC 3-8-6-12)

The Indiana Election Commission or county election board must determine the validity of the candidate’s filing. State law specifies the various deadlines before the primary election or general election by which a challenger must file a challenge with the Commission or board, and the deadlines by which the Commission or board must make this determination. See IC 3-8-2-14 (primary candidates); IC 3-8-6-14 (independent and minor party candidates); IC 3-8-8 (a statewide or state legislative office in a general election), which is discussed in more detail below; IC 3-13-1-16.5 (candidates who fill “early ballot” vacancies); and IC 3-13-2-11 (candidates who fill “late ballot” vacancies); IC 3-8-2-14 (write-in candidates).

The Indiana Election Commission and county election boards will make every effort to notify candidates and other interested parties as promptly as possible when a challenge has been filed. However, due to the short period of time between the close of candidate filing and the printing of absentee ballots, the Commission or board may need to rely on informal methods such as telephone calls to give the best possible notice to these individuals. If a candidate appears before the Commission, and does not file a written objection concerning notice before the end of that meeting, any objection to notice is waived. (IC 3-8-2-18)

Except as described above for notice requirements, the Commission conducts its proceeding concerning candidate challenges in accordance with the State Administrative Orders and Procedures Act. (IC 4-21.5)
County election board meetings concerning candidate challenges are public meetings, for which notice must be given in accordance with the Open Door Law. (IC 5-14-1.5) Except for requirements set forth in the Open Door Law, county election boards are not required to follow specific procedures in conducting these meetings.

The Election Division cannot give legal advice or assistance to candidates who are challenged before the Commission or a county election board. The candidate must seek the advice and representation of a personal attorney in these cases.

If an attorney appears before the Election Commission regarding a candidate challenge, the Commission requests that the attorney file a notice of appearance with the Election Division prior to the meeting. The appearance form may be adapted from that used in judicial proceedings.

If a candidate or other interested party objects to the determination of the Commission or a county election board, the candidate or interested party may appeal the determination to an appropriate court for a decision in the same manner that other administrative decisions are appealed. An appeal from a decision of a county election board must be filed with the appropriate circuit court clerk not later than thirty (30) days after the election board makes the decision subject to the appeal (IC 3-6-5-34; 3-6-5.2-9; 3-6-5.4-10).

If a candidate selected to fill a ballot vacancy is subject to a candidate challenge, the candidate’s name shall not be printed on the general election ballot until the Commission or a court resolves the challenge. (IC 3-13-1-16; IC 3-13-2-9)

**REMOVAL OF CANDIDATE FOR STATEWIDE OR STATE LEGISLATIVE OFFICE FROM THE GENERAL ELECTION BALLOT**

A different law applies concerning the removal of a candidate for a statewide or state legislative office from the general election ballot. A registered voter of the relevant election district may challenge the qualifications of a candidate to remove the candidate from the ballot. The challenge must:

1. be filed with the Election Division not later than 74-days before the general election;
2. be a sworn statement questioning the qualifications of the candidate; and
3. set forth the facts known by the challenger concerning this question.

The Indiana Election Commission shall conduct and conclude its hearing on the challenge within three (3) business days after the challenge is filed with the Election Division. The Commission shall announce its determination not later than one (1) business day after the conclusion of the hearing. If the Commission does not announce its determination by this deadline, the Commission is considered to have dismissed the challenge.

A candidate may not be challenged under this procedure if:

1. the candidate was previously challenged using this procedure;
2. the challenge under this procedure would be for the same reasons as the previous challenge to the candidate; and
3. the Indiana Election Commission already has conducted a hearing on the challenge and made a final determination in favor of the candidate.
After the Commission has made a final determination of the challenge, the challenged candidate or the challenger may appeal the Commission’s determination, including a dismissal due to the Commission’s failure to make a determination by the deadline. An appeal must be filed directly with the Indiana Court of Appeals under the same terms, conditions, and standards that apply to other civil appeals.

In any event, at noon, Indianapolis time, 60 -days before the election, any challenge that is pending before the Commission or the Court of Appeals is dismissed and the name of the challenged candidate may not be removed from the general election ballot, and another individual may not be named to replace the challenged candidate on the ballot, and all votes cast for the challenged candidate must be counted and reported under the name of the challenged candidate. (IC 3-8-8)

This law also places a time limit on candidate withdrawal for reasons other than disqualification or moving outside the election district that the candidate seeks to represent. (IC 3-8-7-28(b) and (c); 3-8-8-7) If a candidate attempts to withdraw as a candidate later than noon, 60 -days before the general election for any other reason, the candidate may not be removed from the ballot or replaced by another individual on the ballot. All votes cast for a candidate who attempts to withdraw later than noon, 60 -days before the general election are counted and reported under the name of the candidate.

If a candidate who attempted to withdraw later than noon, 60 -days before the general election: (1) receives the most votes at the general election; and (2) is determined to be disqualified as a candidate, a vacancy in the office occurs. The resulting vacancy shall be filled as if an eligible candidate of the same political party as the disqualified candidate had been elected, and in the manner otherwise provide by law (a caucus of precinct committeemen under IC 3-13-5 for a state legislative candidate, for example). (IC 3-8-8-8)

**DISQUALIFICATION OF A CANDIDATE OR OFFICEHOLDER**

An individual can be disqualified as a candidate or removed from office if the individual becomes ineligible to become a candidate or hold an office because of failing to comply with a specific requirement under state law. For example, IC 3-8-1-5 disqualifies a person from assuming or being a candidate for elected office (other than a federal office) if the person:

1. gave or offered a bribe, threat, or reward to procure the person’s election;
2. was convicted for violating a federal law listed in IC 5-8-3;
3. was found guilty of a felony by a jury or the court, entered a plea of guilty or nolo contendere to a felony even if the felony conviction was later reduced to a Class A misdemeanor under IC 35-50-2-7 or IC 35-38-1-1.5;
4. has been removed as a judge or prosecuting attorney by the Indiana Supreme Court and seeks to be a candidate for the same office;
5. is a member of the armed forces on active duty and prohibited by the Department of Defense from being a candidate; or
6. is subject to the Hatch Act or Little Hatch Act, and would violate these federal statutes by being a candidate for elected office.

If a person is a voter of the election district a candidate seeks to represent and believes that a candidate is not eligible to be on the ballot, then the voter may file a sworn statement (CAN-1), with the Indiana Election Division (for federal, statewide, state legislative, judicial candidates, including candidates for prosecuting attorney) or with the county election board (for all other candidates for local and school board office). The sworn statement must set forth the facts known to the voter as to why the candidate is ineligible. The Indiana Election Commission or the county election board must then conduct a hearing to determine if the candidate is ineligible.
With regard to officeholders, IC 5-8-3-1 prohibits anyone from serving as a public officer in Indiana (not a federal office) who has been convicted of:

1. evading the Selective Service Act of the United States;
2. engaging in any conspiracy or attempt to defraud the United States government;
3. any seditious utterances in violation of any of the laws of the United States; and
4. any other crime against the laws of the United States where the sentence imposed exceeds six (6) months.

Other statutes disqualify a person from holding office if the individual has been convicted of a felony (IC 5-8-1-38), is habitually intoxicated (IC 5-8-2-1), or fails to reside in the election district that the person represents. (IC 36-2-3-5, for example)

A public officer convicted of a felony while in office is removed from office by operation of law when the conviction of the person for the felony is publicly announced by a jury or the court, or when the trial court accepts and enters a guilty plea. (IC 5-8-1-38) In other cases, if an elected official does not meet these requirements, then an interested person can file a lawsuit in court to have the official removed. The court must decide whether the complaints made by the interested person are true, and whether or not the official should be removed from office.

A county council, city council, and town council can also remove a county commissioner or city or town council member from office in certain cases. (IC 5-8-5; IC 36-2-2-5; IC 36-4-6-6) A court may expunge records concerning minor, Level 6 (formerly Class D) felony convictions, and some more serious felony convictions, under certain circumstances. The civil rights of a person whose conviction has been expunged shall be restored, including the right to vote and to be a candidate and if elected, hold public office.
Candidate (Ballot) Vacancies

There are several reasons why a “candidate vacancy” may occur on a primary or general election ballot:

- The Democratic or Republican parties may not have a candidate run for nomination in the primary election.
- The Democratic, Libertarian, or Republican parties may have a vacancy in an office following their party’s nominating convention.
- A candidate nominated by the Democratic, Libertarian, or Republican parties may be disqualified, pass away, or withdraw at least 31-days before the general election, creating another type of early ballot vacancy. (IC 3-13-1)
- A Democratic, Libertarian, or Republican candidate dies, moves out of the election district, is disqualified due to a felony conviction, or is removed via court order under IC 3-8-7-29(d) after the thirty-first day before a general election creates a late ballot vacancy. (IC 3-13-2)

PROCEDURES FOR FILLING DEMOCRATIC & REPUBLICAN PARTY EARLY BALLOT VACANCIES

Candidate (ballot) vacancies for U.S. Senate and statewide offices are filled by the state committee of the political party. (IC 3-13-1-3) If a candidate vacancy exists for U.S. House or state legislative candidates, the state chairman of a political party calls a caucus of the precinct committeemen within the district. For judicial offices, the office of prosecuting attorney, county offices, township offices, or town offices, the county chairman calls a caucus of the precinct committeemen within the district. However, if the county committee has adopted a resolution to delegate this candidate (ballot) vacancy filling authority to the county chairman (or to the chairman, vice-chairman, secretary, and treasurer of the county committee), then the candidate vacancy may be filled by direct appointment, without conducting a caucus. Likewise, if fewer than two (2) precinct committeemen are eligible to participate in a caucus, then the candidacy may be filled by direct appointment by the county chairman. (IC 3-13-1-3; 3-13-1-4; 3-13-1-5; 3-13-1-6; 3-13-1-8; 3-13-1-13)

If a chairman calls a caucus of the political party to fill a ballot vacancy, the chairman must employ a form (CAN-30) prescribed by the Indiana Election Division. Instructions are included on the form. A CAN-30 is available from the Election Division’s office and each circuit court clerk’s office.

A person who wishes to be selected by the caucus to fill a ballot vacancy for a federal, statewide, state legislative office, judicial office, or the office of prosecuting attorney must file a CAN-31 form with both the caucus chairman (or state committee chair for U.S. Senator, statewide offices, or state legislative offices) and the Election Division. A person who wishes to be selected by the caucus to fill a ballot vacancy for circuit court clerk, county offices, township offices, or town offices must file a CAN-31 form with both the caucus chairman and the county election board. (IC 3-13-1-10.5) A CAN-31 is available from the Election Division’s office and each circuit court clerk’s office, and included under the Candidate Forms tab of this Guide.

After the political party fills this vacancy, the chairman must file a written certificate of candidate selection with the Election Division if the nomination is for a federal office (CAN-27), a state legislative office (CAN-28), a judicial office, (CAN-29), or an office of prosecuting attorney (CAN-29). The chairman must file a certificate with the circuit court clerk if the nomination is for the office of circuit court clerk, a county office, a township office or a town office (CAN-29). The CAN-29 form is available from the Election Division’s office or each circuit court clerk’s office. The CAN-27 and CAN-28 are available from the Election Division’s office.
FILLING DEMOCRATIC OR REPUBLICAN PRIMARY CANDIDATE (BALLOT) VACANCIES

On occasion, no candidate will file for the Democratic or Republican Party nomination to an office before a primary election. If this occurs, the vacancy may not be filled before the primary. (IC 3-13-1-2) Immediately following the primary election, the political party may begin the process of filling the ballot vacancy. However, no political party is ever required to fill a ballot vacancy, even if an individual wishes to run as a candidate for the vacant nomination.

The deadline for the Democratic or Republican Party to conduct a political party caucus or to make a direct appointment to fill a vacancy existing on the general election ballot resulting from a vacancy on the primary election ballot is noon, Saturday, June 30, 2018. (IC 3-13-1-2; IC 3-13-1-7) Certificate of appointment and candidate’s statement economic interest must be filed no later than 12:00 noon, prevailing local time Tuesday, July 3, 2018. (IC 3-13-1-2; IC 3-13-1-7; IC 3-13-1-15)

If the county chair or county central committee make a direct appointment for a candidacy to fill a local office ballot vacancy, then a copy of the meeting minutes or resolution adopted by the county party authorizing the county chair or county central committee must be attached to the certification. (IC 3-13-1-6(b)(2))

State law does not specify requirements concerning the text of a resolution (or motion to record in the meeting minutes) that county party must adopt in order to authorize the county chair or a caucus comprised of the chairman, vice chairman, secretary, and treasurer of the county committee to make a direct appointment to fill a local candidate (ballot) vacancy.

A county party may authorize a chair or committee to make the appointment for one election, several elections, or in perpetuity. The county party may also choose to limit the authority to a specific individual serving as chair when the authority is granted, or to provide any person serving as county chairman with this authority until the county party decides otherwise, the decision is left to the county party to draft a document noting the parameters of the appointment authority and approve by a majority vote of party membership (IC 3-13-1-6(b)(2)). As noted above, a copy of this resolution or meeting minutes must be included at the time the vacancy paperwork is filed with the county clerk or election board.

Please note: state law prescribes the process by which a county chair or a caucus of the party leadership (chair, vice chair, secretary, treasurer) may be granted the authority by the party membership to make a direct appointment to fill a ballot vacancy for local candidates only. Should there be a Democratic or Republican Party vacancy for an Indiana House or Indiana Senate seat, even if the legislative seat is wholly contained within the county, the county chair or party central committee may not call a caucus or make a direct appointment to fill the state legislative vacancy. Only the state party chair, or his designee, may call a caucus to fill the ballot vacancy.

FILLING DEMOCRATIC OR REPUBLICAN EARLY BALLOT VACANCIES DUE TO THE DEATH, WITHDRAWAL OR DISQUALIFICATION OF A CANDIDATE

This information applies to a ballot vacancy that arises for any reason if the vacancy leaves a major political party without a candidate for the office and occurs before the thirtieth day before a general, special or municipal election. (IC 3-13-1-1) Please note candidate vacancies that exist on a primary election ballot are subject to different rules. (See paragraph above)

When a candidate nominated at the primary election or at the party’s nominating convention dies, withdraws, or is disqualified under Indiana Code 3-8-1-5 due to a criminal conviction, or a court order issued under IC 3-8-7-29(d), a major political party is permitted to fill the resulting vacancy IF it does so no later than thirty (30) days after the vacancy occurs. (IC 3-13-1-7)
The requirements discussed above for calling a caucus and filing a declaration of candidacy apply to filling this type of candidate vacancy. However, the political party chairman must file the certificate of candidate selection (CAN-28 or CAN-29) and candidate’s statement of economic interest no later than noon, three (3) days (excluding Saturdays and Sundays) after the party fills the candidate vacancy. (IC 3-13-1-15) Special restrictions apply to statewide or state legislative candidates. (IC 3-8-8)

FILLING DEMOCRATIC OR REPUBLICAN LATE BALLOT VACANCIES DUE TO DEATH OR DISQUALIFICATION OF A CANDIDATE

This section applies to the filling of a candidate vacancy that exists due to the:

1. Death of a political party’s candidate;
2. Withdrawal of a candidate who has moved from the election district;
3. Disqualification of a candidate due to a felony conviction under IC 3-8-1-5; or
4. Issuance of a court order under IC 3-8-7-29(d);

for nomination or election to an office at the general, municipal, or special election after the thirty-first day before a general, municipal, or special election.

In most cases, the state or county chairman of the political party of the county in which the greatest percentage of the population of the election district resides fills the candidate vacancy by direct appointment. (IC 3-13-2) The same general procedures apply regarding the filing of a certificate of candidate selection in these cases. (IC 3-13-2-8)

If the political party fills a candidate vacancy during the final five (5) days before an election, state law does not require a county election board to reprint ballots. (IC 3-11-3-29.5)

LIBERTARIAN PARTY BALLOT VACANCIES

If a candidate vacancy exists following a Libertarian Party state or county convention, the party’s state committee may fill the vacancy. **The Libertarian Party must fill a vacancy existing on the general election ballot resulting from a vacancy for an office nominated by that party at a state or county convention by Saturday, June 30, 2018.** (IC 3-13-1-20)

At least ten (10) days before filling the candidate vacancy, the state chairman of the Libertarian Party must file a notice of intent to fill the vacancy with the official who will receive the certificate of candidate selection filing (the Indiana election division or a circuit court clerk). (IC 3-13-1-20)

Once the Libertarian Party fills a vacancy for federal, statewide, state legislative, or judicial offices including the office of prosecuting attorney, the state chair and secretary must file a certificate of nomination with the Election Division. **The Party must file the certificate no later than noon, Tuesday, July 3, 2018.** (IC 3-13-1-20)

Once the Libertarian Party fills a vacancy for the office of circuit court clerk, county offices, township offices, or town offices, the county chair and secretary must file a certificate of nomination and the candidate’s Statement of Economic Interest for Local and School Board Offices (CAN-12) with the county election board. **The Party must file the certificate no later than noon, Tuesday, July 3, 2018.** (IC 3-13-1-20)

If a vacancy occurs for any other reason at least thirty-one days before the general, municipal, or special election, the same procedure applies. The vacancy must be filled within 30-days, but the certificate and candidate’s statement of economic interest must be filed no later than noon, three (3) days (excluding Saturdays and Sundays) after the selection of the candidate. (IC 3-13-1-20) Special procedures apply to late ballot vacancies occurring within the final 30 days before the election and to statewide or state legislative candidates. (IC 3-13-2-12; IC 3-8-8)
OTHER MINOR PARTY CANDIDATE VACANCIES

If a candidate for federal, statewide, or state legislative offices does not affiliate with the Democratic Party, the Libertarian Party, or the Republican Party, and the candidate withdraws, dies, or is disqualified, the state chairman of the candidate’s political party may fill the resulting candidate vacancy. The chairman can fill this vacancy at any time after a petition of nomination has been circulated or filed for certification by a county voter registration office by filing a statement with the Election Division. (IC 3-8-6-17) (CAN-40, CAN-20)

This statement must include the following:

1. The name of the individual who ceased to be a candidate.
2. The date and reason why the person ceased to be a candidate.
3. The name and written consent of the successor candidate.
4. If other individuals were also candidates on the same petition of nomination, the consent of each other candidate to the selection of the successor candidate.

