Important Note About Using the 2020 Indiana Candidate Guide
This publication is not a legal document. It does not replace the Indiana Election Code. Every effort has been made to ensure the accuracy of the information contained in this publication. However, this Guide should be used only in conjunction with the election statutes.

If any inconsistency exists between this publication and Indiana election statutes, the statutory language governs.

Most statements in this Guide are followed by a statutory cite, such as “IC 3-8-2-5.” The “IC” stands for Indiana Code and the numbers following “IC” refer to the title, article, chapter, and section of an Indiana statute (e.g. “IC 3-8-2-5” means Indiana Code title 3, article 8, chapter 2, section 5).

Consult the online version of the Indiana Code and the 2020 print edition of the Indiana Election Code to check for changes or updates to the election statutes. Become familiar with the laws governing your candidacy and the office you seek. The current version of the Indiana Code is available on the Internet at http://iga.in.gov/legislative/laws/2019/ic/

The information in this Guide reflects Indiana law as of July 1, 2019. However, since election laws may be changed each year, consult with your personal attorney to make certain you know and understand the most current version of the law.

The Indiana Election Division cannot provide legal advice to you as a candidate. You must retain your own attorney. The Election Division cannot provide information concerning the specific duties or responsibilities of a local government office. For information on this subject, contact:

Note about Lake County, Porter County, and Tippecanoe County Boards of Elections and Registration: Each county, with the exception of Lake County, Porter County, and Tippecanoe County, has a county election board. In Lake, Porter, and Tippecanoe Counties, separate state statutes govern the organization of the county board of elections and registration. (IC 3-6-5.2 (Lake County); IC 3-6-5.4 (Tippecanoe County); IC 3-6-5.6 (Porter County)) For Lake, Porter, and Tippecanoe Counties, references in this Guide to a “county election board” (for candidate filing purposes for example), refers to the boards of elections and registration in Lake County, Porter County, and Tippecanoe County. References to circuit court clerk refer to the Lake County election director, the Porter County election director, and the office of the Tippecanoe County board of elections and registration.

Foreign Influence & Cyber Security Information

Protected Voices is an FBI initiative, in collaboration with U.S. Department of Homeland Security (DHS) and the Office of the Director of National Intelligence (DNI), to help political campaigns improve their cybersecurity and defend against foreign influence operations.

If you would like to know a) what foreign influence operations are, b) why they are a threat to our system of government, c) what the US government is doing about that, or d) what you can do to safeguard sensitive information on your computer networks, then please visit the FBI’s Protected Voices website:

More information about Indiana’s efforts to further harden its election infrastructure and strengthen physical security of county’s voting systems can be found at www.indianavoters.com under “election security.”
A person is considered a major party candidate if the candidate affiliated with the party obtained the highest or second-highest number of votes cast for Indiana secretary of state at the last election held for the secretary of state’s office. (IC 3-5-2-30) Thus, the Democratic Party and Republican Party are considered “major parties” based on the results of the 2018 election for Indiana Secretary of State. If a political party did not run a candidate for that office in 2018 or if the party’s candidate did not receive the highest or second-highest number of votes in the 2018 for election to that office, the party is considered a “minor party” for ballot access purposes. An “independent” candidate is a candidate not affiliated with any political party.

The two major political parties are required by Indiana law to hold a primary election on June 2, 2020, where candidates for federal, state legislative, and local offices are nominated for November’s general election. Voters must select either a Democratic or Republican ballot in the primary election. In rare cases, a county may be conducting a special election on the same date as the primary election, and a separate “non-partisan” ballot may be offered to vote on a public question.

However, some small towns (those with a population of less than 3,500 persons) with offices on the ballot in 2020 do not hold a Democratic or Republican primary election in May unless the town council passes an ordinance to conduct a primary election. If no such ordinance has been passed, then the Democratic, Libertarian, and Republican parties may hold a town convention to nominate their candidates. (IC 3-8-5-2)

To seek nomination in the primary election, a candidate must belong to the Democratic or Republican Party. The candidate meets this requirement if 1) the party ballot that the voter requested in the last primary election in Indiana in which the candidate voted was the ballot of that party or 2) the candidate files a certification from their county chair affirming their membership in that political party. The declaration of candidacy for primary nomination (CAN-2) requires the candidate to affirm their party affiliation and attach the certification, if required.

Democratic or Republican candidates participating in the U.S. presidential primary or seeking nomination in the 2020 primary election for Governor must also collect at least 500 signatures of registered voters in each of Indiana’s nine Congressional district for a minimum amount totaling 4,500 statewide. The petition signatures are first reviewed and certified by county voter registration officials. Certified petitions are then filed with the Indiana Election Division before or at the same time the declaration of candidacy (For the primary election, the CAN-2 for governor; CAN-8 for president; for the general election) and, for all gubernatorial candidates, a receipt showing the candidate’s statement of economic interests was filed with the state’s Inspector General, is filed.

Republican Party Precinct Committeemen will be on the primary election ballot in 2020; Democratic Party Precinct Committeemen will be on the primary election ballot in 2022. Both major political parties will have another party office, state convention delegate, on the primary ballot in 2020. Please consult the rules of the political party for qualifications on running for these offices.

In 2020, major party candidates for statewide office – Lieutenant Governor and Attorney General – are nominated at their party’s convention, and will not appear on the primary election ballot held in June.

If a minor party received at least two percent (2%), but less than ten percent (10%) of the vote cast for Indiana Secretary of State at the last election held for the office, the party may nominate candidates for the general election by conducting a state, county, or municipal convention. (IC 3-8-4-10; IC 3-8-5-17; IC 3-10-6-12) The Libertarian Party falls into this category of “minor party” based on the 2018 election results.

For this reason, the Libertarian Party nominates candidates at state or county conventions, and is able to fill a ballot vacancy where no candidate was selected at convention. However, the Libertarian Party must give notice to the Indiana Election Division (for federal, statewide, state legislative, and judicial candidates) or the county election board (for local offices) of their intent to fill these vacancies. (IC 3-13-1-20)
Although other minor parties (other than the Libertarian Party) may hold conventions to nominate candidates, these nominations are not recognized in Indiana for purposes of winning a place on the general election ballot. A minor party (other than the Libertarian Party), or independent candidate in Indiana is nominated for placement on the general election ballot by petition of nomination. The candidate must collect signatures of registered voters in the election district that total at least 2% of the total votes cast in the 2018 Secretary of State’s race in the election district the candidate wishes to represent to have their name printed on the ballot. (CAN-19 Petition of Nomination for Federal, State, State Legislative, or Certain Local Offices; CAN-20 Local Office Petition of Nomination in 2020 General Election)

While it may be possible for candidates of the same minor political party seeking an office that serves the entire state or a congressional or legislative district, or the same political subdivision to be nominated on the same petition, only one independent candidate for an office may be nominated by the same petition of nomination. (IC 3-8-6-4)

**EXCEPTION:** Candidates for President and Vice President of the United States or Governor and Lt. Governor are elected as a ticket. An independent candidate for President may include their running mate for Vice President on the same petition of nomination. An independent candidate for Governor must include their running mate for Lt. Governor on the same petition of nomination (IC 3-8-1-9.5; IC 3-8-6-4)

A person may run as a write-in candidate for any elected office, but may not claim affiliation with a political party in the state whose nominee for Secretary of State received at least 2% of the total votes cast in the most recent election for the office of Secretary of State (currently the Democratic, Libertarian, or Republican parties). (IC 3-8-2-2.5) A person is considered an independent candidate if the candidate is a person who is not affiliated with any political party. (IC 3-5-2-26.6)

If no Democratic or Republican party candidate filed to run for an office in the May-June primary election, the ballot vacancy may be filled after the date of the primary election but before noon (prevailing local time), June 30, 2020. A candidate may also withdraw from the ballot for any reason not later than noon (prevailing local time), July 15, 2020, and may only withdraw after the July 15 deadline if the candidate is disqualified for a reason like death, a move out of the election district, or upon conviction of a felony. Information about filling ballot vacancies can be found in later chapters of this Guide.

A person may run as a write-in candidate for any elected office, but may not claim affiliation with a political party in the state whose nominee for Secretary of State received at least 2% of the total votes cast in the most recent election for the office of Secretary of State (currently the Democratic, Libertarian, or Republican parties). (IC 3-8-2-2.5) A person is considered an independent candidate if the candidate is a person who is not affiliated with any political party. (IC 3-5-2-26.6)

A person may not be a write-in candidate during a primary election or for a party office, such as precinct committeeman or state convention delegate. (IC 3-8-2-2.5) Votes for write-in candidates are only counted in the general election if the write-in candidate filed a declaration of intent to be a write in candidate before the election no later than the deadline set by state law. **A write-in candidate’s name is never printed on the general election ballot.**

On November 3, 2020, the general election will be held and voters will decide who is elected to serve their respective term of office. This ballot may include Democratic, Independent, Libertarian, Republican, or other third party or write-in candidates. Non-partisan school board races or judicial retention and public questions will also appear.

Ballot access rules vary depending on the office sought and the candidate’s political party. While this Guide provides much of this information, **please seek the advice of a personal attorney to understand your rights and responsibilities.**
IMPORTANT VOTER REGISTRATION INFORMATION

Candidates sometimes provide voter registration applications to potential voters. If the candidate accepts possession of a completed state registration application, the candidate is responsible for completing the Certified Statement of Acceptance on the application. If the candidate accepts possession of a completed state or federal registration application, the candidate is responsible for ensuring that the completed application is received by the appropriate county voter registration office NO LATER THAN Noon the earlier of ten (10) days after acceptance or THE REGISTRATION DEADLINE for the PRIMARY ELECTION (close of business on May 4April 6, 2020) or the GENERAL ELECTION (close of business on October 5, 2020. A candidate who recklessly fails to file the completed applications is subject to penalties under federal and state law.

IMPORTANT ABSENTEE BALLOT APPLICATION INFORMATION

Candidates or their campaigns sometimes provide absentee ballot applications to vote-by-mail to voters. If the candidate accepts possession of a completed absentee application, the individual who takes possession of the document is responsible for providing a date the application was received by the individual. This individual is responsible for ensuring that the completed application is received by the appropriate county election board office NOT LATER THAN the earlier of ten (10) days after acceptance or THE ABSENTEE APPLICATION DEADLINE for the PRIMARY ELECTION and GENERAL ELECTION. An individual who recklessly fails to file the completed applications is subject to penalties under federal and state law. (IC 3-11-4-2)

Further, a mailed communication of more than 100 pieces of substantially similar pieces of mail that includes an Indiana absentee ballot application is required to set forth, in a clear and conspicuous manner, the name and mailing address of the person who mailed the communication in at least 12 point type size that is clearly readable by the recipient of the mailing with a reasonable degree of color contrast between the background and the printed statement. A communication complies with the contrast requirement if the information is printed in black text on a white background or the degree of color contrast between the background and the text of the information is not less than the color contrast between the background and the largest text included in the mailing. The requirement to include the name and mailing address of the person who mailed the communication that includes an Indiana absentee ballot does not apply to direct mailings of one hundred (100) or less of substantially similar pieces of mail. (IC 3-11-4-5.2)

IMPORTANT CANDIDATE FILING DEADLINE INFORMATION

Indiana Code 3-5-4-1.9 provides that “Except as otherwise provided in [the state election laws, such as for campaign finance reports, for example]… an election board, a circuit court clerk… or any other official responsible for receiving a filing… may not receive a filing that is offered to be filed after a deadline for the filing…” This state law should be carefully noted when a filing is offered by, or on behalf of, a candidate.
CANDIDATE QUALIFICATIONS, GENERALLY

All candidates, regardless of party affiliation (major party, minor party, independent, write-in), must meet the same qualifications before the candidate may run for a particular office. Specific references to candidate qualifications can be found in Indiana Code 3-8-1, the Indiana State Constitution, and detailed in this Guide.

Registered Voter

This section does not apply to candidates for federal office. Under the Constitution of the United States, a candidate for federal office is not required to be a registered voter. However, except for certain city and town judges, a person is NOT qualified to run for a state office, state legislative office, local office, or a school board office unless the person is a registered voter in the election district the person seeks to represent not later than the deadline set by statute for filing a declaration of candidacy, petition of nomination, or certificate of nomination. (IC 3-8-1-1) If the candidate is new to the community or updating their registration to a new address, the registration is generally not effective for at least seven (7) days after submitting the voter registration and after approval, generating the voter acknowledgement card. Candidates should consider this “pending” period when contemplating a run for office, and ensure their registration at their residence address is “active” as of the filing deadline.

Felony Convictions

This section does not apply to candidates for federal office. Please review IC 3-8-1-5 for state law regarding the impact of a felony conviction on the ability to run for office in Indiana. This section is also included in the office chapters of the Guide.

Residency

Indiana law requires many candidates, but not all, seeking state and local office to have resided in their election district for at least one (1) year prior to the general election. Residency qualifications are detailed in IC 3-8-1, the Indiana State Constitution, and in the specific office chapters of this Guide.

Under IC 3-5-2-42.5 “residence” means the place where a person has the person’s true, fixed, permanent home and principal establishment, and to which place the person has, whenever absent, the intent of returning. Under IC 3-5-5-2, a person’s residence may be established by…origin or birth [or] intent and conduct taken to implement the intent. Please refer to the sections of the Guide for detailed information on residency requirements of certain offices.

Although Indiana residency laws include presumptions that a candidate must overcome to establish a difference residence, a county election board or Indiana Election Commission, depending on the office sought, will have to determine the facts of each particular situation to resolve a challenge regarding any candidate’s residence.

The county election board or the Indiana Election Commission will need to determine the actual facts in each residency dispute and decide what, if anything, the candidate did to establish the candidate’s residence, if it is called into question. The same process is used when a county voter registration office must determine if a voter resides at the location stated in a voter registration application.

Specific Office Qualifications

Specific references to candidate qualifications can be found in Indiana Code 3-8-1 and the Indiana State Constitution. Qualifications by office are detailed in the Indiana Candidate Guide, which is published by the Indiana Election Division. References to statutory qualifications for federal, state judicial, county and other local offices are outlined in IC 3-8-1, including the qualifications or candidate for offices such as the Clerk of the Circuit Court.
For example, a Circuit Court Clerk candidate must be a registered voter in the county that the candidate seeks to represent. (IC 3-8-1-1; IC 3-8-1-19.5) The clerk serves a four-year term upon election and may serve only eight out of twelve years. (Article 6, Section 2 of the Indiana State Constitution) Time spent filling a vacancy does not count against the Constitutional term limit. (Article 2, Section 11 of the Indiana State Constitution)

There may be other qualifications an individual must possess before assuming office after being elected. For example, a candidate who has never been a County Assessor must be certified at a level 2 assessor-appraiser to hold office. Not having the certification does not preclude the individual from running, but the individual must be certified by the date the individual assumes the office. (IC 3-8-1-23)

Please refer to the Indiana Candidate Guide, Indiana Code, and the Indiana State Constitution for other specific office or candidate qualifications. Where important legal rights are concerned, please seek advice from a personal attorney.

NOTE: Requirements, duties, and responsibilities for elected local officeholders can be found in Indiana Code Title 36, generally.

Sore Loser Law

A person who is defeated at a primary election, state convention, or town convention is not eligible to become a candidate for the same office in the next general or municipal election. This “sore loser” provision does not apply to a person who is selected to fill a ballot or office vacancy by the political party that the person affiliated with by voting in the most recent primary election held by that party (or who did not vote in that primary, but is certified as a member of the party by the county chair of the party in which the person is affiliated).

The “sore loser law” also applies to a defeated candidate who wants to be a write-in candidate for the office. (IC 3-8-1-5.5; IC 3-13-1-19)

Holding More Than One Lucrative “Office”

The Indiana State Constitution (Article 2, Section 9) provides that no person is eligible to hold more than one lucrative office at the same time. This restriction applies to any office, whether appointed or elected, but does not apply to a person who is merely an “employee” and not an “officer.”

The Attorney General’s office has opined that elected or appointed offices are “created by law instead of contract.” Further, the duties of someone holding an office, as opposed to employment, must include performance of some sovereign power for the public’s benefit to be considered an “office” when interpreting this Constitutional provision.

The Supreme Court has defined “lucrative office” as any office to which there is attached compensation, regardless of whether or not the compensation is paid directly to the individual. The definition of “lucrative office” does not depend upon the amount of compensation affixed to it or whether the office holder accepts any compensation. (Refer to Attorney General Opinion #91-14)

Not all persons who work for a government are considered officeholders. Instead, they may be considered employees. For example, a county commissioner is an officeholder. The receptionist at the county highway garage office is an employee. Sometimes, whether an individual is an officeholder or an employee is not as clear cut.

State statutes and Attorney General opinions can shed light on this question in some cases. Indiana Code 5-4-1-1(c) and IC 5-6-4-3 provide that the position of an appointed deputy of an officer of a political subdivision or of a judicial circuit (for example, a deputy county auditor, a deputy mayor, or a deputy circuit court clerk) is not considered to be a “lucrative office.” Likewise, a county attorney, state convention delegate, precinct election officer, and a notary public are not considered a lucrative officeholder (IC 36-2-2-30; IC 36-2-3-10; IC 3-6-6-37(c); IC 33-42-12-1)
A person who assumes a second lucrative office is considered to have resigned from the first office automatically when the person begins serving in the second office. The Indiana Attorney General’s office publishes a “Dual Office Holding” Guide on its website: https://www.in.gov/attorneygeneral/2352.htm

**Prohibition on Government Employment for Some Officeholders**

A government employee of the same unit of local government cannot hold an elected office. (IC 3-5-9) This does not prevent the individual from being a candidate; rather, should the government employee be elected to serve in an office of the same unit of government, the individual automatically resigns from government employment when taking elected office. (IC 3-5-9-5)

**Example 1:** Sally works for the county’s highway department, runs for county council, and is elected by the voters to serve on the council. Since she is a county employee, Sally resigns from her position on the county highway department when she assumes her elected position on the council.

**Example 2:** Joe works for the township trustee, runs for county council, and is elected to serve on the council. Township government is not the same unit of government as the county council. Joe may continue to work for the township trustee after he assumes his elected position on the council.

While this law does not add qualifications to run for office, it does limit the employment options of locally elected officials. If an employee of a local unit of government takes office within the same unit, the employee’s employment is terminated. A full-time paid firefighter may not assume or hold a position at any level of government that receives fire protection services from the department in which the firefighter serves. Some exemptions may apply. (IC 3-5-9-4; IC 3-5-9-7)

**Federal Hatch Act and “Little Hatch Act”**

The Hatch Act is a federal law that prohibits certain federal, government employees from running for partisan elected office and engaging in certain partisan political activity. The “Little Hatch Act” prohibits certain state and local government employees from engaging in certain partisan political activity.

Before becoming a candidate for partisan elected office a person that is a federal government employee, or a state or local government employee that works in connection with programs funded (in whole or in part) by federal funds, loans, or grants or whose salary entirely funded by the federal dollars should determine if the Hatch Act or Little Hatch Act prohibit them from doing so. However, in recent years, these federal laws have been amended to restrict their application to local government employees whose salary is entirely paid for with federal funds, and no longer apply to employees whose salaries may be only partially paid by federal funds.

If a person is prohibited under the Hatch Act or Little Hatch Act from being a candidate for partisan election office then they are disqualified from becoming a candidate or assuming elected office. (IC 3-8-1-5)

Questions on whether the Hatch Act or Little Hatch Act applies to or disqualifies a candidate should be directed to the U.S. Office of Special Counsel at 202-804-7002, 1-800-854-2824, or HatchAct@osc.gov
Primary Election

To seek nomination in the June 2-May 5, 2020, primary election, a candidate must belong to the Democratic or Republican Party. This is determined by 1) the political party ballot requested by the candidate at the last primary election in Indiana the candidate voted, or 2) the candidate files a certification from their county chair affirming their membership in that political party. The declaration of candidacy for primary nomination (CAN-2) requires the candidate to affirm their party affiliation and attach the certification, if required.

Democratic or Republican candidates seeking nomination in the 2020 primary election for Governor must collect at least 500 signatures of registered voters in each of Indiana’s nine Congressional districts for a minimum amount totaling 4,500 statewide. The petition signatures are first reviewed and certified by county voter registration officials. Certified petitions are then filed with the Indiana Election Division before or at the same time the declaration of candidacy (CAN-2) is filed along with a receipt showing their statement of economic interests was filed with the state’s Inspector General.

Democratic or Republican candidates seeking nomination in the 2020 primary election for U.S. President must collect at least 500 signatures of registered voters in each of Indiana’s nine Congressional districts for a minimum amount totaling 4,500 statewide. The petition signatures are first reviewed and certified by county voter registration officials. Certified petitions are then filed with the Indiana Election Division before or at the same time the candidate’s consent (CAN-7) is filed.

Candidates for state, state legislative, or local office also must file a financial disclosure statement before a declaration of candidacy may be accepted. Please refer to the Guide for information on which form is required of the office and where to file the document. Precinct committeemen and state convention delegates are exempt from the financial disclosure requirement as the positions are party offices. Candidates for federal office should consult the rules of the U.S. House and U.S. Senate.

General Election

The general election ballot may include Democrats, Republicans, Libertarians, Independent, and minor party candidates, non-partisan school board candidates, and other constitutional, public, or judicial retention questions. Some of the Democratic and Republican candidates will have been nominated during the primary election, while others will be nominated at Convention or selected to fill ballot vacancies.

Libertarian candidates are nominated at their party’s conventions, but might also be selected to fill a ballot vacancy. Independent candidates have a deadline to submit the necessary petition signatures to appear on the ballot. An independent candidate or the candidate of a party other than the Democrats, Libertarians, or Republicans, may also file to be a write-in candidate. Details on all of these processes are found in later chapters of the Guide.

Like those candidates running in the primary election, state, state legislative, and local candidates filing for November’s general election are required to file financial disclosure statements. Candidates for federal office should consult the rules of the U.S. House and U.S. Senate.

Candidate Forms

General Information

Several candidate-related election forms approved for use in 2020 are included in this Guide, though are subject to change. The Election Division will release election related forms to each circuit court clerk not later than the annual conference (next scheduled to be held December 16-18, 2019) and will publish these forms (and other forms) on the Election Division’s website at www.in.gov/sos/elections/4564.htm. These forms will then be available from county election board offices.
However, please allow time for the circuit court clerk to arrange for the printing and delivery of copies of these forms following the December distribution date. This Candidate Guide along with the Candidate Forms will also be available from the Indiana Election Division’s office and Division’s website at www.in.gov/sos/elections.

**Indiana Code 3-5-4-8 provides that a person must use the most recent version of any form approved by the Indiana Election Division to comply with the election statutes.** IC 3-5-4-8(c) states that the election division, an election board, a circuit court clerk, a county voter registration office, or any other official responsible for receiving an election filing **shall reject** a filing that is not on the most recent version of a state prescribed form or a “grandfathered” form whose continued use has been authorized by the Indiana Election Division.

**FOR THIS REASON, IT IS CRITICALLY IMPORTANT TO ENSURE THAT A CANDIDATE COMPLIES WITH INDIANA CODE 3-5-4-8 BEFORE FILING A DOCUMENT REQUIRED OR PERMITTED BY THE INDIANA ELECTION CODE.**

Each state prescribed form contains a state form number and a revision date, usually in the upper left or upper right corner of the form, for example: “SF 46439 (R6;11-11).” This provides a method to quickly determine which version of a form has been provided. For more information concerning the current version of any state prescribed election form, contact the Election Division.

Candidates must sign their declaration of candidacy after swearing or affirming the truth of the statements made in the statement before an individual who has the authority to administer an oath (such as a notary public). (IC 3-8-2-7) The Election Division provides notary services for federal, statewide, and state legislative candidates. Candidates for local or school board office, precinct committeeman, or state convention delegate should contact their county election official to inquire if services provided by a notary public or other person authorized to administer oaths are available.

In a political party primary election, individuals may run for federal, state, or local office and also run for precinct committeeman or state convention delegate. A separate declaration of candidacy for each party office must be filed in addition to the declaration of candidacy for elected office.

For example, in 2020, the Republican Party will hold party office elections for precinct committeeman and state convention delegate; the Democratic Party will hold party office elections for state convention delegate only. (In 2022, the reverse will be true.) This means a Republican Party candidate may run for County Auditor, Precinct Committeeman, and State Convention Delegate, and would file a separate declarations of candidacy for County Auditor, Precinct Committeeman, and State Convention Delegate.

**The Indiana Election Division or county election board cannot accept a late candidate filing.** Hand-delivery remains the best option to ensure the form is timely received. While a candidate form may be mailed, it will be considered late if the county election board or Indiana Election Division receives the form after the deadline, regardless of when the envelope may be postmarked.

