1 CHAIRMAN BOYCE: Okay. This meeting of the
2 Indiana Election Commission is called to order.
3 Thank you for being patient. Sorry about the
4 delay.

5 The following members of the Commission are
6 present: Myself, our chair, Beth Boyce; Suzannah
7 Wilson Overholt, our vice chair; we have with us
8 today Mr. Michael Claytor, who is a proxy, and we
9 have it in our packets the appropriate form that
10 was filed, he is here on behalf of Karen
11 Celestino-Horseman; and member John Westercamp.

12 We also have with us the Indiana Election
13 Division staff: Co-Director Brad King and
14 Co-Director Angie Nussmeyer; Co-General Counsels
15 Matthew Kochevar and Valerie Warycha. We also are
16 joined by our court reporter, Maria Collier, from
17 Stewart Richardson Deposition Services.

18 And I want to make a note, before we continue
19 the meeting, to remind everyone on behalf of the
20 court reporter to identify yourself when beginning
21 to speak, spell your name when identifying
22 yourself, speak clearly, and do not speak at the
23 same time as others.

24 I also wanted to make a note, staff has asked,
25 there are sign-in sheets in the back. I think

1 there are several kind of on various rows. So if
2 everyone that's here -- yeah, on a clipboard.
3 Thank you. So if everyone that's here could just
4 register their attendance on one of those sheets,
5 we would appreciate it.

6 We want to reference the documentation of
7 compliance with the Open Door Law. I request that
8 the co-directors confirm that the Commission
9 meeting has been properly noticed as required under
10 the Open Door Law.

11 MR. KING: Madam Chair and members of the
12 Commission, speaking on behalf of myself and
13 Co-Director Nussmeyer, we certify that notice was
14 given of this meeting in accordance with the
15 requirements of the Open Door Law.

16 CHAIRMAN BOYCE: Thank you.

17 Next up we'll have the approval of our
18 September 23, 2025, Indiana Election Commission
19 minutes. I recognize the co-directors to present
20 the minutes of the referenced meeting.

21 MR. KING: Madam Chair and members of the
22 Commission, on behalf of myself and Co-Director
23 Nussmeyer, we have reviewed the September 23, 2025,
24 minutes and recommend them to you for your
25 approval.

1 CHAIRMAN BOYCE: Is there a motion to approve
2 each of the minutes as presented?

3 MR. WESTERCAMP: So moved.

4 CHAIRMAN BOYCE: Is there a second?

5 VICE CHAIRMAN OVERHOLT: Second.

6 CHAIRMAN BOYCE: Any discussion?

7 Hearing none, all in favor say "aye."

8 VICE CHAIRMAN OVERHOLT: Aye.

9 MR. CLAYTOR: Aye.

10 MR. WESTERCAMP: Aye.

11 CHAIRMAN BOYCE: The "ayes" have it, and the
12 motion to approve each of the minutes is adopted.

13 Is there consent from each of the members to
14 authorize the Indiana Election Division to use our
15 individual signature stamps to document our
16 approval of the documents at this meeting?

17 VICE CHAIRMAN OVERHOLT: Consent.

18 MR. WESTERCAMP: Consent.

19 CHAIRMAN BOYCE: And then I assume, with him
20 being a proxy, it's Karen's signature.

21 MS. NUSSMEYER: Uh-huh.

22 CHAIRMAN BOYCE: Okay. The Election Division
23 is authorized to act accordingly.

24 Up next, adoption of the campaign finance
25 orders. The Election Division staff has prepared

1 drafts of Indiana Election Commission Orders
2 2025-300 through 2025-676, which reflects the
3 actions of the Commission regarding campaign
4 finance hearings conducted at the September 23rd
5 meeting.

6 Is there a motion to adopt these orders as
7 presented?

8 VICE CHAIRMAN OVERHOLT: So moved.

9 MR. WESTERCAMP: Second.

10 CHAIRMAN BOYCE: Any discussion?

11 Hearing none, all in favor say "aye."

12 VICE CHAIRMAN OVERHOLT: Aye.

13 MR. CLAYTOR: Aye.

14 MR. WESTERCAMP: Aye.

15 CHAIRMAN BOYCE: Opposed say "nay."

16 The "ayes" have it, and the motion to approve
17 the orders is adopted.

18 Up next, I recognize the Election Division's
19 campaign finance staff, Ms. Taylor and
20 Ms. Thompson, to present information concerning
21 several campaign finance settlement agreements
22 entered into on behalf of the Commission.

23 MS. THOMPSON: Madam Chair, members of the
24 Commission, in your binder there, there's a list of
25 committees that are ready to ratify that have

1 agreed to pay the settlement agreement and waive a
2 hearing.

3 MS. TAYLOR: It's the first page.

4 VICE CHAIRMAN OVERHOLT: So it's only two?

5 MS. TAYLOR: It's only two, yes.

6 VICE CHAIRMAN OVERHOLT: Okay. I was confused
7 because when you said several, I was expecting a
8 longer list. Okay. So it's just these two.

9 MS. TAYLOR: Uh-huh.

10 MR. WESTERCAMP: Versus the last hearing we
11 had where there was --

12 MS. TAYLOR: Many.

13 MR. WESTERCAMP: There were many.

14 VICE CHAIRMAN OVERHOLT: I'm sorry. What is
15 Indiana PA PAC?

16 MS. TAYLOR: Physicians assistants PAC.

17 VICE CHAIRMAN OVERHOLT: Okay. Thank you.

18 CHAIRMAN BOYCE: Okay. Is there a motion to
19 ratify the campaign finance settlement agreements
20 as presented?

21 VICE CHAIRMAN OVERHOLT: So moved.

22 CHAIRMAN BOYCE: Second?

23 MR. WESTERCAMP: Second.

24 CHAIRMAN BOYCE: Okay. Any discussion?

25 Hearing none, all in favor say "aye."

1 VICE CHAIRMAN OVERHOLT: Aye.

2 MR. CLAYTOR: Aye.

3 MR. WESTERCAMP: Aye.

4 CHAIRMAN BOYCE: Opposed say "nay."

5 The "ayes" have it, and the motion to ratify
6 the agreements is adopted.

7 Up next, we want to go through the
8 administration of the oath. If any person here
9 plans to testify at today's meeting on any matter,
10 please stand for the administration of the oath.

11 I recognize Matthew Kochevar to administer the
12 oath.

13 MR. KOCHEVAR: Thank you, Madam Chair.

14 All those who will testify before the Indiana
15 Election Commission, please raise your right hand
16 and say "I do" after recitation of the oath.

17 Do you solemnly swear or affirm, under the
18 penalties of perjury, that the testimony you are
19 about to give to the Indiana Election Commission is
20 the truth, the whole truth, and nothing but the
21 truth? Please say "I do."

22 ALL: I do.

23 MR. KOCHEVAR: Thank you.

24 CHAIRMAN BOYCE: Thank you very much.

25 We'll move on to campaign finance enforcement

1 matters. Before proceeding with campaign finance
2 enforcement actions, we have customarily given any
3 committee present the final opportunity to pay a
4 reduced civil penalty by waiving the right to
5 present evidence and arguments to the Commission.
6 Of course, any committee is welcome to present
7 evidence and arguments for the proposed penalty to
8 be waived or reduced, but this has been an
9 opportunity for those who want to waive any
10 presentation and accept a reduced penalty without
11 making argument or presentation.

12 Therefore, I move the adoption of the
13 following arrangements: If this is the committee's
14 first violation, the arrangement is for the
15 committee to agree to pay 25 percent of the
16 proposed fine plus mailing costs. If this is the
17 committee's second violation, the arrangement is
18 for the committee to agree to pay 50 percent of the
19 proposed fine plus mailing costs. If this is the
20 committee's third violation, the committee would
21 agree to pay 75 percent of the proposed violation
22 plus mailing costs.

23 For purposes of this arrangement, a previous
24 settlement agreement entered into by the committee
25 will be counted as one violation. Likewise, if

1 more than one alleged violation occurred on the
2 same calendar day, that group of violations shall
3 be counted as one.

4 Is there a second to this motion?

5 MR. CLAYTOR: Second.

6 CHAIRMAN BOYCE: Any discussion?

7 If there is no discussion, then I would like
8 to see who is in favor. All in favor say "aye."

9 VICE CHAIRMAN OVERHOLT: Aye.

10 MR. CLAYTOR: Aye.

11 MR. WESTERCAMP: Aye.

12 CHAIRMAN BOYCE: Opposed say "nay."

13 The "ayes" have it, and the motion is adopted.

14 VICE CHAIRMAN OVERHOLT: And before we
15 continue, can I give our little speech we give --

16 CHAIRMAN BOYCE: Sure, sure.

17 VICE CHAIRMAN OVERHOLT: -- to encourage
18 people to do this, although it seems like we have a
19 small gathering today.

20 But just in terms of that kind of potential
21 settlement arrangement that the Chair just
22 described, I just wanted to emphasize that this is
23 the only time it's available during this hearing
24 process. So if you don't -- because in a minute
25 people are going to be invited to come up to say

1 whether they want to take that deal or not, and if
2 you don't take it now and want to argue the merits
3 of the proposed fine or why you think you shouldn't
4 be fined or penalized, that deal, the deal
5 structure that we just went over, is off the table,
6 so you would likely be required to pay more than if
7 you came up to us now.

8 So this is kind of the one and only time to do
9 it. We encourage you to do it if you are hoping to
10 get out of here paying less than the proposed
11 penalty.

12 CHAIRMAN BOYCE: Very good.

13 The Commission will begin with the committees
14 whose representatives are seated in the front row
15 of the room and ask those who wish to accept these
16 arrangements to please step forward and be
17 recognized to confirm the committee's acceptance of
18 the arrangement.

19 Remember, this is not a time for anyone to
20 make their case to ask for the reduction or waiver
21 of any proposed penalty. Simply state your name,
22 the name of the committee, and your enforcement
23 action cause number, if you have that available for
24 staff, and confirm verbally that you are accepting
25 this arrangement.

1 If you do wish to make any other statement or
2 explanation regarding your case, please wait until
3 the other committees in the room have indicated
4 their agreement to the arrangement.

5 MR. RADICE: I'm sorry. I've never done this
6 before. Forgive me for my novice --

7 CHAIRMAN BOYCE: Hold on one second. So we
8 need you to stand up and identify yourself.

9 MR. RADICE: Sorry.

10 MR. WESTERCAMP: Would you come to the
11 microphone.

12 MR. RADICE: Oh, yeah, sure, sure. No
13 problem. Forgive me for my -- my name is Timothy
14 Michael Radice. Pleasure to meet you. It's a
15 pleasure to meet you finally, Mr. King.

16 CHAIRMAN BOYCE: You'll need to spell your
17 name.

18 MR. RADICE: Oh, I'm sorry. I'm sorry. So my
19 name is Timothy Michael Radice. It's spelled
20 T-i-m-o-t-h-y, and it's going to be M-i-c-h-a-e-l,
21 last name is going to be R-a-d-i-c-e.

22 So I'm okay with taking the 25 percent
23 penalty. It was just a mistake. I mistakenly
24 filed --

25 CHAIRMAN BOYCE: Hold on a second. So if you

1 want to take the agreement, that comes without
2 explanation. So if you're wanting to kind of state
3 your case, then that would have to come at a later
4 time.

5 MR. RADICE: Oh, okay, sure. Yeah,
6 25 percent, I'll do that. That's fine.

7 CHAIRMAN BOYCE: Okay. Do you have your cause
8 number, please?

9 MR. RADICE: I think it's 2025-7669-107, if
10 I'm not mistaken.

11 CHAIRMAN BOYCE: So hold on just one second.

12 MR. RADICE: Sure.

13 MS. THOMPSON: Yeah. Madam Chairman, it's on
14 page 3.

15 CHAIRMAN BOYCE: Oh, at the bottom. I see.

16 MS. THOMPSON: Citizens for Tim Radice.

17 MR. RADICE: Yes.

18 MS. THOMPSON: Cause No. 2025-7669-107, has
19 not been before the Commission before, and has a
20 proposed civil penalty of \$400.66.

21 CHAIRMAN BOYCE: Okay. So if you are
22 interested in the agreement, it would be
23 25 percent.

24 MR. RADICE: Uh-huh.

25 MR. WESTERCAMP: Plus expenses.

1 CHAIRMAN BOYCE: Plus the mailing.

2 VICE CHAIRMAN OVERHOLT: So \$100.66.

3 CHAIRMAN BOYCE: Okay. So all those in favor
4 of -- oh, I'm sorry. I need a motion and a second.

5 MR. WESTERCAMP: So moved.

6 CHAIRMAN BOYCE: Sorry.

7 MR. CLAYTOR: Second.

8 CHAIRMAN BOYCE: Okay. All those in favor of
9 this settlement agreement in the amount of \$100.66
10 please signify by saying "aye."

11 VICE CHAIRMAN OVERHOLT: Aye.

12 MR. CLAYTOR: Aye.

13 MR. WESTERCAMP: Aye.

14 CHAIRMAN BOYCE: Any opposed "nay."

15 The "ayes" have it, and the motion is adopted.

16 MR. RADICE: Thank you folks so much for your
17 mercy.

18 CHAIRMAN BOYCE: Thank you.

19 MS. NUSSMEYER: Madam Chair, if I might, just
20 a reminder to folks in this room, you do not pay
21 today. The Commission will have to adopt orders at
22 the next meeting, and then an invoice is sent to
23 you for payment.

24 MR. RADICE: Okay.

25 CHAIRMAN BOYCE: Thank you.

1 MR. RADICE: Am I free to leave?

2 CHAIRMAN BOYCE: Yes.

3 MR. RADICE: Oh, thank you. I need to use the
4 restroom. Have a nice one, everyone.

5 CHAIRMAN BOYCE: Okay. So as I was
6 mentioning, we're going to work from the front of
7 the room back, so I think he was kind of up in the
8 front over here. Are there any other committees or
9 individuals that would like to -- okay. If you
10 could come up and come to the microphone.

11 MS. WARYCHA: And Matthew will need to swear
12 him in because he came in late.

13 CHAIRMAN BOYCE: Thank you.

14 MR. PHILLIPS: Sit down?

15 MS. WARYCHA: Yes, please.

16 CHAIRMAN BOYCE: Yes. Hold on one second,
17 sir.

18 MR. KOCHEVAR: Actually, sir, before you do, I
19 have to swear you in. You have to take the oath.

20 MR. PHILLIPS: Sure.

21 MR. KOCHEVAR: Raise your right hand and say
22 "I do" after recitation of the oath.

23 Do you solemnly swear or affirm, under the
24 penalties of perjury, that the testimony you are
25 about to give to the Indiana Election Commission is

1 the truth, the whole truth, and nothing but the
2 truth?

3 MR. PHILLIPS: The Lord I serve is the truth,
4 and I speak the truth because my Lord is the truth.

5 MR. KOCHEVAR: Thank you.

6 MR. PHILLIPS: You're welcome. Well --

7 CHAIRMAN BOYCE: Okay. If you could let us
8 know your name.

9 MR. PHILLIPS: My name is Watermelon Jim.

10 CHAIRMAN BOYCE: And please spell your full
11 name.

12 MR. PHILLIPS: James Lee Phillips.

13 MR. WESTERCAMP: Could you spell that.

14 CHAIRMAN BOYCE: Could you spell that for our
15 court reporter, please.

16 MR. PHILLIPS: Yes. James is J-a-m-e-s, and
17 Phillips is P-h-i-l-l-i-p-s.

18 CHAIRMAN BOYCE: Okay. Do you have your cause
19 number?

20 MR. PHILLIPS: I don't know what my cause
21 number is, but I've got --

22 MS. THOMPSON: Madam Chairman, this is on the
23 first page. It's Watermelon Jim for State
24 Representative, Cause No. 2025-7944-1, has not been
25 before the Commission before and has a proposed

1 civil penalty of \$350.66.

2 CHAIRMAN BOYCE: Thank you.

3 Having not been before the Commission before,
4 the agreement would be for a payment of 25 percent
5 of that penalty plus the mailing costs.

6 MS. TAYLOR: It's \$87.50 plus 66 cents of mail
7 costs so \$88.16.

8 MR. PHILLIPS: I'm tickled to death to get out
9 of this mess. I didn't have no computer, and I
10 learned one thing: If you're going to run for
11 office, you better get a computer.

12 CHAIRMAN BOYCE: Okay. Any discussion,
13 questions? If not, I'd look for a motion and a
14 second to --

15 MR. WESTERCAMP: I move to reduce the amount
16 to \$88.16.

17 VICE CHAIRMAN OVERHOLT: Second.

18 CHAIRMAN BOYCE: So I have a motion and
19 second. Any discussion?

20 If not, all those in favor please signify by
21 saying "aye."

22 VICE CHAIRMAN OVERHOLT: Aye.

23 MR. CLAYTOR: Aye.

24 MR. WESTERCAMP: Aye.

25 CHAIRMAN BOYCE: Any opposed "nay."

1 Motion passes.

2 MR. PHILLIPS: Thank you very much. God bless
3 you and stay safe.

4 CHAIRMAN BOYCE: Thank you. You too.

5 MR. PHILLIPS: I went through the big
6 building, and everywhere you look down there, you
7 can't get in unless you're authorized. Thank you
8 all very much.

9 CHAIRMAN BOYCE: Have a good day. Thank you.

10 Okay. Any others?

11 Yes, sir. Please come forward and state your
12 name and please spell it.

13 MR. BELLAMY: I was certain you said from
14 front to back, so I just want the record to reflect
15 I was following the rules.