For candidates nominated by petition for the office of circuit court clerk, county offices, township offices, or town offices, the county chairman must file the statement with the county election board. (IC 3-8-6-17)

The state or county chairman must file the statement no later than noon, Tuesday, July 3, 2018. The CAN-40 and CAN-20 are available from the Election Division’s office or each circuit court clerk’s office. (IC 3-8-6-17)

A similar procedure applies to filling candidate vacancies for individuals nominated by petition for “small” town offices with a population of less than 3,500. The town chairman of the party must file a certificate of candidate selection with the county election board no later than 12:00 noon, prevailing local time, Tuesday, August 28, 2018. (IC 3-13-1-18) (CAN-18)

INDEPENDENT AND WRITE-IN CANDIDATES

An independent candidate may not include the name of any other candidate on the petition, unless the other candidate included on the petition is part of an independent ticket of candidates for President and Vice-President of the United States, or governor and lieutenant governor. (IC 3-8-6-4)

If a petition of nomination is circulated or filed by an independent candidate, another candidate may not be substituted on the petition of nomination. (IC 3-8-6-17)

Indiana law has no procedure for the replacement of a write-in or independent candidate.

CAMPAIGN RELATED VIOLATIONS AND ENFORCEMENT

A county election board may investigate and rule on questions concerning reported election law violations. If the county election board has substantial reason to believe that an election violation has or will occur, the board may conduct a hearing to resolve the issue. The county election board has the power to subpoena witnesses, and question those witnesses under oath. If, after affording due notice and an opportunity for a hearing, the county election board believes that an act constitutes or will constitute an election violation, the board may take whatever action it deems proper under the circumstances. This includes referring the matter to the attorney general for civil action or the county prosecuting attorney for criminal prosecution. (IC 3-6-5-31; 3-14-5-3)

Indiana law also requires that a county election board forward all voter challenge affidavits (PRE-4) returned by precinct election officers following the close of the polls to the foreman of the grand jury when the jury is next in session and to forward photocopies of the affidavits to the Secretary of State. The grand jury is required to inquire into the truth or falsity of the affidavits, and file a report of the results of its inquiry with the court. (IC 3-14-5-2) Exception: This procedure does not apply to affidavits solely concerning an individual who failed to provide additional documentation as a “first time” voter under IC 3-7-33-4.5 but has since provided this documentation. (IC 3-14-5-1)

Unless otherwise stated, Indiana election law provides that the following offenses are Level 6 felonies, which subject a person to up to two and one-half years of imprisonment, a $10,000 fine, or both, upon conviction. The laws cited below should be studied carefully, since they may contain requirements or exemptions that are not set forth in detail in this summary.

1. Using a government employer’s property to solicit contributions, or advocate the election or defeat of a candidate or public question at any time, or to distribute campaign materials on government’s real property during normal business hours. Class A misdemeanor for first offense. (IC 3-14-1-17)

A. Qualifications
Article 1, Section 3, Clause 3 of the United States Constitution provides that:
“No person shall be a senator who shall not have attained to the age of thirty years, and been nine
years a citizen of the United States, and who shall not, when elected, be an inhabitant of that state
for which he shall be chosen.”

B. Democratic and Republican Party Candidates Nominated at the Primary Election
A candidate may submit a declaration of candidacy and petition of nomination in person or by mail
and they are considered filed as of the DAY AND TIME THEY ARE FILED in the office of the Indiana
Election Division. “Filing” occurs when the Election Division records the date and time that the
document was file stamped by the Division, not when the document is received in the mail or
postmarked. (IC 3-5-2-24.5) A declaration or petition of nomination may not be submitted by facsimile
transmission or email. (IC 3-5-4-1.7; IC 3-8-2-11)

Candidates for the office of U.S. Senator from the Democratic or Republican Party will be nominated
at the primary election to be held on Tuesday, May 8, 2018. (IC 3-10-1-3)

1. Declaration of Candidacy
A candidate for the nomination of United States Senator by the Democratic or Republican Party must
file a declaration of candidacy with the Election Division. (IC 3-8-2-5)

The declaration of candidacy form (CAN-2) is available from the Election Division’s office, on the
Division’s website and is in this Guide under the Candidate Forms tab.

2. Petition of Nomination
The declaration of candidacy must be accompanied by a petition of nomination signed by at least
4,500 registered voters of the state, including at least 500 registered voters from each of Indiana’s
nine (9) congressional districts. (IC 3-8-2-8 and IC 3-8-2-9)

Each petition must request that the candidate’s name be placed on the ballot at the primary election
and must contain the following: (a) signature of each petitioner, (b) name of each petitioner printed
legibly, and (c) residence mailing address of each petitioner. (IC 3-8-2-8 and IC 3-8-2-9) However,
another individual may provide assistance to a person with a disability in completing their form,
including signing the individual’s name. The individual providing assistance must complete the
affidavit of assistance found on the petition form. (IC 3-8-2-8(c))

The petition of nomination form (CAN-4) is available from the Election Division’s office, on the
Division’s website, or in included in this Guide under the Candidate Forms tab.

A petition carrier is required to fully complete and affix their signature to the affidavit at the bottom of
each page of the petition prior to filing with the county voter registration office. If the petition carrier
information is incomplete, then the county voter registration office may not process the signature
page, but must give the best possible notice to the petition carrier who submitted the signature page
to allow for the correction of the information concerning the petition carrier. The petition carrier may
correct the missing information up to the final date and hour for filing the petition with the county voter
registration office. If the information is not completed by this deadline, then the signature page may
not be processed. (IC 3-6-12)
The county voter registration office in each county where a petitioner is registered must certify whether each petitioner is a registered voter in that county. This certification must accompany and be a part of the petition. If a county is a part of more than one congressional district, the certificate must indicate the number of petitioners from that county who reside in each congressional district. (IC 3-8-2-9)

A candidate may submit a petition for certification to the county voter registration office no earlier than Wednesday, January 10, 2018, and no later than 12:00 noon, local prevailing time, on Tuesday, February 6, 2018. (IC 3-8-2-8 and IC 3-8-2-10)

The candidate may request that the county voter registration office return the original petitions to the candidate so that the candidate may file the certified petitions (along with the CAN-2 form) with the Election Division to be placed on the primary election ballot. (IC 3-8-2-10)

3. Filing Requirements and Deadlines
The declaration of candidacy and certified petitions for Democratic or Republican U.S. Senate candidates must be filed with the Election Division no earlier than Wednesday, January 10, 2018, and no later than 12:00 noon, Indianapolis time, on Friday, February 9, 2018. (IC 3-8-2-4, IC 3-8-2-5 and IC 3-8-2-8) A declaration of candidacy or certified petition presented after February 9, 2018, at 12:00 noon will not be received for filing. (IC 3-5-4-1.9)

4. Political Party Affiliation
Indiana Code 3-8-2-7 sets forth the standard for determining the political party affiliation of a candidate who files a declaration of candidacy for a primary election. The political party affiliation of the candidate is deemed to be:

(1) the political party in whose primary in Indiana the candidate most recently voted; or
(2) the political party of the county chair of the county in which the candidate resides who certifies that the candidate is a member of that political party.

5. Candidate Withdrawal Requirements

Primary Election Candidate Withdrawal
A candidate for U.S. Senator, who filed with the Election Division a declaration of candidacy for the primary election, may file written notice of candidate withdrawal with the Election Division certifying that the individual no longer wishes to be a candidate. This notice must be filed with the Election Division no later than 12:00 noon, Indianapolis time, Monday, February 12, 2018. (IC 3-8-2-20) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the primary election (IC 3-8-2-21). Notice of candidate withdrawal presented after February 12, 2018, at 12:00 noon will not be received for filing. (IC 3-5-4-1.9)

The primary election candidate withdrawal form (CAN-10) is available from the Election Division’s office, the Division’s website, and is included in this Guide under the Candidate Forms tab.

General Election Candidate Withdrawal
After the primary, if the nominee for U.S. Senator desires to withdraw from the ballot for the general election, the nominee must file a written notice of candidate withdrawal with the Election Division. This notice must be filed with the Election Division no later than 12:00 noon, Indianapolis time, on Monday, July 16, 2018. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 16, 2018, at 12:00 noon, Indianapolis time will not be received for filing. (IC 3-5-4-1.9)

The general election candidate withdrawal form (CAN-24) is available from the Election Division’s office, the Division’s website, and is included in this Guide under the Candidate Forms tab.
C. Libertarian Party Candidates

1. Filing Requirements
Libertarian Party candidates for U.S. Senate are not nominated in a primary election, but are nominated by political party convention. (IC 3-8-4-10)

The Libertarian Party will nominate candidates for the office of U.S. Senator at the Party’s state convention. Candidates for this office should contact the Libertarian Party’s state committee for information concerning any candidate filing requirements.

Libertarian Party candidates for the office of U.S. Senator are not required to file declarations of candidacy with the Election Division. Instead, the Libertarian Party state chair and secretary must certify the Party’s nominees to the Election Division no later than 12:00 noon, Indianapolis time, July 16, 2018.

Following a state convention, the chairperson and secretary of the convention or the state chairperson and secretary of the Libertarian Party shall file a certificate of nomination (CAN-23) with the Election Division no later than noon, Indianapolis time, July 16, 2018.

2. Candidate Withdrawal Requirements
If a nominee for U.S. Senator wishes to withdraw from the Libertarian Party ticket for the general election, the nominee must file a written notice of candidate withdrawal with the Election Division. The DEADLINE to file this notice with the Election Division is 12:00 noon, Indianapolis time, on Monday, July 16, 2018. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 16, 2018, at 12:00 noon, Indianapolis time will not be received for filing. (IC 3-5-4-1.9)

The general election candidate withdrawal form (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

D. Minor Party and Independent Candidates

1. Filing Requirements
This section addresses the filing and petition requirements for a person who does not intend to affiliate with the Democratic, Libertarian or Republican Party, and who does not intend to be a write-in candidate.

A person who wishes to become an independent candidate or a candidate of a minor party not qualified to nominate candidates in a primary election or by political party convention, and who wishes be a candidate for the office of United States Senator at the general election, must file a written consent to become a candidate (CAN-20) and a petition of nomination (CAN-19) with the Election Division. (IC 3-8-6-12; IC 3-8-6-14(a))

Each candidate nominated by petition of nomination must satisfy all statutory eligibility requirements for the office for which the candidate is nominated. (IC 3-8-6-14(b))

The written consent form (CAN-20) and petition of nomination form (CAN-19) are available from the Election Division’s office, on the Division’s website, and are included in this Guide under the Candidate Forms tab.

To be placed on the general election ballot, an independent or minor party candidate must obtain signatures of registered voters in the election district the candidate seeks to represent. A petition of nomination must be signed by the number of registered voters equal to 2% of the total votes cast for secretary of state in the 2014 general election in the election district the candidate seeks to represent. Any fraction in excess of a whole number is disregarded in computing this figure. (IC 3-8-6-3) Signatures on any petition of nomination must be those of registered voters of the state who
reside in the district the candidate seeks to represent. (IC 3-8-6-2)

**EXAMPLE:** A minor party or independent candidate for the office of U.S. Senator must obtain signatures of registered voters equal to 2% of the total votes cast for secretary of state in the 2014 general election for the entire state or 26,699.

For a petition of nomination to be considered valid, the county voter registration office in the county where the individual signing the petition is registered must certify whether each person who signs the petition is a registered voter at the residence listed in the petition at the time the county processes the petition and in the election district the candidate seeks to represent. This certification must accompany and be a part of the petition of nomination. (This certification is on the reverse side of the CAN-19 form.) (IC 3-8-6-10; IC 3-8-6-11)

A petition carrier is required to fully complete and affix their signature to the affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. If the petition carrier information is incomplete, then the county voter registration office may not process the signature page, but must give the best possible notice to the petition carrier who submitted the signature page to allow for the correction. The petition carrier may correct the missing information concerning the petition carrier until the final date and hour for filing the petition with the county voter registration office. If the information is not completed by this deadline, then the signature page may not be processed. (IC 3-6-12)

The **first day** a minor party or independent candidate for the office of U.S. Senator may submit the petition of nomination, accompanied by the written consent form (CAN-20) to the county voter registration office for certification is **Wednesday, January 10, 2018**, and the **DEADLINE** for filing the petition for review by county voter registration officials is **12:00 noon, prevailing local time, Monday, July 2, 2018**. (IC 3-8-6-12, 3-5-4-1.5)

For minor party or independent candidates for the office of U.S. Senator, once the county voter registration office certifies the petitions of nomination, these certified petitions along with the candidate’s consent (CAN-20) must be filed with the Election Division.

The **DEADLINE** for filing the petition of nomination (CAN-19), accompanied by the written consent form (CAN-20) with the Election Division is **12:00 noon, Indianapolis time, Monday, July 16, 2018**. (IC 3-8-6-10; IC 3-8-6-12) The county voter registration office must file the certified petitions of nomination with the Election Division. However, the candidate for the office of U.S. Senator may request that the county voter registration office return the original petitions to the candidate so that the candidate may file the certified petitions (along with the CAN-20) with the Election Division to be placed on the general election ballot. (IC 3-8-6-10)

### 2. Nominating Petition Requirements

Candidates or political party members may wish to contact county voter registration offices to coordinate the processing of nominating petitions. Some county offices prefer to process all petitions for a candidate at the same time, while others are willing to process partial submissions.

Sometimes a county voter registration office rejects a signature on a nominating petition because the individual who signed the petition is not a registered voter in the county, or has changed the individual’s address without notifying the county voter registration office. Although a minor variation between the name or address of a petition signer and the name or address on the county voter registration records does not invalidate the signature, a substantial variation renders the signature invalid. Reasonable doubts must be resolved in favor of the signer of the petition. (IC 3-5-6)
3. Political Party Names
A candidate may not submit a petition of nomination requesting ballot placement for a political party whose name would result in voter confusion due to its similarity with another party’s name. If the candidate declines to amend the petition to remove this confusion, the petition may be challenged, and shall be denied by the Indiana Election Commission, if the Commission finds that the name is confusing. (IC 3-8-6-5.5) A candidate must indicate whether the candidate is affiliated with any other candidate or group of candidates filing a petition under the same political party name. (IC 3-8-6-5)

4. Candidate Withdrawal Requirements
The DEADLINE for a person nominated by petition for the office of U.S. Senator who wishes to withdraw from the general election ballot to file a written notice of candidate withdrawal with the Election Division is on or before 12:00 noon, Indianapolis time, on Monday, July 16, 2018. (IC 3-8-7-28) Upon receipt of this notice, the Election Division will not certify the individual’s name as a candidate for the general election. The general election candidate withdrawal form (CAN-24) is available from the Election Division’s office on the Division’s website, and is included in this Guide under the Candidate Forms tab.

E. Write-in Candidates

1. Filing Requirements
Indiana law provides that only votes for declared write-in candidates are counted. (IC 3-12-1-1.7(a))

A person who desires to be a write-in candidate for the office of United States Senator in the general election on Tuesday, November 6, 2018, must file a declaration of intent to be a write-in candidate (CAN 3) with the Election Division. (IC 3-8-2-2.5)

The CAN-3 is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

The first day a write-in candidate may file the CAN-3 with the Election Division is Wednesday, January 10, 2018, and the DEADLINE for filing is 12:00 noon, Indianapolis time, Tuesday, July 3, 2018. (IC 3-8-2-2.5; IC 3-8-2-4; IC 3-8-2-5)

2. Candidate Withdrawal Requirements
The DEADLINE for a person who files a declaration of intent to be a write-in candidate for the office of United States Representative to file a written notice of candidate withdrawal with the Election Division is 12:00 noon, Indianapolis time, on Monday, July 16, 2018. (IC 3-8-7-28; IC 3-8-2-2.7) Upon receipt of this notice, the Election Division will not certify the individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 16, 2018, at 12:00 noon will not be accepted for filing (IC 3-5-4-1.9)

The general election candidate withdrawal form (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

3. Political Party Affiliation
A write-in candidate for statewide office may claim, on the candidate’s declaration, affiliation with a political party other than the Democratic Party, the Libertarian Party, or the Republican Party (the parties whose nominee for Secretary of State of Indiana received at least 2% of the total votes cast in the most recent election for the office of Secretary of State (November 2014)). (IC 3-8-2-2.5)
If a write-in candidate claims affiliation with a political party: (1) that already has ballot access, (2) of a candidate who has previously filed a petition of nomination under IC 3-8-6, or (3) whose name would result in voter confusion due to its similarity with the name of the political party in (1) or (2), then a registered voter of the election district may question the validity of the filing under IC 3-8-1-2. The Indiana Election Commission shall determine the validity of the questioned filing.

If the Commission determines that the candidate’s stated party affiliation would result in voter confusion due to its similarity with another party’s name, and the candidate declines to amend the declaration to remove this confusion, then the Commission shall deny the filing. (IC 3-8-2-12.5)

UNITED STATES REPRESENTATIVE

A. Qualifications
Article 1, Section 2, Clause 2 of the United States Constitution provides that:
“No person shall be a representative who shall not have attained to the age of twenty-five years, and been seven years a citizen of the United States, and who shall not, when elected, be an inhabitant of that state in which he shall be chosen.”