State and local candidates must also follow Indiana campaign finance law, while federal candidates must follow federal campaign finance rules. Please consult the **2020 Indiana Campaign Finance Manual** or later sections in this **Guide** for more information.

**Petition of Nomination**

To qualify for the **May-June** primary election in 2020, Democratic and Republican candidates for U.S. President (CAN-8) and governor (CAN-25) must collect at least 500 certified signatures of registered voters in each of Indiana’s nine Congressional districts, for a minimum number of 4,500 signatures statewide. The CAN-8 and CAN-25 petitions for the major party primary candidates are first filed with the county voter registration official for certification. Which county voter registration office to submit the petition form to is determined by the residency of the voter(s) on the petition, as only the county voter registration official of the county where the person is registered may certify the petition signature. (IC 3-8-2-9; IC 3-8-3-3)
Once certified, petitions are then filed with the Indiana Election Division. Major party gubernatorial candidates will also file a declaration of candidacy (CAN-2) a receipt showing the statement of economic interests was timely filed with the Inspector General. Major party candidates for U.S. President will also file the candidate’s consent form (CAN-7).

Gaining access to the ballot as an independent or minor party candidate for local office has two distinct steps. The first is to gather signatures of registered voters within the election district totaling at least 2% of the total votes cast for all candidates in the 2018 Secretary of State’s election within the precincts making up the election district. If this applies to the office you are seeking, please contact your county election board for assistance with computing this number.

The CAN-19 (petition of nomination for federal, state, state legislative, and judicial offices) and CAN-21 (petition of nomination for other local offices) petitions must be filed with the county voter registration official no later than the deadline set forth in state law. (IC 3-8-6-10) The county voter registration official must review and certify the signatures as set forth in IC 3-5-6. Petition signatures must be “wet.” In other words, photocopies of signatures, electronic signatures, digital signatures, or digitized signatures will not be accepted. (IC 3-5-4-1.7(b)) Candidates may pick up the certified petitions from the county voter registration office, but the candidate should make arrangements with the office.

(More information about the petition review process conducted by county voter registration officials can be found in the current edition of the Indiana Voter Registration Guidebook.)

An independent or minor party candidate running for federal, statewide, state legislative, or judicial office must then file the certified petitions (CAN-19), the candidate’s signed consent (CAN-20), and statement of economic interests not later than the filing deadline set forth in state law.

An independent or minor party candidate running for other local offices must then file the certified petitions (CAN-21), the candidate’s signed consent (CAN-20), and statement of economic interests (CAN-12) not later than the filing deadline set forth in state law.

Statement of Economic Interests

A statement of economic interests is required for most candidates running for office in Indiana. The Indiana Election Division and the county clerk must reject any candidate filing that does not include the statement of economic interests. (IC 3-8-1-33) More information about where these offices can be found later in this Guide.

Note: Statements of economic interest for judicial, state legislative, statewide, and federal offices are not created by the Indiana Election Division.

- **Federal office candidates:** Contact the Clerk of the U.S. House or Secretary of the U.S. Senate for details on its financial disclosure requirements.

- **Statewide candidates:** Contact the Office of Inspector General or visit [http://www.in.gov/ig/2331.htm](http://www.in.gov/ig/2331.htm) to download the financial disclosure statement.

- **State legislative candidates:** Statement of economic interest forms are available through the Clerk of the House or Secretary of the Senate, or visit [http://www.in.gov/iga](http://www.in.gov/iga) to search for and download the proper form.

- **Judicial candidates:** Contact the Indiana Commission on Judicial Qualifications or visit [https://www.in.gov/judiciary/jud-qual/2357.htm](https://www.in.gov/judiciary/jud-qual/2357.htm) for instructions on filling the statement of economic interest form with their office.

- **Local government and school board candidates:** File the CAN-12 statement of economic interests, which is available at the office of the Indiana Election Division or its website, and through the county clerk or election board.
NOTE: An email from the inspector general for candidates seeking nomination for statewide office at a Democratic, Libertarian, or Republican Party state convention or an email from the judicial qualifications commission for Libertarian Party candidates seeking nomination for judicial office at a state convention, is sufficient documentation that the required economic interest statement has been filed by the candidate. (IC 3-8-7-8)

NOTE: City and town court judges are not required to file the statement of economic interests (CAN-12) filed by other candidates for local office. Instead, these candidates are required to file an economic interest statement with the judicial qualifications commission like other candidates for judicial office. (IC 3-8-9-4)

NOTE: A petition candidate for school board or other local office (other than judge or prosecuting attorney) in a county with a separate board of registration must file the candidate’s statement of economic interests (CAN-12) with the circuit court clerk after the signatures on the petitions have been certified by the board of registration. In a county that does not have a separate board of registration, the candidate’s statement of economic interests (CAN-12) must be filed with the circuit court clerk at the time the candidate’s petitions are filed for review and certification. (IC 3-11-13-28.1)

When a Filing MUST Be Rejected

1) The Secretary of State or a circuit court clerk must determine whether a sufficient number of signatures have been obtained to meet the requirements to nominate a minor party or independent candidate for federal office, state office, or local office, respectively, by petition. Additionally, the circuit court clerk is required to determine whether there is sufficient signatures on a school board candidate’s petition. If the Secretary of State or clerk determines, based on the certification of the signatures by the county voter registration office, that the petition does not have enough signatures to nominate the candidate(s) on the petition, the Secretary of State or county clerk must deny certification to the petitioner(s). A challenge to this denial can then be brought before the Indiana Election Commission (for federal, state, state legislative, or judicial offices) or the county election board (for local offices) by a registered voter in the election district by filing. (Form CAN-1) (IC 3-8-1-2; 3-8-6-12; IC 3-8-2.5-6)

2) A county voter registration office must determine whether petition carrier laws have been complied with before certifying petitions. A law that applies to all candidate petitions, as well as petitions to place a public question on the ballot, requires that the petition carrier must also complete a signed affirmation, under penalties of perjury, that the individual has no reason to believe that any signer on the page is ineligible to sign the petition; and below the affirmation include printed information that identifies the petition carrier (name, address, and date of birth) (IC 3-8-2-7). This requirement applies to the candidate whenever the candidate personally circulates petitions. A signature page that does not comply with these requirements must be received for filing and retained as other election materials are retained and the county voter registration office shall not make a determination regarding the validity of the signatures on the signature page.

The county voter registration office shall also notify the petition carrier and allow the petition carrier to make certain additions and corrections to the information to be provided by the petition carrier on the signature page. If the final date and hour for filing a petition with the county voter registration office has not passed, a petition carrier may sign the affirmation or add identification information required to be provided by the petition carrier. However, if the final date and hour for filing a petition with the county voter registration office has passed, a petition carrier may not sign the affirmation or add identification information required to be provided by the petition carrier or add or correct information supplied by or requested from a person who signs the petition as a petitioner. Please see the current version of the Indiana Voter Registration Guidebook for more information.

Candidate or public question petitions that do not comply with the petition carrier affirmation and information requirements, may be challenged after the final date and hour for filing the petition with the county voter registration office. A challenge may be filed with the county election board or the Indiana election division as otherwise provided by law.
3) A clerk must reject a candidate filing that is required to be filed with the Secretary of State or Election Division to be effective (such as a CAN-2 declaration of candidacy for circuit, superior, probate, and small claims court judge or prosecuting attorney). Alternatively, the Secretary of State or Election Division must reject a candidate filing that is required to be filed with the circuit court clerk. (IC 3-5-4-1.2)

4) The Secretary of State, Indiana Election Division, or circuit court clerk must reject candidate documents offered after the filing deadline. (IC 3-5-4-1.9)

5) The Secretary of State, Indiana Election Division, or the circuit court clerk must reject a declaration of candidacy, petition of nomination, declaration of intent to be a write-in candidate, or certificate of candidate selection that does not also include a statement of economic interests. This requirement does not apply to federal candidates. Statewide, state legislative, and judicial office candidates should review the Statement of Economic Interests section in this Guide. Local candidates are required to file the CAN-12 statement of economic interests at the time of filing. Minor party and independent candidates are advised to review the rules on when the CAN-12 is to be filed in counties with a separate Board of Registration. (IC 3-8-1-33)

6) Filings tendered on a candidate form not currently approved for use by the Indiana Election Division must be rejected. (IC 3-5-4-8)

7) The Secretary of State, Indiana Election Division or circuit court clerk may not receive a Certificate of Candidate Selection to fill a ballot vacancy if the related Call of Caucus or Meeting or Declaration of Candidacy to fill a Ballot Vacancy was not filed at all, or not timely filed, with the Secretary of State, Indiana Election Division or circuit court clerk. (IC 3-13-1-21)

Candidate Names and Nicknames

An individual filing as a primary election, convention, minor or independent, or write-in candidate must list the individual's name on the candidate filing in the same form as the individual wants the name to appear on the ballot and the candidate’s name is permitted to appear on the ballot under IC 3-5-7. (IC 3-8-2-2.5; IC 3-8-2-7; IC 3-8-5-10.5; IC 3-8-6-5; IC 3-8-7-10; IC 3-10-2-15)

A candidate is only permitted to use certain “designations” for the form in which the candidate’s legal name appears on the ballot. To implement this requirement, a candidate’s “designation” is defined as referring to the name, nickname, initial, abbreviation, or number used to identify the individual. However, a designation may not be a title or degree, or imply a title or degree. A candidate’s “name” refers to any of the following: (1) the candidate’s given name; (2) the candidate’s surname; and (3) the candidate’s middle name. (IC 3-5-7)

To determine a candidate’s “legal name” for ballot placement purposes, the candidate’s legal name is the name shown on the candidate’s birth certificate. If a candidate takes another name through a judicial proceeding or uses a name after marriage in the manner described below, then the most recent name used after marriage or taken in the judicial proceeding is considered the candidate’s legal name. If a candidate changes the candidate’s legal name after a candidate is nominated, the candidate shall file a statement with the office where the candidate previously filed the declaration of candidacy or certificate of nomination setting forth: (1) the former legal name; (2) the current legal name; and (3) how the candidate’s legal name was changed.

A candidate’s legal name after marriage can be any one of the following: (1) the name appearing on the candidate’s birth certificate (as in Mary Jane Doe, for example); (2) the name used by the candidate on the application for a marriage license, (as in John Smith, for example); or (3) any combination of the names that the candidate or the candidate’s spouse used as applicants for the marriage license, (as in Mary Jane Smith, Mary Doe Smith, or John Smith-Doe, for example).
First Designation: Assume a candidate has the legal name of Judith Anne Smith with the nickname of Judy. The first designation used on the ballot may be any one of the following: (1) the candidate’s legal given name (Judith); (2) the initial of the candidate’s legal given name (J); (3) the candidate’s legal middle name (Anne); (4) the initial of the candidate’s legal middle name (A); or (5) the candidate’s nickname (Judy).

Second Designation: The second designation used on the ballot may be any one of the following, without repeating any designation used as the first designation: (1) the candidate’s legal middle name (Anne); (2) the initial of the candidate’s legal middle name (A); (3) the candidate’s nickname (Judy); or (4) the candidate’s legal surname (Smith).

Third Designation: The third designation used on the ballot may be any one of the following, without repeating any designation already used as the first or second designation: (1) the candidate’s nickname (Judy); or (2) the candidate’s legal surname (Smith).

The following are examples of acceptable candidate name designations:

- Judith Anne Smith
- Judith A. Smith
- Anne Smith
- J. Smith
- Judith (Judy) Anne Smith
- J. Anne Smith
- J.A. Smith
- A. Smith
- Judy Smith

A candidate can use the candidate’s legal surname after the third designation if the candidate did not use the legal surname as the second or third designation. A candidate can also use Sr., Jr., or a numerical designation such as II or III after the candidate’s legal surname.

A nickname used by a candidate on the ballot must:
1) be the nickname by which the candidate is commonly known;
2) not exceed twenty (20) characters in length; and
3) not imply a title or degree.

Unless the candidate uses the nickname as the first designation, the nickname must appear in parentheses. For example, Judith (Judy) Anne Smith.

EXAMPLE: A ballot listing of "John R. (Doc) Doe" would not be permitted since the nickname implies a title or degree. Likewise, a ballot listing would not be permitted if the selected nickname was NOT one by which the candidate was COMMONLY known. However, unless the candidate’s filing is properly challenged regarding the candidate’s name, and this issue brought before the Commission or a county election board for determination, the candidate’s name will be placed on the ballot in the form used in the candidate’s filing or certification.

Sometimes an individual may change his or her name after filing as a candidate. If the candidate wishes to change the candidate’s legal name before absentee ballots are printed for the election, the candidate must file a statement with the office where the candidate’s declaration of candidacy or certificate of nomination was filed. This statement must set forth the current and former name of the candidate, and indicate that the candidate has already filed a change of name request with the appropriate county voter registration office. After this statement is filed, the county election board will print ballots bearing the candidate’s new name. (IC 3-8-7-25.5)

If a candidate’s legal name is changed after absentee ballots are printed the Election Division or county election board is not required to reprint ballots to reflect the new name. (IC 3-11-3-29)

**NOTE:** Candidates are required to comply with the Indiana Campaign Finance Act. (IC 3-9, generally) These forms can be found in the current version of the *Indiana Campaign Finance Manual* or online at campaignfinance.in.gov. Candidates for federal office (U.S. President, U.S. Senate, and U.S. House) are advised to review campaign finance requirements with the Federal Election Commission (www.fec.gov).
Where to File

The following outline summarizes where major political party candidates (Democratic and Republican) file their declarations of candidacy. (CAN-2 for candidates to be nominated in a primary election in a general election year like 2020 or CAN-42 in a city or town primary in a municipal election year like 2023)

Current law requires that all candidates affiliated with one of the two major political parties file a declaration of candidacy with the appropriate authority between one hundred eighteen (118) days and noon (prevailing local time), eighty-eight (88) days before the primary election. (IC 3-8-2-4, 3-8-2-5 and 3-8-2-6) Different deadlines apply in certain small towns. (IC 3-8-5-10.5; IC 3-8-5-13)

Note: The deadline to withdraw a declaration of candidacy is noon (prevailing local time), eighty-five (85) days before the primary election. (IC 3-8-2-20) However, presidential candidates can withdraw as late as noon (Eastern Time), seventy-five (75) days before the primary election. (IC 3-8-3-6.5) Once nominated, the deadline for a candidate to withdraw for any reason is noon (prevailing local time), July 15, 2020. (IC 3-8-7-28, IC 3-5-4-1.5) The deadline for a candidate nominated by petition or for a write-in candidate to withdraw for any reason is also noon (prevailing local time), July 15, 2020. (IC 3-8-2-2.7; IC 3-8-6-13.5)

There are procedures for a disqualified candidate to be removed from the ballot after July 15 in the instance a candidate dies, moves out of the election district, is convicted of a felony (does not apply to federal candidates), or is ordered off the ballot by a judge. (IC 3-8-1-5; IC 3-8-7-29; IC 3-8-8; IC 3-5-4-1.5) A primary candidate who dies or withdraws before the primary election may be removed from the ballot, depending on whether the ballots have been printed or programmed when the death occurs. (IC 3-11-3-29.4)

If a general election candidate dies or withdraws before a general election, the candidate’s name may be removed from the general election ballot, and a replacement candidate’s name printed, depending on when the death or withdrawal occurred and when the replacement candidate was selected. (IC 3-11-3-29.5)

Filing with the Indiana Election Division and Other State Agencies

Candidate for federal, statewide, state legislative, or judicial offices including the office of prosecuting attorney file their declaration of candidacy with the Indiana Election Division or the Indiana Secretary of State. Financial disclosure statements must be filed with the appropriate office, and a copy or receipt of its filing must be presented at the time of filing the declaration of candidacy.
All state offices that receive election-related filings are located within a short distance of the intersection of West Washington Street and Capitol Avenue (the southeast corner of the State House lot). This section includes a list of references containing addresses, telephone numbers, and e-mail addresses for various federal and state entities mentioned in this Guide.

The Indiana Department of Administration has instituted security measures throughout the capitol complex. **Filing with the County Election Board**

Candidates for circuit court clerk, county offices, township offices, town offices, school board offices, precinct committeeman or state convention delegate file their declaration of candidacy with the appropriate county election board. Candidates for local and school board office must file a Statement of Economic Interest (CAN-12) at the time of filing. Candidates for precinct committeeman or state convention delegate **do not** need to file a CAN-12 statement of economic interest form.
The placement of any individual on the primary or general election ballot may be challenged if the individual has not complied with the requirements set forth for candidates under Indiana law.

Candidate challenges concerning individuals who file as candidates for federal, statewide, state legislative, or judicial offices including the office of prosecuting attorney come before the Indiana Election Commission for resolution.

Candidate challenges concerning individuals who file as candidates for circuit court clerk, county offices, township offices, town offices, school board offices, precinct committeeman, or state convention delegate come before the appropriate county election board for resolution.

Before the Indiana Election Commission or a county election board may consider a challenge to a candidate, a registered voter of the election district that the candidate seeks to represent or a county chairman of a major political party of a county in which any part of the election district is located must file a sworn statement with the Election Division or the county election board. The sworn statement must question the eligibility of the candidate to seek the office and set forth the facts known to the voter concerning this question. (IC 3-8-1-2) The CAN-1 form may be used for a candidate challenge. A CAN-1 is included in the Appendix of this Guide.

There is one exception to the requirement that a registered voter or a county chairman of a major political party in the election district must file a candidate challenge. The secretary of state or a circuit court clerk must determine whether a sufficient number of valid signatures have been obtained to meet the requirements to nominate a candidate by petition in a general election. If the secretary of state or clerk determines, based on the certification of the signatures by the county voter registration office, that the petition does not have enough valid signatures to nominate the candidate(s) on the petition, the secretary of state or the clerk must deny the certification to the petitioners. An appeal of this denial can then be brought before the Indiana Election Commission or county election board by the candidate by filing the CAN-1. (IC 3-8-1-2; IC 3-8-6-12)

The Indiana Election Commission or county election board must determine the validity of the candidate’s filing. State law specifies the various deadlines before the primary election or general election by which a challenger must file a challenge with the Commission or board, and the deadlines by which the Commission or board must make this determination. See IC 3-8-2-14 (primary candidates); IC 3-8-6-14 (independent and minor party candidates); IC 3-8-8 (a statewide or state legislative office in a general election), which is discussed in more detail below; IC 3-13-1-16.5 (candidates who fill “early ballot” vacancies); and IC 3-13-2-11 (candidates who fill “late ballot” vacancies); IC 3-8-2-14 (write-in candidates).

The Indiana Election Commission and county election boards will make every effort to notify candidates and other interested parties as promptly as possible when a challenge has been filed. However, due to the short period of time between the close of candidate filing and the printing of absentee ballots, the Commission or board may need to rely on informal methods such as telephone calls to give the best possible notice to these individuals. If a candidate appears before the Commission, and does not file a written objection concerning notice before the end of that meeting, any objection to notice is waived. (IC 3-8-2-18)

Except as described above for notice requirements, the Commission conducts its proceeding concerning candidate challenges in accordance with the State Administrative Orders and Procedures Act. (IC 4-21.5)

County election board meetings concerning candidate challenges are public meetings, for which notice must be given in accordance with the Open Door Law. (IC 5-14-1.5) Except for requirements set forth in the Open Door Law, county election boards are not required to follow specific procedures in conducting these meetings.

The Election Division cannot give legal advice or assistance to candidates who are challenged before the Commission or a county election board. The candidate must seek the advice and representation of a personal attorney in these cases.
If an attorney appears before the Election Commission regarding a candidate challenge, the Commission requests that the attorney file a notice of appearance with the Election Division prior to the meeting. The appearance form may be adapted from that used in judicial proceedings.

If a candidate or other interested party objects to the determination of the Commission or a county election board, the candidate or interested party may appeal the determination to an appropriate court for a decision in the same manner that other administrative decisions are appealed. An appeal from a decision of a county election board must be filed with the appropriate circuit court clerk not later than thirty (30) days after the election board makes the decision subject to the appeal (IC 3-6-5-34; IC 3-6-5.2-9; IC 3-6-5.4-10).

If a candidate selected to fill a ballot vacancy is subject to a candidate challenge, the candidate’s name shall not be printed on the general election ballot until the Commission or a court resolves the challenge. (IC 3-13-1-16; IC 3-13-2-9)

**Removal of Candidate for Statewide or State Legislative Office from the General Election Ballot**

A different law applies concerning the removal of a candidate for a statewide or state legislative office from the general election ballot. A registered voter of the relevant election district may challenge the qualifications of a candidate to remove the candidate from the ballot. The challenge must:

1) be filed with the Election Division not later than 74-days before the general election;
2) be a sworn statement questioning the qualifications of the candidate; and
3) set forth the facts known by the challenger concerning this question.

The Indiana Election Commission shall conduct and conclude its hearing on the challenge within three (3) business days after the challenge is filed with the Election Division. The Commission shall announce its determination not later than one (1) business day after the conclusion of the hearing. If the Commission does not announce its determination by this deadline, the Commission is considered to have dismissed the challenge.

A candidate may not be challenged under this procedure if:

1) the candidate was previously challenged using this procedure;
2) the challenge under this procedure would be for the same reasons as the previous challenge to the candidate; and
3) the Indiana Election Commission already has conducted a hearing on the challenge and made a final determination in favor of the candidate.

After the Commission has made a final determination of the challenge, the challenged candidate or the challenger may appeal the Commission’s determination, including a dismissal due to the Commission’s failure to make a determination by the deadline. An appeal must be filed directly with the Indiana Court of Appeals under the same terms, conditions, and standards that apply to other civil appeals.

In any event, at noon, Indianapolis time, sixty (60) days before the general election, any challenge that is pending before the Commission or the Court of Appeals is dismissed and the name of the challenged candidate may not be removed from the general election ballot, and another individual may not be named to replace the challenged candidate on the ballot, and all votes cast for the challenged candidate must be counted and reported under the name of the challenged candidate. (IC 3-8-8)

This law also places a time limit on candidate withdrawal for reasons other than disqualification or moving outside the election district that the candidate seeks to represent. (IC 3-8-7-28(b); IC 3-8-7-28(c); IC 3-8-8-7) If a candidate attempts to withdraw as a candidate later than noon (prevailing local time), sixty (60) days before the general election for any other reason, the candidate may not be removed from the ballot or replaced by another individual on the ballot. All votes cast for a candidate who attempts to withdraw later than noon (prevailing local time), sixty (60) days before the general election are counted and reported under the name of the candidate.
If a candidate who attempted to withdraw later than noon (prevailing local time), sixty (60) days before the general election: (1) receives the most votes at the general election; and (2) is determined to be disqualified as a candidate, a vacancy in the office occurs. The resulting vacancy shall be filled as if an eligible candidate of the same political party as the disqualified candidate had been elected, and in the manner otherwise provide by law (a caucus of precinct committeemen under IC 3-13-5 for a state legislative candidate, for example). (IC 3-8-8-8)

**Disqualification of a Candidate or Officeholder**

An individual can be disqualified as a candidate or removed from office if the individual becomes ineligible to become a candidate or hold an office because of failing to comply with a specific requirement under state law. For example, IC 3-8-1-5 disqualifies a person from assuming or being a candidate for elected office (other than a federal office) if the person:

1) gave or offered a bribe, threat, or reward to procure the person’s election;
2) was convicted for violating a federal law listed in IC 5-8-3;
3) was found guilty of a felony by a jury or the court, entered a plea of guilty or nolo contendere to a felony even if the felony conviction was later reduced to a Class A misdemeanor under IC 35-50-2-7 or IC 35-38-1-1.5;
4) has been removed as a judge or prosecuting attorney by the Indiana Supreme Court and seeks to be a candidate for the same office;
5) is a member of the armed forces on active duty and prohibited by the Department of Defense from being a candidate; or
6) is subject to the Hatch Act or Little Hatch Act, and would violate these federal statutes by being a candidate for elected office.

If a person is a voter of the election district a candidate seeks to represent and believes that a candidate is not eligible to be on the ballot, then the voter may file a sworn statement (CAN-1), with the Indiana Election Division (for federal, statewide, state legislative, judicial candidates, including candidates for prosecuting attorney) or with the county election board (for all other candidates for local and school board office). The sworn statement must set forth the facts known to the voter as to why the candidate is ineligible. The Indiana Election Commission or the county election board must then conduct a hearing to determine if the candidate is ineligible.

With regard to officeholders, IC 5-8-3-1 prohibits anyone from serving as a public officer in Indiana (not a federal office) who has been convicted of:

1) evading the Selective Service Act of the United States;
2) engaging in any conspiracy or attempt to defraud the United States government;
3) any seditious utterances in violation of any of the laws of the United States; and
4) any other crime against the laws of the United States where the sentence imposed exceeds six (6) months.