16 CHAIRMAN BOYCE: Yeah. He jumped up before
17 you did.

18 MR. BELLAMY: He's much more known than I am.
19 I am Jeff Bellamy, B-e-l-l-a-m-y. I am an attorney
20 with offices at 8440 Woodfield Crossing Boulevard,
21 Suite 310, here in the city of Indianapolis. I'm
22 here on behalf of a matter entitled Grassroots PAC
23 with an administrative cause number 2025-7551-317.

24 MS. TAYLOR: You have two causes. Did you
25 know that? The second is 2025-7551-89 and then

1 -317, so there are two causes. The first is on
2 page 2; the second is on page 8.

3 Madam Chair and members of the Commission,
4 this is Grassroots PAC, Causes 2025-751-89 and
5 2025-7551-317. They've been before the Commission
6 one other time and paid a settlement agreement, so
7 this is the third time. Proposed civil penalty of
8 \$1,000.66 in the Cause -89 and proposed civil
9 penalty of \$1,000.73 in Cause -317.

10 VICE CHAIRMAN OVERHOLT: So that would be \$750
11 for each, right, at the 75 percent?

12 MS. TAYLOR: Yes.

13 MR. BELLAMY: Well, wouldn't the second one be
14 second and the next one be third?

15 MS. TAYLOR: It could be third and fourth, but
16 this is one hearing, so we'll just do them together
17 as a hearing instead of causes, is what we usually
18 do.

19 MR. BELLAMY: I just want to understand
20 accurately. I thought you said there was one prior
21 and there's two today or there's two prior and two
22 today?

23 MS. TAYLOR: Two prior and two today.

24 MR. BELLAMY: Thank you. That's what I needed
25 to know.

1 VICE CHAIRMAN OVERHOLT: So this counts as the
2 third; right?

3 MS. TAYLOR: The third, yes.

4 CHAIRMAN BOYCE: So for each 750 and then --

5 MR. CLAYTOR: Plus postage.

6 CHAIRMAN BOYCE: -- 66 cents on the first one.

7 VICE CHAIRMAN OVERHOLT: And 73 on the second
8 one.

9 MS. NUSSMEYER: \$1.39.

10 CHAIRMAN BOYCE: Thank you. Okay.

11 VICE CHAIRMAN OVERHOLT: So 1,501.39?

12 MS. TAYLOR: Yeah.

13 CHAIRMAN BOYCE: Okay. So just to recap that,
14 so the total of the two cause numbers at a
15 75 percent rate would be \$1,501.39. Do we have a
16 motion and a second to approve?

17 MR. WESTERCAMP: So moved.

18 MR. CLAYTOR: Second.

19 CHAIRMAN BOYCE: Any discussion?

20 Hearing none, all those in favor signify by
21 saying "aye."

22 VICE CHAIRMAN OVERHOLT: Aye.

23 MR. CLAYTOR: Aye.

24 MR. WESTERCAMP: Aye.

25 CHAIRMAN BOYCE: Opposed "nay."

1 Motion passes.

2 MR. BELLAMY: Thank you for your attention.

3 MR. WESTERCAMP: Thank you.

4 CHAIRMAN BOYCE: Okay. Any other -- okay. I
5 think we are good there.

6 Okay. The Commission will proceed to open its
7 hearing on campaign finance enforcement actions.
8 Members, the binders or other material provided to
9 you include a campaign finance spreadsheet prepared
10 by Abbey and Michelle. After presentation -- I'm
11 sorry. Okay. Hold on. So where is this
12 spreadsheet?

13 VICE CHAIRMAN OVERHOLT: It's what we've just
14 been looking at.

15 CHAIRMAN BOYCE: Oh, I'm sorry. Okay. Even
16 though it's not in a spreadsheet form. Sorry.

17 MS. TAYLOR: I think in 1997 technology when
18 it was created, it might have been a spreadsheet,
19 but...

20 CHAIRMAN BOYCE: I apologize. Yeah. I wasn't
21 thinking. Doesn't seem like a spreadsheet the way
22 it's printed.

23 VICE CHAIRMAN OVERHOLT: Loosely characterized
24 as a spreadsheet.

25 CHAIRMAN BOYCE: Spreadsheet. Okay.

1 So now we need to move on to those campaign
2 finance matters that would require discussion. And
3 I think we will proceed in the same manner, moving
4 front to back.

5 Hold on a second. I need to get myself
6 situated here. I'm sorry, everybody.

7 Okay. I apologize. The remaining committees
8 will be called to permit the presentation of
9 evidence in these campaign finance matters. Before
10 doing so, I want to note that in the past the
11 Commission has followed certain procedures for
12 conducting campaign finance hearings, and I move
13 that the Commission use the following procedures
14 today:

15 One, when the campaign finance matter is
16 called, hearing will begin with recognizing
17 campaign finance staff to provide information about
18 the documents in this matter provided to Commission
19 members, including letters from committees and the
20 notice given to the campaign committee.

21 Two, unless there is objection, the documents
22 provided to the Commission by the Election Division
23 will be entered into the record of this meeting.

24 Three, after campaign finance staff completes
25 presentation, a representative of the committee

1 will be recognized first and may present their case
2 for no more than five minutes. Next, Commission
3 members may ask questions during the presentation,
4 but the time spent answering these questions will
5 not be counted against a presenter's time. The
6 Election Division may signal the chair when a
7 presenter's time is up.

8 And I think last time Valerie will be our
9 official time keeper now that she has her phone.

10 MS. WARYCHA: Yes.

11 CHAIRMAN BOYCE: If the presenter offers
12 additional documentation or other physical evidence
13 not previously received by the Commission, then the
14 original must be provided to the Election Division,
15 Valerie, to preserve for the record.

16 If the Commission finds that a committee has
17 violated the campaign finance statutes, state law
18 requires a unanimous vote of all four commissioners
19 to waive or reduce the amount of the penalty set by
20 state law.

21 If the Commission makes a decision at this
22 meeting to either fine the committee or dismiss the
23 case against the committee, then the Election
24 Division will prepare a final order for the
25 Commission to approve at a later meeting. If a

1 committee is fined today, the committee will
2 receive a notice from the Election Division to pay
3 the fine after the Commission adopts the final
4 order. So it may be some time after today before a
5 committee will be required to pay the fine.

6 The Commission will recognize committees to
7 make a presentation beginning from the committees
8 seated in the front of the room. It's very helpful
9 if you can speak up and say the cause number or
10 numbers of your hearing notice so that the
11 Commission and staff can quickly look it up in the
12 spreadsheet. Remember to identify yourself when
13 you start speaking and to indicate if you took the
14 oath administered earlier in the meeting. If you
15 did not, I will ask Mr. Kochevar to administer the
16 oath to you.

17 Is there a second to this motion?

18 VICE CHAIRMAN OVERHOLT: Second.

19 CHAIRMAN BOYCE: Any questions or objections
20 from the Commission members?

21 If there is no further discussion, the
22 question is on the adoption of the motion. All in
23 favor say "aye."

24 VICE CHAIRMAN OVERHOLT: Aye.

25 MR. CLAYTOR: Aye.

1 MR. WESTERCAMP: Aye.

2 CHAIRMAN BOYCE: Opposed say "nay."

3 The "ayes" have it, and the motion is
4 approved.

5 Okay. The Commission will proceed to open its
6 hearings on campaign finance enforcement actions.

7 Okay. So let's start from the front of the room.

8 We're going to do the same thing. Is there
9 anyone -- or not everybody jump up at once.

10 MS. WARYCHA: This is VSTOP right here.

11 CHAIRMAN BOYCE: Oh, okay. So, sir, I think
12 you're on.

13 MR. GUTRICH: Okay. So my name first? My
14 name is William, or Bill, Gutrich, spelled G, like
15 George, -u-t-r-i-c-h. And I guess these cause
16 numbers are -385 and -388. Do you need more
17 numbers?

18 CHAIRMAN BOYCE: Give us just one second.

19 MS. TAYLOR: It's on page 11 and 12, bottom of
20 11 and top of 12.

21 MR. GUTRICH: So five minutes, I didn't
22 rehearse for that.

23 MS. TAYLOR: Madam Chairman, members of the
24 Commission, this is Gutrich for Indiana, Cause
25 No. 2025-7832-385 for a proposed civil penalty of

1 \$1,000 and surprise mail cost; and the second cause
2 is 2025-7832-388 for a proposed civil penalty of
3 \$1,000 and a surprise mail cost.

4 MR. WESTERCAMP: What's the nature of the
5 offense that's alleged?

6 MS. THOMPSON: This is actually a motion to
7 reconsider. Mr. Gutrich was -- and he can explain.
8 He was not able to make it at the last meeting, and
9 so he asked for a motion to reconsider the fine.

10 CHAIRMAN BOYCE: Okay.

11 MR. GUTRICH: Yeah. I, unbeknownst, ended up
12 in the hospital getting a stent in my coronary
13 artery, so apologize for missing. I was kind of
14 busy that day. But if I can start my five minutes.

15 MS. WARYCHA: Yeah. Go ahead, please.

16 MR. GUTRICH: So my name is Bill Gutrich, and
17 I am sitting before you because about two years ago
18 I made what is becoming more and more so a stupid
19 decision to decide to offer myself to serve my
20 fellow citizens as a local public servant. I had
21 never run for office before. I come from a family
22 of policemen, firemen, teachers, and nurses, and
23 it's always been in me, although my dad said, "If
24 you become a cop, I'll shoot you myself."

25 So I pursued a career in business, and

1 35 years later, just knowing a local politician in
2 Hamilton County, a friend who serves in Hamilton
3 County government encouraged me to run when our
4 state rep announced she was retiring. I ran
5 against who is our current state rep, who is from
6 Zionsville. The district is 94 percent Hamilton
7 County and 65 percent Westfield, and being
8 Westfield the faster growing city in Indiana, one
9 of Indiana's bigger cities, everybody wanted
10 somebody from Westfield, me, to run and not have
11 two state reps from Zionsville. The person that I
12 lost to is also a former Colts player, and the
13 political consultant said I could beat him, and
14 they were dead wrong. With an uninformed
15 electorate and mass popularity of somebody's name,
16 it's just not possible.

17 But anyway, I offered myself when I was asked
18 to serve and gave up six months of my life working
19 every living breathing minute when I wasn't working
20 to knock doors, to call people. Ended up having to
21 raise \$100,000. I was told to hire a political
22 consultant at \$4,000 a month over five months, and
23 I was told to hire a fund-raiser. Did all that and
24 still, at the end of it, the campaign came up
25 \$14,000 short of our expenses, which meant I had to

1 go into a home equity line and pull \$14,000 of my
2 own money out along with all the time and effort I
3 had given to try and offer myself.

4 What I found out is the political consultant
5 had promised -- that's Coverdale Consulting in
6 Fishers. They were handling many campaigns and I
7 was just being told use these guys, do this. They
8 said, "We'll handle all the finance -- the filing
9 of your campaign finance stuff," and they were
10 filing this each week apparently. But apparently
11 they didn't bother to do it the last two weeks, and
12 I had no idea.

13 So about two, three -- or a month or so or
14 whatever after I had lost the primary and they were
15 no longer interested in me and I was no longer
16 paying them, of course, I get notice in the mail
17 saying that there was not filings made for the last
18 two weeks of my campaign for donations and
19 legitimate donations that came in.

20 And so not having any help from them, I spent
21 the better part of a day studying and trying to
22 understand the very intricate stuff to get this
23 filed, which is very hard for a citizen to just
24 figure out and understand. It really feels like
25 the establishment people know all this stuff, and I

1 certainly didn't. But with great help from the
2 office -- and thank you for that -- I was able to
3 figure it out and got filed what had not been
4 filed. But then I was told with these letters
5 that, well, that was supposed to be filed during
6 that week. So I had two \$1,000 donations, one in
7 each week, that required filing that week, and
8 because it was not filed that week, I am told that
9 I am fined \$1,000 for each of those.

10 I ask the mercy of this committee that, you
11 know, I gave my heart and soul just to be a public
12 servant and some of my own money, which I'll never
13 get back. It shouldn't be this hard for people to
14 step up and run for office. But what this says is
15 that, well, dive into your money some more for
16 another \$2,000 because somebody who said that they
17 were going to do something for you didn't do it and
18 didn't care because you were no longer valuable to
19 them because you didn't win.

20 So I filed it. It was legitimate donations.
21 There was -- it's just a matter of timing that they
22 weren't filed in time, so there was no fraud or
23 anything else. I do understand the purpose of
24 these laws to protect from fraud and these kind of
25 things, but I'm just a citizen who tried to run for

1 office, and I beg the mercy of this committee to
2 not make my paying \$2,000 greater.

3 VICE CHAIRMAN OVERHOLT: If I could ask, I'm
4 assuming then that a default was entered at the
5 last hearing. Is that what I'm hearing?

6 MS. THOMPSON: Correct, yes.

7 VICE CHAIRMAN OVERHOLT: So a total of \$2,000
8 has already been imposed.

9 MS. THOMPSON: Yes.

10 VICE CHAIRMAN OVERHOLT: So the question is,
11 number one, whether we're willing to, I guess,
12 reconsider that.

13 MS. TAYLOR: Yes.

14 MS. THOMPSON: Correct.

15 VICE CHAIRMAN OVERHOLT: So we have to rule on
16 that, we have to make that determination first
17 before we go to the merits; right?

18 MR. KING: Yes.

19 MR. WESTERCAMP: Can I ask a question before
20 we go to that?

21 So is your campaign committee an LLC,
22 Mr. Gutrich?

23 MR. GUTRICH: I don't even know. No. I
24 mean -- well, I don't remember how we set it up.
25 It was Gutrich -- my name, Gutrich for Indiana,

1 shut it down right away when we lost the primary,
2 and I'm not sure, honestly.

3 MR. WESTERCAMP: Okay. Thank you.

4 MR. GUTRICH: I wish I did know that.

5 CHAIRMAN BOYCE: Any other questions?

6 MR. GUTRICH: I suppose it is, though. I
7 don't know.

8 MS. TAYLOR: I just want to let you know the
9 committee is still open. You have not closed it,
10 so you will owe a report in January. I believe the
11 deadline is January 21, 2026. The balance is zero,
12 so you can go ahead and close it, but it is still
13 open, and I don't want you to have another
14 surprise.

15 MR. GUTRICH: Well, I will take that advice
16 and get it closed, and I'll never do this again. I
17 swear, I tell people, they say, "Well, you should
18 run again," and I'm like, "Not in a million years.
19 Thank you."

20 CHAIRMAN BOYCE: Any other questions?

21 Okay. I'll declare the hearing on this -- I'm
22 sorry.

23 VICE CHAIRMAN OVERHOLT: I was going to move
24 that we grant the motion to reconsider.

25 MR. WESTERCAMP: I second that.

1 CHAIRMAN BOYCE: Okay. All those in favor
2 signify by saying "aye."

3 VICE CHAIRMAN OVERHOLT: Aye.

4 MR. CLAYTOR: Aye.

5 MR. WESTERCAMP: Aye.

6 CHAIRMAN BOYCE: Opposed "nay."

7 The motion passes.

8 Okay. So now --

9 MR. WESTERCAMP: I would move to waive the fee
10 for both of those matters for Mr. Gutrich here.

11 CHAIRMAN BOYCE: To waive the fee completely?

12 MR. WESTERCAMP: Yes.

13 CHAIRMAN BOYCE: Do we have a second or any
14 thoughts, discussion?

15 MR. CLAYTOR: Madam Chairman, may I ask a
16 question?

17 VICE CHAIRMAN OVERHOLT: I think we need a
18 second.

19 CHAIRMAN BOYCE: We need a second.

20 Okay. I'll second that, but I would -- if
21 it's okay, I don't really agree with waiving it
22 completely. I feel like at this point, you know,
23 the 25 percent is something that we've entered into
24 with many, many campaigns and committees and
25 individuals, and I could see us doing that, but I

1 do not agree with dropping it completely.

2 MR. WESTERCAMP: You're suggesting a
3 25 percent?

4 CHAIRMAN BOYCE: Yes, which is what we would
5 have offered many others.

6 Any other questions?

7 MR. CLAYTOR: Just when you describe -- other
8 than reliance on your consultant, were there any
9 other things that prevented you from timely filing?

10 MR. GUTRICH: Yeah, no. So, you know, I was
11 led along by people that, you know, I run for
12 office and know what they're doing kind of thing.
13 They told me, honestly, get out every waking moment
14 you have and knock on doors. I knocked on 3,800
15 doors in those weeks that this applied to, and they
16 didn't want me doing anything but, if I was awake,
17 go talk to voters. Funny enough, I won those. I
18 went to eight precincts and actually won that, but
19 you can't get to 60 precincts. So it was just that
20 every waking moment I had I was told to go out and
21 knock doors or make phone calls. And so people
22 told me, "We'll take care of this," and then I just
23 honestly found out they didn't take care of it.

24 MR. CLAYTOR: Okay. But you mentioned illness
25 and having a stent. You weren't laying in a

1 hospital bed --

2 MR. GUTRICH: No. I was supposed to be at a
3 hearing --

4 CHAIRMAN BOYCE: Here.

5 MR. GUTRICH: -- on the 23rd.

6 MR. CLAYTOR: I misunderstood that. Thank
7 you.

8 MR. GUTRICH: Yes. And I ended up in the
9 hospital getting a stent.

10 CHAIRMAN BOYCE: That was recent.

11 MR. GUTRICH: Yes. And I asked for this
12 continuance to today. Thank you.

13 CHAIRMAN BOYCE: Yes, right.

14 Any other discussion? So the motion on the
15 floor is to waive it completely.

16 MR. WESTERCAMP: Are you moving to change it?
17 Is that what your motion is?

18 CHAIRMAN BOYCE: Yes.

19 MR. WESTERCAMP: I'll second that motion.

20 CHAIRMAN BOYCE: Okay.

21 MR. GUTRICH: Could I ask a question about
22 that?

23 CHAIRMAN BOYCE: Sure.

24 MR. GUTRICH: I understand, as a committee,
25 wanting to be consistent perhaps with what you did

1 before. I get that. But just -- whether it's
2 \$2,000 or \$5,000, I can afford to pay it. I just
3 don't think either number is right, honestly. I
4 think I acted in good faith. This was a timing
5 issue. The donations were legitimate. They were
6 accurately filed. I ask the mercy. I guess just
7 what's the purpose of the fine? Because it was
8 late? Is that \$500 because it was late? Is that
9 what we're saying?