NOTE: There is no requirement that a candidate for United States Representative must reside within the district the candidate seeks to represent.

B. Democratic and Republican Party Candidates Nominated at the Primary Election

1. Filing Requirements
A candidate may submit a declaration of candidacy in person or by mail, and it is considered filed as of the DAY AND TIME IT IS FILED in the office of the Indiana Election Division. “Filing” occurs when the Election Division records the date and time that the document was file stamped by the Division, not when the document is received in the mail or postmarked. (IC 3-5-2-24.5) A declaration may not be submitted by facsimile transmission or email. (IC 3-5-4-1.7; IC 3-8-2-11)

2. Political Party Affiliation
Indiana Code 3-8-2-7 sets forth the standard for determining the political party affiliation of a Democratic or Republican candidate who files a declaration of candidacy for a primary election. The political party affiliation of the candidate is deemed to be:
(1) the political party in whose primary in Indiana the candidate most recently voted; or
(2) the political party of the county chair of the county in which the candidate resides who certifies that the candidate is a member of that political party.

3. Candidate Withdrawal Requirements

Primary Election Candidate Withdrawal
A Democratic or Republican candidate for United States Representative who filed with the Election Division a declaration of candidacy for the primary election may file written notice of candidate withdrawal with the Election Division certifying that the individual no longer wishes to be a candidate. The DEADLINE to file this notice with the Election Division is 12:00 noon, Indianapolis time, Monday, February 12, 2018. (IC 3-8-2-20) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the primary election. (IC 3-8-2-21) Notice of candidate withdrawal presented after February 12, 2018, at 12:00 noon, Indianapolis time, will not be accepted for filing. (IC 3-5-4-1.9)

The primary election candidate withdrawal form (CAN-10) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.
General Election Candidate Withdrawal
After the primary, if a nominee for United States Representative wishes to withdraw from the ticket for the general election, the nominee must file a written notice of candidate withdrawal with the Election Division. The DEADLINE to file this notice with the Election Division is 12:00 noon, Indianapolis time, on Monday, July 16, 2018. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 16, 2018, at 12:00 noon, Indianapolis time, will not be accepted for filing. (IC 3-5-4-1.9)

The general election candidate withdrawal form (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

C. Libertarian Party Candidates

1. Filing Requirements
Libertarian Party candidates are not nominated in a primary election, but are nominated by political party convention. (IC 3-8-4-10)

The Libertarian Party will nominate candidates for the office of United States Representative at the Party’s state convention. Candidates for this office should contact the Libertarian Party’s state committee for information concerning any candidate filing requirements.

Libertarian Party candidates for the office of United States Representative are not required to file declarations of candidacy with the Election Division. Instead, the Libertarian Party state chair and secretary must certify the Party’s nominees to the Election Division no later than 12:00 noon, Indianapolis time, Monday, July 16, 2018. (IC 3-8-7-8, 3-5-4-1.5)

Following a state convention, the chairperson and secretary of the convention or the state chairperson and secretary of the Libertarian Party shall file a certificate of nomination (CAN-23) with the Election Division no later than noon, Indianapolis time, Monday, July 16, 2018.

2. Candidate Withdrawal Requirements
If a nominee for United States Representative wishes to withdraw from the Libertarian Party ticket for the general election, the nominee must file a written notice of candidate withdrawal with the Election Division. The DEADLINE to file this notice with the Election Division is 12:00 noon, Indianapolis time, on Monday, July 16, 2018. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 16, 2018, at 12:00 noon, Indianapolis time, will not be accepted for filing. (IC 3-5-4-1.9)

The general election candidate withdrawal form (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

D. Minor Party and Independent Candidates

1. Filing Requirements
This section addresses the filing and petition requirements for a person who does not intend to affiliate with the Democratic, Libertarian or Republican Party, and who does not intend to be a write-in candidate.

A person who wishes to become an independent candidate or a candidate of a minor party not qualified to nominate candidates in a primary election or by political party convention, and who wishes to be a candidate for the office of United States Representative at the general election, must file a written consent to become a candidate (CAN-20) and a petition of nomination (CAN-19) with the Election
Each candidate nominated by petition of nomination must satisfy all statutory eligibility requirements for the office for which the candidate is nominated. (IC 3-8-6-14(b))

The written consent (CAN-20) and petition of nomination (CAN-19) are available from the Election Division’s office, on the Division’s website and are included in this Guide under the Forms tab.

To be placed on the general election ballot, an independent or minor party candidate must obtain signatures of registered voters in the election district the candidate seeks to represent. A petition of nomination must be signed by the number of registered voters equal to 2% of the total votes cast for secretary of state in the 2014 general election in the election district the candidate seeks to represent. Any fraction in excess of a whole number is disregarded in computing this figure. (IC 3-8-6-3) Signatures on any petition of nomination must be those of registered voters of the state who reside in the district the candidate seeks to represent. (IC 3-8-6-2)

**EXAMPLE:** A minor party or independent candidate for the office of United States Representative, 2nd Congressional District, must obtain signatures of registered voters equal to 2% of the total votes cast for secretary of state in the 2014 general election in the precincts that make up the 2nd Congressional District.

Circuit court clerks should have information on the precinct votes for the office of secretary of state in the 2014 general election to help determine the number of signatures required for a candidate seeking ballot placement by petition of nomination. A chart listing the 2% ballot access requirement for each county is included under the 2014 Vote for Secretary of State tab of this Guide, though not all counties are wholly contained in the same Congressional district, which will require careful review of precinct election results.

The Indiana Election Division will certify the minimum number of signatures required to run as a minor party or independent candidate for U.S Representative to the Indiana Secretary of State, and the Secretary will determine whether or not enough valid signatures are certified for the candidate to be placed on the general election ballot.

For a petition of nomination to be considered valid, the county voter registration office in the county where the individual signing the petition is registered must certify whether each person who signs the petition is a registered voter at the residence listed in the petition at the time the county processes the petition and in the election district the candidate seeks to represent. This certification must accompany and be a part of the petition of nomination. (This certification is on the reverse side of the CAN-19) (IC 3-8-6-10; IC 3-8-6-11)

A petition carrier is required to fully complete and affix their signature to the affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. If the petition carrier information is incomplete, then the county voter registration office may not process the signature page, but must give the best possible notice to the petition carrier who submitted the signature page to allow for the correction of information concerning the petition carrier. The petition carrier may correct the missing information up to the final date an hour for filing the petition with the county voter registration office. If the information is not completed by this deadline, then the signature page may not be processed. (IC 3-6-12)

The first day a candidate for the office of United States Representative may submit the petition of nomination, accompanied by the written consent form (CAN-20) to the county voter registration office for certification is Wednesday, January 10, 2018, and the DEADLINE for filing the petition for review by county voter registration officials is 12:00 noon, prevailing local time, Monday, July 2, 2018. (IC 3-8-6-12, 3-5-4-1.5)

For candidates for the office of United States Representative, once the county voter registration office certifies the petitions of nomination, these certified petitions along with the candidate’s consent (CAN-
20) must be filed with the Election Division. The **DEADLINE** for filing the petition of nomination (CAN-19), accompanied by the written consent form (CAN-20) with the Election Division is **12:00 noon, Indianapolis time, Monday, July 16, 2018.** (IC 3-8-6-10; IC 3-8-6-12, 3-5-4-1.5) The county voter registration office must file the certified petitions of nomination with the Election Division. However, the candidate for the office of United States Representative may request that the county voter registration office return the original petitions to the candidate so that the candidate may file the certified petitions (along with the CAN-20) with the Election Division to be placed on the general election ballot. (IC 3-8-6-10)

### 2. Nominating Petition Requirements

Candidates or political party members may wish to contact county voter registration offices to coordinate the processing of nominating petitions. Some county offices prefer to process all petitions for a candidate at the same time, while others are willing to process partial submissions.

Sometimes a county voter registration office rejects a signature on a nominating petition because the individual who signed the petition is not a registered voter of the election district of the office sought by the candidate or has changed the individual’s address without notifying the county voter registration office. Although a minor variation between the name or address of a petition signer and the name or address on the county voter registration records does not invalidate the signature, a substantial variation renders the signature invalid. Reasonable doubts must be resolved in favor of the signer of the petition. (IC 3-5-6)

### 3. Political Party Names

A candidate may not submit a petition of nomination requesting ballot placement for a political party whose name would result in voter confusion due to its similarity with another party’s name. If the candidate declines to amend the petition to remove this confusion, the petition may be challenged, and shall be denied by the Indiana Election Commission, if the Commission finds the name is confusing. (IC 3-8-6-5.5) A candidate must indicate whether the candidate is affiliated with any other candidate or group of candidates filing a petition under the same political party name. (IC 3-8-6-5)

### 4. Candidate Withdrawal Requirements

The **DEADLINE** for a person nominated by petition for the office of United States Representative who wishes to withdraw from the general election ballot to file a written notice of candidate withdrawal with the Election Division is than **12:00 noon, Indianapolis time, Monday, July 16, 2018.** (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the Election Division will not certify that individual's name as a candidate for the general election. **Notice to withdraw candidacy presented after July 16, 2018, at 12:00 noon will not be accepted for filing.**

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this *Guide* under the *Candidate Forms* tab.

### E. Write-in Candidates

#### 1. Filing Requirements

Indiana law provides that only votes for declared write-in candidates are counted. (IC 3-12-1-1.7(a))

A person who desires to be a write-in candidate for the office of United States Representative in the general election on Tuesday, November 6, 2018, must file a declaration of intent to be a write-in candidate (CAN 3 form) with the Election Division. (IC 3-8-2-2.5)

The CAN-3 form is available from the Election Division’s office, on the Division’s website, and is included in this *Guide* under the *Forms* tab.
The **first day** a write-in candidate may file the CAN-3 form with the Election Division is **Wednesday, January 10, 2018**, and the **DEADLINE** for filing is **12:00 noon, Indianapolis time, Tuesday, July 3, 2018**. (IC 3-8-2-2.5; IC 3-8-2-4; IC 3-8-2-5; IC 3-11-2-11.5)

(IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the general election. **Notice to withdraw candidacy presented after July 16, 2018, at 12:00 noon will not be accepted for filing.**

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this *Guide* under the *Candidate Forms* tab.

### 3. Political Party Affiliation

A write-in candidate for statewide office may claim, on the candidate’s declaration, affiliation with a political party other than the Democratic Party, the Libertarian Party, or the Republican Party (the parties whose nominee for Secretary of State of Indiana received at least 2% of the total votes cast in the most recent election for the office of Secretary of State (November 2014)). (IC 3-8-2-2.5)

If a write-in candidate claims affiliation with a political party: (1) that already has ballot access, (2) of a candidate who has previously filed a petition of nomination under IC 3-8-6, or (3) whose name would result in voter confusion due to its similarity with the name of the political party in (1) or (2), then a registered voter of the election district may question the validity of the filing under IC 3-8-1-2. The Indiana Election Commission shall determine the validity of the questioned filing. If the Commission determines that the candidate’s stated party affiliation would result in voter confusion due to its similarity with another party’s name, and the candidate declines to amend the declaration to remove this confusion, then the Commission shall deny the filing. (IC 3-8-2-12.5)
A. Qualifications for Secretary of State, Auditor of State, and Treasurer of State

The statement of economic interest form is available from the Office of the Inspector General. The Ethics Commission’s contact information is listed under the **General Information** tab of this **Guide**.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, the Division’s website, and is included in this Guide under the Candidate Forms tab.

D. Libertarian Party Candidates

1. Filing Requirements
The Libertarian Party will nominate candidates for the statewide offices at the Party’s state convention. (IC 3-8-4-10) A person wishing to become a candidate for the nomination to any of these offices should contact the Libertarian Party’s state committee for information concerning any candidate filing requirements.

Following a state convention, the chairman or the secretary of the state convention or the state chairman and state secretary of the political party holding the state convention shall file a certificate of nomination (CAN-23) with the Secretary of State no later than 12:00 noon, Indianapolis time, July 16, 2018.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

E. Minor Party and Independent Candidates

1. Filing Requirements
This section addresses the filing and petition requirements for a person who does not intend to affiliate with the Democratic, Libertarian or Republican Party, and who does not intend to be a write-in candidate.

A person who wishes to become an independent candidate or a candidate of a minor party not qualified to nominate candidates in a primary election or by political party convention, and who wishes be a candidate for a statewide office at the general election, must file a written consent to become a candidate (CAN-20) and a petition of nomination (CAN-19) with the Election Division. (IC 3-8-6-12 and IC 3-8-6-14(a))

Each candidate nominated by petition of nomination must satisfy all statutory eligibility requirements for the office for which the candidate is nominated, including the filing of a statement of economic interest. (IC 3-8-6-14(b))

The written consent (CAN-20) and petition of nomination (CAN-19) are available from the Election Division’s office, on the Division’s website, and are included in this Guide under the Candidate Forms tab.

To be placed on the general election ballot, an independent or minor party candidate must obtain signatures of registered voters in the election district the candidate seeks to represent. A petition of nomination must be signed by the number of registered voters equal to 2% of the total votes cast for secretary of state in the 2014 general election in the election district the candidate seeks to represent. Any fraction in excess of a whole number is disregarded in computing this figure. (IC 3-8-
6-3) Signatures on any petition of nomination must be those of registered voters of the state who reside in the district the candidate seeks to represent. (IC 3-8-6-2)

**EXAMPLE:** A minor party or independent candidate for the office of Secretary of State must obtain signatures of registered voters equal to 2% of the total votes cast for secretary of state in the 2014 general election for the entire state or 26,699.

A petition carrier is required to fully complete and affix their signature to the affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. If the petition carrier information is incomplete, then the county voter registration office may not process the signature page, but must give the best possible notice to the petition carrier who submitted the signature page to allow for the correction. The petition carrier may correct the missing information concerning the petition carrier up to the final date an hour for filing the petition with the county voter registration office. If the information is not completed by this deadline, then the signature page may not be processed. (IC 3-6-12)

The county voter registration office in the county where the individual signing the petition is registered must certify whether each person who signs the petition is a registered voter in the county. This certification must accompany and be a part of the petition of nomination. (This certification is on the reverse side of the CAN-19) (IC 3-8-6-10; IC 3-8-6-11)

The first day a minor party or independent candidate for a statewide office may submit the petition of nomination, accompanied by the written consent form (CAN-20), to the county voter registration office for certification is Wednesday, January 10, 2018, and the DEADLINE for filing for filing the petition for certification at the county level is **12:00 noon, prevailing local time, Monday, July 2, 2018.** (IC 3-8-6-10, 3-5-4-1.5)

For a candidate for a statewide office, once the county voter registration office certifies the petitions of nomination, these certified petitions along with the candidate’s consent (CAN-20) and receipt of filing of the statement of economic interest (as required under IC 3-8-1-33), must be filed with the Election Division. The DEADLINE for filing the petition of nomination (CAN-19), accompanied by the written consent form (CAN-20) with the Election Division is **12:00 noon, Indianapolis time, Monday, July 16, 2018.** (IC 3-8-6-10; IC 3-8-6-12; 3-5-4-1.5) The county voter registration office must file the certified petitions of nomination with the Election Division. However, the candidate for a statewide office may request that the county voter registration office return the original petitions to the candidate so that the candidate may file the certified petitions (along with the CAN-20) with the Election Division to be placed on the general election ballot. (IC 3-8-6-10)

### 2. Nominating Petition Requirements
Candidates or political party members may wish to contact county voter registration offices to coordinate the processing of nominating petitions. Some county offices prefer to process all petitions for a candidate at the same time, while others are willing to process partial submissions.

Sometimes a county voter registration office rejects a signature on a nominating petition because the individual who signed the petition is not a registered voter in the county. Although a minor variation between the name or address of a petition signer and the name or address on the county voter registration records does not invalidate the signature, a substantial variation renders the signature invalid. Reasonable doubts must be resolved in favor of the signer of the petition. (IC 3-5-6)

### 3. Political Party Names
A candidate may not submit a petition of nomination requesting ballot placement for a political party whose name would result in voter confusion due to its similarity with another party’s name. If the candidate declines to amend the petition to remove this confusion, the petition may be challenged, and the Indiana Election Commission shall deny the petition if the Commission finds that the name is confusing. (IC 3-8-6-5.5)

F. Write-in Candidates

1. Filing Requirements

Indiana law provides that only votes for declared write-in candidates are counted. (IC 3-12-1-1.7(a))

A person who desires to be a write-in candidate for a statewide office in the general election on Tuesday, November 6, 2018, must file a declaration of intent to be a write-in candidate (CAN 3 form) with the Election Division. (IC 3-8-2-2.5)

The CAN-3 form is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

The **first day** a write-in candidate may file the CAN-3 form with the Election Division is **Wednesday, January 10, 2018,** and the **DEADLINE** for filing is **12:00 noon, Indianapolis time, Tuesday, July 3, 2018**. (IC 3-8-2-2.5; IC 3-8-2-4; IC 3-8-2-5; IC 3-11-2-11.5)

3. Political Party Affiliation

A write-in candidate for statewide office may claim on the candidate’s declaration affiliation with a political party other than the Democratic Party, the Libertarian Party, or the Republican Party (the parties whose nominee for Secretary of State of Indiana received at least 2% of the total votes cast in the most recent election for the office of Secretary of State (November 2014)). (IC 3-8-2-2.5)

If a write-in candidate claims affiliation with a political party: (1) that already has ballot access, (2) of a candidate who has previously filed a petition of nomination under IC 3-8-6, or (3) whose name would result in voter confusion due to its similarity with the name of the political party in (1) or (2), then a registered voter of the election district may question the validity of the filing under IC 3-8-1-2. The Indiana Election Commission shall determine the validity of the questioned filing. If the Commission determines that the candidate’s stated party affiliation would result in voter confusion due to its similarity with another party’s name, and the candidate declines to amend the declaration to remove this confusion, then the Commission shall deny the filing. C. Democratic and Republican Party Candidates Nominated at the Primary Election

1. Filing Requirements
A candidate may submit a declaration of candidacy in person or by mail and is considered filed as of the DAY AND TIME IT IS FILED in the office of the Indiana Election Division. “Filing” occurs when the Election Division records the date and time that the document was file stamped by the Division, not when the document is received in the mail or postmarked. (IC 3-5-2-24.5) A declaration may not be submitted by facsimile transmission or email. (IC 3-5-4-1.7)

Candidates for a state legislative office from the Democratic or Republican Party will be nominated at the primary election to be held on Tuesday, May 8, 2018.