Other statutes disqualify a person from holding office if the individual has been convicted of a felony (IC 5-8-1-38), is habitually intoxicated (IC 5-8-2-1), or fails to reside in the election district that the person represents. (IC 36-2-3-5, for example)

A public officer convicted of a felony while in office is removed from office by operation of law when the conviction of the person for the felony is publicly announced by a jury or the court, or when the trial court accepts and enters a guilty plea. (IC 5-8-1-38) In other cases, if an elected official does not meet these requirements, then an interested person can file a lawsuit in court to have the official removed. The court must decide whether the complaints made by the interested person are true, and whether or not the official should be removed from office.

A county council, city council, and town council can also remove a county commissioner or city or town council member from office in certain cases. (IC 5-8-5; IC 36-2-2-5; IC 36-4-6-6)

A court may expunge records concerning minor, Level 6 (formerly Class D) felony convictions, and some more serious felony convictions, under certain circumstances. The civil rights of a person whose conviction has been expunged shall be restored, including the right to vote and to be a candidate and, if elected, hold public office.
CANDIDATE (BALLOT) VACANCIES

There are several reasons why a “candidate vacancy” may occur on a primary or general election ballot:

- The Democratic or Republican parties may not have a candidate run for nomination in the primary election.
- The Democratic, Libertarian, or Republican parties may have a vacancy in an office following their party’s nominating convention.
- A candidate nominated by the Democratic, Libertarian, or Republican parties may be disqualified, pass away, or withdraw at least thirty-one (31) days before the general election, creating another type of early ballot vacancy. (IC 3-13-1)
- A Democratic, Libertarian, or Republican candidate dies, moves out of the election district, is disqualified due to a felony conviction, or is removed via court order under IC 3-8-7-29(d) after the thirty-first (31) day before a general election creates a late ballot vacancy. (IC 3-13-2)

Procedures for Filling Democratic & Republican Party Early Ballot Vacancies

Candidate (ballot) vacancies for U.S. Senate and statewide offices are filled by the state committee of the political party. (IC 3-13-1-3) If a candidate vacancy exists for U.S. House or state legislative candidates, the state chairman of a political party calls a caucus of the precinct committeemen within the district. For judicial offices, the office of prosecuting attorney, county offices, township offices, or town offices, the county chairman calls a caucus of the precinct committeemen within the district.

However, if the county committee has adopted a resolution to delegate this candidate (ballot) vacancy filling authority to the county chairman (or to the chairman, vice-chairman, secretary, and treasurer of the county committee), then the candidate vacancy may be filled by direct appointment, without conducting a caucus. Likewise, if fewer than two (2) precinct committeemen are eligible to participate in a caucus, then the candidacy may be filled by direct appointment by the county chairman. (IC 3-13-1-3; IC 3-13-1-4; IC 3-13-1-5; IC 3-13-1-6; IC 3-13-1-8; IC 3-13-1-13)

If a chairman calls a caucus of the political party to fill a ballot vacancy, the chairman must use the notice of caucus form (CAN-30) prescribed by the Indiana Election Division. Instructions are included on the form. A CAN-30 is available from the Election Division’s office and each circuit court clerk’s office.

A person who wishes to be selected by the caucus to fill a ballot vacancy for a federal, statewide, state legislative office, judicial office, or the office of prosecuting attorney must file a declaration of candidacy (CAN-31) form with both the caucus chairman (or state committee chair for U.S. Senator, statewide offices, or state legislative offices) and the Election Division.

A person who wishes to be selected by the caucus to fill a ballot vacancy for local office such as circuit court clerk, county offices, township offices, or town offices must file a declaration of candidacy (CAN-31) form with both the caucus chairman and the county election board. (IC 3-13-1-10.5) A CAN-31 is available from the Election Division’s office and each circuit court clerk’s office, and included under the Candidate Forms tab of this Guide.

After the political party fills this vacancy, the chairman must file a written certificate of candidate selection with the Election Division if the nomination is for a federal office (CAN-27), a state legislative office (CAN-28), a judicial office (CAN-29), or an office of prosecuting attorney (CAN-29).

The chairman must file a certificate with the circuit court clerk if the nomination is for a local office such as the office of circuit court clerk, a county office, a township office or a town office (CAN-29). The CAN-29 form is available from the Election Division’s office or each circuit court clerk’s office. The CAN-27 and CAN-28 are available from the Election Division’s office.
Filling Democratic or Republican Primary Candidate (Ballot) Vacancies

On occasion, no candidate will file for the Democratic or Republican Party nomination to an office before a primary election. If this occurs, the vacancy may not be filled before the primary. (IC 3-13-1-2) Immediately following the primary election, the political party may begin the process of filling the ballot vacancy. However, no political party is ever required to fill a ballot vacancy, even if an individual wishes to run as a candidate for the vacant nomination.

The deadline for the Democratic or Republican Party to conduct a political party caucus or to make a direct appointment to fill a vacancy existing on the general election ballot resulting from a vacancy on the primary election ballot is noon, Tuesday, June 30, 2020. (IC 3-13-1-2; IC 3-13-1-7) Certificate of appointment and candidate’s statement economic interest must be filed no later than 12:00 noon, prevailing local time Monday, July 6, 2020. (IC 3-13-1-2; IC 3-13-1-7; IC 3-13-1-15)

If the county chair or county central committee make a direct appointment for a candidacy to fill a local office ballot vacancy, then a copy of the meeting minutes or resolution adopted by the county party authorizing the county chair or county central committee must be attached to the certification. (IC 3-13-1-6(b)(2))

State law does not specify requirements concerning the text of a resolution (or motion to record in the meeting minutes) that county party must adopt in order to authorize the county chair or a caucus comprised of the chair, vice chair, secretary, and treasurer of the county committee to make a direct appointment to fill a local candidate (ballot) vacancy.

A county party may authorize a chair or committee to make the appointment for one election, several elections, or in perpetuity. The county party may also choose to limit the authority to a specific individual serving as chair when the authority is granted, or to provide any person serving as county chairman with this authority until the county party decides otherwise, the decision is left to the county party to draft a document noting the parameters of the appointment authority and approve by a majority vote of party membership (IC 3-13-1-6(b)(2)). As noted above, a copy of this resolution or meeting minutes must be included at the time the vacancy paperwork is filed with the county clerk or election board.

Please note: state law prescribes the process by which a county chair or a caucus of the party leadership (chair, vice chair, secretary, treasurer) may be granted the authority by the party membership to make a direct appointment to fill a ballot vacancy for local candidates only. Should there be a Democratic or Republican Party vacancy for an Indiana House or Indiana Senate seat, even if the legislative seat is wholly contained within the county, the county chair or party central committee may not call a caucus or make a direct appointment to fill the state legislative vacancy. Only the state party chair, or his designee, may call a caucus to fill the ballot vacancy.

Filling Democratic or Republican Early Ballot Vacancies Due to the Death, Withdrawal or Disqualification of a Candidate

This information applies to a ballot vacancy that arises for any reason if the vacancy leaves a major political party without a candidate for the office and occurs before the thirtieth day before a general, special or municipal election. (IC 3-13-1-1) Please note candidate vacancies that exist on a primary election ballot are subject to different rules. (See paragraph above)

When a candidate nominated at the primary election or at the party’s nominating convention dies, withdraws, or is disqualified under Indiana Code 3-8-1-5 due to a criminal conviction, or a court order issued under IC 3-8-7-29(d), a major political party is permitted to fill the resulting vacancy IF it does so no later than thirty (30) days after the vacancy occurs. (IC 3-13-1-7)

The requirements discussed above for calling a caucus and filing a declaration of candidacy apply to filling this type of candidate vacancy. However, the political party chairman must file the certificate of candidate selection (CAN-28 or CAN-29) and candidate’s statement of economic interest no later than noon, three (3) days (excluding Saturdays and Sundays) after the party fills the candidate vacancy. (IC 3-13-1-15) Special restrictions apply to statewide or state legislative candidates. (IC 3-8-8)
If the political party fills the vacancy not later than five (5) days before the general election, then the county election board must reprint the ballots or reprogram the voting system. A new public test must be conducted. Posting notice pursuant to the Open Door law is required; however, public notice published in the newspaper is not. If the vacancy is filled within five (5) days of the general election, then the county election may reprint the ballot, if desired. (IC 3-11-3-29.5)

County election administrators are advised to review the tabulation requirements under IC 3-12-1-14, IC 3-12-1-15, IC 3-12-1-16 to understand how ballot re-printing may impact the programming of their voting systems to ensure proper tabulation of results.

**Filling Democratic or Republican Late Ballot Vacancies Due to Death or Disqualification of a Candidate**

This section applies to the filling of a candidate vacancy that exists due to the:

1. Death of a political party’s candidate;
2. Withdrawal of a candidate who has moved from the election district;
3. Disqualification of a candidate due to a felony conviction under IC 3-8-1-5; or
4. Issuance of a court order under IC 3-8-7-29(d);

for nomination or election to an office at the general, municipal, or special election after the thirty-first day before a general, municipal, or special election.

In most cases, the state or county chairman of the political party of the county in which the greatest percentage of the population of the election district resides fills the candidate vacancy by direct appointment. (IC 3-13-2) The same general procedures apply regarding the filing of a certificate of candidate selection in these cases. (IC 3-13-2-8)

If the political party fills the vacancy not later than five (5) days before the general election, then the county election board must reprint the ballots or reprogram the voting system. A new public test must be conducted. Posting notice pursuant to the Open Door law is required; however, public notice published in the newspaper is not. If the political party fills a candidate vacancy during the final five (5) days before an election, state law does not require a county election board to reprint ballots. (IC 3-11-3-29.5)

County election administrators are advised to review the tabulation requirements under IC 3-12-1-14; IC 3-12-1-15; IC 3-12-1-16 to understand how ballot re-printing may impact the programming of their voting systems to ensure proper tabulation of results.

**Libertarian Party Ballot Vacancies**

If a candidate vacancy exists following a Libertarian Party state or county convention, the party’s state committee may fill the vacancy. The Libertarian Party must fill a vacancy existing on the general election ballot resulting from a vacancy for an office nominated by that party at a state or county convention by Tuesday, June 30, 2020. (IC 3-13-1-20)

At least ten (10) days before filling the candidate vacancy, the state chairman of the Libertarian Party must file a notice of intent to fill the vacancy with the official who will receive the certificate of candidate selection filing (the Indiana election division or a circuit court clerk). (IC 3-13-1-20)

Once the Libertarian Party fills a vacancy for federal, statewide, state legislative, or judicial offices including the office of prosecuting attorney, the state chair and secretary must file a certificate of nomination with the Election Division. The Party must file the certificate no later than noon, Monday, July 6, 2020. (IC 3-13-1-20)

Once the Libertarian Party fills a vacancy for the office of circuit court clerk, county offices, township offices, or town offices, the county chair and secretary must file a certificate of nomination and the candidate’s Statement of Economic Interest for Local and School Board Offices (CAN-12) with the county election board. The Party must file the certificate no later than noon, Monday, July 6, 2020. (IC 3-13-1-20)
If a vacancy occurs for any other reason at least thirty-one days before the general, municipal, or special election, the same procedure applies. The vacancy must be filled within 30-days, but the certificate and candidate’s statement of economic interest must be filed no later than noon, three (3) days (excluding Saturdays and Sundays) after the selection of the candidate. (IC 3-13-1-20) Special procedures apply to late ballot vacancies occurring within the final 30 days before the election and to statewide or state legislative candidates. (IC 3-13-2-12; IC 3-8-8)

**Other Minor Party Candidate Vacancies**

If a candidate for federal, statewide, or state legislative offices does not affiliate with the Democratic Party, the Libertarian Party, or the Republican Party, and the candidate withdraws, dies, or is disqualified, the state chairman of the candidate’s political party may fill the resulting candidate vacancy. The chairman can fill this vacancy at any time after a petition of nomination has been circulated or filed for certification by a county voter registration office by filing a statement with the Election Division. (IC 3-8-6-17) (CAN-40, CAN-20)

This statement must include the following:

1) The name of the individual who ceased to be a candidate.
2) The date and reason why the person ceased to be a candidate.
3) The name and written consent of the successor candidate.
4) If other individuals were also candidates on the same petition of nomination, the consent of each other candidate to the selection of the successor candidate.

For candidates nominated by petition for the office of circuit court clerk, county offices, township offices, or town offices, the county chairman must file the statement with the county election board. (IC 3-8-6-17)

The state or county chairman must file the statement no later than noon, Monday, July 6, 2020. The CAN-40 and CAN-20 are available from the Election Division’s office or each circuit court clerk’s office. (IC 3-8-6-17)

A similar procedure applies to filling candidate vacancies for individuals nominated by petition for “small” town offices with a population of less than 3,500. The town chairman of the party must file a certificate of candidate selection (CAN-18) with the county election board no later than 12:00 noon, prevailing local time, Friday, August 28, 2020. (IC 3-13-1-18)

**Independent and Write-In Candidates**

An independent candidate may not include the name of any other candidate on the petition, unless the other candidate included on the petition is part of an independent ticket of candidates for President and Vice-President of the United States, or governor and lieutenant governor. (IC 3-8-6-4)

If a petition of nomination is circulated or filed by an independent candidate, another candidate may not be substituted on the petition of nomination. (IC 3-8-6-17)

Indiana law has no procedure for the replacement of a write-in or independent candidate.
When a person signs and files a declaration of candidacy to run for office, the individual must indicate on the form: “I acknowledge that I am aware of the provisions of IC 3-9 regarding campaign finance and the reporting of campaign finance contributions and expenditures, and agree to comply with the provision of IC 3-9.”

Candidates and members of their campaign finance committees are encouraged to review the current version of the Indiana Campaign Finance Manual. The Manual can be accessed from the Indiana Election Division’s office or the Division’s website at www.campaignfinance.in.gov. Forms required for campaign finance filings can be found online or at the offices of the Indiana Election Division and County Election Boards.

PRECINCT COMMITTEEEMAN AND STATE CONVENTION DELEGATE
Indiana law does not require that precinct committeeman or state convention delegate candidates file campaign finance documents regardless of the amount of money candidates raise or spend.
A county election board may investigate and rule on questions concerning reported election law violations. If the county election board has substantial reason to believe that an election violation has or will occur, the board may conduct a hearing to resolve the issue.

The county election board has the power to subpoena witnesses, and question those witnesses under oath. If, after affording due notice and an opportunity for a hearing, the county election board believes that an act constitutes or will constitute an election violation, the board may take whatever action it deems proper under the circumstances. This includes referring the matter to the attorney general for civil action or the county prosecuting attorney for criminal prosecution. (IC 3-6-5-31; IC 3-14-5-3)

Indiana law also requires that a county election board forward all voter challenge affidavits (PRE-4) returned by precinct election officers following the close of the polls to the foreman of the grand jury when the jury is next in session and to forward photocopies of the affidavits to the Secretary of State. The grand jury is required to inquire into the truth or falsity of the affidavits, and file a report of the results of its inquiry with the court. (IC 3-14-5-2) Exception: This procedure does not apply to affidavits solely concerning an individual who failed to provide additional documentation as a “first time” voter under IC 3-7-33-4.5 but has since provided this documentation. (IC 3-14-5-1)

A. Qualifications

Article 2, Section 1, Clause 5 of the United States Constitution provides that:

“No person except a natural-born citizen . . . shall be eligible to the office of President; neither shall any person be eligible to that office who shall not have attained to the age of thirty-five years and been fourteen years a resident within the United States.”

B. Democratic and Republican Party Candidates Nominated at the Primary Election

A candidate may submit a declaration of candidacy and petition of nomination in person or by mail, and the declaration and petition are considered filed as of the **DAY AND TIME THEY ARE FILED** in the office of the Indiana Election Division. “Filing” occurs when the Election Division records the date and time the Division receives the document. (IC 3-5-2-24.5) A candidate may not submit a declaration or petition of nomination by facsimile transmission or electronic mail. (IC 3-5-4-1.7)

1. Declaration of Candidacy

Democratic and Republican Party candidates for the office of President will be placed on the ballot for a presidential preference vote at the primary election to be held on Tuesday, **June 2, 2020**. (IC 3-10-1-3)

A candidate for the nomination of President of the United States by the Democratic or Republican Party must file a declaration of candidacy with the Election Division. (IC 3-8-3-1)

The declaration of candidacy form (CAN-7) is available from the Election Division's office, on the Division's website, and is included in this *Guide* under the *Candidate Forms* tab.

2. Petition of Nomination

The declaration of candidacy must be accompanied by a certified petition of nomination signed by at least 4,500 registered voters of the state, including at least 500 registered voters from each of Indiana’s 9 congressional districts. (IC 3-8-3-2)

Each petition must request that the candidate’s name be placed on the ballot at the primary election and must contain the following: (a) signature of each petitioner, (b) name of each petitioner printed legibly, and (c) residence mailing address of each petitioner. (IC 3-8-3-2)

A petition carrier is required to sign an affidavit at the bottom of each page of the petition prior to filing with the county voter registration office.

The county voter registration office in each county where a petitioner is registered must certify whether each petitioner is a registered voter in that county. This certification must accompany and be a part of the petition. If a county is a part of more than one congressional district, the certificate must indicate the number of petitioners from that county who reside in each congressional district. (IC 3-8-2-9)

The petition of nomination form (CAN-8) is available from the Election Division's office, on the Division's website, and is included in this *Guide* under the *Candidate Forms* tab.

Candidates or political party members may wish to contact county voter registration offices to coordinate the processing of
nominating petitions. Some county offices prefer to process all petitions for a candidate at the same time, while others are willing to process partial submissions.

Sometimes a county voter registration office rejects a signature on a nominating petition because the individual who signed the petition is not a registered voter in the county. Although a minor variation between the name or address of a petition signer and the name or address on the county voter registration records does not invalidate the signature, a substantial variation renders the signature invalid. Reasonable doubts must be resolved in favor of the signer of the petition. (IC 3-5-6)

3. Filing Requirements and Deadlines
A candidate may submit a petition of nomination for certification to the county voter registration office no earlier than Wednesday, January 8, 2020, and no later than 12:00 noon, local prevailing time, on Tuesday, January 28, 2020. (IC 3-8-3-4)

The presidential primary candidate may request that the county voter registration office return the original petitions to the candidate so that the candidate may file the certified petitions (along with the CAN-7 form) with the Election Division to be placed on the primary election ballot. (IC 3-8-3-4)

The declaration of candidacy and certified petitions must be filed with the Election Division no earlier than Wednesday, January 8, 2020, and no later than 12:00 (noon), Indianapolis time, on Friday, February 7, 2020. (IC 3-8-3-1; IC 3-8-3-5) A declaration of candidacy or certified petition presented after February 7, 2020, at 12:00 p.m. will not be accepted for filing.

4. Candidate Withdrawal Requirements

Primary Election Candidate Withdrawal
A candidate for President of the United States who filed with the Election Division a declaration of candidacy for the primary election may file written notice of candidate withdrawal with the Election Division certifying that the individual no longer wishes to be a candidate. A candidate must file this notice with the Election Division no later than 12:00 noon, Indianapolis time, Thursday, February 20, 2020. (IC 3-8-3-7.5) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the primary election. (IC 3-8-2-21) Notice of candidate withdrawal presented after February 20, 2020 at 12:00 noon will not be accepted for filing.

The primary election candidate withdrawal form (CAN-10) is available from the Election Division’s office, the Division’s website, and is included in this Guide under the Candidate Forms tab.

NOTE: Individuals are selected to serve as national convention delegates at the state conventions of the Democratic and Republican parties. Candidates for presidential electors and alternate electors are nominated at the Democratic and Republican state conventions or in another manner provided by state political party rules. (IC 3-8-4-2) The names of candidates for national convention delegate or presidential elector or alternate elector do not appear on the ballot.

General Election Candidate Withdrawal or Other Vacancy
If the nominee of the Democratic Party or the Republican Party for President of the United States or Vice-President of the United States ceases to be a candidate before the nominee’s ticket is officially certified, then that fact and the name and state of residence of the nominee’s successor must be certified to the Election Division in the same manner as the original nominee. The name of the successor nominee shall be printed on all ballots. If the nominee ceases to be a candidate after the nominee’s ticket has been officially certified, then that fact and the name and state of residence of the nominee’s successor, shall be certified to the Election Division in the same manner as the original nominee. However, the ballots must reflect the original nominee’s name. Any vote cast in the election for the original nominee is considered a vote cast for the successor. (IC 3-10-4-6)

NOTE: Individuals are selected to serve as national convention delegates at the state conventions of the Democratic and Republican parties. Candidates for presidential electors and alternate electors are nominated at the Democratic and Republican state conventions or in another manner provided by state political party rules. (IC 3-8-4-2) The names of candidates for national convention delegate or presidential elector do not appear on the ballot.
C. Libertarian Party Candidates

1. Filing Requirements
Libertarian Party presidential candidates are not placed on the primary election ballot for a presidential preference vote.

The Libertarian Party will nominate candidates for the office of United States President and Vice President at the Party’s national convention. Candidates for this office should contact the Libertarian Party’s state committee for information concerning any candidate filing requirements.

Libertarian Party candidates for the office of United States President and Vice President are not required to file declarations of candidacy with the Election Division. Instead, the Libertarian Party state chair and secretary will certify the Party’s nominees to the Election Division.

NOTE: Individuals are selected to serve as national convention delegates at the state convention of the Libertarian Party. Candidates for presidential electors must be nominated at the Libertarian state convention or in another manner provided by state political party rules. (IC 3-8-4-2) The names of candidates for national convention delegate or presidential elector do not appear on the ballot.

2. General Election Candidate Withdrawal or Other Vacancy

If the nominee of the Libertarian Party for President of the United States or Vice-President of the United States ceases to be a candidate before the nominee’s ticket is officially certified, then that fact and the name and state of residence of the nominee’s successor must be certified to the election division in the same manner as the original nominee. The name of the successor nominee shall be printed on all ballots. If the nominee ceases to be a candidate after the nominee’s ticket has been officially certified, then that fact and the name and state of residence of the nominee’s successor, shall be certified to the Election Division in the same manner as the original nominee. However, the ballots must reflect the original nominee’s name. Any vote cast in the election for the original nominee is considered a vote cast for the successor. (IC 3-10-4-6)

D. Minor Party and Independent Candidates

1. Filing Requirements
This section addresses the filing and petition requirements for a person who does not intend to affiliate with the Democratic, Libertarian or Republican Party, and who does not intend to be a write-in candidate.

A person who wishes to become an independent candidate or a candidate of a minor party not qualified to nominate candidates in a primary election or by political party convention, and who wishes be a candidate for the office of United States President or Vice President at the general election, must file a written consent to become a candidate (CAN-20) and a petition of nomination (CAN-19) with the Election Division. (IC 3-8-6-12; IC 3-8-6-14(a))

Each candidate nominated by petition of nomination must satisfy all statutory eligibility requirements for the office for which the candidate is nominated. (IC 3-8-6-14(b))

The written consent form (CAN-20) and petition of nomination form (CAN-19) are available from the Election Division’s office, on the Division’s website, and are included in this Guide under the Candidate Forms tab.

To be placed on the general election ballot, an independent or minor party candidate must obtain signatures of registered voters in the election district the candidate seeks to represent. A petition of nomination must be signed by the number of registered voters equal to 2% of the total votes cast for secretary of state in the 2018 general election in the election district the candidate seeks to represent. Any fraction in excess of a whole number is disregarded in computing this figure. (IC 3-8-6-3) Signatures on any petition of nomination must be those of registered voters of the state who reside in the district the candidate seeks to represent. (IC 3-8-6-2)
EXAMPLE: A candidate for the office of President of the United States must obtain signatures of registered voters equal to 2% of the total votes cast for secretary of state in the 2018 general election for the entire state or 44,935.

A chart listing the 2% ballot access requirement for each county is included under the 2018 Vote for Secretary of State tab of this Guide.

While it may be possible for candidates of the same minor political party seeking an office that serves the entire state or a congressional or legislative district, or the same political subdivision to be nominated on the same petition, only one independent candidate for an office may be nominated by the same petition of nomination. EXCEPTION: Candidates for President and Vice President of the United States are elected as a ticket. An independent candidate for President may include their running mate for Vice President on the same petition of nomination. (IC 3-8-6-4)

For a petition of nomination to be considered valid, the county voter registration office in the county where the individual signing the petition is registered must certify whether each person who signs the petition is a registered voter at the residence listed in the petition at the time the county processes the petition and in the election district the candidate seeks to represent. This certification must accompany and be a part of the petition of nomination. (This certification is on the reverse side of the CAN-19 form.) (IC 3-8-6-8; IC 3-8-6-10; IC 3-8-6-11)

A petition carrier is required to complete the required information and sign an affidavit at the bottom of each page of the petition prior to filing with the county voter registration office.