10 VICE CHAIRMAN OVERHOLT: Well, if I might,
11 since I've been sitting on here -- I've been on
12 this Commission probably way longer than I should
13 be. So sorry.

14 MR. GUTRICH: Well, thank you for your
15 service.

16 VICE CHAIRMAN OVERHOLT: Well, I appreciate
17 it. I was out of town and got home at 11:30 and
18 thought, oh, I've got to be at this meeting at
19 10:00 this morning, so you kind of rethink your
20 life choices sometimes.

21 Anyway, sorry. All that aside, so the reason
22 I'm speaking up is because I've been involved in a
23 lot of these hearings, and so the reason for the
24 fines, so there's an entire statutory framework
25 that establishes how elections are run and financed

1 in the state of Indiana, and there's similar
2 structure at the federal level.

3 And those rules are really important because
4 there are reporting requirements so that people at
5 the time can see what candidates are up to, that
6 they can see who is donating to campaigns, so the
7 electorate can see that, so other people running
8 for office can see it. And the fines are there
9 because, you know, I guess we've learned,
10 unfortunately, that carrots -- I don't know what
11 the carrot would be in these instances, so using
12 some sticks to say you've got to comply with the
13 statute or the fines are going to be imposed.

14 And, historically, when we waive the fines --
15 because you, as the person running for office, I
16 mean, it is your campaign and it's your campaign
17 finance committee. And we've had lots of folks
18 come in who their treasurers have, you know, been
19 on vacation and forgot to file the reports, they
20 didn't know what the rule -- what we hear is
21 everything from, We didn't know, I didn't
22 understand what the rules were, I haven't done this
23 before, to, I thought someone else had done it, I
24 thought someone else was going to do it, to, quite
25 literally, I think we really did get a, My dog ate

1 the -- I mean, we've had it all. We've had all of
2 that, right?

3 And I understand because there are a lot of
4 people who miss the deadlines, and that's why we've
5 been pretty -- it takes a very extreme situation,
6 which I think is why Mr. Claytor asked about when
7 it was you were in the hospital, which may sound
8 like not a very nice question to ask, but some of
9 those situations are ones where we have actually
10 decided to waive.

11 MR. GUTRICH: I understand.

12 VICE CHAIRMAN OVERHOLT: This is our time to
13 speak. So anyway, that's the explanation, and
14 that's why -- I think we have to vote on the motion
15 that's in front of us, but that's why I'll be
16 voting against that particular motion.

17 MS. WARYCHA: I was just going to say, just so
18 that we're all clear on the motion, Beth, do you
19 want to state your motion so it's in the record
20 properly.

21 CHAIRMAN BOYCE: Sure. So there's a motion
22 and a second to impose, since this is his first
23 time being before the Commission --

24 VICE CHAIRMAN OVERHOLT: Wait, I thought we
25 had a motion to waive.

1 MR. CLAYTOR: There's a motion to waive, so
2 are you amending that motion?

3 VICE CHAIRMAN OVERHOLT: Yeah. We haven't
4 voted on that.

5 CHAIRMAN BOYCE: I amended the motion.

6 MS. WARYCHA: She said that she was starting
7 to amend it, but it was kind of quiet to John, so I
8 thought she should say it louder for everybody.

9 CHAIRMAN BOYCE: Yes. I'm so sorry. So I --
10 I apologize. I did amend that, to make it
11 consistent with the action of the Commission, to be
12 a 25 percent penalty. So I guess back to this, so
13 it would be 500, 250 and 250, and then the mailing
14 cost is not reflected on here so whatever that
15 amount.

16 MS. NUSSMEYER: Like 73 cents.

17 MS. TAYLOR: I believe it was 68 cents. I
18 know it was 68 cents.

19 CHAIRMAN BOYCE: All the others are 66. So
20 that's 68 cents on each one?

21 MS. TAYLOR: Yes.

22 MR. GUTRICH: Can I ask --

23 CHAIRMAN BOYCE: Just one second.

24 So my motion would be to keep consistent with
25 what we've done and do the 25 percent penalty for

1 both cause numbers, and John --

2 MR. WESTERCAMP: I seconded it. I'm sorry if
3 you didn't hear it.

4 CHAIRMAN BOYCE: So I apologize.

5 MR. CLAYTOR: Not being a pain, are we
6 amending the original motion --

7 CHAIRMAN BOYCE: Yes.

8 MR. CLAYTOR: -- or are we going to defeat the
9 original motion and have a new motion?

10 MR. WESTERCAMP: Is there a difference?

11 MR. CLAYTOR: The difference is we would be
12 voting on the amendment, and then we would vote on
13 the main motion.

14 CHAIRMAN BOYCE: I would defer. Could
15 co-counsel --

16 MR. KOCHEVAR: I can answer that, yes. So we
17 technically haven't adopted Robert's Rules of
18 Order, but that's the best procedure that I know of
19 and what most people follow. So if we treat this
20 as a motion to amend, you would vote to amend the
21 main motion that Commissioner Westercamp had made.

22 CHAIRMAN BOYCE: And then vote.

23 MR. KOCHEVAR: And then that would become the
24 main motion, and then you would need to, when
25 discussion was done, vote on that. And whatever

1 that -- we'll call that the second vote. The
2 majority votes yes on that second vote, then you
3 have approved that motion as amended.

4 CHAIRMAN BOYCE: Okay. So the second vote is
5 the approval?

6 MR. KOCHEVAR: Yes.

7 CHAIRMAN BOYCE: Okay. So -- Valerie?

8 MS. WARYCHA: No. I agree, yes.

9 CHAIRMAN BOYCE: So we will take a vote now to
10 amend the original motion, which would mean that
11 we're amending the original from a 0 percent
12 penalty to a 25 percent penalty. All those in
13 favor of the amendment signify by saying "aye."

14 VICE CHAIRMAN OVERHOLT: Aye.

15 MR. CLAYTOR: Aye.

16 MR. WESTERCAMP: Aye.

17 CHAIRMAN BOYCE: Opposed "nay."

18 The motion passes.

19 So now we need a motion and a second to
20 approve the agreement.

21 VICE CHAIRMAN OVERHOLT: No.

22 MR. CLAYTOR: So we're now voting on the
23 amended motion; right?

24 MR. KOCHEVAR: Yes.

25 CHAIRMAN BOYCE: Okay. I apologize. Okay.

1 So now we need a motion --

2 MR. WESTERCAMP: No.

3 MR. KING: No. We just need a vote.

4 CHAIRMAN BOYCE: Oh, we don't need another
5 motion. I'm sorry. Thank you for your patience.

6 VICE CHAIRMAN OVERHOLT: It's okay.

7 MR. WESTERCAMP: Motion to motion.

8 CHAIRMAN BOYCE: Okay. So now we're going to
9 vote on that. All those in favor signify by saying
10 "aye."

11 VICE CHAIRMAN OVERHOLT: Aye.

12 MR. CLAYTOR: Aye.

13 MR. WESTERCAMP: Aye.

14 CHAIRMAN BOYCE: Opposed "nay."

15 The motion passes. Thank you. My apologies.

16 VICE CHAIRMAN OVERHOLT: So for clarity, what
17 we just did is assess a \$250 penalty for each
18 violation, so \$500, plus 68 cents in mailing costs
19 for each.

20 MS. TAYLOR: \$501.36 for a grand total.

21 CHAIRMAN BOYCE: 501.36. Thank you.

22 MR. GUTRICH: Yeah. I just didn't understand
23 why you didn't vote on the first motion and then
24 vote on the second motion --

25 CHAIRMAN BOYCE: Thank you.

1 MR. GUTRICH: -- because he made a motion.

2 CHAIRMAN BOYCE: Okay. Next -- oh, and, sir,
3 I think you left your papers.

4 MR. GUTRICH: Oh, I don't really need them.

5 MR. WESTERCAMP: Are there any campaign
6 finance violations that need to be heard now?

7 MS. TAYLOR: I know there are two more. We
8 may have more, but I know that there are two.

9 CHAIRMAN BOYCE: We're moving from the front
10 backwards.

11 MR. HOSTETTLER: I apologize. I thought it
12 was the whole first row.

13 MS. WARYCHA: That's okay. They're for a
14 different matter.

15 CHAIRMAN BOYCE: I'm sorry. Yes. If you
16 could state your name and spell it.

17 MR. HOSTETTLER: My name is Matthew Douglas
18 Hostettler. M-a-t-t-h-e-w, Douglas is
19 D-o-u-g-l-a-s, Hostettler is H-o-s-t-e-t-t-l-e-r.
20 My administrative cause number is 2025-420.

21 MS. THOMPSON: Madam Chairman, this isn't in
22 the spreadsheet. It's the pink little tab at the
23 back.

24 CHAIRMAN BOYCE: Okay.

25 MR. WESTERCAMP: Representative Hostettler, I

1 have a question. So did the staff raise this issue
2 with you or did you self-report without being
3 prompted by the Election Division staff?

4 MR. HOSTETTLER: I self -- so if I could share
5 briefly kind of how things transpired.

6 CHAIRMAN BOYCE: You have five minutes.

7 MR. HOSTETTLER: Okay. Thank you. And thank
8 you for the continuance. The 23rd was Rosh
9 Hashanah, so I really appreciate your guys'
10 patience with everything.

11 So it was either November or December, but
12 towards the end of 2024, my campaign committee
13 address received a contribution from the Meijer
14 Political Action Committee, and it was given to my
15 treasurer with my usual no hurry, because she's a
16 volunteer. Most volunteers are always doing
17 something. And then during the first week of
18 session, I received a text message saying "I
19 finally got that check deposited." Oof.

20 So immediately we issued a check for the
21 amount back to Meijer Political Action Committee.
22 I believe it was issued on the 12th or 13th of
23 January. I self-reported. We sent the letter.
24 That check never cleared with Meijer. We waited
25 for nine months, and we just simply sent it to the

1 address that was on the contribution. After
2 tracking them down, we found another address and
3 someone specifically to send it to and FedEx'd
4 that, and that check -- that returned check was
5 finally cashed last Friday.

6 So in full transparency, the one that was sent
7 with the letter, that was never deposited. So it
8 has been -- it was self-reported. It's been
9 returned twice, but we canceled the first check,
10 and the other one finally cleared Friday.

11 VICE CHAIRMAN OVERHOLT: So what was the
12 proposed penalty for this? There's no other
13 information other than the letter.

14 MS. THOMPSON: The report hasn't been filed
15 yet, so I don't have any information on that
16 transaction.

17 MR. KOICHEVAR: I can tell you what statutorily
18 the proposed penalty can be. It is equal to the
19 greater of the following plus investigative costs:
20 Two times the amount of any contributions
21 received -- it would be received and accepted since
22 we've changed the law -- or \$1,000. So I know it
23 can be \$1,000, but without knowing the amount of
24 the contribution that was accepted by the
25 committee, I can't tell you what the potential

1 higher amount would be.

2 MR. WESTERCAMP: Is this matter ripe for
3 consideration by the committee? And if it's not
4 ripe, then why are we hearing it today?

5 MS. WARYCHA: It doesn't feel like it's ripe.
6 I'm not sure that it is.

7 MR. KOCHEVAR: I would agree since we don't
8 know if the proposed penalty can be above \$1,000,
9 so I would agree with my counterpart on this.

10 MR. WESTERCAMP: Can we decide -- so since
11 Representative Hostettler is here today, is there a
12 way that we can decide this now for efficiency
13 purposes?

14 CHAIRMAN BOYCE: I wouldn't think so.

15 MR. KOCHEVAR: I would probably recommend --
16 this is just me saying -- to table this until a
17 Commission meeting after January 21, 2026, when the
18 committee's annual report is due, so that would be
19 sometime February probably.

20 CHAIRMAN BOYCE: Sure. Then we would have a
21 more complete picture.

22 MS. WARYCHA: That does make sense.

23 Question for campaign finance staff: I'm
24 assuming you got this from Representative
25 Hostettler and just wanted to put it before the

1 Commission as soon as you got it?

2 MS. TAYLOR: Correct, yes.

3 MS. WARYCHA: Okay. Thank you for the
4 verification.

5 MS. NUSSMEYER: And if I might add, the
6 representative does not have to appear at the
7 hearing. He can send a proxy, for lack of a better
8 term. He can have a motion -- an appearance motion
9 to allow someone else to present on his behalf, if
10 that were the case.

11 MR. HOSTETTLER: May I?

12 CHAIRMAN BOYCE: I don't think his
13 five minutes is up.

14 MS. WARYCHA: It was not. He was at 3:22. I
15 can hit -- go ahead.

16 MR. HOSTETTLER: I respect the decision of the
17 Commission, the committee. If the contribution was
18 for \$500 and it was returned for \$500, if you would
19 like to make that consideration in the interest of
20 your time. I can be back in January. I just
21 wondered if that helps you guys in the moment to
22 save possibly some time in January. That's the
23 only reason I offer that information and respect
24 your decision either now or then.

25 CHAIRMAN BOYCE: I think we would feel more

1 comfortable waiting.

2 VICE CHAIRMAN OVERHOLT: I would move that we
3 table it until sometime after the report is
4 actually filed.

5 MR. WESTERCAMP: Thank you for self-reporting.
6 We encourage all campaigns to self-report.

7 CHAIRMAN BOYCE: Okay. There's a motion on
8 the floor. Do we have a second?

9 MR. WESTERCAMP: Second.

10 CHAIRMAN BOYCE: Okay. We have a motion and a
11 second to table this issue until a later date. All
12 those in favor please signify by saying "aye."

13 VICE CHAIRMAN OVERHOLT: Aye.

14 MR. CLAYTOR: Aye.

15 MR. WESTERCAMP: Aye.

16 CHAIRMAN BOYCE: Opposed "nay."

17 Motion passes.

18 MR. CLAYTOR: Madam Chairman, I'd like to
19 explain my vote. I have a lovely disagreement with
20 staff and attorneys and their belief that the only
21 indicia of receiving a contribution is when it is
22 deposited. I disagree with that heartily. And if
23 I were on the other side of the table, I would be
24 arguing that, if you got a check prior to the start
25 of session, whether or not you deposited it during

1 session, it is not a violation.

2 Unfortunately, I will not be here at the
3 meeting when this comes back up. That is a
4 personal opinion, and just throwing it out there
5 for edification, or if you could get the statute
6 amended in January or Organization Day.

7 MR. HOSTETTLER: Respectfully, that probably
8 would not look very good. But may I ask, do you
9 need any information from me between now or will
10 the report that's due in January be sufficient?
11 Should I just wait, just do that normally, or is
12 there anything else that I should get in the
13 meantime?

14 MS. TAYLOR: I don't speak for them, but I
15 don't think there's anything else we need from you
16 before the report is filed.

17 CHAIRMAN BOYCE: In the meantime, yeah.

18 MS. WARYCHA: That would be all I could think
19 of. Generally the Commission will look at the
20 reports. Your self-reporting, you just beat us to
21 the punch as far as doing the reports, but
22 appreciate it.

23 MR. HOSTETTLER: Sorry for making life harder.

24 MS. WARYCHA: No, you did not. We appreciate
25 the self-reporting.

1 MS. NUSSMEYER: If I may -- I'm sorry -- may I
2 ask a question of staff? So typically for
3 corporate contributions that are in excess of a
4 certain dollar amount, we do send out a settlement
5 agreement, do we not?

6 MS. TAYLOR: Yes.

7 MS. NUSSMEYER: So we do that --

8 MS. TAYLOR: This is not a corporate
9 contribution.

10 MS. NUSSMEYER: I understand that, but it's
11 substantially similar, right, that this is a
12 contribution that was received during long session
13 that has a civil penalty assigned to it in Title 3.
14 So would a similar letter go out to the committee
15 just so that the representative would be looking
16 out for it? Is it something we should direct staff
17 to do? That is the question.

18 MS. THOMPSON: This is the first time we've
19 brought this before the Commission. It's not
20 happened before, so this is all new precedent for
21 us.

22 VICE CHAIRMAN OVERHOLT: Well, that's an
23 interesting point because you said received and
24 this is deposited, so actually the question when it
25 was received is a question.

1 MR. CLAYTOR: And that's not the first time
2 I've seen it before the Commission.

3 MR. WESTERCAMP: Was it a cashier's check or
4 was it a normal check?

5 MR. HOSTETTLER: It was a normal check. And
6 it was -- I believe that the -- just speaking
7 frankly, I don't believe I have the envelope to
8 show the postmark. I mean, it would simply be
9 there's the date on the check. It might have -- I
10 honestly couldn't tell you without seeing it.

11 VICE CHAIRMAN OVERHOLT: Well, we've tabled
12 it, so we should probably stop talking about it.

13 CHAIRMAN BOYCE: Thank you.

14 MR. HOSTETTLER: All right. Thank you. Have
15 a good day.

16 MS. NUSSMEYER: If I could add one more thing,
17 the statute does say received and accepted now, so
18 it's no longer just received. It's received and
19 accepted, and what accepted means in terms of the
20 overarching discussion for January...

21 VICE CHAIRMAN OVERHOLT: Okay.

22 CHAIRMAN BOYCE: Thank you.

23 MR. WESTERCAMP: Fun times ahead.

24 CHAIRMAN BOYCE: Okay. Thank you. Next.

25 Please state your name and spell it for us,

1 please.