A candidate for the nomination for a state legislative office by the Democratic or Republican Party must file a declaration of candidacy with the Election Division. (IC 3-8-2-5) (Petitions signed by registered voters are NOT required of Democratic or Republican Party candidates for state legislative offices.)

The first day to submit a declaration of candidacy to the Election Division is Wednesday, January 10, 2018, and the DEADLINE to file is 12:00 noon, Indianapolis time, Friday, February 9, 2018. 2. Political Party Affiliation
Indiana Code 3-8-2-7 sets forth the standard for determining the political party affiliation of a candidate who files a declaration of candidacy for a primary election. The political party affiliation of the candidate is deemed to be:

(1) the political party in whose primary in Indiana the candidate most recently voted; or
(2) the political party of the county chair of the county in which the candidate resides who certifies that the candidate is a member of that political party.

3. Candidate Withdrawal Requirements

Primary Election Candidate Withdrawal

Notice of candidate withdrawal presented after February 12, 2018, at 12:00 noon, Indianapolis time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The primary election candidate withdrawal (CAN-10) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.
General Election Candidate Withdrawal
After the primary, if a nominee for a state legislative office wishes to withdraw from the ticket for the general election, the nominee must file a written notice of candidate withdrawal with the Election Division. The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this *Guide* under the **Candidate Forms** tab.

D. Libertarian Party Candidates

1. Filing Requirements
Libertarian Party candidates are not nominated in a primary election, but are nominated by political party convention. (IC 3-8-4-10)

The Libertarian Party will nominate candidates for state legislative offices at the Party’s state convention. Candidates for these offices should contact the Libertarian Party’s state committee for information concerning any candidate filing requirements.

Libertarian Party candidates for state legislative offices are not required to file declarations of candidacy with the Election Division. Instead, the Libertarian Party state chair and secretary shall certify the Party’s nominees to the Election Division no later than **12:00 noon, Indianapolis time, July 16, 2018.** (IC 3-8-7-8, 3-5-4-1.5)

Following a state convention, the chairperson and secretary of the convention or the state chairperson and secretary of the Libertarian Party must file a certificate of nomination (CAN-23) with the Election Division no later than **12:00 noon, Indianapolis time, July 16, 2018.**

2. Candidate Withdrawal Requirements
If a nominee for a state legislative office wishes to withdraw from the Libertarian Party ticket for the general election, the nominee must file a written notice of candidate withdrawal with the Election Division. The **DEADLINE** to file this notice with the Election Division is **12:00 noon, Indianapolis time, on Monday, July 16, 2018.** (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the general election. **Notice to withdraw candidacy presented after July 16, 2018, at 12:00 noon, Indianapolis time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.**

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this *Guide* under the **Candidate Forms** tab.

E. Minor Party and Independent Candidates

1. Filing Requirements
This section addresses the filing and petition requirements for a person who does not intend to affiliate with the Democratic, Libertarian or Republican Party, and who does not intend to be a write-in candidate. A person who wishes to become an independent candidate or a candidate of a minor party not qualified to nominate candidates in a primary election or by political party convention, and who wishes be a candidate for a state legislative office at the general election, must file a written consent to become a candidate (CAN-20) and a petition of nomination (CAN-19) with the Election Division.
Each candidate nominated by petition of nomination must satisfy all statutory eligibility requirements for the office for which the candidate is nominated, including the filing of a statement of economic interest. (IC 3-8-6-14(b))

The written consent (CAN-20) and petition of nomination (CAN-19) are available from the Election Division’s office, on the Division’s website, and are included in this Guide under the Candidate Forms tab.

To be placed on the general election ballot, an independent or minor party candidate must obtain signatures of registered voters in the election district the candidate seeks to represent. A petition of nomination must be signed by the number of registered voters equal to 2% of the total votes cast for secretary of state in the 2014 general election in the election district the candidate seeks to represent. Any fraction in excess of a whole number is disregarded in computing this figure. (IC 3-8-6-3) Signatures on any petition of nomination must be those of registered voters of the state who reside in the district the candidate seeks to represent. (IC 3-8-6-2)

EXAMPLE: A minor party or independent candidate for the office of State Representative, District 2, must obtain signatures of registered voters equal to 2% of the total votes cast for secretary of state in the 2014 general election in the precincts that make up District 2.

Circuit court clerks should have information on the precinct votes for the office of secretary of state in the 2014 general election to help determine the number of signatures required for a candidate seeking ballot placement by petition of nomination. A chart listing the 2% ballot access requirement for each county is included under the 2014 Vote for Secretary of State tab of this Guide, though not all counties are wholly contained in a state legislative district, which will require careful review of the county’s precinct election results.

The Indiana Election Division will certify the minimum number of signatures required to run as a minor party or independent candidate for a state legislative district to the Indiana Secretary of State, and the Secretary will determine whether or not enough valid signatures are certified for the candidate to be placed on the general election ballot.

For a petition of nomination to be considered valid, the county voter registration office in the county where the individual signing the petition is registered must certify whether each person who signs the petition is a registered voter at the residence listed in the petition at the time the county processes the petition and in the election district the candidate seeks to represent. This certification must accompany and be a part of the petition of nomination. (This certification is on the reverse side of the CAN-19) (IC 3-8-6-10; IC 3-8-6-11)

A petition carrier is required to sign an affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. A petition carrier is required to fully complete and affix their signature to the affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. If the petition carrier information is incomplete, then the county voter registration office may not process the signature page, but must give the best possible notice to the petition carrier who submitted the signature page to allow for the correction. The petition carrier may correct the missing information concerning the petition carrier up to the final date an hour for filing the petition with the county voter registration office. If the information is not completed by this deadline, then the signature page may not be processed. (IC 3-6-12)

The first day a candidate for a state legislative office may submit the petition of nomination, accompanied by the written consent form (CAN-20) to the county voter registration office for certification is Wednesday, January 10, 2018, and the DEADLINE for filing a petition for review by county voter registration officials is 12:00 noon, prevailing local time, Monday, July 2, 2018. (IC 3-8-6-12, 3-5-4-1.5)
For candidates for state legislative offices, once the county voter registration office certifies the petitions of nomination, these certified petitions along with the candidate’s consent (CAN-20) and receipt or photocopy of a receipt of filing the statement of economic interest (as required under IC 3-8-1-33), must be filed with the Election Division.

The **DEADLINE** for filing the petition of nomination (CAN-19), accompanied by the written consent form (CAN-20) with the Election Division is **12:00 noon, Indianapolis time, Monday, July 16, 2018.** (IC 3-8-6-10; IC 3-8-6-12; 3-5-4-1.5) The county voter registration office must file the certified petitions of nomination with the Election Division. However, the candidate for a state legislative office may request that the county voter registration office return the original petitions to the candidate so that the candidate may file the certified petitions (along with the CAN-20) with the Election Division to be placed on the general election ballot. (IC 3-8-6-10)

### 2. Nominating Petition Requirements

Candidates or political party members may wish to contact county voter registration offices to coordinate the processing of nominating petitions. Some county offices prefer to process all petitions for a candidate at the same time, while others are willing to process partial submissions.

Sometimes a county voter registration office rejects a signature on a nominating petition because the individual who signed the petition is not a registered voter of the election district of the office sought by the candidate. Although a minor variation between the name or address of a petition signer and the name or address on the county voter registration records does not invalidate the signature, a substantial variation renders the signature invalid. Reasonable doubts must be resolved in favor of the signer of the petition. (IC 3-5-6)

### 3. Political Party Names

A candidate may not submit a petition of nomination requesting ballot placement for a political party whose name would result in voter confusion due to its similarity with another party’s name. If the candidate declines to amend the petition to remove this confusion, the petition may be challenged, and shall be denied by the Indiana Election Commission if the Commission finds that confusion would exist. (IC 3-8-6-5.5) A candidate must indicate whether the candidate is affiliated with any other candidate or group of candidates filing a petition under the same political party name. (IC 3-8-6-5)

### 4. Candidate Withdrawal Requirements

The **DEADLINE** for a person nominated by petition for a state legislative office who wishes to withdraw from the general election ballot to file a written notice of candidate withdrawal with the Election Division is **than 12:00 noon, Indianapolis time, on Monday, July 16, 2018.** (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the general election. **Notice to withdraw candidacy presented after July 16, 2018 at 12:00 noon, Indianapolis time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5.**

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

### F. Write-in Candidates

#### 1. Filing Requirements

Indiana law provides that only votes for declared write-in candidates are counted. (IC 3-12-1-1.7(a))

A person who desires to be a write-in candidate for a state legislative office in the general election on Tuesday, November 6, 2018, must file a declaration of intent to be a write-in candidate (CAN-3) with the Election Division. (IC 3-8-2-2.5)

The CAN-3 is available from the Election Division’s office, on the Division’s website, and is included
in this Guide under the Candidate Forms tab.

The first day a write-in candidate may file the CAN-3 form with the Election Division is Wednesday, January 10, 2018, and the DEADLINE for filing is 12:00 noon, Indianapolis time, Tuesday, July 3, 2018. (IC 3-8-2-2.5; IC 3-8-2-4; IC 3-8-2-5; IC 3-11-2-11.5)

2. Candidate Withdrawal Requirements
The DEADLINE for a person who files a declaration of intent to be a write-in candidate for a state legislative office to file a written notice of candidate withdrawal with the Election Division is 12:00 noon, Indianapolis time, on Monday, July 16, 2018. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 16, 2018, at 12:00 noon will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The general election candidate withdrawal form (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

3. Political Party Affiliation
A write-in candidate for statewide office may claim, on the candidate’s declaration, affiliation with a political party other than the Democratic Party, the Libertarian Party, or the Republican Party (the parties whose nominee for Secretary of State of Indiana received at least 2% of the total votes cast in the most recent election for the office of Secretary of State (November 2014)). (IC 3-8-2-2.5)

If a write-in candidate claims affiliation with a political party:
(1) that already has ballot access,
(2) of a candidate who has previously filed a petition of nomination under IC 3-8-6, or
(3) whose name would result in voter confusion due to its similarity with the name of the political party in (1) or (2),
then a registered voter of the election district may question the validity of the filing under IC 3-8-1-2.

The Indiana Election Commission shall determine the validity of the questioned filing. If the Commission determines that the candidate’s stated party affiliation would result in voter confusion due to its similarity with another party’s name, and the candidate declines to amend the declaration to remove this confusion, then the Commission shall deny the filing. (IC 3-8-2-12.5)

A candidate for any of the following offices:
- judge of a circuit court,
- judge of a superior court,
- judge of the St. Joseph probate court, or

must file a statement of economic interest with the State Court Administration. (IC 33-23-11-14 & 15)

The Election Division will require a receipt, photocopy of a receipt or a copy of the statement file stamped by the Indiana Commission on Judicial Qualifications verifying that the statement of economic interest and other prerequisite filings have been completed. (IC 3-8-2-11) A file stamped copy of this filing with the Indiana Commission on Judicial Qualifications (or a photocopy of that file-stamped document) serves as a receipt.

Candidates for Superior Court Judge in Allen, Lake, Marion, St. Joseph, and Vanderburgh County as well as the Vanderburgh County Circuit Court Judge use different procedures for placement on the general election ballot. See “NON-PARTISAN ELECTIONS FOR CERTAIN COUNTY JUDICIAL OFFICES AND OTHER SPECIAL PROCEDURES” section below for these procedures.

C. Democratic and Republican Party Candidates Nominated at the Primary Election

A candidate may submit a declaration of candidacy in person or by mail and is considered filed as of the DAY AND TIME IT IS FILED in the office of the Indiana Election Division. “Filing” occurs when the Election Division records the date and time that the document was file stamped by the Division, not
when the document is received in the mail or postmarked. (IC 3-5-2-24.5) A declaration may not be submitted by facsimile transmission or electronic mail. (IC 3-5-4-1.7; IC 3-8-2-11)

Candidates for a judicial office from the Democratic or Republican Party will be nominated at the primary election to be held on Tuesday, May 8, 2018.

The first day to submit a declaration of candidacy to the Election Division is Wednesday, January 10, 2018, and the DEADLINE to file is 12:00 noon, Indianapolis time, Friday, February 9, 2018. (IC 3-8-2-4; IC 3-8-2-5) A declaration of candidacy presented after February 9, 2018, at 12:00 noon, Indianapolis time, will not be accepted for filing.

The declaration of candidacy form (CAN-2) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

For judicial candidates in Monroe County, it is necessary to identify on the space following the word “district” on the declaration of candidacy (CAN-2), which seat on the Monroe County Circuit Court the person is running. To aid in this process, the Monroe County Circuit Court Clerk must file with the Election Division a list containing the name, and seat designation of each judge on the court no later than December 31, 2017. (33-33-53-2.5) The court number designation must be included on the candidate’s declaration of candidacy to be a valid filing.

Candidates for Superior Court Judge in Allen, Lake, Marion, St. Joseph, and Vanderburgh County as well as the Vanderburgh County Circuit Court Judge use different procedures for placement on the general election ballot. See “NON-PARTISAN ELECTIONS FOR CERTAIN COUNTY JUDICIAL OFFICES AND OTHER SPECIAL PROCEDURES” section below for these procedures.

2. Political Party Affiliation
Indiana Code 3-8-2-7 sets forth the standard for determining the political party affiliation of a candidate who files a declaration of candidacy for a primary election. The political party affiliation of the candidate is deemed to be:

(1) the political party in whose primary in Indiana the candidate most recently voted; or
(2) the political party of the county chair of the county in which the candidate resides who certifies that the candidate is a member of that political party.

3. Candidate Withdrawal Requirements

Primary Election Candidate Withdrawal

(IC 3-8-2-20) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the primary election. (IC 3-8-2-21) Notice of candidate withdrawal presented after February 12, 2018, at 12:00 noon, Indianapolis time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

the Division’s website, and is included in this Guide under the Candidate Forms tab.

D. Libertarian Party Candidates

1. Filing Requirements
Libertarian Party candidates are not nominated in a primary election, but are nominated by political
party convention. (IC 3-8-4-10) The Libertarian Party will nominate candidates for judicial offices and
for prosecuting attorney at the Party’s state convention. Candidates for these offices should contact
the Libertarian Party’s state committee for information concerning any candidate filing requirements.

Libertarian Party candidates for judicial offices or prosecuting attorney are not required to file
declarations of candidacy with the Election Division. Instead, the Libertarian Party state chair and
secretary shall certify the Party’s nominees to the Election Division no later than 12:00 noon,
Indianapolis time, July 16, 2018. (IC 3-8-7-8, 3-5-4-1.5)

Following a state convention, the chairperson and secretary of the convention or the state
chairperson and secretary of the Libertarian Party must file a certificate of nomination (CAN-
23) with the Election Division no later than 12:00 noon, Indianapolis time, July 16, 2018.

For judicial candidates in Monroe County, it is necessary to note on the candidate filing which seat
on the Monroe County Circuit Court the person is running. To aid in this process, the Monroe County
Circuit Court Clerk must file with the Election Division a list containing the name, and seat designation
of each judge on the court no later than December 31, 2017. (33-33-53-2.5) The court number
designation must be included on the candidate’s declaration of candidacy to be a valid filing.

This Democratic and Republican party candidate section applies to candidates for St. Joseph
Circuit Court and Probate Court Judge. Candidates for Superior Court Judge in Allen, Lake,
Marion, St. Joseph, and Vanderburgh County as well as the Vanderburgh County Circuit Court
Judge use different procedures for placement on the general election ballot. See “NON-
PARTISAN ELECTIONS FOR CERTAIN COUNTY JUDICIAL OFFICES AND OTHER SPECIAL
PROCEDURES” section below for these procedures.

2. Candidate Withdrawal Requirements
If a nominee for a judicial office wishes to withdraw from the Libertarian Party ticket for the general
election, the nominee must file a written notice of candidate withdrawal with the Election Division. The
DEADLINE to file this notice with the Election Division is 12:00 noon, Indianapolis time, on
Monday, July 16, 2018. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the Election Division will
not certify that individual’s name as a candidate for the general election. Notice to withdraw
candidacy presented after July 16, 2018, at 12:00 noon, Indianapolis time, will not be accepted
for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election
district the candidate sought to represent.
The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this *Guide* under the *Candidate Forms* tab.

**E. Minor Party and Independent Candidates**

1. **Filing Requirements**
   This section addresses the filing and petition requirements for a person who does not intend to affiliate with the Democratic, Libertarian or Republican Party, and who does not intend to be a write-in candidate.