The first day a candidate for the office of United States President and Vice President may submit the petition of nomination, accompanied by the written consent form (CAN-20) to the county voter registration office for certification is Wednesday, January 8, 2020, and the DEADLINE for filing is 12:00 noon, prevailing local time, Tuesday, June 30, 2020. (IC 3-8-6-10; IC 3-8-6-12)

For candidates for the office of United States President or Vice President, once the county voter registration office certifies the petitions of nomination, these certified petitions along with the candidate’s consent (CAN-20) must be filed with the Election Division. The DEADLINE for filing the petition of nomination (CAN-19), accompanied by the written consent form (CAN-20) with the Election Division is 12:00 noon, Indianapolis time, Wednesday, July 15, 2020. (IC 3-8-6-10; IC 3-8-6-12)

The county voter registration office must file the certified petitions of nomination with the Election Division. However, the candidate may request that the county voter registration office return the original petitions to the candidate so that the candidate may file the certified petitions (along with the CAN-20 with the Election Division to be placed on the general election ballot. (IC 3-8-6-10)

2. Nominating Petition Requirements
Candidates or political party members may wish to contact county voter registration offices to coordinate the processing of nominating petitions. Some county offices prefer to process all petitions for a candidate at the same time, while others are willing to process partial submissions.

Sometimes a county voter registration office rejects a signature on a nominating petition because the individual who signed the petition is not a registered voter in the county, or has changed the individual’s address without notifying the county voter registration office. (IC 3-8-6-8) A person’s residence address on the petition must conform to the residence address on the person’s voter registration record at the time the petition is processed. (IC 3-8-6-6) Although a minor variation between the name or address of a petition signer and the name or address on the county voter registration records does not invalidate the signature, a substantial variation renders the signature invalid. Reasonable doubts must be resolved in favor of the signer of the petition. (IC 3-5-6)

3. Political Party Names
A candidate may not submit a petition of nomination requesting ballot placement for a political party whose name would result in voter confusion due to its similarity with another party’s name. If the candidate declines to amend the petition to remove this confusion, the petition may be challenged, and shall be denied by the Indiana election commission, if the
commission finds that the name is confusing. (IC 3-8-6-5.5)

4. General Election Candidate Withdrawal or Other Vacancy
If the nominee of a minor political party for President of the United States or Vice-President of the United States ceases to be a candidate before the nominee’s ticket is officially certified, then that fact and the name and state of residence of the nominee’s successor must be certified to the Election Division in the same manner as the original nominee. The name of the successor nominee shall be printed on all ballots. If the nominee ceases to be a candidate after the nominee’s ticket has been officially certified, then that fact and the name and state of residence of the nominee’s successor, shall be certified to the election division in the same manner as the original nominee. However, the ballots must reflect the original nominee’s name. Any vote cast in the election for the original nominee is considered a vote cast for the successor. (IC 3-10-4-6; IC 3-8-6-17)

If a petition of nomination is submitted for an independent candidate for President of the United States and Vice-President of the United States, and that candidate ceases to be a candidate, another candidate may not be substituted on the petition of nomination. (IC 3-8-6-17(e))

E. Write-in Candidates

1. Filing Requirements
Indiana law provides that only votes for declared write-in candidates are counted. (IC 3-12-1-1.7(a))

A person who desires to be a write-in candidate for the office of United States President or Vice President in the general election on Tuesday, November 3, 2020 must file a declaration of intent to be a write-in candidate (CAN-3) with the Election Division. (IC 3-8-2-2.5)

The CAN-3 form is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

The first day a write-in candidate may file the CAN-3 form with the Election Division is Wednesday, January 8, 2020, and the DEADLINE for filing is 12:00 noon, Indianapolis time, Monday, July 6, 2020. (IC 3-8-2-2.5; IC 3-8-2-4; IC 3-8-2-5; IC 3-11-2-11.5)

2. Candidate Withdrawal Requirements
The DEADLINE for a person who files a declaration of intent to be a write-in candidate for the office of United States President or Vice President to file a written notice of candidate withdrawal with the Election Division is 12:00 noon, Indianapolis time, on Wednesday, July 15, 2020. (IC 3-8-7-28) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 15, 2020 at 12:00 noon will not be accepted for filing.

The general election candidate withdrawal form (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

3. Political Party Affiliation
If a write-in candidate for President of the United States or Vice-President of the United States claims affiliation with a political party: (1) that already has ballot access, (2) of a candidate who has previously filed a petition of nomination under IC 3-8-6, or (3) whose name would result in voter confusion due to its similarity with the name of the political party in (1) or (2), then a registered voter of the election district may question the validity of the filing under IC 3-8-1-2. The Indiana Election Commission shall determine the validity of the questioned filing. If the Commission determines that the candidate’s stated party affiliation would result in voter confusion due to its similarity with another party’s name, and the candidate declines to amend the declaration to remove this confusion, then the Commission shall deny the filing. (IC 3-8-2-12.5)
United States Representative

A. Qualifications

Article 1, Section 2, Clause 2 of the United States Constitution provides that:

NOTE: There is no requirement that a candidate for United States Representative must reside within the district the candidate seeks to represent or be an inhabitant of Indiana until the date of the November 2020 general election.

B. Democratic and Republican Party Candidates Nominated at the Primary Election

1. Filing Requirements
A candidate may submit a declaration of candidacy in person or by mail, and it is considered filed as of the DAY AND TIME IT IS FILED in the office of the Indiana Election Division. “Filing” occurs when the Election Division records the date and time that the document was file stamped by the Division, not when the document is received in the mail or postmarked. 3. Candidate Withdrawal Requirements

C. Libertarian Party Candidates

1. Filing Requirements
Libertarian Party candidates are not nominated in a primary election, but are nominated by political party convention. (IC 3-8-4-10)

D. Minor Party and Independent Candidates

1. Filing Requirements
This section addresses the filing and petition requirements for a person who does not intend to affiliate with the Democratic, Libertarian or Republican Party, and who does not intend to be a write-in candidate.

A person who wishes to become an independent candidate or a candidate of a minor party not qualified to nominate candidates in a primary election or by political party convention, and who wishes be a candidate for the office of United States Representative at the general election, must file a written consent to become a candidate (CAN-20) and a petition of nomination (CAN-19) with the Election Division. (IC 3-8-6-12; IC 3-8-6-14(a))

Each candidate nominated by petition of nomination must satisfy all statutory eligibility requirements for the office for which the candidate is nominated. (IC 3-8-6-14(b))
The written consent (CAN-20) and petition of nomination (CAN-19) are available from the Election Division’s office, on the Division’s website and are included in this Guide under the Forms tab.

To be placed on the general election ballot, an independent or minor party candidate must obtain signatures of registered voters in the election district the candidate seeks to represent. A petition of nomination must be signed by the number of registered voters equal to 2% of the total votes cast for secretary of state in the 2018 general election in the election district the candidate seeks to represent. Any fraction in excess of a whole number is disregarded in computing this figure. (IC 3-8-6-3) Signatures on any petition of nomination must be those of registered voters of the state who reside in the district the candidate seeks to represent. (IC 3-8-6-2)

The Indiana Election Division should be contacted to determine the minimum threshold signature requirement for a Congressional District. A chart listing the 2% ballot access requirement for each county is included under the 2018 Vote for Secretary of State tab of this Guide, though not all counties are wholly contained in the same Congressional district, which will require careful review of precinct election results.

The Indiana Election Division will certify the minimum number of signatures required to run as a minor party or independent candidate for U.S. Representative to the Indiana Secretary of State, and the Secretary will determine whether or not enough valid signatures are certified for the candidate to be placed on the general election ballot.

While it may be possible for candidates of the same minor political party seeking an office that serves the entire state or a congressional or legislative district, or the same political subdivision to be nominated on the same petition, only one independent candidate for an office may be nominated by the same petition of nomination. (IC 3-8-6-4)

For a petition of nomination to be considered valid, the county voter registration office in the county where the individual signing the petition is registered must certify whether each person who signs the petition is a registered voter at the residence listed in the petition at the time the county processes the petition and in the election district the candidate seeks to represent. This certification must accompany and be a part of the petition of nomination. (This certification is on the reverse side of the CAN-19) (IC 3-8-6-10; IC 3-8-6-11)

A petition carrier is required to fully complete and affix their signature to the affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. If the petition carrier information is incomplete, then the county voter registration office may not process the signature page, but must give the best possible notice to the petition carrier who submitted the signature page to allow for the correction of information concerning the petition carrier. The petition carrier may correct the missing information up to the final date an hour for filing the petition with the county voter registration office. If the information is not completed by this deadline, then the signature page may not be processed. (IC 3-6-12)

The first day a candidate for the office of United States Representative may submit the petition of nomination, accompanied by the written consent form (CAN-20) to the county voter registration office for certification is Wednesday, January 8, 2020, and the DEADLINE for filing the petition for review by county voter registration officials is 12:00 noon, prevailing local time, Tuesday, June 30, 2020. (IC 3-8-6-12, 3-5-4-1.5)

For candidates for the office of United States Representative, once the county voter registration office certifies the petitions of nomination, these certified petitions along with the candidate’s consent (CAN-20) must be filed with the Election Division. The DEADLINE for filing the petition of nomination (CAN-19), accompanied by the written consent form (CAN-20) with the Election Division is 12:00 noon, Indianapolis time, Wednesday, July 15, 2020. (IC 3-8-6-10; IC 3-8-6-12, 3-5-4-1.5) The county voter registration office must file the certified petitions of nomination with the Election Division. However, the candidate for the office of United States Representative may request that the county voter registration office return the original petitions to the candidate so that the candidate may file the certified petitions (along with the CAN-20) with the Election Division to be placed on the general election ballot. (IC 3-8-6-10)
2. Nominating Petition Requirements
Candidates or political party members may wish to contact county voter registration offices to coordinate the processing of nominating petitions. Some county offices prefer to process all petitions for a candidate at the same time, while others are willing to process partial submissions.

Sometimes a county voter registration office rejects a signature on a nominating petition because the individual who signed the petition is not a registered voter of the election district of the office sought by the candidate or has changed the individual’s address without notifying the county voter registration office, or has changed the individual’s address without notifying the county voter registration office. (IC 3-8-6-8) A person’s residence address on the petition must conform to the residence address on the person’s voter registration record at the time the petition is processed. (IC 3-8-6-6) Although a minor variation between the name or address of a petition signer and the name or address on the county voter registration records does not invalidate the signature, a substantial variation renders the signature invalid. Reasonable doubts must be resolved in favor of the signer of the petition. (IC 3-5-6)

3. Political Party Names
A candidate may not submit a petition of nomination requesting ballot placement for a political party whose name would result in voter confusion due to its similarity with another party’s name. If the candidate declines to amend the petition to remove this confusion, the petition may be challenged, and shall be denied by the Indiana Election Commission, if the Commission finds the name is confusing. (IC 3-8-6-5.5) A candidate must indicate whether the candidate is affiliated with any other candidate or group of candidates filing a petition under the same political party name. (IC 3-8-6-5)

4. Candidate Withdrawal Requirements
The DEADLINE for a person nominated by petition for the office of United States Representative who wishes to withdraw from the general election ballot to file a written notice of candidate withdrawal with the Election Division is than 12:00 noon, Indianapolis time, on Wednesday, July 15, 2020. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 15, 2020, at 12:00 noon will not be accepted for filing.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

E. Write-in Candidates

1. Indiana law provides that only votes for declared write-in candidates are counted. (IC 3-12-1-1.7(a))

A person who desires to be a write-in candidate for the office of United States Representative in the general election on Tuesday, November 3, 2020, must file a declaration of intent to be a write-in candidate (CAN-3) with the Election Division. (IC 3-8-2-2.5)

The CAN-3 form is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Forms tab.

The first day a write-in candidate may file the CAN-3 form with the Election Division is Wednesday, January 8, 2020, and the DEADLINE for filing is 12:00 noon, Indianapolis time, Monday, July 6, 2020. (IC 3-8-2-2.5; IC 3-8-2-4; IC 3-8-2-5; IC 3-11-2-11.5)

2. Candidate Withdrawal Requirements
The DEADLINE for a person who files a declaration of intent to be a write-in candidate for the office of United States Representative to file a written notice of candidate withdrawal with the Election Division is 12:00 noon, Indianapolis time, on Wednesday, July 15, 2020. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 15, 2020,
at 12:00 noon will not be accepted for filing.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

3. Political Party Affiliation
A write-in candidate for statewide office may claim, on the candidate’s declaration, affiliation with a political party other than the Democratic Party, the Libertarian Party, or the Republican Party (the parties whose nominee for Secretary of State of Indiana received at least 2% of the total votes cast in the most recent election for the office of Secretary of State (November 2018)). (IC 3-8-2-2.5)

If a write-in candidate claims affiliation with a political party: (1) that already has ballot access, (2) of a candidate who has previously filed a petition of nomination under IC 3-8-6, or (3) whose name would result in voter confusion due to its similarity with the name of the political party in (1) or (2), then a registered voter of the election district may question the validity of the filing under IC 3-8-1-2. The Indiana Election Commission shall determine the validity of the questioned filing. If the Commission determines that the candidate’s stated party affiliation would result in voter confusion due to its similarity with another party’s name, and the candidate declines to amend the declaration to remove this confusion, then the Commission shall deny the filing. F. Minor Party and Independent Candidates

1. Filing Requirements

This section addresses the filing and petition requirements for a person who does not intend to affiliate with the Democratic, Libertarian or Republican Party, and who does not intend to be a write-in candidate.

A person who wishes to become an independent candidate or a candidate of a minor party not qualified to nominate candidates in a primary election or by political party convention, and who wishes to be a candidate for a statewide office at the general election, must file a written consent to become a candidate (CAN-20) and a petition of nomination (CAN-19) with the Election Division. The written consent (CAN-20) and petition of nomination (CAN-19) are available from the Election Division’s office, on the
To be placed on the general election ballot, an independent or minor party candidate must obtain signatures of registered voters in the election district the candidate seeks to represent. A petition of nomination must be signed by the number of registered voters equal to 2% of the total votes cast for secretary of state in the 2018 general election in the election district the candidate seeks to represent. Any fraction in excess of a whole number is disregarded in computing this figure. (IC 3-8-6-3) Signatures on any petition of nomination must be those of registered voters of the state who reside in the district the candidate seeks to represent. (IC 3-8-6-2)

EXAMPLE: A minor party or independent candidate for the office of Secretary of State must obtain signatures of registered voters equal to 2% of the total votes cast for secretary of state in the 2018 general election for the entire state or 44,935.

While it may be possible for candidates of the same minor political party seeking an office that serves the entire state or a congressional or legislative district, or the same political subdivision to be nominated on the same petition, only one independent candidate for an office may be nominated by the same petition of nomination. (IC 3-8-6-4) EXCEPTION: Candidates for Governor and Lt. Governor are elected as a ticket. An independent candidate for Governor must include their running mate for Lt. Governor on the same petition of nomination (IC 3-8-1-9.5; 3-8-6-4)

A petition carrier is required to fully complete and affix their signature to the affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. If the petition carrier information is incomplete, then the county voter registration office may not process the signature page, but must give the best possible notice to the petition carrier who submitted the signature page to allow for the correction. The petition carrier may correct the missing information concerning the petition carrier up to the final date an hour for filing the petition with the county voter registration office. If the information is not completed by this deadline, then the signature page may not be processed. (IC 3-6-12)

The county voter registration office in the county where the individual signing the petition is registered must certify whether each person who signs the petition is a registered voter in the county. This certification must accompany and be a part of the petition of nomination. (This certification is on the reverse side of the CAN 19) (IC 3-8-6-10; IC 3-8-6-11)

The first day a minor party or independent candidate for governor and lieutenant governor may submit the petition of nomination to the county voter registration office for certification is Wednesday, January 8, 2020, and the deadline for filing for filing the petition for certification at the county level is 12:00 noon, prevailing local time, Tuesday, June 30, 2020. (IC 3-8-6-10; IC 3-5-4-1.5)

Once the county voter registration office certifies the petitions of nomination, these certified petitions along with the candidate’s consent (CAN-20) and receipt of filing of the statement of economic interest (as required under IC 3-8-1-33), must be filed with the Election Division. The deadline for filing the petition of nomination (CAN-19), accompanied by the written consent form (CAN-20) with the Election Division is 12:00 noon, Indianapolis time, Wednesday, July 15, 2020. (IC 3-8-6-10; IC 3-8-6-12; IC 3-5-4-1.5) The county voter registration office must file the certified petitions of nomination with the Election Division. However, the candidate for a statewide office may request that the county voter registration office return the original petitions to the candidate so that the candidate may file the certified petitions (along with the CAN-20) with the Election Division to be placed on the general election ballot. (IC 3-8-6-10)

2. Nominating Petition Requirements
Candidates or political party members may wish to contact county voter registration offices to coordinate the processing of nominating petitions. Some county offices prefer to process all petitions for a candidate at the same time, while others are willing to process partial submissions.

Sometimes a county voter registration office rejects a signature on a nominating petition because the individual who signed the petition is not a registered voter in the county, or has changed the individual’s address without notifying the county voter registration office. (IC 3-8-6-8) A person’s residence address on the petition must conform to the residence address on the person’s voter registration record at the time the petition is processed. (IC 3-8-6-6). Although a minor variation between the name or address of a petition signer and the name or address on the county voter registration records does not invalidate
the signature, a substantial variation renders the signature invalid. Reasonable doubts must be resolved in favor of the signer of the petition. (IC 3-5-6)

3. Political Party Names
A candidate may not submit a petition of nomination requesting ballot placement for a political party whose name would result in voter confusion due to its similarity with another party’s name. If the candidate declines to amend the petition to remove this confusion, the petition may be challenged, and the Indiana Election Commission shall deny the petition if the Commission finds that the name is confusing. (IC 3-8-6-5.5)

4. Candidate Withdrawal Requirements
The DEADLINE for a person nominated by petition for a statewide office who wishes to withdraw from the general election ballot to file a written notice of candidate withdrawal with the Election Division is 12:00 noon, Indianapolis time, on Wednesday, July 15, 2020. (IC 3-8-7-28; IC 3-5-4-1.5) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 15, 2020, at 12:00 noon, Indianapolis time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

The declaration of intent to be a write-in candidate for governor must include the name of a candidate for lieutenant governor. (IC 3-8-1-9.5)

The general election candidate withdrawal form (CAN-24) is available from the Election Division’s office and on the Division’s website. A CAN-24 is included in this Guide under the Candidate Forms tab.

If a write-in candidate claims affiliation with a political party: (1) that already has ballot access, (2) of a candidate who has previously filed a petition of nomination under IC 3-8-6, or (3) whose name would result in voter confusion due to its similarity with the name of the political party in (1) or (2), then a registered voter of the election district may question the validity of the filing under IC 3-8-1-2. The Indiana Election Commission shall determine the validity of the questioned filing. If the Commission determines that the candidate’s stated party affiliation would result in voter confusion due to its similarity with another party’s name, and the candidate declines to amend the declaration to remove this confusion, then the Commission shall deny the filing. B. Statement of Economic Interest

Candidates for statewide offices are required to file a statement of economic interest. (IC 3-8-1-33) **Candidates for these offices must file a statement of economic interest:** (1) before a certificate of nomination is filed following the state convention of the Democratic, Libertarian, or Republican party; (2) before a petition of nomination is filed for an independent or minor party candidate; (3) before a declaration of intent to be a write-in candidate is filed; or (4) before being appointed to fill a candidate vacancy under IC 3-13-1 or IC 3-13-2.

A candidate for attorney general must file a statement of economic interest with the Office of the Inspector General. (IC 4-2-6-8)

A candidate will receive a Certificate of Filing from the Ethics Commission. If the candidate submits a statement online, the candidate will receive an email confirmation of filing. The candidate must supply a copy or photocopy of this certificate or email confirmation to the Election Division before the Division can accept a candidate’s filing. The candidate may also file a paper copy of the statement, file stamped by the Office of the Inspector General. (IC 3-8-2-11)

The statement of economic interest form is available from the Office of the Inspector General. The Ethics Commission’s contact information is listed under the General Information tab of this Guide.

**NOTE:** An email from the inspector general for candidates seeking nomination for statewide office at a Democratic, Libertarian, or Republican Party state convention or an email from the judicial qualifications commission for Libertarian Party candidates seeking nomination for judicial office at a state convention, is sufficient documentation that the required economic interest statement has been filed by the candidate. (IC 3-8-7-8)

C. Democratic and Republican Party Candidates

1. Filing Requirements

Candidates for the office of attorney general from the Democratic or Republican Party will be nominated at their respective state conventions. (IC 3-8-4-2) A person wishing to become a candidate for the nomination to this office from the Democratic or Republican parties should contact their respective party’s state headquarters concerning requirements for becoming a candidate.

Following a state convention, the chairman or the secretary of the state convention or the state chairman and state secretary of the political party holding the state convention shall file with the Secretary of State a certificate of nomination (CAN-23) and a receipt showing the timely filing of the statement of economic interests no later than **12:00 noon, Indianapolis time, Wednesday, July 15, 2020.**

2. Candidate Withdrawal Requirements

After the state convention, if a nominee for statewide office desires to withdraw from the ticket for the general election, the nominee must file a written notice of candidate withdrawal with the Election Division. The **DEADLINE** for filing this notice with the Election Division is **12:00 noon, Indianapolis time, Wednesday, July 15, 2020.** (IC 3-8-7-28) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the general election. **Notice to withdraw candidacy presented after July 15, 2020, at 12:00 noon, Indianapolis time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.**

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, the Division’s website, and is included in this Guide under the Candidate Forms tab.

D. Libertarian Party Candidates

1. Filing Requirements
The Libertarian Party will nominate candidates for the statewide offices at the Party’s state convention. (IC 3-8-4-10) A person wishing to become a candidate for the nomination to this office should contact the Libertarian Party’s state committee for information concerning any candidate filing requirements.

Following a state convention, the chairman or the secretary of the state convention or the state chairman and state secretary of the political party holding the state convention shall file with the Secretary of State a certificate of nomination (CAN-23) and receipt showing the timely filing of the statement of economic interests no later than 12:00 noon, Indianapolis time, July 15, 2020.

2. Candidate Withdrawal Requirements

The DEADLINE to file this notice with the Election Division is 12:00 noon, Indianapolis time, on Wednesday, July 15, 2020. (IC 3-8-7-28; IC 3-5-4-1.5) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 15, 2020, at 12:00 noon, Indianapolis time, will not be accepted for filing.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

E. Minor Party and Independent Candidates

1. Filing Requirements
This section addresses the filing and petition requirements for a person who does not intend to affiliate with the Democratic, Libertarian or Republican Party, and who does not intend to be a write-in candidate.

A person who wishes to become an independent candidate or a candidate of a minor party not qualified to nominate candidates in a primary election or by political party convention, and who wishes be a candidate for a statewide office at the general election, must file a written consent to become a candidate (CAN-20), a petition of nomination (CAN-19), and a receipt showing the timely filing of the statement of economic interests with the Election Division. (IC 3-8-6-12; IC 3-8-6-14(a))

Each candidate nominated by petition of nomination must satisfy all statutory eligibility requirements for the office for which the candidate is nominated, including the filing of a statement of economic interest. (IC 3-8-6-14(b))

The written consent (CAN-20) and petition of nomination (CAN-19) are available from the Election Division’s office, on the Division’s website, and are included in this Guide under the Candidate Forms tab.

To be placed on the general election ballot, an independent or minor party candidate must obtain signatures of registered voters in the election district the candidate seeks to represent. A petition of nomination must be signed by the number of registered voters equal to 2% of the total votes cast for secretary of state in the 2018 general election in the election district the candidate seeks to represent. Any fraction in excess of a whole number is disregarded in computing this figure. (IC 3-8-6-3) Signatures on any petition of nomination must be those of registered voters of the state who reside in the district the candidate seeks to represent. (IC 3-8-6-2)

EXAMPLE: A minor party or independent candidate for the office of Secretary of State must obtain signatures of
registered voters equal to 2% of the total votes cast for secretary of state in the 2018 general election for the entire state or 44,935.