2 MR. CURTIS: Yes. Good morning.

3 CHAIRMAN BOYCE: Good morning.

4 MR. CURTIS: My name is Tod Curtis, T-o-d,
5 C-u-r-t-i-s, and my cause number is 2025-7783-167.

6 MS. THOMPSON: Madam Chairman, it's on page 5.
7 It's Fight Back Indiana, Cause No. 2025-7783-167,
8 has not been before the Commission before, and has
9 a proposed civil penalty of \$1,000.66.

10 CHAIRMAN BOYCE: Okay.

11 MR. CURTIS: That is correct.

12 CHAIRMAN BOYCE: Okay. Go ahead.

13 MR. CURTIS: Okay. First of all, I started
14 this PAC, Fight Back Indiana, as a nonpartisan PAC
15 to try to bring people to the middle in Indiana and
16 kind of even out government, do something good.
17 But what I found was, after all the organizational
18 steps and setting everything up and getting
19 everything ready and having a website and
20 everything looking the way that I wanted it to,
21 there was no response whatsoever to a nonpartisan
22 PAC. So we took in no money, and we had no
23 expenses other than the startup expenses we paid
24 out of our own pocket. That was in April of 2023.

25 In October of 2023 would be our first filing,

1 the pre-election filing. I did receive a notice
2 from the State saying that it would be due on that
3 date, so I pulled out the instructions on how to
4 fill out that form. And on the third paragraph
5 down, it says "This instruction applies to all
6 statewide candidates, state legislative candidates,
7 and any political action committee that, 1, is
8 required to file with the Election Division," which
9 is true, "and, 2, which received more than \$50,000
10 in contributions since the close of the previous
11 reporting period," which did not apply.

12 Now, my misunderstanding was that it meant the
13 following instruction after that sentence, which
14 says "This form must be filed electronically with
15 the Election Division. Contact Division at," blah,
16 blah, blah. So I looked at it and thought we've
17 done no business, and we certainly haven't taken in
18 \$50,000, so we do not meet the requirements to have
19 to file this at this time. That's not what this
20 form means, but that's what the form says.

21 So to add to the problem, after that, someone
22 rammed their car through the front of the UPS store
23 and tore up all the mailboxes and the store closed,
24 so I could not receive my -- any mail from the
25 Election Division. I didn't receive a notice until

1 December that I had missed this filing, at which
2 time I panicked and contacted the State and filed
3 and did everything that I possibly could to try to
4 correct that problem. And as I said, there was
5 something to file. It was about \$600 maybe in
6 mailbox expense, website expense, things like that.

7 So we did that, I filed all the other forms
8 correctly, and then in April of 2024, which had
9 been about a year, I could see this was going
10 nowhere, so I officially closed the PAC and did no
11 other business. In between, every other filing was
12 for zeros and zeros.

13 So I guess I'm here, first of all, because, as
14 you were mentioning -- on the way up my wife asked
15 me why is there such a huge fine for filing late,
16 and I said because it's a fairness issue. When a
17 candidate is running for office, that's public
18 record where the money is coming from and what
19 they're bringing in. For us, it doesn't really
20 make much sense, but that's the law, and that's why
21 we're here this morning. That's why you're here to
22 hear me out.

23 I really have nothing other to state other
24 than I don't know that we've caused any real harm,
25 and I think this form needs to be corrected to at

1 least say "The following instruction" or a colon
2 after "This instruction" so that it's clear that
3 it's the remainder of the paragraph that it's
4 referring to and not this form completely.

5 So at this time, I guess, I will entertain
6 questions.

7 VICE CHAIRMAN OVERHOLT: Could we see the
8 form?

9 MR. CURTIS: Yes. And I don't have access to
10 my email account for this anymore, but I did
11 vociferously defend the wording on the form and how
12 I stated it at the time as the cause of the
13 mistake.

14 MR. WESTERCAMP: So to summarize your
15 position, you're saying that there was a misleading
16 form, state form, that caused you to not take the
17 steps that were necessary which made you violate
18 the law; is that right? Is that your position?

19 MR. CURTIS: Correct. There is no more law
20 abiding person in the state than me.

21 MR. WESTERCAMP: Okay.

22 MR. CURTIS: And so it's very embarrassing to
23 be in this situation to begin with.

24 MR. WESTERCAMP: Does the staff have a
25 counterpoint? I mean, I want to be sure that our

1 forms are not misleading to people that want to
2 comply with the law. Is there something, in your
3 opinion, that is misleading or do our forms need to
4 be updated? Is there something that's being missed
5 that we should consider?

6 MS. TAYLOR: I don't know what the paragraph
7 looks like. I thought it was only for PACs over
8 \$50,000 who had to file electronically. I'm not
9 sure what the back of that looks like. I think the
10 bigger problem --

11 CHAIRMAN BOYCE: I was going to say, this is
12 sort of out of context.

13 MR. CURTIS: I do have the rest of it.

14 MS. TAYLOR: I know that's the back of the
15 summary sheet of the CFA form, but I also think the
16 bigger issue here, if I may speak, before you is
17 that the UPS store was taken out, so he didn't get
18 any of our notice that the report was due, which
19 clearly states if you receive this, you have to
20 file. That's the first sentence on the form, if
21 you are in receipt of this notice, you have to file
22 with the Election Division. Filing anywhere else
23 is not sufficient.

24 So I think -- I don't know what the back of
25 the form says. It might -- I don't know what that

1 paragraph says. I may fully agree with you. But I
2 think the bigger issue is the UPS store being
3 crashed into and he can't --

4 CHAIRMAN BOYCE: Not receiving the mail.

5 MS. TAYLOR: Right.

6 MR. CURTIS: And I might add, the State had
7 communicated electronically by email for everything
8 up to that time, so the only thing that I was
9 getting in that mailbox was junk mail from whoever
10 found the new address for the PAC.

11 MS. TAYLOR: We don't email any campaign
12 finance documentation, short of if you've logged in
13 and you've filed, it's an auto-generated email.

14 MR. CURTIS: I didn't know anything would be
15 coming.

16 MR. WESTERCAMP: I want to put aside the UPS
17 store for a second. Do we have any consensus among
18 us that this was a required filing fact based on
19 this? Because if this mailing was sent in error,
20 if this wasn't actually required, we don't have to
21 even talk about the UPS truck situation.

22 VICE CHAIRMAN OVERHOLT: I think it was
23 required. It's just the electronic component of it
24 isn't required because of the size of the -- not
25 reaching that contribution level.

1 MR. CURTIS: That's the understanding I came
2 to afterwards. You have to file electronically if
3 it's more than 50,000. I thought it just meant you
4 don't have to file. I didn't know you could even
5 file by paper.

6 MR. WESTERCAMP: I see.

7 CHAIRMAN BOYCE: Any other thoughts,
8 questions?

9 MR. WESTERCAMP: I have a question. So this
10 is your first campaign finance violation. Why
11 didn't you take the deal that we had offered at the
12 beginning of this hearing?

13 MR. CURTIS: Well, first of all, I didn't know
14 there was going to be some kind of a deal offered.
15 I might have settled a long time ago just to get it
16 off the plate.

17 But in all honesty, I don't know that it
18 really -- I have a strong sense of justice, I
19 guess, and I will take whatever penalty is imposed,
20 but at least it needed to be brought up in the
21 record that the average person -- I mean, I have
22 multiple college degrees. I read things as they're
23 stated, and the average person trying to do this on
24 their own could read that form and be completely
25 stymied like I was. So in the interest of the

1 record, I think the form needs to be updated, so I
2 thought I would drive up and see.

3 I don't know how government works inside. I
4 ran for Congress in 2017 for the 2018 year, and so
5 I had finance committee, I had all that. I
6 understand how government works, and I understand
7 how elections work. This was just something that
8 was a little odd, I guess, that this fine seems to
9 be disproportionately high compared to the damage
10 caused, which really is probably zero. But I
11 thought I would put myself at the mercy of the
12 committee. I'll take whatever the committee
13 decides.

14 MR. CLAYTOR: When you were operating the
15 committee, starting the committee, did you avail
16 yourself of the information on the State's website
17 that has the Campaign Finance Manual?

18 MR. CURTIS: Absolutely. I have everything in
19 front of me right here. I did everything exactly
20 by the book, and I thought I was doing everything
21 exactly by the book when I did not file at that
22 time because I didn't think I met the threshold for
23 filing. And I didn't find out until -- maybe if I
24 had found out the next day that it would be a \$50
25 fine, I'd say, well, that's fine. But since I

1 didn't have notice that something was wrong for
2 two months, then I racked up the full \$1,000 fine.

3 CHAIRMAN BOYCE: So this is the back of -- it
4 says "this form." Is the form they're referring to
5 just for PACs?

6 MS. TAYLOR: No. The CFA-4 is for all
7 committees, candidates, committees.

8 CHAIRMAN BOYCE: Because I would argue that --
9 or I don't want to be argumentative, but I would
10 say that, if you had run for State Representative,
11 then --

12 MR. CURTIS: No, I didn't run for State
13 Representative.

14 CHAIRMAN BOYCE: I thought you just
15 mentioned --

16 MR. CURTIS: I ran for Congress.

17 CHAIRMAN BOYCE: Congress. I'm sorry.

18 MR. CURTIS: That was federal election, yes.

19 CHAIRMAN BOYCE: I'm sorry about that, but
20 that you were familiar with the requirements and
21 the forms obviously through that.

22 MR. CURTIS: I never had to fill out a form.
23 I had a full campaign team, finance director,
24 campaign director, all of that that were handling
25 all those things at that time. This is more of a

1 grassroots type of try-to-do-it-on-my-own-type
2 operation. I do run businesses. I mean, I'm an
3 orthodontist; I have an orthodontic business. I
4 have a property business. So I'm familiar with
5 filing for businesses, yes.

6 CHAIRMAN BOYCE: Any other questions?

7 MR. CLAYTOR: Just a point of information, I
8 guess. The Campaign Finance Manual very clearly
9 states, I believe, that for each PAC they must file
10 three reports per year, at a minimum, in election
11 years and one report in nonelection years. And
12 that's a -- it's several places in the Campaign
13 Finance Manual.

14 MR. CURTIS: Right. But the instructions for
15 filling out that particular form, which I just
16 stated, says that the qualifications for filling
17 out that form, one is that there's more than
18 \$50,000. That's exactly what that paragraph says,
19 so that's why I had to go with the paragraph on the
20 form. To file that form, I was following the
21 instructions on the form.

22 CHAIRMAN BOYCE: File electronically.

23 MR. WESTERCAMP: Valerie, do you have
24 something, or Brad?

25 MS. WARYCHA: I was going to defer to Brad.

1 Go ahead.

2 MR. KING: I was just going to -- speaking to
3 Valerie with regard to an issue that arises in a
4 wide variety of legal contexts, not just election
5 law, in construing statutes and forms, it's in pari
6 materia, which means basically to understand the
7 meaning of a law -- or the code of law, campaign
8 finance code, you have to look at the entirety of
9 the law, not just an isolated piece to understand
10 how that isolated piece is going to work, which
11 addresses Commissioner Claytor's point with regard
12 to the Campaign Finance Manual being part of that
13 summary of the larger body of law that is what
14 those who interpret the law are required to use.

15 CHAIRMAN BOYCE: Thank you.

16 VICE CHAIRMAN OVERHOLT: So the committee is
17 closed?

18 MS. TAYLOR: Yes.

19 VICE CHAIRMAN OVERHOLT: And there's no --

20 MS. TAYLOR: Correct.

21 VICE CHAIRMAN OVERHOLT: -- because there's no
22 money?

23 CHAIRMAN BOYCE: Questions, thoughts?

24 MR. WESTERCAMP: I just want to say I agree
25 with Michael that this says this instruction

1 applies to these things, but that does not mean
2 that there's not other instructions or obligations
3 in other areas. So I think your point is well
4 taken that the Campaign Finance Manual says these
5 are -- it's a requirement, and this in no way
6 contradicts that underlying requirement that's in
7 the manual.

8 MR. CLAYTOR: Madam Chairman, if I may, I
9 regret that our friend did not come forward during
10 the settlement offer, but I'll make a motion and
11 see if I can buy a second over here that we assess
12 a fine of 25 percent against the campaign. I know
13 we normally don't do that once the time is over,
14 but there's obviously some misunderstanding here,
15 and the entity is now closed. So I would move that
16 we assess a fine of 25 percent, which would be
17 \$250.66.

18 CHAIRMAN BOYCE: We have a motion. Do we have
19 a second?

20 VICE CHAIRMAN OVERHOLT: Second.

21 CHAIRMAN BOYCE: Okay. We have a motion and a
22 second to impose a 25 percent penalty, which would
23 be \$250 and the mailing cost of 66 cents. All
24 those in favor signify by saying "aye."

25 VICE CHAIRMAN OVERHOLT: Aye.

1 MR. CLAYTOR: Aye.

2 MR. WESTERCAMP: Aye.

3 CHAIRMAN BOYCE: Opposed "nay."

4 Motion passes.

5 MR. CURTIS: I appreciate that. And I would
6 suggest just a colon at the end of that sentence
7 and that form would make it clearer that this means
8 the next part of that.

9 CHAIRMAN BOYCE: Thank you.

10 MR. CURTIS: One other question too, I guess,
11 from a legal aspect.

12 MS. WARYCHA: I'm sorry. This is not really
13 the forum for that. You're welcome to stay to the
14 end and I would be happy to chat with you, but for
15 the moment the Commission has other hearings.

16 MR. CURTIS: I just wondered, I mean, if a
17 closed PAC can actually be fined.

18 MS. WARYCHA: Yes.

19 MS. TAYLOR: Yes.

20 VICE CHAIRMAN OVERHOLT: Sorry. Yes.

21 MR. CURTIS: Just quick.

22 MS. WARYCHA: Yeah.

23 CHAIRMAN BOYCE: Next.

24 MS. DOYLE: Hello, Commissioners. I am
25 Brittany Doyle, B-r-i-t-t-a-n-y, D-o-y-l-e, here

1 for Cause No. 2025-6797-414, McCormick for
2 Governor. This is a continuance from the last
3 hearing.

4 MS. TAYLOR: It's on page 17, Cause
5 No. 2025-6797-414. It was tabled at the hearing on
6 September 23rd. This was a late CFA-11 caused by a
7 refund.

8 MR. WESTERCAMP: So before Brittany starts,
9 could I hear from the campaign finance staff how
10 this matter falls into a contribution. What's the
11 argument?

12 MS. TAYLOR: It's income. They entered it
13 into the system as income because we only have in
14 or out. There's no other definition. They entered
15 the contribution into the system, and it
16 auto-generated, because it was over 10,000, the
17 CFA-11 to be filed within seven days. They entered
18 it in July when they were filing their semiannual
19 report and went "Ope" because, again, it's a
20 refund. But, again, we only have in or out, so
21 there's no separate definition for a refund.

22 MR. WESTERCAMP: I know that last time we
23 asked for a briefing on this, and only Ms. Doyle
24 submitted briefing. Was there a reason why the
25 campaign finance staff didn't submit an argument?

1 MS. TAYLOR: We were waiting for Matthew and
2 Valerie to talk to Brittany. That's --

3 MR. WESTERCAMP: Just as a matter going
4 forward, if we ask for briefing on a legal
5 question, can we get your assurances that you'll
6 provide something in writing, because the State has
7 the burden to provide a prima facie case on this;
8 otherwise, we have to give judgment to Ms. Doyle.

9 MS. WARYCHA: I will say that Matthew and I
10 have discussed, and neither of us -- I don't want
11 to speak for you, Matthew -- felt this met the
12 definition of contribution. It's just caught up in
13 the system because there's nothing else to put it
14 on because we're working on a 1990s computer
15 system.

16 So when you read the definition of
17 contribution, contribution means a donation of
18 property that satisfies both of the following: The
19 donation is made for the purpose of influencing any
20 of the following: The nomination or election to
21 office of a candidate, the election of delegates to
22 a state constitutional convention, the outcome of a
23 public question. The donation is accepted by any
24 of the following: A candidate, a candidate's
25 committee, a regular party committee, a political

1 action committee, and legislative caucus committee.
2 Whenever funds are transferred from one committee
3 to another or a donation of funds to influence an
4 election on a public question is accepted as a
5 contribution, the accepting committee is considered
6 to be receiving a contribution in the amount of the
7 funds transferred.

8 And I could keep reading, but I'll just tell
9 you that there's not anything in there that, to me,
10 makes this contribution work on a 1990s system.

11 MR. WESTERCAMP: So if that's the case, does
12 the Division want to withdraw this complaint?

13 MS. WARYCHA: I don't believe we can because
14 we are staff and we cannot make that decision;
15 therefore, we have to bring it to you as the
16 Commission to make that decision.

17 MS. NUSSMEYER: If I might, Madam Chair, I'm
18 not disagreeing with Matthew or Valerie. Matthew
19 and I have gone around and around on this
20 particular issue. Whether it is a computer system
21 or a paper CFA-4 document, it is still income, and
22 that income has to be reported. So if you were not
23 filing it electronically and you were on paper, you
24 would have to report that refund of \$85,000 on
25 paper.

1 Now, I agree it's not a contribution because
2 it's not used to effectuate the support or defeat
3 of a public question, but, to me, there's a larger
4 issue here that perhaps the legislature needs to
5 tackle to create a different schedule where it is
6 not a contribution, where it is something like a
7 refund so that, one, our 1990s computer system
8 won't trigger these reports to do different
9 filings, but also address these rare instances
10 where you have a refund that is not a contribution,
11 because at the end of the day, that \$85,000 impacts
12 their bank account, it impacts their cash on hand,
13 and it needs to be organized in such a way.
14 Matthew might argue with me, because he has, that
15 it's an unitemized contribution, but I see how you
16 can say with a straight face \$85,000 is an
17 unitemized contribution.