   A person who wishes to become an independent candidate or a candidate of a minor party not qualified to nominate candidates in a primary election or by political party convention, and who wishes to be a candidate for a judicial office or for prosecuting attorney at the general election, must file a written consent to become a candidate (CAN-20) and a certified petition of nomination (CAN-19) with the Election Division. (IC 3-8-6-12 and IC 3-8-6-14(a))

   Each candidate nominated by petition of nomination must satisfy all statutory eligibility requirements for the office for which the candidate is nominated, including the filing of a statement of economic interest with the Indiana Commission on Judicial Qualifications. (IC 3-8-6-14(b))

   The written consent (CAN-20) and petition of nomination (CAN-19) are available from the Election Division’s office, on the Division’s website, and are included in this *Guide* under the *Candidate Forms* tab.

   To be placed on the general election ballot, an independent or minor party candidate must obtain signatures of registered voters in the election district the candidate seeks to represent. A petition of nomination must be signed by the number of registered voters equal to 2% of the total votes cast for secretary of state in the 2014 general election in the election district the candidate seeks to represent. Any fraction in excess of a whole number is disregarded in computing this figure. (IC 3-8-6-3) Signatures on any petition of nomination must be those of registered voters of the state who reside in the district the candidate seeks to represent. (IC 3-8-6-2)

   **EXAMPLE:** A candidate for the office of superior court judge must obtain signatures of registered voters equal to 2% of the total votes cast for secretary of state in the 2014 general election in the county.

   Circuit court clerks should have information on the precinct votes for the office of secretary of state in the 2014 general election to help determine the number of signatures required for a candidate seeking ballot placement by petition of nomination. A chart listing the 2% ballot access requirement for each county is included under the *2014 Vote for Secretary of State* tab of this *Guide*.

   The Indiana Election Division will certify the minimum number of signatures required to run as a minor party or independent candidate for judicial office to the Indiana Secretary of State, and the Secretary will determine whether or not enough valid signatures are certified for the candidate to be placed on the general election ballot.

   For a petition of nomination to be considered valid, the county voter registration office in the county where the individual signing the petition is registered must certify whether each person who signs the petition is a registered voter at the residence listed in the petition at the time the county processes the petition and in the election district the candidate seeks to represent. This certification must accompany and be a part of the petition of nomination. (This certification is on the reverse side of the CAN-19) (IC 3-8-6-10; IC 3-8-6-11)
A petition carrier is required to sign an affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. A petition carrier is required to fully complete and affix their signature to the affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. If the petition carrier information is incomplete, then the county voter registration office may not process the signature page, but must give the best possible notice to the petition carrier who submitted the signature page to allow for the correction. The petition carrier may correct the missing information concerning the petition carrier up to the final date an hour for filing the petition with the county voter registration office. If the information is not completed by this deadline, then the signature page may not be processed. (IC 3-6-12)

The first day a candidate for a judicial office may submit the petition of nomination, accompanied by the written consent form (CAN-20) to the county voter registration office for certification is Wednesday, January 10, 2018, and the DEADLINE for filing a petition for certification by county voter registration officials is 12:00 noon, prevailing local time, Monday, July 2, 2018. (IC 3-8-6-12, 3-5-4-1.5)

For candidates for judicial offices, once the county voter registration office certifies the petitions of nomination, these certified petitions along with the candidate’s consent (CAN-20) and receipt of filing of the statement of economic interest (as required under IC 3-8-1-33), must be filed with the Election Division. The DEADLINE for filing the certified petition of nomination (CAN-19), accompanied by the written consent (CAN-20) with the Election Division is 12:00 noon, Indianapolis time, Monday, July 16, 2018. (IC 3-8-6-10; IC 3-8-6-12; 3-5-4-1.5) The county voter registration office must file the certified petitions of nomination with the Election Division. However, the candidate for a judicial office may request that the county voter registration office return the original petitions to the candidate so that the candidate may file the certified petitions (along with the CAN-20) with the Election Division to be placed on the general election ballot. (IC 3-8-6-10)

For judicial candidates in Monroe County, it is necessary to note on the candidate filing which seat on the Monroe County Circuit Court the person is running. To aid in this process, the Monroe County Circuit Court Clerk must file with the Election Division a list containing the name, and seat designation of each judge on the court no later than December 31, 2017. (33-33-53-2.5) The court number designation must be included on the candidate’s declaration of candidacy in order to be a valid filing.

This minor party and independent candidate section applies to candidates for St. Joseph Circuit Court and Probate Court Judge. Candidates for Superior Court Judge in Allen, Lake, Marion, St. Joseph, and Vanderburgh County as well as the Vanderburgh County Circuit Court Judge use different procedures for placement on the general election ballot. See “NON-PARTISAN ELECTIONS FOR CERTAIN COUNTY JUDICIAL OFFICES AND OTHER SPECIAL PROCEDURES” section below for these procedures.

2. Nominating Petition Requirements
Candidates or political party members may wish to contact county voter registration offices to coordinate the processing of nominating petitions. Some county offices prefer to process all petitions for a candidate at the same time, while others are willing to process partial submissions. Sometimes a county voter registration office rejects a signature on a nominating petition because the individual who signed the petition is not a registered voter of the election district of the office sought by the candidate. Although a minor variation between the name or address of a petition signer and the name or address on the county voter registration records does not invalidate the signature, a substantial variation renders the signature invalid. Reasonable doubts must be resolved in favor of the signer of the petition. (IC 3-5-6)

3. Political Party Names
A candidate may not submit a petition of nomination requesting ballot placement for a political party whose name would result in voter confusion due to its similarity with another party’s name. If the
candidate declines to amend the petition to remove this confusion, the petition may be challenged, and shall be denied if the Indiana Election Commission finds that confusion would exist. (IC 3-8-6-5.5) A candidate must indicate whether the candidate is affiliated with any other candidate or group of candidates filing a petition under the same political party name. (IC 3-8-6-5)

4. Candidate Withdrawal Requirements

The DEADLINE for a person nominated by petition for a judicial office or the office of prosecuting attorney who wishes to withdraw from the general election ballot to file a written notice of candidate withdrawal with the Election Division is then 12:00 noon, Indianapolis time, on Monday, July 16, 2018. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the general election.

Notice to withdraw candidacy presented after July 16, 2018, at 12:00 noon will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

F. Write-in Candidates

1. Filing Requirements

Indiana law provides that only votes for declared write-in candidates are counted. (IC 3-12-1-1.7(a))

A person who desires to be a write-in candidate for a judicial office in the general election on Tuesday, November 6, 2018, must file a declaration of intent to be a write-in candidate (CAN 3) with the Election Division. (IC 3-8-2-2.5)

The CAN-3 is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

The first day a write-in candidate may file the CAN-3 with the Election Division is Wednesday, January 10, 2018, and the DEADLINE for filing is 12:00 noon, Indianapolis time, Tuesday, July 3, 2018. (IC 3-8-2-2.5; IC 3-8-2-4; IC 3-8-2-5; IC 3-11-2-11.5)

For judicial candidates in Monroe County, it is necessary to note on the candidate filing which seat on the Monroe County Circuit Court the person is running. To aid in this process, the Monroe County Circuit Court Clerk must file with the Election Division a list containing the name, and seat designation of each judge on the court no later than December 31, 2017. (33-33-53-2.5) The court number designation must be included on the candidate’s declaration of candidacy in order to be a valid filing.

Write-in candidates are permitted to seek election for Superior Court Judge in Allen and Vanderburgh counties as well as the Vanderburgh County Circuit Court Judge. This write-in candidate section also applies to candidates for St. Joseph Circuit Court and Probate Court Judge. Write-in candidates are not permitted for Marion, Lake, and St. Joseph Superior Court judges as those judges stand for retention rather than election. See “NON-PARTISAN ELECTIONS FOR CERTAIN COUNTY JUDICIAL OFFICES AND OTHER SPECIAL PROCEDURES” section below for these procedures.

2. Candidate Withdrawal Requirements

The DEADLINE for a person who files a declaration of intent to be a write-in candidate for a judicial office or for prosecuting attorney to file a written notice of candidate withdrawal with the Election Division is 12:00 noon, Indianapolis time, on Monday, July 16, 2018. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 16, 2018, at 12:00 noon will
not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

3. Political Party Affiliation
A write-in candidate for judicial office or for prosecuting attorney may claim, on the candidate’s declaration, affiliation with a political party other than the Democratic Party, the Libertarian Party, or the Republican Party (the parties whose nominee for Secretary of State of Indiana received at least 2% of the total votes cast in the most recent election for the office of Secretary of State (November 2014)). (IC 3-8-2-2.5)

If a write-in candidate claims affiliation with a political party: (1) that already has ballot access, (2) of a candidate who has previously filed a petition of nomination under IC 3-8-6, or (3) whose name would result in voter confusion due to its similarity with the name of the political party in (1) or (2), then a registered voter of the election district may question the validity of the filing under IC 3-8-1-2. The Indiana Election Commission shall determine the validity of the questioned filing. If the Commission determines that the candidate’s stated party affiliation would result in voter confusion due to its similarity with another party’s name, and the candidate declines to amend the declaration to remove this confusion, then the Commission shall deny the filing. (IC 3-8-2-12.5)

NON-PARTISAN ELECTIONS FOR CERTAIN COUNTY JUDICIAL OFFICES AND OTHER SPECIAL PROCEDURES

A. Qualifications

PLEASE NOTE: Recent changes in Indiana law do not permit an elected officeholder to be a government employee of the same unit of government. (IC 3-5-9) While this does not prevent such an individual from running for office, the individual effectively resigns from their government position by assuming office, if elected to serve. (IC 3-5-9-5)

For example, John works for the county highway department, but wants to run for county council. If John is elected to serve on the council and takes the oath of office, then he has automatically resigned from the county highway department. On the other hand, if John worked for the city street department and ran for county council, he could remain employed at the city while serving on the county council. City and county government would not be considered the same unit of government in this example.

Volunteer firefighters may be eligible to hold elected office of the same unit government if certain criteria are met. See IC 3-5-9-4 for details. The term “government employee” does not include an individual who holds only an elected office. (IC 3-5-9-2)

A candidate for the nomination for the office of circuit court clerk or a county office by the Democratic or Republican Party must file a declaration of candidacy with the county election board. (IC 3-8-2-6) (Petitions signed by registered voters are NOT required of Democratic or Republican Party candidates for the office of circuit court clerk and county offices.)

The first day to submit a declaration of candidacy to the county election board is Wednesday, January 10, 2018, and the DEADLINE to file is 12:00 noon, prevailing local time, Friday, February 9, 2018. (IC 3-8-2-4; IC 3-8-2-5) A declaration of candidacy presented after February 9, 2018, at 12:00 noon, prevailing local time, will not be accepted for filing.

The declaration of candidacy (CAN-2) and statement of economic interest (CAN-12) are available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-2 and CAN-12 are included in this Guide under the Candidate Forms tab.

2. Political Party Affiliation

Indiana Code 3-8-2-7 sets forth the standard for determining the political party affiliation of a candidate who files a declaration of candidacy for a primary election. The political party affiliation of the candidate is deemed to be:

(1) the political party in whose primary in Indiana the candidate most recently voted; or
(2) the political party of the county chair of the county in which the candidate resides who certifies that the candidate is a member of that political party.

3. Candidate Withdrawal Requirements

Primary Election Candidate Withdrawal

A candidate for the office of circuit court clerk or a county office who filed with the county election board a declaration of candidacy for the primary election, may file written notice of candidate withdrawal with the county election board certifying that the individual no longer wishes to be a candidate. The DEADLINE to file this notice with the county election board is 12:00 noon, prevailing local time, Monday, February 12, 2018. (IC 3-8-2-20) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the primary election. (IC 3-8-2-21) Notice of candidate withdrawal filed after February 12, 2018, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The primary election candidate withdrawal (CAN-10) is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-10 is included in this Guide under the Candidate Forms tab.

General Election Candidate Withdrawal

After the primary, if a nominee for the office of circuit court clerk or a county office wishes to withdraw from the ticket for the general election, the nominee must file a written notice of candidate withdrawal with the county election board. The DEADLINE to file this notice with the county election board is 12:00 noon, prevailing local time, on Monday, July 16, 2018. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 16, 2018, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under
IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-24 is included in this Guide under the Candidate Forms tab.

C. Libertarian Party Candidates

1. Filing Requirements
Libertarian Party candidates are not nominated in a primary election, but are nominated by political party convention. (IC 3-8-4-10)

The Libertarian Party will nominate candidates for the office of circuit court clerk or county offices at the Party’s county conventions. Candidates for these offices should contact the Libertarian Party’s state committee for information concerning any candidate filing requirements.

Libertarian Party candidates for the office of circuit court clerk or county offices are not required to file declarations of candidacy with the county election board. Instead, the Libertarian Party chair and secretary will certify the Party’s nominees to the county election board (CAN-22)

Indiana law requires all Libertarian candidates for county office to file a statement of economic interests along with the certificate of nomination. (IC 3-8-9-5) The statement of economic interests (CAN-12) is available at each circuit court clerk’s office and is included in the Guide under the Candidate Forms tab.

2. Candidate Withdrawal Requirements
If a nominee for the office of circuit court clerk or a county office wishes to withdraw from the Libertarian Party ticket for the general election, the nominee must file a written notice of candidate withdrawal with the county election board. The DEADLINE to file this notice with the county election board is **12:00 noon, prevailing local time, on Monday, July 16, 2018.** (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 16, 2018, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-24 is included in this Guide under the Candidate Forms tab.

D. Minor Party and Independent Candidates

1. Filing Requirements
This section addresses the filing and petition requirements for a person who does not intend to affiliate with the Democratic, Libertarian or Republican Party, and who does not intend to be a write-in candidate.

A person who wishes to become an independent candidate or a candidate of a minor party not qualified to nominate candidates in a primary election or by political party convention, and who wishes to be a candidate for the office of circuit court clerk or a county office at the general election, must file a statement of economic interests (CAN-12), written consent to become a candidate (CAN-20) and a petition of nomination (CAN-19) with the county election board. (IC 3-8-6-12 and IC 3-8-6-14(a))
Each candidate nominated by petition of nomination must satisfy all statutory eligibility requirements for the office for which the candidate is nominated. (IC 3-8-6-14(b))

The statement of economic interest (CAN-12), written consent (CAN-20), and petition of nomination (CAN-19) are available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-12, CAN-19 and CAN-20 are included in this Guide under the Candidate Forms tab.

In order to be placed on the general election ballot, an independent or minor party candidate must obtain signatures of registered voters in the election district the candidate seeks to represent. A petition of nomination must be signed by the number of registered voters equal to 2% of the total votes cast for secretary of state in the 2014 general election in the election district the candidate seeks to represent. Any fraction in excess of a whole number is disregarded in computing this figure. (IC 3-8-6-3) Signatures on any petition of nomination must be those of registered voters of the state who reside in the district the candidate seeks to represent. (IC 3-8-6-2)

EXAMPLE: A candidate for the office of circuit court clerk must obtain signatures of registered voters equal to 2% of the total votes cast for secretary of state in the 2014 general election in the county.

Circuit court clerks should have information on the precinct votes for the office of secretary of state in the 2014 general election to help determine the number of signatures required for a candidate seeking ballot placement by petition of nomination. A chart listing the 2% ballot access requirement for each county is included under the 2014 Vote for Secretary of State tab of this Guide. The circuit court clerk must make the determination of the number of signatures required for a minor party or independent candidate to be eligible to run in the election district. Further, the circuit court clerk must determine whether or not enough valid signatures were certified for the candidate and filed with the clerk to be placed on the general election ballot. If the clerk determines that an insufficient number certified signatures where file by the candidate, then the clerk must reject the declaration of candidacy and not place the candidate on the general election ballot. (IC 3-8-6-12)

For a petition of nomination to be considered valid, the county voter registration office in the county where the individual signing the petition is registered must certify whether each person who signs the petition is a registered voter at the residence listed in the petition at the time the county processes the petition and in the election district the candidate seeks to represent. This certification must accompany and be a part of the petition of nomination. (This certification is on the reverse side of the CAN-19) (IC 3-8-6-10; IC 3-8-6-11)

A petition carrier is required to sign an affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. A petition carrier is required to fully complete and affix their signature to the affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. If the petition carrier information is incomplete, then the county voter registration office may not process the signature page, but must give the best possible notice to the petition carrier who submitted the signature page to allow for the correction. The petition carrier may correct the missing information concerning the petition carrier up to the final date an hour for filing the petition with the county voter registration office. If the information is not completed by this deadline, then the signature page may not be processed. (IC 3-6-12)

The first day a candidate for the office of circuit court clerk or a county office may submit the petition of nomination (CAN-19), accompanied by the written consent (CAN-20) to the county voter registration office for certification is Wednesday, January 10, 2018, and the DEADLINE to submit petition signatures for review by county voter registration officials is 12:00 noon, prevailing local time, Monday, July 2, 2018. (IC 3-8-6-12, 3-5-4-1.5)
For candidates for the office of circuit court clerk or county offices, once the county voter registration office certifies the petitions of nomination, these certified petitions along with the candidate’s consent (CAN-20) must be filed with the county election board. The DEADLINE for filing the statement of economic interest (CAN-12), certified petition of nomination (CAN-19), accompanied by the written consent (CAN-20) with the county election board is 12:00 noon, prevailing local time, Monday, July 16, 2018. (IC 3-8-6-10; IC 3-8-6-12; 3-5-4-1.5)

The county is required to reject a declaration of candidacy that does not include a statement of economic interest. (IC 3-8-9-6) The county voter registration office must file the certified petitions of nomination with the county election board. However, the candidate for the office of circuit court clerk or a county office may request that the county voter registration office return the original petitions to the candidate so that the candidate may file the certified petitions (along with the CAN-20) with the county election board to be placed on the general election ballot. (IC 3-8-6-10)

2. Nominating Petition Requirements
Candidates or political party members may wish to contact county voter registration offices to coordinate the processing of nominating petitions. Some county offices prefer to process all petitions for a candidate at the same time, while others are willing to process partial submissions.