While it may be possible for candidates of the same minor political party seeking an office that serves the entire state or a congressional or legislative district, or the same political subdivision to be nominated on the same petition, only one independent candidate for an office may be nominated by the same petition of nomination. (IC 3-8-6-4)

A petition carrier is required to fully complete and affix their signature to the affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. If the petition carrier information is incomplete, then the county voter registration office may not process the signature page, but must give the best possible notice to the petition carrier who submitted the signature page to allow for the correction. The petition carrier may correct the missing information concerning the petition carrier up to the final date an hour for filing the petition with the county voter registration office. If the information is not completed by this deadline, then the signature page may not be processed. (IC 3-6-12)

The county voter registration office in the county where the individual signing the petition is registered must certify whether each person who signs the petition is a registered voter in the county. This certification must accompany and be a part of the petition of nomination. (This certification is on the reverse side of the CAN-19) (IC 3-8-6-10; IC 3-8-6-11)

The first day a minor party or independent candidate for a statewide office may submit the petition of nomination to the county voter registration office for certification is Wednesday, January 8, 2020, and the DEADLINE for filing for filing the petition for certification at the county level is 12:00 noon, prevailing local time, Tuesday, June 30, 2020. (IC 3-8-6-10, 3-5-4-1.5)

For a candidate for a statewide office, once the county voter registration office certifies the petitions of nomination, these certified petitions along with the candidate’s consent (CAN-20) and receipt of filing of the statement of economic interest (as required under IC 3-8-1-33), must be filed with the Election Division. The DEADLINE for filing the petition of nomination (CAN-19), accompanied by the written consent form (CAN-20) and receipt showing the timely filing of the statement of economic interests with the Election Division is 12:00 noon, Indianapolis time Wednesday, July 15, 2020. (IC 3-8-6-10; IC 3-8-6-12; IC 3-5-4-1.5) The county voter registration office must file the certified petitions of nomination with the Election Division. However, the candidate for a statewide office may request that the county voter registration office return the original petitions to the candidate so that the candidate may file the certified petitions (along with the CAN-20) with the Election Division to be placed on the general election ballot. (IC 3-8-6-10)

2. Nominating Petition Requirements
Candidates or political party members may wish to contact county voter registration offices to coordinate the processing of nominating petitions. Some county offices prefer to process all petitions for a candidate at the same time, while others are willing to process partial submissions.

Sometimes a county voter registration office rejects a signature on a nominating petition because the individual who signed the petition is not a registered voter in the county or has changed the individual’s address without notifying the county voter registration office. (IC 3-8-6-8) A person’s residence address on the petition must conform to the residence address on the person’s voter registration record at the time the petition is processed. (IC 3-8-6-6) Although a minor variation between the name or address of a petition signer and the name or address on the county voter registration records does not invalidate the signature, a substantial variation renders the signature invalid. Reasonable doubts must be resolved in favor of the signer of the petition. (IC 3-5-6)

3. Political Party Names
A candidate may not submit a petition of nomination requesting ballot placement for a political party whose name would result in voter confusion due to its similarity with another party’s name. If the candidate declines to amend the petition to remove this confusion, the petition may be challenged, and the Indiana Election Commission shall deny the petition if the Commission finds that the name is confusing. (IC 3-8-6-5.5)

4. Candidate Withdrawal Requirements
The **DEADLINE** for a person nominated by petition for a statewide office who wishes to withdraw from the general election ballot to file a written notice of candidate withdrawal with the Election Division is than **12:00 noon, Indianapolis time, on Wednesday, July 15, 2020.** (IC 3-8-7-28; 3-5-4-1.5) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the general election. **Notice to withdraw candidacy presented after July 15, 2020, at 12:00 noon, Indianapolis time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.**

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

**F. Write-in Candidates**

1. **Filing Requirements**
   Indiana law provides that only votes for declared write-in candidates are counted. (IC 3-12-1-1.7(a))

A person who desires to be a write-in candidate for a statewide office in the general election on Tuesday, November 3, 2020, must file a declaration of intent to be a write-in candidate (CAN-3) with the Election Division. (IC 3-8-2-2.5)

The CAN-3 form is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

The **first day** a write-in candidate may file the CAN-3 form along with the receipt showing the timely filing of the statement of economic interests with the Election Division is **Wednesday, January 8, 2020,** and the **DEADLINE** for filing is **12:00 noon, Indianapolis time, Monday, July 6, 2020.** (IC 3-8-2-2.5; IC 3-8-2-4; IC 3-8-2-5; IC 3-11-2-11.5)

2. **Candidate Withdrawal Requirements**
   The **DEADLINE** for a person who files a declaration of intent to be a write-in candidate for a statewide office to file a written notice of candidate withdrawal with the Election Division is **12:00 noon, Indianapolis time, on Wednesday, July 15, 2020.** (IC 3-8-7-28; IC 3-5-4-1.5) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the general election. **Notice to withdraw candidacy presented after July 15, 2020, at 12:00 noon, Indianapolis time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.**

The general election candidate withdrawal form (CAN-24) is available from the Election Division’s office and on the Division’s website. A CAN-24 is included in this Guide under the Candidate Forms tab.

3. **Political Party Affiliation**
   A write-in candidate for statewide office may claim on the candidate’s declaration affiliation with a political party other than the Democratic Party, the Libertarian Party, or the Republican Party (the parties whose nominee for Secretary of State of Indiana received at least 2% of the total votes cast in the most recent election for the office of Secretary of State (November 2018)). (IC 3-8-2-2.5)

If a write-in candidate claims affiliation with a political party: (1) that already has ballot access, (2) of a candidate who has previously filed a petition of nomination under IC 3-8-6, or (3) whose name would result in voter confusion due to its similarity with the name of the political party in (1) or (2), then a registered voter of the election district may question the validity of the filing under IC 3-8-1-2. The Indiana Election Commission shall determine the validity of the questioned filing. If the Commission determines that the candidate’s stated party affiliation would result in voter confusion due to its similarity with another party’s name, and the candidate declines to amend the declaration to remove this confusion, then the Commission shall deny the filing. (IC 3-8-2-12.5)

The Libertarian Party will nominate candidates for state legislative offices at the Party’s state convention. Candidates for these offices should contact the Libertarian Party’s state committee for information concerning any candidate filing requirements.

Libertarian Party candidates for state legislative offices are not required to file declarations of candidacy with the Election Division. Instead, the Libertarian Party state chair and secretary shall certify the Party’s nominees to the Election Division no later than 12:00 noon, Indianapolis time, July 15, 2020. (IC 3-8-7-8, 3-5-4-1.5)

Following a state convention, the chairperson and secretary of the convention or the state chairperson and secretary of the Libertarian Party must file with the Election Division a certificate of nomination (CAN-23) and a receipt showing the timely filing of a statement of economic interests no later than 12:00 noon, Indianapolis time, July 15, 2020.

2. Candidate Withdrawal Requirements
If a nominee for a state legislative office wishes to withdraw from the Libertarian Party ticket for the general election, the nominee must file a written notice of candidate withdrawal with the Election Division. The DEADLINE to file this notice with the Election Division is 12:00 noon, Indianapolis time, on Wednesday, July 15, 2020. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the general election.

Notice to withdraw candidacy presented after July 15, 2020, at 12:00 noon, Indianapolis time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

E. Minor Party and Independent Candidates

1. Filing Requirements
This section addresses the filing and petition requirements for a person who does not intend to affiliate with the Democratic, Libertarian or Republican Party, and who does not intend to be a write-in candidate. A person who wishes to become an independent candidate or a candidate of a minor party not qualified to nominate candidates in a primary election or by political party convention, and who wishes be a candidate for a state legislative office at the general election, must file a written consent to become a candidate (CAN-20) and a petition of nomination (CAN-19) with the Election Division. (IC 3-8-6-12 and IC 3-8-6-14(a))

Each candidate nominated by petition of nomination must satisfy all statutory eligibility requirements for the office for which the candidate is nominated, including the filing of a statement of economic interest. (IC 3-8-6-14(b))

The written consent (CAN-20) and petition of nomination (CAN-19) are available from the Election Division’s office, on the Division’s website, and are included in this Guide under the Candidate Forms tab.

To be placed on the general election ballot, an independent or minor party candidate must obtain signatures of registered voters in the election district the candidate seeks to represent. A petition of nomination must be signed by the number of registered voters equal to 2% of the total votes cast for secretary of state in the 2018 general election in the election district the candidate seeks to represent. Any fraction in excess of a whole number is disregarded in computing this figure. (IC 3-8-6-3) Signatures on any petition of nomination must be those of registered voters of the state who reside in the district.
the candidate seeks to represent. (IC 3-8-6-2)

EXAMPLE: A minor party or independent candidate for the office of State Representative, District 2, must obtain signatures of registered voters equal to 2% of the total votes cast for secretary of state in the 2018 general election in the precincts that make up District 2.

The Indiana Election Division should be contacted to determine the minimum threshold signature requirement for a legislative office. A chart listing the 2% ballot access requirement for each county is included under the 2018 Vote for Secretary of State tab of this Guide, though not all counties are wholly contained in a state legislative district, which will require careful review of the county’s precinct election results.

The Indiana Election Division will certify the minimum number of signatures required to run as a minor party or independent candidate for a state legislative district to the Indiana Secretary of State, and the Secretary will determine whether or not enough valid signatures are certified for the candidate to be placed on the general election ballot.

While it may be possible for candidates of the same minor political party seeking an office that serves the entire state or a congressional or legislative district, or the same political subdivision to be nominated on the same petition, only one independent candidate for an office may be nominated by the same petition of nomination. (IC 3-8-6-4)

For a petition of nomination to be considered valid, the county voter registration office in the county where the individual signing the petition is registered must certify whether each person who signs the petition is a registered voter at the residence listed in the petition at the time the county processes the petition and in the election district the candidate seeks to represent. This certification must accompany and be a part of the petition of nomination. (This certification is on the reverse side of the CAN-19) (IC 3-8-6-10; IC 3-8-6-11)

A petition carrier is required to sign an affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. A petition carrier is required to fully complete and affix their signature to the affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. If the petition carrier information is incomplete, then the county voter registration office may not process the signature page, but must give the best possible notice to the petition carrier who submitted the signature page to allow for the correction. The petition carrier may correct the missing information concerning the petition carrier up to the final date an hour for filing the petition with the county voter registration office. If the information is not completed by this deadline, then the signature page may not be processed. (IC 3-6-12)

The first day a candidate for a state legislative office may submit the petition of nomination to the county voter registration office for certification is Wednesday, January 8, 2020, and the DEADLINE for filing a petition for review by county voter registration officials is 12:00 noon, prevailing local time, Tuesday, June 30, 2020. (IC 3-8-6-12; IC 3-5-4-1.5)

For candidates for state legislative offices, once the county voter registration office certifies the petitions of nomination, these certified petitions along with the candidate’s consent (CAN-20) and receipt or photocopy of a receipt of filing the statement of economic interest (as required under IC 3-8-1-33), must be filed with the Election Division.

The DEADLINE for filing the petition of nomination (CAN-19), accompanied by the written consent form (CAN-20) and a receipt showing the timely filing of the statement of economic interests, with the Election Division is 12:00 noon, Indianapolis time, Wednesday, July 15, 2020. (IC 3-8-6-10; IC 3-8-6-12; 3-5-4-1.5) The county voter registration office must file the certified petitions of nomination with the Election Division. However, the candidate for a state legislative office may request that the county voter registration office return the original petitions to the candidate so that the candidate may file the certified petitions (along with the CAN-20 and receipt showing the timely filing of the statement of economic interests) with the Election Division to be placed on the general election ballot. (IC 3-8-6-10)

2. Nominating Petition Requirements
Candidates or political party members may wish to contact county voter registration offices to coordinate the processing of nominating petitions. Some county offices prefer to process all petitions for a candidate at the same time, while others are willing to process partial submissions.

Sometimes a county voter registration office rejects a signature on a nominating petition because the individual who signed
the petition is not a registered voter of the election district of the office sought by the candidate, or has changed the individual’s address without notifying the county voter registration office. (IC 3-8-6-8) A person’s residence address on the petition must conform to the residence address on the person’s voter registration record at the time the petition is processed. (IC 3-8-6-6) Although a minor variation between the name or address of a petition signer and the name or address on the county voter registration records does not invalidate the signature, a substantial variation renders the signature invalid. Reasonable doubts must be resolved in favor of the signer of the petition. (IC 3-5-6)

3. Political Party Names
A candidate may not submit a petition of nomination requesting ballot placement for a political party whose name would result in voter confusion due to its similarity with another party’s name. If the candidate declines to amend the petition to remove this confusion, the petition may be challenged, and shall be denied by the Indiana Election Commission if the Commission finds that confusion would exist. (IC 3-8-6-5.5) A candidate must indicate whether the candidate is affiliated with any other candidate or group of candidates filing a petition under the same political party name. (IC 3-8-6-5)

4. Candidate Withdrawal Requirements
The DEADLINE for a person nominated by petition for a state legislative office who wishes to withdraw from the general election ballot to file a written notice of candidate withdrawal with the Election Division is than 12:00 noon, Indianapolis time, on Wednesday, July 15, 2020. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 15, 2020 at 12:00 noon, Indianapolis time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

F. Write-in Candidates

1. Filing Requirements
Indiana law provides that only votes for declared write-in candidates are counted. (IC 3-12-1-1.7(a))

A person who desires to be a write-in candidate for a state legislative office in the general election on Tuesday, November 3, 2020, must file a declaration of intent to be a write-in candidate (CAN-3) with the Election Division. (IC 3-8-2-2.5)

The CAN-3 is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

The first day a write-in candidate may file the CAN-3 form with the Election Division is Wednesday, January 8, 2020, and the DEADLINE for filing is 12:00 noon, Indianapolis time, Monday, July 6, 2020. (IC 3-8-2-2.5; IC 3-8-2-4; IC 3-8-2-5; IC 3-11-2-11.5)

2. Candidate Withdrawal Requirements
The DEADLINE for a person who files a declaration of intent to be a write-in candidate for a state legislative office to file a written notice of candidate withdrawal with the Election Division is 12:00 noon, Indianapolis time, on Wednesday, July 15, 2020. (IC 3-8-7-28; IC 3-5-4-1.5) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 15, 2020, at 12:00 noon will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The general election candidate withdrawal form (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

3. Political Party Affiliation
A write-in candidate for statewide office may claim, on the candidate’s declaration, affiliation with a political party other than the Democratic Party, the Libertarian Party, or the Republican Party (the parties whose nominee for Secretary of State of Indiana received at least 2% of the total votes cast in the most recent election for the office of Secretary of State (November 2018)). (IC 3-8-2-2.5)

If a write-in candidate claims affiliation with a political party:
  1) that already has ballot access,
  2) of a candidate who has previously filed a petition of nomination under IC 3-8-6, or
  3) whose name would result in voter confusion due to its similarity with the name of the political party in (1) or (2),
then a registered voter of the election district may question the validity of the filing under IC 3-8-1-2.

The Indiana Election Commission shall determine the validity of the questioned filing. If the Commission determines that the candidate’s stated party affiliation would result in voter confusion due to its similarity with another party’s name, and the candidate declines to amend the declaration to remove this confusion, then the Commission shall deny the filing. (IC 3-8-2-12.5)

Campaigning for Judicial Office

The Indiana Code of Judicial Conduct imposes ethical obligations upon candidates for judicial office (circuit court judge, superior court judge, probate court judge, small claims judge, city court judge, and town judge). The Indiana Commission on Judicial Qualifications, among other things, advises judicial candidates about their ethical obligations. The following is contact information for the Commission:

must file a statement of economic interest with the State Court Administration. (IC 33-23-11-14 & 15)

The statement of economic interest form is available from the Indiana Commission on Judicial Qualifications and information on how to file the statement can be found online.(http://www.in.gov/judiciary/jud-qual/2357.htm)

The Election Division will require a receipt, photocopy of a receipt or a copy of the statement file stamped by the Indiana Commission on Judicial Qualifications verifying that the statement of economic interest and other prerequisite filings have been completed. (IC 3-8-2-11) A file stamped copy of this filing with the Indiana Commission on Judicial Qualifications (or a photocopy of that file-stamped document) serves as a receipt.

Candidates for Superior Court Judge in Allen, Lake, Marion, St. Joseph, and Vanderburgh County as well as the Vanderburgh County Circuit Court Judge use different procedures for placement on the general election ballot. See “NON-PARTISAN ELECTIONS FOR CERTAIN COUNTY JUDICIALOffICES AND OTHER SPECIAL PROCEDURES” section below for these procedures.
C. Democratic and Republican Party Candidates Nominated at the Primary Election

1. Filing Requirements
A candidate may submit a declaration of candidacy in person or by mail and is considered filed as of the DAY AND TIME IT IS FILED in the office of the Indiana Election Division. “Filing” occurs when the Election Division records the date and time that the document was file stamped by the Division, not when the document is received in the mail or postmarked. (IC 3-5-2-24.5) A declaration may not be submitted by facsimile transmission or electronic mail. (IC 3-5-4-1.7; IC 3-8-2-11)

A candidate for the nomination to a judicial office by the Democratic or Republican Party must file a declaration of candidacy with the Election Division. (IC 3-8-2-5) (Petitions signed by registered voters are NOT required of Democratic or Republican Party candidates for these offices.)

The first day to submit a declaration of candidacy (CAN-2) and a receipt showing the timely filing of the statement of economic interests to the Election Division is Wednesday, January 8, 2020, and the DEADLINE to file is 12:00 noon, Indianapolis time, Friday, February 7, 2020. (IC 3-8-2-4; IC 3-8-2-5) A declaration of candidacy (CAN-2) presented after February 7, 2020, at 12:00 noon, Indianapolis time, will not be accepted for filing.

The declaration of candidacy form (CAN-2) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

For judicial candidates in Monroe County, it is necessary to identify on the space following the word “district” on the declaration of candidacy (CAN-2), which seat on the Monroe County Circuit Court the person is running. To aid in this process, the Monroe County Circuit Court Clerk must file with the Election Division a list containing the name, and seat designation of each judge on the court no later than December 31, 2019. (IC 33-33-53-2.5) The court number designation must be included on the candidate’s declaration of candidacy to be a valid filing.

2. Political Party Affiliation
Indiana Code 3-8-2-7 sets forth the standard for determining the political party affiliation of a candidate who files a declaration of candidacy for a primary election. The political party affiliation of the candidate is deemed to be:

(1) the political party in whose primary in Indiana the candidate most recently voted; or
(2) the political party of the county chair of the county in which the candidate resides who certifies that the candidate is a member of that political party.

1. Filing Requirements
Libertarian Party candidates are not nominated in a primary election, but are nominated by political party convention. (IC 3-8-4-10) The Libertarian Party will nominate candidates for judicial offices and for prosecuting attorney at the Party’s state convention. Candidates for these offices should contact the Libertarian Party’s state committee for information concerning any candidate filing requirements.

Libertarian Party candidates for judicial offices or prosecuting attorney are not required to file declarations of candidacy with the Election Division. Instead, the Libertarian Party state chair and secretary shall certify the Party’s nominees to the Election Division no later than 12:00 noon, Indianapolis time, July 15, 2020. (IC 3-8-7-8; IC 3-5-4-1.5)

Following a state convention, the chairperson and secretary of the convention or the state chairperson and secretary of the Libertarian Party must file a certificate of nomination (CAN-23) and a receipt showing the timely filing of the statement of economic interests with the Election Division no later than 12:00 noon, Indianapolis time, July 15, 2020.

For judicial candidates in Monroe County, it is necessary to note on the candidate filing which seat on the Monroe County Circuit Court the person is running. To aid in this process, the Monroe County Circuit Court Clerk must file with the Election Division a list containing the name, and seat designation of each judge on the court no later than December 31, 2019. (33-33-53-2.5) The court number designation must be included on the candidate’s declaration of candidacy to be a valid filing.

This Libertarian party candidate section applies to candidates for St. Joseph Circuit Court and Probate Court Judge. Candidates for Superior Court Judge in Allen, Lake, Marion, St. Joseph, and Vanderburgh County as well as the Vanderburgh County Circuit Court Judge use different procedures for placement on the general election ballot. If a nominee for a judicial office wishes to withdraw from the Libertarian Party ticket for the general election, the nominee must file a written notice of candidate withdrawal with the Election Division. The DEADLINE to file this notice with the Election Division is 12:00 noon, Indianapolis time, on Wednesday July 15, 2020. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 15, 2020, at 12:00 noon, Indianapolis time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent. The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.
E. Minor Party and Independent Candidates

1. Filing Requirements
This section addresses the filing and petition requirements for a person who does not intend to affiliate with the Democratic, Libertarian or Republican Party, and who does not intend to be a write-in candidate.

A person who wishes to become an independent candidate or a candidate of a minor party not qualified to nominate candidates in a primary election or by political party convention, and who wishes to be a candidate for a judicial office or for prosecuting attorney at the general election, must file a written consent to become a candidate (CAN-20) and a certified petition of nomination (CAN-19) with the Election Division. (IC 3-8-6-12; IC 3-8-6-14(a))

Each candidate nominated by petition of nomination must satisfy all statutory eligibility requirements for the office for which the candidate is nominated, including the filing of a statement of economic interest with the Indiana Commission on Judicial Qualifications. (IC 3-8-6-14(b))

The written consent (CAN-20) and petition of nomination (CAN-19) are available from the Election Division’s office, on the Division’s website, and are included in this Guide under the Candidate Forms tab.

To be placed on the general election ballot, an independent or minor party candidate must obtain signatures of registered voters in the election district the candidate seeks to represent. A petition of nomination must be signed by the number of registered voters equal to 2% of the total votes cast for secretary of state in the 2018 general election in the election district the candidate seeks to represent. Any fraction in excess of a whole number is disregarded in computing this figure. (IC 3-8-6-3) Signatures on any petition of nomination must be those of registered voters of the state who reside in the district the candidate seeks to represent. (IC 3-8-6-2)

EXAMPLE: A candidate for the office of superior court judge must obtain signatures of registered voters equal to 2% of the total votes cast for secretary of state in the 2018 general election in the county.

The Indiana Election Division should be contacted to determine the minimum threshold signature requirement. A chart listing the 2% ballot access requirement for each county is included under the 2018 Vote for Secretary of State tab of this Guide.

The Indiana Election Division will certify the minimum number of signatures required to run as a minor party or independent candidate for judicial office to the Indiana Secretary of State, and the Secretary will determine whether or not enough valid signatures are certified for the candidate to be placed on the general election ballot.

While it may be possible for candidates of the same minor political party seeking an office that serves the entire state or a congressional or legislative district, or the same political subdivision to be nominated on the same petition, only one independent candidate for an office may be nominated by the same petition of nomination. (IC 3-8-6-4)

For a petition of nomination to be considered valid, the county voter registration office in the county where the individual signing the petition is registered must certify whether each person who signs the petition is a registered voter at the residence listed in the petition at the time the county processes the petition and in the election district the candidate seeks to represent. This certification must accompany and be a part of the petition of nomination. (This certification is on the reverse side of the CAN-19) (IC 3-8-6-10; IC 3-8-6-11)

A petition carrier is required to sign an affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. A petition carrier is required to fully complete and affix their signature to the affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. If the petition carrier information is incomplete, then the county voter registration office may not process the signature page, but must give the best possible notice to the petition carrier who submitted the signature page to allow for the correction. The petition carrier may correct the missing information concerning the petition carrier up to the final date an hour for filing the petition with the county voter registration office. If the information is not completed by this deadline, then the signature page may not be processed. (IC 3-6-12)
The **first day** a candidate for a judicial office may submit the petition of nomination (CAN-19) to the county voter registration office for certification is **Wednesday, January 8, 2020**, and the **DEADLINE** for filing a petition for certification by county voter registration officials is **12:00 noon, prevailing local time, Tuesday, June 30, 2020.** (IC 3-8-6-12; IC 3-5-4-1.5)

For candidates for judicial offices, once the county voter registration office certifies the CAN-19 petitions of nomination, these certified petitions along with the candidate’s consent (CAN-20) and receipt of filing of the statement of economic interest (as required under IC 3-8-1-33), must be filed with the Election Division. The **DEADLINE** for filing the certified petition of nomination (CAN-219), accompanied by the written consent (CAN-20) and receipt showing the timely filing of the statement of economic interests with the Election Division is **12:00 noon, Indianapolis time, Wednesday, July 15, 2020.** (IC 3-8-6-10; IC 3-8-6-12; IC 3-5-4-1.5) The county voter registration office must file the certified petitions of nomination with the Election Division. However, the candidate for a judicial office may request that the county voter registration office return the original petitions to the candidate so that the candidate may file the certified petitions (along with the CAN-20) with the Election Division to be placed on the general election ballot. (IC 3-8-6-10)

For judicial candidates in Monroe County, it is necessary to note on the candidate filing which seat on the Monroe County Circuit Court the person is running. To aid in this process, the Monroe County Circuit Court Clerk must file with the Election Division a list containing the name, and seat designation of each judge on the court no later than December 31, 2019. (33-33-53-2.5) The court number designation must be included on the candidate’s declaration of candidacy in order to be a valid filing.

This minor party and independent candidate section applies to candidates for St. Joseph Circuit Court and Probate Court Judge. Candidates for Superior Court Judge in Allen, Lake, Marion, St. Joseph, and Vanderburgh County as well as the Vanderburgh County Circuit Court Judge use different procedures for placement on the general election ballot. See “**NON-PARTISAN ELECTIONS FOR CERTAIN COUNTY JUDICIAL OFFICES AND OTHER SPECIAL PROCEDURES**" section below for these procedures.