18 So I appreciate Ms. Doyle bringing forward
19 this very novel legal question and whether or not
20 it should be considered a contribution or not, but,
21 to me, there's a bigger issue at play that the
22 Commission can't decide today necessarily about
23 what to do, but I do think it's a larger question
24 to bring to the legislature to determine how you
25 classify this type of income.

1 MR. CLAYTOR: Madam Chair, can I -- if I could
2 ask anyone in the room that wants to answer except
3 the guys from VSTOP. When I am entering in the
4 system, there's a drop-down.

5 MS. TAYLOR: Yeah.

6 MR. CLAYTOR: And something is either direct,
7 unitemized, or interest. Is there a selection for
8 refund? I don't remember.

9 MS. TAYLOR: No. There's a selection for
10 other, and I think it was -- I don't have it in
11 front of me, but I believe it was entered as other,
12 refund and explanation.

13 MR. CLAYTOR: So let me ask, since there is
14 specifically an interest selection in the
15 drop-down, if I had \$1,000 of interest in the stub
16 reporting period, would I have to file for an over
17 \$1,000?

18 MS. TAYLOR: It would trigger the CFA-11.

19 MR. CLAYTOR: It would trigger the CFA-11?

20 MS. TAYLOR: Yes, yes.

21 MR. CLAYTOR: Okay. That doesn't make a damn
22 bit of sense to me.

23 MR. WESTERCAMP: That's a good question. I
24 had two other hypotheticals that would go into this
25 bucket that are not refunds, so it doesn't sound

1 like you have any accusers here among the staff, so
2 I won't accuse you either. But if you went to
3 Walmart as a campaign and you bought something for
4 \$10 and you handed the cashier a \$20 bill and then
5 you left, went to the parking lot, the cashier came
6 out and gave you \$10 back, is that a contribution?
7 I don't think there's anybody that would say that's
8 a contribution even though there's money that's
9 going back to the committee.

10 I'll give you another example. A lot of big
11 committees get credit cards, and some of these
12 American Express credit cards, if you spend
13 \$10,000, you're going to get \$1,000 back. It's a
14 standard contractual thing. I would say that I
15 can't imagine anybody saying that a reduction of
16 your credit card bill by \$1,000 from American
17 Express by opening a credit card would be a
18 contribution.

19 And so there's got to be a way to address
20 these sorts of scenarios where money is coming to a
21 campaign but it does not define contribution. I
22 appreciate you bringing this up, writing a brief
23 explaining it. I think there needs to be some
24 legislative fix here that doesn't flag us.

25 VICE CHAIRMAN OVERHOLT: I'm curious, is there

1 a way -- it's been a long time since I filled out
2 one of these reports, thank goodness, but I
3 remember -- well, because you were talking about
4 the expense. So there are the expenses of the
5 campaign, the expenses of the campaign, expenses of
6 the PAC, whatever the entity is, you know, like the
7 office paying for rent or whatever. Is there a
8 way, when you're entering that type -- well, I
9 guess can negative numbers be entered?

10 MS. TAYLOR: No.

11 MS. DOYLE: No.

12 VICE CHAIRMAN OVERHOLT: See, that would
13 alleviate that. I'm thinking, yeah, you enter a
14 negative because that would -- the theme this year
15 is the computer system.

16 MS. TAYLOR: Yes.

17 MR. KING: Madam Chair, the Commission has
18 identified an ongoing skirmish in the battle
19 between humanity and technology. But let me
20 address that with another general legal principle
21 that I think is relevant here, and that is, because
22 the statute involved here raises the possibility of
23 penalty being imposed, there is abundant case law
24 which says that, if there's any ambiguity, that
25 ambiguity has to be construed in favor of the

1 individual entity and against the State with regard
2 to imposing a penalty. And so I would bring that
3 to the attention of the Commission for
4 consideration.

5 CHAIRMAN BOYCE: I was going to say -- well,
6 let me real quick, Brittany, I feel like we didn't
7 give you a chance to say anything.

8 VICE CHAIRMAN OVERHOLT: Yeah, you don't get
9 to talk. Sorry.

10 CHAIRMAN BOYCE: So let's back up just a
11 minute before we make our decision.

12 VICE CHAIRMAN OVERHOLT: Start the five-minute
13 clock right now.

14 MS. WARYCHA: Go.

15 CHAIRMAN BOYCE: Is there anything -- I just
16 wanted to give you due time so you can break in.

17 MS. DOYLE: No problem. I'll take any
18 questions you have on the memo I submitted, but I
19 don't have any additional presentation at this
20 time.

21 MS. NUSSMEYER: Can you state your name for --

22 MS. DOYLE: Brittany Doyle.

23 CHAIRMAN BOYCE: We literally got nowhere at
24 the beginning.

25 MR. KOCHEVAR: I would just like to put on the

1 record, because Valerie did say that she didn't
2 want to speak for me, I have had a chance to read
3 the memo. I have studied the issue since the
4 committee. I do agree what was in the memo, what
5 constitutes a contribution, and so I do want to say
6 that I agree with my counterpart.

7 I would also like to say to Commissioner
8 Westercamp that I have notes now duly noted for
9 myself, my co-counsel, if you or any other
10 commissioners ask for a briefing before we continue
11 a matter, we will have that memo for you or whoever
12 requested it, obviously subject to going through
13 our bosses, the co-directors. So I will state for
14 myself personally, I do apologize that we did not
15 answer your call from the last meeting. It will
16 not happen again.

17 MR. WESTERCAMP: Thank you. And as a general
18 matter -- I know that people are playing the home
19 game -- if there's unique circumstances that aren't
20 factual, like the dog ate my homework sort of
21 thing, that are legal, I found it extremely
22 helpful, because when people come up, you get five
23 minutes to think about something and decide
24 something. Ms. Doyle came at the end of like an
25 all-day meeting, and so it was enormously helpful.

1 If somebody wants to submit a brief on a legal
2 matter, if a reasonable length or a reasonable time
3 before the meeting, like seven days before a
4 meeting, I'll read it and consider it if it's a
5 legal issue. If it's a factual thing, the dog ate
6 my homework, probably won't be persuasive. But I
7 wanted to put that out there for repeat players
8 that it will give us a little bit more time to
9 think about issues that come up like this one.

10 MS. DOYLE: Thank you, Commissioner.

11 CHAIRMAN BOYCE: And just so I'm on the right
12 page, what page is this?

13 MS. TAYLOR: Page 17.

14 CHAIRMAN BOYCE: I'm sorry. I feel like you
15 already said that. Okay.

16 VICE CHAIRMAN OVERHOLT: I would move that
17 we -- so I forget. Are we dismissing, waiving?

18 MR. KOCHEVAR: Dismissing.

19 VICE CHAIRMAN OVERHOLT: I would move that we
20 dismiss the proposed fine.

21 MR. WESTERCAMP: I second that.

22 CHAIRMAN BOYCE: We have a motion and a second
23 to dismiss the proposed fine. All those in favor
24 signify by saying "aye."

25 VICE CHAIRMAN OVERHOLT: Aye.

1 MR. CLAYTOR: Aye.

2 MR. WESTERCAMP: Aye.

3 CHAIRMAN BOYCE: Opposed "nay."

4 Motion passes.

5 MS. DOYLE: Thank you very much.

6 CHAIRMAN BOYCE: Thank you.

7 Okay. Any other -- I think we've made it
8 through that portion. Okay. So I think we are
9 through the enforcement portion of our meeting. So
10 on the issue of continuances, would the campaign
11 finance staff identify any matters for which a
12 motion of continuance was received for today's
13 meeting.

14 MS. THOMPSON: Yes. Madam Chair, we have a
15 motion to reconsider. It's A Better Option. It's
16 Cause No. 2025-7921-279. It was --

17 CHAIRMAN BOYCE: What page is that? I'm
18 sorry. Oh, right here. Six, page 6?

19 MS. THOMPSON: Yes, 6.

20 CHAIRMAN BOYCE: Okay. I'm sorry. Go ahead.

21 MS. THOMPSON: This is a motion to reconsider.
22 It was a committee that received the letter in
23 January with the wrong dates, and he took it before
24 the Secretary of State's office instead of coming
25 through our office at the beginning.

1 CHAIRMAN BOYCE: I know there was some email
2 communication in our binders there.

3 MS. THOMPSON: Yeah.

4 MS. NUSSMEYER: Where in the binders?

5 MS. TAYLOR: Page 6 and then he wrote an email
6 under the pink tab -- blue tab.

7 CHAIRMAN BOYCE: Yeah. I noticed here.

8 MS. TAYLOR: We had six or seven -- I don't
9 remember the exact number -- committees at the last
10 hearing where we sent the notice with the -- I
11 mailed the 2020 notice instead of the '24 notice,
12 so we had the January 20th deadline from 2021
13 instead of the 15th.

14 So he had reached out to Kegan and the
15 Secretary's office from the jump. We didn't know
16 any of this. And Kegan called him after the
17 hearing to ask why he was not dismissed with
18 everyone else at the hearing, but, again, I don't
19 know Kegan. I can't pick him out of a lineup of
20 one. So we would ask for this one to also be
21 dismissed and apologize for having missed it the
22 first time.

23 CHAIRMAN BOYCE: But the first hearing he just
24 didn't show up?

25 MS. TAYLOR: Right.

1 MS. WARYCHA: And I believe that's because he
2 had spoken to the Secretary of State's office,
3 which is a separate --

4 CHAIRMAN BOYCE: But that's his fault, not the
5 fault of the Commission.

6 MS. WARYCHA: That is fair. I do believe the
7 Secretary of State's staffer may have given him bad
8 advice. I just want to put that on the record.

9 CHAIRMAN BOYCE: Okay.

10 MS. WARYCHA: Many people do not understand
11 the Division is not part of the Secretary of
12 State's office.

13 CHAIRMAN BOYCE: Sure. So he didn't show up
14 for the first one because this email right here is
15 dated the 24th, which we met on the 23rd.

16 MS. TAYLOR: Right, yes. He called us both on
17 the 24th to let us know that Kegan had informed him
18 he was not dismissed at the hearing.

19 CHAIRMAN BOYCE: What does he mention here,
20 "I'm not sure why my complaints via phone were not
21 recorded by your office"?

22 MS. WARYCHA: I believe that's him speaking to
23 the Secretary of State staff.

24 CHAIRMAN BOYCE: Sorry. Okay. Again --

25 MS. WARYCHA: No, no, no. He was very

1 confused and very upset with the Election Division
2 because he had been speaking to the Secretary of
3 State's office, which I don't believe explained the
4 difference of the Division and that they were not
5 involved in this and may have given bad advice.

6 CHAIRMAN BOYCE: And then so for today he
7 references then this is this morning.

8 MS. TAYLOR: Yes. We were going to ask for
9 this to be dismissed because, again, it was what we
10 had goofed on, but I told him to go ahead and ask
11 for a continuance because he called this morning
12 and he was very sick. And I said ask for the
13 continuance because, if we don't get it dismissed,
14 we'll have it continued and on the next agenda.

15 CHAIRMAN BOYCE: Yes.

16 MR. KOCHEVAR: I have a question for staff,
17 and this may lead to a second question. Was the
18 final notice of penalty -- or the notice of -- no,
19 let me go back. The final order imposing a fine in
20 the stack that was approved by the Commission at
21 the beginning of the meeting, are they in that
22 stack?

23 MS. TAYLOR: Yes.

24 MS. THOMPSON: Yes, it is.

25 MR. KOCHEVAR: Okay. So that goes to my

1 second one. You have fully completed the
2 requirements under AOPA to fine this committee. If
3 you want to grant his continuance for his motion to
4 reconsider, I'm going to say this: You may want to
5 think about essentially pulling his final order and
6 not issuing it.

7 MS. WARYCHA: Just because at the last meeting
8 I do believe that we dismissed these complaints.

9 MS. TAYLOR: The other six, yes.

10 MS. WARYCHA: The other six were all
11 dismissed, so I would say to be consistent, the
12 motion would be to dismiss, if that was the will of
13 the Commission.

14 MS. NUSSMEYER: Reconsider.

15 MR. KOCHEVAR: Yes, sure.

16 MS. WARYCHA: First they have to reconsider --
17 Angie is correct -- but then a motion to dismiss.

18 MR. KOCHEVAR: I'd like to clarify my
19 questions and comments. Those are meant for if you
20 were taking up his request for a continuance in
21 case you wanted to hear from this committee at a
22 future meeting as you took up the motion to
23 reconsider.

24 But if you do feel that you have enough
25 evidence to act, then, yes, Valerie is absolutely

1 right because we just did one for a committee many
2 minutes ago.

3 MS. WARYCHA: Yes, yes.

4 MR. WESTERCAMP: So when we voted on this at
5 the last meeting, we dismissed a bunch of similarly
6 situated cases.

7 MS. WARYCHA: Correct.

8 MR. WESTERCAMP: Why was his not incorporated
9 in that? Was it because he was not physically
10 present?

11 MS. WARYCHA: No.

12 MS. TAYLOR: He had been speaking to the
13 Secretary's office and not the Division, so we did
14 not know.

15 MS. WARYCHA: We didn't know about it. He got
16 bad advice from the Secretary's office.

17 MR. WESTERCAMP: Got it. Got it.

18 CHAIRMAN BOYCE: So at this point all we knew
19 was he just didn't show up; correct?

20 MS. TAYLOR: Yes.

21 CHAIRMAN BOYCE: We didn't have any
22 supporting --

23 MS. WARYCHA: We did not have the information
24 that he had given to the Secretary's office.

25 MS. TAYLOR: Of the 130 pages of that hearing,

1 he was on one of the pages. We pulled out six
2 other pages of those six committees.

3 CHAIRMAN BOYCE: So Valerie's point is to be
4 consistent we would --

5 MS. WARYCHA: Correct.

6 CHAIRMAN BOYCE: If the original argument is
7 the date on the letter, we would dismiss.

8 VICE CHAIRMAN OVERHOLT: So I would move to
9 reconsider the order --

10 MS. WARYCHA: Correct.

11 VICE CHAIRMAN OVERHOLT: -- imposing the fine.

12 MR. WESTERCAMP: I'd second that motion.

13 CHAIRMAN BOYCE: Okay. So we have a motion
14 and a second to reconsider. All those in favor
15 signify by saying "aye."

16 VICE CHAIRMAN OVERHOLT: Aye.

17 MR. CLAYTOR: Aye.

18 MR. WESTERCAMP: Aye.

19 CHAIRMAN BOYCE: Opposed "nay."

20 Motion passes.

21 VICE CHAIRMAN OVERHOLT: And I would move that
22 we dismiss the fine based on the fact that he falls
23 into the category of the folks who got the
24 misleading letter.

25 MR. WESTERCAMP: Second.

1 CHAIRMAN BOYCE: Okay. So we have a motion
2 and a second to dismiss the fine. All those in
3 favor signify by saying "aye."

4 VICE CHAIRMAN OVERHOLT: Aye.

5 MR. CLAYTOR: Aye.

6 MR. WESTERCAMP: Aye.

7 CHAIRMAN BOYCE: Opposed "nay."

8 Motion passes.

9 MS. TAYLOR: Okay. And we do have
10 continuances. There were four committees who are
11 asking for a second continuance. They had
12 continuances granted at the September 23rd hearing.
13 The first is Hancock County for Progress. They had
14 three causes, 2025-7277-60, -151, and -349; Martin
15 Del Rio for Indiana, Cause Nos. 2025-7610-96 and
16 -253; Committee to Elect Shemanski, Cause
17 No. 2025-7642-101; and Jay County Democrats, Cause
18 No. 2025-7838-292 and -323. They are all asking
19 for a second continuance.

20 MR. WESTERCAMP: Are there any that the staff
21 opposed?

22 MS. TAYLOR: No.

23 CHAIRMAN BOYCE: On that, just for
24 clarification because I'm new, is there reason
25 given or we just sort of blanket approve those?

1 MS. TAYLOR: Their emails are under the blue
2 tab kind of explaining why they're asking for
3 another continuance.

4 CHAIRMAN BOYCE: Each one is obviously
5 different.

6 MS. TAYLOR: Yes. They're separate. Some are
7 two pages. Most are just --

8 VICE CHAIRMAN OVERHOLT: In the past, once
9 they've gotten two requests, haven't we said okay,
10 if we grant it, but really next time you need to be
11 here, that this is it?

12 MS. TAYLOR: Yes. Historically the Commission
13 will grant the second continuance as a final
14 continuance, has been what we've done for the last
15 few years.

16 MR. WESTERCAMP: I move for a continuance of
17 all the committees that were just referenced.

18 MR. CLAYTOR: Second.

19 CHAIRMAN BOYCE: Okay. So we have a motion
20 and a second to grant those continuances that were
21 mentioned. All those in favor signify by saying
22 "aye."

23 VICE CHAIRMAN OVERHOLT: Aye.

24 MR. CLAYTOR: Aye.

25 MR. WESTERCAMP: Aye.

1 CHAIRMAN BOYCE: Opposed "nay."

2 Motion passes.

3 Okay. Defaults --

4 VICE CHAIRMAN OVERHOLT: Hang on.

5 MS. TAYLOR: I believe someone just walked in.

6 CHAIRMAN BOYCE: Okay. Would you like to come
7 up and have a seat. Mr. Kochevar will need to
8 swear you in.

9 MR. KOCHEVAR: Please raise your right hand
10 and say "I do" after recitation of the oath.

11 Do you solemnly swear or affirm, under the
12 penalties of perjury, that the testimony you are
13 about to give to the Indiana Election Commission is
14 the truth, the whole truth, and nothing but the
15 truth?