Sometimes a county voter registration office rejects a signature on a nominating petition because the individual who signed the petition is not a registered voter of the election district of the office sought by the candidate. Although a minor variation between the name or address of a petition signer and the name or address on the county voter registration records does not invalidate the signature, a substantial variation renders the signature invalid. Reasonable doubts must be resolved in favor of the signer of the petition. (IC 3-5-6)

3. Political Party Names
A candidate may not submit a petition of nomination requesting ballot placement for a political party whose name would result in voter confusion due to its similarity with another party’s name. If the candidate declines to amend the petition to remove this confusion, the petition may be challenged, and shall be denied if the county election board finds that confusion would exist. (IC 3-8-6-5.5) A candidate must indicate whether the candidate is affiliated with any other candidate or group of candidates filing a petition under the same political party name. (IC 3-8-6-5)

4. Candidate Withdrawal Requirements
The DEADLINE for a person nominated by petition for the office of circuit court clerk or a county office who wishes to withdraw from the general election ballot to file a written notice of candidate withdrawal with the county election board is 12:00 noon, prevailing local time, on Monday, July 16, 2018. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 16, 2018, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-24 is included in this Guide under the Candidate Forms tab.
E. Write-in Candidates

1. Filing Requirements
Indiana law provides that only votes for declared write-in candidates are counted. (IC 3-12-1-1.7(a))

A person who desires to be a write-in candidate for the office of circuit court clerk or a county office in the general election on Tuesday, November 6, 2018, must file a statement of economic interest (CAN-12) and declaration of intent to be a write-in candidate (CAN 3) with the county election board. (IC 3-8-2-2.5) A county is required to reject a declaration that does not contain a statement of economic interests. (IC 3-8-9-6)

The CAN-12 and CAN-3 are available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. The CAN-12 and CAN-3 are included in this Guide under the Candidate Forms tab.

The first day a write-in candidate may file the CAN-3 and CAN-12 with the county election board is Wednesday, January 10, 2018, and the DEADLINE for filing is 12:00 noon, prevailing local time, Thursday, July 5, 2018. (IC 3-8-2-2.5; IC 3-8-2-4; IC 3-8-2-5)

2. Candidate Withdrawal Requirements
The DEADLINE for a person who files a declaration of intent to be a write-in candidate for the office of circuit court clerk or a county office to file a written notice of candidate withdrawal with the county election board is 12:00 noon, prevailing local time, on Monday, July 16, 2018. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 16, 2018, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-24 is included in this Guide under the Candidate Forms tab.

3. Political Party Affiliation
A write-in candidate may claim affiliation with a political party other than the Democratic, Libertarian, or Republican Parties (the parties whose nominee for Secretary of State of Indiana received at least 2% of the total votes cast in the most recent election for the office of Secretary of State (November 2014)). IC 3-8-2-2.5

However, if a write-in candidate claims affiliation with a political party (1) that already has ballot access; (2) of a candidate who has previously filed a petition of nomination under IC 3-8-6; or (3) whose name would result in voter confusion due to its similarity with the name of the political party in (1) or (2), then a registered voter in the election district may question the validity of the filing under IC 3-8-1-2. The election board shall determine the validity of the questioned filing. If the election board determines that the candidate’s stated party affiliation would result in voter confusion due to its similarity with another party’s name, and the candidate declines to amend the declaration to remove this confusion, then the board shall deny the filing. (IC 3-8-2-12.5)
NOTE: All township officials will be elected in 2018 except for township board members in Marion County, who will be elected in 2020.

A. Qualifications
PLEASE NOTE: Recent changes in Indiana law do not permit an elected officeholder to be a government employee of the same unit of government. (IC 3-5-9) While this does not prevent such an individual from running for office, the individual effectively resigns from their government position by assuming office, if elected to serve. (IC 3-5-9-5)

For example, Sally works for the township trustee, but wants to run for township board. If Sally is elected to serve on the township board and takes the oath of office, then she has automatically resigned from the township trustee's office. On the other hand, if Sally worked for the city's public works department and ran for township board, she could keep her city position while serving on the township board. City and township government would not be considered the same unit of government in this example.

Volunteer firefighters may be eligible to hold elected office of the same unit government if certain criteria are met. See IC 3-5-9-4 for details. The term “government employee” does not include an individual who holds only an elected office. (IC 3-5-9-2)

TOWNSHIP ASSESSOR

In most townships, the role of assessor was one of several duties performed by the township trustee. In these townships, the township assessor was not a separately elected office. Although these assessing duties were transferred from the township trustee to the county assessor in 2008, the township trustee remains an elected office.

In other townships, where the office of township assessor was a separately elected office, some changes have taken place. In townships where the number of parcels of real property on January 1, 2008, was less than fifteen thousand (15,000), the 2008 General Assembly transferred the assessment duties to the county assessor, and the office of township assessor was abolished.

In townships where the number of parcels was more than 15,000 on that date, whether the office of township assessor should be abolished was put to a vote on the 2008 general election ballot. As a result, some larger townships no longer have a separately elected township assessor; those duties have been transferred to the county assessor.

In those larger townships that voted to keep the office of township assessor, an election will take place in 2018 to elect a township assessor. For those townships, the following qualifications apply.

IC 36-6-5-1(g) provides that:
“(g) To be eligible to serve as a township assessor, an individual must meet the following qualifications before taking office:
(1) If the individual has never held the office of township assessor, the individual must have attained a level two assessor-appraiser certification under IC 6-1.1-35.5.
(2) If the individual has held the office of township assessor, the individual must have
attained a level three assessor-appraiser certification under IC 6-1.1-35.5.”

**IC 3-8-1-1 provides that:**

does not affect the operation of subsection (d).”

**IC 3-8-1-33 provides that:**
“Sec. 33. (a) A candidate for an office listed in subsection (b) must file a statement of economic interests.
(b) Whenever a candidate for any of the following offices is also required to file a declaration of candidacy or is nominated by petition, the candidate shall file a statement of economic interests before filing the declaration of candidacy or declaration of intent to be a write-in candidate, before the petition of nomination is filed, before the certificate of nomination is filed, or before being appointed to fill a candidate vacancy under IC 3-13-1 or IC 3-13-2:
(4) A candidate for a local office..., in accordance with IC 3-8-9, except a candidate for a local office described in subdivision (3)." (Subdivision 3 requires certain judge and prosecutor candidates to already file statements of economic interest)

The circuit court clerk must reject a declaration of candidacy that does not include the CAN-12 statement. Township Board “Candidate Shortage”
In some rural townships, it has become increasingly difficult to find enough candidates to run for the office of township board. If no candidate runs for this office, Article 15, Section 3 of the Constitution of the State of Indiana provides that the currently serving members of the township board automatically serve another four year term. If only one or two candidates run for these three seats, the result becomes more complicated. While each candidate who ran is automatically elected, the Board of County Commissioners must decide which currently serving township board members will serve another four year term to fill the seats for which no candidate ran. (See IC 3-13-10-6.5 and IC 3-13-11-20 for the procedures for the Commissioners to make this decision.)

The statement of economic interest form is available from the State Court Administration Office.

A candidate for Judge of the Marion County Small Claims Court files with the Indiana Election Division. (e) The subsequent reduction of a felony to a Class A misdemeanor under IC 35 after the:
   (1) jury has announced its verdict against the person for a felony;

“Sec. 5. (a) This section does not apply to a candidate for federal office.
(b) As used in this section, "felony" means a conviction in any jurisdiction for which the convicted person might have been imprisoned for more than one (1) year.

   and would violate either federal statute by becoming or remaining the candidate of a political party for nomination or election to an elected office or a political party office. 
(d) The subsequent reduction of a felony to a Class A misdemeanor under IC 35 after the: 
(1) jury has announced its verdict against the person for a felony; 
(2) court has announced its verdict against the person for a felony; or 
(3) person has pleaded guilty or nolo contendere to a felony; 
does not affect the operation of subsection (d)."

A candidate for Constable of Marion County Small Claims Court files with the Marion County Election Board.

"Sec. 33. (a) A candidate for an office listed in subsection (b) must file a statement of economic interests. 
(b) Whenever a candidate for any of the following offices is also required to file a declaration of candidacy or is nominated by petition, the candidate shall file a statement of economic interests before filing the declaration of candidacy or declaration of intent to be a write-in candidate, before the petition of nomination is filed, before the certificate of nomination is filed, or before being appointed to fill a candidate vacancy under IC 3-13-1 or IC 3-13-2:

** **

(4) A candidate for a local office..., in accordance with IC 3-8-9, except a candidate for a local office described in subdivision (3)." (Subdivision 3 requires certain judge and prosecutor candidates to already file statements of economic interest) 

A candidate for local office (other than judge or prosecuting attorney) is required to file a statement of economic interest (CAN-12). The circuit court clerk must reject a declaration of candidacy that does not include the CAN-12 statement. This form is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-12 is included in this Guide under the Candidate Forms tab.

B. Democratic and Republican Party Candidates Nominated at the Primary Election

1. Filing Requirements
Candidates for a township office from the Democratic or Republican Party will be nominated at the primary election to be held on Tuesday, May 8, 2018.

A candidate for the nomination for a township office by the Democratic or Republican Party must file a statement of economic interest and declaration of candidacy with the county election board. (IC 3-8-2-6) The county is required to reject a declaration of candidacy that does not include a statement of economic interest. (IC 3-8-9-6) (Petitions signed by registered voters are NOT required of Democratic or Republican Party candidates for township office.)
The first day to submit a declaration of candidacy to the county election board is **Wednesday, January 10, 2018**, and the **DEADLINE** to file is **12:00 noon, prevailing local time, Friday, February 9, 2018**. (IC 3-8-2-4; IC 3-8-2-5) A statement of economic interest or declaration of candidacy presented after February 9, 2018, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The statement of economic interest (CAN-12) and declaration of candidacy form (CAN-2) are available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-2 and CAN-12 are included in this *Guide* under the *Candidate Forms* tab.

2. Political Party Affiliation

Indiana Code 3-8-2-7 sets forth the standard for determining the political party affiliation of a candidate who files a declaration of candidacy for a primary election. The political party affiliation of the candidate is deemed to be:

1. the political party in whose primary in Indiana the candidate most recently voted; or
2. the political party of the county chair of the county in which the candidate resides who certifies that the candidate is a member of that political party.

3. Candidate Withdrawal Requirements

Primary Election Candidate Withdrawal

A Democratic or Republican candidate for a township office who filed with the county election board a declaration of candidacy for the primary election, may file written notice of candidate withdrawal with the county election board certifying that the individual no longer wishes to be a candidate. The **DEADLINE** to file this notice with the county election board is **12:00 noon, prevailing local time, Monday, February 12, 2018**. (IC 3-8-2-20) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the primary election. (IC 3-8-2-21) **Notice of candidate withdrawal presented after February 12, 2018, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.**

The primary election candidate withdrawal (CAN-10) is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-10 is included in this *Guide* under the *Candidate Forms* tab.

General Election Candidate Withdrawal

After the primary, if a nominee for a township office wishes to withdraw from the ticket for the general election, the nominee must file a written notice of candidate withdrawal with the county election board. The **DEADLINE** to file this notice with the county election board is **12:00 noon, prevailing local time, on Monday, July 16, 2018**. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the general election. **Notice to withdraw candidacy presented after July 16, 2018, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.**

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-24 is included in this *Guide* under the *Candidate Forms* tab.

C. Libertarian Party Candidates

1. Filing Requirements

Libertarian Party candidates are not nominated in a primary election, but are nominated by political party convention. (IC 3-8-4-10)
The Libertarian Party will nominate candidates for township offices at the Party’s county conventions. Candidates for these offices should contact the Libertarian Party’s state committee for information concerning any candidate filing requirements.

Libertarian Party candidates for township offices are not required to file declarations of candidacy with the county election board. Instead, the Libertarian Party chair and secretary will certify the Party’s nominees to the county election board. (CAN-22)

Indiana law requires all Libertarian candidates for township offices to file a statement of economic interests along with the certificate of nomination. (IC 3-8-9-5) The statement of economic interests (CAN-12) is available at each circuit court clerk’s office and is included in the Guide under the Candidate Forms tab.

2. Candidate Withdrawal Requirements
If a nominee for a township office wishes to withdraw from the Libertarian Party ticket for the general election, the nominee must file a written notice of candidate withdrawal with the county election board. The DEADLINE to file this notice with the county election board is 12:00 noon, prevailing local time, on Monday, July 16, 2018. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 16, 2018, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-24 is included in this Guide under the Candidate Forms tab.

D. Minor Party and Independent Candidates

1. Filing Requirements
This section addresses the filing and petition requirements for a person who does not intend to affiliate with the Democratic, Libertarian or Republican Party, and who does not intend to be a write-in candidate.

A person who wishes to become an independent candidate or a candidate of a minor party not qualified to nominate candidates in a primary election or by political party convention, and who wishes be a candidate for a township office at the general election, must file a statement of economic interest (CAN-12), written consent to become a candidate (CAN-20) and a petition of nomination (CAN-19) with the county election board. (IC 3-8-6-12 and IC 3-8-6-14(a)) The county is required to reject a declaration of candidacy that does not include a statement of economic interest. (IC 3-8-9-6)

Each candidate nominated by petition of nomination must satisfy all statutory eligibility requirements for the office for which the candidate is nominated. (IC 3-8-6-14(b))

The statement of economic interest (CAN-12), written consent (CAN-20) and petition of nomination (CAN-19) are available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-12, CAN-19 and CAN-20 are included in this Guide under the Candidate Forms tab.

To be placed on the general election ballot, an independent or minor party candidate must obtain signatures of registered voters in the election district the candidate seeks to represent. A petition of nomination must be signed by the number of registered voters equal to 2% of the total votes cast for secretary of state in the 2014 general election in the election district the candidate seeks to represent. Any fraction in excess of a whole number is disregarded in computing this figure. (IC 3-8-
Signature requirements for nomination petitions

Signatures on any petition of nomination must be those of registered voters of the state who reside in the district the candidate seeks to represent. (IC 3-8-6-2)

**EXAMPLE:** A candidate for the office of a township board member must obtain signatures of registered voters equal to 2% of the total votes cast for secretary of state in the 2014 general election in that township board election district.

The circuit court clerk must make the determination of the number of signatures required for a minor party or independent candidate to be eligible to run in the election district. Further, the circuit court clerk must determine whether or not enough valid signatures were certified for the candidate and filed with the clerk to be placed on the general election ballot. If the clerk determines that an insufficient number certified signatures were filed by the candidate, then the clerk must reject the declaration of candidacy and not place the candidate on the general election ballot. (IC 3-8-6-12)

For a petition of nomination to be considered valid, the county voter registration office in the county where the individual signing the petition is registered must certify whether each person who signs the petition is a registered voter at the residence listed in the petition at the time the county processes the petition and in the election district the candidate seeks to represent. This certification must accompany and be a part of the petition of nomination. (This certification is on the reverse side of the CAN-19) (IC 3-8-6-10; IC 3-8-6-11)

A petition carrier is required to sign an affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. A petition carrier is required to fully complete and affix their signature to the affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. If the petition carrier information is incomplete, then the county voter registration office may not process the signature page, but must give the best possible notice to the petition carrier who submitted the signature page to allow for the correction. The petition carrier may correct the missing information concerning the petition carrier up to the final date an hour for filing the petition with the county voter registration office. If the information is not completed by this deadline, then the signature page may not be processed. (IC 3-6-12)

The first day a candidate for a township office may submit the petition of nomination, accompanied by the written consent (CAN-20) to the county voter registration office for certification is Wednesday, January 10, 2018, and the **DEADLINE** for filing petitions for review by county voter registration officials is 12:00 noon, prevailing local time, Monday, July 2, 2018. (IC 3-8-6-12, 3-5-4-1.5)

For candidates for township offices, once the county voter registration office certifies the petitions of nomination, these certified petitions along with the candidate’s consent (CAN-20) must be filed with the county election board. The **DEADLINE** for filing the statement of economic interest (CAN-12), petition of nomination (CAN-19), accompanied by the written consent (CAN-20) with the county election board is 12:00 noon, prevailing local time, Monday, July 16, 2018. (IC 3-8-6-10; IC 3-8-6-12; 3-5-4-1.5) The county voter registration office must file the certified petitions of nomination with the county election board. However, the candidate for a township office may request that the county voter registration office return the original petitions to the candidate so that the candidate may file the certified petitions (along with the CAN-20) with the county election board to be placed on the general election ballot. (IC 3-8-6-10)

**2. Nominating Petition Requirements**

Candidates or political party members may wish to contact county voter registration offices to coordinate the processing of nominating petitions. Some county offices prefer to process all petitions for a candidate at the same time, while others are willing to process partial submissions.

Sometimes a county voter registration office rejects a signature on a nominating petition because the individual who signed the petition is not a registered voter of the election district of the office sought by the candidate. Although a minor variation between the name or address of a petition signer and
the name or address on the county voter registration records does not invalidate the signature, a substantial variation renders the signature invalid. Reasonable doubts must be resolved in favor of the signer of the petition. (IC 3-5-6)

3. Political Party Names
A candidate may not submit a petition of nomination requesting ballot placement for a political party whose name would result in voter confusion due to its similarity with another party’s name. If the candidate declines to amend the petition to remove this confusion, the petition shall be denied. (IC 3-8-6-5.5) A candidate must indicate whether the candidate is affiliated with any other candidate or group of candidates filing a petition under the same political party name. (IC 3-8-6-5)

4. Candidate Withdrawal Requirements
The **DEADLINE** for a person nominated by petition for a township office who wishes to withdraw from the general election ballot to file a written notice of candidate withdrawal with the county election board is **12:00 noon, prevailing local time, on Monday, July 16, 2018.** (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the general election. **Notice to withdraw candidacy presented after July 16, 2018, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.**

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-24 is included in this Guide under the Candidate Forms tab.