2. **Nominating Petition Requirements**

Candidates or political party members may wish to contact county voter registration offices to coordinate the processing of nominating petitions. Some county offices prefer to process all petitions for a candidate at the same time, while others are willing to process partial submissions.

Sometimes a county voter registration office rejects a signature on a nominating petition because the individual who signed the petition is not a registered voter of the election district of the office sought by the candidate, or has changed the individual’s address without notifying the county voter registration office. (IC 3-8-6-8) A person’s residence address on the petition must conform to the residence address on the person’s voter registration record at the time the petition is processed. (IC 3-8-6-6) Although a minor variation between the name or address of a petition signer and the name or address on the county voter registration records does not invalidate the signature, a substantial variation renders the signature invalid. Reasonable doubts must be resolved in favor of the signer of the petition. (IC 3-5-6)

3. **Political Party Names**

A candidate may not submit a petition of nomination requesting ballot placement for a political party whose name would result in voter confusion due to its similarity with another party’s name. If the candidate declines to amend the petition to remove this confusion, the petition may be challenged, and shall be denied if the Indiana Election Commission finds that confusion would exist. (IC 3-8-6-5.5) A candidate must indicate whether the candidate is affiliated with any other candidate or group of candidates filing a petition under the same political party name. (IC 3-8-6-5)

4. **Candidate Withdrawal Requirements**

The **DEADLINE** for a person nominated by petition for a judicial office or the office of prosecuting attorney who wishes to withdraw from the general election ballot to file a written notice of candidate withdrawal with the Election Division is **12:00 noon, Indianapolis time, on Wednesday, July 15, 2020.** (IC 3-8-7-28; IC 3-5-4-1.5) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the general election.
Notice to withdraw candidacy presented after July 15, 2020, at 12:00 noon will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

F. Write-in Candidates

1. Filing Requirements
Indiana law provides that only votes for declared write-in candidates are counted. (IC 3-12-1-1.7(a))

A person who desires to be a write-in candidate for a judicial office in the general election on Tuesday, November 3, 2020, must file a declaration of intent to be a write-in candidate (CAN-3) with the Election Division. (IC 3-8-2-2.5)

The CAN-3 is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

The first day a write-in candidate may file the CAN-3 with the Election Division is Wednesday, January 8, 2020, and the DEADLINE for filing is 12:00 noon, Indianapolis time, Monday, July 6, 2020. (IC 3-8-2-2.5; IC 3-8-2-4; IC 3-8-2-5; IC 3-11-2-11.5)

For judicial candidates in Monroe County, it is necessary to note on the candidate filing which seat on the Monroe County Circuit Court the person is running. To aid in this process, the Monroe County Circuit Court Clerk must file with the Election Division a list containing the name, and seat designation of each judge on the court no later than December 31, 2019. (IC 33-33-53-2.5) The court number designation must be included on the candidate’s declaration of candidacy in order to be a valid filing.

Write-in candidates are permitted to seek election for Superior Court Judge in Allen and Vanderburgh counties as well as the Vanderburgh County Circuit Court Judge. This write-in candidate section also applies to candidates for St. Joseph Circuit Court and Probate Court Judge. Write-in candidates are not permitted for Marion, Lake, and St. Joseph Superior Court judges as those judges stand for retention rather than election. See “NON-PARTISAN ELECTIONS FOR CERTAIN COUNTY JUDICIAL OFFICES AND OTHER SPECIAL PROCEDURES” section below for these procedures.

2. Candidate Withdrawal Requirements
The DEADLINE for a person who files a declaration of intent to be a write-in candidate for a judicial office or for prosecuting attorney to file a written notice of candidate withdrawal with the Election Division is 12:00 noon, Indianapolis time, on Wednesday, July 15, 2020. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the Election Division will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 15, 2020, at 12:00 noon will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and is included in this Guide under the Candidate Forms tab.

3. Political Party Affiliation
A write-in candidate for judicial office or for prosecuting attorney may claim, on the candidate’s declaration, affiliation with a political party other than the Democratic Party, the Libertarian Party, or the Republican Party (the parties whose nominee for Secretary of State of Indiana received at least 2% of the total votes cast in the most recent election for the office of Secretary of State (November 2018)). (IC 3-8-2-2.5)

If a write-in candidate claims affiliation with a political party: (1) that already has ballot access, (2) of a candidate who has previously filed a petition of nomination under IC 3-8-6, or (3) whose name would result in voter confusion due to its similarity with the name of the political party in (1) or (2), then a registered voter of the election district may question the validity of
the filing under IC 3-8-1-2. The Indiana Election Commission shall determine the validity of the questioned filing. If the Commission determines that the candidate’s stated party affiliation would result in voter confusion due to its similarity with another party’s name, and the candidate declines to amend the declaration to remove this confusion, then the Commission shall deny the filing. (IC 3-8-2-12.5)

COUNTY OFFICES

Clerk of the Circuit Court
County Auditor
County Recorder
County Treasurer
County Coroner
County Surveyor
County Assessor
County Commissioner
County Council Member

NOTE: Some (but not all) county offices will be elected in 2020. The election schedule for these offices varies from county to county according to when a county was originally organized by the state. All County Sheriffs will be elected in 2022.

A. Qualifications
Indiana law does not permit an elected officeholder to be a government employee of the same unit of government. (IC 3-5-9) While this does not prevent such an individual from running for office, the individual effectively resigns from their government position by assuming office, if elected to serve. (IC 3-5-9-5)

For example, John works for the county highway department, but wants to run for county council. If John is elected to serve on the council and takes the oath of office, then he has automatically resigned from the county highway department. On the other hand, if John worked for the city street department and ran for county council, he could remain employed at the city while serving on the county council. City and county government would not be considered the same unit of government in this example.

Volunteer firefighters may be eligible to hold elected office of the same unit government if certain criteria are met. See IC 3-5-9-4 for details. The term “government employee” does not include an individual who holds only an elected office. (IC 3-5-9-2)

B. Democratic and Republican Party Candidates Nominated at the Primary Election

1. Filing Requirements

Candidates for the office of circuit court clerk and county offices from the Democratic or Republican Party will be nominated at the primary election to be held on Tuesday, June 2, 2020.

A candidate for the nomination for the office of circuit court clerk or a county office by the Democratic or Republican Party must file a declaration of candidacy with the county election board. (IC 3-8-2-6) (Petitions signed by registered voters are NOT required of Democratic or Republican Party candidates for the office of circuit court clerk and county offices.)

The first day to submit a declaration of candidacy (CAN-2) and statement of economic interests (CAN-12) to the county election board is Wednesday, January 8, 2020, and the DEADLINE to file is 12:00 noon, prevailing local time, Friday, February 7, 2020. (IC 3-8-2-4; IC 3-8-2-5) A declaration of candidacy presented after February 7, 2020, at 12:00 noon, prevailing local time, will not be accepted for filing.

The declaration of candidacy (CAN-2) and statement of economic interest (CAN-12) are available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-2 and CAN-12 are included in this Guide under
2. Political Party Affiliation
Indiana Code 3-8-2-7 sets forth the standard for determining the political party affiliation of a candidate who files a declaration of candidacy for a primary election. The political party affiliation of the candidate is deemed to be:
1) the political party in whose primary in Indiana the candidate most recently voted; or
2) the political party of the county chair of the county in which the candidate resides who certifies that the candidate is a member of that political party.

3. Candidate Withdrawal Requirements

Primary Election Candidate Withdrawal
A candidate for the office of circuit court clerk or a county office who filed with the county election board a declaration of candidacy for the primary election, may file written notice of candidate withdrawal with the county election board certifying that the individual no longer wishes to be a candidate. The DEADLINE to file this notice with the county election board is 12:00 noon, prevailing local time, Monday, February 10, 2020. (IC 3-8-2-20) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the primary election. (IC 3-8-2-21) Notice of candidate withdrawal filed after February 10, 2020, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The primary election candidate withdrawal (CAN-10) is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-10 is included in this Guide under the Candidate Forms tab.

General Election Candidate Withdrawal
After the primary, if a nominee for the office of circuit court clerk or a county office wishes to withdraw from the ticket for the general election, the nominee must file a written notice of candidate withdrawal with the county election board certifying that the individual no longer wishes to be a candidate. The DEADLINE to file this notice with the county election board is 12:00 noon, prevailing local time, on Wednesday, July 15, 2020. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 15, 2020, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-24 is included in this Guide under the Candidate Forms tab.

C. Libertarian Party Candidates

1. Filing Requirements
Libertarian Party candidates are not nominated in a primary election, but are nominated by political party convention. (IC 3-8-4-10)

The Libertarian Party will nominate candidates for the office of circuit court clerk or county offices at the Party’s county conventions. Candidates for these offices should contact the Libertarian Party’s state committee for information concerning any candidate filing requirements.

Libertarian Party candidates for the office of circuit court clerk or county offices are not required to file declarations of candidacy with the county election board. Instead, the Libertarian Party chair and secretary will certify the Party’s nominees to the county election board (CAN-22) along with the candidate’s statement of economic interests (CAN-12).

Indiana law requires all Libertarian candidates for county office to file a statement of economic interests along with the certificate of nomination. (IC 3-8-9-5) The statement of economic interests (CAN-12) is available at each circuit court clerk’s office and is included in the Guide under the Candidate Forms tab.
2. Candidate Withdrawal Requirements

If a nominee for the office of circuit court clerk or a county office wishes to withdraw from the Libertarian Party ticket for the general election, the nominee must file a written notice of candidate withdrawal with the county election board. The DEADLINE to file this notice with the county election board is 12:00 noon, prevailing local time, on Wednesday, July 15, 2020. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 15, 2020, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-24 is included in this Guide under the Candidate Forms tab.

D. Minor Party and Independent Candidates

1. Filing Requirements

This section addresses the filing and petition requirements for a person who does not intend to affiliate with the Democratic, Libertarian or Republican Party, and who does not intend to be a write-in candidate.

A person who wishes to become an independent candidate or a candidate of a minor party not qualified to nominate candidates in a primary election or by political party convention, and who wishes be a candidate for the office of circuit court clerk or a county office at the general election, must file a statement of economic interests (CAN-12), written consent to become a candidate, (CAN-20) and certified petitions of nomination (CAN-21) with the county election board. (IC 3-8-6-12; IC 3-8-6-14(a))

Each candidate nominated by petition of nomination must satisfy all statutory eligibility requirements for the office for which the candidate is nominated. (IC 3-8-6-14(b))

The statement of economic interest (CAN-12), written consent (CAN-20), and petition of nomination (CAN-19) are available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-12, CAN-20, and CAN-21 are included in this Guide under the Candidate Forms tab.

In order to be placed on the general election ballot, an independent or minor party candidate must obtain signatures of registered voters in the election district the candidate seeks to represent. A petition of nomination must be signed by the number of registered voters equal to 2% of the total votes cast for secretary of state in the 2018 general election in the election district the candidate seeks to represent. Any fraction in excess of a whole number is disregarded in computing this figure. (IC 3-8-6-3) Signatures on any petition of nomination must be those of registered voters of the state who reside in the district the candidate seeks to represent. (IC 3-8-6-2)

EXAMPLE: A candidate for the office of circuit court clerk must obtain signatures of registered voters equal to 2% of the total votes cast for secretary of state in the 2018 general election in the county.

Circuit court clerks should have information on the precinct votes for the office of secretary of state in the 2018 general election to help determine the number of signatures required for a candidate seeking ballot placement by petition of nomination. A chart listing the 2% ballot access requirement for each county is included under the 2018 Vote for Secretary of State tab of this Guide. The circuit court clerk must make the determination of the number of signatures required for a minor party or independent candidate to be eligible to run in the election district.

Further, the circuit court clerk or director of the Lake or Porter County Board of Elections and Registration must determine whether or not enough valid signatures were certified for the candidate and filed with the clerk to be placed on the general election ballot. If the clerk determines that an insufficient number certified signatures where file by the candidate, then the clerk must reject the declaration of candidacy and not place the candidate on the general election ballot. If the certification is denied, the clerk shall immediately notify the candidate by certified mail. (IC 3-8-6-12)
While it may be possible for candidates of the same minor political party seeking an office that serves the entire state or a congressional or legislative district, or the same political subdivision to be nominated on the same petition, only one independent candidate for an office may be nominated by the same petition of nomination. (IC 3-8-6-4)

For a petition of nomination to be considered valid, the county voter registration office in the county where the individual signing the petition is registered must certify whether each person who signs the petition is a registered voter at the residence listed in the petition at the time the county processes the petition and in the election district the candidate seeks to represent. This certification must accompany and be a part of the petition of nomination. (This certification is on the reverse side of the CAN-21) (IC 3-8-6-10; IC 3-8-6-11)

A petition carrier is required to sign an affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. A petition carrier is required to fully complete and affix their signature to the affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. If the petition carrier information is incomplete, then the county voter registration office may not process the signature page, but must give the best possible notice to the petition carrier who submitted the signature page to allow for the correction. The petition carrier may correct the missing information concerning the petition carrier up to the final date an hour for filing the petition with the county voter registration office. If the information is not completed by this deadline, then the signature page may not be processed. (IC 3-6-12)

The county voter registration official must file the certified petitions of nomination with the county election board. However, the candidate for circuit court clerk or county office may request that the county voter registration official return the original petitions to the candidate so that the candidate may file the certified petitions (along with the CAN-20) with the county election board to be placed on the general election ballot. (IC 3-8-6-10)

The first day a candidate for the office of circuit court clerk or a county office may submit the petition of nomination (CAN-21) for certification is Wednesday, January 8, 2020, and the DEADLINE to submit petition signatures for review by county voter registration officials is 12:00 noon, prevailing local time, Tuesday, June 30, 2020. (IC 3-8-6-12; IC 3-5-4-1.5) Additionally, in a county that does not have a separate board of registration, the CAN-12 statement of economic interests must be filed with the circuit court clerk or the Lake, Porter, and Tippecanoe County Board of Elections and Registration at the time the candidate’s petitions are filed for review and certification. In the few counties with a separate board of registration, the CAN-12 statement of economic interests is filed with the county clerk after the signatures on the petitions have been certified by the board of registration. (IC 3-8-9-5) As of October 2019, Allen, Madison, Marion, St. Joseph, Vanderburgh, and Vigo counties have a separate board of registration.

For candidates for the office of circuit court clerk or county offices, once the county voter registration office certifies the petitions of nomination (CAN-21), these certified petitions along with the candidate’s consent (CAN-20) must be filed with the county election board. In most counties, the DEADLINE for filing certified petitions of nomination (CAN-21) and written consent (CAN-20) with the county election board is 12:00 noon, prevailing local time, Wednesday, July 15, 2020. (See note above about when the CAN-12 statement of economic interests are to be filed.) (IC 3-8-6-10; IC 3-8-6-12; IC 3-5-4-1.5; IC 3-8-9-5)

The county election board is required to reject a declaration of candidacy that does not include a statement of economic interest. (IC 3-8-9-6) The county voter registration office must file the certified petitions of nomination with the county election board. However, the candidate for the office of circuit court clerk or a county office may request that the county voter registration office return the original petitions to the candidate so that the candidate may file the certified petitions (along with the CAN-20) with the county election board to be placed on the general election ballot. (IC 3-8-6-10)

2. Nominating Petition Requirements
Candidates or political party members may wish to contact county voter registration offices to coordinate the processing of nominating petitions. Some county offices prefer to process all petitions for a candidate at the same time, while others are
willing to process partial submissions.

Sometimes a county voter registration office rejects a signature on a nominating petition because the individual who signed the petition is not a registered voter of the election district of the office sought by the candidate, or has changed the individual’s address without notifying the county voter registration office. (IC 3-8-6-8) A person’s residence address on the petition must conform to the residence address on the person’s voter registration record at the time the petition is processed. (IC 3-8-6-6) Although a minor variation between the name or address of a petition signer and the name or address on the county voter registration records does not invalidate the signature, a substantial variation renders the signature invalid. Reasonable doubts must be resolved in favor of the signer of the petition. (IC 3-5-6)

3. Political Party Names
A candidate may not submit a petition of nomination requesting ballot placement for a political party whose name would result in voter confusion due to its similarity with another party’s name. If the candidate declines to amend the petition to remove this confusion, the petition may be challenged, and shall be denied if the county election board finds that confusion would exist. (IC 3-8-6-5.5) A candidate must indicate whether the candidate is affiliated with any other candidate or group of candidates filing a petition under the same political party name. (IC 3-8-6-5)

4. Candidate Withdrawal Requirements
The DEADLINE for a person nominated by petition for the office of circuit court clerk or a county office who wishes to withdraw from the general election ballot to file a written notice of candidate withdrawal with the county election board is 12:00 noon, prevailing local time, on Wednesday, July 15, 2020. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 15, 2020, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-24 is included in this Guide under the Candidate Forms tab.

E. Write-in Candidates

1. Indiana law provides that only votes for declared write-in candidates are counted. (IC 3-12-1-1.7(a))

A person who desires to be a write-in candidate for the office of circuit court clerk or a county office in the general election on Tuesday, November 3, 2020, must file a statement of economic interest (CAN-12) and declaration of intent to be a write-in candidate (CAN-3) with the county election board. (IC 3-8-2-2.5) A county is required to reject a declaration that does not contain a statement of economic interests. (IC 3-8-9-6)

The CAN-12 and CAN-3 are available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. The CAN-12 and CAN-3 are included in this Guide under the Candidate Forms tab.

The first day a write-in candidate may file the CAN-3 and CAN-12 with the county election board is Wednesday, January 8, 2020, and the DEADLINE for filing is 12:00 noon, prevailing local time, Monday, July 6, 2020. (IC 3-8-2-2.5; IC 3-8-2-4; IC 3-8-2-5)

2. Candidate Withdrawal Requirements
The DEADLINE for a person who files a declaration of intent to be a write-in candidate for the office of circuit court clerk or a county office to file a written notice of candidate withdrawal with the county election board is 12:00 noon, prevailing local time, on Wednesday, July 15, 2020. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 15, 2020, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.
The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-24 is included in this Guide under the Candidate Forms tab.

3. Political Party Affiliation
A write-in candidate may claim affiliation with a political party other than the Democratic, Libertarian, or Republican Parties (the parties whose nominee for Secretary of State of Indiana received at least 2% of the total votes cast in the most recent election for the office of Secretary of State (November 2018)). IC 3-8-2-2.5

However, if a write-in candidate claims affiliation with a political party (1) that already has ballot access; (2) of a candidate who has previously filed a petition of nomination under IC 3-8-6; or (3) whose name would result in voter confusion due to its similarity with the name of the political party in (1) or (2), then a registered voter in the election district may question the validity of the filing under IC 3-8-1-2. The election board shall determine the validity of the questioned filing. If the election board determines that the candidate’s stated party affiliation would result in voter confusion due to its similarity with another party’s name, and the candidate declines to amend the declaration to remove this confusion, then the board shall deny the filing. (IC 3-8-2-12.5)
TOWNSHIP OFFICES

Township Board Member
NOTE: Township board members in Marion County are elected in 2020. All other township officials will be elected in 2022 unless a township’s board seats are staggered under IC 36-6-6-2.3.

A. Qualifications
PLEASE NOTE: Recent changes in Indiana law do not permit an elected officeholder to be a government employee of the same unit of government. (IC 3-5-9) While this does not prevent such an individual from running for office, the individual effectively resigns from their government position by assuming office, if elected to serve. (IC 3-5-9-5)

For example, Sally works for the township trustee, but wants to run for township board. If Sally is elected to serve on the township board and takes the oath of office, then she has automatically resigned from the township trustee’s office. On the other hand, if Sally worked for the city’s public works department and ran for township board, she could keep her city position while serving on the township board. City and township government would not be considered the same unit of government in this example.

Volunteer firefighters may be eligible to hold elected office of the same unit government if certain criteria are met. See IC 3-5-9-4 for details. The term “government employee” does not include an individual who holds only an elected office. (IC 3-5-9-2)

Township Board Member

In Marion County, each township board has five members. In Marion County, township board members are elected only by voters of the district. These candidates must be registered voters of the township board district. (IC 36-6-6-2.2)

IC 3-8-1-1 provides that:
“. . . (b) A person is not qualified to run for: . . .
(2) A local office; . . .
unless the person is registered to vote in the election district the person seeks to represent not later than the deadline for filing the declaration or petition of candidacy or certificate of nomination.”

IC 3-8-1-5 provides that:
“Sec. 5. (a) This section does not apply to a candidate for federal office.
(b) As used in this section, "felony" means a conviction in any jurisdiction for which the convicted person might have been imprisoned for more than one (1) year.
(c) A person is not disqualified under this section for:
(1) a felony conviction for which the person has been pardoned;
(2) a felony conviction that has been:
   (A) reversed;
   (B) vacated;
   (C) set aside;
   (D) not entered because the trial court did not accept the person's guilty plea; or
   (E) expunged under IC 35-38-9; or
(3) A person's plea of guilty or nolo contendere at a guilty plea hearing that is not accepted and entered by a trial court.
(d) A person is disqualified from assuming or being a candidate for an elected office if:
(1) the person gave or offered a bribe, threat, or reward to procure the person's election, as provided in Article 2, Section 6 of the Constitution of the State of Indiana;
(2) the person does not comply with IC 5-8-3 because of a conviction for a violation of the federal laws listed in that statute;
(3) in a:
(A) jury trial, a jury publicly announces a verdict against the person for a felony;  
(B) bench trial, the court publicly announces a verdict against the person for a felony; or  
(C) guilty plea hearing, the person pleads guilty or nolo contendere to a felony;  

(4) the person has been removed from the office the candidate seeks under Article 7, Section 11 or Article 7, Section 13 of the Constitution of the State of Indiana;  
(5) the person is a member of the United States armed forces on active duty and prohibited by the United States Department of Defense from being a candidate; or  
(6) the person is subject to:  
(A) 5 U.S.C. 1502 (the Little Hatch Act); or  
(B) 5 U.S.C. 7321-7326 (the Hatch Act);  
and would violate either federal statute by becoming or remaining the candidate of a political party for nomination or election to an elected office or a political party office. 

(e) The subsequent reduction of a felony to a Class A misdemeanor under IC 35 after the:  
(1) jury has announced its verdict against the person for a felony;  
(2) court has announced its verdict against the person for a felony; or  
(3) person has pleaded guilty or nolo contendere to a felony;  
does not affect the operation of subsection (d)."

IC 3-8-1-33 provides that:  
"Sec. 33. (a) A candidate for an office listed in subsection (b) must file a statement of economic interests.  
(b) Whenever a candidate for any of the following offices is also required to file a declaration of candidacy or is nominated by petition, the candidate shall file a statement of economic interests before filing the declaration of candidacy or declaration of intent to be a write-in candidate, before the petition of nomination is filed, before the certificate of nomination is filed, or before being appointed to fill a candidate vacancy under IC 3-13-1 or IC 3-13-2:  

* * *  

(4) A candidate for a local office…, in accordance with IC 3-8-9, except a candidate for a local office described in subdivision (3)."  (Subdivision 3 requires certain judge and prosecuting attorney candidates to already file statements of economic interest)  

A candidate for local office (other than judge or prosecuting attorney) is required to file a statement of economic interest (CAN-12). The circuit court clerk must reject a declaration of candidacy that does not include the CAN-12 statement. This form is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-12 is included in this Guide under the Candidate Forms tab.  

Township Board “Candidate Shortage”  
In some rural townships, it has become increasingly difficult to find enough candidates to run for the office of township board. If no candidate runs for this office, Article 15, Section 3 of the Constitution of the State of Indiana provides that the currently serving members of the township board automatically serve another four year term. If only one or two candidates run for these three seats, the result becomes more complicated. While each candidate who ran is automatically elected, the Board of County Commissioners must decide which currently serving township board members will serve another four year term to fill the seats for which no candidate ran. (See IC 3-13-10-6.5 and IC 3-13-11-20 for the procedures for the Commissioners to make this decision.)  

B. Democratic and Republican Party Candidates Nominated at the Primary Election  

1. Filing Requirements  
Candidates for a township office from the Democratic or Republican Party will be nominated at the primary election to be held on Tuesday, June 2, 2020. A candidate for the nomination for a township office by the Democratic or Republican Party must file a statement of economic interest and declaration of candidacy with the county election board. (IC 3-8-2-6) The county is required to reject a declaration of candidacy that does not include a statement of economic interest. (IC 3-8-9-6) (Petitions signed by registered voters are
NOT required of Democratic or Republican Party candidates for township office.)

The first day to submit a declaration of candidacy (CAN-2) and statement of economic interests (CAN-12) to the county election board is Wednesday, January 8, 2020, and the DEADLINE to file is 12:00 noon, prevailing local time, Friday, February 7, 2020. (IC 3-8-2-4; IC 3-8-2-5) A statement of economic interest or declaration of candidacy presented after February 7, 2020, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The statement of economic interest (CAN-12) and declaration of candidacy form (CAN-2) are available from the Election Division’s office, on the Division's website, and each circuit court clerk’s office. A CAN-2 and CAN-12 are included in this Guide under the Candidate Forms tab.

