Legislative Update
House Bill 1285

- Headed to the Governor’s desk for signature
- Requires redistricting to occur at certain times
- Changes population counts to reflect the 2020 census
Legislative Update
House Bill 328

- Probably headed to the Governor’s desk for signature
- Election conference payment updates
- Clarifies that a county can perform post-election audits – not just risk-limiting audits
- Matches voters with print disabilities deadlines to traditional abs mail deadlines
- Casting more than 1 ballot is a level 6 felony
Legislative Update
House Bill 1116

- FireEye agreements to continue if state or federal funding available
- Groups sending out ABS apps must include their name and a disclaimer on envelope of mailing
- ABS apps sent through SVRS must have 10-digit DLN # or Last 4 of SS
- ePB must transmit provisional ballot info to SVRS
- Must use VVPATs (10% of inventory by 2022 and 100% by 2024) to continue using DREs
- Repeals the mailing requirement for provisional ballot notice to the voter 3 days after the election.
- “Early Voting” used in IED forms.
Voters with Print Disabilities

- Combined form approved by state forms
- Civix is building the form into SVRS
- Goal is to be ready by the primary
Publications will be mailed starting March 18th

- Voter's Bill of Rights (English and Spanish)
- Military and Overseas Voter’s Guide
- Election Day Handbook
- Voter Information Guide
- Photo ID Chute Poster (English and Spanish)
- Poll Worker Information Guide

These are coming directly from the printer.