16 MS. HATCHER: I do.

17 MR. KOCHEVAR: Thank you.

18 MS. HATCHER: Thank you.

19 CHAIRMAN BOYCE: If you could please state
20 your name and spell it for us.

21 MS. HATCHER: Ragen Hatcher, R-a-g-e-n,
22 H-a-t-c-h-e-r.

23 MS. TAYLOR: Madam Chairman, members of the
24 Commission, this is on pages 12 and 13. The first
25 is Cause No. 2025-7150-393 with a proposed civil

1 penalty of \$350.68. The second is Cause
2 No. 2025-7150-394 with a proposed civil penalty of
3 \$350.68. This is their third time before the
4 Commission.

5 CHAIRMAN BOYCE: Okay. So you were not here
6 when we started.

7 MS. HATCHER: Yes.

8 CHAIRMAN BOYCE: So I will quickly -- or if
9 you want to, I can defer to our vice chair. We did
10 sort of go through with other members that were at
11 this hearing, we have been offering sort of what
12 we'll call a deal to different committees for
13 campaigns.

14 MS. HATCHER: Okay.

15 CHAIRMAN BOYCE: If you want to forgo this
16 hearing portion, you could take the deal, which
17 means it would be 75 percent of the proposed
18 penalty if just accepting the delinquencies, and
19 you would pay 75 percent of the fine and waive this
20 hearing.

21 MS. HATCHER: I'm not sure if -- I read
22 through the statute. I'm not sure if my reasoning
23 is a good enough reason to be dismissed or not
24 dismissed. And so both of my issues are because I
25 didn't file the supplemental report for the over

1 \$1,000. And it's because of the date that I used
2 and not necessarily the date that I received it but
3 the date that was on the check itself when I filed
4 my report.

5 Since that time and since this last issue,
6 which occurred in 2023 for 2024, the Indiana
7 Democratic -- we had kind of a meeting about how to
8 fill out the reports best, and I had been
9 apparently using the wrong date.

10 If that is not sufficient for the reason that
11 it was filed late even though from the time I
12 received it it went into the system within
13 24 hours, not from the time the check was written
14 did it go into the system within 24 hours, I think
15 that will be my only question because that's my
16 only defense, that I'm putting it in based on the
17 date on the check and not on the date I received
18 it. And I only do that because it keeps things
19 easier for me when I am going through my reports
20 and filling out reports for the biannual -- on the
21 biannual basis. It's just different with the
22 \$1,000 ones because they have to be in within a
23 certain time.

24 So I'm not quite sure what to do.

25 CHAIRMAN BOYCE: So obviously we want to

1 engage in discussion. So I would say, if it's
2 okay, maybe for clarification if we could sort of
3 back up and you describe to us, if that's okay.

4 MR. WESTERCAMP: So before we take up your
5 matter, what we've done with other campaign
6 committees is that they've had to decide are they
7 going to take a deal. In this case, you would get
8 a 25 percent haircut on what you owe.

9 CHAIRMAN BOYCE: This is her third time,
10 right, so it would be 75 percent.

11 MR. WESTERCAMP: The haircut is 25 percent.

12 CHAIRMAN BOYCE: Oh, yes. I'm sorry. Yeah.

13 MR. WESTERCAMP: We're saying the same thing.
14 You've got to pay 75 percent. You would get a
15 25 percent reduction.

16 MS. HATCHER: Got you.

17 MR. WESTERCAMP: If you do that, then we're
18 done. If you want to take your chances and make a
19 case to us, you just need to decide that now.

20 MS. HATCHER: I'd like to take my chances
21 then.

22 MR. WESTERCAMP: Okay. You're forgoing the
23 deal?

24 MS. HATCHER: Yes. Thank you. And thank you
25 for the offer.

1 CHAIRMAN BOYCE: Okay. So let's start over.
2 You have five minutes for your portion. So you
3 just tell us a little more clearly what happened.

4 MS. HATCHER: Thank you. First, I've been in
5 politics for a while, but going back to county
6 where we were filing the county, I was a city
7 councilman. This is -- since 2019, and I suspect
8 it's probably the first time, I can't recall the
9 first time I was in front of the Commission, but I
10 think it was for a late report. It wasn't for this
11 situation.

12 But when I do my reports, I go back, I pull
13 out all my checks, and I put in the date that the
14 check is written, the written date of the check,
15 and not the date that I deposit it. About a year
16 ago, after this last one, I started writing and
17 using the date that I actually pick it up from the
18 P.O. Box and I actually put in the deposit. So if
19 you look at my newer records, you'll see a number
20 of checks are received on the very same day. It's
21 the day that I pick them up and the day that I
22 deposit them into the bank. Going back here,
23 though, I was still using the date of the check
24 when I came and wrote my final report out to submit
25 to the State for processing.

1 So I know that's what the problem is. I know
2 that's where the mistake lies. But as I said
3 before, that seems like a mistake that's more on my
4 end than on the Commission's end, and so I'm just
5 asking for -- especially since I have corrected the
6 problem now and understand what the issue is. I do
7 have all checks go to my P.O. Box. None of them
8 come straight to my house. I usually pick that up,
9 especially during election season, at least once a
10 week, sometimes it may be once every two weeks, but
11 yes.

12 VICE CHAIRMAN OVERHOLT: So the issue is that
13 you -- so if a check is dated December 1st, you
14 received it December 15th, but you're entering it
15 into the lovely antiquated system we keep talking
16 about --

17 MS. HATCHER: I'm glad I didn't say it.

18 VICE CHAIRMAN OVERHOLT: -- with the
19 December 1st date, is what you're saying?

20 MS. HATCHER: Yes, the date that's actually on
21 the check.

22 VICE CHAIRMAN OVERHOLT: Okay. So do you have
23 records indicating -- for these checks that
24 prompted these penalties, do you have anything
25 indicating when you received those particular

1 checks?

2 MS. HATCHER: So not necessarily. Like I
3 don't have anything that says I went to the P.O.
4 Box on this day and picked this check up. But I
5 think what you will see is that the date that's on
6 the actual check is the date that's being used to
7 submit to the State.

8 VICE CHAIRMAN OVERHOLT: And I guess we don't
9 have that.

10 CHAIRMAN BOYCE: We don't have that.

11 MS. TAYLOR: We don't have copies of any
12 checks for anything.

13 MR. WESTERCAMP: So the staff's position is
14 that the date that should have been used for the
15 representative is the date that the money hit the
16 bank account?

17 MS. TAYLOR: The date that she deposited the
18 check to the bank account.

19 MR. WESTERCAMP: And you obviously have bank
20 statements that would show that; right?

21 MS. HATCHER: Right. So the one that I
22 suspect that we're talking about, I think it's the
23 one --

24 VICE CHAIRMAN OVERHOLT: It says there's one
25 from Thomas Cappas and one from Greater Gary PAC.

1 MS. HATCHER: So I have Cappas. It says 5/1.
2 That's the date it was written.

3 MS. TAYLOR: And you put 5/2 in the system,
4 neither here nor there.

5 MS. HATCHER: Okay. And 5/2 was probably --
6 that was the date that I deposited it. And then
7 what is this? Greater Gary, so Greater Gary is
8 4/30.

9 MS. TAYLOR: You also have 5/2. So that
10 probably is the date you deposited them.

11 MS. HATCHER: Yeah. So where would the
12 problem come in?

13 MS. TAYLOR: You entered them in the system as
14 received on May 2nd. You didn't file the report
15 until May 12th. They were due May 4th, but that
16 fell on a Saturday, so it rolled to May 6th.

17 MS. HATCHER: Yes. So maybe I do have a bit
18 of a problem here.

19 MS. NUSSMEYER: Abbey, which report are you
20 speaking about specifically?

21 MS. TAYLOR: This is the CFA-11.

22 MS. NUSSMEYER: Due in 2024, 2023?

23 MS. TAYLOR: Due May 6th of 2024.

24 MS. HATCHER: Forty-eight hours from?

25 MS. TAYLOR: Forty-eight hours from receipt.

1 MS. NUSSMEYER: Okay. And what was the filing
2 window for the 2024 CFA-11?

3 MS. TAYLOR: The 2024 CFA-11 was April -- let
4 me look at a calendar. April 13, 2024, through
5 May 5, 2024.

6 MS. NUSSMEYER: Okay.

7 MS. WARYCHA: That was the five minutes.

8 MS. HATCHER: I don't know if I have a good
9 one for this then. I thought that was the ones
10 that I was using the date of deposit for. And is
11 it because I have my --

12 MS. TAYLOR: So these were due within 48 hours
13 of receipt, which would have been May 6th because
14 the 4th was a weekend, and you didn't file these
15 until the 12th.

16 MS. HATCHER: So I do have a problem. Okay.
17 So I need to pay the fine.

18 CHAIRMAN BOYCE: Questions or thoughts on
19 this?

20 MR. WESTERCAMP: I would move to impose the
21 penalty -- or is penalty the right word? Okay.

22 MS. HATCHER: Can I pay one penalty instead of
23 two penalties since they both happened on the same
24 report? It's the same report, same dates.

25 CHAIRMAN BOYCE: Unfortunately, it's a penalty

1 on each.

2 MS. HATCHER: Okay.

3 CHAIRMAN BOYCE: Okay. I'm sorry. So we have
4 a motion on the floor, and yours would be to impose
5 the fine at 100 percent.

6 MR. WESTERCAMP: Yes.

7 CHAIRMAN BOYCE: Which for each one it's \$350,
8 and it says the mail cost on both were 68 cents.

9 MS. TAYLOR: Yes.

10 CHAIRMAN BOYCE: Do we have any discussion or
11 a second?

12 MR. WESTERCAMP: Is there a second?

13 MS. HATCHER: Can I ask when that will be due?

14 MS. WARYCHA: Hang on just a second.

15 MR. WESTERCAMP: We're discussing the matter.

16 MS. HATCHER: Oh, okay.

17 VICE CHAIRMAN OVERHOLT: Second.

18 CHAIRMAN BOYCE: Okay. So we have a motion
19 and a second on the penalty, again, being \$350 for
20 each violation and 68 cents mail cost for each.
21 All those in favor signify by saying "aye."

22 VICE CHAIRMAN OVERHOLT: Aye.

23 MR. CLAYTOR: Aye.

24 MR. WESTERCAMP: Aye.

25 CHAIRMAN BOYCE: Opposed "nay."

1 Motion passes.

2 As far as the payment, once this is processed,
3 then we'd have to accept all these at the next
4 meeting.

5 MS. TAYLOR: And then we'll adopt the orders,
6 and then we will mail the orders, and then they
7 each have a 30-day window for payment. You'll have
8 some time.

9 MS. HATCHER: Okay.

10 CHAIRMAN BOYCE: So it's a little bit of time.

11 MS. HATCHER: Okay. Is that it?

12 CHAIRMAN BOYCE: Yes. Thank you very much.

13 MR. CLAYTOR: It's no consolation, but I'm old
14 enough to have worked with Richard Hatcher and
15 enjoyed that.

16 MS. HATCHER: Well, I'm sure he's unhappy with
17 me today. So thank you.

18 CHAIRMAN BOYCE: Thank you very much. Okay.
19 Any others? I don't think so.

20 Okay. So we dealt with the continuances. On
21 the issue of any defaults, is anyone present to
22 testify on any remaining campaign finance hearings
23 scheduled for today?

24 If not, I declare the hearings on all
25 remaining campaign finance matters scheduled for

1 today closed. Is there a motion to impose the
2 entire amount --

3 MR. WESTERCAMP: Can I just ask one question?

4 CHAIRMAN BOYCE: Yes.

5 MR. WESTERCAMP: So I think Senator Young was
6 here last time speaking several times. Did he ask
7 for a continuance?

8 MS. TAYLOR: We have not heard from him since
9 that hearing. He and I worked at the back and got
10 it all situated to match up ours with his, and we
11 have not heard since.

12 MR. WESTERCAMP: But you sent him notice today
13 of the thing?

14 MS. TAYLOR: Yes, yes.

15 MR. WESTERCAMP: And the General Assembly is
16 not in session.

17 MS. TAYLOR: Correct.

18 MR. WESTERCAMP: So we just have nothing from
19 him.

20 CHAIRMAN BOYCE: And, again, since I'm new and
21 I know John is newer to the committee, how are
22 those things handled if there is no communication?

23 MS. TAYLOR: Just like the rest of these
24 causes, they'll get the full fine imposed.

25 CHAIRMAN BOYCE: Okay. And then after today

1 those notifications get mailed?

2 MS. TAYLOR: Once we meet again and we adopt
3 the orders, then we'll mail them.

4 CHAIRMAN BOYCE: Okay.

5 MS. NUSSMEYER: Madam Chairman, though, just
6 for you both, the committee can still file a motion
7 to reconsider --

8 MS. TAYLOR: Yes.

9 MS. NUSSMEYER: -- even after the fines are
10 assessed. So Senator Young or any other committee
11 that is in default today, once they receive that
12 order, they can request a motion to reconsider,
13 similar to what we had happen earlier today.

14 CHAIRMAN BOYCE: And we do give deference to
15 that.

16 MS. TAYLOR: Yes.

17 CHAIRMAN BOYCE: Okay. So do we need to vote
18 on the defaults? Yes. Okay. I just want to make
19 sure. Thank you.

20 Okay. Is there a motion to impose the entire
21 amount of the proposed penalty plus mailing costs
22 in all remaining campaign finance enforcement
23 actions?

24 VICE CHAIRMAN OVERHOLT: So moved.

25 MR. WESTERCAMP: Second.

1 CHAIRMAN BOYCE: Further discussion?

2 All in favor of the motion please signify by
3 saying "aye."

4 VICE CHAIRMAN OVERHOLT: Aye.

5 MR. CLAYTOR: Aye.

6 MR. WESTERCAMP: Aye.

7 CHAIRMAN BOYCE: Opposed say "nay."

8 The "ayes" have it, and the motion to impose
9 the penalty is adopted.

10 Okay. So this part of our hearing is
11 completed. We're going to move on to the voting
12 system approval protocols report. The Chair
13 recognizes the Co-Directors to provide a report
14 regarding the protocols for the Commission to
15 consider applications for approval of a new voting
16 system. The chair will then recognize
17 representatives of the Voting Systems Technical
18 Advisory Program, VSTOP, to provide information
19 regarding the proposed 2025 protocols for voting
20 system approval.

21 MR. KING: Thank you. Madam Chair, members of
22 the Commission, I think it's important,
23 particularly for those who may not have been
24 present at the last meeting, to review the sequence
25 in which these two categories of voting systems

1 generally fall under. There is a process for
2 recertification of a voting system that has been
3 approved at some point during the previous
4 four-year cycle. Each cycle ends on October 1st
5 following a presidential election year.

6 Because there were changes made during the
7 2025 General Assembly that had potential impact on
8 voting system standards, the Commission, at its
9 previous meeting, adopted amendments to the
10 existing protocols to reflect those legislative
11 changes. However, there are voting systems that
12 will be brought forward presumably, depending upon
13 the due diligence of the vendor and the
14 availability of the Voting System Technical
15 Oversight Program to review once submitted, that
16 would come under new 2025 protocols, as I will use
17 as a shorthand designation.

18 Those 2025 protocols were reviewed by myself
19 and my counterpart and by Co-Counsel and provided
20 to VSTOP. And so at this point for VSTOP to do its
21 work for the November 10th meeting, the 2025
22 protocols are the documents before the Commission,
23 and I believe they're included in your binder
24 material.

25 CHAIRMAN BOYCE: I think the blue tab;

1 correct?

2 MR. KING: And then I'll defer to our
3 counterparts to add and supplement.

4 MR. KOICHEVAR: Yes. And I would probably
5 defer over to Co-Director Nussmeyer, but this just
6 a matter of how you consider this. This new
7 protocol has new procedures for VSTOP to test, as
8 Mr. King said, on changes in 2025, the biggest
9 being ballot retraction.

10 But while we still have today and on
11 November 10th renewal of voting systems currently
12 pending, I would recommend that, if you do adopt
13 this today, that you make it very clear that this
14 protocol, this amendment, applies to any new voting
15 system and any what we call modifications or
16 changes to voting systems that are approved for use
17 in Indiana, I'm going to say, after November 10,
18 2025. That is so that we don't have, say,
19 procedurally, maybe possibly legally, issues with
20 the three ES&S systems that are pending renewal.
21 But that, I believe, will be on the agenda on the
22 November 10th meeting next Monday. So I'd like to
23 just state that as you consider that and consider
24 your motion.

25 I'll defer over to Co-Director Nussmeyer on

1 anything about the protocols or anything else you
2 may want to add on my point.

3 MS. NUSSMEYER: If I might, Madam Chair, this
4 is actually a question for VSTOP, so I don't know
5 if Spencer or Dr. Kinsella.

6 CHAIRMAN BOYCE: If you all want to come up
7 and state your names, if that's appropriate. Let's
8 do that.

9 MR. DRUMM: Spencer Drumm, D-r-u-m-m.

10 MS. WARYCHA: Into the microphone so that
11 those watching online can hear it.

12 MR. DRUMM: Spencer Drumm.

13 MS. WARYCHA: Thank you.

14 CHAIRMAN BOYCE: And maybe for me too, those
15 of us that are new, who you are with and maybe your
16 titles, just a little more background.

17 MR. DRUMM: Yes. I'm with VSTOP. I'm a
18 certification specialist for voting systems.

19 MR. CHATOT: Marc Chatot. That's M-a-r-c,
20 C-h-a-t-o-t. I'm the program manager at VSTOP.

21 MR. KINSELLA: Chad Kinsella, K-i-n-s-e-l-l-a,
22 co-director and associate professor.

23 CHAIRMAN BOYCE: Thank you.

24 MS. NUSSMEYER: So if I may, for today, both
25 Unisyn and MicroVote were tested under the 2021

1 standard with the revision that we did at the
2 September meeting; correct?