E. Write-in Candidates

1. Filing Requirements
Indiana law provides that only votes for declared write-in candidates are counted. (IC 3-12-1-1.7(a))

A person who desires to be a write-in candidate for a township office in the general election on Tuesday, November 6, 2018, must file a statement of economic interest (CAN-12) and declaration of intent to be a write-in candidate (CAN 3) with the county election board. (IC 3-8-1-33 and IC 3-8-2-2.5) The **county is required to reject a declaration of intent to be a write-in candidate that does not include a statement of economic interest.** (IC 3-8-9-6)

The CAN-12 and CAN-3 are available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-12 and CAN-3 are included in this Guide under the Candidate Forms tab.

The **first day** a write-in candidate may file the CAN-12 and CAN-3 forms with the county election board is **Wednesday, January 10, 2018,** and the **DEADLINE** for filing is **12:00 noon, prevailing local time, Tuesday, July 3, 2018.** (IC 3-8-2-2.5; IC 3-8-2-4; IC 3-8-2-5)

2. Candidate Withdrawal Requirements
The **DEADLINE** for a person who files a declaration of intent to be a write-in candidate for a township office to file a written notice of candidate withdrawal with the county election board is **12:00 noon, prevailing local time, on Monday, July 16, 2018.** (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the general election. **Notice to withdraw candidacy presented after July 16, 2018, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.**

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on
the Division’s website, and each circuit court clerk’s office. A CAN-24 is included in this Guide under the Candidate Forms tab.

3. Political Party Affiliation
A write-in candidate may claim affiliation with a political party other than the Democratic, Libertarian, or Republican Parties (the parties whose nominee for Secretary of State of Indiana received at least 2% of the total votes cast in the most recent election for the office of Secretary of State (November 2014)). IC 3-8-2-2.5

However, if a write-in candidate claims affiliation with a political party: (1) that already has ballot access, (2) of a candidate who has previously filed a petition of nomination under IC 3-8-6, or (3) whose name would result in voter confusion due to its similarity with the name of the political party in (1) or (2), then a registered voter in the election district may question the validity of the filing under IC 3-8-1-2. The election board shall determine the validity of the questioned filing. If the election board determines that the candidate’s stated party affiliation would result in voter confusion due to its similarity with another party’s name, and the candidate declines to amend the declaration to remove this confusion, then the board shall deny the filing. (IC 3-8-2-12.5)
A. General Information

The procedures for selecting school board members are usually set forth in the “school corporation organization plan” adopted by the school corporation during the school consolidation process of the 1950s and 1960s, and as subsequently amended. (IC 20-23, IC 20-23-6 and IC 20-23-9)

In certain school corporations, all or some of the school board members are appointed rather than elected by the voters. (IC 20-23-4-28) All school corporations that elect school board members elect those members at the same time as the general election (November 6, 2018, or in certain cases, in November 2020). Some school board members are elected “at large” for the entire school corporation, while others are elected to represent specific districts that are only part of the school corporation territory.

IN ALL CASES, CANDIDATES FOR SCHOOL BOARD APPEAR ON THE BALLOT WITHOUT A PARTY DESIGNATION. (IC 20-23-4-29.1)

B. Qualifications for Candidates and for Assuming Office

A few school corporations have school boards organized by state legislation. Candidates for school board in the following jurisdictions should consult the appropriate state statute for detailed information concerning candidate qualifications and election procedures:

- **Gary**: IC 20-23-12
- **Hammond**: IC 20-23-13 and IC 20-23-8-13
- **Indianapolis Public Schools**: IC 20-25-3
- **Lake Station**: IC 20-23-14
- **South Bend**: IC 20-23-15
- **Mishawaka**: IC 20-23-17
- **East Chicago**: IC 20-23-17.2

**IC 3-8-1-34 provides that:**

“(a) A candidate for a school board office must have resided in the school corporation for at least one (1) year before the election, unless a longer period is required under IC 20.

(b) This subsection applies to a candidate for school board office seeking to represent an election district that consists of less than the entire school corporation. The candidate must have resided in the election district for at least one (1) year before the election.”

**IC 3-8-1-1 provides that:**

“. . . (b) A person is not qualified to run for: . . .

(2) A local office; . . .

unless the person is registered to vote in the election district the person seeks to represent not later than the deadline for filing the declaration or petition of candidacy or certificate of nomination.”

**IC 3-8-1-5 provides that:**

“Sec. 5. (a) This section does not apply to a candidate for federal office.

(b) As used in this section, "felony" means a conviction in any jurisdiction for which the convicted person might have been imprisoned for more than one (1) year.

(2) a felony conviction that has been:

(A) reversed;

(B) vacated;
(C) set aside;
(D) not entered because the trial court did not accept the person's guilty plea; or
(E) expunged under IC 35-38-9; or

(3) A person's plea of guilty or nolo contendere at a guilty plea hearing that is not accepted and entered by a trial court.

(d) A person is disqualified from assuming or being a candidate for an elected office if:
   (1) the person gave or offered a bribe, threat, or reward to procure the person's election, as provided in Article 2, Section 6 of the Constitution of the State of Indiana;
   (2) the person does not comply with IC 5-8-3 because of a conviction for a violation of the federal laws listed in that statute;
   (3) in a:
       (A) jury trial, a jury publicly announces a verdict against the person for a felony;
       (B) bench trial, the court publicly announces a verdict against the person for a felony; or
       (C) guilty plea hearing, the person pleads guilty or nolo contendere to a felony;
   (4) the person has been removed from the office the candidate seeks under Article 7, Section 11 or Article 7, Section 13 of the Constitution of the State of Indiana;
   (5) the person is a member of the United States armed forces on active duty and prohibited by the United States Department of Defense from being a candidate; or
   (6) the person is subject to:

       (B) 5 U.S.C. 7321-7326 (the Hatch Act);

and would violate either federal statute by becoming or remaining the candidate of a political party for nomination or election to an elected office or a political party office.

(e) The subsequent reduction of a felony to a Class A misdemeanor under IC 35 after the:
   (1) jury has announced its verdict against the person for a felony;
   (2) court has announced its verdict against the person for a felony; or

does not affect the operation of subsection (d)."

IC 3-8-1-33 provides that:
"Sec. 33. (a) A candidate for an office listed in subsection (b) must file a statement of economic interests.
(b) Whenever a candidate for any of the following offices is also required to file a declaration of candidacy or is nominated by petition, the candidate shall file a statement of economic interests before filing the declaration of candidacy or declaration of intent to be a write-in candidate, before the petition of nomination is filed, before the certificate of nomination is filed, or before being appointed to fill a candidate vacancy under IC 3-13-1 or IC 3-13-2:

A candidate for local office (other than judge or prosecuting attorney) is required to file a statement of economic interest (CAN-12). The circuit court clerk must reject a declaration of candidacy that does not include the CAN-12 statement. This form is available from the Election Division's office, on the Division's website, and each circuit court clerk's office. A CAN-12 is included in this Guide under the Candidate Forms tab.
IC 20-26-4-9 provides that:

(IC 3-8-9-6) The statement of economic interest (CAN-12) and petition (CAN-34) are available from the Election Division, the Division’s website, and each circuit court clerk’s office. The CAN-12 and CAN-34 are included in this Guide under the Candidate Forms tab.

In a metropolitan school corporation, the petition must be signed by ten (10) registered voters residing in the same board member district as the nominee. (IC 20-23-7-8.1)

In a community school corporation, the petition must be signed by ten (10) registered voters residing within the boundaries of the school corporation. (IC 20-23-4-29.1)

Additional petition requirements may apply in some school corporations. School board member candidates should consult a personal attorney if necessary.

1. General Election
Candidates for school board office on the general election ballot will be elected at the general election to be held on Tuesday, November 6, 2018.

E. Write-in Candidates
Indiana law provides that only votes for declared write-in candidates are counted. (IC 3-12-1-1.7(a))

A person who desires to be a write-in candidate for a school board office at the general election on Tuesday, November 6, 2018, must file a statement of economic interest (CAN-12) and a declaration of intent to be a write-in candidate (CAN-26) with the county election board located in the county seat of the county containing the greatest percentage of population of the school corporation. (IC 3-8-2-2.5; IC 3-8-2-4; IC 20-4-1-26.4) The county is required to reject a declaration of candidacy that does
not include a statement of economic interest. (IC 3-8-9-6)

(IC 3-8-2-2.5; IC 3-8-2.5-4; IC 20-4-1-26.4)

Candidate Withdrawal Requirements
Declared write-in candidates for school board may file a withdrawal of their candidacy not later than noon, Monday, August 27, 2018. (IC 3-8-2.5-4)

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, the Division’s website, and each circuit court clerk’s office. A CAN-24 is included in this Guide under the Candidate’s Forms tab.
Indiana has no elections to city offices (Mayor, Common Council, and Judge of the City Court) in 2018. These offices were elected at the municipal election in 2015. Most town offices were also elected in 2015. However, some towns will elect officers in 2018. In these towns that elect officers in a general election year, state law requires the county election board to conduct the elections for the town. IC 3-10-7-2.

The towns using the procedures described in this chapter will be referred to as “small towns.”

Municipal Primaries

A town with a population of less than 3,500 may adopt an ordinance to provide for a nomination of Democratic and Republican candidates for town office in a primary election (instead of by town convention). The town council must adopt the ordinance not later than January 1 of the year in which a municipal election is held (2019, for example), and the town clerk-treasurer shall file a copy of the ordinance with the circuit court clerk in the county that contains the greatest percentage of the town’s population. (IC 3-8-5-2)

If the town council adopts such an ordinance, the county election board shall conduct the primary election for the town according to the statutes governing primary elections, including the times for filing a declaration of candidacy under IC 3-8-2-4. The town may not change the method of nominating candidates for town offices more than one time in any 12 year period. (IC 3-8-5-2(e))

A. Qualifications

PLEASE NOTE: Recent changes in Indiana law do not permit an elected officeholder to be a government employee of the same unit of government. (IC 3-5-9) While this does not prevent such an individual from running for office, the individual automatically resigns from their government position by assuming office, if elected to serve. (IC 3-5-9-5)

For example, Sally works for the township trustee, but wants to run for township board. If Sally is elected to serve on the township board and takes the oath of office, then she has automatically resigned from the township trustee’s office. On the other hand, if Sally worked for the city’s public works department and ran for township board, she could keep her city position while serving on the township board. City and township government would not be considered the same unit of government in this example.

Volunteer firefighters may be eligible to hold elected office of the same unit government if certain criteria are met. See IC 3-5-9-4 for details. The term “government employee” does not include an individual who holds only an elected office. (IC 3-5-9-2)

TOWN COUNCIL MEMBER

Each town is required to elect a town council. (IC 36-5-2)

IC 3-8-1-29 provides that:
“A candidate for membership of a town council must reside in the district in which seeking election, if applicable.”
IC 3-8-1-1 provides that:
“... (b) A person is not qualified to run for:...
(2) A local office;...
unless the person is registered to vote in the election district the person seeks to represent not later than the deadline for filing the declaration or petition of candidacy or certificate of nomination.”

IC 3-8-1-5 provides that:
“Sec. 5. (a) This section does not apply to a candidate for federal office.
(b) As used in this section, "felony" means a conviction in any jurisdiction for which the convicted person might have been imprisoned for more than one (1) year.
(c) A person is not disqualified under this section for:
(1) a felony conviction for which the person has been pardoned;
(2) a felony conviction that has been:
(A) reversed;
(B) vacated;
(C) set aside;
(D) not entered because the trial court did not accept the person's guilty plea; or
(E) expunged under IC 35-38-9; or
(3) A person's plea of guilty or nolo contendere at a guilty plea hearing that is not accepted or entered by a trial court.
(d) A person is disqualified from assuming or being a candidate for an elected office if:
(1) the person gave or offered a bribe, threat, or reward to procure the person's election, as provided in Article 2, Section 6 of the Constitution of the State of Indiana;
(2) the person does not comply with IC 5-8-3 because of a conviction for a violation of the federal laws listed in that statute;
(3) in a:
(A) jury trial, a jury publicly announces a verdict against the person for a felony;
(B) bench trial, the court publicly announces a verdict against the person for a felony; or
(C) guilty plea hearing, the person pleads guilty or nolo contendere to a felony;
(4) the person has been removed from the office the candidate seeks under Article 7, Section 11 or Article 7, Section 13 of the Constitution of the State of Indiana;
(5) the person is a member of the United States armed forces on active duty and prohibited by the United States Department of Defense from being a candidate; or
(6) the person is subject to:
(A) 5 U.S.C. 1502 (the Little Hatch Act); or
(B) 5 U.S.C. 7321-7326 (the Hatch Act);
and would violate either federal statute by becoming or remaining the candidate of a political party for nomination or election to an elected office or a political party office.
(d) The subsequent reduction of a felony to a Class A misdemeanor under IC 35after the:
(1) jury has announced its verdict against the person for a felony;
(2) court has announced its verdict against the person for a felony; or
(3) person has pleaded guilty or nolo contendere to a felony;
does not affect the operation of subsection (d).”

IC 3-8-1-33 provides that:
“Sec. 33. (a) A candidate for an office listed in subsection (b) must file a statement of economic interests.
(b) Whenever a candidate for any of the following offices is also required to file a declaration of candidacy or is nominated by petition, the candidate shall file a statement of economic interests before filing the declaration of candidacy or declaration of intent to be a write-in candidate, before the petition of nomination is filed, before the certificate of nomination is filed, or before being appointed to fill a candidate vacancy under IC 3-13-1 or IC 3-13-2:

* * *
(4) A candidate for a local office..., in accordance with IC 3-8-9, except a candidate for a local office described in subdivision (3).” (Subdivision 3 requires certain judge and prosecutor candidates to already file statements of economic interest)

A candidate for local office (other than judge or prosecuting attorney) is required to file a statement of economic interest (CAN-12). The circuit court clerk must reject a declaration of candidacy that does not include the CAN-12 statement. This form is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-12 is included in this Guide under the Candidate Forms tab.

**Number of Town Council Members**

In a town, the town council consists of at least three (3) members, but no more than seven (7) members. The number of town council members in each town was originally set by the county commissioners when the commissioners incorporated the town under IC 36-5-1-10.1. The number of town council members can be increased or decreased within this range only after the voters of the town approve a proposal to do so at a referendum. (IC 36-5-2-4.2)

**Election Schedule**

As a general rule, all town council members are elected for four year terms at each municipal election year (2019, 2023, etc.). (IC 3-10-6-2; 3-10-7-6) However, a town can alter this election schedule by adopting one of several types of ordinances permitted under state law.

A town may adopt an ordinance to provide for “staggered terms” for town council members by providing that at the next municipal election, some council members will be elected for three year terms, and the other council members will be elected for four year terms. After the first “short terms” for town council members are over, this system results in the town electing some town council members in the “non-presidential general election year” (2018, 2022), and the other town council members in the ordinary municipal election years (2019, 2023). (IC 3-10-6-2.5)

Some towns adopted similar “staggered term” ordinances under state laws that have since been repealed, or have expired (IC 18-3-1-16(b), repealed 1981; P.L. 13-1982, SECTION 3, expired 1988). These towns have the additional option of adopting an ordinance to move the election date for all town offices (including town council) to the “presidential general election year” (2020, 2024). (IC 3-10-6-3) This changeover is accomplished by electing all town officers to a “short term” of one year at the municipal election (2019, 2023), and then electing successors to a full four year term.

A town with a population of less than 3,500 may adopt an ordinance that schedules elections for some or all town offices to even numbered years, municipal election years, or both, so long as no election is scheduled for any town office in a year following a presidential election year (2017, 2021). (IC 3-10-7-2.9)

Consult with the town clerk-treasurer or town attorney for more information about any such ordinances.

**Unopposed Candidates**

In some “small towns” there may be no more than one nominee for each office, and no declared write-in candidates for any town office. When this occurs, a municipal election may not be held for these offices in the municipal election year if the entire membership of the county election board adopts a resolution NOT to hold an election in this situation. (IC 3-10-7-6) The one nominee for the office will be elected at the closing of the polls on election day. However, if there is a contest for any office of the town, all nominees for each town office must be on the general election ballot.

**EXCEPTIONS:** The printing of all nominees on the town’s general election ballot is not required if there is a contest for at least one town council seat, only the voters within that town council election
district are eligible to vote for the town council seat, there is no election for an office to be voted on by all the voters of the town, and the county election board adopts, by unanimous vote of its members, a resolution to conduct an election only in the town council district, (IC 3-10-7-6).

**Districts**

As a general rule, town council members in small towns must be elected from districts established by ordinance adopted by the town council following each federal decennial census (such as the 2010 federal census, for example).

In a town with a population of less than 3,500, the town council may adopt an ordinance to abolish town council districts. If this town has also adopted an ordinance to nominate major party candidates for town office by primary election, then major party town council candidates in this town will run at large in the primary and all town council candidates will run at large in the general election. (IC 36-5-2-4.1(h))

In a small town with a population of less than 3,500, if the town council has not passed an ordinance to establish new town council districts or recertify the current town council districts at any time after December 31, 2011, then the town council districts currently established will be abolished, effective January 1, 2018. But, the town council whose districts have been abolished after January 1, 2018, may still pass an ordinance to established new town council districts to take effective after January 1, 2018. (IC 36-5-2-4.1(n))

If a town has adopted an ordinance to establish or recertify town council districts, the town council must also adopt an ordinance to establish town council district boundaries in 2022 and each ten years after each subsequent U.S. census is conducted. (IC 36-5-2-4.1(g))

The town must specify by ordinance how town council members are to be elected from these districts. The ordinance may provide: (1) that all council members must reside in their districts, but are to be elected at large by all the voters of the town; (2) that all council members must reside in their districts, but are elected only by the voters of that district; or (3) or some combination of (1) and (2) specified by the ordinance. (IC 36-5-2-5) Consult with the town clerk-treasurer or town attorney for more information about any such ordinances.