2. Political Party Affiliation
Indiana Code 3-8-2-7 sets forth the standard for determining the political party affiliation of a candidate who files a declaration of candidacy for a primary election. The political party affiliation of the candidate is deemed to be:
   1) the political party in whose primary in Indiana the candidate most recently voted; or
   2) the political party of the county chair of the county in which the candidate resides who certifies that the candidate is a member of that political party.

3. Candidate Withdrawal Requirements

Primary Election Candidate Withdrawal
A Democratic or Republican candidate for a township office who filed with the county election board a declaration of candidacy for the primary election, may file written notice of candidate withdrawal with the county election board certifying that the individual no longer wishes to be a candidate. The DEADLINE to file this notice with the county election board is 12:00 noon, prevailing local time, Monday, February 10, 2020. (IC 3-8-2-20) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the primary election. (IC 3-8-2-21) Notice of candidate withdrawal filed after February 10, 2020, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The primary election candidate withdrawal (CAN-10) is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-10 is included in this Guide under the Candidate Forms tab.

General Election Candidate Withdrawal
After the primary, if a nominee for a township office wishes to withdraw from the ticket for the general election, the nominee must file a written notice of candidate withdrawal with the county election board. The DEADLINE to file this notice with the county election board is 12:00 noon, prevailing local time, on Wednesday, July 15, 2020. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 15, 2020, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-24 is included in this Guide under the Candidate Forms tab.

C. Libertarian Party Candidates

1. Filing Requirements
Libertarian Party candidates are not nominated in a primary election, but are nominated by political party convention. (IC 3-8-4-10)

The Libertarian Party will nominate candidates for township offices at the Party’s county conventions. Candidates for these offices should contact the Libertarian Party’s state committee for information concerning any candidate filing requirements.
Libertarian Party candidates for township offices are not required to file declarations of candidacy with the county election board. Instead, the Libertarian Party chair and secretary will certify the Party’s nominees to the county election board. (CAN-22)

Indiana law requires all Libertarian candidates for township offices to file a statement of economic interests along with the certificate of nomination. (IC 3-8-9-5) The statement of economic interests (CAN-12) is available at each circuit court clerk’s office and is included in the Guide under the Candidate Forms tab.

2. Candidate Withdrawal Requirements
If a nominee for a township office wishes to withdraw from the Libertarian Party ticket for the general election, the nominee must file a written notice of candidate withdrawal with the county election board. The DEADLINE to file this notice with the county election board is 12:00 noon, prevailing local time, on Wednesday, July 15, 2020. (IC 3-8-7-26, 3-5-4-1.5) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 15, 2020, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-24 is included in this Guide under the Candidate Forms tab.

D. Minor Party and Independent Candidates

1. Filing Requirements
This section addresses the filing and petition requirements for a person who does not intend to affiliate with the Democratic, Libertarian or Republican Party, and who does not intend to be a write-in candidate.

A person who wishes to become an independent candidate or a candidate of a minor party not qualified to nominate candidates in a primary election or by political party convention, and who wishes to be a candidate for a township office at the general election, must file a statement of economic interest (CAN-12), written consent to become a candidate (CAN-20) and certified petition(s) of nomination (CAN-21) with the county election board. (IC 3-8-6-12 and IC 3-8-6-14(a)) The county is required to reject a declaration of candidacy that does not include a statement of economic interest. (IC 3-8-9-6)

Each candidate nominated by petition of nomination must satisfy all statutory eligibility requirements for the office for which the candidate is nominated. (IC 3-8-6-14(b))

The statement of economic interest (CAN-12), written consent (CAN-20) and petition of nomination (CAN-21) are available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-12, CAN-20, and CAN-21 are included in this Guide under the Candidate Forms tab.

To be placed on the general election ballot, an independent or minor party candidate must obtain signatures of registered voters in the election district the candidate seeks to represent. A petition of nomination must be signed by the number of registered voters equal to 2% of the total votes cast for secretary of state in the 2018 general election in the election district the candidate seeks to represent. Any fraction in excess of a whole number is disregarded in computing this figure. (IC 3-8-6-3) Signatures on any petition of nomination must be those of registered voters of the state who reside in the district the candidate seeks to represent. (IC 3-8-6-2)

EXAMPLE: A candidate for the office of a township board member must obtain signatures of registered voters equal to 2% of the total votes cast for secretary of state in the 2018 general election in that township board election district.

The circuit court clerk or the director of the Lake or Porter County Board of Elections and Registration must make the determination of the number of signatures required for a minor party or independent candidate to be eligible to run in the election district. Further, the circuit court clerk must determine whether or not enough valid signatures were certified for the
candidate and filed with the clerk to be placed on the general election ballot. If the clerk determines that an insufficient number certified signatures where file by the candidate, then the clerk must reject the declaration of candidacy and not place the candidate on the general election ballot. The clerk must immediately send the denial to the candidate by certified mail. (IC 3-8-6-12)

While it may be possible for candidates of the same minor political party seeking an office that serves the entire state or a congressional or legislative district, or the same political subdivision to be nominated on the same petition, only one independent candidate for an office may be nominated by the same petition of nomination. (IC 3-8-6-4)

For a petition of nomination to be considered valid, the county voter registration office in the county where the individual signing the petition is registered must certify whether each person who signs the petition is a registered voter at the residence listed in the petition at the time the county processes the petition and in the election district the candidate seeks to represent. This certification must accompany and be a part of the petition of nomination. (This certification is on the reverse side of the CAN-21) (IC 3-8-6-10; IC 3-8-6-11)

A petition carrier is required to sign an affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. A petition carrier is required to fully complete and affix their signature to the affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. If the petition carrier information is incomplete, then the county voter registration office may not process the signature page, but must give the best possible notice to the petition carrier who submitted the signature page to allow for the correction. The petition carrier may correct the missing information concerning the petition carrier up to the final date an hour for filing the petition with the county voter registration office. If the information is not completed by this deadline, then the signature page may not be processed. (IC 3-6-12)

The first day a candidate for a township office may submit the petition of nomination (CAN-21) to the county voter registration official for certification is Wednesday, January 8, 2020, and the DEADLINE for filing petitions for review by county voter registration officials is 12:00 noon, prevailing local time, Tuesday, June 30, 2020. (IC 3-8-6-12; IC 3-5-4-1.5)

Additionally, in a county that does not have a separate board of registration, the CAN-12 statement of economic interests must be filed with the circuit court clerk or the Lake, Porter, and Tippecanoe County Board of Elections and Registration at the time the candidate’s petitions are filed for review and certification. In the few counties with a separate board of registration, the CAN-12 statement of economic interests is filed with the county clerk after the signatures on the petitions have been certified by the board of registration. (IC 3-8-9-5) As of October 2019, Allen, Madison, Marion, St. Joseph, Vanderburgh, and Vigo counties have a separate board of registration.

For candidates for township offices, once the county voter registration official certifies the petitions of nomination, these certified petitions along with the candidate’s consent (CAN-20) must be filed with the county election board. In most counties, the DEADLINE for filing the petition of nomination (CAN-21), accompanied by the written consent (CAN-20), with the county election board is 12:00 noon, prevailing local time, Wednesday, July 15, 2020. (See note above about when the CAN-12 statement of economic interests are to be filed.) (IC 3-8-6-10; IC 3-8-6-12; IC 3-5-4-1.5; IC 3-8-9-5)

In the counties with a separate board of registration, the DEADLINE for filing the statement of economic interest (CAN-12), certified petition of nomination (CAN-21), and written consent (CAN-20) with the county election board is 12:00 noon, prevailing local time, Wednesday, July 15, 2020. (IC 3-8-6-10; IC 3-8-6-12; IC 3-5-4-1.5; IC 3-8-9-5)

The county voter registration official must file the certified petitions of nomination with the county election board. However, the candidate for a township office may request that the county voter registration office return the original petitions to the candidate so that the candidate may file the certified petitions (along with the CAN-20) with the county election board to be placed on the general election ballot. (IC 3-8-6-10)

2. Nominating Petition Requirements
Candidates or political party members may wish to contact county voter registration offices to coordinate the processing of nominating petitions. Some county offices prefer to process all petitions for a candidate at the same time, while others are willing to process partial submissions.
Sometimes a county voter registration office rejects a signature on a nominating petition because the individual who signed the petition is not a registered voter of the election district of the office sought by the candidate, or has changed the individual’s address without notifying the county voter registration office. (IC 3-8-6-8) A person’s residence address on the petition must conform to the residence address on the person’s voter registration record at the time the petition is processed. (IC 3-8-6-6) Although a minor variation between the name or address of a petition signer and the name or address on the county voter registration records does not invalidate the signature, a substantial variation renders the signature invalid. Reasonable doubts must be resolved in favor of the signer of the petition. (IC 3-5-6)

3. Political Party Names
A candidate may not submit a petition of nomination requesting ballot placement for a political party whose name would result in voter confusion due to its similarity with another party’s name. If the candidate declines to amend the petition to remove this confusion, the petition shall be denied. (IC 3-8-6-5.5) A candidate must indicate whether the candidate is affiliated with any other candidate or group of candidates filing a petition under the same political party name. (IC 3-8-6-5)

4. Candidate Withdrawal Requirements
The DEADLINE for a person nominated by petition for a township office who wishes to withdraw from the general election ballot to file a written notice of candidate withdrawal with the county election board is 12:00 noon, prevailing local time, on Wednesday, July 15, 2020. (IC 3-8-7-28; IC 3-5-4-1.5) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 15, 2020, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-24 is included in this Guide under the Candidate Forms tab.

E. Write-in Candidates

1. Filing Requirements
Indiana law provides that only votes for declared write-in candidates are counted. (IC 3-12-1-1.7(a))

A person who desires to be a write-in candidate for a township office in the general election on Tuesday, November 3, 2020, must file a statement of economic interest (CAN-12) and declaration of intent to be a write-in candidate (CAN-3) with the county election board. (IC 3-8-1-33; IC 3-8-2-2.5) The county is required to reject a declaration of intent to be a write-in candidate that does not include a statement of economic interest. (IC 3-8-9-6)

The CAN-12 and CAN-3 are available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-12 and CAN-3 are included in this Guide under the Candidate Forms tab.

The first day a write-in candidate may file the CAN-12 and CAN-3 forms with the county election board is Wednesday, January 8, 2020, and the DEADLINE for filing is 12:00 noon, prevailing local time, Monday, July 6, 2020. (IC 3-8-2-2.5; IC 3-8-2-4; IC 3-8-2-5)

2. Candidate Withdrawal Requirements
The DEADLINE for a person who files a declaration of intent to be a write-in candidate for a township office to file a written notice of candidate withdrawal with the county election board is 12:00 noon, prevailing local time, on Wednesday, July 15, 2020. (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 15, 2020, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-24 is included in this Guide under the Candidate Forms tab.
3. Political Party Affiliation
A write-in candidate may claim affiliation with a political party other than the Democratic, Libertarian, or Republican Parties (the parties whose nominee for Secretary of State of Indiana received at least 2% of the total votes cast in the most recent election for the office of Secretary of State (November 2018)). IC 3-8-2-2.5

However, if a write-in candidate claims affiliation with a political party: (1) that already has ballot access, (2) of a candidate who has previously filed a petition of nomination under IC 3-8-6, or (3) whose name would result in voter confusion due to its similarity with the name of the political party in (1) or (2), then a registered voter in the election district may question the validity of the filing under IC 3-8-1-2. The election board shall determine the validity of the questioned filing. If the election board determines that the candidate’s stated party affiliation would result in voter confusion due to its similarity with another party’s name, and the candidate declines to amend the declaration to remove this confusion, then the board shall deny the filing. (IC 3-8-2-12.5)
A. General Information
The procedures for selecting school board members are usually set forth in the “school corporation organization plan” adopted by the school corporation during the school consolidation process of the 1950s and 1960s, and as subsequently amended. (IC 20-23, IC 20-23-6; IC 20-23-9)

In certain school corporations, all or some of the school board members are appointed rather than elected by the voters. (IC 20-23-4-28) All school corporations that elect school board members elect those members at the same time as the general election (November 3, 2020, or in certain cases, in November 2022). Some school board members are elected “at large” for the entire school corporation, while others are elected to represent specific districts that are only part of the school corporation territory.

IN ALL CASES, CANDIDATES FOR SCHOOL BOARD APPEAR ON THE BALLOT WITHOUT A PARTY DESIGNATION. (IC 20-23-4-29.1)

B. Qualifications for Candidates and for Assuming Office
A few school corporations have school boards organized by state legislation. Candidates for school board in the following jurisdictions should consult the appropriate state statute for detailed information concerning candidate qualifications and election procedures:

* * *

(4) A candidate for a local office..., in accordance with IC 3-8-9, except a candidate for a local office described in subdivision (3)." (Subdivision 3 requires certain judge and prosecuting attorney candidates to already file statements of economic interest)

A candidate for local office (other than judge or prosecuting attorney) is required to file a statement of economic interest (CAN-12). The circuit court clerk must reject a declaration of candidacy that does not include the CAN-12 statement. This form is available from the Election Division's office, on the Division's website, and each circuit court clerk's office. A CAN-12 is included in this Guide under the Candidate Forms tab.

IC 20-26-4-9 provides that:
"An individual who is at least twenty-one (21) years of age and is otherwise eligible to assume office as a member of a governing body may not be disqualified on the basis of age."

(IC 3-8-2.5-2) The county is required to reject a declaration of candidacy that does not include a statement of economic interest. (IC 3-8-9-6) The statement of economic interest (CAN-12) and petition (CAN-34) are available from the Election Division, the Division’s website, and each circuit court clerk’s office. The CAN-12 and CAN-34 are included in this Guide under the Candidate Forms tab.

In a metropolitan school corporation, the petition must be signed by ten (10) registered voters residing in the same board member district as the nominee. (IC 20-23-7-8.1)

In a community school corporation, the petition must be signed by ten (10) registered voters residing within the boundaries of the school corporation. (IC 20-23-4-29.1)

Additional petition requirements may apply in some school corporations. School board member candidates should consult a personal attorney if necessary.

1. General Election
Candidates for school board office on the general election ballot will be elected at the general election to be held on Tuesday, November 3, 2020.

A candidate for the election of school board office at the general election must file the petition of nomination with the county election board located in the county seat of the county containing the greatest percentage of population of the school corporation. (IC 3-8-2.6)

The first day for a candidate for a school board office to file a petition of nomination with the county election board is Wednesday, July 22, 2020, and the DEADLINE is 12:00 noon, prevailing local time, on Friday, August 21, 2020. (IC 3-8-2.5-4; IC 20-23-4-29.1; IC 20-23-7-8.1; IC 20-23-12-5; IC 20-23-14-5; IC 20-23-17-3; IC 20-23-17.2-5)

Additionally, in a county that does not have a separate board of registration, the CAN-12 statement of economic interests must be filed with the circuit court clerk or the Lake, Porter, and Tippecanoe County Board of Elections and Registration at the time the candidate’s petitions (CAN-34) are filed for review and certification. In the few counties with a separate board of registration, the CAN-12 statement of economic interests is filed with the county clerk after the signatures on the petitions have been certified by the board of registration. (IC 3-8-9-5) As of October 2019, Allen, Madison, Marion, St. Joseph, Vanderburgh, and Vigo counties have a separate board of registration.

The county clerk or the director of the Lake and Porter County Boards of election and registration shall determine whether a sufficient number of signatures as required have been obtained, and certify the petition if it includes a sufficient number of signature or deny the certification if it does not. If the petition is denied, the circuit court clerk shall notify the candidate immediately in person, if the candidate files the petition in person or by certified mail. (IC 3-8-6-12)

D. Candidate Withdrawal
School board candidates may file a withdrawal of their candidacy not later than noon, Monday, August 24, 2020.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, the Division’s website, and each circuit court clerk’s office. A CAN-24 is included in this Guide under the Candidate Forms tab.

E. Write-in Candidates
Indiana law provides that only votes for declared write-in candidates are counted. (IC 3-12-1-1.7(a))

A person who desires to be a write-in candidate for a school board office at the general election on Tuesday, November 3,
2020, must file a statement of economic interest (CAN-12) and a declaration of intent to be a write-in candidate (CAN-26) with the county election board located in the county seat of the county containing the greatest percentage of population of the school corporation. (IC 3-8-2-2.5; IC 3-8-2-4; IC 20-4-1-26.4) The county is required to reject a declaration of candidacy that does not include a statement of economic interest. (IC 3-8-9-6)

The CAN-12 and CAN-26 are available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. The CAN-12 and CAN-26 are included in this Guide under the Candidate Forms tab.

The first day a write-in candidate for a school board office may file the CAN-12 and CAN-26 with the county election board for the general election is Wednesday, August 5, 2020, and the DEADLINE for filing is 12:00 noon, prevailing local time, Friday, August 21, 2020. (IC 3-8-2-2.5; IC 3-8-2.5-4; IC 20-4-1-26.4)

Candidate Withdrawal Requirements
Declared write-in candidates for school board may file a withdrawal of their candidacy not later than noon, Monday, August 24, 2020. (IC 3-8-2-2.5-4)

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office, the Division’s website, and each circuit court clerk’s office. A CAN-24 is included in this Guide under the Candidate’s Forms tab.
“Small Town” Offices

Town Council Member
Town Clerk-Treasurer
Town Judge

Indiana has no elections to city offices (Mayor, Common Council, and Judge of the City Court) in 2020. These offices were elected at the municipal election in 2019. Most town offices were also elected in 2019. However, some towns will elect officers in 2020. In these towns that elect officers in a general election year, state law requires the county election board to conduct the elections for the town. IC 3-10-7-2.

The towns using the procedures described in this chapter will be referred to as “small towns.”

Municipal Primaries
A town with a population of less than 3,500 may adopt an ordinance to provide for a nomination of Democratic and Republican candidates for town office in a primary election (instead of by town convention). The town council must adopt the ordinance not later than January 1 of the year in which a municipal election is held (2020, for example), and the town clerk-treasurer shall file a copy of the ordinance with the circuit court clerk in the county that contains the greatest percentage of the town’s population no later than the first day in which a candidate can file a declaration of candidacy. (IC 3-8-5-2)

If the town council adopts such an ordinance, the county election board shall conduct the primary election for the town according to the statutes governing primary elections, including the times for filing a declaration of candidacy under IC 3-8-2-4. The town may not change the method of nominating candidates for town offices more than one time in any 12 year period. (IC 3-8-5-2(e))

A. Qualifications
NOTE: Indiana law does not permit an elected officeholder to be a government employee of the same unit of government. (IC 3-5-9) While this does not prevent such an individual from running for office, the individual automatically resigns from their government position by assuming office, if elected to serve. (IC 3-5-9-5)

For example, Sally works for the township trustee, but wants to run for township board. If Sally is elected to serve on the township board and takes the oath of office, then she has automatically resigned from the township trustee’s office. On the other hand, if Sally worked for the city’s public works department and ran for township board, she could keep her city position while serving on the township board. City and township government would not be considered the same unit of government in this example.

Volunteer firefighters may be eligible to hold elected office of the same unit government if certain criteria are met. See IC 3-5-9-4 for details. The term “government employee” does not include an individual who holds only an elected office. (IC 3-5-9-2)
Town Council Member

Each town is required to elect a town council. (IC 36-5-2)

IC 3-8-1-29 provides that:
“
A candidate for membership of a town council must reside in the district in which seeking election, if applicable.”

IC 3-8-1-1 provides that:
“
. . . (b) A person is not qualified to run for: . . .
(2) A local office; . . .
unless the person is registered to vote in the election district the person seeks to represent not later than the deadline for filing the declaration or petition of candidacy or certificate of nomination.”

IC 3-8-1-5 provides that:
“Sec. 5. (a) This section does not apply to a candidate for federal office.
(b) As used in this section, "felony" means a conviction in any jurisdiction for which the convicted person might have been imprisoned for more than one (1) year.
(c) A person is not disqualified under this section for:
(1) a felony conviction for which the person has been pardoned;
(2) a felony conviction that has been:
   (A) reversed;
   (B) vacated;
   (C) set aside;
   (D) not entered because the trial court did not accept the person's guilty plea; or
   (E) expunged under IC 35-38-9; or
(3) A person’s plea of guilty or nolo contendere at a guilty plea hearing that is not accepted or entered by a trial court.
(d) A person is disqualified from assuming or being a candidate for an elected office if:
(1) the person gave or offered a bribe, threat, or reward to procure the person's election, as provided in Article 2, Section 6 of the Constitution of the State of Indiana;
(2) the person does not comply with IC 5-8-3 because of a conviction for a violation of the federal laws listed in that statute;
(3) in a:
   (A) jury trial, a jury publicly announces a verdict against the person for a felony;
   (B) bench trial, the court publicly announces a verdict against the person for a felony; or
   (C) guilty plea hearing, the person pleads guilty or nolo contendere to a felony;
(4) the person has been removed from the office the candidate seeks under Article 7, Section 11 or Article 7, Section 13 of the Constitution of the State of Indiana;
(5) the person is a member of the United States armed forces on active duty and prohibited by the United States Department of Defense from being a candidate; or
(6) the person is subject to:
   (A) 5 U.S.C. 1502 (the Little Hatch Act); or
   (B) 5 U.S.C. 7321-7326 (the Hatch Act);
and would violate either federal statute by becoming or remaining the candidate of a political party for nomination or election to an elected office or a political party office.
(d) The subsequent reduction of a felony to a Class A misdemeanor under IC 35 after the:
(1) jury has announced its verdict against the person for a felony;
(2) court has announced its verdict against the person for a felony; or
(3) person has pleaded guilty or nolo contendere to a felony;
does not affect the operation of subsection (d).”

IC 3-8-1-33 provides that:
“Sec. 33. (a) A candidate for an office listed in subsection (b) must file a statement of economic interests.
(b) Whenever a candidate for any of the following offices is also required to file a declaration of candidacy or is nominated by petition, the candidate shall file a statement of economic interests before filing the declaration of candidacy or declaration of intent to be a write-in candidate, before the petition of nomination is filed, before the certificate of nomination is filed, or before being appointed to fill a candidate vacancy under IC 3-13-1 or IC 3-13-2:

* * *

(4) A candidate for a local office..., in accordance with IC 3-8-9, except a candidate for a local office described in subdivision (3)." (Subdivision 3 requires certain judge and prosecuting attorney candidates to already file statements of economic interest)

A candidate for local office (other than judge or prosecuting attorney) is required to file a statement of economic interest (CAN-12). The circuit court clerk must reject a declaration of candidacy that does not include the CAN-12 statement. This form is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-12 is included in this Guide under the Candidate Forms tab.

Number of Town Council Members
In a town, the town council consists of at least three (3) members, but no more than seven (7) members. The number of town council members in each town was originally set by the county commissioners when the commissioners incorporated the town under IC 36-5-1-10.1. The number of town council members can be increased or decreased within this range only after the voters of the town approve a proposal to do so at a referendum. (IC 36-5-2-4.2)

Election Schedule
As a general rule, all town council members are elected for four year terms at each municipal election year (2023, 2027, etc.). (IC 3-10-6-2; 3-10-7-6) However, a town can alter this election schedule by adopting one of several types of ordinances permitted under state law.

A town may adopt an ordinance to provide for “staggered terms” for town council members by providing that at the next municipal election, some council members will be elected for three year terms, and the other council members will be elected for four year terms. After the first “short terms” for town council members are over, this system results in the town electing some town council members in the “non-presidential general election year” (2022, 2026), and the other town council members in the ordinary municipal election years (2023, 2027). (IC 3-10-6-2.5)

Some towns adopted similar “staggered term” ordinances under state laws that have since been repealed, or have expired (IC 18-3-1-16(b), repealed 1981; P.L. 13-1982, SECTION 3, expired 1988). These towns have the additional option of adopting an ordinance to move the election date for all town offices (including town council) to the “presidential general election year” (2020, 2024). (IC 3-10-6-3) This changeover is accomplished by electing all town officers to a “short term” of one year at the municipal election (2023, 2027), and then electing successors to a full four year term.

A town with a population of less than 3,500 may adopt an ordinance that schedules elections for some or all town offices to even numbered years, municipal election years, or both, so long as no election is scheduled for any town office in a year following a presidential election year (2021, 2025). (IC 3-10-7-2.9)

Consult with the town clerk-treasurer or town attorney for more information about any such ordinances.

Unopposed Candidates
In some “small towns” there may be no more than one nominee for each office, and no declared write-in candidates for any town office. When this occurs, a municipal election may not be held for these offices in the municipal election year if the entire membership of the county election board adopts a resolution NOT to hold an election in this situation. (IC 3-10-7-6) The one nominee for the office will be elected at the closing of the polls on election day. However, if there is a contest for any office of the town, all nominees for each town office must be on the general election ballot.