3 MR. DRUMM: Correct.

4 MS. NUSSMEYER: The 2025 revision. For the
5 November 10th meeting potentially, we will have
6 ES&S. Now, ES&S has two recertifications, and a
7 third is a new system that was tested in February
8 of 2024 that they then were retested under the 2021
9 protocol with the addendum made from the September
10 meeting; correct?

11 MR. DRUMM: There's three systems.

12 MS. NUSSMEYER: But two are recertification
13 and one is a new system.

14 MR. DRUMM: No. There's four total.

15 MS. NUSSMEYER: There's four all day. Okay.
16 Correct.

17 MR. DRUMM: Yeah.

18 MS. NUSSMEYER: So three recertifications --

19 MR. DRUMM: Correct.

20 MS. NUSSMEYER: -- one new, all of them under
21 the 2021 amendment.

22 MR. DRUMM: Correct.

23 MS. NUSSMEYER: Okay, for testing. Hart has
24 also applied, but they have applied for a new
25 voting system.

1 MR. DRUMM: Correct.

2 MS. NUSSMEYER: Will they be on the agenda for
3 November 10th? I have not seen anything scheduled
4 for a field test.

5 MR. DRUMM: We haven't received a TDP from
6 them, so we haven't gotten that far.

7 MS. NUSSMEYER: Okay. So if I may at least
8 make a recommendation to my members and the full
9 Commission, I would recommend, to ensure that we
10 can get through the November 10th meeting with the
11 three systems that are here for recertification
12 plus the new system that is under the 2021
13 protocols, that perhaps we table the discussion for
14 the 2025 certification and do it at the
15 November 10th meeting so that it is clean, that it
16 is clear that the machines that are being tested
17 under the 2021 protocols, that that is still a
18 protocol that is ripe and usable for VSTOP.

19 And then after the November 10th meeting, that
20 would be the last order of business, to adopt the
21 2025 protocols, so that when Hart does finish their
22 reporting to VSTOP, then they can be tested under
23 the new protocols, and any other system. It's one
24 week, and that would be my suggestion or
25 recommendation to the full Commission, but I would

1 defer to my colleagues, of course.

2 MR. KING: Madam Chair and members of the
3 Commission, I appreciate my counterpart's
4 delineation of the lots of moving parts that are in
5 play here. I think there's a couple points of
6 concern.

7 I do want to add that the proposed protocols
8 have been published on our website and then
9 provided to vendors, and, to my knowledge, our
10 office has certainly not received any comments, and
11 I'm not aware of any comments that VSTOP received,
12 at least that took written form, from anyone.

13 I think the only potential risk of mixing
14 apples and oranges here is that if, in fact, the
15 2025 protocols are not approved today but the
16 Commission decides on November 10th to make further
17 modifications for whatever reason, it then becomes
18 unclear whether the Commission could proceed with
19 the certification of new systems in accordance with
20 those 2025 protocols. And so I think, again,
21 thinking back to 2021, when we had an initial
22 recertify by Election Division staff, the model we
23 brought forward to you was based on the procedures
24 used in 2021, the last time in this cycle this
25 process came up.

1 And so I'm hearing this for the first time at
2 this moment, so I haven't had time to fully think
3 through all the potential alternatives, but I think
4 instinctively, to me, it is more efficient, if the
5 Commission is comfortable, to approve the 2025
6 protocols today for purposes of VSTOP's work, and
7 then, if further amendments or tweaks are
8 identified, nothing precludes you from amending
9 those on November 10th just in the same way that
10 you amended the 2021 protocols in September. So
11 I'm, in essence, saying proceeding with the plan
12 that we originally brought forward to you as a way
13 to go forward.

14 MS. NUSSMEYER: Well, if I may, this is also
15 my first opportunity to have a conversation about
16 the agenda, and so, when it comes to the testing
17 protocol, I don't see a reason why the Commission
18 can't have a conversation or discussion on the 2025
19 protocol and raise any issues that they may have
20 with the work the Division did and VSTOP in the
21 vendor review and identify places of concern and
22 direct staff to make amendments to the protocol and
23 then adopt the amended protocol one week from
24 today, which is November 10th.

25 MR. KING: And, Madam Chair, if I can briefly

1 respond.

2 CHAIRMAN BOYCE: Sure.

3 MR. KING: Again, I think the operative
4 sequence here is that, so long as the 2025
5 protocols are not deferred in their entirety until
6 a week from today, November 10th, that gives VSTOP
7 and the vendors and the potential county customers,
8 depending upon what variety of contractual
9 arrangement a vendor might have with a county, time
10 to address any concerns, to expeditiously approve
11 the system if it meets the qualification of the
12 statute.

13 MS. NUSSMEYER: But if I may, VSTOP just on
14 the record said that they have no system -- any
15 vendor that has applied for a new voting system
16 beyond the ES&S system that was requested under the
17 2021 protocols where a report was filed in February
18 of 2025. Correct? There is no other voting system
19 before VSTOP at this point that would be tested
20 under their revised 2025 protocols, so we would
21 not, in effect, be holding up your work or work for
22 the county; is that correct?

23 MR. DRUMM: Correct.

24 MS. NUSSMEYER: Thank you.

25 VICE CHAIRMAN OVERHOLT: Well, I guess my

1 thought would be it seems odd to approve the 2025
2 protocols now if it seems like we're contemplating
3 the possibility that we may be somehow revising
4 them in a week and if they're not going to be
5 affecting anything that is being considered in the
6 next week, which is what I'm hearing.

7 So it seems like I agree with Co-Director
8 Nussmeyer that, if what we're contemplating -- it
9 sounds like there is contemplation that there might
10 be revision to these protocols, so it seems like
11 that's something to discuss perhaps now but then to
12 take final action next week. And I agree also it
13 sounds like it makes sense to avoid confusion as to
14 which protocols are in play at any given period of
15 time.

16 CHAIRMAN BOYCE: Do you all have anything
17 you'd like to --

18 MR. DRUMM: To add to it? I don't believe so.

19 MR. CHATOT: No. No vendor reply.

20 MR. DRUMM: Yeah. We got no replies from the
21 vendors other than they had no comments.

22 MS. WARYCHA: I do have a question. We kept
23 hearing from ES&S specifically in Marion County
24 that they were concerned about being able to sell
25 equipment. Does this -- and I'm not advocating for

1 any vendor. Please don't take it as that. But I
2 did hear from them that they were concerned about
3 being able to meet some deadlines of selling
4 equipment to Marion County because Marion County
5 needed new equipment.

6 MS. NUSSMEYER: So if I might, this is the
7 system that VSTOP provided a report to us in
8 February of 2025 that had to then be
9 re-field-tested under the amended protocol, which
10 VSTOP has done. It is not on today's agenda. So I
11 don't know exactly why ES&S is not part of today's
12 agenda. Maybe that is something VSTOP can tell us.
13 But as soon as they can be on the agenda, then --
14 because Marion County, you're correct, a new
15 system, they can't market, sell, or lease it until
16 the Commission approves it.

17 MS. WARYCHA: Okay. And I was thinking, based
18 off what I had seen, we had talked -- Commissioner
19 Boyce had mentioned at the meeting a month ago that
20 we would put this up for 30 days, which we did, and
21 then we would come back at the November 10th
22 meeting to approve new systems.

23 So just to make sure I'm clear, isn't that
24 what ES&S is asking for in the November 10th is to
25 approve their new system so they can sell it to

1 Marion County?

2 MR. DRUMM: I don't know the Marion County
3 part, but the 6500, yes.

4 MS. WARYCHA: Yeah. So I just want to put
5 that out there.

6 MS. NUSSMEYER: But that is not accurate.

7 CHAIRMAN BOYCE: The what?

8 MS. WARYCHA: The 6500 is a system.

9 MS. NUSSMEYER: But that is not under the 2025
10 protocol because they were originally tested under
11 2021, and we met with ES&S, as you recall.

12 MS. WARYCHA: Right.

13 MS. NUSSMEYER: And we said when that report
14 is amended to include the school board questions
15 and other things, that we would ask that they do a
16 field test on that portion only, can they do the
17 school board --

18 MS. WARYCHA: Correct.

19 MS. NUSSMEYER: -- nonpartisan races and so on
20 and so forth. That is a new system tested under
21 the 2021 protocols as amended at the September
22 meeting. The 2025 protocols that are before us
23 right now are for new systems moving forward after
24 October 1, 2025. So these protocols would not
25 apply to anything right now before VSTOP. Hart

1 will be the first system on the 2025 protocols when
2 and if they file.

3 MS. WARYCHA: Yes.

4 MR. WESTERCAMP: I move to move forward with
5 the approval of the procedures -- the protocol,
6 sorry, the 2025 protocol to be adopted.

7 CHAIRMAN BOYCE: Okay. I'd like to second
8 that.

9 Okay. So we have a motion and a second to
10 approve the proposed 2025 protocols. All in favor
11 signify by saying "aye."

12 MR. WESTERCAMP: Aye.

13 CHAIRMAN BOYCE: Aye.

14 Opposed "nay."

15 VICE CHAIRMAN OVERHOLT: Nay.

16 MR. CLAYTOR: Nay.

17 CHAIRMAN BOYCE: Okay. So we have a two-two
18 vote.

19 MR. WESTERCAMP: I move to exhaust
20 administrative remedies in the event of appeal to
21 court.

22 CHAIRMAN BOYCE: I'll make a second.

23 Any discussion?

24 MR. KOCHEVAR: I'm sorry. That's the first
25 time I've ever heard the motion at a Commission

1 meeting, so I'm looking at my co-counsel who will
2 help me.

3 MS. WARYCHA: You're worried about the
4 administrative remedies?

5 MR. KOCHEVAR: Yes, Commissioner Westercamp's
6 motion. Sorry. I normally do AOPA here, so,
7 again, as I stated in other meetings --

8 MR. WESTERCAMP: It's the counterpart, yes.

9 MR. KOCHEVAR: Okay. My apologies.

10 MS. NUSSMEYER: But in the past what we've
11 typically done is make the counter motion --

12 MS. WARYCHA: Correct.

13 MS. NUSSMEYER: -- rather than doing it in a
14 more broad fashion, as you motioned.

15 MS. WARYCHA: It's still proper. You're okay.

16 MS. NUSSMEYER: Okay.

17 CHAIRMAN BOYCE: So there's been a motion and
18 a second. All those in favor signify by saying
19 "aye."

20 Aye.

21 MR. WESTERCAMP: Aye.

22 CHAIRMAN BOYCE: Opposed "nay."

23 VICE CHAIRMAN OVERHOLT: Nay.

24 MR. CLAYTOR: Nay.

25 CHAIRMAN BOYCE: Okay. The motion fails since

1 it has not received the three votes required for
2 the official action by the Commission.

3 Okay. Voting system applications for
4 recertification. The Chair recognizes the Election
5 Division Co-Counsels to provide information
6 regarding the legal requirements applicable to a
7 previously certified voting system whose
8 certification expired October 1, 2025.

9 MS. WARYCHA: Sure. Matthew, if you're okay,
10 I'll go ahead and start.

11 So there's two statutes to look at, one for
12 ballot card voting systems, and that's going to be
13 Indiana Code 3-11-7-19; and then the code for
14 electronic voting systems is 3-11-7.5-82. And
15 these provisions are generally the same, and what
16 they start out by saying is that all of our voting
17 systems expired on October 1, 2025, as Mr. King
18 explained earlier.

19 Vendors may then send an application to the
20 Election Division to request renewal of their
21 system. Once we get that, we, as the Election
22 Division, send it to the county clerks in the
23 counties who are using that system so that they
24 have an opportunity to speak up if something is not
25 working with that system. And, in addition, the

1 Commission gets a report from VSTOP, which, I
2 believe, is what is in all of your binders, and it
3 indicates the hardware, firmware, software included
4 in the application for renewal is identical to the
5 previously approved certification.

6 And the Commission report also -- after
7 receiving the Commission report, if you get any
8 comments from interested persons, we would share
9 those with you. I do not believe we got any
10 comments at all, so there won't be any of those in
11 your binder.

12 And then so once the Commission shall approve
13 the application if it complies with the standards
14 prescribed in this chapter, so under 3-11-7, and
15 that's in your binder report from VSTOP, if the
16 system has worked effectively if it's been used
17 previously, which we have had no comments from a
18 county saying that it wasn't working properly, and
19 then if it's been adequately supported by the
20 vendor, which, again, this is an opportunity for
21 the county to pipe up and say my vendor is not
22 supporting me and at this time we have none of
23 those comments, we have the report from VSTOP
24 recommending recertification.

25 And, Mr. Kochevar, if there's anything else

1 you'd like to add, please do.

2 MR. KOICHEVAR: First, I will say that I agree
3 with my counterpart on her explanation of the
4 statutes for renewal of voting systems. I will
5 also state that the necessary documentation were
6 sent to the counties that are using the voting
7 systems in question. They were sent by Mr. McLain,
8 who is sitting in the back over there, as well as
9 myself because we had some large documents that we
10 had to share on One Drive. You know how these
11 things work.

12 I will note, and this will be more for your
13 agenda, that I just want to note there is an
14 engineering change order with the Unisyn renewal.
15 I'm going to use an assumption, and just based on
16 how the agenda is done, this is -- ECOs along with
17 renewals is nothing new. This happens all the
18 time. They're just something like a small change
19 in the voting system that's pending during renewal.

20 I believe, because of how the agenda has been
21 ordered, that our past precedence has been, when
22 you have something like this before you, you want
23 to take up and make sure to approve the ECO first
24 and then approve the renewal. VSTOP keeps great
25 notes for four years from now so, in case the

1 voting system comes back for renewal, they will
2 keep track of this additional ECO as this was part
3 of the system that was, in this case, subtly
4 changed. This is how we describe ECOs, there being
5 de minimus changes. So I just want to add on that
6 extra note on top of my counterpart's excellent
7 summary, and I have nothing further.

8 CHAIRMAN BOYCE: Thank you.

9 MR. KING: And, Madam Chair, members of the
10 Commission, I would simply add I entirely agree
11 with Mr. Kochevar with regard to his
12 characterization of engineering change orders and
13 the rationale of having, in this case, what appears
14 to be a very mechanical, nonelectronic type of
15 change to a voting system be considered as part of
16 the process for recertification of the larger
17 system overall.

18 CHAIRMAN BOYCE: Okay. Thank you very much.

19 The Chair will now recognize representatives
20 from VSTOP to provide information regarding the
21 voting systems whose vendors have filed
22 applications for recertification beginning with the
23 Unisyn OpenElect 2.2.2 ballot card voting system.

24 MR. DRUMM: Thank you, Madam Chairman. Do you
25 want me to go over the ECO first?

1 CHAIRMAN BOYCE: Yes, please.

2 MR. DRUMM: So this is ECO NCC 1031, and it
3 introduces a larger capacity 8 gig flash drive for
4 in-field high-use cases where large ballot images
5 can exceed the capacity of the 1 gig model. ECO
6 NCC 1031 does not adversely impact the
7 functionality, performance, accessibility,
8 usability, safety, or security of the components or
9 the system or alter the overall configuration of
10 the certified system. No change to firmware or
11 software is required.

12 CHAIRMAN BOYCE: Okay. So I think --

13 MR. WESTERCAMP: Is there any discussion from
14 other members on this?

15 CHAIRMAN BOYCE: We will need a motion and a
16 second to adopt this change order.

17 MR. WESTERCAMP: I move to approve the ECO
18 NCC 1031.

19 MR. CLAYTOR: Second.

20 CHAIRMAN BOYCE: We have a motion and a
21 second. All those in favor please signify by
22 saying "aye."

23 VICE CHAIRMAN OVERHOLT: Aye.

24 MR. CLAYTOR: Aye.

25 MR. WESTERCAMP: Aye.

1 CHAIRMAN BOYCE: Opposed "nay."

2 Motion passes.

3 Okay. So then next is the engineering change
4 order.

5 MS. NUSSMEYER: We just did the engineering
6 change order.

7 CHAIRMAN BOYCE: Oh, I'm sorry.
8 Recertification. On to the next one. I'm sorry.
9 Go ahead.

10 MR. DRUMM: The Unisyn OpenElect voting system
11 provides a complete system for election definition,
12 ballot printing, voting at the polls, as well as
13 early voting, handling absentee and provisional
14 ballots at the central site for tabulation,
15 accumulation, and reporting results. The OVS is a
16 ballot precinct voting system that offers both
17 precinct and central tabulation. The OVS consists
18 of the OpenElect Central Suite, or OCS, installed
19 at election headquarters location; the OpenElect
20 Voting Device, or OVD, for use at the polls or
21 early voting; and OpenElect Voting Central Scans,
22 or OVCS bulk scanners, for use at central
23 locations.

24 This system was certified by the U.S. Election
25 Assistance Commission, EAC, on November 18 of 2021

1 and is in compliance with the Voluntary Voting
2 System Guidelines 1.0. This voting system is a
3 modification of the OpenElect 2.1, which was
4 certified in Indiana until that certification
5 expired October 1st of 2021. OpenElect 2.2 was
6 certified on February 24, 2022, as a New Voting
7 System, and it has -- ECO 3476 was a modification
8 to OpenElect 2.2 that introduced changes to extend
9 ballot insertion time to avoid jams, and that
10 updated the OpenElect version to 2.2.2 on
11 December 7th of 2022.

12 This voting system was reviewed and
13 field-tested by using the Indiana Voting Systems
14 Certification Protocol approved by the Indiana
15 Election Commission on November 15th of 2021 and
16 tested to the updated sections in Amendment 1
17 version of the protocol approved on September 23rd
18 of 2025. The review and testing included all
19 sections of the Protocol, including the recent
20 legislative requirements such as software hash
21 verification and review of the complete ballot
22 creation and deployment process.