**TOWN CLERK-TREASURER**

Each town is required to elect a town clerk-treasurer. The town clerk-treasurer is elected by all the voters of the town. (IC 36-5-6-4)

IC 3-8-1-5 provides that:

"Sec. 5. (a) This section does not apply to a candidate for federal office.  
(b) As used in this section, "felony" means a conviction in any jurisdiction for which the convicted person might have been imprisoned for more than one (1) year  
(c) A person is not disqualified under this section for:  
   (1) a felony conviction for which the person has been pardoned;  
   (2) a felony conviction that has been:  
      (A) reversed;  
      (B) vacated;  
      (C) set aside;  
      (D) not entered because the trial court did not accept the person's guilty plea; or  
      (E) expunged under IC 35-38-9; or  
   (3) A person's plea of guilty or nolo contendere at a guilty plea hearing that is not accepted or entered by a trial court.  
(c) A person is disqualified from assuming or being a candidate for an elected office if:  
   (1) the person gave or offered a bribe, threat, or reward to procure the person's election, as provided in Article 2, Section 6 of the Constitution of the State of Indiana;"
(2) the person does not comply with IC 5-8-3 because of a conviction for a violation of the federal laws listed in that statute;

(3) in a:
   (A) jury trial, a jury publicly announces a verdict against the person for a felony;
   (B) bench trial, the court publicly announces a verdict against the person for a felony; or
   (C) guilty plea hearing, the person pleads guilty or nolo contendere to a felony;

(4) the person has been removed from the office the candidate seeks under Article 7, Section 11 or Article 7, Section 13 of the Constitution of the State of Indiana;

(5) the person is a member of the United States armed forces on active duty and prohibited by the United States Department of Defense from being a candidate; or

(6) the person is subject to:
   (A) 5 U.S.C. 1502 (the Little Hatch Act); or
   (B) 5 U.S.C. 7321-7326 (the Hatch Act);

and would violate either federal statute by becoming or remaining the candidate of a political party for nomination or election to an elected office or a political party office.

(d) The subsequent reduction of a felony to a Class A misdemeanor under IC 35 after the:
   (1) jury has announced its verdict against the person for a felony;
   (2) court has announced its verdict against the person for a felony; or
   (3) person has pleaded guilty or nolo contendere to a felony;

does not affect the operation of subsection (d)."

IC 3-8-1-33 provides that:
“Sec. 33. (a) A candidate for an office listed in subsection (b) must file a statement of economic interests.
(b) Whenever a candidate for any of the following offices is also required to file a declaration of candidacy or is nominated by petition, the candidate shall file a statement of economic interests before filing the declaration of candidacy or declaration of intent to be a write-in candidate, before the petition of nomination is filed, before the certificate of nomination is filed, or before being appointed to fill a candidate vacancy under IC 3-13-1 or IC 3-13-2:

* * *

(4) A candidate for a local office…, in accordance with IC 3-8-9, except a candidate for a local office described in subdivision (3).” (Subdivision 3 requires certain judge and prosecutor candidates to already file statements of economic interest)

A candidate for local office (other than judge or prosecuting attorney) is required to file a statement of economic interest (CAN-12). The circuit court clerk must reject a declaration of candidacy that does not include the CAN-12 statement. This form is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-12 is included in this Guide under the Candidate Forms tab.

TOWN JUDGE

Each town is required to elect a town judge if the town has created a town court by ordinance. (IC 33-35-1-1) The town judge is elected by all the voters of the town. (IC 33-35-1-3)

IC 3-8-1-1 does not apply to a candidate for judge of a town court.

IC 3-8-1-1.5 provides that:
“…(b) A person is not qualified to run for an office subject to this section unless not later than the deadline for filing the declaration or petition of candidacy or certificate of nomination the person is registered to vote in a county in which the municipality is located.
IC 3-8-1-5 Disqualification of candidates provides that:
“Sec. 5. (a) This section does not apply to a candidate for federal office.
(b) As used in this section, "felony" means a conviction in any jurisdiction for which the convicted person might have been imprisoned for more than one (1) year.

A candidate for local office (other than judge of the circuit, superior, county, small claims, or probate court or prosecuting attorney) is required to file a statement of economic interest (CAN-12). The circuit court clerk must reject a declaration of candidacy that does not include the CAN-12 statement. This form is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-12 is included in this Guide under the Candidate Forms tab.

B. Democratic and Republican Candidates Nominated at Primary Elections

A small town may adopt an ordinance to elect some or all of the town's officers in 2018. (IC 3-10-7-2.7; 3-10-7-2.9) A town may also adopt an ordinance providing for the nomination of Democratic and Republican candidates at a primary election. (IC 3-8-5-2). If major party candidates are to be nominated for election to a town office at a primary election to be held on May 8, 2018, the same filing, political party affiliation, and candidate withdrawal requirements apply that are applicable to such candidates for county offices.

C. Democratic, Libertarian, and Republican Party Candidates Nominated At Town Conventions

1. Filing Requirements

A candidate for nomination to a town office by the Democratic, Libertarian, or Republican Party must file a declaration of candidacy with the county election board. (IC 3-8-2-6)

This section addresses the filing and petition requirements for a person who does not intend to affiliate with the Democratic, Libertarian or Republican Party, and who does not intend to be a write-in candidate.

A person who wishes to become an independent candidate or a candidate of a minor party not qualified to nominate candidates in a primary election or by political party convention, and who wishes to be a candidate for a town office at the municipal election, must file a written consent to become a candidate for the town office (CAN-20), a petition of nomination (CAN-19), and a Statement of Economic Interests for Local and School Board Offices (CAN-12) with the county election board. (IC 3-8-6-12; 3-8-6-14(a)) Indiana law requires the county to reject a petition that does not include a statement of economic interests. (IC 3-8-9-6)

More than one minor party candidate can be nominated on the same petition form if each of the candidates is seeking an office that serves the entire town (town clerk-treasurer and at large town council member, for example). If offices serve different legislative districts (such as town council members elected only by voters of a specific district), then the candidates for office must use separate petition forms.

Only one (1) independent candidate for town office can be nominated on the same petition form. (IC 3-8-6-4)

Each candidate nominated by petition of nomination must satisfy all statutory eligibility requirements for the office for which the candidate is nominated. (IC 3-8-6-14)

The written consent (CAN-20), petition of nomination (CAN-19), and statement of economic interests (CAN-12) are available from the Election Division’s office and each circuit court clerk’s office. A CAN-20, CAN-19, and CAN-12 are included in this Guide under the Candidate Forms tab.

To be placed on the municipal election ballot, an independent or minor party candidate must obtain signatures of registered voters in the election district the candidate seeks to represent. A petition of nomination must be signed by the number of registered voters equal to 2% of the total votes cast for secretary of state in the 2014 general election in the election district the candidate seeks to
represent. Any fraction in excess of a whole number is disregarded in computing this figure. (IC 3-8-6-3) Signatures on any petition of nomination must be those of registered voters of the state who reside in the district the candidate seeks to represent. (IC 3-8-6-2)

EXAMPLE: A candidate for the office of town council member must obtain signatures of registered voters equal to 2% of the total votes cast for all candidates for secretary of state in the 2014 general election in that town council district.

Circuit court clerks will have information on the votes by precinct for the office of secretary of state in the 2014 general election to help determine the number of signatures required for a candidate seeking ballot placement by petition of nomination. However, the candidate may be required to make an initial calculation of the number of votes cast for secretary of state within the town council district, or the town as a whole. In some cases, there may not be an exact match between town council districts and precinct boundaries, so a precise minimum number of signatures necessary for ballot access may be impossible to calculate. Candidates seeking nomination by petition may wish to use a higher figure based on the votes cast for this office in all precincts wholly or partially within the town or town council district to ensure that the candidate has a sufficient number of valid signatures.

A petition carrier is required to sign an affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. A petition carrier is required to fully complete and affix their signature to the affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. If the petition carrier information is incomplete, then the county voter registration office may not process the signature page, but must give the best possible notice to the petition carrier who submitted the signature page to allow for the correction. The petition carrier may correct the missing information concerning the petition carrier up to the final date an hour for filing the petition with the county voter registration office. If the information is not completed by this deadline, then the signature page may not be processed. (IC 3-6-12)

For a petition of nomination to be considered valid, the county voter registration office in the county where the individual signing the petition is registered must certify whether each person who signs the petition is a registered voter at the residence listed in the petition at the time the county processes the petition and in the election district the candidate seeks to represent. This certification must accompany and be a part of the petition of nomination. (This certification is on the reverse side of the CAN-19 form.) (IC 3-8-6-10; IC 3-8-6-11)

The first day a candidate for a town office may submit the petition of nomination, accompanied by the written consent (CAN-20) to the county voter registration office for certification is Wednesday, January 10, 2018, and the DEADLINE for filing petitions for review by county voter registration officials is 12:00 noon, prevailing local time, Tuesday, July 2, 2018. (IC 3-8-6-10, 3-5-4-1.5)

For candidates for town offices, once the county voter registration office certifies the petitions of nomination, these certified petitions along with the candidate’s consent (CAN-20) and statement of economic interests (CAN-12) must be filed with the county election board. The DEADLINE for filing the petition of nomination (CAN-19), accompanied by the written consent form (CAN-19) and the statement of economic interest form (CAN-12) with the county election board is 12:00 noon, prevailing local time, Monday, July 16, 2018. (IC 3-8-6-10; IC 3-8-6-12; IC 3-5-4-1.5) The county voter registration office must file the certified petitions of nomination with the county election board. However, the candidate for a town office may request that the county voter registration office return the original petitions to the candidate so that the candidate may file the certified petitions (along with the CAN-20 and CAN-12) with the county election board to be placed on the municipal election ballot. (IC 3-8-6-10)
2. Nominating Petition Requirements
Candidates or political party members may wish to contact county voter registration offices to coordinate the processing of nominating petitions. Some county offices prefer to process all petitions for a candidate at the same time, while others are willing to process partial submissions.

Sometimes a county voter registration office rejects a signature on a nominating petition because the individual who signed the petition is not a registered voter of the election district for the office sought by the candidate, or has changed the individual’s address without notifying the county voter registration office. Although a minor variation between the name or address of a petition signer and the name or address on the county voter registration records does not invalidate the signature, a substantial variation renders the signature invalid. Reasonable doubts must be resolved in favor of the signer of the petition. (IC 3-5-6)

3. Political Party Names
A candidate may not submit a petition of nomination requesting ballot placement for a political party whose name would result in voter confusion due to its similarity with another party’s name. If the candidate declines to amend the petition to remove this confusion, the petition may be challenged, and shall be denied by the county election board if the board finds that confusion would exist. (IC 3-8-6-5.5) A candidate must indicate whether the candidate is affiliated with any other candidate or group of candidates filing a petition under the same political party name. (IC 3-8-6-5)

4. Candidate Withdrawal Requirements
The DEADLINE for a person nominated by petition for a town office who wishes to withdraw from the general election ballot to file a written notice of candidate withdrawal with the county election board is 12:00 noon, prevailing local time, on Monday, July 16, 2018. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 16, 2018, at 12:00 noon, prevailing location time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The municipal election candidate withdrawal (CAN-24) is available from the Election Division’s office and each circuit court clerk’s office. A CAN-24 is included in this Guide under the Candidate Forms tab.

Filling Candidate Vacancies
Tuesday, August 28, 2018, by 12:00 noon, prevailing local time, is the last day for a town chairman of a political party that submitted a petition of nomination for the election of candidates to town office to file a certificate of candidate selection to fill any candidate vacancy. The certificate must be accompanied by the candidate’s written consent to the selection. (IC 3-13-1-18)

E. Write-in Candidates
1. Filing Requirements
Indiana law provides that only votes for declared write-in candidates are counted. (IC 3-12-1-1.7(a))

A person who desires to be a write-in candidate for a town office in the municipal election on Tuesday, November 6, 2018, must file a declaration of intent to be a write-in candidate (CAN-3) and Statement of Economic Interests for Local and School Board Offices (CAN-12) with the county election board. (IC 3-8-2-2.5) Indiana law requires the county to reject a declaration that does not include a statement of economic interests. (IC 3-8-9-6)

The CAN-3 and CAN-12 are available from the Election Division’s office and each circuit court clerk’s office. A CAN-3 and CAN-12 are included in this Guide under the Candidate Forms tab.
The **first day** a write-in candidate may file the CAN-3 and CAN-12 with the county election board is **Wednesday, January 10, 2018**, and the **DEADLINE** for filing is **12:00 noon, prevailing local time, Tuesday, July 3, 2018**. (IC 3-8-2-2.5; IC 3-8-2-4; IC 3-8-2-5)

2. **Candidate Withdrawal Requirements**

The **DEADLINE** for a person who files a declaration of intent to be a write-in candidate for a town office to file a written notice of candidate withdrawal with the county election board is **12:00 noon, prevailing local time, on Monday, July 16, 2018**. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the general election. **Notice to withdraw candidacy presented after July 16, 2018, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.**

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office and each circuit court clerk’s office. A CAN-24 is included in this *Guide* under the **Candidate Forms** tab.

3. **Political Party Affiliation**

A write-in candidate may claim affiliation with a political party other than the Democratic, Libertarian, or Republican Parties (the parties whose nominee for Secretary of State of Indiana received at least 2% of the total votes cast in the most recent election for the office of Secretary of State (November 2014)). (IC 3-8-2-2.5)

However, if a write-in candidate claims affiliation with a political party: (1) that already has ballot access, (2) of a candidate who has previously filed a petition of nomination under IC 3-8-6, or (3) whose name would result in voter confusion due to its similarity with the name of the political party in (1) or (2), then a registered voter in the election district may question the validity of the filing under IC 3-8-1-2. The county election board shall determine the validity of the questioned filing. If the county election board determines that the candidate’s stated party affiliation would result in voter confusion due to its similarity with another party’s name, and the candidate declines to amend the declaration to remove this confusion, then the board shall deny the filing. (IC 3-8-2-12.5)
A. Qualifications

NOTE: Precinct committeemen and state convention delegates are considered “political offices” and not “elected offices.” (IC 3-5-2-17)

Although there is no state law requiring that a candidate for precinct committeeman or state convention delegate reside within the precinct or delegate district, state political party rules may restrict the ability of a political official who does not comply with a residency requirement to participate in party functions. Contact the Democratic State Committee or the Republican State Committee for more information on this point.

IC 3-8-1-32 provides that:
“Sec. 32. A candidate for:
(1) precinct committeeman; or
(2) delegate to a state convention;
of a political party in the state whose nominee received at least ten percent (10%) of the total vote cast for secretary of state at the last election must comply with any candidate requirement set by state party rules.”

B. Filing Requirements For Democratic Party Precinct Committeemen and Democratic and Republican State Convention Delegates Elected at the Primary Election

Candidates for Democratic Party precinct committeeman and Democratic or Republican state convention delegate will be elected at the primary election to be held on Tuesday, May 8, 2018.

The Democratic Party will elect its precinct committeemen at the May 8, 2018, primary election (IC 3-10-1-4.5) The Republican Party will not elect its precinct committeemen until the May 2020 primary election (IC 3-10-1-4.6).

A candidate for Democratic Party precinct committeeman or Democratic or Republican state convention delegate must file a declaration of candidacy (CAN-37) with the county election board. (IC 3-8-2-6)

A candidate for Democratic Party precinct committeeman or Democratic or Republican state convention delegate are not required to submit the Statement of Economic Interests (CAN-12).

Since precinct committeemen and state convention delegates are “political offices,” an individual may run for elected office (e.g. County Assessor, Township Board) and also run for precinct committeeperson or state convention delegate. This would not be considered a violation of the state constitution’s ban on dual lucrative officeholding. A person may run for precinct committeeman and for state convention delegate, and hold both political offices simultaneously without violating the state constitution’s ban on dual lucrative officeholding. Finally, precinct committeemen and state convention delegates are not subject to the state’s Campaign Finance Act.

The first day to submit a declaration of candidacy to the county election board is Wednesday, January 10, 2018, and the DEADLINE to file is 12:00 noon, prevailing local time, Friday, February 9, 2018. (IC 3-8-2-4; IC 3-8-2-5) A declaration of candidacy presented after February 9, 2018, at 12:00 noon, prevailing local time, will not be accepted for filing.

The declaration of candidacy (CAN-37) is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-37 is included in this Guide under the Candidate
Forms tab.

C. Candidate Withdrawal Requirements
A candidate for precinct committeeman or state convention delegate may file written notice of candidate withdrawal with the county election board certifying that the individual no longer wishes to be a candidate. The DEADLINE to file this notice with the county election board is 12:00 noon, prevailing local time, Monday, February 12, 2018. (IC 3-8-2-20) Upon receipt of this notice, the county election board will not certify that individual's name as a candidate for the primary election. (IC 3-8-2-21) Notice of candidate withdrawal presented after February 12, 2018, at 12:00 noon, prevailing local time, will not be accepted for filing.

*Pursuant to Indiana Code 3-8-6-3(b), the figures provided on this chart are rounded down in the case of a partial number. When an election district is larger than one county, the minimum number of signatures needed will be higher than the sum of the numbers on this chart. This does not apply to the given statewide figure, as that number is two percent of the total statewide votes cast in the state for Secretary of State.