EXCEPTIONS: The printing of all nominees on the town’s general election ballot is not required if there is a contest for at least one town council seat, only the voters within that town council election district are eligible to vote for the town council
Districts
As a general rule, town council members in small towns must be elected from districts established by ordinance adopted by the town council following each federal decennial census (such as the 2010 federal census, for example).

In a town with a population of less than 3,500, the town council may adopt an ordinance to abolish town council districts. If this town has also adopted an ordinance to nominate major party candidates for town office by primary election, then major party town council candidates in this town will run at large in the primary and all town council candidates will run at large in the general election. (IC 36-5-2-4.1(h))

In a small town with a population of less than 3,500, if the town council has not passed an ordinance to establish new town council districts or recertify the current town council districts at any time after December 31, 2011, then the town council districts currently established will be abolished, effective January 1, 2018. But, the town council whose districts have been abolished after January 1, 2018, may still pass an ordinance to established new town council districts to take effective after January 1, 2018. (IC 36-5-2-4.1(n))

If a town has adopted an ordinance to establish or recertify town council districts, the town council must also adopt an ordinance to establish town council district boundaries in 2022 and each ten years after each subsequent U.S. census is conducted. (IC 36-5-2-4.1(g))

The town must specify by ordinance how town council members are to be elected from these districts. The ordinance may provide: (1) that all council members must reside in their districts, but are to be elected at large by all the voters of the town; (2) that all council members must reside in their districts, but are elected only by the voters of that district; or (3) or some combination of (1) and (2) specified by the ordinance. (IC 36-5-2-5) Consult with the town clerk-treasurer or town attorney for more information about any such ordinances.

Town Clerk-Treasurer

Each town is required to elect a town clerk-treasurer. The town clerk-treasurer is elected by all the voters of the town. (IC 36-5-6-4)

IC 3-8-1-5 provides that:
“Sec. 5. (a) This section does not apply to a candidate for federal office.
(b) As used in this section, “felony” means a conviction in any jurisdiction for which the convicted person might have been imprisoned for more than one (1) year
(c) A person is not disqualified under this section for:
   (1) a felony conviction for which the person has been pardoned;
   (2) a felony conviction that has been:
      (A) reversed;
      (B) vacated;
      (C) set aside;
      (D) not entered because the trial court did not accept the person's guilty plea; or
      (E) expunged under IC 35-38-9; or
   (3) A person’s plea of guilty or nolo contendere at a guilty plea hearing that is not accepted or entered by a trial court.
(c) A person is disqualified from assuming or being a candidate for an elected office if:
   (1) the person gave or offered a bribe, threat, or reward to procure the person’s election, as provided in Article 2, Section 6 of the Constitution of the State of Indiana;
   (2) the person does not comply with IC 5-8-3 because of a conviction for a violation of the federal laws listed in that statute;
   (3) in a:
(A) jury trial, a jury publicly announces a verdict against the person for a felony; 
(B) bench trial, the court publicly announces a verdict against the person for a felony; or 
(C) guilty plea hearing, the person pleads guilty or nolo contendere to a felony; 
(4) the person has been removed from the office the candidate seeks under Article 7, Section 11 or Article 7, Section 13 of the Constitution of the State of Indiana; 
(5) the person is a member of the United States armed forces on active duty and prohibited by the United States Department of Defense from being a candidate; or 
(6) the person is subject to: 
   (A) 5 U.S.C. 1502 (the Little Hatch Act); or 
   (B) 5 U.S.C. 7321-7326 (the Hatch Act); 
   and would violate either federal statute by becoming or remaining the candidate of a political party for nomination or election to an elected office or a political party office. 
(d) The subsequent reduction of a felony to a Class A misdemeanor under IC 35 after the: 
   (1) jury has announced its verdict against the person for a felony; 
   (2) court has announced its verdict against the person for a felony; or 
   (3) person has pleaded guilty or nolo contendere to a felony; 
   does not affect the operation of subsection (d)."

IC 3-8-1-33 provides that:
"Sec. 33. (a) A candidate for an office listed in subsection (b) must file a statement of economic interests. 
(b) Whenever a candidate for any of the following offices is also required to file a declaration of candidacy or is nominated by petition, the candidate shall file a statement of economic interests before filing the declaration of candidacy or declaration of intent to be a write-in candidate, before the petition of nomination is filed, before the certificate of nomination is filed, or before being appointed to fill a candidate vacancy under IC 3-13-1 or IC 3-13-2: 

* * *

(4) A candidate for a local office..., in accordance with IC 3-8-9, except a candidate for a local office described in subdivision (3)." (Subdivision 3 requires certain judge and prosecutor candidates to already file statements of economic interest)

A candidate for local office (other than judge or prosecuting attorney) is required to file a statement of economic interest (CAN-12). The circuit court clerk must reject a declaration of candidacy that does not include the CAN-12 statement. This form is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-12 is included in this Guide under the Candidate Forms tab.

Town Judge

Each town is required to elect a town judge if the town has created a town court by ordinance. (IC 33-35-1-1) The town judge is elected by all the voters of the town. (IC 33-35-1-3)

IC 3-8-1-1 does not apply to a candidate for judge of a town court.

IC 3-8-1-1.5 provides that:
"...(b) A person is not qualified to run for an office subject to this section unless not later than the deadline for filing the declaration or petition of candidacy or certificate of nomination the person is registered to vote in a county in which the municipality is located.

IC 3-8-1-5 Disqualification of candidates provides that:
"Sec. 5. (a) This section does not apply to a candidate for federal office. 
(b) As used in this section, "felony" means a conviction in any jurisdiction for which the convicted person might have been imprisoned for more than one (1) year. 
(c) A person is not disqualified under this section for:

       that statute;
   (3) in a:

   does not affect the operation of subsection (d)."

IC 3-8-1-33 provides that:
“Sec. 33. (a) A candidate for an office listed in subsection (b) must file a statement of economic interests.
(b) Whenever a candidate for any of the following offices is also required to file a declaration of candidacy or is nominated
by petition, the candidate shall file a statement of economic interests before filing the declaration of candidacy or declaration

before being appointed to fill a candidate vacancy under IC 3-13-1 or IC 3-13-2:

* * *

(4) A candidate for a local office…, in accordance with IC 3-8-9, except a candidate for a local office described in subdivision
(3).” (Subdivision 3 requires certain judge and prosecuting attorney candidates to already file statements of economic
interest)

A candidate for local office (other than judge of the circuit, superior, county, small claims, or probate court or prosecuting
attorney) is required to file a statement of economic interest (CAN-12). The circuit court clerk must reject a declaration
of candidacy that does not include the CAN-12 statement. This form is available from the Election Division’s office, on
the Division’s website, and each circuit court clerk’s office. A CAN-12 is included in this Guide under the Candidate Forms
tab.
B. Democratic and Republican Candidates Nominated at Primary Elections
A small town may adopt an ordinance to elect some or all of the town’s officers in 2020. (IC 3-10-7-2.7; IC 3-10-7-2.9) A town may also adopt an ordinance providing for the nomination of Democratic and Republican candidates at a primary election. (IC 3-8-5-2). If major party candidates are to be nominated for election to a town office at a primary election to be held on June 2, May 5, 2020, the same filing, political party affiliation, and candidate withdrawal requirements apply that are applicable to such candidates for county offices.

C. Democratic, Libertarian, and Republican Party Candidates Nominated At Town Conventions

1. Filing Requirements
A candidate for nomination to a town office by the Democratic, Libertarian, or Republican Party must file a declaration of candidacy with the county election board. (IC 3-8-2-6)

Whenever the election district for a town office includes more than one county, the declaration of candidacy must be filed with the county election board located in the county that contains the greatest percentage of population of the election district. (IC 3-8-2-6)

Candidate Filing Deadlines
The first day to file a declaration of candidacy (CAN-16) and statement of economic interest (CAN-12) for office in a small town is Wednesday, January 8, 2020, and the DEADLINE to file is 12:00 noon, prevailing local time, on Monday, August 3, 2020.

The Town Office Declaration of Candidacy by a Democratic, Libertarian, or Republican Candidate When No Town Primary is Conducted in 2020 (CAN-16) and the Statement of Economic Interests for Local and School Board Offices (CAN-12) are available from the Election Division’s office and each circuit court clerk’s office. A CAN-16 and CAN-12 are included in this Guide under the Candidate’s Forms tab.

Town Convention Candidate Filing Deadlines

Friday, August 21, 2020, is the last day for the Democratic, Libertarian, and Republican parties to conduct a town convention to choose between competing candidates in the same party for the same town office. (IC 3-8-5-10; IC 3-8-5-17)

Friday, August 28, 2020, by 12:00 noon, prevailing local time, is the last day for the Democratic, Libertarian, and Republican party chairman and secretary of a town convention to file a certificate of nomination (CAN-18) with the county election board setting forth the nominees of the Democratic, Libertarian, or Republican party town convention. (IC 3-8-5-13; IC 3-8-5-17)

2. Candidate Withdrawal Requirements

Monday, August 3, 2020, by 12:00 noon, prevailing local time is the DEADLINE an individual may file a notice of withdrawal of a declaration of candidacy previously filed with the county election board to be the nominee of the Democratic, Libertarian, or Republican Party for town office in a small town. (IC 3-8-5-10.5; IC 3-8-5-14.5; IC 3-8-5-17) Notice to withdraw candidacy presented after August 3, 2020, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office and each circuit court clerk’s office. A CAN-24 is included in this Guide under the Candidate’s Forms tab.

Town Convention Candidate Withdrawal
A Democrat, Republican, or Libertarian candidate who wishes to withdraw from the race following nomination at the convention must file their written notice of withdrawal no later than 12:00 noon, prevailing local time, three (3) days after the adjournment of the convention. (IC 3-8-5-14.5; IC 3-8-5-17) A notice to withdraw filed after 12:00 noon, local prevailing time, three (3) days following adjournment of the convention will not be accepted for filing unless the
candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent. There is no state-approved town office convention candidate withdrawal form. The CAN-24 can be adapted for this purpose. A CAN-24 is included in this Guide under the Candidate Forms tab.

D. Libertarian Party Candidates Where a Primary Election Was Conducted

1. Filing Requirements
If a “small town” passes a resolution for the county election board to conduct a May-June Primary Election, then the Libertarian Party candidates will be nominated by political party convention. (IC 3-8-5-17) Libertarian Party candidates for small town office file for office and are nominated according to “C. Democratic, Libertarian, and Republican Party Candidates Nominated At Town Conventions” when the Democratic and Republican parties conduct a primary election to determine their nominees for small town office.

E. Minor Party and Independent Candidates

1. Filing Requirements
This section addresses the filing and petition requirements for a person who does not intend to affiliate with the Democratic, Libertarian or Republican Party, and who does not intend to be a write-in candidate.

A person who wishes to become an independent candidate or a candidate of a minor party not qualified to nominate candidates in a primary election or by political party convention, and who wishes be a candidate for a town office at the municipal election, must file a written consent to become a candidate for the town office (CAN-20), a petition of nomination (CAN-21), and a Statement of Economic Interests for Local and School Board Offices (CAN-12) with the county election board. (IC 3-8-6-12; 3-8-6-14(a)) Indiana law requires the county to reject a petition that does not include a statement of economic interests. (IC 3-8-9-6)

More than one minor party candidate can be nominated on the same petition form if each of the candidates is seeking an office that serves the entire town (town clerk-treasurer and at large town council member, for example). If offices serve different legislative districts (such as town council members elected only by voters of a specific district), then the candidates for office must use separate petition forms.

Only one (1) independent candidate for town office can be nominated on the same petition form. (IC 3-8-6-4)

Each candidate nominated by petition of nomination must satisfy all statutory eligibility requirements for the office for which the candidate is nominated. (IC 3-8-6-14)

The written consent (CAN-20), petition of nomination (CAN-21), and statement of economic interests (CAN-12) are available from the Election Division’s office and each circuit court clerk’s office. A CAN-20, CAN-21, and CAN-12 are included in this Guide under the Candidate Forms tab.

To be placed on the municipal election ballot, an independent or minor party candidate must obtain signatures of registered voters in the election district the candidate seeks to represent. A petition of nomination must be signed by the number of registered voters equal to 2% of the total votes cast for secretary of state in the 2018 general election in the election district the candidate seeks to represent. Any fraction in excess of a whole number is disregarded in computing this figure. (IC 3-8-6-3) Signatures on any petition of nomination must be those of registered voters of the state who reside in the district the candidate seeks to represent. (IC 3-8-6-2)

EXAMPLE: A candidate for the office of town council member must obtain signatures of registered voters equal to 2% of the total votes cast for all candidates for secretary of state in the 2018 general election in that town council district.

Circuit court clerks will have information on the votes by precinct for the office of secretary of state in the 2018 general election to help determine the number of signatures required for a candidate seeking ballot placement by petition of
nomination. However, the candidate may be required to make an initial calculation of the number of votes cast for secretary of state within the town council district, or the town as a whole. In some cases, there may not be an exact match between town council districts and precinct boundaries, so a precise minimum number of signatures necessary for ballot access may be impossible to calculate. Candidates seeking nomination by petition may wish to use a higher figure based on the votes cast for this office in all precincts wholly or partially within the town or town council district to ensure that the candidate has a sufficient number of valid signatures.

A petition carrier is required to sign an affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. A petition carrier is required to fully complete and affix their signature to the affidavit at the bottom of each page of the petition prior to filing with the county voter registration office. If the petition carrier information is incomplete, then the county voter registration office may not process the signature page, but must give the best possible notice to the petition carrier who submitted the signature page to allow for the correction. The petition carrier may correct the missing information concerning the petition carrier up to the final date an hour for filing the petition with the county voter registration office. If the information is not completed by this deadline, then the signature page may not be processed. (IC 3-6-12)

For a petition of nomination to be considered valid, the county voter registration office in the county where the individual signing the petition is registered must certify whether each person who signs the petition is a registered voter at the residence listed in the petition at the time the county processes the petition and in the election district the candidate seeks to represent. This certification must accompany and be a part of the petition of nomination. (This certification is on the reverse side of the CAN-21 form.) (IC 3-8-6-10; IC 3-8-6-11)

The first day a candidate for a town office may submit the petition of nomination (CAN-21) to the county voter registration office for certification is Wednesday, January 8, 2020, and the DEADLINE for filing petitions for review by county voter registration officials is 12:00 noon, prevailing local time, Tuesday, June 30, 2020. (IC 3-8-6-10; IC 3-5-4-1.5)

Additionally, in a county that does not have a separate board of registration, the CAN-12 statement of economic interests must be filed with the circuit court clerk or the Lake, Porter, and Tippecanoe County Board of Elections and Registration at the time the candidate’s petitions (CAN-21) are filed for review and certification. In the few counties with a separate board of registration, the CAN-12 statement of economic interests is filed with the county clerk after the signatures on the petitions have been certified by the board of registration. (IC 3-8-9-5) As of October 2019, Allen, Madison, Marion, St. Joseph, Vanderburgh, and Vigo counties have a separate board of registration.

For candidates for town offices, once the county voter registration office certifies the petitions of nomination, these certified petitions along with the candidate’s consent (CAN-20) and statement of economic interests (CAN-12) must be filed with the county election board. In most counties, the DEADLINE for filing the petition of nomination (CAN-21), accompanied by the written consent form (CAN-20) and the statement of economic interest form (CAN-12) with the county election board is 12:00 noon, prevailing local time, Wednesday, July 15, 2020. (See note above about when the CAN-12 statement of economic interests are to be filed.) (IC 3-8-6-10; IC 3-8-6-12; IC 3-5-4-1.5; IC 3-8-9-5)

In the counties with a separate board of registration, the DEADLINE for filing the statement of economic interest (CAN-12), certified petition of nomination (CAN-21), and written consent (CAN-20) with the county election board is 12:00 noon, prevailing local time, Wednesday, July 15, 2020. (IC 3-8-6-10; IC 3-8-6-12; IC 3-5-4-1.5; IC 3-8-9-5)

The county voter registration office must file the certified petitions of nomination with the county election board. However, the candidate for a town office may request that the county voter registration office return the original petitions to the candidate so that the candidate may file the certified petitions (along with the CAN-20 and CAN-12) with the county election board to be placed on the municipal election ballot. (IC 3-8-6-10)

The county clerk or the director of the Lake and Porter County Boards of election and registration shall determine whether a sufficient number of signatures as required have been obtained, and certify the petition if it includes a sufficient number of signature or deny the certification if it does not. If the petition is denied, the circuit court clerk shall notify the candidate immediately by certified mail. (IC 3-8-6-12)
2. Nominating Petition Requirements
Candidates or political party members may wish to contact county voter registration offices to coordinate the processing of nominating petitions. Some county offices prefer to process all petitions for a candidate at the same time, while others are willing to process partial submissions.

Sometimes a county voter registration office rejects a signature on a nominating petition because the individual who signed the petition is not a registered voter of the election district for the office sought by the candidate, or has changed the individual’s address without notifying the county voter registration office. (IC 3-8-6-8) A person’s residence address on the petition must conform to the residence address on the person’s voter registration record at the time the petition is processed. (IC 3-8-6-6) Although a minor variation between the name or address of a petition signer and the name or address on the county voter registration records does not invalidate the signature, a substantial variation renders the signature invalid. Reasonable doubts must be resolved in favor of the signer of the petition. (IC 3-5-6)

3. Political Party Names
A candidate may not submit a petition of nomination requesting ballot placement for a political party whose name would result in voter confusion due to its similarity with another party’s name. If the candidate declines to amend the petition to remove this confusion, the petition may be challenged, and shall be denied by the county election board if the board finds that confusion would exist. (IC 3-8-6-5.5) A candidate must indicate whether the candidate is affiliated with any other candidate or group of candidates filing a petition under the same political party name. (IC 3-8-6-5)

4. Candidate Withdrawal Requirements
The DEADLINE for a person nominated by petition for a town office who wishes to withdraw from the general election ballot to file a written notice of candidate withdrawal with the county election board is 12:00 noon, prevailing local time, on Wednesday, July 15, 2020. (IC 3-8-7-28; IC 3-5-4-1.5) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the general election. Notice to withdraw candidacy presented after July 15, 2020, at 12:00 noon, prevailing location time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.

The municipal election candidate withdrawal (CAN-24) is available from the Election Division’s office and each circuit court clerk’s office. A CAN-24 is included in this Guide under the Candidate Forms tab.

Filling Candidate Vacancies
Friday, August 28, 2020, by 12:00 noon, prevailing local time, is the last day for a town chairman of a political party that submitted a petition of nomination for the election of candidates to town office to file a certificate of candidate selection to fill any candidate vacancy. The certificate must be accompanied by the candidate’s written consent to the selection. (IC 3-13-1-18)

F. Write-in Candidates

1. Filing Requirements
Indiana law provides that only votes for declared write-in candidates are counted. (IC 3-12-1-1.7(a))

A person who desires to be a write-in candidate for a town office in the municipal election on Tuesday, November 3, 2020, must file a declaration of intent to be a write-in candidate (CAN-3) and Statement of Economic Interests for Local and School Board Offices (CAN-12) with the county election board. (IC 3-8-2-2.5) Indiana law requires the county to reject a declaration that does not include a statement of economic interests. (IC 3-8-9-6)

The CAN-3 and CAN-12 are available from the Election Division’s office and each circuit court clerk’s office. A CAN-3 and CAN-12 are included in this Guide under the Candidate Forms tab.

The first day a write-in candidate may file the CAN-3 and CAN-12 with the county election board is Wednesday, January 8, 2020, and the DEADLINE for filing is 12:00 noon, prevailing local time, Monday, July 6, 2020. (IC 3-8-2-2.5; IC 3-8-2-4; IC 3-8-2-5)
2. Candidate Withdrawal Requirements
The **DEADLINE** for a person who files a declaration of intent to be a write-in candidate for a town office to file a written notice of candidate withdrawal with the county election board is **12:00 noon, prevailing local time, on Wednesday, July 15, 2020.** (IC 3-8-7-28, 3-5-4-1.5) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the general election. **Notice to withdraw candidacy presented after July 15, 2020, at 12:00 noon, prevailing local time, will not be accepted for filing unless the candidate is disqualified under IC 3-8-1-5 or has moved from the election district the candidate sought to represent.**

The general election candidate withdrawal (CAN-24) is available from the Election Division’s office and each circuit court clerk’s office. A CAN-24 is included in this *Guide* under the *Candidate Forms* tab.

3. Political Party Affiliation
A write-in candidate may claim affiliation with a political party other than the Democratic, Libertarian, or Republican Parties (the parties whose nominee for Secretary of State of Indiana received at least 2% of the total votes cast in the most recent election for the office of Secretary of State (November 2018)). (IC 3-8-2-2.5)

However, if a write-in candidate claims affiliation with a political party: (1) that already has ballot access, (2) of a candidate who has previously filed a petition of nomination under IC 3-8-6, or (3) whose name would result in voter confusion due to its similarity with the name of the political party in (1) or (2), then a registered voter in the election district may question the validity of the filing under IC 3-8-1-2. The county election board shall determine the validity of the questioned filing. If the county election board determines that the candidate’s stated party affiliation would result in voter confusion due to its similarity with another party’s name, and the candidate declines to amend the declaration to remove this confusion, then the board shall deny the filing. (IC 3-8-2-12.5)
A. Qualifications

NOTE: Precinct committeemen and state convention delegates are considered “political offices” and not “elected offices.” (IC 3-5-2-17)

Although there is no state law requiring that a candidate for precinct committeeman or state convention delegate reside within the precinct or delegate district, state political party rules may restrict the ability of a political official who does not comply with a residency requirement to participate in party functions. Contact the Democratic State Committee or the Republican State Committee for more information on this point.

IC 3-8-1-32 provides that:
“Sec. 32. A candidate for:
(1) precinct committeeman; or
(2) delegate to a state convention;
of a political party in the state whose nominee received at least ten percent (10%) of the total vote cast for secretary of state at the last election must comply with any candidate requirement set by state party rules.”

B. Filing Requirements for Republican Party Precinct Committeemen and Democratic and Republican State Convention Delegates Elected at the Primary Election

Candidates for Republican Party precinct committeeman and Democratic or Republican state convention delegate will be elected at the primary election to be held on Tuesday, June 2, 2020.

The Republican Party will elect its precinct committeemen at the June 2, 2020, primary election (IC 3-10-1-4.5) The Democratic Party will not elect its precinct committeemen until the May 2022 primary election (IC 3-10-1-4.6).

A candidate for Democratic Party precinct committeeman or Democratic or Republican state convention delegate must file a declaration of candidacy (CAN-37) with the county election board. (IC 3-8-2-6)

Republican candidates for precinct committeeman and Democratic and Republican candidates running for state convention delegate are not required to submit the Statement of Economic Interests (CAN-12).

Since precinct committeemen and state convention delegates are “political offices,” an individual may run for elected office (e.g. County Assessor, Township Board) and also run for precinct committeeperson or state convention delegate. This would not be considered a violation of the state constitution’s ban on dual lucrative officeholding. A person may run for precinct committeeman and for state convention delegate, and hold both political offices simultaneously without violating the state constitution’s ban on dual lucrative officeholding. Finally, precinct committeemen and state convention delegates are not subject to the state’s Campaign Finance Act.

The first day to submit a declaration of candidacy to the county election board is Wednesday, January 8, 2020, and the DEADLINE to file is 12:00 noon, prevailing local time, Friday, February 7, 2020. (IC 3-8-2-4; IC 3-8-2-5) A declaration of candidacy presented after February 7, 2020, at 12:00 noon, prevailing local time, will not be accepted for filing.

The declaration of candidacy (CAN-37) is available from the Election Division’s office, on the Division’s website, and each circuit court clerk’s office. A CAN-37 is included in this Guide under the Candidate Forms tab.
C. Candidate Withdrawal Requirements
A candidate for precinct committeeman or state convention delegate may file written notice of candidate withdrawal with the county election board certifying that the individual no longer wishes to be a candidate. The DEADLINE to file this notice with the county election board is 12:00 noon, prevailing local time, Monday, February 10, 2020. (IC 3-8-2-20) Upon receipt of this notice, the county election board will not certify that individual’s name as a candidate for the primary election. (IC 3-8-2-21) Notice of candidate withdrawal presented after February 10, 2020, at 12:00 noon, prevailing local time, will not be accepted for filing.

*Pursuant to Indiana Code 3-8-6-3(b), the figures provided on this chart are rounded down in the case of a partial number. When an election district is larger than one county, the minimum number of signatures needed will be higher than the sum of the numbers on this chart. This does not apply to the given statewide figure, as that number is two percent of the total statewide votes cast in the state for Secretary of State.