23 Per the requirements of the Protocol, this
24 report includes the completed Appendix A, the field
25 test; Appendix B, the accessibility testing;

1 Appendix F, procedures for renewal; Appendix G, the
2 VSTOP certification checklist; and Appendix 8, the
3 test ballot samples.

4 On the basis of VSTOP's review and evaluation,
5 the voting system referenced herein, with the scope
6 and certification, meets all the requirements of
7 the Indiana Code for use in the state of Indiana.
8 This finding includes compliance with the legal
9 requirements for voters with disabilities.

10 MR. WESTERCAMP: I move to recertify Unisyn
11 Voting Systems OpenElect 2.2.2.

12 MR. CLAYTOR: Second.

13 CHAIRMAN BOYCE: We have a motion and a second
14 for the recertification. All those in favor
15 signify by saying -- oh, I apologize.

16 Any question?

17 VICE CHAIRMAN OVERHOLT: Yeah. Could we have
18 some discussion about it before we proceed with the
19 vote?

20 CHAIRMAN BOYCE: Sure.

21 VICE CHAIRMAN OVERHOLT: Did staff have any
22 comments about the recertification?

23 MS. NUSSMEYER: I just -- just for on the
24 record with VSTOP, to be clear, for the Unisyn
25 system, ballot retraction was not part of the

1 recertification, it was not tested, and the vendor
2 is clear that ballot retraction, at least as
3 currently being considered for recertification, is
4 not part of what can be deployed in Indiana until
5 such a time they supply new application and ask for
6 testing under the 2025 protocols, whenever those
7 are adopted?

8 MR. DRUMM: Correct.

9 MS. NUSSMEYER: Thank you. That was my
10 question.

11 VICE CHAIRMAN OVERHOLT: That's what I was
12 going to ask.

13 CHAIRMAN BOYCE: Very good. Any other
14 discussion, questions?

15 MR. KING: Madam Chair, members of the
16 Commission, if I can just add briefly to supplement
17 the remarks of my counterpart. There was also
18 legislation regarding retraction adopted in the
19 2025 legislative session which is very complicated,
20 and I'll give you the executive summary for this
21 purpose, which was to say that in the version
22 signed into law, retraction ability was made
23 permissible. It's authorized but not required for
24 each type of voting system used in Indiana with the
25 stated goal of not either benefiting or harming any

1 particular vendor based on the current nature of
2 their product.

3 And so as a result, some systems like Unisyn,
4 which do not have the ability to retract currently,
5 were not subject to an additional requirement based
6 on that new statute.

7 VICE CHAIRMAN OVERHOLT: Right. But if they
8 do have a retraction -- if they try to have a
9 retraction feature, they have to comply with the
10 requirements of the statute?

11 MR. KING: Yes, Commissioner, that is correct.

12 CHAIRMAN BOYCE: Great. Any other comments?

13 MR. KOICHEVAR: To add on to the answer to the
14 vice chair's question, I would also say in
15 addition, at least for this Unisyn system, they
16 would also need to seek a modification. I want to
17 make that clear. They must seek a modification
18 under law, come before this Commission to, I'm
19 going to use the words, turn on the ballot
20 retraction feature that is well-known among
21 election administrators is available in certain
22 Unisyn systems and that I can tell you and attest
23 that at least one circuit court clerk that uses
24 this Unisyn system is just dying to have it for
25 their elections.

1 CHAIRMAN BOYCE: Thank you.

2 VICE CHAIRMAN OVERHOLT: But, again, it's not
3 part of this?

4 MR. KOCHEVAR: It's not part of this.

5 VICE CHAIRMAN OVERHOLT: I was going to say
6 let's not confuse things.

7 MR. KOCHEVAR: Yes, yes, yes.

8 CHAIRMAN BOYCE: Okay. Any other questions,
9 discussion?

10 If not, we have a motion and a second on the
11 floor for this recertification. So all those in
12 favor signify by saying "aye."

13 VICE CHAIRMAN OVERHOLT: Aye.

14 MR. CLAYTOR: Aye.

15 MR. WESTERCAMP: Aye.

16 CHAIRMAN BOYCE: Opposed "nay."

17 The motion is adopted, and the application for
18 recertification of this voting system is approved.

19 Okay. The Chair will now recognize VSTOP to
20 provide information regarding the application for
21 recertification of the MicroVote General
22 Corporation Direct Record Electronic Ballot System.

23 MR. DRUMM: Yes. So EMS 4.4-IN is hardware,
24 including the VVPAT, software, and firmware, is
25 compatible with all existing Indiana certified

1 hardware components. The EMS 4.4-IN revision
2 includes an updated panel which includes the
3 Windows 10 operating system with a bright color
4 display. The system also includes election
5 management software enhancements to provide
6 equipment tracking and status and election night
7 reporting by location. In addition to the
8 mandatory precinct reporting, the equipment is now
9 optionally assigned to locations and then election
10 reports can be viewed for individual locations or
11 aggregated across multiple select locations.

12 This system was certified by the U.S. Election
13 Assistance Commission on May 1, 2020, and is
14 compliant with the Voluntary Voting Systems
15 Guidelines. Since 2022, there's been a few
16 engineering changes to it. 136, 137, 139 have been
17 approved on EMS 4.4-IN.

18 This voting system was reviewed and
19 field-tested by using the Indiana Voting System
20 Certification Protocol approved by the Indiana
21 Election Commission on November 15, 2021, and
22 tested to the updates found in the 2021 Amendment 1
23 protocol approved on September 23, 2025. The
24 review and testing included all sections of the
25 Protocol, including the recent legislative

1 requirements updated by Amendment 1.

2 Per the requirements for the Protocol, this
3 report includes the completed Appendix A, field
4 test; B, the accessibility testing; F, the
5 procedures for renewal; Appendix G, the
6 certification checklist, and then also the test
7 ballot samples.

8 On the basis of VSTOP's review and evaluation,
9 we find the voting system referenced herein, and
10 within the scope of certification, meets all
11 requirements of the Indiana Code for use in the
12 state of Indiana. This finding includes compliance
13 with the legal requirements for voters with
14 disabilities.

15 VICE CHAIRMAN OVERHOLT: Can we have
16 discussion now?

17 CHAIRMAN BOYCE: Yeah. Questions, comments?

18 VICE CHAIRMAN OVERHOLT: So --

19 MR. KING: We want a motion.

20 MR. WESTERCAMP: We do need a motion? Okay.
21 I move to recertify MicroVote General Corporation
22 EMS 4.4-IN.

23 MR. CLAYTOR: Second.

24 CHAIRMAN BOYCE: So we have a motion and a
25 second. Discussion?

1 VICE CHAIRMAN OVERHOLT: So my understanding
2 is that MicroVote has a retraction feature. Or
3 does their recertification include a retraction
4 feature, a ballot retraction feature?

5 MR. CHATOT: Yes. It was previously
6 certified.

7 VICE CHAIRMAN OVERHOLT: Okay. So do we know
8 what methodology they use for retraction for
9 identifying the ballots that are to be retracted at
10 this time? I mean, because there was a past
11 meeting where they said that they actually use the
12 voter ID number for retraction.

13 MR. CHATOT: I don't recall the exact
14 specifics of it. That could be a part of it. I
15 hoped a representative would be here to answer
16 that, but it seems it's just us. So I don't want
17 to speak to that officially at this time. I don't
18 know the exact answer. It would take a while to
19 look up.

20 VICE CHAIRMAN OVERHOLT: I mean, my
21 understanding is that they said -- that they had
22 said in the past they use a voter ID number but
23 they could also use a randomized digit. Under
24 Indiana law, the voter ID number is linked to
25 personal information that, under Indiana law, isn't

1 supposed to be used for this process. So during
2 the evaluation, did MicroVote address how they were
3 going to be handling retraction?

4 MR. DRUMM: The recent testing that we did
5 only covered the updates to Amendment 1, so we did
6 the school board testing. We didn't go into
7 anything else beyond that.

8 VICE CHAIRMAN OVERHOLT: So when the equipment
9 was -- when the system, I guess, was certified
10 previously and they had the retraction capability
11 in it, were there limitations placed on how they
12 would effectuate ballot retraction?

13 MR. CHATOT: I don't believe so, but I can't
14 recall exactly.

15 VICE CHAIRMAN OVERHOLT: And your report
16 doesn't impose -- although maybe it's not up to
17 VSTOP; maybe it's up to us. I guess this is a
18 question for staff. So in terms of making sure
19 MicroVote understands that they've got to comply
20 with state law in terms of -- the new state law in
21 terms of the retraction requirements, is that a
22 condition we impose on the recertification?

23 MR. KOICHEVAR: Yes. To answer that question,
24 I believe, yes, you can impose that condition
25 because there is a matter of Statute 3-11-15-26,

1 and more specifically subsection B, on what the
2 ballot retraction ID can and cannot be.

3 I will recall that many years ago, when ballot
4 retraction actually came up, the Commission did
5 impose -- it was an advisory opinion, which is now
6 moot. I will admit that under law. But at that
7 time I would -- essentially saying another way, the
8 Commission made a statement to voting system
9 vendors that there are certain things that the
10 Commission will not approve in a voting system
11 application, certification, modification, or
12 renewal.

13 So certainly in your motion to renew you can
14 put in specific matters here about the ballot
15 retraction as well, and precedence backs you on the
16 matter.

17 MS. NUSSMEYER: But if I could add just for
18 some additional background, the direct report
19 electronic voting system, of which MicroVote is,
20 they also have an optical scanning component for
21 absentee voting, but the DRE system, in and of
22 itself, at least as far as I know, when the law was
23 originally passed for DREs, they always had to have
24 a ballot retraction, but it was never defined in
25 state law what it could or could not be. The law

1 has changed to say what it can and can't be.

2 To me, I think there's a novel -- again, a
3 novel legal question before the Commission today
4 because the legislature does permit the use of a
5 voter ID number for retraction, but it does not
6 allow for things like a person's driver's license
7 number. A voter ID number can be a driver's
8 license number. A voter ID number can be an SSN
9 four plus date of birth. SSN four and date of
10 birth cannot be used for ballot retraction. There
11 is a unique identifier for voters who may have
12 registered to vote prior to SVRS -- prior to
13 federal and state law changing where they truly do
14 get a unique identifier assigned to them, but that
15 is a very small universe of voters.

16 And so, at least from our staff perspective, a
17 ballot retraction number, although state law says
18 voter ID number may be used, that voter ID number
19 is comprised of personally identifying information
20 that state law prohibits from being used. So if a
21 person would go to a MicroVote voting system, their
22 voter ID number could be their driver's license
23 number, which is precluded from being used under
24 state law, although the SVRS voter ID number can be
25 used. So how do you square those two things? If

1 you use a voter ID number that is wholly comprised
2 of a person's DLN number, that is not allowed for
3 use under state law.

4 And I will say that MicroVote has had members
5 testify before the Commission in meeting minutes
6 that we can certainly pull for the Commission where
7 they have stated that they can do either. They use
8 a voter ID number, it's easier for the counties
9 because they put the voter ID number on a card
10 that's then inserted directly from the poll book
11 and put into the system, or they can do a
12 randomized number. It takes a little bit longer
13 time for the voter to be processed if you go that
14 route.

15 So those are the concerns that I raised with
16 my commissioners and the reason for the vice
17 chair's questions today.

18 MS. WARYCHA: I would just supplement, I
19 cannot recall all of the legislative discussion,
20 but I do believe this came up during committee with
21 the legislature, and that is when they did amend,
22 as Matthew mentioned, the 3-11-15-26. And I am not
23 the MicroVote lobbyist or any vendor's lobbyist,
24 but I do recall this coming in session and the
25 General Assembly deciding that they could continue

1 using their ballot retraction feature that had the
2 voter's SVRS identification number, for lack of a
3 better term. So the legislature did set policy on
4 that, I would just want to bring forward to the
5 Commission.

6 MR. KING: And, Madam Chair, members of the
7 Commission, I would add to that again to say that
8 throughout the process the particular bill was
9 amended in response to vendor concerns, again, to
10 strike a balance to not impose an additional
11 hardship on a vendor that currently had a
12 retraction feature nor to require a retraction
13 feature for a system that did not currently have
14 one.

15 MS. WARYCHA: Go ahead.

16 MR. KING: But that, again, it comes back, I
17 think, to the larger question of construing
18 statutes to say we can't pick and choose; they have
19 to be read in their entirety. And so that's
20 already been discussed, so I don't need to go into
21 great detail on that.

22 At this point, in the absence of a
23 representative from MicroVote to further testify
24 regarding the matter, the Commission may wish to
25 consider tabling the motion until November 10th to

1 provide an opportunity for additional information
2 from the vendor to further address the question.

3 MR. WESTERCAMP: Will there be any kind of
4 notice to the vendor where we'll have some
5 guarantee that some -- or do we have any confidence
6 that a representative will be here in a week?

7 MS. NUSSMEYER: They're based in Indianapolis.

8 VICE CHAIRMAN OVERHOLT: Not much reason for
9 them not to be here today.

10 MR. KOICHEVAR: We certainly can extend that
11 invitation on your behalf to them.

12 MR. WESTERCAMP: Yes.

13 MR. KING: We ordinarily -- we certainly would
14 contact the vendor, either directly or as part of
15 the application process, to ensure that that would
16 be the case.

17 VICE CHAIRMAN OVERHOLT: And I remember
18 actually the meeting where they were very
19 noncommittal about their willingness to assign just
20 random numbers. I remember that. It was just they
21 were -- well, it's hard. They didn't want to do
22 the work, the more difficult thing.

23 MS. NUSSMEYER: And the distinction between
24 the DRE and the optical scan piece too is that a
25 DRE, the number is stored electronically, they have

1 a double blind system, so on and so forth. But a
2 voter ID number printed on a ballot card where it
3 goes into -- where a person's driver's license
4 number would be printed on a ballot card that
5 directly links a person to their vote, I appreciate
6 that the legislature excluded voter ID number, but
7 they also said no personally identifying
8 information.

9 And so, from my perspective, if we want to use
10 a voter ID number, it's incumbent on us to make
11 sure that the voter ID number in SVRS then is truly
12 unique. Even then, it's a record that can be tied
13 directly back to the voter, and that is a chief
14 concern of mine, and the Commission does have the
15 authority under law to administer the election laws
16 and consider novel issues. So thank you.

17 MR. WESTERCAMP: Madam Chair, I'd like to
18 withdraw my motion.

19 CHAIRMAN BOYCE: Okay. So --

20 VICE CHAIRMAN OVERHOLT: And I'd move that we
21 table -- do we have to vote --

22 CHAIRMAN BOYCE: Do we have to vote on the
23 withdrawal?

24 MR. KOCHEVAR: Honestly, you don't have to
25 withdraw your motion. You can make a motion to

1 table your motion to the next meeting, so then,
2 when it's brought back up from the table, you don't
3 have to redo your motion.

4 MR. WESTERCAMP: Okay. So moved.

5 CHAIRMAN BOYCE: What he said.

6 VICE CHAIRMAN OVERHOLT: I'll second that.

7 CHAIRMAN BOYCE: Okay. So we have a motion
8 and a second to table this matter until the next
9 meeting of the Commission. All those in favor
10 signify by saying "aye."

11 VICE CHAIRMAN OVERHOLT: Aye.

12 MR. CLAYTOR: Aye.

13 MR. WESTERCAMP: Aye.

14 CHAIRMAN BOYCE: Opposed "nay."

15 The motion is adopted, and that is officially
16 tabled until our meeting on November 10th.

17 MR. CLAYTOR: Can I ask a stupid question?

18 CHAIRMAN BOYCE: Sure. There are no stupid
19 questions, trust me.

20 MR. CLAYTOR: Oh, yes, there are.

21 CHAIRMAN BOYCE: Trust me.

22 MR. CLAYTOR: Mr. King, I wasn't sure I
23 understood. Are you seeing a conflict within the
24 statute that I think Mr. Kochevar and Ms. Nussmeyer
25 are seeing?

1 MR. KING: No, not a conflict, but, again,
2 it's a question of statutory interpretation to say
3 that, again, the entire body -- in pari materia is
4 the legal Latin phrase to say you have to consider
5 all the different statutes, not individual pieces,
6 in determining what's the applicable law.

7 MR. CLAYTOR: Sure. And it would not be the
8 first time at least I think I've seen that the
9 legislature thought they did something and didn't.

10 MR. KING: Theoretically, that can happen,
11 yes.

12 MR. CLAYTOR: Yes.

13 CHAIRMAN BOYCE: That could be a whole nother
14 meeting.

15 MR. WESTERCAMP: Just for the avoidance of
16 doubt, can whoever the appropriate staff is that
17 sends notices make sure that MicroChip -- I'm
18 sorry -- MicroVote understands that we expect to
19 see them here next week and prepared to answer
20 questions for our staff and the commissioners?

21 MR. KOCHEVAR: Absolutely.

22 MR. KING: Uh-huh.

23 MR. WESTERCAMP: Great.

24 CHAIRMAN BOYCE: Great. Thank you. The
25 Indiana Election Commission has finished its

1 business for today. Is there a motion to adjourn?

2 VICE CHAIRMAN OVERHOLT: So moved.

3 MR. WESTERCAMP: Second.

4 CHAIRMAN BOYCE: All those in favor say "aye."

5 VICE CHAIRMAN OVERHOLT: Aye.

6 MR. CLAYTOR: Aye.

7 MR. WESTERCAMP: Aye.

8 CHAIRMAN BOYCE: Opposed "nay."

9 The "ayes" have it, and the Indiana Election
10 Commission meeting is adjourned.

11 (The Indiana Election Commission Public
12 Session was adjourned at 12:30 p.m.)
